AGENDA

ROCKWALL CITY COUNCIL REGULAR MEETING

Monday, January 07, 2019 - 5:00 PM

City Hall - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding "Petition for Consent to include Land in a Municipal Utility District (MUD)" within the city's northern extraterritorial jurisdiction (ETJ), pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM FOWLER

VII. OPEN FORUM

VIII. CONSENT AGENDA

p.9 1. Consider approval of the minutes from the December 17, 2018 regular city council meeting, and take any action necessary.

p.31 2. Z2018-043 - Consider a request by Michael Worrell of Rockwall Honda for the approval of an ordinance amending SUP No. S-76 (Ordinance No. 10-26) to allow changes to be made to an existing Motorcycle Dealership with Accessory Boat and Trailer Sales being a 1.152-acre parcel of land identified as Lot 6, Block A, Newman Center #1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, and take any action necessary (2nd Reading).

p.39 3. Z2018-046 - Consider a request by Brad Helmer on behalf of Heritage Christian Academy (HCA) for the approval of an ordinance for a Specific Use Permit (SUP) allowing existing temporary educational buildings in conjunction with a private school to remain on a 6.64-acre parcel of land identified as Lot 1, Block A, Heritage Christian Academy Addition, City of Rockwall, Rockwall County, Texas, zoned Multi-Family 14 (MF-14) District, situated within the SH-205

Overlay (SH-205 OV) District, addressed as 1408 S. Goliad Street [SH-205], and take any action necessary (2nd Reading).

p.48 4. P2018-044 - Consider a request by Dub Douphrate of Douphrate and Associates on behalf of Russell Frank for the approval of a final plat for Lot 1, Block A, Hacienda Car Wash Addition being a 2.008-acre tract of land identified as portions of Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 Ridge Road [FM-740], and take any action necessary.

p.54 5. P2018-045 - Consider a request by Jennifer Haynes of Urban Structure on behalf of Andrew Malzer of RaceTrac Petroleum, Inc. the approval of a replat for Lots 4 & 5, Block A, the Woods at Rockwall Addition being a 4.47-acre tract of land identified as Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 & 2205 Ridge Road [FM-740], and take any action necessary.

p.60 6. P2018-046 - Consider a request by David Ellis for the approval of a replat for Lots 5, 6 & 7, Block A, Ellis Centre, Phase 2 Addition being a 2.62-acre tract of land identified as Lots 1 & 3, Block A, Ellis Centre, Phase 2 Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1930 & 1950 Alpha Road, and take any action necessary.

p.66 7. Consider approval of a resolution terminating Ascensus Trust Company as Passive Trustee of the City of Rockwall 457(b) Plan; appointing Reliance Trust Company as Passive Trustee (in Place of Ascensus Trust) with respect to the city's 457(b) plan, and take any action necessary.

IX. Appointment Items

p.69 1. Appointment with Dewayne Cain to discuss amending the Unified Development Code (UDC) to allow accessory buildings in an Agricultural (AG) District, and take any action necessary.

X. Public Hearing Items

p.80 1. Z2018-049 - Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of an ordinance for a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary (1st Reading).

XI. Action Items

p.118 1. Z2018-052 - Discuss and consider a request by Russell Phillips on behalf of Rockwall Retail Investors, LLC for the approval of an ordinance for a Specific Use Permit (SUP) for a mini-warehouse facility on a 7.489-acre tract of land identified as Lot 23, Rainbow Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, generally situated north of Horizon Road and east of Ranch Trail Road, and take any action necessary (2nd Reading).

p.128 2. Z2018-048 - Discuss and consider a request by Amanda Henry for the approval of an ordinance for a Specific Use Permit (SUP) for an accessory building that does not meet the requirements stipulated by the Unified Development Code (UDC) on a 0.253-acre tract of land identified as part of Lot 47B of the B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 205 S. Clark Street, and take any action necessary (2nd Reading).

p.136 3. Z2018-054 - Discuss and consider a request by Andrew Bennett of BOKA Powell, LLC on behalf of the owner Vinod Miranda for the approval of an ordinance for a Specific Use Permit (SUP) for an office building that will exceed 36-feet in height within the Scenic Overlay (SOV) District on a 9.7-acre tract of land identified at Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary (2nd Reading).

p.146 4. A2018-004 - Discuss and consider a request by Pat Atkins on behalf of the owner C.D.T. Rockwall/2017 LLC for the approval of an ordinance for the voluntary annexation of a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas, and take any action necessary (1st reading).

p.160 5. Discuss and consider approval of a concept plan for Harbor Urban Beach Park, and take any action necessary.

p.163 6. Discuss and consider a recommendation of the City Council Naming Subcommittee regarding approval of a resolution naming a parks and recreation venue in the City, and take any action necessary.

p.166 7. Discuss and consider legislative topics for the 86th Session of the Texas Legislature, and take any action necessary.

p.168 8. Discuss and consider (re)appointments to the city's Main Street Advisory Board, and take any action necessary.

XII. CITY MANAGER'S REPORT, DEPARTMENTAL REPORTS AND RELATED DISCUSSIONS PERTAINING TO CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

p.216 STAR Transit Quarterly Report

2. City Manager's Report

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding "Petition for Consent to include Land in a Municipal Utility District (MUD)" within the city's northern extraterritorial jurisdiction (ETJ), pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.087 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 4th day of January, 2019 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Cole, City Secretary
or Margaret Delaney, Asst. to the City Sect.

Date Removed

MINUTES
ROCKWALL CITY COUNCIL
Monday, December 17, 2018
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

The public meeting was called to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Kevin Fowler, and Council Members Patrick Trowbridge, Dana Macalik, John Hohenshelt, Bennie Daniels and Trace Johannesen. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza.

II. WORK SESSION

1. Hold a work session with Rick Bernas of Republic Waste.

Rick Bernas of Republic Waste came forth and briefed the Council on proposed modifications to the city's recycling program and associated services. He also indicated that it is now time for the city to consider Republic's annual rate increase, in accordance with the contract. An Action Item regarding the rate increase has been included on this evening's agenda for the Council to consider.

Assistant City Manager Mary Smith went on to share that the city has annually offered a "Household Hazardous Waste (Collection) Day." She explained that there has been an unexpected increase in cost from the vendor ("Clean Harbors") that has been used for the last several years. They will be increasing the cost from approximately $105,000 to $170,000. The city has been evaluating the possibility of providing an "on demand" curbside program to assist residents in disposing of hazardous waste disposal. Disposal of tires, electronics, and shredding has traditionally been a part of the city's annual collection event; however, these particular collection services may not be able to be offered curbside if in fact the city moves to curbside. Mrs. Smith shared that the city budgeted $120,000 in the current fiscal year budget for the annual event. She went on to explain that the event has been very popular among our residents, with lines being consistently long all day long and cars not being able to make it through the line for at least an hour after the event was supposed to have ended. Mrs. Smith indicated that this topic may be further discussed by Council at a later date; however, she wanted the council members to be aware and to be thinking about it.

Council took no action as a result of this discussion item.

2. Hold a work session with the city's utility rate consultant to discuss utility rates.

Dan Jackson of Willdan, the city's utility rate consultant, came forth and made a presentation concerning a recent water and wastewater rate study and associated financial forecast. The goal, overall, is to minimize the impact on users while also ensuring that the city achieves the revenue it needs to fund the system, including future capital improvement projects (which are costly). He went on to share details pertaining to different rate structure options the city may wish to consider when setting water/wastewater rates moving forward.

He spoke at length about ways the city may be able to minimize the impact on users, especially those who are on fixed incomes and/or do not utilize as much water.

Following the consultant's presentation, Council held brief discussion, generally indicating a preference for Scenario 2 that the consultant outlined.

Mayor Pruitt then read the below listed discussion items into the public record before recessing the meeting to go into Executive Session at 4:35 p.m.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible purchase, sale or lease of real property/land in the vicinity of SH 205 and Washington pursuant to Section §551.072 (Real Property).
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Council adjourned from Executive Session at 4:45 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Council took no action as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRUITT

Mayor Pruitt delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Presentation of Award by TX Turfgrass Association

Two representatives from the Texas Turfgrass Association came forth and presented an award to Parks Director, Andy Hesser and his staff in recognition of Tuttle ball fields.

Following this brief presentation, Mayor Pruitt called forth Assistant City Manager Brad Griggs. He then spoke favorably about Brad's past work history, mainly related to Parks & Recreation, and thanked him for his years of service to the city. He announced that Mr. Griggs is retiring and moving to Boerne, TX. So this is the last Rockwall city council meeting he will be attending.

Councilmember Daniels commented that the city council's "naming" subcommittee will be recommending at the first meeting in January that the Council consider approving the naming of the amphitheater/stage at the Harbor the "Brad Griggs Amphitheater and Stage at the Harbor."

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the December 03, 2018 regular city council meeting, and take any action necessary

2. Consider approval of agreements related to the provision of Rockwall Municipal Court Judge and Associate Judge services, and take any action necessary.

3. Consider approval of Engineering Service Agreement with Pipeline Analysis, LLC, to provide engineering services for Sanitary Sewer Condition Assessments and authorize the City Manager to execute a contract for $134,797.80, to be funded by the Sewer Operations Budget, and take any action necessary.

4. Consider approval of an interlocal agreement for municipal judge services between Rockwall County and the City of Rockwall pertaining to "No Refusal Weekends," and take any action necessary.

5. Consider approval of an Engineering Services Agreement with Binkley & Barfield, Inc. to provide general engineering services for the preparation and review of all Traffic Impact Analysis (TIAs) submitted to the City of Rockwall to be funded by the 2018-2019 Engineering Consulting budget with developer reimbursements, and take any action necessary.

6. Consider awarding a bid to Interstate Trailers Inc. and authorizing the City Manager to execute a Purchase Order for a new heavy equipment trailer in the amount of $26,105 to be funded out of the General Fund Streets and Drainage Operating budget, and take any action necessary.

7. Consider awarding a bid to Maverick Harley Davidson and authorizing the City Manager to execute a Purchase Order for a new 2019 Police Pursuit Motorcycle in the amount of $34,979.84 to be funded out of the General Fund Police Patrol budget, and take any action necessary.

8. Consider awarding contracts and authorizing the City Manager to execute said contracts for the purchase and install of new Ticket Writer Hardware in the amount of $72,039 to be funded out of the Public Safety Fund, and take any action necessary.

9. **P2018-035** - Consider a request by Bart A. Tinsley of the Alders at Rockwall Property, LLC for the approval of a final plat for Lot 1, Block A, Alders at Rockwall Addition, being a 10.310-acre parcel of land identified as Lot 2, Block A, Rockwall Seniors Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 86 (PD-86) for Multi-Family 14

(MF-14) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, generally located south of the intersection of T. L. Townsend Drive and Justin Road, and take any action necessary.

10. **P2018-041** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Balance III, LLC. for the approval of a preliminary plat for the Breezy Hill, Phase XI containing 78 single-family lots on a 23.849-acre tract of land identified as a portion of Tract 7 and all of Tract 7-06 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single-Family 10 (SF-10) District land uses, generally located adjacent to Breezy Hill Road north of the intersection of Breezy Hill Road and FM-552, and take any action necessary.

11. **P2018-042** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Phase 8, LLC for the approval of a final plat for Breezy Hill, Phase VIII containing 61 single-family residential lots on 27.822-acres of land identified as a portion of Tract 7 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, located along the eastern side of Breezy Hill Lane, and take any action necessary.

12. P2018-043 - Consider a request by Matt Atkins of Engineering Concepts on behalf of Scott Lewis of RRDC, LTD. for the approval of a final plat for the Whisper Rock Subdivision containing 28 single-family lots on a 9.477-acre tract of land identified as Tract 104 of the E. Teal Survey, Abstract No. 207, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 47 (PD-47) for Single-Family 10 (SF-10) District land uses, situated within the Scenic Overlay (SOV) District, addressed as 3231 Ridge Road, and take any action necessary.

13. Consider Park Board recommendation to authorize the City Manager to negotiate a contract with PROS Consulting to perform an athletic facility feasibility study in an amount not to exceed $70,000 to be funded in the Recreation Development budget, and take any action necessary.

Councilmember Trowbridge moved to approve all of the Consent Agenda items (#s 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13). Following brief comments, Councilmember Hohenshelt seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the P&Z, Johnny Lyons, came forth and briefed the Council on recommendations of the Commission relative to planning-related items on tonight's meeting agenda. Council took no action following Mr. Lyons' briefing.

2. Appointment with William Spencer of MHS Planning and Design to view a presentation regarding recommendation for the Harbor Urban Beach neighborhood park concept plan, and take any action necessary.

Mr. Spencer from MHS Planning & Design came forth and made a presentation to Council regarding a proposed Harbor Urban Beach neighborhood park along the Lake Ray Hubbard shoreline (behind what is currently the "Eclipse Fitness" and adjacent offices). The proposed park is being planned to serve the approximately 1,200 residential units that are being developed in the PD-32 area. It is anticipated that the primary residents of this area will be young professionals and "empty nesters". This implies that the percentage of school aged children may be minimal as compared to typical single family home developments. With this unique situation in mind, the park development plan attempts to design for these nearby residents in mind as well as a potential destination area for other local residents and potential visitors to The Harbor area. The approved budget for phase 1 development costs is $484,000 to be paid from Developer Fee contributions in accordance with the Mandatory Park Land Dedication Ordinance. At the December 4th Park Board meeting, a public hearing was held to review and hear input regarding the concept plan. A summary of the input was provided to the Council in its meeting packet. Indication was given that the city's Park Board voted unanimously to recommend that Council approve the concept plan as submitted, with particular attention to addressing concerns raised by adjacent business owners regarding restrooms, parking and fencing to separate the park from the buildings. Following a set of questions and answers among the council members, Mr. Spencer, and city Parks Director Andy Hesser, the Council took no formal action concerning this agenda item. It will be brought back to the Council at a later date for further consideration, as some concerns expressed by the Council will need to first be addressed.

3. Appointment with resident Jillian Gaines to hear concerns related to water around her home and neighborhood (address: 1305 Clear Meadow Court), and take any action necessary.

Ms. Gaines came forth and generally explained that there are water-related leaks that are adversely impacting her home, the adjacent retaining wall and her neighbors' homes. She would like the city's help in stopping the water that is leaking. Ms. Williams, City Engineer, commented that city crews have gone out to this location three times and have used specialized equipment to test for leaks. No leaks have been detected. Also, the HOA's irrigation meter was deactivated / turned off towards the end of October. Since that time, it was turned on one time (towards the end of November). Ms. Gaines shared that there is proof of leaking water because her front yard and the portion of her back yard that abuts to Dalton Road is consistently saturated.

Councilmember Fowler asked how Ms. Gaines has ruled out that the water is not naturally occurring "ground water." Ms. Gaines and her neighbor offered a brief explanation. Brief discussion took place related to the possibility of putting a lock on the city's supply line (re: the HOA water supply).

The mayor conveyed to Ms. Gaines that the city has cut off the water. So, he does not believe there is much more that the city can do at this point. Ms. Williams shared that the city Building Official, Jeffrey Widmer, indicated to staff on Friday that the HOA is aware of the concerns, and they are working to address the issue of possible leaks within its irrigation system. When asked by Ms. Gaines if the city will put a lock on the supply line (water meter box), the mayor indicated that it is a possibility; however, he pointed out that it cannot be locked during the time when the HOA is working to address any leak(s).

Following the discussion, Council took no formal action related to this appointment item.

XII. PUBLIC HEARING ITEMS

1. **Z2018-046** - Hold a public hearing to discuss and consider a request by Brad Helmer on behalf of Heritage Christian Academy (HCA) for the approval of an **ordinance** for a Specific Use Permit (SUP) allowing existing temporary educational buildings in conjunction with a private school to remain on a 6.64-acre parcel of land identified as Lot 1, Block A, Heritage Christian Academy Addition, City of Rockwall, Rockwall County, Texas, zoned Multi-Family 14 (MF-14) District, situated within the SH-205 Overlay (SH-205 OV) District, addressed as 1408 S. Goliad Street [SH-205], and take any action necessary **(1st Reading).**

On November 19, 2018, the City Council continued the public hearing for Case No. Z2018-046 for the purpose of allowing the applicant time to provide a plan concerning the temporary education buildings on the subject property. On December 11, 2018, Brad Helmer of Heritage Christian Academy (HCA) submitted a plan to staff laying out a timeline for the construction of a new building and the removal of the temporary educational buildings. In Mr. Helmer's plan, he has laid out several items that need to be accomplished in the next 180-days, which will be followed by a presentation to the City Council concerning the course of action HCA will take moving forward. In response to this proposal, staff has adjusted the SUP Ordinance to expire in six months, in June of 2019 (i.e. 180 days). Based on the ordinance and HCA's presentation, the City Council will have the discretion to extend the ordinance for a two (2) year period, which should be a sufficient amount of time for the applicant to complete construction of the proposed educational building and remove the temporary education buildings.

Mayor Pruitt opened the public hearing, calling the applicant forth to speak at this time.

Mr. Brad Helmer
2917 Chuckwagon Drive
Rockwall, TX

Mr. Helmer came forth and provided explanatory comments to the Council related to the school's plan to phase out the temporary, portable classroom buildings. He expressed that getting a new building funded and built by 2021 is a hefty goal; however, they will be working on it. He offered to provide quarterly updates to the city council between Sept. 2019 and December of 2022.

Following the public hearing, Councilmember Fowler moved to approve Z2018-046. Councilmember Daniels seconded the motion. Following additional dialogue, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW THREE (3)

TEMPORARY EDUCATIONAL BUILDINGS ON A 6.64-ACRE PARCEL OF LAND ZONED MULTI-FAMILY 14 (MF-14) DISTRICT AND IDENTIFIED AS LOT 1, BLOCK A, HERITAGE CHRISTIAN ACADEMY ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

2. **Z2018-043** - Hold a public hearing to discuss and consider a request by Michael Worrell of Rockwall Honda for the approval of an **ordinance** amending SUP No. S-76 (Ordinance No. 10-26) to allow changes to be made to an existing Motorcycle Dealership with Accessory Boat and Trailer Sales being a 1.152-acre parcel of land identified as Lot 6, Block A, Newman Center #1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, and take any action necessary (1st Reading).

Planning Director, Ryan Miller, provided background information pertaining to this agenda item. He explained that the proposed shade structures will be located on the east side of the property and will be utilized provide shade for the display of vehicles. The applicant is also requesting to provide decomposed granite with a hard edge in order to contain the material -- along IH-30 -- for the display areas, which are located on the east and south sides of the property (see Exhibit 'C' of the draft ordinance). These areas are currently grass surfaces and once constructed using the decomposed granite, will provide stability for the displayed vehicles. Additionally, the applicant is requesting to allow for the display area to be expanded within the ten (10) foot landscape buffer along East IH-30. It should be known that staff has met with the applicant regarding the landscaping of this display area and Mr. Worrell has agreed to provide potted trees and plantings within the display area along IH-30. The purpose of this type of landscape scheme is due to a 16-inch water main that runs parallel within an existing 20-ft water easement located at the property line. This solution is to mimic the use of trees and other landscaping that would normally appear within the ten (10) foot landscape buffer, and has been included as a condition of approval.

Seventeen public notices were sent out to adjacent property owners; however, no responses have been received back by city staff at this time. The Planning & Zoning Commission has recommended approval of this request.

The applicant, Mr. Worrell, came forth and provided brief comments to Council concerning his request. Councilmember Macalik then moved to approve Z2018-043. Councilmember Trowbridge seconded the motion. Mayor Pruitt opened the public hearing, asking if anyone would like to speak. There being no one wishing to come forth and speak, Mayor Pruitt then closed the public hearing.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-__
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND

SPECIFIC USE PERMIT NO. S-76 [*ORDINANCE NO. 10-26*], WHICH ALLOWS FOR A MOTORCYCLE DEALERSHIP WITH ACCESSORY BOAT AND TRAILER SALES ON A 1.152-ACRE PARCEL OF LAND IDENTIFIED AS LOT 6, BLOCK A, NEWMAN CENTER #1 ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion was approved by a vote of 7 ayes to 0 nays.

3. **Z2018-048** - Hold a public hearing to discuss and consider a request by Amanda Henry for the approval of an **ordinance** for a Specific Use Permit (SUP) for an accessory building that does not meet the requirements stipulated by the Unified Development Code (UDC) on a 0.253-acre tract of land identified as part of Lot 47B of the B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 205 S. Clark Street, and take any action necessary **(1st Reading).**

Planning Director Ryan Miller provided information concerning this agenda item. The applicant is requesting the approval of a Specific Use Permit (SUP) to allow for the construction of a metal accessory building that does not meet the requirements stipulated by Article IV, Permissible Uses, of the Unified Development Code (UDC) on a 0.253-acre tract of land. Currently, there is an existing metal accessory building in disrepair that is approximately the same size as the proposed accessory building and will be demolished in order to construct the new structure. According to the submitted site plan, the accessory building will be ~910 SF, 15-feet in height, and be situated to the rear of the primary structure roughly in the same location as the existing accessory building. The accessory building will be at least 20-feet from the side property lines and more than 60-feet from the front and rear property lines. According to the applicant, the current accessory building will be utilized as storage and will not be used for commercial land uses. According to Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code (UDC), no more than two (2) accessory buildings no larger than 225 SF each are permitted in a Single-Family 7 (SF-7) District, provided the exterior cladding contains materials found on the main structure. In this case, since the applicant is proposing to utilize metal and exceeds the maximum allowable size for accessory buildings in a Single-Family 7 (SF-7) District, a Specific Use Permit (SUP) is required. Staff should note the property located to the north of the subject property is located within the Historic District and approval of this request is a discretionary decision for the Planning and Zoning Commission and the City Council. Sixty-nine notices were sent out to adjacent property owners. One notice was received back in favor. The Planning & Zoning Commission has recommended approval of this request. Should the City Council choose the applicant's request, staff offered the following conditions of approval for the council to consider:

1) **The accessory building shall be subject to the following operational conditions, which are contained in the SUP ordinance:**

    a) **The accessory building shall generally conform to the building elevations and site plan depicted in *Exhibits 'B'* & *'C'* of the attached ordinance.**

    b) **The accessory building shall not exceed a maximum size of 910 SF;**

    c) **The existing accessory building situated toward the rear of the property shall be removed prior to the construction of the new accessory building;**

    d) **The subject property shall not have more than two (2) accessory buildings;**

e) The accessory building shall not exceed a maximum overall height of 15-feet;

f) The accessory building shall not be operated as a commercial land use; and,

g) The accessory building is subject to administrative review in the event that the *Subject Property* is sold, conveyed or altered in any manner.

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Following brief comments by Councilman Trowbridge, Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak. There being no one indicating such, he then closed the public hearing.

Councilmember Trowbridge moved to approve Z2018-048 with staff recommendations. Mayor Pro Tem Fowler seconded the motion. Following brief clarification, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ACCESSORY BUILDING THAT DOES NOT MEET THE REQUIREMENTS OF THE UNIFIED DEVELOPMENT CODE (UDC) ON A 0.253-ACRE PARCEL OF LAND ZONED SINGLE-FAMILY 7 (SF-7) DISTRICT AND IDENTIFIED AS LOT 47B, B. F. BOYDSTUN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve passed by a vote of 5 ayes with 2 nays (Hohenshelt and Daniels).

4. **Z2018-049** - Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of an **ordinance** for a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary **(1st Reading).**

Planning Director Ryan Miller provided background information pertaining to this agenda item.

Mike Peoples
1700 E. SH-66
Rockwall, TX

Mr. Peoples came forth and shared that the current structure was placed there after a previously existing structure (at the same location) sustained wind damage. Following Mr. Peoples' brief comments, Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Mayor Pruitt moved to approve the SUP for Z2018-049. Councilmember Macalik seconded the motion. Councilmember Daniels expressed concern related to this request and its outright approval at this time. Mr. Peoples shared that he is waiting on a surveyor to come out to his property to provide him with some of the information that the city has requested.

Mayor Pruitt withdrew his initial motion and offered a new, replacement motion – that the public hearing be "continued" to allow the applicant time to get information submitted to the city that the city has previously requested. The motion passed by a vote of 7 ayes to 0 nays.

Council addressed Public Hearing item #7 next.

5. **Z2018-050** - Hold a public hearing to discuss and consider a request by David Rains for the approval of an **ordinance** for a Specific Use Permit (SUP) allowing a covered patio that exceeds the maximum requirements for property located within the Lake Ray Hubbard Takeline leased area that is adjacent to a parcel of land identified as Lot 12, Block A, Chandlers Landing, Phase 18, Section 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development 8 (PD-8) District for single family land uses, addressed as 5808 Constellation Circle, and take any action necessary **(1st Reading).**

Mayor Pro Tem Fowler called the public meeting back to order at 7:55 p.m. He noted that Mayor Pruitt has recused himself from this agenda item. Mr. Miller, Planning Director, explained that the applicant is requesting the approval of a Specific Use Permit (SUP) to allow a covered patio that exceeds the maximum requirements for properties in the Lake Ray Hubbard Takeline leased area.

Sixty notices were sent out to adjacent property owners. Overall, staff received four notices back in opposition. One person indicated support, and one notice expressed neutrality concerning approval of this request.

Mayor Pro Tem Fowler opened the public hearing, asking if anyone would like to come forth and speak.

Vincent Walters
608 Severige Court

Mr. Walters came forth and indicated that he has lived at this property since 2017. He showed two photographs and expressed that if this request is approved, he will lose part of his lake view, which will ultimately result in loss of his property's value. (He generally expressed opposition to approval of this request.)

Carol Inman
5806 Constellation
Rockwall, TX

Ms. Inman came forth and shared a photograph of the view she sees of the lake outside of her back window. She generally expressed opposition to approval of this request, as it will be in direct view of her view of the lake. If it is approved, she prefers that it be situated in a different location. She encouraged Council to keep within the guidelines of the takeline.

Mr. Rains, the applicant, came forth to address Council at this time. He explained that this proposed structure is 11' tall. He shared what appeared to be an architectural rendering of the structure he is proposing. He pointed out that he could place another type of structure (gazebo / pergola) in this area without having to receive approval from the city. He went on to request that the Council consider 'continuing' the public hearing at this time.

There being no one else wishing to come forth and speak, Fowler then closed the public hearing.

Councilmember Johannesen moved to table (continue) the public hearing for Z2018-050 to the January 21 city council meeting. Councilmember Trowbridge seconded the motion. Councilmember Daniels engaged in brief, clarifying dialogue with resident Carol Inman.

Mayor Pro Tem Fowler strongly encouraged Mr. Rains and his neighbors to try their best to come to some sort of mutually agreeable proposal concerning building of a structure within the takeline. Following Fowler's brief comments, the motion to continue the public hearing passed by a vote of 6 in favor with 1 abstention (Pruitt).

6. **Z2018-052** - Hold a public hearing to discuss and consider a request by Russell Phillips on behalf of Rockwall Retail Investors, LLC for the approval of an **ordinance** for a Specific Use Permit (SUP) for a mini-warehouse facility on a 7.489-acre tract of land identified as Lot 23, Rainbow Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, generally situated north of Horizon Road and east of Ranch Trail Road, and take any action necessary **(1st Reading).**

Indication was given that Mayor Pro Tem Fowler will be excusing himself from this discussion and associated action. Planning Director Ryan Miller then provided background information pertaining to this agenda item. On October 16, 2017, the City Council approved a Specific Use Permit (SUP) for a mini-warehouse on the subject property. Since that approval, the applicant has not made any subsequent submittals, and the Specific Use Permit (SUP) expired on November 6, 2018. In response to this expiration, the applicant has resubmitted a request for a Specific Use Permit (SUP) to allow a 575-unit mini-warehouse facility. According to the concept plan, the subject property will be developed in two (2) phases. Phase 1 will have seven (7) buildings totaling 293 units ranging from 16 units to 121 units per building. Phase 2 will have 12 buildings totaling 282 units ranging from ten (10) units to 32 units per building. The proposed mini-warehouse will have perimeter building that utilizes masonry on all exterior facades visible from the street. The interior buildings will utilize metal and will not be visible from the street. Staff should note that most of the surrounding buildings are constructed of metal. Building One will include the leasing office and climate-controlled units that are accessible internally in the building. The remaining buildings will have drive-up units with roll-up doors, which will be oriented so the roll-up doors will not face Ranch Trail or Horizon Road. The applicant is proposing to utilize landscape screening for the mini-warehouse facility to limit the visibility of the facility from Ranch Trail and Horizon Road. Additionally, the northeast portion of the subject property is wooded and will be preserved to provide landscape screening for adjacent properties. On November 30, 2018, staff sent 29 notices to property owners and residents within 500-feet of the subject property. Two notices in favor

and one notice in opposition were received back by staff. In addition, the Planning & Zoning Commission has recommended approval of this item.

Should the City Council choose to approve the applicant's request for a Specific Use Permit (SUP), Mr. Miller suggested that following conditions of approval be adopted with this case:

1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

a) The development shall generally conform to the Concept Plan depicted in Exhibit 'B' of the attached Specific Use Permit (SUP).

b) The building elevations shall generally conform to the Concept Building Elevations depicted in Exhibit 'D' of the attached ordinance.

c) The maximum number of storage units provided shall not exceed 575 units for the facility.

d) The residential unit/caretaker's quarters shall not exceed 1,600 square feet.

e) The residential unit/caretaker's quarters shall not be greater than 36 feet in height.

f) No outside storage of any kind shall be allowed (including, but not limited to the outside storage of boats, recreational vehicles, and motor or self-propelled vehicles).

g) Businesses shall not be allowed to operate within individual storage units.

h) The commercial operation of rental trucks and trailers shall be prohibited

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Mayor Pruitt opened the public hearing, asking if anyone would like to speak at this time. There being no one indicating such, he then closed the public hearing and called the applicant forward.

Russell Phillips
521 Moraine Way
Heath, TX

Mr. Phillips came forth and addressed the Council, providing additional explanation concerning his request. He provided a diagram of a plan reflecting what he is proposing to build as far as the mini warehouse facility and associated office are concerned.

Mayor Pruitt moved to approve Z2018-052. Councilmember Hohenshelt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-__
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW A MINI-WAREHOUSE FACILITY WITHIN A COMMERCIAL (C) DISTRICT, ON A 7.489-ACRE PARCEL OF LAND BEING IDENTIFIED AS LOT 23, RAINBO ACRES ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

The motion passed by a vote of 6 in favor with 1 abstention (Fowler).

7. **Z2018-053** - Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of an **ordinance** for a Specific Use Permit (SUP) for a detached garage that does not meet the requirements stipulated by the Unified Development Code (UDC) on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary **(1st Reading).**

The applicant, Mike Peoples is requesting the approval of a Specific Use Permit (SUP) to allow for a detached garage that does not meet the requirements stipulated by Article VI, Permissible Uses, of the Unified Development Code (UDC). The ~2,500 SF [i.e. 50-ft x 50-ft] structure stands approximately 16-feet in height and is situated southwest of the primary structure, adjacent to the City of Rockwall Municipal Airport. The detached garage was built without a permit in 2013, and has increase in size by two (2) times structures according to aerial images (see Exhibit 'B' of the draft ordinance). These additions appear to have taken place in the years 2015 & 2017. This has created one (1) large structure, of which the exact measurements are not known. With this being said, there are a total of three (3) structures that have been built concurrently with this request [i.e. Z2018-049]. The other structure lies within the designated 100-year flood plain. This structure is required to be demolished and has been added as a condition of approval of the SUP for the third structure (i.e. the detached garage).

Although Section 2, of Article V, Agricultural (AG) District of the Unified Development Code (UDC), allows for an accessory use (i.e. detached garage) to be a permitted with a main use (i.e. single-family home) on more than ten (10)-acres within an Agricultural (AG) District, Section 2.1.2, of Article IV, Permissible Uses, of the UDC, allows for one (1) detached garage that does not exceed 900 SF in area or 15 feet in height provided the exterior cladding contains the same materials as is found on the main structure. In this case, the detached garage appears to be a metal structure (see attached photos). Accessory buildings (i.e. detached garage) not meeting these standards shall require approval of an SUP. The existing detached garage does not meet the material or size requirements as stipulated by the UDC. Approval of a SUP is discretionary for the City Council. On November 30, 2018 staff mailed 33 notices to property owners and residents within 500-feet of the subject property. Staff also notified the Rolling Meadows Homeowner's Association (HOA), which is the only HOA's/Neighborhood Organization that is within 1,500-feet of the subject property

participating in the Neighborhood Notification Program. Staff has received three noticed back in favor and one in opposition of the request.

Mayor Pruitt called the applicant forth and then opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Following additional dialogue, Mayor Pro Tem Fowler moved to approve Z2018-053. Councilmember Daniels seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL

ORDINANCE NO. _____

SPECIFIC USE PERMIT NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DETACHED GARAGE THAT DOES NOT MEET THE REQUIREMENTS OF THE UNIFIED DEVELOPMENT CODE (UDC), ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion (to approve) failed by a vote of 2 in favor (Macalik and Fowler) with 5 against (Trowbridge, Hohenshelt, Pruitt, Daniels and Johannesen).

Mayor Pruitt called for a break and recessed the meeting at 7:41 p.m.

8. **Z2018-054** - Hold a public hearing to discuss and consider a request by Andrew Bennett of BOKA Powell, LLC on behalf of the owner Vinod Miranda for the approval of an **ordinance** for a Specific Use Permit (SUP) for an office building that will exceed 36-feet in height within the Scenic Overlay (SOV) District on a 9.7-acre tract of land identified at Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary **(1st Reading).**

Planning Director Ryan Miller explained that the subject property is located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard and is zoned Commercial (C) District. The proposed 80,000 SF office building will be comprised of three (3) stories of office space and a single-story of parking that will be located below grade. The office building will reach an overall height of 60-feet; however, the building will be located approximately 156-feet from the right-of-way of Ridge Road and due to the slope of the property the finished floor of the building will be set approximately five (5) to seven (7) feet below the surface of Ridge Road. This means that the first floor of the office building may not be visible from Ridge Road. According to the Special Use Standards located in Section 6.8, Scenic Overlay (SOV) District, of Article V, of the Unified Development Code (UDC), any

structure over 36-feet in height requires a Specific Use Permit (SUP). Should the applicants request be approved, staff has included a condition of approval allowing the structure to have an overall height of four (4) stories, not to exceed 60-feet. Approval of the SUP remains a discretionary act of the City Council. If approved, the applicant will be required to submit a site plan. On November 30, 2018, staff mailed 107 notices to property owners and residents within 500-feet of the subject property. Staff also emailed a notice to the Turtle Cove and Lakeside Village Homeowner's Associations (HOA's), which are the only HOAs within 500-feet of the subject property participating in the notification program. Staff received two notices back in favor and one in opposition. The Planning & Zoning Commission has recommended approval of this request.

Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak at this time.

Andrew Bennett
1400 Highline
Dallas, TX

Mr. Bennett came forth (on behalf of the applicant) and shared that his company was hired to assist with attempts to obtain this SUP. He went on to provide additional explanation concerning this request for an SUP.

There being no one else wishing to come forth and speak, Councilmember Hohenshelt moved to approve Z2018-054. The motion was seconded by Mayor Pro Tem Fowler. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX
SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A STRUCTURE THAT EXCEEDS 36-FT IN HEIGHT WITHIN THE SCENIC OVERLAY (SOV) DISTRICT IN A COMMERCIAL (C) DISTRICT, ON A 9.70-ACRE TRACT OF LAND BEING IDENTIFIED AS TRACT 15 OF THE E.P.G. CHISUM SURVEY, ABSTRACT NO. 64, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 4 in favor with 3 against (Macalik, Pruitt and Daniels).

XIII. ACTION ITEMS

1. **SP2018-039** - Discuss and consider a request by Matt Moore of Claymoore Engineering on behalf of Phil Wagner of Rockwall Economic Development Corporation (REDC) for the approval of variances and an exception in conjunction with an approved site plan for an industrial building on a 3.634-

acre parcel of land identified as Lot 1, Block E, Rockwall Technology Park Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the FM-549 Overlay (FM-549 OV) District, located at the northwest corner of the intersection of Technology Way and Observation Trail, and take any action necessary.

Planning Director Ryan Miller came forth and provided brief background information about this item. On Dec. 11, the Planning & Zoning Commission did approve the placement of a 35, 500 square feet office building at this location. The applicant is asking for variances / exceptions that would allow the applicant to use tilt wall and less than 20% natural stone. The Architectural review s Board and the Planning & Zoning Commission have reviewed these requests and have recommended approval of these requested variances.

Brian Berry
2 Essux Court

Mr. Berry came forth and provided brief comments, generally asking that Council consider approving these variances. Councilmember Hohenshelt moved to approve SP2018-039. Mayor Pro Tem Fowler seconded the motion, which passed by a vote of 7 ayes to 0 nays.

2. **SP2018-037** - Discuss and consider a request by Russell Phillips of Sterling One for the approval of waivers and variances in conjunction with an approved site plan for a 265 unit, condo development situated on a 7.58-acre tract of land identified as Lots 6A, 7A & 8A, Isaac Brown Addition, and a portion of Lots 3 & 4, Block 16 and Lot 4, Block 18, Moton Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Interior Subdistrict of PD-32, located south of the intersection of Summer Lee Drive and Glen Hill Way, and take any action necessary.

Planning Director Ryan Miller provided background information pertaining to this agenda item. On March 10, 2015, the Planning and Zoning Commission approved a site plan for a 265-unit condominium building [Case No. SP2015-004] on a 7.58-acre tract of land. Subsequently, the City Council approved waivers to the building height requirements and variances to the material requirements on March 16, 2015. Following these approvals, the applicant submitted civil engineering plans to the Engineering Department on June 23, 2016. Staff reviewed this submittal and returned the plans to the applicant on July 11, 2016. The applicant made subsequent submittals on September 20, 2016 and January 30, 2017, with staff returning those submittals with comments on October 5, 2016 and February 14, 2017. The last action taken on this case is considered to be February 14, 2017. Based on the inactivity on the civil plans for a period of one (1) year the engineering submittal automatically expired on February 14, 2018. Due to the expiration of the civil engineering plans, the Planning and Zoning Department expired the site plan based on the requirements of Section 2.5.A, Site Plan Expiration, of Article IX, Zoning Related Applications, of the Unified Development Code (UDC). In response to the expiration of the original site plan, the applicant resubmitted the site plan on November 16, 2018 with minor changes.

Requirements of the Unified Development Code (UDC):

1) **Building Material Variances.**

a) Stone Requirements. According to Section 6.8, Scenic Overlay (SOV) District, of theUDC each exterior wall should incorporate a minimum of 20% natural or quarried stone. In this case, the applicant's building elevations indicate the use of Eldorado Stone Veneer, which is a simulated manufactured stone product replicating natural ledge stone. The use of this simulated stone product was approved by the Planning and Zoning Commission on December 11, 2018. Staff should also point out that the north, east and south building elevations fail to provide 20% stone. These elevations incorporate the following percentages of stone: (1) north building elevation contains 19.44%, (2) the east building elevation contains 17.63%, and (3) the south building elevation only contains 17.63%. This variance will require a ¾-majority vote of all City Council members present.
b) Masonry Material Requirements. According to Section 6.8, Scenic Overlay (SOV) District, of the UDC exterior walls should be constructed utilizing a minimum of 90% masonry materials with a maximum of 50% of the building's exterior façade being permitted to be a cementitous material (e.g. Hardy Plank, stucco, or similar material). In this case, the applicant is proposing to use between 72.86% and 82.37% stucco (i.e. the west elevation at 72.86%, the north elevation at 80.56%, the east elevation at 82.37%, and the south elevation at 80.51%). This variance will require a ¾-majority vote of all City Council members present. According to the Unified Development Code (UDC), the approval of any variances is discretionary to the City Council pending a recommendation from the Planning and Zoning Commission. Staff should point out that the variances relating to materials have been granted to other buildings within the Harbor District; however, variances are to be considered on a case-by-case basis by the City Council.

In addition, staff identified the following waivers to the requirements of Ordinance No. 17-22:

1) Building Form and Placement Requirements.

1) Building Form. According to the Interior Subdistrict all buildings must have a minimum of 30% of the length of its façade fronting on Summer Lee Drive located on the 20-foot building setback line. Staff requested the applicant show conformance to this information on the site plan; however, this information was not submitted with the revisions. Based on staff's estimates the building is not in conformance with this requirement and will require a waiver.

2) Build-To-Lines and Building Setbacks. According to the Interior Subdistrict all buildings should be setback a minimum of five (5) feet from the Summer Lee Drive right-of-way line, but have an average setback of 20-feet. In this case, the proposed condominium building does meet the minimum setback, but is exceeding the average setback by more than 22-feet. The applicant is requesting a waiver to this requirement.

3) 1st Floor Height. According to the Interior Subdistrict all buildings should incorporate a first floor that is built to a commercial height with a minimum height of 15-feet. The proposed building incorporates a ~10'-6" first floor height. The applicant is requesting a waiver to this requirement.

4) Building Height. According to the Interior Subdistrict all buildings are permitted to be a maximum height of five (5) stories or 75-feet. Based on the building elevations submitted by the applicant staff estimates the building to have a total building height 81'-8". The applicant is requesting a wavier to this requirement. 81'-8". The applicant is requesting a wavier to this requirement.

2) Parking Requirements.

i. Surface Parking Setback. According to the Interior Subdistrict all surface parking should be setback a minimum of ten (10) feet from the right-of-way line. The site plan shows that the parking is setback an estimated 3'-2" from the right-of-way line. The applicant is requesting a waiver to this requirement.

3) Streetscape Plan

i. Streetscape Plan. According to Planned Development District 32 (PD-32) a streetscape plan showing elements contained in Exhibit 'C-4' of Ordinance No. 17-22 shall be provided with the site plan. In this case, the applicant has not submitted a streetscape plan showing the provision of any street furnishings or enhanced paving. The landscape plan submitted by the applicant does show a tree-planting plan for Glen Hill Way, but fails to show a detail for street furniture or tree leave-outs. In addition, the lighting plan does not show the pedestrian scale street standards or the locations where these standards will be provided. Staff included this as a condition of approval for the site plan case.

With regard to granting waivers, Ordinance No. 17-22 states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [and] In order to approve a waiver, the City Council must find that the waiver:

1) **Meets the general intent of the PD District or Subdistrict in which the property is located; and,**
2) **Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,**
3) **Will not prevent the implementation of the intent of this PD District."**

In this case, the proposed project does appear to meet the general intent of the Interior Subdistrict; however, granting any waivers to the requirements of Ordinance No. 17-22 is a discretionary decision for the City Council. Also, the applicant is requesting a waiver in order to be excused from having to provide a "traffic impact analysis" (TIA) to the city associated with this request.

On November 27, 2018, the Architectural Review Board (ARB) reviewed the proposed site plan and building elevations. The ARB did not state any specific issues with the building elevations; however, the board did request that the applicant submit a color rendering and materials sample board for their review. On December 11, 2018, the ARB reviewed the revised building elevations, material samples, and color rendering and approved a motion to recommend approval of the case pending [1] the building elevations are amended to match the color scheme in the color rendering, and [2] the arched windows on the third floor are removed. The motion was approved by a vote of 4-0.

In addition, on December 11, 2018, the Planning and Zoning Commission made a motion to approve the site plan with all staff and ARB recommendations and recommend approval of all variances and waivers requested by the applicant to the City Council. The motion was approved by a vote of 6-0, with Commissioner Moeller absent.

Extensive dialogue and clarifying comments took place between Mayor Pruitt and the applicant. Mayor Pruitt shared that a business partner of Mr. Phillips previously came before Council and made it very clear that these are "apartments" and not condominiums.

Furthermore, the mayor indicated, there is someone out there who is marketing them as "apartments." The mayor explained that this has caused the Council to receive a lot of inquiries and opposition from the public, many of whom have insinuated that the Council has misled the public (or has outright accused the Council of such).

Following extensive back-and-forth dialogue, Mayor Pro Tem Fowler made a motion to approve waiver 1, 2, 3 and 4 (building form, building height, the first floor minimum height and surface parking setbacks). Councilmember Johannesen seconded the motion, which passed by a vote of 5 ayes, 1 nay (Pruitt) and 1 abstention (Hohenshelt).

Mayor Pro Tem Fowler moved to approve variances 1 and 2, which are related to the minimum masonry percentage and the stone requirements. Councilmember Trowbridge seconded the motion, which passed by a vote of 5 ayes, 1 nay (Pruitt) and 1 abstention (Hohenshelt).

3. Discuss and consider a request by Kent Donahue of Donahue Development Corporation for direction concerning the creation of a Public Improvement District (PID), and take any action necessary.

Mr. Miller, Planning Director, indicated that on October 1, 2018, the City Council held a work session with Kent Donahue of Donahue Development Corporation to discuss the potential of establishing a Public Improvement District (PID) in conjunction with a proposed residential subdivision. The proposed PID and residential subdivision would be on a 264.61-acre tract of land (i.e. Tracts 17-13 [50.00-acres], 17-14 [26.452-acres], 17-15 [134.33-acres], 17-16 [43.3-acres], and 40-8 [8.79-acres] of the W. W. Ford Survey, Abstract No. 80), which is currently zoned Agricultural (AG) District and located at the northwest corner of the intersection of Wylie Lane and S. Goliad Street [SH-205] (see attached location map). Based on the work session, the applicant has submitted a petition for the creation of a PID, a legal description of the property, and a Resolution that would set a public hearing to consider the petition on Monday, January 21, 2019. Staff should note that the City Council is not approving the applicant's Resolution and that an additional Resolution may need to be considered by the City Council, depending on the review by staff and the City Attorney. Staff should also point out that regardless of the City Council's direction to the applicant, a zoning case would need to be filed for the subdivision, and that the City Council's direction at the meeting on December 17, 2018 does not constitute approval of any zoning request/application (i.e. the City Council would retain discretion with regard to the proposed zoning case regardless of the direction concerning the PID).

Mr. Donahue came forth and provided a presentation to Council, reminding them of his project proposal and that which was discussed with Council at the October 1st work session that was held. He went on to provide an explanation of what a PID is and how this development would be financed via the establishment of a PID (at Council's approval).

Extensive discussion ensued pertaining to the developer's offer to establish a large (100 acre) regional park. City staff and council acknowledged that the city has $1.3 million dollars in bond dollars for use related to the establishment of a south city park.

Mr. Crowley clarified that the Council is being asked tonight to vote on the creation of the PID. The applicant would then work with a third party to issue debt related to the PID (for a period of thirty (30) years). Dialogue then took place pertaining to annual property assessments of properties located within the PID. Mr. Crowley, City Manager, asked if this

will be a gated community. Mr. Donahue indicated that no, it will not be gated. Councilmember Johannesen asked if the city will or will not own the park. Clarification was given that yes, the city would own the park. Mr. Donahue shared that the price point of the homes in this development will characterize it as a pretty affluent community.

Dialogue took place between the mayor and Mr. Donahue pertaining to some mishaps that have recently occurred with a PID over in McLendon Chisholm.

Mr. Crowley shared that no PIDs currently exist within the city.

Mr. Donahue clarified that this request for a PID mainly focuses on "amenities" rather than "infrastructure." However, he acknowledged that part of it is in fact related to infrastructure. He shared that if the PID is not approved, the zoning application that would be submitted would be characterized by no regional park (only a residential park) and an increase in proposed density.

Councilmember Trowbridge sought direction on what type of motion would be appropriate at this point related to instructing the applicant to move forward with the PID.

Councilmember Hohenshelt made a motion to allow the applicant to apply for his zoning change with the inclusion of creating a PID. Councilmember Trowbridge seconded the motion. Following extensive, additional discussion, the motion passed by a vote of 5 ayes with 2 against (Pruitt and Macalik).

4. Discuss and consider a request by The Standard MCP, LTD. for the approval of a waiver to a facilities agreement with Rockwall Senior Community, L.P., and take any action necessary.

City Engineer Amy Williams provided brief comments pertaining to this waiver request. Mayor Pruitt moved to approve a waiver to a facilities agreement with Rockwall Senior Community, L.P. Councilmember Johannesen seconded the motion, which passed unanimously of those present (7 ayes to 0 nays).

5. Discuss and consider adoption of a resolution setting solid waste collection rates, and take any action necessary

Councilmember Macalik moved to approve the resolution. Councilmember Hohenshelt seconded the motion, which, after brief clarifications, passed by a vote of 7 ayes to 0 nays.

6. Discuss and consider adoption of a resolution fixing the water and wastewater rates of the city, and take any action necessary.

Indication was given that a work session was previously held this afternoon concerning this topic. The city's utility rate consultant, Dan Jackson of Willdan, again came forth and provided extensive clarification regarding the impacts associated with each of the scenarios that reflect changes to the city's current rate structure. He explained that this will be a three year plan, with the first year's rates going into effect in January of 2019.

Councilmember Hohenshelt moved to adopt the resolution to reflect the 2019 rate as "scenario 2." Councilmember Trowbridge seconded the motion, which passed by a vote of 7 ayes with 0 nays.

7. Discuss and consider the City's selection of nominees to the Texas Coalition for Affordable Power (TCAP) Board of Directors for the 2019-2020 term of office, and take any action necessary.

Mayor Pruitt moved to instruct staff member Joey Boyd to select the city's nominees. Councilmember Trowbridge seconded the motion, which passed by a vote of 7 ayes with 0 nays.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible purchase, sale or lease of real property/land in the vicinity of SH 205 and Washington pursuant to Section §551.072 (Real Property).
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 10:19 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 7th DAY OF JANUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-01

SPECIFIC USE PERMIT NO. S-199

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-76 [*ORDINANCE NO. 10-26*], WHICH ALLOWS FOR A MOTORCYCLE DEALERSHIP WITH ACCESSORY BOAT AND TRAILER SALES ON A 1.152-ACRE PARCEL OF LAND IDENTIFIED AS LOT 6, BLOCK A, NEWMAN CENTER #1 ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Michael Worrell of Rockwall Honda for the purpose of amending Specific Use Permit (SUP) No. S-76 [*Ordinance No. 10-26*], which allows for a *Motorcycle Dealership with Accessory Boat and Trailer Sales* on a 1.152-acre parcel of land identified as Lot 6, Block A, Newman Center #1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located within the IH-30 Overlay (IH-30 OV) District, and more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that Specific Use Permit (SUP) No. S-131 [*Ordinance No. 15-05*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the enactment of this Specific Use Permit (SUP) ordinance shall supersede all requirements stipulated in *Ordinance No. 10-26*;

SECTION 2. That Specific Use Permit (SUP) No. S-76 [*Ordinance No. 10-26*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant an amendment to Specific Use Permit (SUP) No. S-76 [*Ordinance No. 10-26*] allowing for a *Motorcycle Dealership with Accessory Boat and Trailer Sales* within a Commercial (C) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*;

SECTION 3. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as stipulated by Section 2.1.8, *Auto and Marine-Related Use Conditions,* of Article IV, *Permissible Uses*; Section 4.1, *General Commercial District Standards*; Section 4.5, *Commercial (C) District*, of Article V, *District Development Standards*; Section 6.6, *IH-30 Overlay (IH-30 OV) District* of the Unified Development Code [*Ordinance No. 04-38*] as

heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following operational conditions and compliance standards:

3.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an existing *Motorcycle Dealership with Accessory Boat and Trailer Sales* on the *subject property* and conformance to these operation conditions are required for continued operations:

1) The outside display of motorcycles and boats shall be limited to the areas depicted in *Exhibit 'C'* of this ordinance. The display areas may be constructed of decomposed granite and shall not be used for public parking spaces.

2) The sale of used boats and trailers is prohibited.

3) The subject property shall maintain a minimum of 15% landscaped area including ten (10) foot landscape buffer along the front of the subject property adjacent to IH-30. In addition, the outside display areas may be counted against the 15% if they are constructed with decomposed granite of a similar hardscape material and incorporate trees and shrubs to soften the impact of the areas.

4) The outside storage of equipment, parts and/or inventory is prohibited, except inventory as depicted in *Exhibit 'C'* of this ordinance.

5) All work shall be performed within an enclosed building.

6) The installation of canopy/shade structures for this site shall be allowed only in the areas depicted in *Exhibit 'C' & Exhibit 'D'* of this ordinance. All canopy/shade structures shall be comparable in materials, color, and size.

7) The operation of this site shall conform to all federal, state and local standards and comply with the requirements of Section 3.2, *Compliance Standards*, of this ordinance.

3.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 4. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed

the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 8. That this ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JANUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-02

SPECIFIC USE PERMIT NO. S-200

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW THREE (3) TEMPORARY EDUCATIONAL BUILDINGS ON A 6.64-ACRE PARCEL OF LAND ZONED MULTI-FAMILY 14 (MF-14) DISTRICT AND IDENTIFIED AS LOT 1, BLOCK A, HERITAGE CHRISTIAN ACADEMY ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Brad Helmer on behalf of Heritage Christian Academy (HCA) for the approval of a Specific Use Permit (SUP) allowing existing temporary educational buildings, situated on a 6.64-acre tract of land, zoned Multi-Family 14 (MF-14) District, and being identified as Lot 1, Block A, Heritage Christian Academy Addition, City of Rockwall, Rockwall County, Texas, addressed 1408 S. Goliad Street [SH-205], and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] and Specific Use Permit (SUP) No. S-114 [*Ordinance No. 13-44*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the approval of this ordinance shall supersede all requirements stipulated in Ordinance No. 13-44; and

SECTION 2. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing existing temporary educational buildings in a Multi-Family 14 (MF-14) District as stipulated by Article IV*, Permissible Uses,* and Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 3. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in Section 3.9*, Multi-Family 14 (MF-14) District,* of Article V*, District Development Standards,* of the Unified

Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the additional following conditions:

3.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a temporary educational building on the *Subject Property* and conformance to these requirements is necessary for continued operations:

1) The temporary educational buildings shall generally conform to the building elevations and site plan depicted in *Exhibit 'B'* of this ordinance.

2) The subject property shall not have more than three (3) temporary educational buildings;

3) The Specific Use Permit (SUP) shall be valid for a period of six (6) months from the date of approval. At which time the City Council shall review the Specific Use Permit to determine if a two (2) year extension is warranted in accordance with *Exhibits 'C' and 'D'* of this ordinance.

4) The temporary educational buildings are subject to administrative review in the event that the *Subject Property* is sold, conveyed or altered in any manner.

3.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] will require compliance to the following:

1) Should the subject property fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC) [*Ordinance No. 04-38*], the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*].

SECTION 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 8. That this ordinance shall take effect immediately from and after its passage**.**

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JANUARY, 2019.

Jim Pruitt, Mayor

Re: Temporary Classroom Buildings Phase Out Schedule Narrative

Please accept the following narrative in conjunction with the provided timeline (schedule) as Heritage Christian Academy's board-approved plan to phase out the 3 temporary classroom buildings located on our property at 1408 S. Goliad. We appreciate the Council's willingness to work with us as we commit to this plan. Additionally, as a 501(c)(3) nonprofit corporation, we must fundraise to support any and all initiatives. As tuition covers typically 80-85% of our operations budget, charitable giving is requisite and vital to our mission. Given this, undertaking a monumental task such as these infrastructure improvements, requires an immense amount of work and faith. We acknowledge and embrace this for our students' sake.

For the past 2 years, we have been in the process of developing and undertaking a capital campaign to build a gymnasium on our property. As the leadership of HCA, we feel that having this building will serve to increase enrollment and allow us to continue becoming even more excellent in fulfilling our mission. We retained the services of Mission Advancement (MAP), a capital campaign consultant company, to guide us through this process. The following timeline was developed in partnership with MAP to guide our efforts.

February, 2017 – December, 2017:

- Campaign Organization
- Leadership Enlistment
- Case Development
- Resource Mapping
- Logic Narrative
- Site maps, renderings and other marketing artifacts finalized

January, 2018 – December, 2018

- Large Donor Relationship Meetings (Top 10% discovered during Resource Mapping)
- Board Commitments
- Large Donor Request for Donation Meeting (Top 10%)

January, 2019 – December, 2019

- Continue Work with Top 10%
- Begin Next 20% Donor Meetings with Requests for Donation
- Possible Public Appeal (After 80% of goal reached)

After January, 2020

- Continue Working Donor Base
- Begin Construction

In early October, 2018, it was brought to our attention that the plan and priority we are currently invested in was not in line with the priority expectation of the City regarding the Temporary Classroom Buildings on our property. We immediately met to begin discussions of how to continue working toward our vision of a

gymnasium and also satisfy a commitment that was made to the City Council by former administration. As evidenced in the provided schedule, the Board has developed a plan that will accomplish both.

We have begun reengaging our architect and general contractor to reevaluate the property to determine the most cost-efficient, and best use of space for adding classrooms into the plan along with a slightly modified gymnasium. As you might expect, while we are not starting completely over, we must duplicate some work that has already been done and paid for to date. Our general contractor feels that we will be able to complete the following items in no more than 180 days, with the goal of presenting to the City Council no later than June, 2019.

The following will need to be accomplished during the 180 days:

- Meetings with architect, engineers, contractors, etc. to share our needs and desires
- Architect finalizes preliminary site plan, floor plan and elevations
- Discussions with City of Rockwall for feasibility of plan
- GC to send out preliminary RFPs to determine new cost of construction
- Garner Board support and approval of new plan
- Prepare for presentation of new plan and more specific timeline to City Council

I, and the HCA Board, commit to offering quarterly updates to the City Council according to the dates on the attached schedule. God willing, donors will share our vision and support this process financially. Thank you in advance for understanding the challenges associated with having to fundraise for initiatives such as this.

The leadership of HCA still remains committed to building a gymnasium on our property. We are also committed, however, to honesty and transparency. Our commitment to the City Council of making classrooms the priority of our plan, and still staying true to our vision of having our own gymnasium will be a testament to this.

Sincerely,

Brad Helmer, Ed.D.
Head of School

Exhibit 'D':
Phase-Out Schedule

Temporary Classroom Buildings
Phase-Out Schedule

Date Proposed	Activity	Date Complete	Outcome
11/27/18	HCA Board Meeting to discuss plan for phase-out of temporary classroom buildings.	11/27/2018	Preliminary information presented to Board regarding planning and zoning committee concerns and city council concerns. Began discussions about slightly altering direction of capital campaign to include classrooms sooner.
11/29/18	HCA building committee meeting with architect and builder	11/29/2018	Began discussions about adding classrooms sooner into the plans we have already vetted. Subsequent meetings were discussed and the first will be set for 2nd week in January.
12/04/18	Board work session to narrow down phase-out plan	12/4/2018	Invited our General Contractor to have conversation with the Board regarding some options to maintain our focus on a gymnasium, but adding classrooms sooner. Consensus is to have architect and GC look at using the current plan's footprint to add classrooms.
12/10/18	Board meeting to finalize phase out plan for presentation to Rockwall City Council on 12/17/18	12/10/2018	A brief history of HCA's capital initiatives was discussed and agreement was reached on a plan that is unanimously backed by the Board. (See attached narrative)
12/11/18	Submit plan to Korey Brooks, St. Planner, for subsequent presentation of plan to the Rockwall City Council prior to the 12/17/18 CC Meeting	12/11/2018	Documents submitted to Ms. Brooks for Council consideration.
12/11/18	With HCA Board approval, begin to speak with current major lead donors to update them on the revised plan and give opportunity to withdraw their donation, or give permission to use their donation toward the revised plan.		Conversations to take place this week 12/11-12/14.
12/17/18	Present phase-out schedule to Rockwall City Council	12/17/2018	
01/2019	2nd meeting with GC and architect to begin the feasibility study, redraw site plan, floor plans and elevation renderings. Meet with donors who have expressed interest in in-kind donations such as roofing, landscaping, etc., as part of determining a new dollar amount for the capital campaign. HCA anticipates no more than 180 days to finalize for presentation to the City Council.	1/1/19 - 6/1/19	
6/3/2019	Update to City Council		
06/2019	Begin meeting with donors to show plans and accept commitments. Begin construction as soon as capital campaign commitments allow and with Board and City of Rockwall permit approval.		
9/2/2019	Quarterly Update to City Council		
12/2/2019	Quarterly Update to City Council		
3/2/2020	Quarterly Update to City Council		
6/8/2020	Quarterly Update to City Council		
9/1/2020	Quarterly Update to City Council		
12/7/2020	Quarterly Update to City Council		
3/8/2021	Quarterly Update to City Council		
6/7/2021	Quarterly Update to City Council		
9/6/2021	Quarterly Update to City Council		
12/6/2021	Quarterly Update to City Council		
3/7/2022	Quarterly Update to City Council		
6/6/2022	Quarterly Update to City Council		
9/5/2022	Quarterly Update to City Council		
12/5/2022	Quarterly Update to City Council		
	Immediate removal of temporary classrooms targeted for occupancy date of new classroom portion of the revised plan, possibly between 7/1/2021 and 8/1/2021 and dependent on approval from the City of Rockwall.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/07/2019

APPLICANT: Dub Douphrate of *Douphrate and Associates*

AGENDA ITEM: **P2018-044;** *Lot 1, Block A*, *Hacienda Car Wash Addition*

SUMMARY:

Consider a request by Dub Douphrate of Douphrate and Associates on behalf of Russell Frank for the approval of a final plat for Lot 1, Block A, Hacienda Car Wash Addition being a 2.008-acre tract of land identified as portions of Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 Ridge Road [*FM-740*], and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to final plat Lot 1, Block A, Hacienda Carwash Addition for the purpose of constructing an approximate 4,396 SF carwash [*i.e. Hacienda Carwash*], and to add the necessary fire lane, public access, and utility easements for the development of this site. The subject property is a 2.008-acre tract identified as portions of Lots 1 & 2, Block A, the Woods at Rockwall Addition. The site is addressed as 2215 Ridge Road [*FM-740*], situated within the Scenic Overlay (SOV) District, and zoned Commercial (C) District.

- ☑ There are two (2) 20-foot drainage easements located off-site and adjacent to the property north of this site [*i.e. Lots 1 & 2, Block A, of the Woods at Rockwall Addition*]. These easements must be recorded and filed (*i.e. by plat*), with the filed instrument number indicated on this plat, for both easements prior to the filing of this plat and the release of a building permit for this site. This has been included as a condition of approval.

- ☑ A Specific Use Permit (*SUP No. S-162*) allowing the carwash within the *Scenic Overlay (SOV) District* was approved on February 6, 2017.

- ☑ A Site Plan [*i.e. SP2017-039*] for the carwash [*i.e. Hacienda Car Wash*] was approved on December 18, 2017. The Planning and Zoning Commission approved a treescape plan showing a mitigation balance of 1,196 inches. This is required to be satisfied at the time the final plat is submitted for filing.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

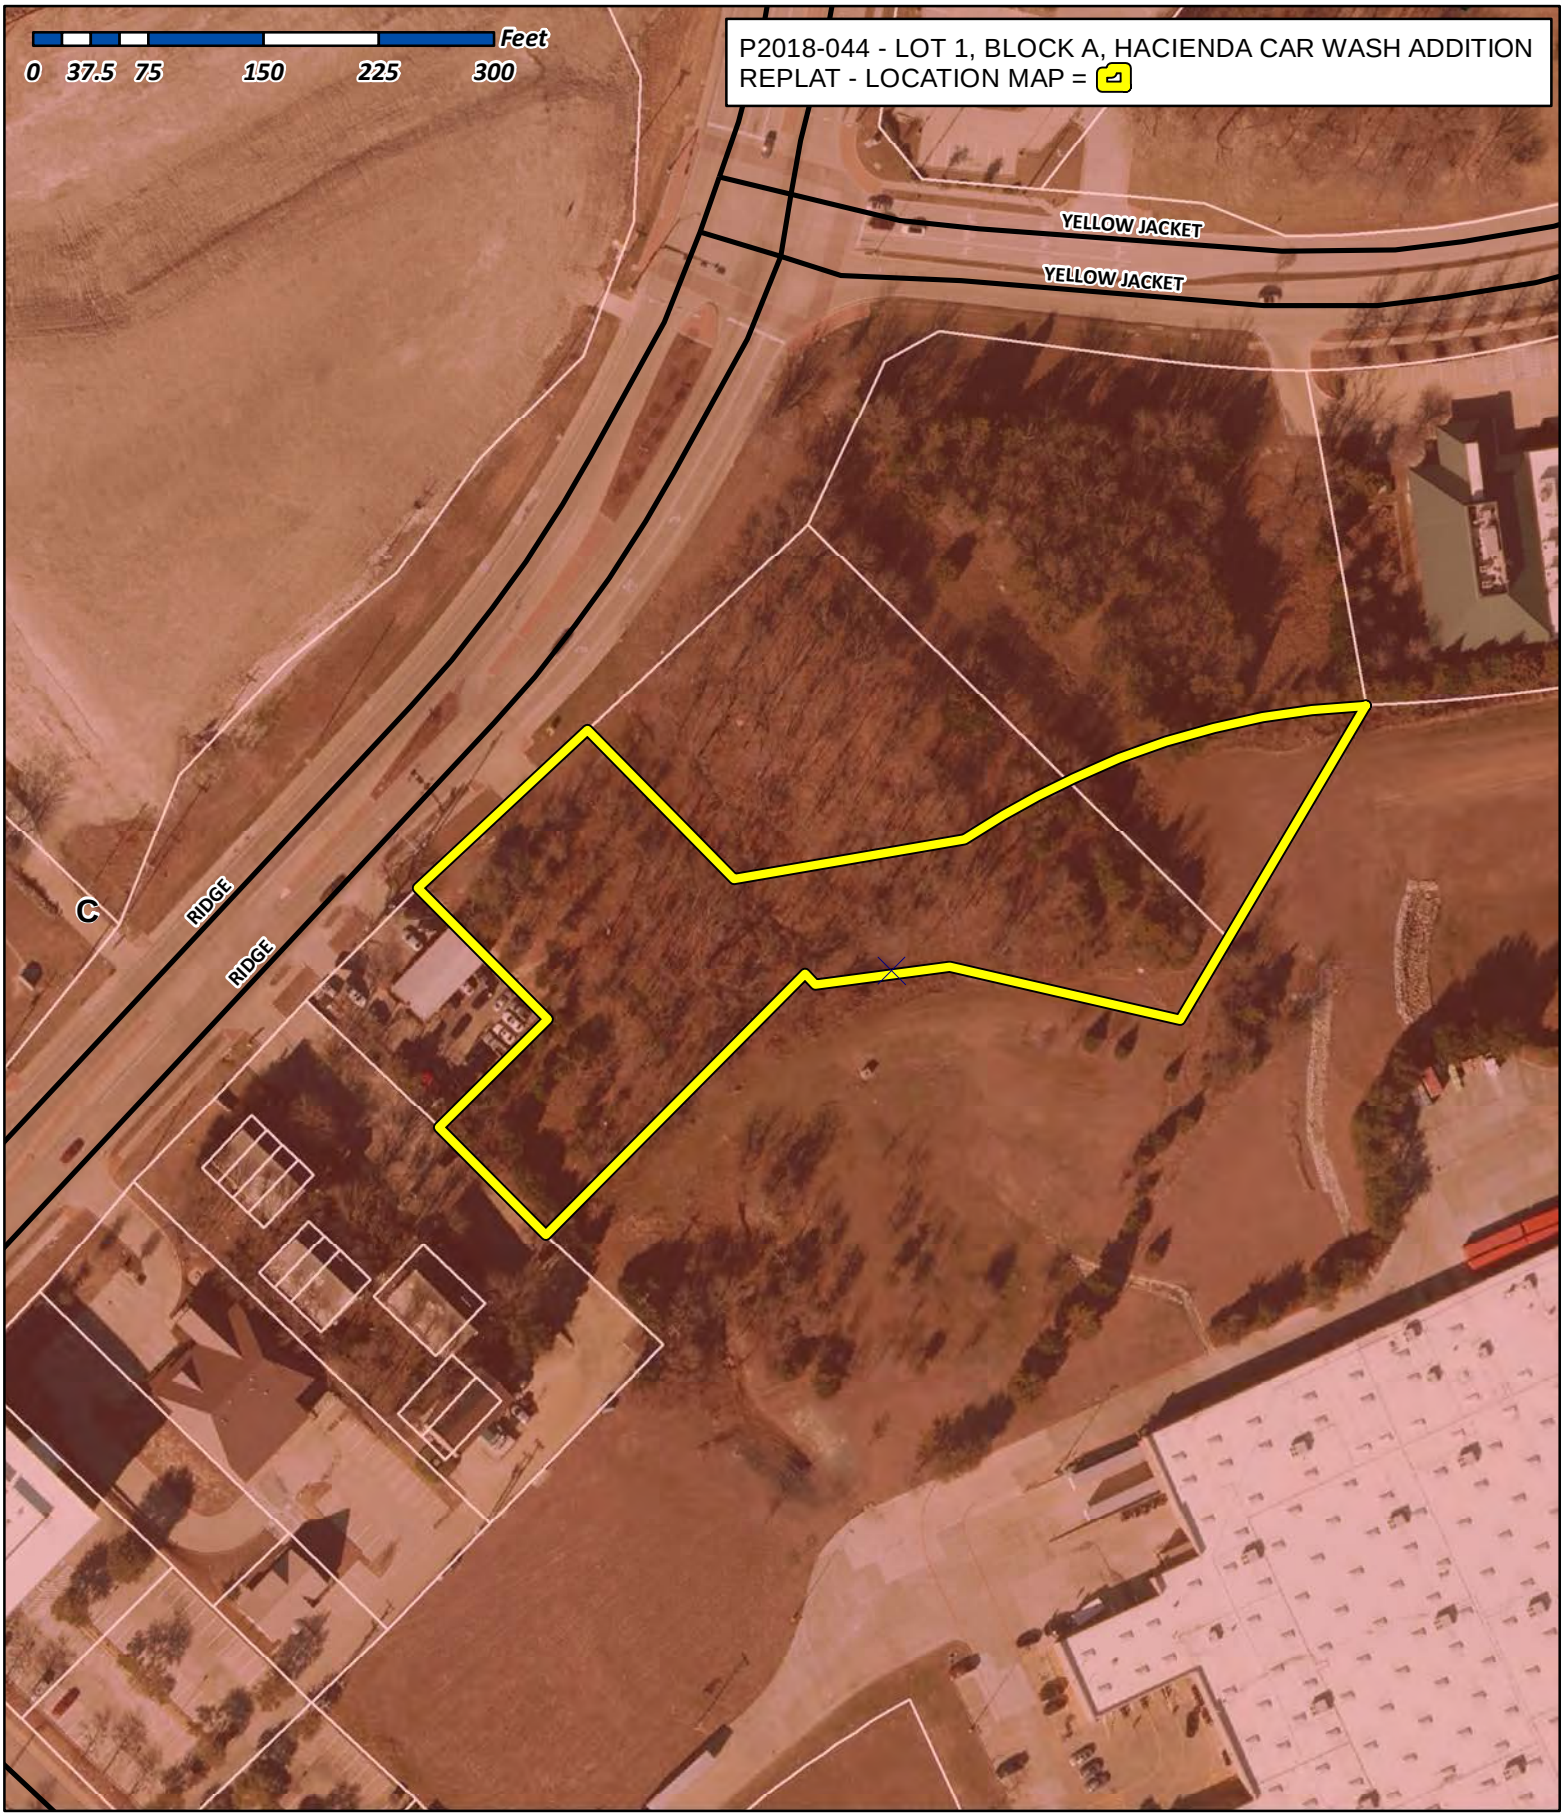
- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

If the Planning and Zoning Commission and City Council choose to approve the final plat for *Lot 1, Block A, Hacienda Carwash Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.



2) The required off-site easements [*i.e. 20-foot drainage easements*], located on the adjacent lot, must be recorded and filed prior to the filing of this plat and the release of a building permit for this site.

3) A tree mitigation balance of 1,196 caliper inches must be satisfied at the time the final plat is submitted for filing.

4) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 2, 2019, the Planning and Zoning Commission's motion to recommend approval of the final plat with staff conditions passed by a vote of 5 to 0 with Commissioners Lyons and Fishman absent.

OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as *HACIENDA CAR WASH ADDITION* to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. Drainage/Detention Easements/Facilities shall be owned, operated, maintained and repaired by property owner.

7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNICL MEMO

AGENDA DATE: 01/07/2019

APPLICANT: Jennifer Haynes of *Urban Structure*

AGENDA ITEM: **P2018-045;** *Lots 4 & 5, Block A*, *the Woods at Rockwall Addition*

SUMMARY:

Consider a request by Jennifer Haynes of Urban Structure on behalf of Andrew Malzer pf RaceTrac Petroleum, Inc. the approval of a replat for Lots 4 & 5, Block A, the Woods at Rockwall Addition being a 4.47-acre tract of land identified as Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 & 2205 Ridge Road [*FM-740*], and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to replat a 4.47-acre tract of land [*i.e. Lots 1 & 2, Block A, the Woods at Rockwall Addition*] to create Lots 4 & 5, Block A, the Woods at Rockwall Addition for the purpose of abandoning certain easements and establishing firelane, public access, and utility easements. Additionally, the replat will establish lot lines for two (2) developments consisting of a 5,411 SF convenience store with gasoline sales [*i.e. RaceTrac*] on Lot 4 and a 4,396 SF carwash facility [*i.e. Hacienda Carwash*] on Lot 5. The subject property is a 4.47-acre tract identified as Lots 1 & 2, Block A, of the Woods at Rockwall Addition. The site is addressed as 2205 & 2215 Ridge Road [*FM-740*], situated within the Scenic Overlay (SOV) District, and zoned Commercial (C) District.

- ☑ There are two (2) 20-foot drainage easements located on the proposed Lot 4 [*i.e. RaceTrac*] that are needed for the development of the proposed Lot 5 [*i.e. Hacienda Carwash*]. These easements are to be recorded by this plat prior to the development of Lot 5. A final plat application [*i.e. P2018-044*] for Lot 5 has been requested concurrently with this request. Approval of this plat with these two (2) drainage easements has been included as a condition of approval for the proposed Lot 5. Additionally, it shall be required that the replat of Lots 4 & 5, Block A, the Woods at Rockwall Addition be filed prior to the filing of the final plat being considered by Case No. P2018-044.

- ☑ A Specific Use Permit (*SUP No. S-104*) allowing a convenience store with gasoline sales within the *Scenic Overlay (SOV) District* was approved on April 15, 2013.

- ☑ An amended Site Plan [*i.e. SP2018-019*] for a convenience store with gasoline sales [*i.e. RaceTrac*] was approved on September 25, 2018. In addition, the City Council approved an alternative tree mitigation settlement agreement in the amount of $225,000 on May 6, 2013 that will be due at the time this plat is submitted for filing. This has been included as a condition of approval.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for a *replat* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

If the Planning and Zoning Commission and City Council choose to approve the *replat* for *Lots 4 & 5, Block A, of the Woods at Rockwall Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.

2) A balance of $225,000 for the tree mitigation settlement agreement approved by the City Council shall be due at the time the replat is submitted for filing.

3) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 2, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff conditions passed by a vote of 5 to 0 with Commissioners Lyons and Fishman absent.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL
CITY OF ROCKWALL

That, Mountainprize, Inc. and Russell Frank, do hereby adopt this plat designating the hereinabove described property as **REPLAT WOODS AT ROCKWALL ADDITION, LOT 3 AND LOT 4, BLOCK A**, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown for the purposes and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the REPLAT WOODS AT ROCKWALL ADDITION, LOT 1R, BLOCK A, subdivision have been notified and sighed this plat.

I understand and do hereby reserve the easements strips shown on this plat for the purposes stated and for the mutual use accommodation of all utilities desiring to use or using same. I also understand the following:

1. No buildings shall be constructed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any building, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance, or efficiency of their respective system on any of these easement strips, and any public utility shall at all times have the right to ingress or egress to, from and upon the said easement strips for the purpose of construction, reconstructing, inspecting, patrolling, maintaining, and either adding to or removing all or part of the respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bears total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall;
7. The property owner is responsible for maintenance, repair, and replacement of all detention and drainage system.

Until an escrow deposit sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the developer and/or owner as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence or work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; Our successors and assigns hereby waive any claim, damage, or cause of action the We may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/07/2019

APPLICANT: David Ellis

AGENDA ITEM: **P2018-046;** *Lots 5, 6, & 7, Block A*, *Ellis Centre, Phase 2 Addition*

SUMMARY:

Consider a request by David Ellis for the approval of a replat for Lots 5, 6 & 7, Block A, Ellis Centre, Phase 2 Addition being a 2.62-acre tract of land identified as Lots 1 & 3, Block A, Ellis Centre, Phase 2 Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1930 & 1950 Alpha Road, and take any action necessary.

PLAT INFORMATION:

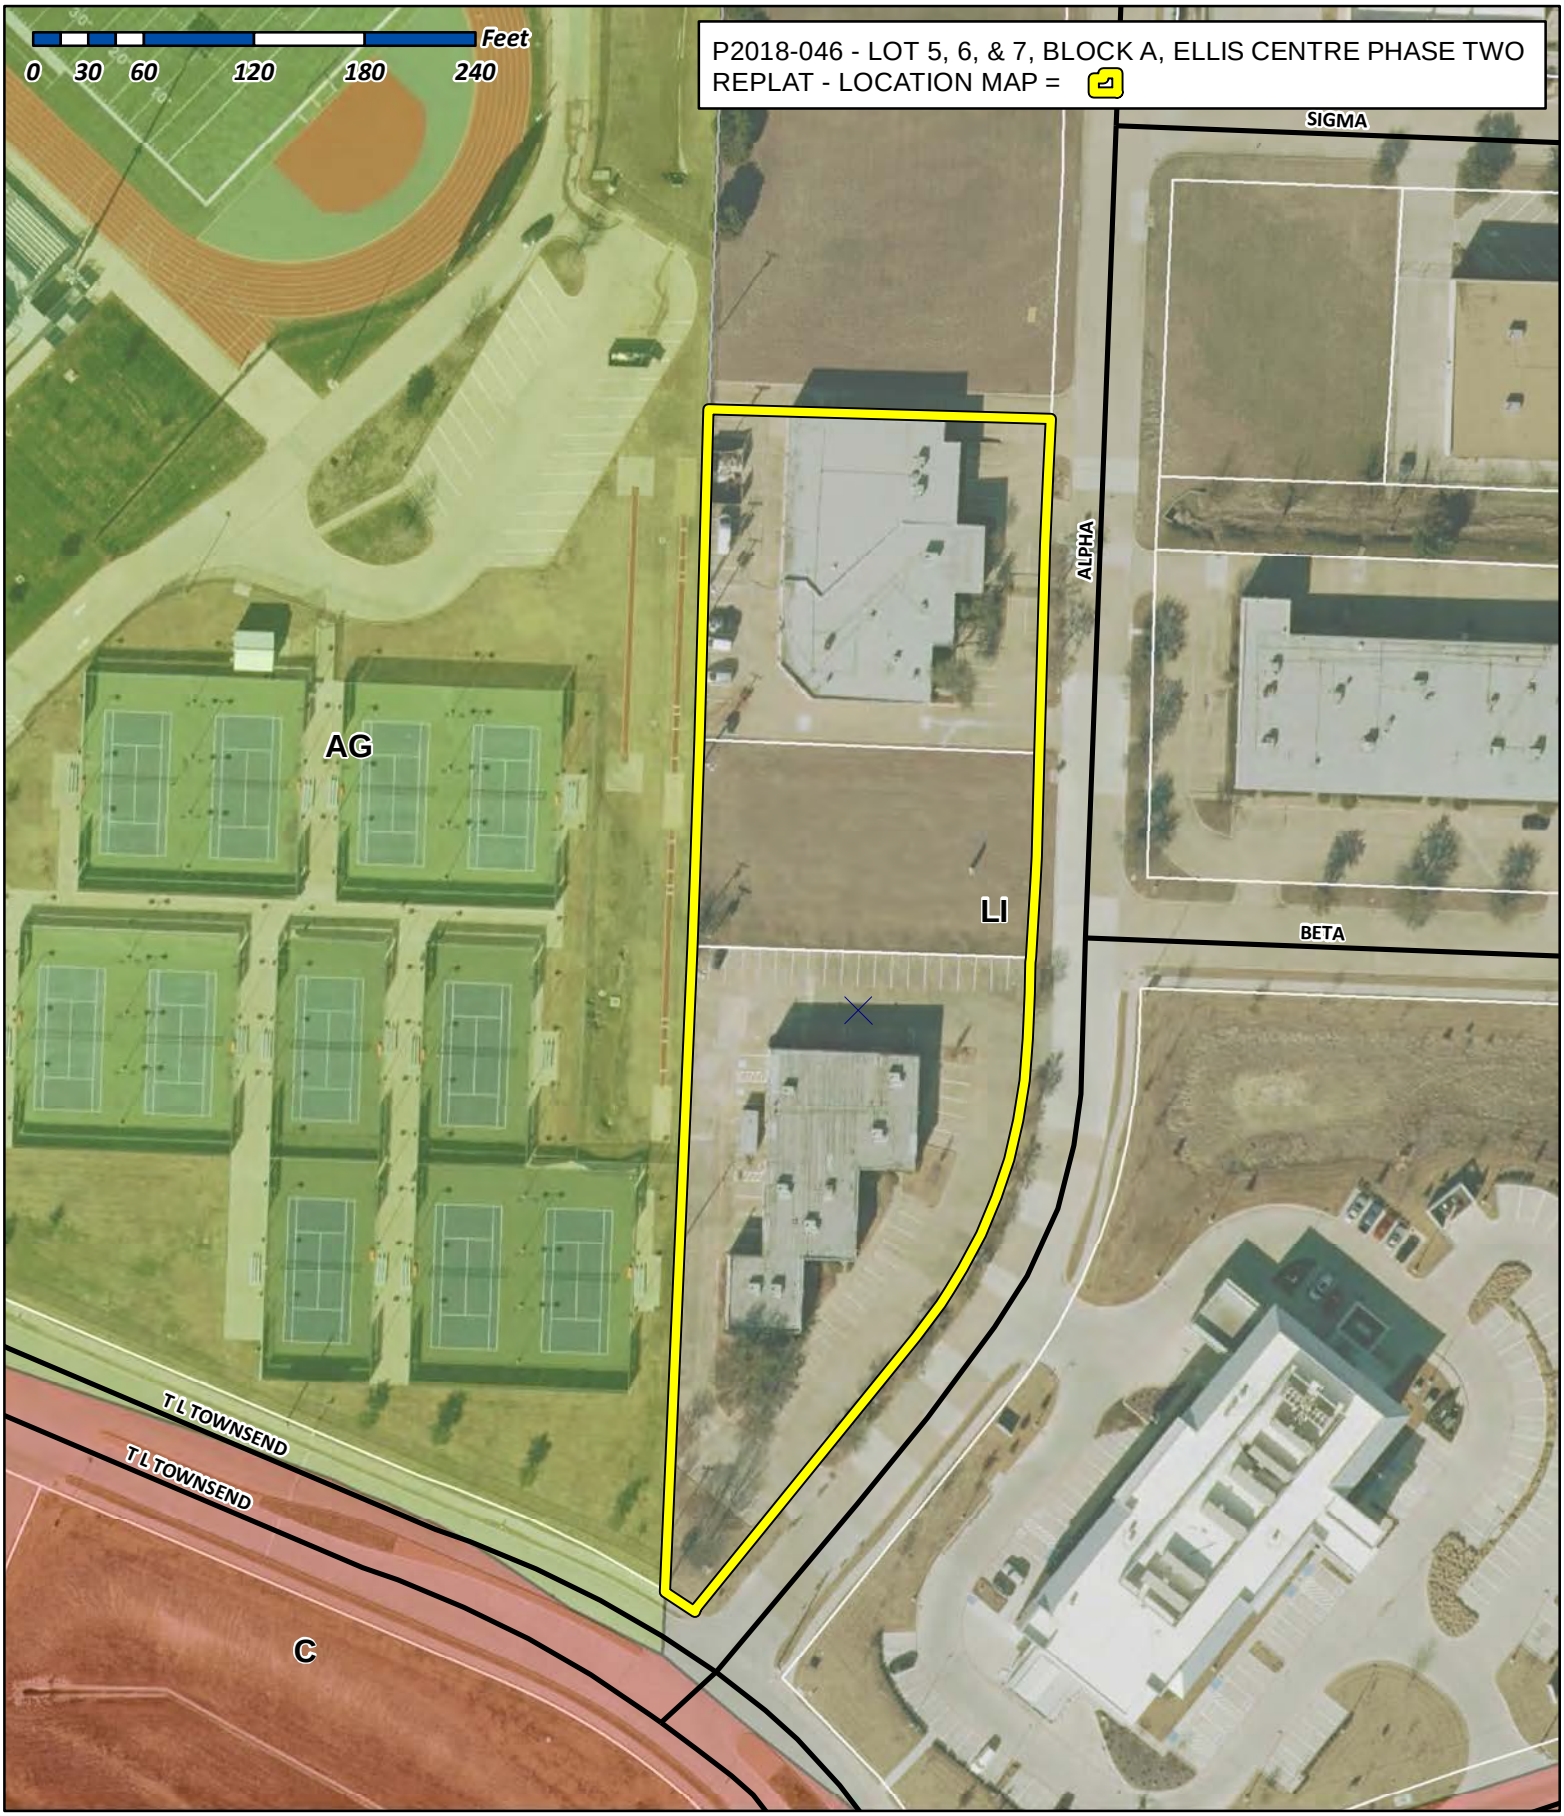
- ☑ The objective of this request is to replat a 2.62-acre tract of land [*i.e. Lots 1 & 3, Block A, of the Ellis Centre, Phase 2 Addition*] to create Lots 5, 6, & 7, Block A, Ellis Centre, Phase 2 Addition. The purpose of the replat is to establish cross access easements that will provide access through the lots. Additionally, this will allow Lot 6 to be developed. The subject property is identified as Lots 1 & 3, Block A, Ellis Centre, Phase 2 Addition, is addressed as 1930 & 1950 Alpha Road, and zoned Light Industrial (LI) District.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for a *replat* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:



If the Planning and Zoning Commission and City Council choose to approve the replat for *Lots 5, 6, & 7, Block A, Ellis Centre, Phase 2 Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 2, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff conditions passed by a vote of 5 to 0 with Commissioners Lyons and Fishman absent.

OWNER'S CERTIFICATE
(Public Dedication)

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS David M. Ellis, Charles M. Ellis, Jody M. Ellis and Richard M. Ellis III, The Five Nine Seven LP, and Bask Investments BEING THE OWNERS OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING a part of Lot 1, Block A, of ELLIS CENTRE, PHASE ONE & TWO, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet B, Slide 391, of the Plat Records of Rockwall County, Texas, and also being all of Lot 3, Block A of ELLIS CENTRE, PHASE TWO, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet G, Slide 143, of the Plat Records of Rockwall County, Texas, and being more particularly describedas follows:

BEGINNING at a 1/2" iron rod found for corner in the Northwest right-of-way line of Alpha Drive, at the southwest corner of said Lot 1, Block A;

THENCE N. 01 deg. 34 min. 52 sec. E. along the west line of said Lot 1, Block A, a distance of 746.46 feet to a 1/2" iron rod found for corner at the northwest corner of said Lot 3, Block A;

THENCE S. 88 deg. 25 min. 08 sec. E. along the north line of Lots 3 & 4, Block A, a distance of 185.00 feet to a 1/2" iron rod found for corner at the southeast corner of Lot 4, Block A and at the northeast corner of Lot 3, Block A and in the west right-of-way line of Alpha Drive;

THENCE S. 01 deg. 34 min. 52 sec. W. along said right-of-way line, a distance of 407.08 feet to an "X" found for corner;

THENCE in a southwesterly direction along a curve to the right having a central angle of 36°54'45", a radius of 270.00 feet, a tangent of 90.11 feet, a chord of S 20°02'17"W, 170.95 feet along said right-of-way line, an arc distance of 173.95 feet to a 1/2" iron rod found for corner;

THENCE S. 38 deg. 29 min. 40 sec. W. along said right-of-way line, a distance of 217.91 feet to the POINT OF BEGINNING and containing 113,912 square feet or 2.62 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owners of the land shown on this plat, and designated herein as ELLIS CENTRE, PHASE TWO, LOTS 5, 6 & 7, BLOCK A, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the ELLIS CENTRE, PHASE TWO, LOTS 5, 6 & 7, BLOCK A, have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We , our successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mary Smith, Assistant City Manager**

FROM: **Cheryl Dunlop, Director of Administrative Services**

DATE: **January 4, 2019**

SUBJECT: **Change to Trustee for employee 457(b) plan**

The City recently received a recommendation from Fiduciary Consulting Group, Inc., our professional consultant for our employee deferred compensation plan, to discontinue services with Ascensus Trust as a passive trustee, and instead, move to Reliance Trust Company since they are the preferred provider of One America. Staff requests that Council consider approval of the attached resolution appointing Reliance Trust Company as Trustee to provide directed trust services, including an annual trust report on the Plan assets, in place of Ascensus Trust.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 19-02

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, TERMINATING ASCENSUS TRUST COMPANY AS PASSIVE TRUSTEE OF THE CITY OF ROCKWALL 457(b) PLAN; APPOINTING RELIANCE TRUST COMPANY AS PASSIVE TRUSTEE (IN PLACE OF ASCENSUS TRUST) WITH RESPECT TO THE CITY OF ROCKWALL 457(b) PLAN; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the **CITY OF ROCKWALL** (the "City") sponsors the **City of Rockwall 457(b) Plan** (the "Plan") for the benefit of its employees, which is intended to be qualified under Section 401(a), 403(b) or 457 of the Internal Revenue Code of 1986 (the "Code") and its related trust to be tax exempt under section 501(a) of the Code; and

WHEREAS, the City currently engages Fiduciary Consulting Group, Inc. as a professional independent fiduciary for the Plan to undertake fiduciary responsibility for the administration and management of the Plan; and

WHEREAS, the City recently received correspondence from Fiduciary Consulting Group, Inc. stating that the City's plan is moving away from Ascensus Trust as a passive trustee and will instead move to Reliance Trust as passive trustee since Reliance Trust is now the preferred provider of One America; and

WHEREAS, the City believes it is prudent to appoint Reliance Trust Company as "Trustee" to provide directed trust services, including an annual trust report on the Plan assets, in place of Ascensus Trust.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

Section 1. Ascensus Trust is hereby terminated as "Trustee" of the City of Rockwall 457(b) plan; and

Section 2. Reliance Trust Company (1100 Abernathy Road, 500 Northpark Building, Suite 400, Atlanta, GA 30328) is hereby appointed "Trustee" with respect to the City of Rockwall 457(b) Plan; and

Section 3. This change in trustee designation is considered to have been in effect as of November 1, 2018, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 7th day of JANUARY, 2019.

Jim Pruitt, Mayor

ATTEST:

Kristy Cole, City Secretary

THIS PAGE INTENTIONALLY LEFT BLANK

68

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 7, 2019

SUBJECT: Appointment with Dewayne Cain

Mr. Dewayne Cain is requesting that the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) be amended to allow an accessory structure on an Agricultural (AG) District zoned property. The subject property is a 10.61-acre tract of land located on Cornelius Road, zoned Agricultural (AG) District, and addressed as 777 and 839 Cornelius Road. The structure that Mr. Cain is proposing would be an ~4,950 SF, metal barn that would contain a storage area for eight (8) vehicles and a *guest quarters/secondary living facility* (*i.e. the facility includes all components of a residential living unit [e.g. kitchen, bathroom, etc.]*). Based on the floor plan provided by the applicant, staff would have to treat this request as a *guest quarters/secondary living facility*; however, a portion of this building would be considered an accessory building, which is not allowed in an Agricultural (AG) District. Based on Mr. Cain's request, staff has prepared possible changes or options for the City Council to consider in amending the code; however, staff should note that the City Council is not obligated to change the code or to choose one of the prepared options.

Currently, the UDC does allow *guest quarters/secondary living units* in an Agricultural (AG) District pending they are [*1*] accessory uses to the primary use (*i.e. single family home*), [*2*] not to exceed 30% of the area of the main structure, and [*3*] that they cannot be sold or conveyed separately without meeting the requirements of the zoning district and subdivision ordinance. In this case, the primary structure is 1,780 SF according to the Rockwall Central Appraisal District (RCAD). This means that the guest quarters/secondary living facility could not exceed a total size of 534 SF. In other residential zoning districts (*i.e. SF-8.4, SF-7, ZL-5 and 2F*) this use is only allowed through a Specific Use Permit (SUP), which gives the City Council the discretion to grant these even if they do not meet the requirements. One solution that the City Council could employ would be to change the code as follows (with the *highlighted, italics* areas indicating the changes):

Residential and Lodging

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
A	A	A	A	A	S	S	S	S	P	Guest Quarters/Secondary Living Unit +								

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

Guest quarters/secondary living unit.

(1) Guest quarters or secondary living unit*s* may be allowed on a property in a residential ~~*or commercial*~~ zoning district provided that it is ancillary *to a single family home* ~~*the primary use and that only one such facility is provided.*~~

(2) The area of such quarters shall not exceed 30 percent of the area of the main structure.

(3) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the subdivision ordinance.

(4) Guest quarters or secondary living units not meeting the requirements stated above shall require a Specific Use Permit (SUP).

Another issue that would be required to be addressed with this request is that the current code does not allow accessory buildings in an Agricultural (AG) District. According to Article IV, *Permissible Uses*, of the UDC:

Residential and Lodging

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
	P	P	P	P	P	P	P	P	P	Accessory Building +		P	P	P	P	P	P	P

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

The purpose of this is to incentivize smaller properties (*i.e. properties less than ten [10] acres in size and considered to be legally non-conforming*) to zone in accordance with the Future Land Use Plan, bringing them into conformance with the UDC. Without this requirement, it would be difficult for the City to incentivize smaller properties to change their zoning, which could have the effect of leaving small spots of Agricultural (AG) District zoning on non-conforming lots throughout the City. To address this, the City Council could choose to establish a new land use (*e.g. barn/agricultural accessory building*), which would allow larger buildings in the Agricultural (AG) District. An example of the changes required to establish the new land use would be as follows (with the *highlighted, italics* areas indicating the changes):

Rural and Animal Related

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
S										*Barn or Agricultural Accessory Building+*								

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

Barn or Agricultural Accessory Building. A *Barn or Agricultural Accessory Building* is a building that is located on a property that is a minimum of ten (10) acres in size, zoned Agricultural (AG) District, and is intended to be used to store agricultural equipment used for animal production, crop production and/or other agricultural related uses.

(1) A *Barn or Agricultural Accessory Building* is a minimum of 2,000 SF and a maximum of 4,999 SF in total size (*i.e. under roof*).

(2) A *Barn or Agricultural Accessory Building* is exempt from the masonry requirements stipulated by Section 7.01, *Residential District Development Standards*.

Staff should note that the City Council could choose to establish accessory building standards for the Agricultural (AG) District and amend the *Permissible Use Charts* to allow accessory structures in these areas; however, as stated above this may cause issues with regard to bringing non-conforming properties into conformance with the Future Land Use Plan.

Should the City Council choose to direct staff to amend the code, staff would proceed based on the following schedule:

Planning and Zoning Work Session: January 29, 2019
Planning and Zoning Public Hearing: February 12, 2019
City Council Public Hearing/First Reading: February 18, 2019
City Council Second Reading: March 4, 2019

In the attached packet, Mr. Cain has included information for the City Council with regard to his request, and -- *if the code is amended* -- what he is proposing to build. Should the City Council have any questions concerning this request staff will be available at the meeting on *January 7, 2019*.

December 27, 2018

Rockwall City Council
385 S. Goliad
Rockwall, TX 75087

Dear Sirs and Madam,

I hereby request placement on your agenda for the January 7, 2019, meeting of the Rockwall City Council.

I have agricultural zoned land within the Rockwall City limits and have secured plans, hired a contractor and made a deposit for a barn to be constructed on the property. The barn will be used to store our tractors and other cemetery equipment as well as two antique cars. When our contractor tried to apply for a building permit, he was told we would have to go through Planning and Zoning to acquire an SUP before we could build the barn; however, before we were able to obtain placement on the next agenda of P&Z, the council did away with SUPs. At the present time, there is no code of agricultural zoned property, which places me in a definite hardship. The purpose of requesting the meeting is to discuss possible alternatives with you.

Sincerely,

Dewayne Cain

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*
Ryan Miller*, Director of Planning and Zoning*

FROM: David Gonzales, *Planning and Zoning Manager*

DATE: January 7, 2019

SUBJECT: Z2018-049 *SUP for an Animal Shelter at 1700 E. SH-66*

On December 17, 2018, the City Council continued the public hearing for *Case No. Z2018-049* by a vote of 7-0. This case involved a request for a Specific Use Permit (SUP) for an animal shelter. The purpose of the City Council's motion was to allow the applicant, Mike Peoples, additional time to prepare a schedule that outlined [*1*] the completion time for the animal shelter (*which is currently partially constructed*), and [*2*] the time needed to demolish the structure situated within the floodplain (*which was constructed without a building permit*). In response to the City Council's action, Mr. Peoples has provided staff with a letter indicating that, weather permitting, he intends to complete the construction of the animal shelter by April 2019 (*see Exhibit 'A'*); however, Mr. Peoples has *not* indicated a timeframe for the demolition of the structure within the floodplain (*see Exhibit 'B'*). It should also be noted that staff requested that Mr. Peoples provide a timeframe for the demolition of the detached garage that was denied by the City Council on December 17, 2018; however, the letter submitted by Mr. Peoples indicates that he does *not* have a timeframe for the removal of this building either. Due to the applicant's in ability to provide staff with a reasonable timeframe for the demolition of the two (2) unpermitted structures, staff has amended the draft ordinance for the animal shelter to require that both structures be removed from the property within six (6) months of the adoption date of the proposed Specific Use Permit (SUP) ordinance. Should the City Council have any questions, staff will be available at the *January 7, 2019* City Council meeting.

Mike Peoples
1700 E SH66
Rockwall Tx 75087.

Building Time Frame

To whom it may Concern:

The completion of the Animal shelter is at my residence is directly related to weather. All I would assume ~~the~~ ground is extremely wet and saturated, However - all materia to complete the structure are on site. Once the weather cooperates, allows for work to continue it will proceed. As you all know I am a republican therefore I work for a living and ~~this~~ the completion of this building will be mixed in with my current jobs. All that being said, it should be complete by April at the latest. of course mother nature will have a thing to say about that.

Yours Sincerely
Mike Peoples

Mike Peoples
1700 E SH 66
Rockwall Tx 75087.

Building Destruction

To whom it may Concern.

In regards to the negative vote on my detached garage and the requirement that it be torn down, I have no timeframe for that as well as the other structure in the flood plain. The plan was to tear the buildings down in the Flood plain to secure the detached garage and animal shelter. I am presently persuing other options.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ANIMAL SHELTER ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Mike Peoples for the approval of a Specific Use Permit (SUP) for the purpose of allowing a previously constructed animal shelter, situated on a 42.66-acre tract of land, zoned Agricultural (AG) District, and being identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, addressed 1700 E. SH-66, and being more specifically depicted in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the construction of an animal shelter structure within an Agricultural (AG) District as stipulated by Article IV*, Permissible Uses,* and Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in Section *2.1, Agricultural (AG) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the following operational conditions and compliance standards:

EXHIBIT 'A' ORDINANCE 19-XX

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an animal shelter, structure on the Subject Property and conformance to these requirements is necessary for continued operations:

1) The animal shelter structure shall generally conform to the elevations and site plan depicted in *Exhibits 'B'* & *'C'* of this ordinance;

2) The animal shelter structure shall not exceed its current size of approximately 2,720 SF or an approximate height of 15-feet;

3) The existing accessory building located within the flood plain of this property, as depicted as #4 in *Exhibit 'D'* of this ordinance, shall be removed/demolished within six (6) months of the date of passage of this ordinance;

4) The existing detached garage located on the subject property, as depicted as #1, 2, & 3 in *Exhibit 'D'* of this ordinance, shall be removed/demolished within six (6) months of the date of passage of this ordinance;

5) The animal shelter structure shall not be operated as a commercial land use;

6) A detention system is required for the addition of structures on the subject property per the Engineering Standards of Design; and,

7) The animal shelter structure is subject to administrative review in the event that the *Subject Property* is sold, conveyed or altered in any manner.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] will require compliance to the following:

1) Upon obtaining a building permit, should the homeowner fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC) [*Ordinance No. 04-38*], the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*].

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged

invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

DRAFT NOT FOR SIGNATURE

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/17/2018

APPLICANT: Mike Peoples

AGENDA ITEM: **Z2018-049;** *SUP for an Animal Shelter at 1700 E. SH-66*

SUMMARY:

Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of a Specific Use Permit (SUP) for an *animal shelter* on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary.

BACKGROUND:

On October 24, 2018, the building inspections department proactively recognized a structure (*i.e. animal shelter*) being constructed without a permit on the *subject property*. The building inspections department then proceeded to confer with planning staff regarding the requirements for building a structure on the *subject property*. During this meeting, additional structures were found to exist based on aerial images dating back to the year 2013. These images depict two (2) structures that have been built without a permit. The aerial image indicates that one (1) of these structures lies within the designated 100-year flood plain. The other structure is a detached garage that has been enlarged on at least two (2) separate occasions. City records indicate that no permits were requested for the construction of either of these structures. Subsequently, a *Stop Work Order* was issued on October 25, 2018 for the *animal shelter* for the purpose of obtaining a building permit. Staff contacted Mr. Peoples and advised him that a Specific Use Permit (SUP) is also required in order to complete construction of the *animal shelter*. On November 6, 2018, Mr. Peoples applied for a building permit, and subsequently submitted an application for the SUP for the *animal shelter* use on November 19, 2018. The photos included with this case were taken from SH-66 by the building inspections department. It should be know that staff has made several requests for the applicant to provide photos of these structures and a survey that would locate the structures on this site. As of the date of this report, staff has not received either of these items.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant, Mike Peoples is requesting the approval of a Specific Use Permit (SUP) to allow for an *animal shelter* as stipulated by Article VI, *Permissible Uses*, of the Unified Development Code (UDC). The ~2,720 SF [*i.e. 40-ft x 68-ft*] metal structure stands approximately 15-feet in height and is situated north of the primary structure, adjacent to SH-66. The *animal shelter* is to be used for the purpose of providing shelter for the animals on the *subject property.* As was noted above, there are two (2) existing accessory buildings on the *subject property* that have been built without a permit and one (1) that lies within the designated 100-year flood plain. This structure is required to be demolished and has been added as a condition of approval of the SUP. The other structure is a detached garage that is being considered for a Specific Use Permit (SUP) concurrently with this request [*i.e. Case No. Z2018-053*].

According to *Section 2*, of Article V, *Agricultural* (AG) *District* of the *Unified Development Code* (UDC), farming and ranching-related activities and accessory uses on more than ten (10)-acres

are permitted uses within an Agricultural (AG) District; however, an animal shelter requires the approval of a Specific Use Permit (SUP). Approval of a SUP is discretionary for the City Council.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is SH-66, which is a TXDOT 4D (*four [4] lane TXDOT Roadway*) on the City's Master Thoroughfare Plan. Beyond this are several tracts of land that are zone Agricultural (AG) District.

South: Directly south of the subject property are two (2) tracts of land zoned Agricultural (AG) District, with the south and east tract owned by the City of Rockwall and is known as the Regional Firearms Training Center.

East: Directly east of the subject property are several tracts of land that are zone Agricultural (AG) District and one property zoned Single-Family 1 (SF-1) District. The majority of these properties have single-family homes.

West: Directly west of the subject property is the City of Rockwall Municipal Airports runway and is zoned Agricultural (AG) District.

NOTIFICATION:

On November 30, 2018 staff mailed 33 notices to property owners and residents within 500-feet of the subject property. Staff also notified the Rolling Meadows Homeowner's Association (HOA), which is the only HOA's/Neighborhood Organization that is within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property as required by the UDC. At the time this case memo was drafted staff had received three (3) notices in favor of and one (1) opposed to the applicant's request.

RECOMMENDATIONS:

Should the Planning and Zoning Commission choose to recommend approval of the applicant's request, staff would offer the following conditions of approval:

1) The animal shelter shall be subject to the following operational conditions, which are contained in the SUP ordinance:

    a. The animal shelter structure shall generally conform to the elevations and site plan depicted in *Exhibits 'B'* & *'C'* of the draft ordinance;

    b. The animal shelter structure shall not exceed its current size of approximately 2,720 SF or an approximate height of 15-feet;

    c. The existing accessory building located within the flood plain of this property, as depicted in *Exhibit 'D'* of the draft ordinance, shall be removed prior to the release of the building permit and/or construction of the animal shelter structure;

    d. The animal shelter structure shall not be operated as a commercial land use;

    e. A detention system is required for the addition of structures on the subject property per the Engineering Standards of Design; and,

f. The animal shelter structure is subject to administrative review in the event that the *subject property* is sold, conveyed or altered in any manner.

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the *UDC*, the *International Building Code*, the *Rockwall Municipal Code of Ordinances*, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On December 11, 2018, the Planning and Zoning Commission's motion to recommend approval of the SUP to allow for an animal shelter on the subject property with staff conditions passed by a vote of 5 to 1 with Commissioner Chodun dissenting and Commissioner Moeller absent.

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2018-049: SUP for an Animal Shelter

Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 12/11/2018 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 12/17/2018 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **12/17/2018** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ANIMAL SHELTER ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Mike Peoples for the approval of a Specific Use Permit (SUP) for the purpose of allowing a previously constructed animal shelter, situated on a 42.66-acre tract of land, zoned Agricultural (AG) District, and being identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, addressed 1700 E. SH-66, and being more specifically depicted in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the construction of an animal shelter structure within an Agricultural (AG) District as stipulated by Article IV*, Permissible Uses,* and Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in Section *2.1, Agricultural (AG) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the following operational conditions and compliance standards:

EXHIBIT 'A' ORDINANCE NO. 19-XX

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an animal shelter, structure on the Subject Property and conformance to these requirements is necessary for continued operations:

1) The animal shelter structure shall generally conform to the elevations and site plan depicted in *Exhibits 'B'* & *'C'* of this ordinance;

2) The animal shelter structure shall not exceed its current size of approximately 2,720 SF or an approximate height of 15-feet;

3) The existing accessory building located within the flood plain of this property, as depicted in *Exhibit 'D'* of this ordinance, shall be removed prior to the release of the building permit and/or construction of the animal shelter structure;

4) The animal shelter structure shall not be operated as a commercial land use;

5) A detention system is required for the addition of structures on the subject property per the Engineering Standards of Design; and,

6) The animal shelter structure is subject to administrative review in the event that the S*ubject Property* is sold, conveyed or altered in any manner.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] will require compliance to the following:

1) Upon obtaining a building permit, should the homeowner fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC) [*Ordinance No. 04-38*], the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*].

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this

DRAFT ORDINANCE 2018

ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 7, 2019

SUBJECT: Z2018-052; *SUP for a Mini-Warehouse*

On December 17, 2018, the City Council voted to approve the applicant's request for a Specific Use Permit (SUP) for a mini-warehouse facility by a vote of 6-0, with Council Member Fowler recusing himself from the vote. This will be the second reading of the ordinance.

CITY OF ROCKWALL

ORDINANCE NO. 19-04

SPECIFIC USE PERMIT NO. S-202

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW A MINI-WAREHOUSE FACILITY WITHIN A COMMERCIAL (C) DISTRICT, ON A 7.489-ACRE PARCEL OF LAND BEING IDENTIFIED AS LOT 23, RAINBO ACRES ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City has received a request from Russell Phillips for the approval of a Specific Use Permit (SUP) to allow for a *Mini-Warehouse Facility* in a Commercial (C) District on a 7.489-acre parcel of land being described as Lot 23, Rainbo Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED** by the City Council of the City of Rockwall, Texas;

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing a *Mini-Warehouse* within a Commercial (C) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in *Subsection 2.1.10, Wholesale, Distribution, and Storage,* of *Section 2*, *Use Standards*, of *Article IV, Permissible Uses, and Subsection 4.5, Commercial (C) District,* of *Section 4*, *Commercial District,* of *Article V*, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*], as heretofore amended and as may be amended in the future, and shall be subject to the following operational conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions shall pertain to the operation of a *mini-warehouse* facility on the subject property, and conformance to these operations is required for continued operation:

1) The development shall generally conform to the Concept Plan depicted in *Exhibit 'B'* of this ordinance.

2) The building elevations shall generally conform to the Concept Building Elevations depicted in *Exhibit 'C'* of this ordinance.

3) The maximum number of storage units provided shall not exceed 293 units for the facility.

4) The residential unit as an accessory to the permitted use shall not exceed 1,600 square feet.

5) The residential unit may exceed one story, but shall not be greater than 36 feet in height.

6) No outside storage of any kind shall be allowed (including the outside storage of boats, recreational vehicles, trailers, and motor or self-propelled vehicles).

7) Businesses shall not be allowed to operate within individual storage units.

8) The commercial operation of rental trucks and trailers shall be prohibited.

9) The developer shall maintain the treeline at the south, east, and north property lines.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the

ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 7, 2019

SUBJECT: Z2018-048; *SUP for an Accessory Building at 205 S. Clark Street*

On December 17, 2018, the City Council voted to approve the applicant's request for a Specific Use Permit (SUP) for an accessory building by a vote of 5-2, with Council Members Hohenshelt and Daniels dissenting. This will be the second reading of the ordinance.

CITY OF ROCKWALL

ORDINANCE NO. 19-03

SPECIFIC USE PERMIT NO. S-201

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ACCESSORY BUILDING THAT DOES NOT MEET THE REQUIREMENTS OF THE UNIFIED DEVELOPMENT CODE (UDC) ON A 0.253-ACRE PARCEL OF LAND ZONED SINGLE-FAMILY 7 (SF-7) DISTRICT AND IDENTIFIED AS LOT 47B, B. F. BOYDSTUN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Amanda Henry for the approval of a Specific Use Permit (SUP) for the purpose of constructing an accessory building that does not meet the masonry requirements and exceeds the maximum size requirements as stipulated by the Unified Development Code (UDC), situated on a 0.253-acre parcel of land, zoned Single-Family 7 (SF-7) District, and being identified as Lot 47B, B. F. Boydstun Addition, City of Rockwall, Rockwall County, Texas, addressed 205 S. Clark Street, and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the construction of a metal accessory building that does not conform to the minimum masonry requirements and exceeds the maximum size for accessory buildings in a Single-Family 7 (SF-7) District as stipulated by Article IV*, Permissible Uses,* and Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in Section

3.6*, Single-Family 7 (SF-7) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the additional following conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an accessory building on the *Subject Property* and conformance to these requirements is necessary for continued operations:

1) The accessory building shall generally conform to the building elevations and site plan depicted in *Exhibits 'B' & 'C'* of this ordinance.

2) The accessory building shall not exceed a maximum size of 910 SF;

3) The existing accessory building toward the rear of the property shall be removed prior to the construction of the new accessory building;

4) The subject property shall not have more than one (1) accessory building;

5) The accessory building shall not exceed a maximum overall height of 15-feet;

6) The accessory building shall not be operated as a commercial land use; and,

7) The accessory building is subject to administrative review in the event that the *Subject Property* is sold, conveyed or altered in any manner.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] will require compliance to the following:

1) Upon obtaining a building permit, should the homeowner fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC) [*Ordinance No. 04-38*], the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*].

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or

provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JANUARY, 2019.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*
Ryan Miller*, Director of Planning and Zoning*

FROM: David Gonzales, *Planning and Zoning Manager*

DATE: January 7, 2019

SUBJECT: Z2018-054; *SUP for Building Exceeding 36-feet in Height in SOV*

On December 17, 2018, the City Council held a public hearing regarding a request for a Specific Use Permit (SUP) [*Case No. Z2018-054*] from Andrew Bennett of BOKA Powell for a proposed office building that would exceed 36-feet in height within the Scenic Overlay (SOV) District. Provided to the City Council were five (5) property owner notifications that had been received from property owners within 500-feet of the subject property that were opposed to this request (*i.e. Paul Davis [two (2) notices] and R.D. Vanderslice [one (1) notice], Sally Meek [one (1) notice], and Steve Mak [email]*). Of these property owners, Mr. Davis and Mr. Vanderslice, have since forwarded staff emails requesting to retract their opposition to this request, and have stated they are now in support of the Specific Use Permit (SUP). This would change the notifications received to four (4) notices in favor of the request, and one (1) notice and (1) email opposed to the request.

Attached to this memorandum are the emails from Mr. Davis and Mr. Vanderslice requesting to *retract* their opposition to this request (*see Exhibit 'A'*). At the last City Council meeting on December 17, 2018, the City Council approved the SUP request by a vote of 4-3 with Mayor Pruitt, and Council Members Macalik and Daniels dissenting. Should the City Council have any questions staff will be available at the *January 7, 2019* City Council meeting.

Dear Mr. Gonzales.

I had previously sent in a form opposing this SUP. I have done more research on it and now would like to withdraw my opposition form. I do not oppose the SUP for an office building over 36 ft in height.

Sincerely,
R. D. Vanderslice

CITY OF ROCKWALL

ORDINANCE NO. 19-05

SPECIFIC USE PERMIT NO. S-203

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A STRUCTURE THAT EXCEEDS 36-FT IN HEIGHT WITHIN THE SCENIC OVERLAY (SOV) DISTRICT IN A COMMERCIAL (C) DISTRICT, ON A 9.70-ACRE TRACT OF LAND BEING IDENTIFIED AS TRACT 15 OF THE E.P.G. CHISUM SURVEY, ABSTRACT NO. 64, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Andrew Bennitt of BODA Powell, LLC on behalf of the owner Vinod Miranda for the approval of a Specific Use Permit (SUP) to allow for a structure that exceeds 36-feet in height within the *Scenic Overlay (SOV) District* on an 9.70-acre tract of land, identified as Tract 15 of the E.P.G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned *Commercial (C) District*, situated within the *Scenic Overlay (SOV) District,* generally located at the southwestern corner of the intersection of Ridge Road [*FM-740*] and Turtle Cove Boulevard, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas;

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing a structure that exceeds 36-feet in height within the *Scenic Overlay (SOV) District* as stipulated by *Section 4.5, Commercial (C) District* and *Section 6.8, Scenic Overlay (SOV) District, of Article V, District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

Section 2. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in *Section 4.5, Commercial (C) District* and *Section 6.8, Scenic Overlay (SOV) District, of Article V, District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended and as may be amended in the future, and shall be subject to the additional

following additions:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an office building that exceeds 36-feet in height on the *Subject Property*, and conformance to these operational conditions is required for continued operations:

1) The development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance; and,

2) The maximum overall height of the building shall not exceed four (4)-stories or 60-feet, as depicted in *Exhibit 'C'* of this ordinance.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

Section 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict

Section 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS ($2,000.00)* for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JANUARY, 2019.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 7, 2019

SUBJECT: A2018-004; *Branch Property Annexation*

On January 7, 2019, the City Council will be considering the first reading of an annexation ordinance proposing the voluntary annexation 14.995-acres of land situated northeast of the intersection of Featherstone Drive and John King Boulevard. The subject property is located within the City's Extraterritorial Jurisdiction (ETJ). Pat Atkins, on behalf of C.D.T. Rockwall/2017 LLC, is requesting the annexation for the purpose of adding additional area to Planned Development District 79 (PD-79), which is also referred to as the Saddle Star Estates Subdivision.

The City Council conducted the required public hearings (*i.e. first and second*) on December 3, 2018, and City staff has followed the procedures for annexations as set forth in Chapter 43, *Municipal Annexations*, of the Texas Local Government Code relative to notifying affected property owners and publishing notices in the newspaper and on the City's website. Attached to this memorandum is a location map, service plan and draft ordinance for the proposed annexation. In addition, the service plan has been made available to the public at City Hall.

The first reading of the annexation ordinance is scheduled for January 7, 2019 and the second (*and final*) reading of the ordinance is scheduled for January 22, 2019.

The data represented on this map was obtained with the best methods available. Data is supplied from various sources and accuracy may be out of the City of Rockwall's control. The verification of accuracy and / or content lies entirely with the end user. The City of Rockwall does not guarantee the accuracy of contained information. All Information is provided 'As Is' with no warranty being made, either expressed or implied.

City of Rockwall

CITY OF ROCKWALL
GEOGRAPHIC INFORMATION SYSTEMS

JOHN KING BLVD - 14.995-ACRES
ANNEXATION A2013-004
EXHIBIT A

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-004
City and County of Rockwall, Texas

Acreage Annexed: 14.995-acres

Survey Abstract and County: Tracts 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: January 21, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 14.995-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-03 OF THE P. B. HARRISON SURVEY, ABSTRACT NO. 97, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on December 3, 2018, at 6:00 p.m. and on December 3, 2018, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories;

BEING, a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line east of the intersection of Featherstone Drive and John King Boulevard, depicted and described in *Exhibit 'A'* of this ordinance:

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on November 16, 2018 and posted on the City of Rockwall's website on November 16, 2018 said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 14.995-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically described in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 14.995-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County, Texas and the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

DRAFT ORD. 07.20.19

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the *Public Hearings* referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 22ND DAY OF JANUARY, 2019.

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-004
City and County of Rockwall, Texas

Acreage Annexed: 14.995-acres

Survey Abstract and County: Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: January 21, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

DRAFT ORDINANCE 01-07-19

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

DRAFT ORDINANCE 01.07.19

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are

DRAFT
ORDINANCE
01.07.2019

determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor and City Council**

CC: **Rick Crowley, City Manager**
Joey Boyd, Assistant City Manager
Mary Smith, Assistant City Manager

FROM: **Andy Hesser, Director of Parks and Recreation**

DATE: **January 4, 2018**

SUBJECT: HARBOR NEIGHBORHOOD PARK CONCEPT PLAN

At the December 17th Council meeting, William Spencer with MHS Planning and Design presented the concept plan for a neighborhood park located in The Harbor area along the lake that is planned to serve the approximately 1,200 residential units in the PD-32 area. This concept plan attempts to fulfill the goals and strategies within the City's adopted Hometown 2040 Comprehensive Plan as it relates to development of the Harbor District as well as park development along the shores of Lake Ray Hubbard.

As Council may recall, the urban beach concept for this park was discussed in the budget workshop meeting held on August 7th. The approved budget for phase 1 development costs is $484,000 to be paid from Developer Fee contributions collected within park district 17 in accordance with the Mandatory Park Land Dedication Ordinance. Total project costs are estimated to be approximately $825,000. Funding for future phases has not been identified at this time and may be discussed in future budget proposals.

At the December 4th Park Board meeting, a public hearing was held to review and hear input regarding the concept plan. Park Board voted unanimously to recommend that Council approve the concept plan as submitted, with particular attention to addressing concerns raised by adjacent business owners regarding restrooms, parking and fencing to separate the park from the buildings.

Attached is the revised concept plan highlighting the proposed phase 1 scope, which is outlined by a dashed red line. Amenities proposed include the sand beach area, volleyball, ornamental fence adjacent to commercial buildings, southern trail loop around the sand area, drinking fountain, security lighting and the associated grading and drainage for the southern area.

Staff requests that Council consider approving the concept plan and authorize MHS Planning and Design to proceed with phase I construction documents per their previously approved contract.

MEMORANDUM

TO: **City Council**

FROM: **Joey Boyd, Assistant City Manager**

DATE: **December 26, 2018**

SUBJECT: **Naming Subcommittee recommendation to honor Brad Griggs**

The City Council Naming Subcommittee (Councilmembers Hohenshelt, Macalik, and Daniels) recently discussed naming a venue in the City to honor Brad Griggs' 20 years of service to the City of Rockwall. Brad's retirement became official on January 4, 2019.

The Subcommittee recommends the City Council consider naming the amphitheater stage in honor of Brad and that it be referred to in the future as the: "Brad Griggs Amphitheater Stage at The Harbor".

The Subcommittee members and staff will be available to discuss this request at the meeting. A Resolution formally naming this venue at The Harbor is attached for your consideration.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 19-01

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, NAMING A CERTAIN PARKS & RECREATION VENUE WITHIN THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Brad Griggs served the City of Rockwall for 20 years as Director of Parks & Recreation and Assistant City Manager; and

WHEREAS, on January 4, 2019, he retired after a total of 34 years in public service; and

WHEREAS, Brad served as President of the Texas Recreation & Parks Society and the Texas Amateur Athletic Federation where he advocated for funding grant programs that were beneficial to Rockwall and other cities across the State; and

WHEREAS, during his time in Rockwall, Brad provided leadership in expanding the City's park system and further developing and enhancing the recreation opportunities for citizens of Rockwall; and

WHEREAS, Brad played a significant role in designing, construction, and programming public space for entertainment events at The Harbor; and

WHEREAS, the Rockwall City Council wishes to honor Brad Griggs by naming a specific venue in the City of Rockwall; and

WHEREAS, the Rockwall City Council believes the naming to be a fitting and honorary recognition of Brad Griggs for his service to citizens of Rockwall.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the entertainment stage at The Harbor shall hereafter be named the "Brad Griggs Amphitheater Stage at The Harbor;" and

Section 2. That this resolution shall take effect immediately from and after its adoption and it is so resolved.

PASSED AND APPROVED by the City Council of Rockwall, Texas, this 7th day of JANUARY, 2019.

APPROVED:

MEMORANDUM

TO: **City Council**

FROM: **Joey Boyd, Assistant City Manager**

DATE: **January 2, 2019**

SUBJECT: **Texas Legislative Session**

The 86th Session of the Texas State Legislature will convene on Tuesday, January 8, 2019. In previous years, the City has followed bills related to municipal authority, property taxes, and other bills that propose to directly or indirectly affect the City's ability to provide services. Individual staff members will monitor and be involved with their respective association's agendas, such as Texas Police Chiefs Association, Texas Fire Chiefs Association, and Texas Recreation and Parks Society. Below is a general list of topics for discussion at the City Council meeting.

Topics to Watch

- Transportation Infrastructure Funding
- Property Tax Reform
- Local Government Control
- Annexation, ETJ Regulations, Vesting Rights
- Telecommunications – Small Cell Nodes
- MUDS / PIDS
- Texas Police Chiefs Association – (mental health reform, lab fees, laws related to body cameras, drug legalization, as well as other items of concern within the Association)
- Texas Fire Chiefs Association - (PTSD/Mental Health, Statewide fire response, Texas Intrastate Fire Mutual Aid System (TIFMAS) funding, legislation related to residential sprinkler systems, and other items of concern within the Association)
- Texas Recreation & Park Society – (sporting goods tax to fund grants, other items of interest within TRAPS)

Staff will look for direction from the City Council related to these topics or any other issues you would like to follow throughout the legislative session.

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Kristy Cole, City Secretary/Assistant to the City Manager**

DATE: **January 4, 2019**

SUBJECT: **(Re)Appointments to Main St. Advisory Board**

The following three (3) Main Street Advisory Board members have terms that expire in Jan. 2019:

- Sarah Freed – is "termed out" (need NEW person appointed)
- Priscylla Bento – would like to be reappointed
- Jeremy Standifer – would like to be reappointed

Councilmember Trowbridge is the council liaison to said board. He will be putting forth a recommendation that Council consider reappointing Ms. Bento and Mr. Standifer and (newly) appointing Mrs. Eva Cannon to replace Mrs. Freed, whose final term is expiring this month. Mrs. Cannon's application is attached here for Council's review and consideration.

PERSONAL DETAILS
I have been a Rockwall resident and business owner since 2005. Having recently sold our company, my husband and I are currently planning a new-build destination brewery and taproom in the downtown area of Rockwall. This will bring visitors, tax dollars and jobs to the local community. In my most recent role as Director of Marketing for wePresent, an AV Technology company, I managed all aspects of the global marketing, from product and brand development to social media and advertising campaigns, to trade show exhibitions and digital marketing. Prior to this, we owned an AV integration firm and managed installations for commercial clients across Texas, including the Dallas Zoo, Mellow Mushroom restaurants, Schindler Elevator Company, and many other customers.

3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER DANIELS

VII. PROCLAMATIONS

pg.8 **1.** Health for Humanity Yogathon

VIII. OPEN FORUM

IX. CONSENT AGENDA

pg.10 **1.** Consider approval of the minutes from the January 7, 2019 regular city council meeting, and take any action necessary.

pg.21 **2. Z2018-049** - Consider a request by Mike Peoples for the approval of an **ordinance** for a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary **(2nd Reading).**

pg.29 **3.** **A2018-004** - Consider a request by Pat Atkins on behalf of the owner C.D.T. Rockwall/2017 LLC for the approval of an **ordinance** for the voluntary annexation of a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas, and take any action necessary **(2nd reading).**

pg.38 **4.** **P2018-047** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH West Pods, LTD for the approval of a preliminary plat for Breezy Hill, Phase XII containing 35 single-family residential lots on 44.525-acres of land identified as a portion of Tract 7-1 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, located west of the intersection of John King Boulevard and Cozy View Drive, and take any action necessary.

pg.48 **5.** Consider approval of the Contract Amendment #1 with Brinkley & Barfield, Inc., in the amount of $87,030 to be funded from the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

pg.82 **6.** Consider authorizing the City Manager to negotiate and execute a contract with Baseball Nation LLC regarding the city's baseball umpire services for an amount not to exceed $120,000 to be funded from baseball registration proceeds in the Recreation Development Fund, and take any action necessary.

pg.92 **7.** Consider authorizing the City Manager and the Chief of Police to execute an Interlocal Agreement (ILA) with NCT911 to provide 911 services in the City, and take any action necessary.

X. PUBLIC HEARING ITEMS

pg.100 **1.** **A2018-005 (6:00 PM)** – Hold a public hearing to discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary.

pg.107 **2.** **Z2018-050** - Hold a public hearing to discuss and consider a request by David Rains for the approval of an **ordinance** for a Specific Use Permit (SUP) allowing a covered patio that exceeds the maximum requirements for property located within the Lake Ray Hubbard Takeline leased area that is adjacent to a parcel of land identified as Lot 12, Block A, Chandlers Landing, Phase 18, Section 2, City of Rockwall, Rockwall County, Texas, zoned

Planned Development 8 (PD-8) District for single family land uses, addressed as 5808 Constellation Circle, and take any action necessary **(1st Reading).**

pg.110 **3.** **Z2018-055** - Hold a public hearing to discuss and consider a request by Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky of 7.1 Ridge, LLC for the approval of an **ordinance** for a Specific Use Permit (SUP) for a Mini-Warehouse facility on a 2.595-acre tract of land being a portion of Lot 1, Block A, Sky Ridge Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located southwest of the intersection of W. Yellow Jacket Lane and Ridge Road [FM-740], and take any action necessary **[1st Reading].**

pg.143 **4.** **Z2018-057** - Hold a public hearing to discuss and consider a request by Bill Bricker of Columbia Development Company, LLC for the approval of an **ordinance** amending Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses being a 56.586-acre tract of land identified as a portion of R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) and Planned Development District 59 (PD-59), located between W. Washington Street and T. L. Townsend Drive, and take any action necessary **[1st Reading].**

pg.187 **5.** **A2018-005 (6:30 PM)** – Hold a public hearing to discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary.

pg.194 **6.** **Z2018-058** - Hold a public hearing to discuss and consider a request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of an **ordinance** for a Specific Use Permit (SUP) for a Craft Winery and Commercial Amusement/Recreation (Outdoor) on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary **[1st Reading]**.

pg.218 **7.** **Z2018-059** - Hold a public hearing to discuss and consider a request by Heather Cullins for the approval of an **ordinance** for a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas,

zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 1085 Dalton Road, and take any action necessary **[1st Reading]**.

XI. ACTION ITEMS

pg.237 **1.** **SP2018-043** - Discuss and consider a request by Kevin Hickman of PegasusAblon on behalf of Rockwall Rental Properties, LP for the approval of a waiver in conjunction with an approved site plan for a 375-unit condominium building on a 6.2-acre tract of land identified as Lot 9, Block A, Harbor-Rockwall Addition and Tract 16 of the M. J. Barksdale Survey, Abstract No. 11, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 (IH-30) Overlay District, located at the southwest corner of the intersection of the IH-30 frontage road and Lakefront Trail, and take any action necessary.

XII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal issues pertaining to potential annexation pursuant to Section §551.071 (Attorney/Client Consultation).
2. Discussion regarding appointments to city regulatory boards, commissions, and committees - specifically the Board of Adjustments (BOA) - pursuant to Section 551.074 (Personnel Matters)
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XIV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.087 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 18th day of January, 2019 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MINUTES

ROCKWALL CITY COUNCIL REGULAR MEETING

Monday, January 07, 2019 - 5:00 PM

City Hall - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 5:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Kevin Fowler, and Councilmembers Patrick Trowbridge, Dana Macalik, John Hohenshelt, Bennie Daniels and Trace Johannesen. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Joey Boyd, and City Attorney Frank Garza. Mayor Pruitt read the below listed discussion items into the record before recessing the public meeting to go into Executive Session at 5:01 p.m.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding "Petition for Consent to include Land in a Municipal Utility District (MUD)" within the city's northern extraterritorial jurisdiction (ETJ), pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

Council adjourned from Executive Session at 5:57 p.m.

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Pruitt reconvened the public meeting at 6:00 p.m.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Fowler indicated that no action was necessary as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM FOWLER

Mayor Pro Tem Fowler delivered the invocation and led the Pledge of Allegiance.

VII. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed Open Forum.

VIII. CONSENT AGENDA

1. Consider approval of the minutes from the December 17, 2018 regular city council meeting, and take any action necessary.
2. **Z2018-043** - Consider a request by Michael Worrell of Rockwall Honda for the approval of an **ordinance** amending SUP No. S-76 (Ordinance No. 10-26) to allow changes to be made to an existing Motorcycle Dealership with Accessory Boat and Trailer Sales being a 1.152-acre parcel of land identified as Lot 6, Block A, Newman Center #1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, and take any action necessary **(2nd Reading)**.
3. **Z2018-046** - Consider a request by Brad Helmer on behalf of Heritage Christian Academy (HCA) for the approval of an **ordinance** for a Specific Use Permit (SUP) allowing existing temporary educational buildings in conjunction with a private school to remain on a 6.64-acre parcel of land identified as Lot 1, Block A, Heritage Christian Academy Addition, City of Rockwall, Rockwall County, Texas, zoned Multi-Family 14 (MF-14) District, situated within the SH-205 Overlay (SH-205 OV) District, addressed as 1408 S. Goliad Street [SH-205], and take any action necessary **(2nd Reading)**.
4. **P2018-044** - Consider a request by Dub Douphrate of Douphrate and Associates on behalf of Russell Frank for the approval of a final plat for Lot 1, Block A, Hacienda Car Wash Addition being a 2.008-acre tract of land identified as portions of Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 Ridge Road [FM-740], and take any action necessary.
5. **P2018-045** - Consider a request by Jennifer Haynes of Urban Structure on behalf of Andrew Malzer of RaceTrac Petroleum, Inc. the approval of a replat for Lots 4 & 5, Block A, the Woods at Rockwall Addition being a 4.47-acre tract of land identified as Lots 1 & 2, Block A, the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, addressed as 2215 & 2205 Ridge Road [FM-740], and take any action necessary.
6. **P2018-046** - Consider a request by David Ellis for the approval of a replat for Lots 5, 6 & 7, Block A, Ellis Centre, Phase 2 Addition being a 2.62-acre tract of land identified as Lots 1 & 3, Block A, Ellis Centre, Phase 2 Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1930 & 1950 Alpha Road, and take any action necessary.
7. Consider approval of a resolution terminating Ascensus Trust Company as Passive Trustee of the City of Rockwall 457(b) Plan; appointing Reliance Trust Company as Passive Trustee (in Place of Ascensus Trust) with respect to the city's 457(b) plan, and take any action necessary.

Mayor Pro Tem Fowler moved to approve the entire Consent Agenda. Councilmember Macalik seconded the motion. The ordinances were read as follows:

ORDINANCE NO. 19-01
SPECIFIC USE PERMIT NO. S-199

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-76 [*ORDINANCE NO. 10-26*], WHICH ALLOWS FOR A MOTORCYCLE DEALERSHIP WITH ACCESSORY BOAT AND TRAILER SALES ON A 1.152-ACRE PARCEL OF LAND IDENTIFIED AS LOT 6, BLOCK A, NEWMAN CENTER #1 ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 19-02
SPECIFIC USE PERMIT NO. S-200

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW THREE (3) TEMPORARY EDUCATIONAL BUILDINGS ON A 6.64-ACRE PARCEL OF LAND ZONED MULTI-FAMILY 14 (MF-14) DISTRICT AND IDENTIFIED AS LOT 1, BLOCK A, HERITAGE CHRISTIAN ACADEMY ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

IX. APPOINTMENT ITEMS

1. Appointment with Dewayne Cain to discuss amending the Unified Development Code (UDC) to allow accessory buildings in an Agricultural (AG) District, and take any action necessary.

Dewayne Cain
305 Stonebridge
Rockwall, TX

Mr. Cain came forth and addressed the Council regarding this agenda item. He explained that he is the owner of Resthaven Memorial Park and that he owns about 200 acres of agriculturally zoned land. He hired an architect to design an elaborate barn / storage type facility that would be placed close to one of the homes he owns on Cornelius Road. He explained that his property was annexed into the city several years ago. In addition to Mr. Cain having hired an architect and having plans drawn up, a deposit was put down, a general contractor was hired, dirt work was done, and lime injection was performed. When the contractor came to the city to take out a building permit, he was told by staff that an SUP would be required before a permit could be issued. In the meantime, the city council made changes that disallowed an SUP to be requested. He went on to explain that a barn / accessory building is not currently allowed within an agriculturally zoned district, so there is no longer a means by which he is able to apply for a "specific use permit" (SUP). He is coming before the Council this evening to see if there is a way to work something out such

that he would be allowed to build this large accessory building on his agriculturally zoned property.

Planning Director Ryan Miller provided clarifying comments to the Council concerning this matter. He generally explained that currently, there is no SUP process by which a property owner may request to approve a 'barn' type accessory structure on "agriculturally zoned" land, and there is also not a means by which an owner may build 'private guest quarters.' It was generally explained that the "agriculture" zoning designation is assigned to newly annexed land "by default" (essentially), and it is the most restrictive zoning designation within the city's regulations. It exists this way as a means by which annexed land will be eventually pushed into a different zoning land designation; however, it unfortunately has an (unintended) adverse effect on (larger parcels of) land that truly are more 'agricultural' in nature. One change that would need to occur is for SUPs to be able to be requested, on a case-by-case basis, for "guest quarters" which are proposed to be built on 'agriculturally zoned' land. Right now, no SUP process exists to potentially allow those types of structures.

Mr. Cain clarified that "guest quarters" is a little more elaborate than what he is wanting to build. He essentially wants to build a (large) "man cave" to have folks over and watch sports games and store some of his car collection.

Following extensive discussion, the Council generally expressed a desire for staff to bring back some options for the council to consider relative to making some changes to the UDC to allow requests (by SUP) for accessory buildings (both ones to be utilized as 'barns' and ones to be utilized for 'private guest quarters'), on a case-by-case basis, on agriculturally zoned land.

Council took no formal action related to this agenda item at this time.

X. PUBLIC HEARING ITEMS

1. **Z2018-049** - Hold a public hearing to discuss and consider a request by Mike Peoples for the approval of an **ordinance** for a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary **(1st Reading)**.

Planning Director, Ryan Miller, provided background information pertaining to this agenda item, indicating that back on December 17, 2018, the City Council continued the public hearing for Case No. Z2018-049 by a vote of 7 to 0. This case involved a request for a Specific Use Permit (SUP) that would allow for an animal shelter on the property. The purpose of the City Council's motion was to allow the applicant, Mike Peoples, additional time to prepare a schedule that outlined [1] the completion time for the animal shelter (which is currently partially constructed), and [2] the time needed to demolish the structure situated within the floodplain (which was constructed without a building permit). In response to the City Council's action, Mr. Peoples provided staff with a letter indicating that, weather permitting, he intends to complete the construction of the animal shelter by April 2019; however, Mr. Peoples has not indicated a timeframe for the demolition of the structure within the floodplain (see Exhibit 'B'). It should also be noted that staff requested that Mr. Peoples provide a timeframe for the demolition of the detached garage that was denied by the City Council on December 17, 2018; however, the letter submitted by Mr. Peoples indicates that he does not have a timeframe for the removal of this building either. Due to the applicant's in ability to provide staff with a reasonable timeframe for the demolition of the two (2) unpermitted structures, staff has

amended the draft ordinance for the animal shelter to require that both structures be removed from the property within six (6) months of the adoption date of the proposed Specific Use Permit (SUP) ordinance.

Councilmember Hohenshelt and Mayor Pruitt both indicated that their preference is to require that Mr. People demolish the existing structure (in the floodplain) prior to finishing the newest structure he wanting to complete.

Mr. Miller shared that Mr. Peoples has continued to work on the existing (unpermitted, unauthorized "animal shelter") structure during the time he has been going through the process associated with seeking formal approval of it being built. It was pointed out that when Mr. Peoples spoke to staff about the (currently under construction) structure needing an SUP and building permit, Mr. Peoples gave indication that he still planned to continue working on the structure. Staff explained to Mr. Peoples that if he continued working on the structure before it (potentially) received Council's approval, he would be doing so at his own risk. Mr. Peoples subsequently submitted a letter to staff, generally expressing that he understood that. General discussion took place pertaining to the existing structure (that Mr. Peoples has continued to work on) and how stopping its construction and having it torn down will be an enforcement-related issue, should it come to that in the future. Indication was given that, related to 'enforcement,' any daily or other fines would be up to the judge.

Following extensive discussion and clarifications, Councilmember Hohenshelt moved to call for all of the improper structures to be removed before this particular SUP may be granted and that Mr. Peoples must do so within six (6) months. The motion was clarified – that Mr. Peoples should not perform further work on this current structure and that the other, existing (improper) structures must be removed within six (6) months. Councilmember Trowbridge seconded the motion.

Pruitt reopened the public hearing (that was continued from the last council meeting) and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then called for the vote.

The above noted motion then passed by a vote of 7 ayes to 0 nays. The ordinance (caption) was read into the record as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ANIMAL SHELTER ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

XI. ACTION ITEMS

1. **Z2018-05**2 - Discuss and consider a request by Russell Phillips on behalf of Rockwall Retail Investors, LLC for the approval of an **ordinance** for a Specific Use Permit (SUP) for a mini-warehouse facility on a 7.489-acre tract of land identified as Lot 23, Rainbow Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, generally situated

north of Horizon Road and east of Ranch Trail Road, and take any action necessary **(2nd Reading).**

Mayor Pro Tem Fowler recused himself from this agenda item. Following brief, introductory comments by Mr. Miller, Councilmember Hohenshelt moved to approve Z2018-052. Councilmember Trowbridge seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___
SPECIFIC USE PERMIT NO. S-____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW A MINI-WAREHOUSE FACILITY WITHIN A COMMERCIAL (C) DISTRICT, ON A 7.489-ACRE PARCEL OF LAND BEING IDENTIFIED AS LOT 23, RAINBO ACRES ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

The motion passed by a vote of 6 ayes with 1 abstention (Fowler).

2. **Z2018-048** - Discuss and consider a request by Amanda Henry for the approval of an **ordinance** for a Specific Use Permit (SUP) for an accessory building that does not meet the requirements stipulated by the Unified Development Code (UDC) on a 0.253-acre tract of land identified as part of Lot 47B of the B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 205 S. Clark Street, and take any action necessary **(2nd Reading)**.

Mr. Miller explained that Councilmen Hohenshelt and Daniels dissented on the vote to approve this item at the last city council meeting. Mayor Pro Tem Fowler then moved to approve Z2018-048. Councilmember Johannesen seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ACCESSORY BUILDING THAT DOES NOT MEET THE REQUIREMENTS OF THE UNIFIED DEVELOPMENT CODE (UDC) ON A 0.253-ACRE PARCEL OF LAND ZONED SINGLE-FAMILY 7 (SF-7) DISTRICT AND IDENTIFIED AS LOT 47B, B. F. BOYDSTUN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 ayes and 2 nays (Hohenshelt and Daniels).

3. **Z2018-054** - Discuss and consider a request by Andrew Bennett of BOKA Powell, LLC on behalf of the owner Vinod Miranda for the approval of an **ordinance** for a Specific Use Permit (SUP) for an office building that will exceed 36-feet in height within the Scenic Overlay (SOV) District on a 9.7-acre tract of land identified at Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary **(2nd Reading).**

Planning Director Ryan Miller and Councilman Trowbridge provided brief comments pertaining to this agenda item. Councilmember Trowbridge then moved to approve Z2018-054. Councilmember Hohenshelt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX
SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A STRUCTURE THAT EXCEEDS 36-FT IN HEIGHT WITHIN THE SCENIC OVERLAY (SOV) DISTRICT IN A COMMERCIAL (C) DISTRICT, ON A 9.70-ACRE TRACT OF LAND BEING IDENTIFIED AS TRACT 15 OF THE E.P.G. CHISUM SURVEY, ABSTRACT NO. 64, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor with 2 against (Macalik and Daniels).

4. **A2018-004** - Discuss and consider a request by Pat Atkins on behalf of the owner C.D.T. Rockwall/2017 LLC for the approval of an **ordinance** for the voluntary annexation of a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas, and take any action necessary **(1st reading).**

Planning Director Ryan Miller provided brief background information pertaining to this agenda item. The applicant, Mr. Atkins, came forth and explained that this annexation will bring additional land into the city that will be utilized for an extension of the Saddlestar subdivision (it will be "Saddlestar South"). He indicated that some builders have already been retained for the future building of homes in this neighborhood.
Councilmember Hohenshelt moved to approve A2018-004. Councilmember Macalik seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 14.995-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-03 OF THE P. B. HARRISON SURVEY, ABSTRACT NO. 97, ROCKWALL COUNTY, TEXAS,

WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

5. Discuss and consider approval of a concept plan for Harbor Urban Beach Park, and take any action necessary.

Director of Parks & Recreation, Andy Hesser, came forth and addressed the Council concerning this agenda item. He shared a visual concept plan that showed renderings of the proposed lakeside (Urban Beach) park area. Extensive discussion ensued regarding a proposed Phase I and Phase II of this park project, including whether or not a restroom facility should be included in Phase I and the options for where that facility might possibly be located. Discussion also took place pertaining to what funds have already been budgeted versus what funds would possibly need to be taken out of the General Fund to ensure adequate funding for a restroom facility. Mayor Pruitt indicated that he prefers to include a restroom facility as part of this plan because he anticipates that the city will receive complaints if it is not included. Regarding the topic of parking, Mr. Hesser explained that a the public parking garage on the nearest side of the Cinemark movie theater is slated to be constructed by Pegasus-Abalon prior to this park area being developed. So, that would be the nearest available parking area for those visiting this park. Mr. Hesser shared brief comments about some of the proposed amenities, including a sand beach area, volleyball amenities, vegetation separation between the park and the facilities up the hill from it, walking trail areas, etc.

Following extensive discussion, Mr. Crowley, City Manager, suggested that staff bring back a financing plan for Phase I (with a restroom facility included in the numbers). Further discussion then ensued pertaining to where the restroom facility might ultimately be located. Mr. Hesser showed the Council the two different options that have been identified for possible placement of the restroom facility. One option will include obtaining an easement from the City of Dallas, and it may not be ideally located for whatever ultimately gets constructed up the hill from the restroom facility. The other possible placement for the restroom facility may ultimately have fewer complications as far as easements are concerned, but it would be located on the far end, just around the corner. Concern was expressed by some Council members regarding possibly placing the restroom on the far end, around the corner, as it may be too far for visitors to walk. However, concern was also expressed by some members of Council who wonder if those who occupy the buildings up the hill from the park may not appreciate looking at the back of a restroom facility if one were placed at the other potential location that's been identified.

Following extensive discussion regarding the placement of the restroom facility, Council generally indicated agreement with it being placed over near IH-30 (around the corner on the far end of the park); however, staff will need to return to the Council with more specific details related to how much Phase I will cost if the restroom facility is added and if the trail that leads to the restrooms is constructed. No formal action was taken as a result of this discussion item at this time.

6. Discuss and consider a recommendation of the City Council Naming Subcommittee regarding approval of a resolution naming a parks and recreation venue in the City, and take any action necessary.

On behalf of the subcommittee, Councilmember Daniels shared that a recommendation is being put forth to name the amphitheater at The Harbor the "Brad Griggs Amphitheater Stage at The Harbor." He then moved to approve the resolution to do so. Mayor Pruitt seconded the motion, which passed unanimously (7 ayes to 0 nays).

7. Discuss and consider legislative topics for the 86th Session of the Texas Legislature, and take any action necessary.

Assistant City Manager Joey Boyd provided background information pertaining to this agenda item, generally indicating that staff has compiled and made available to Council in tonight's informational meeting packet a bullet pointed list of topics that may be of interest to the City during the upcoming state legislative session. Mayor Pruitt commented that the list looks like a pretty good list. Council took no formal action concerning this agenda item.

8. Discuss and consider (re)appointments to the city's Main Street Advisory Board, and take any action necessary.

Councilmember Trowbridge moved to reappoint Pricylla Bento and Jeremy Standifer to continue serving on the Main Street Advisory Board for an additional two-year term. Councilmember Macalik seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Councilman Trowbridge moved to appoint Eva Cannon to replace Sarah Freed on the Main Street Advisory Board (for a two-year term). Councilmember Macalik seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XII. City Manager's Report, Departmental Reports and related discussions pertaining to current city activities, upcoming meetings, future legislative activities, and other related matters.

1. **Departmental Reports**

   Building Inspections Monthly Report - November 2018
   Fire Department Monthly Report - November 2018
   GIS Division Monthly Report - November 2018
   Harbor PD Monthly Report - November 2018
   Internal Operations Monthly Report - November 2018
   Police Department Monthly Report - November 2018
   Recreation Monthly Report - November 2018
   Rockwall Animal Adoption Center Monthly Report - November 2018
   Rockwall Meals on Wheels Senior Services Quarterly Report
   STAR Transit Monthly Report - November 2018
   STAR Transit Quarterly Report

2. **City Manager's Report**

Mayor Pruitt informed the Council that he will be appointing Joe Lynch to serve on the Rockwall Housing Authority Board, explaining that board members are (solely) appointed to the board by the city's mayor. He explained that Joe is a war hero, and grew up in the south side of Boston in the housing projects. So, he will bring a unique perspective to this board. Following the mayor's comments, no discussion took place pertaining to departmental or "city manager's" reports.

XIII. Executive Session

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding "Petition for Consent to include Land in a Municipal Utility District (MUD)" within the city's northern extraterritorial jurisdiction (ETJ), pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 7:10 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 21st DAY OF JANUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-08

SPECIFIC USE PERMIT NO. S-204

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ANIMAL SHELTER ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Mike Peoples for the approval of a Specific Use Permit (SUP) for the purpose of allowing a previously constructed animal shelter, situated on a 42.66-acre tract of land, zoned Agricultural (AG) District, and being identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, addressed 1700 E. SH-66, and being more specifically depicted in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the construction of an animal shelter structure within an Agricultural (AG) District as stipulated by Article IV*, Permissible Uses,* and Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in Section *2.1, Agricultural (AG) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the following operational conditions and compliance standards:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an animal shelter, structure on the Subject Property and conformance to these requirements is necessary for continued operations:

1) The animal shelter structure shall generally conform to the elevations and site plan depicted in *Exhibits 'B'* & *'C'* of this ordinance;

2) The animal shelter structure shall not exceed its current size of approximately 2,720 SF or an approximate height of 15-feet;

3) The existing accessory building located within the flood plain of this property, as depicted as #4 in *Exhibit 'D'* of this ordinance, shall be removed/demolished within six (6) months of the date of passage of this ordinance;

4) The existing detached garage located on the subject property, as depicted as #1, 2, & 3 in *Exhibit 'D'* of this ordinance, shall be removed/demolished within six (6) months of the date of passage of this ordinance;

5) The animal shelter structure shall not be operated as a commercial land use;

6) A detention system is required for the addition of structures on the subject property per the Engineering Standards of Design; and,

7) The animal shelter structure is subject to administrative review in the event that the S*ubject Property* is sold, conveyed or altered in any manner.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] will require compliance to the following:

1) Upon obtaining a building permit, should the homeowner fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC) [*Ordinance No. 04-38*], the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*].

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged

invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 22ND DAY OF JANUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-07

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 14.995-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-03 OF THE P. B. HARRISON SURVEY, ABSTRACT NO. 97, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on December 3, 2018, at 6:00 p.m. and on December 3, 2018, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories;

BEING, a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line east of the intersection of Featherstone Drive and John King Boulevard, depicted and described in *Exhibit 'A'* of this ordinance:

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on November 16, 2018 and posted on the City of Rockwall's website on November 16, 2018 said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 14.995-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically described in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 14.995-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County, Texas and the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the *Public Hearings* referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 22ND DAY OF JANUARY, 2019.

Legal Description/Location Map

BEING 14.955 acres of land situated in the P.B. Harrison Survey, Abstract No. 97, Rockwall County, Texas, and all of a called 15.00 acre tract of land described in a Warranty Deed to Steve L. Branch and wife Judy C. Branch, recorded in Volume 234, Page 527 of the Deed Records of Rockwall County, Texas (DRRCT), and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the original Hays Road at the common west corner of said 15.00 acre tract and a tract of land described in a deed to Randy and Gwen Reed, recorded in Volume 260, Page 1 (DRRCT);

THENCE North 01°10'15" West, continuing along and within Hays Road and with the west line of said 15.00 acre Branch tract, a distance of 596.15 feet, to a 1/2" iron rod found for corner at the northwest corner thereof, common to the southwest corner of a called 15.00 acre tract of land described in a deed to Gerald Glen Cox and wife Rosalba Cox, recorded in Volume 3295 Page 9, (DRRCT);

THENCE North 89°26'26" East, along the common line of last mentioned tracts, a distance of 1,099.11 feet, to a point for corner at the common east corner thereof, and also being in the west line of Park Ridge Estates, an addition to the City of Rockwall, according to the Plat thereof recorded in Cabinet A, Page 390 of the Plat Records of Rockwall County, Texas (PRRCT), from which a 1/2" iron rod with a yellow cap stamped "5034" bears South 68°26'26" West, a distance of 0.18 feet;

THENCE South 00°32'13" East, along the common line of said Branch tract and said Park Ridge Estates, a distance of 596.04 feet, to a 1/2" iron rod found for corner at the southeast corner thereof, common to the northeast corner of said Reed tract;

THENCE South 89°26'12" West, along the common line of last mentioned tracts, a distance of 1,092.52 feet to *PLACE OF BEGINNING* and Containing 653,191 square feet, or 14.995 acres of land.

Exhibit 'A'
Legal Description/Location Map

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-004
City and County of Rockwall, Texas

Acreage Annexed: 14.995-acres

Survey Abstract and County: Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: January 21, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are

determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Chase Finch; *Corwin Engineering*

AGENDA ITEM: **P2018-047;** *Preliminary Plat for Breezy Hill, Phase XII*

SUMMARY:

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH West Pods, LTD for the approval of a preliminary plat for Breezy Hill, Phase XII containing 35 single-family residential lots on 44.525-acres of land identified as a portion of Tract 7-1 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, located west of the intersection of John King Boulevard and Cozy View Drive, and take any action necessary.

PLAT INFORMATION:

☑ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 750 single-family lots on 371.45-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows.

Lot Types	*A*	*B*	*C*	*D*	*E*	*F*	*G*
Minimum Lot Frontage (Feet)	*60'*	*70'*	*80'*	*100'*	*60'*	*100'*	*70'*
Minimum Lot Depth (Feet)	*120'*	*120'*	*125'*	*200'*	*110'*	*180'*	*120'*
Minimum Lot Size (SF)	*7,200 SF*	*8,400 SF*	*10,000 SF*	*20,000 SF*	*7,200 SF*	*18,000 SF*	*8,400 SF*
Number of Units	*164*	*131*	*137*	*140*	*40*	*44*	*94*
Dwelling Unit %	*21.86%*	*17.46%*	*18.27%*	*18.67%*	*5.34%*	*5.87%*	*12.53%*

☑ The applicant is requesting to *preliminary plat* Phase XII of the Breezy Hill Subdivision for the purpose of laying out 35 of the 750 lots on ~44.525-acres. The 35 proposed lots will be constructed to the *Type 'D'* standards (*all standards are displayed in the above table*). In addition to the preliminary plat, the applicant has also submitted a preliminary water and sanitary sewer plan and a drainage plans establishing that the developer can provide adequate utilities to service the proposed phase.

☑ On January 4, 2019 the Parks and Recreation Board reviewed the *preliminary plat* and made a recommendation to approve the plat with the following conditions:

- The developer is to pay the pro-rata equipment fees required in the amount of $8,925 [*i.e. 35 Lots @ $255.00 Per Lot*].

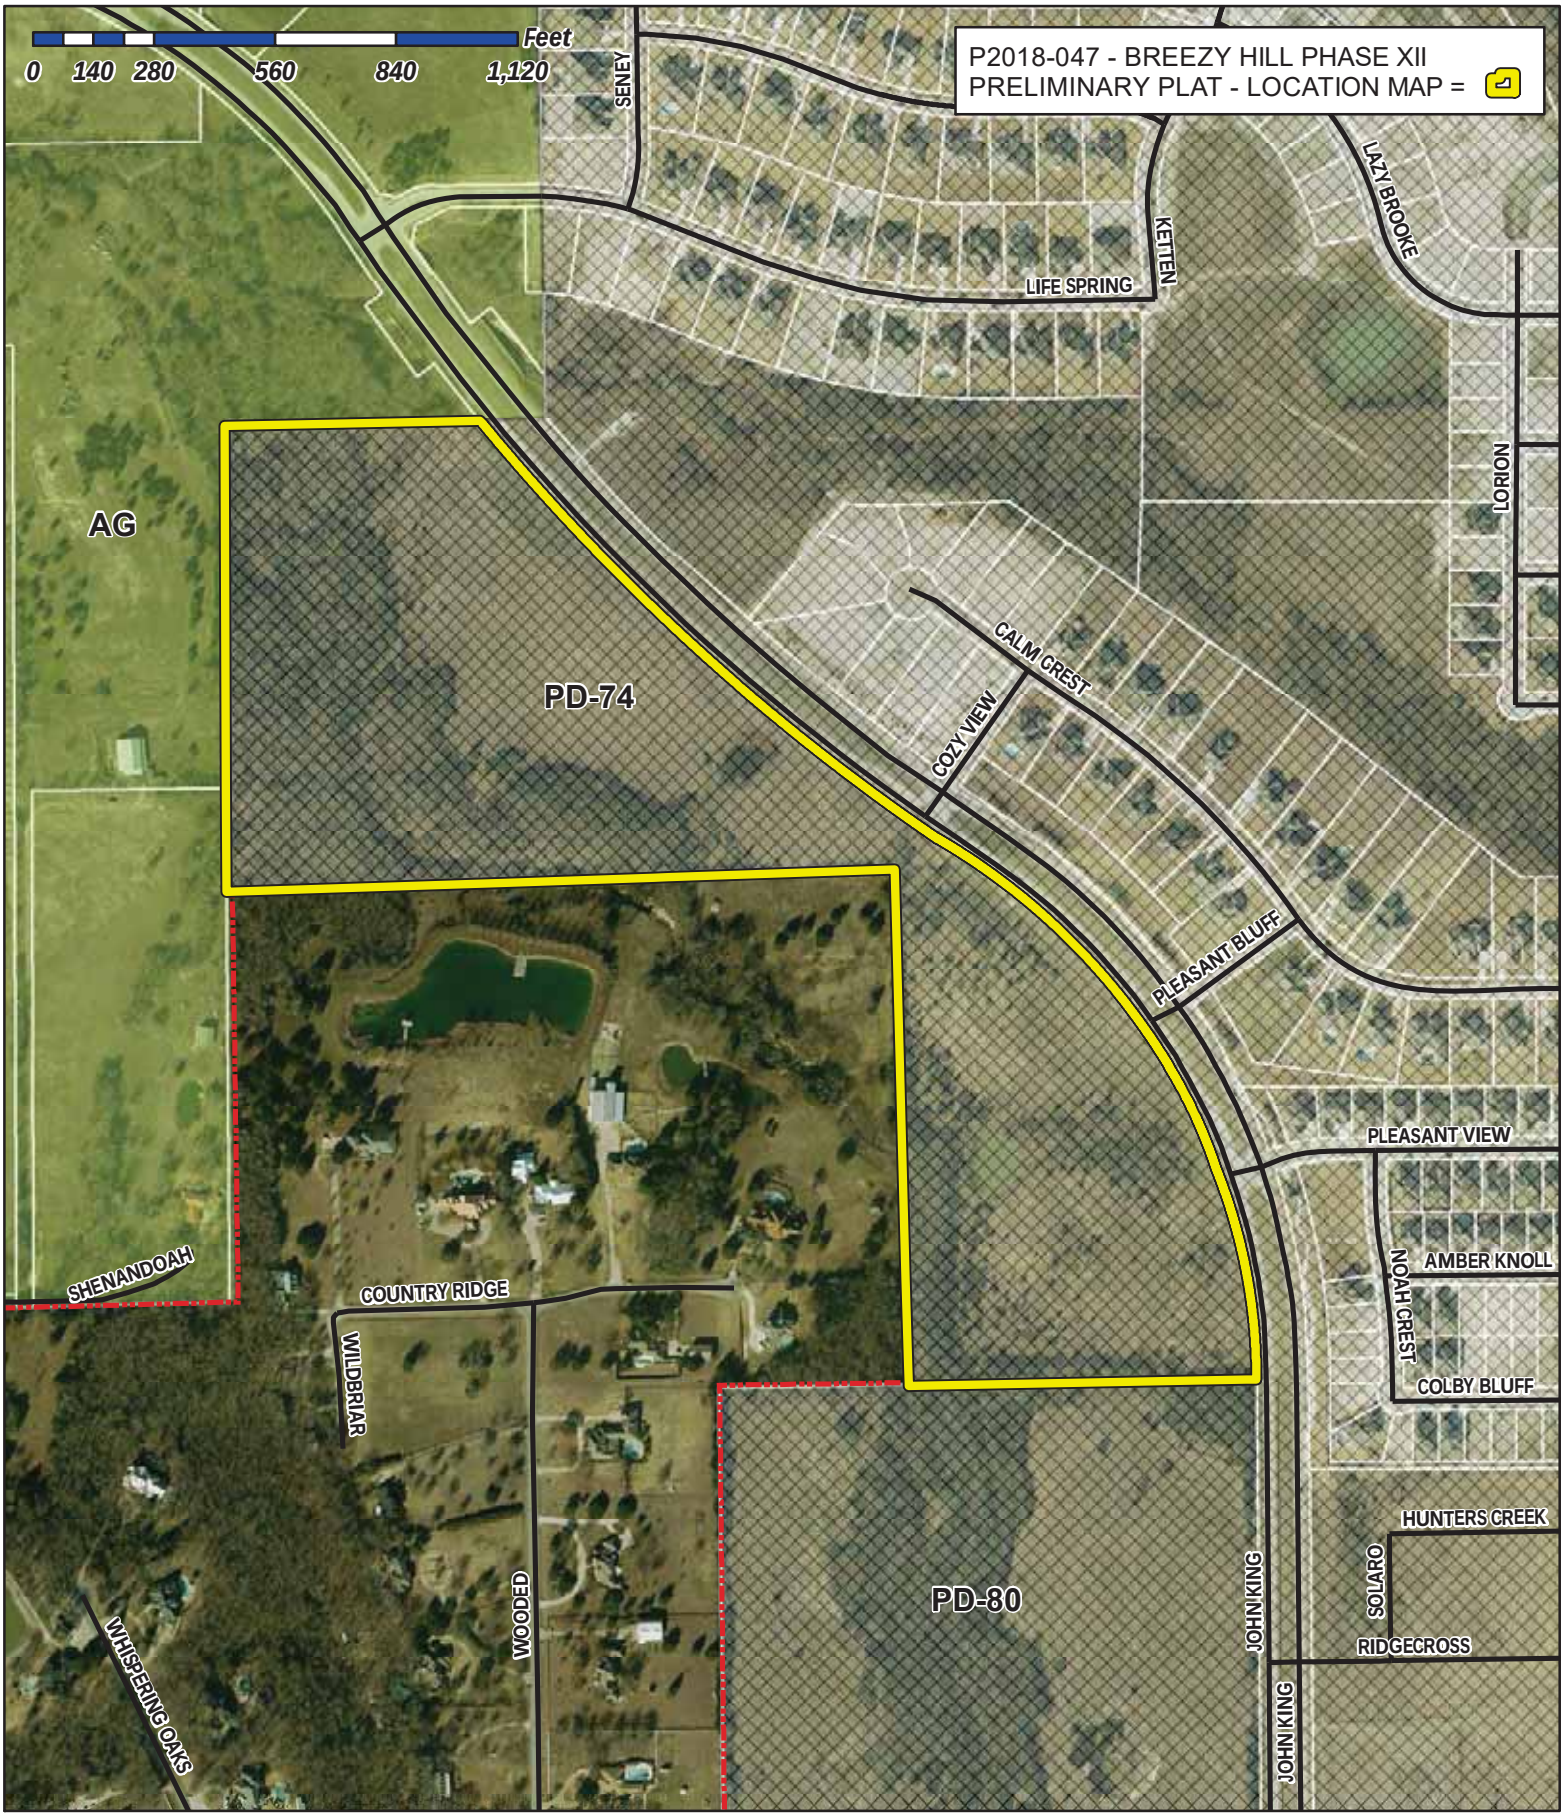
☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for preliminary plats as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

Should the City Council chose to approve the *preliminary plat* for *Breezy Hill, Phase XII,* staff would recommend the following conditions:

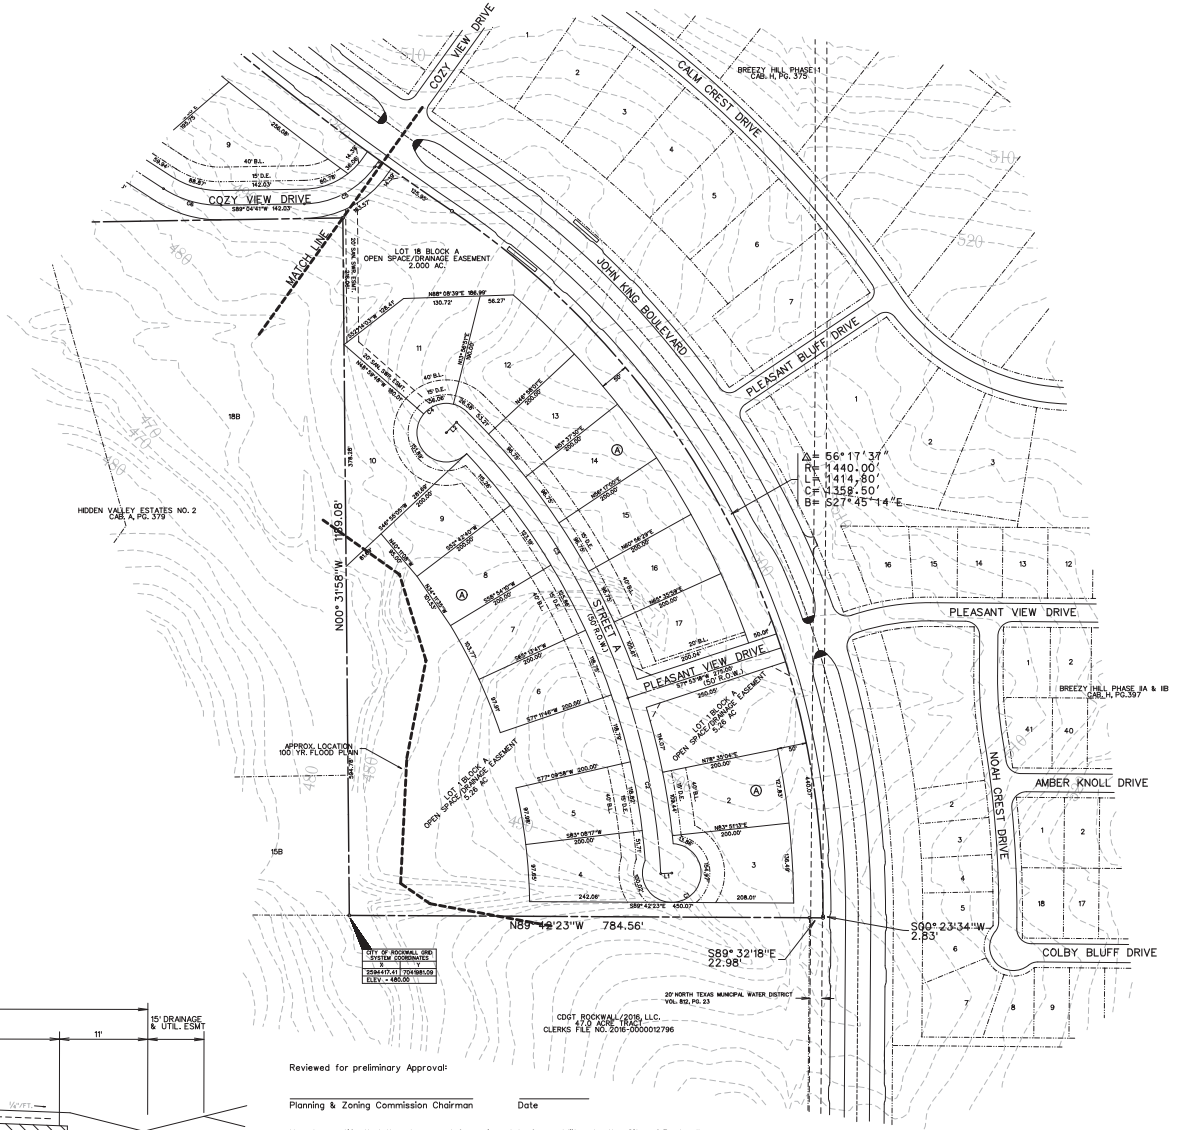


1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) The developer shall construct a ten (10) foot sidewalk along John King Blvd; and

3) Any construction resulting from the approval of this *preliminary plat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:



On January 15, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff recommendations passed by a vote of 6-0 with Commissioner Moeller absent.

Reviewed for preliminary Approval:

Planning & Zoning Commission Chairman — Date

I hereby certify that the above and foregoing plat of an addiiton to the City of Rockwall, Texas, was approved by the City Council of the City of Rockwall, on the _____ of _____, 2018.

This approval shall be invalid unless the approved plat for such addition is recorded in the office of the County Clerk of Rockwall, County, Texas, within one hundred eighty (180) days from said date of final approval.

Mayor, City of Rockwall — City Secretary — City Engineer

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Amy Williams, P.E., Public Work Director/City Engineer**

DATE: **January 17, 2019**

SUBJECT: **Professional Engineering Services Contract**
Russwood Drive (S. Lakeshore Drive to Spring Creek Drive)
Reconstruction Project

Funds for the first year of the 2018 Street Bond Program were planned to be allocated for the engineering design for the reconstruction of ten existing streets sections. Designing these projects in the first bond year will allow the City to have "construction ready projects" for the upcoming years of the 2018 Street Bond Program. The City Council, to date, has approved the engineering contracts for ten roadway sections to be designed. The total engineering design contract costs for these projects was below the estimated first year's budgeted amount, and the additional funds can be used to design additional streets.

Russwood Drive from South Lakeshore Drive to Spring Creek Drive (approximately 700 feet) is a street to be reconstructed in the 2018 Street Bond Program, but the design was not included in the first year's bond funds. Due to additional funds being available, Russwood can be considered for engineering design in the first year of the Street Bond Program.

On October 1, 2018, City Council awarded Binkley & Barfield, Inc. the engineering design contract for South Lakeshore in the amount of $508,770. Russwood Drive is adjacent to this section of South Lakeshore Drive which is currently being designed under the above mentioned contract. Since Russwood is adjacent to this design area, staff requested that the consultant provide an amendment to their engineering contract (Contract Amendment #1) to include the design and construction document preparation for Russwood Drive. The amendment is in the amount of $87,030 for the additional services, which would revise the total contract amount to be $595,800.

Staff is requesting City Council's consideration for approval of the Contract Amendment #1 in the amount of $87,030 to be paid out of the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

Rockwall, TX 75087

Date: January 14, 2019

Project Description: S. Lakeshore Drive Reconstruction Project (Summit Ridge Drive to Tanya Drive)

Description of Services Added/Deleted: The City of Rockwall wishes to reconstruct Russwood Street, an existing two (2) lane undivided concrete roadway, from S. Lakeshore Drive to Spring Creek Drive, approximately 750 feet in length. Additional design will include sanitary sewer and water improvements. This segment will be included in the submittal schedule for the S. Lakeshore Drive Reconstruction Project.

A detailed description of the Scope of Services is listed in Attachment "A".

Basic Services:
Schematic Conceptual Design (30%)
Construction Documents

- 60% Design
- 90% Design
- 100% Design

Special Services:
Data Collection & Property Research/Topographic and Design Survey
Right-of-Way/Easement Instruments of Conveyance

- (2 ROW documents are assumed @ $2,400/document)

Geotechnical

Deliverables:
Submitted in conjunction with deliverables for the S. Lakeshore Drive Reconstruction Project.

Project Schedule: The overall project schedule for S. Lakeshore Drive Reconstruction Project shall be adjusted as follows:

Task Name	Duration	Start	Finish
Notice to Proceed	1 day	Tue 1/22/19	Tue 1/22/19
Design Survey	2 weeks	Wed 1/23/19	Tue 2/5/19
Schematic Design 30%	4 weeks	Wed 2/6/19	Tue 3/5/19
City Review	4 weeks	Wed 3/6/19	Tue 4/2/19
Construction Documents 60%	4 months	Wed 4/3/19	Tue 7/23/19
City Review	4 weeks	Wed 7/24/19	Tue 8/20/19
Construction Documents 90%	3 months	Wed 8/21/19	Tue 11/12/19
City Review	1 month	Wed 11/13/19	Tue 12/10/19
Construction Documents 100%	2 weeks	Wed 12/11/19	Tue 12/24/19
City Review	2 weeks	Wed 12/25/19	Tue 1/7/20

Binkley & Barfield
consulting engineers

Compensation shall be as follows:

Attachment "A" – Scope of Services – Amendment #1
S. Lakeshore Drive Reconstruction Project (Summit Ridge Drive to Tanya Drive)
For
City of Rockwall

Project Understanding

The City of Rockwall (City) wishes to reconstruct Russwood Street, an existing two (2) lane undivided concrete roadway, from S. Lakeshore Drive to Spring Creek Drive, approximately 7,200 feet in length. The roadway lies within a residential area of the City of Rockwall. Reconstruction will be two lanes undivided: one vehicle lane (12.5') in each direction with concrete curb and gutter and 5 ft sidewalks on each side. (Final width to be confirmed in 30% Schematic Alignment). These improvements will be with the existing 50' Right of Way (ROW); however, the contract will include a provision for 2 parcel takes or easements in the event that they are required. No Traffic Signals modifications are necessary for the new roadway improvements.

Additional design will include storm sewer, sanitary sewer and water improvements. The existing storm sewer will be analyzed using current City drainage criteria and improvements will be designed where the existing system is inadequate. Sanitary sewer will be evaluated for capacity and for physical condition, and will be replaced or augmented based upon the capacity and condition analysis. Water lines will be evaluated to be place within the back of curb and the right-of-way line where possible.

Other design components include coordinating with ONCOR for street lighting, utility coordination, TDLR compliance with ADA and traffic control plans.

Binkley & Barfield, Inc. will provide plans, specifications, estimates, and permits for the project and will support the City of Rockwall's advertising/bidding and construction phase services.

This project will be included as part of the S. Lakeshore Drive Reconstruction Project from Summit Ridge Drive to Tanya Drive.

Scope of Services

Basic Services

1. Schematic Conceptual Design (30%)

1.1. Public Meetings and Public Input Surveys
1.1.1. Meetings
1.1.1.1. Attend two (2) public involvement meeting as directed by City staff. Provide exhibits suitable for public meeting use depicting street section, alignments etc. Support City staff during meetings by providing technical information, responding to citizen questions, and recording citizen input.
1.1.1.1.1. First Public Meeting will be with adjacent property owners and residents.
- Mail out all first public meeting notification for the City.
- Revise 30% Schematics Roll Plots based on public input from first public meeting and City direction to be used in second public meeting.

1.1.1.1.2. Second Public Meeting will be with adjacent property owners and residents as well as the neighborhood.

51

- Mail out all second meeting public meeting notification for the City (Neighborhood to be at a typical 500ft buffer off the street)
- Revise 30% Schematics Roll Plots based on public input from second public meeting and City direction to be used in City Council presentation for schematic and typical section approval.

1.1.2. Public Input Surveys

1.1.2.1 Work with City to develop Public Input Survey to be sent to adjacent property owners and residents.

1.1.2.2 Mail out surveys to adjacent property owner and residents.

1.1.2.3 Tally survey results and other received public input into presentable format to City Staff and City Council.

1.2. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.2.1 Review and research previously prepared construction plans record documents, and other pertinent information related to proposed project.

1.2.2 Review City master plans, design standards, specifications, construction details, and other pertinent information that may impact the design. Review of documents will include but not limited to:

- City of Rockwall Master Thoroughfare Plan
- City of Rockwall Water/Wastewater Master Plan
- City of Rockwall Standards of Design and Construction
- City of Rockwall Trail Master Plan

1.2.3 Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.

1.2.4 Develop and evaluate typical sections (up to two (2)) to use for Russwood Street and other intersecting streets with in the project limits.

1.2.5 Develop drainage area maps and analyze street and inlet capacities.

1.2.6 Develop horizontal alignments for roadway

1.2.7 Develop horizontal alignments for sidewalk & barrier free ramps

1.2.8 Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines.

1.2.9 Develop vertical alignment for roadway and cut cross sections at critical points, at center of driveways, alley approaches, cross streets, lead walks, at alignment geometric points and at 25’ intervals to evaluate the grading. Determine and show approximate location of sidewalk retaining walls.

1.2.10 Review City Master Trail Plan and incorporate hike and bike trails if necessary.

1.2.11 Prepare 30% schematic paving plan and profile roll plots, produced at 1” =40’ horizontal scale and 1” =5’ vertical scale. The horizontal alignment of proposed water lines and sewer lines will be included in the roll plots.

1.2.12 Prepare cross sections sheets.

1.2.13 Meet with City staff and present concept paving plan and profile roll plots.

1.2.14 Incorporate comments and feedback from City staff and other stakeholders prior to public meetings.

1.3. Existing Traffic Analysis and Recommendation (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.3.1 City will conduct Traffic Counts, Speed Studies, and Accident Reports from Police Department along Russwood Street.

1.3.2 Consultant shall take the data provide by the City and analysis in order to provide a recommendation in memo format signed and sealed of proposed improvements along the corridor.

2. Construction Documents

2.1. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.1.1. Submittals

Binkley & Barfield, Inc. will submit 60%, 90% and 100% submittals for the City for review and comment. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"
  - One (1) PDF copy
  - One (1) PDF copy– Scanned City comments previous submittal
- Engineers Opinion of Construction Cost
- Construction Contract Template/Specification Book

2.1.2. Construction Plans

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

This design will be submitted with the S. Lakeshore Drive Reconstruction Project. Below is a table of the additional construction plan sheets required and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Existing Condition Plan (1"=20' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Demolition/Removals Plan (1"=20' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Alley and Driveway Plan/Profile (1"=20'H, 1'=5'V scale)		X	X
Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X
Water Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Sanitary Sewer Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Lighting/Illumination Plan		X	X
Traffic Signal Plans (Existing and Proposed)		X	X
Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Structural Layout Sheets		X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be perform for each section of the construction plan set.

2.1.2.1. Roadway Design

- Incorporate the preliminary design submittal review comments
- Prepare plan / profile sheets (24"x36" plan sheets at a scale of 1"=20' horizontal, and 1"=5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically driveways will be defined vertically by profiles.
- Develop design cross-sections
    - Develop on 25' station intervals and other critical points.
    - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
    - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify standard details as needed and include

2.1.2.2. Utilities

2.1.2.2.1. Public (Water, Wastewater, Storm Drainage, etc.)

- Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information

2.1.2.2.2. Franchise Utility Coordination

- Identify franchise utility contacts
- Notify the City if any relocations are required
- Binkley & Barfield, Inc. shall perform the coordination with the franchise utilities if any relocations are required.

2.1.2.2.3. Water

- Prepare all water plan and profiles.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.1.2.2.4. Wastewater

- Prepare all wastewater plans and profiles.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.1.2.3. Lighting/Illumination

- Plans will include relocation of light fixtures, conduit locations, and design of electrical service.
- Engineer will design the street lighting based on the standard ONCOR foundation and lighting standards.
- Layout will be provided for ONCOR approval.
- ONCOR will be responsible for installation of standards and conductors.

2.1.2.4. Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing

- Develop construction sequence plan showing:
    - Construction area for each phase of construction and closure of existing travel lanes (if needed).

- Temporary signing and striping, barricades, and other channelization device
- Narrative of the sequence of work.
- Detour Plan for each construction phase
- Storm sewer construction phasing.
- Public utilities relocation phasing.
- Pedestrian routing during construction.

- Develop typical cross section showing lane widths, edge conditions, channelization and proposed construction area.
- Develop typical driveway staging plans for similar driveways. Develop custom driveway staging layouts for special conditions.
- Prepare traffic control details to clarify intent of design.

2.1.3. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms
  - Notice to bidders
  - Special instructions to bidders
  - Bid form (Bid-Tab) – Electronic for Bidding
  - Standard construction contract
  - Performance bond
  - Payment bond
  - Maintenance bond
  - Certificate of insurance
  - General conditions
  - Special conditions
  - Technical specifications
  - Permits (TXDOT, City of Dallas, etc.)
  - Geotechnical Report

2.1.4. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out in to separate schedules for each section of the job.

2.2. Agency Permitting/Coordination (City of Dallas, NTMWD, TDLR, etc.)

2.2.1. City of Dallas

- Binkley & Barfield, Inc. to coordinate with the City of Dallas on items related to the project for work within the Lake Ray Hubbard Takeline. This shall include all coordination meetings, plan submittals, permit submittals, etc. in order to achieve acceptance of proposed improvements.

2.2.2. NTMWD

- Binkley & Barfield, Inc. to coordinate with the NTMWD on items related to the project where any improvements cross any NTMWD line or facility. This shall include all coordination meetings, plan submittals, permit submittals, etc. in order to achieve acceptance of proposed improvements.

Special Services

3. Data Collection & Property Research / Topographic and Design Survey

3.1. Data Collection and Property Research

3.1.1. Gather existing plat information

3.1.2. Collect property owner and record information

3.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.).

3.1.4. Notify residents within survey limits by mail to inform them of pending field work.

3.2. Topographic and Design Survey

3.2.1. The limits of the survey shall be from the intersection of Russwood Street and S. Lakeshore Drive to the intersection of Russwood Street and Spring Creek Drive. The survey shall be from ROW line to ROW line (50-foot ROW) of Russwood Street. Survey will include intersecting roadways extending 200 feet along each leg of the minor intersections. (The intersection of Russwood Street and S. Lakeshore Drive plus the first 200 feet of Russwood Street have already been surveyed as part of the S. Lakeshore Drive Reconstruction Project.

3.2.2. Establish horizontal control points at 500' maximum spacing.

3.2.3. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

3.2.4. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

3.2.5. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.
- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Outfalls, bridges and erosion control
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

3.2.6. Perform cross-sections throughout project limits at 25-foot intervals and at grade breaks and prepare cross-section field notes.

3.2.7. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

3.2.8. Binkley & Barfield, Inc. will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

4. Right-of-Way / Easement Instruments of Conveyance

4.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field

4.1.1. Up to two (2) ROW parcels

4.2. Individual parcel exhibits shall be on 8"x11" paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:

4.2.1. Parcel number

4.2.2. Area required

4.2.3. Area remaining

4.2.4. Legal description

4.2.5. Current owner

4.2.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies

4.2.7. All physical features

4.2.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.

4.3. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference

4.4. Binkley & Barfield, Inc. will provide the information listed in Section 2 to the City and/or their selected ROW and easement acquisition agent. This task will include the following:

4.4.1. Transmittal of survey and existing property information.

5. Geotechnical

5.1. Subsurface Exploration

5.1.1. Two (5) borings are planned for this project. The borings and report will be thru a subconsultant.

The locations are as follows:

- One boring will be located east of the intersection of Russwood Street and S. Lakeshore Drive.
- One boring will be located west of the intersection of Russwood Street and Spring Creek Drive.

5.1.2. Boring Services – Pavement borings will be sampled to 15 feet. A total of 75 feet for drilling is planned.

- Check samples for consistency with a hand penetrometer
- Stake the boring locations using normal taping procedures
- Backfill bore holes and plug at the surface

5.2. Laboratory Services

5.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:

- Visual Classification

57

- Moisture content and soil identification
- Liquid and plastic limit determinations
- Unconfined compression
- Calibrated hand penetrometer tests
- Lime/ph series tests
- Soluble sulfate tests (to determine lime-induced heaving potential)

5.3. Engineering Services

5.3.1. Prepare an engineering report presenting the following:

- Sample boring location map
- Boring logs and laboratory results
- General soil and ground-water conditions
- Recommendations will be based on a 30 year design life.
- Subgrade design recommendations for lime treated and cement treated
- Pavement design recommendation for reinforced concrete, asphalt or combination of concrete and asphalt system (including pavement thickness, strength, reinforcement size and spacing, and joint spacing)
- Recommendations for retaining walls
- Earthwork recommendations

5.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

5.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

End of Amendment #1 Scope of Services

STATE OF TEXAS ♦
♦
COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and **Binkley & Barfield, Inc.**, ("ENGINEER"), located at 1801 Gateway Boulevard, Suite 101, Richardson, Texas, 75080, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for **S. Lakeshore Drive Reconstruction from Summit Ridge Drive to Tanya Drive**.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Attachment "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed five hundred eight thousand, seven hundred seventy dollars and no cents ($508,770.00) and billed as a **lump sum** basis per rates provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Attachment "B". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the

CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the

Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000 General aggregate limit

$1,000,000 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insured on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES,

DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Amy Williams, P.E.
Director of Public Works/City Engineer
City of Rockwall
385 S. Goliad Street
Rockwall, Texas 75087

ENGINEER
Antonio "Tony" S. Romo II, P.E.
Binkley & Barfield, Inc.
1801 Gateway Boulevard, Suite 101
Richardson, Texas 75080

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract

without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Engineer.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Attachments and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of

any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

City Manager

Attachment "A"
S. Lakeshore Drive Reconstruction Project (Summit Ridge Drive to Tanya Drive)
For
City of Rockwall

Scope of Services

Project Understanding

The City of Rockwall (City) wishes to reconstruct S. Lakeshore Drive, an existing two (2) lane undivided concrete roadway, from Summit Ridge Drive to Tanya Drive, approximately 2,500 feet in length. The roadway lies within a residential area of the City of Rockwall. Reconstruction will be two lanes undivided: one vehicle lane (12.5') in each direction with concrete curb and gutter and 5 ft sidewalks on each side. (Final width to be confirmed in 30% Schematic Alignment). These improvements will be with the existing 50' Right of Way (ROW); however, the contract will include a provision for 4 parcel takes or easements in the event that they are required. No Traffic Signals modifications are necessary for the new roadway improvements.

Additional design will include storm sewer, sanitary sewer and water improvements. The existing storm sewer will be analyzed using current City drainage criteria and improvements will be designed where the existing system is inadequate. Sanitary sewer will be evaluated for capacity and for physical condition, and will be replaced or augmented based upon the capacity and condition analysis. Water lines will be evaluated to be place within the back of curb and the right-of-way line where possible.

Other design components include coordinating with ONCOR for street lighting, utility coordination, TDLR compliance with ADA and traffic control plans.

Binkley & Barfield, Inc. will provide plans, specifications, estimates, and permits for the project and will support the City of Rockwall's advertising/bidding and construction phase services.

BASIC SERVICES

1. Schematic Conceptual Design (30%)

1.1. Project Management

1.1.1. Conduct internal project kickoff meeting with entire project team and City Staff.

1.1.2. Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.

1.1.3. Develop design criteria and design decisions tables.

1.1.4. Prepare and submit project schedule to City staff and provide general project management activities.

1.1.5. Project Administration

- Prepare project correspondence and invoicing documents

1.2. Project stakeholder coordination

- Develop project stakeholder contact list including but not limited to franchise utilities, City's water and sewer department, traffic department, and other governmental entity stakeholders City of Dallas and the North Texas Municipal Water District, etc.

- Conduct progress meetings to monitor the development of the project. During this phase of the project, conduct up to two (2) meetings with the City staff regarding project status and coordination issues. The first meeting will be the project kick-off meeting, and the second meeting will be the conceptual design presentation and review.

1.3. Public Meetings and Public Input Surveys

1.3.1. Meetings

1.3.1.1. Attend two (2) public involvement meeting as directed by City staff. Provide exhibits suitable for public meeting use depicting street section, alignments etc. Support City staff during meetings by providing technical information, responding to citizen questions, and recording citizen input.

1.3.1.1.1. First Public Meeting will be with adjacent property owners and residents.

- Mail out all first public meeting notification for the City.
- Revise 30% Schematics Roll Plots based on public input from first public meeting and City direction to be used in second public meeting.

1.3.1.1.2. Second Public Meeting will be with adjacent property owners and residents as well as the neighborhood.

- Mail out all second meeting public meeting notification for the City (Neighborhood to be at a typical 500ft buffer off the street)
- Revise 30% Schematics Roll Plots based on public input from second public meeting and City direction to be used in City Council presentation for schematic and typical section approval.

1.3.2. Public Input Surveys

1.3.2.1 Work with City to develop Public Input Survey to be sent to adjacent property owners and residents.

1.3.2.2 Mail out surveys to adjacent property owner and residents.

1.3.2.3 Tally survey results and other received public input into presentable format to City Staff and City Council.

1.4. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.4.1 Review and research previously prepared construction plans record documents, and other pertinent information related to proposed project.

1.4.2 Review City master plans, design standards, specifications, construction details, and other pertinent information that may impact the design. Review of documents will include but not limited to:

- City of Rockwall Master Thoroughfare Plan
- City of Rockwall Water/Wastewater Master Plan
- City of Rockwall Standards of Design and Construction
- City of Rockwall Trail Master Plan

1.4.3 Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.

1.4.4 Develop and evaluate typical sections (up to two (2)) to use for S. Lakeshore Drive and other intersecting streets with in the project limits.

1.4.5 Develop drainage area maps and analyze street and inlet capacities.

1.4.6 Develop horizontal alignments for roadway

1.4.7 Develop horizontal alignments for sidewalk & barrier free ramps

1.4.8 Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines.

1.4.9 Develop vertical alignment for roadway and cut cross sections at critical points, at center of driveways, alley approaches, cross streets, lead walks, at alignment geometric points and at 25' intervals to evaluate the grading. Determine and show approximate location of sidewalk retaining walls.

1.4.10 Review City Master Trail Plan and incorporate hike and bike trails if necessary.

1.4.11 Prepare 30% schematic paving plan and profile roll plots, produced at 1" =40' horizontal scale and 1" =5' vertical scale. The horizontal alignment of proposed water lines and sewer lines will be included in the roll plots.

1.4.12 Prepare cross sections sheets.

1.4.13 Meet with City staff and present concept paving plan and profile roll plots.

1.4.14 Incorporate comments and feedback from City staff and other stakeholders prior to public meetings.

1.5. Drainage Analysis (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.5.1 Review and research existing construction plans and record documents, historical flooding events and other pertinent information related to the existing drainage infrastructure along, upstream and downstream of the proposed project.

1.5.2 Prepare a hydrologic and hydraulic analysis of the existing drainage infrastructure and prepare a report in memo format signed and sealed. Analysis/report shall include the following.

1.5.2.1 Existing drainage infrastructure analysis

- Drainage Area Map of existing conditions/infrastructure.
- Analysis effect on existing system of proposed off-site development or infrastructure improvements currently being planned.
- Drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard's tabular format)
- Synopsis of hydraulic deficiencies in written and plan format, includes downstream off-site drainage infrastructure.
- Synopsis of structural deficiencies of drainage system as a result of TV inspection in written and plan format.

1.5.2.2 Recommendation of improvements to existing drainage system to meet the City's current 100-year design storm criteria.

- Drainage Area Map of proposed improvements
- Proposed drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard's tabular format)
- Summary of proposed improvement of drainage infrastructure in written and plan format to fix hydraulic and structural deficiencies in order to meet current City drainage criteria standards.

1.6. Existing Traffic Analysis and Recommendation (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.6.1 City will conduct Traffic Counts, Speed Studies, and Accident Reports from Police Department along S. Lakeshore Drive.

1.6.2 Consultant shall take the data provide by the City and analysis in order to provide a recommendation in memo format signed and sealed of proposed improvements along the corridor.

2. Construction Documents

2.1. Project Management

- Conduct progress meetings at each stage of the construction documents phase to monitor the development of the project regarding project status, coordination issues and go over City review comments of the plans.
- Coordinate with other utilities, (electric power, cable TV, phone, gas, optic fiber, etc.)
- Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.
- Update project schedule and interim milestones (coordinate with City staff as necessary)
- Project site visits (up to three (3) trips)

2.2. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.2.1. Submittals

Binkley & Barfield, Inc. will submit 60%, 90% and 100% submittals for the City for review and comment. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"
  - One (1) PDF copy
  - One (1) PDF copy– Scanned City comments previous submittal
- Engineers Opinion of Construction Cost
- Construction Contract Template/Specification Book

2.2.2. Construction Plans

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

Below is a table of the required construction plan sheets and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Cover Sheet	X	X	X
Legend Sheet	X	X	X
General Notes Sheet	X	X	X
Existing Condition Plan (1"=20' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Erosion Control Plan (1"=40' scale)		X	X
Demolition/Removals Plan (1"=20' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Alley and Driveway Plan/Profile (1"=20'H, 1'=5'V scale)		X	X
Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X

Drainage Area Map (Existing and Proposed)	X	X	X
Drainage Calculations (Area, Inlet, Storm, Culvert)		X	X
Drainage Plan/Profile (Trunks and Laterals) (1"=20'H, 1'=5'V scale)	X	X	X
Water Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Sanitary Sewer Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Lighting/Illumination Plan		X	X
Traffic Signal Plans (Existing and Proposed)		X	X
Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Structural Layout Sheets		X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be perform for each section of the construction plan set.

2.2.2.1. Roadway Design

- Incorporate the preliminary design submittal review comments
- Prepare plan / profile sheets (24"x36" plan sheets at a scale of 1"=20' horizontal, and 1"=5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically driveways will be defined vertically by profiles.
- Develop design cross-sections
    - Develop on 25' station intervals and other critical points.
    - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
    - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify standard details as needed and include

2.2.2.2. Drainage

- Create Drainage Area Maps (existing and proposed)
- Create Drainage Calculation Sheets (Tables to be formatted to match City Standard's tabular format)
- Identify the need for additional drainage easements to accommodate the proposed offsite drainage improvements (if required)
- Perform final storm sewer sizing and alignment design. Prepare final inlet design sheets and hydraulic design sheets for inclusion in the plans.
- Prepare storm sewer plan/profile sheets depicting storm sewer lines, inlets, junction boxes, connections, manholes, utility crossings and the hydraulic grade lines.
- Prepare profiles for all trunks and laterals (to be profiled along centerline of pipe)
- If drainage flow patterns/areas are changing due to proposed improvements then existing downstream and upstream systems will be analyses and included in plan set to prove that there are no adverse impacts as a result. Full Hydrologic and Hydraulic Calcs Sheets and storm sewer plan and profiles sheets for these existing upstream and downstream systems are to be included in the plan set.

- Prepare drainage details to clarify intent of design.
- Compile applicable City standard details. Modify standard details as needed.
- Prepare erosion control plan.

2.2.2.3. Utilities

2.2.2.3.1. Public (Water, Wastewater, Storm Drainage, etc.)

- Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information

2.2.2.3.2. Franchise Utility Coordination

- Identify franchise utility contacts
- Send one set of plans to each franchise utility for their review will be submitted at each phase. Request each franchise utility to mark up the plans to show the size, type and location of their utilities.
- Notify the City if any relocations are required
- Binkley & Barfield, Inc. shall perform the coordination with the franchise utilities if any relocations are required.
- Attend City ran Franchise Utility Coordination Meetings (typically 2-4 meetings per year are held). Binkley & Barfield, Inc. will give back ground on particular project and coordinate with franchise utility companies on foreseen conflicts and pass out current plan set.

2.2.2.3.3. Water

- Prepare all water plan and profiles.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.3.4. Wastewater

- Prepare all wastewater plans and profiles.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.4. Lighting/Illumination

- Plans will include relocation of light fixtures, conduit locations, and design of electrical service.
- Engineer will design the street lighting based on the standard ONCOR foundation and lighting standards.
- Layout will be provided for ONCOR approval.
- ONCOR will be responsible for installation of standards and conductors.

2.2.2.5. Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing

- Develop construction sequence plan showing:
    - Construction area for each phase of construction and closure of existing travel lanes (if needed).
    - Temporary signing and striping, barricades, and other channelization device
    - Narrative of the sequence of work.
    - Detour Plan for each construction phase
    - Storm sewer construction phasing.
    - Public utilities relocation phasing.
    - Pedestrian routing during construction.

- Develop typical cross section showing lane widths, edge conditions, channelization and proposed construction area.
- Develop typical driveway staging plans for similar driveways. Develop custom driveway staging layouts for special conditions.
- Prepare traffic control details to clarify intent of design.

2.2.3. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms
  - Notice to bidders
  - Special instructions to bidders
  - Bid form (Bid-Tab) – Electronic for Bidding
  - Standard construction contract
  - Performance bond
  - Payment bond
  - Maintenance bond
  - Certificate of insurance
  - General conditions
  - Special conditions
  - Technical specifications
  - Permits (TXDOT, City of Dallas, etc.)
  - Geotechnical Report

2.2.4. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out in to separate schedules for each section of the job.

2.3. Agency Permitting/Coordination (City of Dallas, NTMWD, TDLR, etc.)

2.3.1. City of Dallas

- Binkley & Barfield, Inc. to coordinate with the City of Dallas on items related to the project for work within the Lake Ray Hubbard Takeline. This shall include all coordination meetings, plan submittals, permit submittals, etc. in order to achieve acceptance of proposed improvements.

2.3.2. NTMWD

- Binkley & Barfield, Inc. to coordinate with the NTMWD on items related to the project where any improvements cross any NTMWD line or facility. This shall include all coordination meetings, plan submittals, permit submittals, etc. in order to achieve acceptance of proposed improvements.

SPECIAL SERVICES

3. Data Collection & Property Research / Topographic and Design Survey

3.1. Data Collection and Property Research

3.1.1. Gather existing plat information

3.1.2. Collect property owner and record information

3.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.).

3.1.4. Notify residents within survey limits by mail to inform them of pending field work.

3.2. Topographic and Design Survey

3.2.1. The limits of the survey shall be from the intersection of S. Lakeshore Drive and Summit Ridge Drive to the intersection of S. Lakeshore Drive and Tanya Drive. The survey shall be from ROW line to ROW line (50-foot ROW) of S. Lakeshore Drive. Survey will include intersecting roadways extending 400 feet along each leg of the major intersections and 200 feet along each leg of the minor intersections.

3.2.2. Establish horizontal control points at 500' maximum spacing.

3.2.3. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

3.2.4. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

3.2.5. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.
- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Outfalls, bridges and erosion control
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

3.2.6. Perform cross-sections throughout project limits at 25-foot intervals and at grade breaks and prepare cross-section field notes.

3.2.7. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

3.2.8. Binkley & Barfield, Inc. will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

4. Right-of-Way / Easement Instruments of Conveyance

4.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field

4.1.1. Up to two (2) ROW parcels

4.2. Prepare easement instruments (narrative and graphic exhibits of easements required for drainage, City utilities, temporary construction, etc.)

4.2.1. Up to two (2) easement parcels

4.3. Individual parcel exhibits shall be on 8"x11" paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:

4.3.1. Parcel number

4.3.2. Area required

4.3.3. Area remaining

4.3.4. Legal description

4.3.5. Current owner

4.3.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies

4.3.7. All physical features

4.3.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.

4.4. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference

4.5. Binkley & Barfield, Inc. will provide the information listed in Section 2 to the City and/or their selected ROW and easement acquisition agent. This task will include the following:

4.5.1. Transmittal of survey and existing property information.

5. Subsurface Utility Engineering (S.U.E.) Services

5.1. Provide S.U.E. Services for the purpose of locating horizontal and vertical locations of underground city and franchise utilities, in conjunction with and /or prior to the field survey.

5.1.1 S.U.E. Level 'C' & 'D' will be provided for the entire project limits.

5.1.2 S.U.E. Level 'B' Services will be provided to determine horizontal location of utilities up to 11,800 linear feet.

5.1.3 S.U.E. Level 'A' Services will be provided as follows:

- Up to ten (10) test holes of 0-5 ft depth will be provided
- Up to two (2) test holes of 5-10 ft depth will be provided
- Test holes in addition to those listed above will be provided at the rate per test hole agreed to by the City of Rockwall.

5.2. The Binkley & Barfield, Inc. shall arrange and make provisions for access to perform the services specified within this scope. The surveyor shall provide the City with the name and address of the property owners.

5.3. The City shall be responsible for the coordination of all ROW and easement acquisitions. Binkley & Barfield, Inc. will provide survey information and easement/ROW documents (sketch and legal description) to the City. Additional ROW and easement documentation services are detailed below in Section 2.

6. Geotechnical

6.1. Subsurface Exploration

6.1.1. Five (5) borings are planned for this project. The borings and report will be thru a subconsultant.

The locations are as follows:

- One boring will be located near S. Lakeshore Drive and Summit Ridge Drive.
- One boring will be located near S. Lakeshore Drive and Rockbrook Drive.
- One borings will be located between the S. Lakeshore Drive and Stonecrest Drive.
- One borings will be located between the S. Lakeshore Drive and Meadowdale Drive.
- One boring will be located near S. Lakeshore Drive and Tanya Drive.

6.1.2. Boring Services – Pavement borings will be sampled to 15 feet. A total of 75 feet for drilling is planned.

- Check samples for consistency with a hand penetrometer
- Stake the boring locations using normal taping procedures
- Backfill bore holes and plug at the surface

6.2. Laboratory Services

6.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:

- Visual Classification
- Moisture content and soil identification
- Liquid and plastic limit determinations
- Unconfined compression
- Calibrated hand penetrometer tests
- Lime/ph series tests
- Soluble sulfate tests (to determine lime-induced heaving potential)

6.3. Engineering Services

6.3.1. Prepare an engineering report presenting the following:

- Sample boring location map
- Boring logs and laboratory results
- General soil and ground-water conditions
- Recommendations will be based on a 30 year design life.
- Subgrade design recommendations for lime treated and cement treated
- Pavement design recommendation for reinforced concrete, asphalt or combination of concrete and asphalt system (including pavement thickness, strength, reinforcement size and spacing, and joint spacing)
- Recommendations for retaining walls
- Earthwork recommendations

6.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

6.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

7. Video Inspection (Storm Sewer)

7.1. Video inspection of existing storm sewer pipe as required to determine structural integrity of existing storm sewer.

7.2. Video inspection of existing sanitary sewer pipe to be inspected by City. Inspection reports, video and analysis of existing line to be submitted to Binkley & Barfield, Inc. for review.

8. Accessibility Review (TDLR)

- Prepare a completed application for submittal to the Texas Department of Licensing and Regulation for review in accordance with the Elimination of Architectural Barriers Act.
- Binkley & Barfield, Inc. to complete application and submit with set of plans to a Registered Accessibility Specialist (RAS) from review and TDLR project registration. All coordination and fees with TDLR compliance will be done by the Consultant.
- While we do not anticipate accessibility revisions to be required, we will address minor revisions to the plans based on review comments from the RAS.

9. Additional Services

Services not specifically identified in the Scope of Services above shall be considered additional and shall be performed on an individual basis upon authorization by the City of Rockwall. Fee for services shall be negotiated at the time of need. Such services shall include, but are not limited to the following:

9.1. Construction staking

9.2. Bid Phase Services

9.2.1. Furnishing the City a construction bid set one (1) 11"x17" hard copy and Bid Spec Book.

9.2.2. City will be responsible for advertisement of the project in the Local Paper

9.2.3. Binkley & Barfield, Inc. will make the plans and specifications will be made available from the Bid document distribution site CityCast.

9.2.4. During this phase service to be provided are:

9.2.5. Respond to contractor questions and provide design clarifications.

9.2.6. Attendance at the pre-bid meeting.

9.2.7. Production of all Addenda items and designs changes, submittal to City for review and correction before issuance.

9.2.8. Attendance of Bid Opening

9.2.9. Tabulating Bids and checking for errors.

9.2.10. Checking references and other qualification information for the low bidder and writing a letter of recommendation concerning award of the contract.

9.2.11. Returning Bid Bonds to all non-low bidders.

9.3. Construction Phase Services

9.3.1. Coordinate with City on needs during the construction phase. The services available are listed below, and may be provided upon the request of the City of Rockwall.

9.3.2. Binkley & Barfield, Inc. to provide five (5) full size set of construction plans and contract documents.

9.3.3. Consultant to provide survey control staking of baselines for construction of the project.

9.3.4. *Pre-Construction Meeting*, Prepare for and attend the Pre-Construction Meeting prior to commencement of Work at the Site.

9.3.5. *Visits to Site and Observation of Construction.* If required by City, provide on-site construction observation services to clarify design concepts or assist with solutions needed to overcome obstacles in construction or to study and evaluate possible practical alternative solutions. Makes visits to the Site at intervals as directed by City in order to observe the progress of the Work. Such visits and observations by Binkley & Barfield, Inc. are not intended to be exhaustive or to extend to every aspect of Contractor's work in progress. Observations are to be limited to spot checking, selective measurement, and similar methods of general observation of the Work based on Binkley & Barfield, Inc. 's exercise of professional judgment. Based on information obtained during such visits and such observations, Binkley & Barfield, Inc. will determine if Contractor's work is

generally proceeding in accordance with the Contract Documents, and Binkley & Barfield, Inc. shall keep City informed of the general progress of the Work.

9.3.6. The purpose of Binkley & Barfield, Inc. 's visit to the site will be to enable Binkley & Barfield, Inc. to better carry out the duties and responsibilities assigned in this Agreement to Binkley & Barfield, Inc. during the construction phase by City, and, in addition, by the exercise of Binkley & Barfield, Inc. efforts, to provide City a greater degree of confidence that the completed Work will conform in general to the Contract Documents and that the integrity of the design concept of the completed Project as a functioning whole as in Binkley & Barfield, Inc. indicated in the Contract documents has been implemented and preserved by Contractor. Binkley & Barfield, Inc. shall not, during such visits or as a result of such observation of Contractor's work in progress, supervise, direct, or have control over Contractor's work, nor shall Binkley & Barfield, Inc. have authority over or responsibility for the means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction selected by Contractor, for safety precautions and programs incident to Contractor's work, nor for any failure of Contractor to comply with laws and regulations applicable to Contractor's furnishing and performing the Work. Accordingly, Binkley & Barfield, Inc. _neither guaranties the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.

9.3.7. Clarifications and Interpretations. Issue clarifications and interpretations of the Contract documents to City as appropriate to the orderly completion of contractor's work. Such clarifications and interpretations will be consistent with the intent of the Contract Documents. Field Orders authorizing variations from the requirements of the Contract Documents will be made by City.

9.3.8. Shop Drawings and Samples. Review and approve or take other appropriate action in respect to Shop Drawings and Samples and other data which Contract is required to Submit, but only for conformance with the information given in the Contract Document and compatibility with the design concept of the completed Project as a functioning whole as indicated in the Contract Documents. Such review and approvals or other action will not extend to means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction or to related safety precautions and programs.

9.3.9. Substitutes and "or-equal". Evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by Contractor in accordance with the Contract documents, but subject to the provisions of applicable standards of state or local government entities.

9.3.10. Limitation of Responsibilities. Binkley & Barfield, Inc. shall not be responsible for the acts or omissions of any Contractor, or of any of their subcontractors, suppliers, or of any other individual or entity performing or furnishing the Work, Binkley & Barfield, Inc. shall not have the authority or responsibility to stop the work of any Contractor.

9.3.11. *Final Construction Walk Through.* Binkley & Barfield, Inc. shall be present at the final construction walk through and develop a final "punch/checklist" for the contractor to use to achieve final project acceptance.

9.3.12. Record Drawings, Prepare project "Record Drawing" based on information provided by the Contractor, and/or City as to the actual field placement of the work including any changes or deletions. Binkley & Barfield, Inc. will provide the following deliverables:

9.3.13. Electronic copy of the record drawings shall be submitted on CD/DVD or flash drive in all of the following formats.

- AutoCAD (.dwg) format
- Adobe Portable Document (.pdf) 400 dpi (min) (24"x36")

9.3.14. Electronic copy of geotechnical reports, survey data, photographs, and exhibits used for the project, in .pdf or jpg format.
9.3.15. Electronic copy of project specifications in Microsoft Word (.doc) and PDF format.
9.3.16. Record drawings shall be sealed by the engineer of record in accordance with the Texas Board of Professional Engineers Policy Advisory Opinion Regarding Record Drawings.
9.3.17. All field changes and revisions shall be shown and noted in the revision block.
9.3.18. Revisions shall be drawn using accepted drafting standards and shall be clear and legible.
9.3.19. Line work and notes related to work deleted or changed shall be omitted from the Record Drawing.

9.4. Structural Design

9.4.1.1. Structural

- Structural design and layout of retaining wall (plan and profile)
- Structural design and layout for other elements of the project not covered in the standard details (Junction boxes, stairs, etc.)

9.5. Traffic Signal Design

9.5.1.1. Traffic

9.5.1.1.1. Traffic Signals

- Adjustments to the existing traffic signals
  - Propose adjustments of ground boxes to meet proposed grade.
  - Identify pedestrian accommodations and make adjustments (crosswalks, ADA barrier free ramps, pedestrian signals and push-buttons)
  - Finalize adjustments of ground boxes to meet proposed grade.

-End of Scope of Service-

ATTACHMENT "B"

Payment Schedule

Compensation for Basic Services in Tasks 1-2 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Task	Fee
	BASIC SERVICES	
1.	Schematic Conceptual Design (30%)	$109,497.00
2.	Construction Documents	
2.1	60% Design	$130,589.00
2.2	90% Design	$85,834.00
2.3	100% Design	$27,160.00
	Basic Services Subtotal:	**$353,080.00**
Compensation for special services under Tasks 5-8 shall be a labor fee plus expense (reimbursable) basis with the max fee shown below.		
	SPECIAL SERVICES	
3.	Data Collection & Property Research / Topographic and Design Survey	$46,000.00
4.	Right-of-Way/Easement Instruments of Conveyance	
	(2 ROW documents are assumed @ $2,400/document)	$4,800.00
	(2 Easement documents are assumed @ $2,400/document)	$4,800.00
5.	Subsurface Utility Engineering (S.U.E.) Services	
5.1	Quality Level 'C/D' S.U.E. Services	$4,250.00
5.2	Quality Level 'B' S.U.E. Services (assumes 11,800 LF @ $1.10/LF)	$12,980.00
5.3	Quality Level 'A' S.U.E. Services	$19,210.00
6.	Geotechnical	$5,400.00
7.	Video Inspection (Storm Sewer) (assumes 2,000 LF @ $4.50)	$9,000.00
8.	Accessibility Review (TDLR)	$3,000.00
	Special Services Subtotal*	**$109,440.00**
	ENGINEERING SERVICES CONTINGENCY**	**$46,250.00**
	***(This service is a miscellaneous amount to be used at the discretion of the City for additional Services outside of the scope of the contract. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of this Contingency)*	
	Project Total*	**$508,770.00**

Fees that are Lump Sum for each task and will be invoiced monthly based upon the overall percentage of services performed.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor and City Council**

CC: **Rick Crowley, City Manager**
Joey Boyd, Assistant City Manager
Mary Smith, Assistant City Manager

FROM: **Andy Hesser, Director of Parks and Recreation**

DATE: **January 17, 2019**

SUBJECT: **BASEBALL UMPIRE SERVICES CONTRACT**

In December of 2018, staff issued a request for proposals (RFP) to provide professional baseball umpiring services for our Rockwall Baseball & Softball League (RBSL). One qualified response was received. Baseball Nation LLC was the successful respondent. The RFP is included in the packet.

Costs for the umpiring services are covered by registration fees collected from each participant, which are deposited into the Recreation Development Fund. Invoices are paid regularly from the Recreation Development Fund to the umpiring company for actual games played. A not to exceed amount of $120,000 is estimated based on maximum number of possible games to be played for leagues and tournaments. Actual amount could be less depending on league registration numbers, lost games due to rainouts, and tournament participation.

Contingent on City Attorney approval, staff asks that Council consider authorizing the City Manager to negotiate and execute a contract with Baseball Nation LLC in an amount not to exceed $120,000. Staff is available to answer any questions.

City of Rockwall
The New Horizon

CITY OF ROCKWALL, TEXAS
REQUEST FOR PROPOSALS
FOR
UMPIRE SERVICES

PROPOSAL DUE:	3:00 PM, JANUARY 7, 2019
OPENING:	CITY HALL COUNCIL CHAMBERS 385 S. GOLIAD, ROCKWALL, TX 75087
SUBMIT TO:	LEA ANN EWING PURCHASING AGENT CITY OF ROCKWALL 385 S. GOLIAD, ROCKWALL, TX 75087

REQUEST FOR PROPOSAL
City of Rockwall
UMPIRE SERVICES
February 2019

I) INTRODUCTION

The City of Rockwall, Texas is planning to contract for Umpire services for all youth Baseball leagues and tournaments at the following locations: Leon Tuttle Sports Complex (8 Fields), Yellow Jacket Park (3 Fields), and Harry Myers Park (2 Fields). The City hosts and facilitates multiple leagues and tournaments throughout the year. The City's RBSL (Rockwall Baseball & Softball League) will host:

- Three seasons of youth baseball: spring, summer, and fall.
- A growing number of youth baseball tournaments

II) EXPERIENCE

Preference will be given to companies having demonstrated experience in services of similar scope and complexity. A company resume shall be submitted as part of the proposal. The resume will be attached as part of the Umpire Agreement and shall include, at a minimum, the following items:

- The background and experience of operator in providing quality service through similar umpire operations.
- The background and experience of operator in related professional experience.
- Demonstration of qualifications necessary to operate, train, and evaluate umpires in a highly professional manner.
- The background and experience in training and evaluating umpires.
- Three (3) references with name of contact person and telephone number.

III) CRITERIA FOR AWARD OF CONTRACT

Proposal amounts proposed by responding Umpire service operators for the privilege to provide umpire services will not be the sole determining factor in selecting the umpire operator. The criteria for evaluating the Proposals will be based upon a combination of the following:

- The background and experience of operator in providing quality service through similar umpire operations. 10%
- The background and experience of operator in related professional experiences. 10%
- Proposal amount – 30%
- Demonstration of qualifications necessary to operate the umpires in a highly professional manner. 20%
- The background and experience in training and evaluating umpires. 20%
- Reference responses 10%

The City reserves the right to add other umpire services at their discretion to any of the above-mentioned facilities.

IV) SCOPE OF WORK

Professional services normally required in the operation of umpire services in both league and tournament formats.

The City acknowledges this will be a non-exclusive agreement and the winning umpire provider may provide similar officiating services to other organizations located in the City. The chosen umpire provider must also acknowledge that the City of Rockwall may use other umpires if the chosen provider cannot supply the required umpires for either youth baseball or on a tournament-by-tournament basis. The chosen umpire provider will acknowledge and agrees to give the City priority in umpire assignments during the terms of the awarded agreement.

V) OTHER REQUIREMENTS

Each Proposer should include information as needed to qualify. Proposals must address the following items to be given further consideration for the project: experience with similar projects; availability to perform requested services; ability to perform services within the given timeframe; understanding of the project scope; familiarity with the site; proof of insurance as required by the City of Rockwall.

GAME RATES

Rates based on the following game lengths:

- 50-60 minute games, with 1 umpire
- 75 minute games, with 2 umpires
- 90 minute games, with 2 umpires
- 105 minute games, with two umpires
- Scheduling fee per assigned game
- On site UIC (Umpire in charge)

Estimated game count:
Spring Season- 1200 games
Summer Season-560 games
Fall Season- 800 games

The above game count does not include tournaments.

BACKGROUND CHECKS:

It is the city's position to protect all program participants. The winning provider will demonstrate the ability to conduct Background checks on all umpires. This will be done using a mutually agreed upon process that reflects the intent of the city's "coaches eligibility policy".

TRAINING:

The chosen service provider shall train all umpires. The chosen service provider must demonstrate an ability to execute a clear and concise training program.

REVIEW AND EVALUATION:

Umpire service provider must demonstrate the ability to conduct performance evaluations of each umpire annually.

AFFILIATION:

The chosen service provider must agree to be affiliated with the same governing organizations for tournament and league play if such organizations require them to do so. Service provider will be responsible for paying the registrations fees for each umpire. The City will be affiliated with USSSA. City Reserves the right to offer tournaments under alternative governing bodies.

VI) PROPOSAL CONTENTS

The proposal shall contain the following information:

1. Name of firm(s) and company history.
2. Professional Liability Policy in the amount of $1,000,000.00 minimum.
3. The background and experience of operator in providing quality service through similar umpire operations.
4. Demonstration of qualifications necessary to operate the umpires in a highly professional manner.
5. The background and experience in training and evaluating umpires.
6. Proposal for contracted services cost.
7. References for performance of like services.

VII) SELECTION CRITERIA

The City will select the umpire service provider considered most qualified to provide the desired services. In addition, the organization that proposes an agreement that allows for the maximum customer service potential for the City will be given the highest ranking(s).

If the City is unable to negotiate a satisfactory proposal, it may commence negotiations with another selected firm. The City reserves the right to reject any and all proposals.

Two (2) copies of the RFP response shall be submitted by 3:00 PM, January 7, 2019:

Lea Ann Ewing
Purchasing Agent
City of Rockwall
385 S. Goliad
Rockwall, TX 75087

For questions, contact:

David Wilson
Athletic Supervisor
City of Rockwall
972-771-7761

I have read and agree to the conditions and requirements stated within this document.

Umpire Services Provider Date

CITY OF ROCKWALL, TEXAS
General Provisions of the Proposal

1.0 **Submission of Proposal**

1.1 **One (1) original and (1) copy of all Proposal documents shall be submitted in a sealed package or container. Proposal Title and Vendor's name/address and any addenda received should be marked on the outside of the package or container. Facsimile transmittals or offers communicated by telephone will not be accepted. Proposals that are not submitted in a sealed package or container will not be considered.**

1.2 **Mail Proposals to:**

Purchasing Agent
City of Rockwall
385 South Goliad
Rockwall, TX 75087

1.3 **Proposals may also be delivered in person to:**

Purchasing Agent
City of Rockwall
385 South Goliad
Rockwall, TX 75087

1.4 **Delivery of Proposals must be received in the Purchasing Agent's Office no later than the time indicated in this solicitation or subsequent addendum. The Vendor is responsible for the means of delivering the Proposal documents to the location listed in 1.2 or 1.3 on time. Delays due to any instrumentality used to transmit the Proposal including delay occasioned by the Vendor or the City of Rockwall internal mailing system will be the responsibility of the Vendor. The Proposal must be completed and delivered in time to avoid disqualification for lateness due to difficulties in delivery. The time clock in the City's Council Chambers is the official clock for determining whether Proposals are submitted timely. Late Proposals will not be accepted under any circumstances.**

3.0 **Proposal Due Date and Public Opening**

3.1 Proposals will be opened and publicly read aloud at the following location, date and time:

Location: City of Rockwall
City Hall
Council Chambers
385 South Goliad
Rockwall, TX 75087

Due Date: January 7, 2019

Time: 3:00 p.m., local time

Vendors, their representatives and interested persons may be present.

After the contract is awarded, all Proposals will be open for public inspection, to the extent permitted by the law. Proposals received by the Purchasing Agent after the above stated time and date shall not be considered and will be returned to the Vendor unopened.

4.0 Proprietary Information

4.1 If a Vendor does not desire proprietary information in the Proposal to be disclosed, they are required to identify all proprietary information in the Proposal. This identification will be done by individually marking each page with the words "Proprietary Information" on which such proprietary information is found. If the Vendor fails to identify proprietary information, they agree that by submission of their Proposal that those sections shall be deemed non-proprietary and made available upon public request.

4.2 Vendors are advised that the confidentiality of the Proposals will be protected by the City to the extent permitted by law. Vendors are advised to consider the implications of the Texas Open Records Act, particularly after the Proposal process has ceased and the contract has been awarded. While there is provision in the Texas Open Records Act to protect proprietary information, particularly under Section 3(9) and Section 3(10) of this act where the Vendor can meet certain evidentiary standards, please be advised that a determination on whether those standards have been met will not be decided by the Purchasing Department of the City of Rockwall, but by the Office of the Attorney General of the State of Texas.

5.0 Completion of Proposal

Statements made by a Vendor shall be without ambiguity, and with adequate elaboration, where necessary, for clear understanding.

6.0 Explanations

Any explanation, clarification, or interpretation desired by a Vendor regarding any part of this Request for Proposals (RFB) must be requested in writing from the Purchasing Agent at least seven (7) days prior to published submission deadline, as referenced on the cover of the RFB or addenda. Interpretations, corrections or changes to the RFB made in any other manner are not binding upon the City, and Vendors shall not rely upon such interpretations, corrections or changes. Oral explanations or instructions given before the award of the Contract are not binding. Requests for explanations or clarifications may be emailed to Attn: Purchasing Agent lewing@rockwall.com and the e-mail must clearly identify the RFB by Title.

7.0 Addendum

Any interpretations, corrections or changes to the RFB will be made by addendum. Sole issuing authority of addendum shall be vested in the City of Rockwall Purchasing Agent. Addenda will be emailed to all Vendors who are known to have received a copy of this RFB.

8.0 Withdrawal of Proposal

A Vendor's Proposal may be withdrawn by a duly authorized representative of the Business at any time prior to the Proposal submission deadline, upon presentation of accepted identification as such a representative of the Vendor.

9.0 Award of Proposal

The City of Rockwall reserves the right to accept or reject any and all Proposals and to re-solicit for Proposals, as it shall deem to be in the best interest of the City. Receipt of any Proposal shall under no circumstances obligate the City to accept the lowest cost Proposal. The award of this contract shall be made to the responsible Vendor whose Proposal is determined to be the best-evaluated offer, taking into consideration demonstrated competence and qualifications to provide the equipment solicited in the RFB. Proposal may be awarded on Monday, February 6, 2017 at the regular scheduled City Council meeting.

10.0 Period of Acceptance

Vendor acknowledges that by submitting the Proposal contained herein, Vendor makes an offer, which, if accepted in whole or part by the City of Rockwall, constitutes a valid and binding contract as to any and all items accepted in writing by the City of Rockwall. The period of acceptance of this Proposal is 60 calendar days from the date of opening.

11.0 Tax Exemption

The City of Rockwall is exempt from Federal Excise and State Sales Tax for equipment or material incorporated into the Project; therefore, tax must not be included in this Proposal for these items.

12.0 Cost Incurred in Responding

All costs directly or indirectly related to the preparation of a response to the RFB or any oral presentation required to supplement and/or clarify a Proposal that may be required by the City shall be the sole responsibility of and shall be borne by Vendor(s).

13.0 Negotiations

Any attempt to negotiate or give information on the contents of this Proposal with the City or its representative prior to award shall be grounds for disqualification.

14.0 Contract Incorporation

Vendors should be aware that the contents of this successful Proposal would become a part of the subsequent contractual documents. Failure of a Vendor to accept this obligation may result in the cancellation of any award. Any damages occurring to the City as a result of the Vendor's failure to contract may be recovered from the Vendor.

15.0 Non-Endorsement

If a Proposal is accepted, the awardee shall not issue any news releases or other statements pertaining to the award or servicing of the agreement that state or imply the City of Rockwall endorsement of awardee services.

CITY OF ROCKWALL, TEXAS
Standard Terms and Conditions

These standard terms and conditions and any other special terms and conditions listed in General Provisions shall become part of any contract entered into should any or all parts of the Proposal are accepted by the City of Rockwall.

1.0 **Error - Quantity**

Proposals must be submitted on units of quantity specified - extend and show total where applicable. In the event of discrepancies in extension, the unit price shall govern. The quantities shown on the Proposal form are estimates only and not a guarantee to purchase by the City of Rockwall.

2.0 **FOB - Damage**

Items shall be Proposal F.O.B. Delivered, City of Rockwall, Rockwall, Texas 75087 and shall include all delivery and packaging costs. The City of Rockwall assumes no liability for goods delivered in damaged or unacceptable condition. The successful Proposer shall handle all claims with carriers, and in case of damaged goods, shall ship replacement goods immediately upon notification by the City of damage.

3.0 **Authorized Signature**

Proposals MUST show full firm name and address of Proposer, and be manually signed. Failure to do so will disqualify Proposal. Person signing Proposal must show title or AUTHORITY TO BIND HIS FIRM IN A CONTRACT.

4.0 **Withdrawal - Alteration of Proposal**

Proposals CANNOT be altered or amended after Proposal closing. Alterations made before Proposal closing must initialed by Proposer guaranteeing authenticity. No Proposal may be withdrawn after Proposal closing without acceptable reason in writing and with the approval of the Director of Finance.

5.0 **Invoices**

Invoices bill to: Accounts Payable, City of Rockwall, 385 South Goliad, Rockwall, Texas 75087

6.0 **Payment Terms**

Normal payment terms are Net 30 provided the goods and/or services received are in satisfactory condition. Any discounts available to the City for early payment should be noted. Discounts may be considered in determining Proposal award. Contractor may be allowed to make weekly draws based on work completed.

7.0 **Warranty - Maintenance Agreement**

Vendor shall submit with the Proposal response all information regarding warranties and/or maintenance agreements pertaining to said Proposal items. Vendor shall provide the City with a minimum 1-year warranty on labor and materials.

8.0 **Delivery Promise - Penalties**

Proposals MUST show the number of calendar days required to place the materials in the possession of the City. DO NOT quote shipping dates. Failure to specify the delivery date will obligate Proposer to complete delivery in two (2) weeks from the date the Proposal is awarded. Unrealistically short or undue long delivery promises may cause the Proposal to be disregarded. Consistent failure of a Proposer to meet his delivery promises without a valid reason may cause removal from the Proposal list.

When delivery delay can be foreseen, the Proposer shall give prior notice to the Purchasing Agent, who shall have the right to extend the delivery date if reasons for delay appear acceptable. The Proposer must keep the Purchasing Agent informed at all times of the status of the order. Default in promised delivery, without acceptable reasons, or failure to meet specifications, authorizes the Purchasing Agent to purchase the goods elsewhere, and charge any increase in cost and handling to the defaulting Proposer. Every effort will be made by Purchasing to locate the goods at the same or better price as that originally contracted.

9.0 Delivery Time

Deliveries will be accepted only during normal working hours, 8:00 A.M. to 5:00 P.M. CST, Monday through Friday, at the designated City facility.

10.0 Price Fixing

In submitting a Proposal response to this request, the Proposer thereby certifies that the Proposer has not participated in nor been party to any collusion, price fixing or any other agreements with any company, firm or person concerning the pricing on the enclosed Proposal. Consistent and continued tie Proposals on any commodity could be cause for rejection of all Proposals by the Purchasing Agent and/or investigation by the Attorney General to determine possible Anti-Trust violations.

11.0 Proposal Evaluation and Award

Vendors shall propose on all of the work to be considered. The City reserves the right to make one award and use the best value method for Proposal award. Vendors are to submit Proposals on the form provided in this Proposal packet. Freight / shipping costs are to be included in the Unit Price. Vendors are encouraged to submit any additional information with their Proposal including warranty documentation and additional warranty period cost for the equipment.

All Proposals are evaluated for compliance with qualifications/specifications before the Proposal price is considered. Response to qualification/specification is primary.

12.0 Gratuities

The City may, by written notice to the successful Proposer, cancel this contract without liability to successful Proposer if it is determined by the City that gratuities in the form of entertainment, gifts, or otherwise, were offered or given by the successful Proposer, or any agent or representative of the successful Proposer, to any officer or employee of the City with a view toward securing or amending, or the making of any determinations with respect to the performing of such a contract.

13.0 Indemnity

Vendor shall defend, indemnify and hold harmless the City of Rockwall and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons or property due to any negligent act or fault of the Vendor, or of any agency, employee, subVendor or supplier in the execution of, or performance under, any contract which may result from Proposal award. Vendor indemnifies and will indemnify and hold harmless the City of Rockwall from liability, claim or demand on their part, agents, servants, customers and/or employees whether such liability, claim or demand arise from event or casualty happening or within the occupied premises themselves or happening upon or in the halls, elevators, entrances, stairways or approaches of or the facilities within which the occupied premises are located. Successful Vendor shall pay any judgment which costs that may be obtained against the City of Rockwall growing out of such injury or damages.

14.0 Period of Performance

If this RFP results in a contract, it shall remain in effect until contract expires, delivery and acceptance of products and/or performance of services ordered. Further, the City of Rockwall may cancel this contract without expense to the City in the event that funds have not been appropriated for expenditures under this contract. The contract may be written with a possible annual renewal up to three (3) consecutive years.

15.0 Right to Assurance

Whenever the City has reason to question the Vendor's intent to perform, the City may demand that the Vendor give written assurance of Vendor's intent to perform. In the event a demand is made, and no assurance is given within ten (10) calendar days, the City may treat this failure as an anticipatory repudiation of the contract.

16.0 **Cancellation**

The City shall have the right to cancel this contract immediately for default on all or any part of the undelivered portion of this order if Vendor breaches any of the terms hereof, including warranties of seller, or if seller files bankruptcy. Such right of cancellation is in addition to and not in lieu of any other remedies that the City may have in law or equity.

17.0 **Termination**

The performance of work under this contract may be terminated in whole or in part by the City, with or without cause, at any time upon the delivery to Vendor of a written "Notice of Termination" specifying the extent to which performance of work under the contract is terminated and the date upon which such termination becomes effective. Such right of termination is in addition to and not in lieu of rights of the City as set forth in clause 4.0, herein.

18.0 **Assignment – Delegation**

No right, interest or obligation of Vendor under this contract shall be assigned or delegated without the written agreement of the City. Any attempted assignment or delegation of Vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

19.0 **Waiver**

No claim or right arising out of a breach of this contract may be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration, is in writing, and is signed by the aggrieved party.

20.0 **Modifications**

This contract can be modified or rescinded only by a written agreement signed by both parties.

21.0 **Interpretation and Parole Evidence**

The contract resulting from the RFP is intended by the parties as a final expression of their agreement and intended as a complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of trade shall be relevant to supplement or explain any term used in this agreement. Acceptance of or acquiescence in a course of performance under this agreement shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in this agreement, the definition contained in the Code shall control.

22.0 **Applicable Law**

This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted and amended in the State of Texas. Both parties agree that venue for any litigation arising from this contract shall be in Rockwall, Rockwall County, Texas. This contract shall be governed, construed and enforced by the laws of the State of Texas.

23.0 **Independent Contractor**

Vendor shall operate hereunder as an independent and not as an officer, agent, servant or employee of the City. Vendor shall have exclusive control of, the exclusive right to control, the details of its operations hereunder, and all persons performing same, and shall be solely responsible for the acts and omissions for its officers, agents, employees, vendors, and subcontractors. The doctrine of respondent superior shall not apply as between the City and Vendor, its officers, agents, employees, contractors and subcontractors. Nothing herein shall be construed as creating a partnership or joint enterprise between the City and Vendor, its officers, agents, employees, contractors and subcontractors.

24.0 Force Majeure

If, by any reason of force majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this agreement, such party shall give notice and full particulars of such force majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and obligation of the party giving such notice, so far as it is affected by such force majeure, shall be suspended during the continuance of the inability then claimed, except hereinafter provided, but not for longer period, and such party shall endeavor to remove or overcome such inability with all reasonable diligence.

25.0 Conflict of Interest

No public official shall have interest in this contract, in accordance with Vernon's Texas Codes Annotated, Local Government Code Title 5, Subtitle C., Chapter 171.

26.0 Laws, Statutes and Other Governmental Requirements

Vendor agrees that he shall be in compliance with all laws, statues, and other governmental provisions prevailing during the term of this agreement.

27.0 Notices to Parties

Notices addressed to the City pursuant to the provisions hereof shall be conclusively determined to have been delivered at the time same is deposited in the United States mail, in a sealed envelope with sufficient postage attached, addressed to Purchasing Agent, City of Rockwall, 385 South Goliad, Rockwall, Texas 75087, and notices to Vendor shall be conclusively determined to have been delivered at the time same is deposited in the United States mail, in a sealed envelope with sufficient postage attached, addressed to the address given by Vendor in its response to this RFB.

28.0 Severability

In case any one or more of the provisions contained in this agreement shall, for any reason, be held to invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this agreement, which agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

29.0 Fiscal Funding Limitation

In the event no funds or insufficient funds are appropriated and budgeted or are otherwise unavailable by any means whatsoever in any fiscal period for payments due under this contract, then the City will immediately notify Vendor of such occurrence and this contract shall be terminated on the last day of the fiscal period for which appropriations were received without penalty or expense to the City of any kind whatsoever, except to the portions of annual payments herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available.

30.0 Rights to Proposal and Contractual Material

All reports, charts, schedules, or other appended documentation to any Proposal, content of basic Proposal, or contracts and any responses, inquiries, correspondence, and related material submitted by Vendor shall become property of the City of Rockwall upon receipt.

31.0 Copyrights and Rights in Data

Where activities supported by this project produce original computer programs, writings, sound recordings, pictorial reproduction, drawings, or other graphical representation and works of any similar nature (the term computer program includes executable computer programs and supporting data in any form), the City of Rockwall has the right to use, duplicate, and disclose, in whole or in part, in any manner, for any purpose whatsoever and have others do so. If the material is copyrightable, the Vendor may copyright such, and the City of Rockwall reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish and use such materials, in whole or in part to authorize others to do so.

32.0 **Disability**

In accordance with the provisions of the Americans With Disabilities Act of 1990 (ADA), Vendor warrants that it and any and all of its subcontractors will not unlawfully discriminate on the basis of disability in the provision of services to general public, nor in the availability, terms and/or conditions of employment for applicants for employment with, or employees of Vendor or any of its subcontractors. Vendor warrants it will fully comply with ADA provisions and any other applicable federal, state and local laws concerning disability and will defend, indemnify and hold City harmless against any claims or allegations asserted by third parties or subcontractors against City arising out of Vendor's and/or its subcontractors alleged failure to comply with the above-referenced laws concerning disability discrimination in the performance of this agreement.

33.0 **DISCLOSURE OF CERTAIN RELATIONSHIPS (HB 914)**. Effective January 1, 2006, Chapter 176 of the Texas Local Government Code requires that any vendor or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the vendor or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. By law, this questionnaire must be filed with the records administrator of the City of Rockwall not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code. A person commits an offense if the person violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor. Forms may be obtained on the City's website at www.rockwall.com, City Departments, Finance Department, Purchasing page.

34.0 **Insurance Requirements:**

Liability insurance and/or workers' compensation are required by the City for said Proposal item(s), **proof of insurance and/or workers' compensation should be submitted with the Proposal.** The City reserves the right to review all insurance policies pertaining to Proposal item(s) to guarantee that the proper coverage is obtained by the Proposer. CONTRACTOR shall purchase, at his own expense, and maintain such insurance as will protect him from claims under worker's compensation laws, disability benefit laws or other similar employee benefit laws; from claims for damages because of bodily injury, occupational sickness or disease, or death of his employees, and claims insured by usual personal injury liability coverage; from claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees including claims insured by usual personal injury liability coverage; and from claims for injury to or destruction of tangible property, including loss or use resulting there from - any or all of which may arise out of or result of Contractor's operations under the Contract Documents, whether such operations be by himself or by any Subcontractor or anyone directly or indirectly employed by any of them or for whose acts any of them may be legally liable. This insurance shall include the specific coverage and be written for not less than any limits of liability and maximum deductibles specified in the Supplemental Conditions or required by law, whichever is greater, shall include contractual liability insurance and **shall include the City as an additional insured.** The CONTRACTOR shall maintain such additional insurance, as he may deem appropriate. With the exception of the Agreement, CONTRACTOR shall file with the City his Accord certificates of such insurance, acceptable to City; these certificates shall contain a provision that the coverage afforded under the policies will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to City.

- Limits:
  Such insurance as will protect the Contractor for damages because of bodily injury, sickness, disease or death of his employees apart from that imposed by Statutory Worker's Compensation laws with such insurance having a minimum limit of liability of not less than $500,000.

- Such insurance as will protect the Contractor from claims from damages because of bodily injury, personal injury, sickness, disease or death with minimum limits of liability of not less than $500,000 each occurrence and $500,000 aggregate.

- Such insurance as will protect the Contractor from claims for damages for injury to or destruction of tangible property of others, including loss of use thereof. Such coverage shall include Broad Form Property Damage and removal of XCU exclusions where applicable. The minimum limits of liability shall be $1,000,000 per occurrence and $1,000,000 aggregate.

- Such insurance as will protect the Contractor from claims for damages arising out of the maintenance, operation, or use of any owned, non-owned or hired vehicles. Minimum limits of liability for bodily injury and property damage shall be not less than $1,000,000 for each occurrence.

- Property insurance including materials not in place at the site to the full insurable value thereof.

All insurance coverages required are MINIMUM coverages and limit amounts, and it shall be the Contractor's responsibility to determine which limits are adequate for the scope and size of this work. These minimum limits may be basic policy limits or any combination of basic limits and umbrella limits. In any event, the Contractor is fully responsible for all losses arising out of, resulting from or connected with operations under this contract whether or not said losses are covered by insurance. The City's acceptance of Certificates of Insurance that in any respect do not comply with the Contract requirements does not release the Contractor from compliance herewith.

The City and Contractor waive all rights against each other for damages caused by fire or other perils to the extent their interests are covered by insurance under this Section, except such rights as they may have to the proceeds of such insurance when held by the City as trustee. The Contractor shall require similar waivers by Subcontractors and Sub-subcontractors.

35.0 **CERTIFICATE OF INTERESTED PARTIES FORM 1295**
Definition and Instructions

Section 2252.908 of the Texas Government Code states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million.

All vendors entering into a contract that is approved by City Council must complete a Form 1295.

A business entity must enter the required information on Form 1295 online at https://www.ethics.state.tx.us/File/ and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with City.

36.0 Piggyback Contract/Other Entity Clause:

It is the intent of this solicitation that other governmental organizations and agencies throughout the continental United States may purchase identical items at the same unit pricing and the same general terms and conditions, subject to the applicable state laws. Freight/shipping charges are included in the proposal prices for Texas cooperative members. Additional freight/shipping charges that may be required by other organizations and agencies are outside the scope of the base proposal. The City authorizes each governmental entity to make payment directly to the successful proposer. The term of this agreement is one (1) year from the date of contract execution.

PUBLIC NOTICE
CITY OF ROCKWALL, TEXAS

Advertisement for Proposal

The City of Rockwall will receive sealed Proposals for Umpire Services until January 7, 2019 at 3:00 PM. Proposals should be delivered to the Purchasing Agent, City of Rockwall, 385 S. Goliad, Rockwall TX 75087 on or before the above due date and time. Proposals will be publicly opened and the names of the proposers read aloud in the City Council Chambers, Rockwall City Hall, 385 S. Goliad, Rockwall, TX 75087. General and Professional liability and statutory Worker's Compensation insurances are required. Proposal document is on file at City of Rockwall Purchasing office and on line at www.rockwall.com. The City of Rockwall reserves the right to reject any and all Proposals or to waive any informalities in the Proposal.

I. Baseball Nation LLC
1210 W Scyene Rd Ste A
Mesquite, TX 75149

II. Insurance Certificate available upon request

III. Baseball Nation opened its doors September 7, 2009. The company originally started with the single focus of a professional indoor training facility in Mesquite, Texas. That focus soon changed in the Spring of 2010 after the acquisition of Chiesl Baseball Complex in Balch Springs, Texas. After hosting league and tournament play for only 6 months the company grew again in the fall of 2010 with the purchase of the BBI complex in Mesquite, Texas. In November 2013, Baseball Nation made its most recent addition when it acquired Triple Creek Academy in McKinney, Texas. Baseball Nation now hosts USSSA league and tournament play at each complex from February—November each year. The indoor facilities operate year-round and accommodate local professional players in the DFW area in the off-season. Baseball Nation currently operates 12 baseball fields and 2 indoor training facilities.

The following number of teams competed in Baseball Nation events over the last 3 calendar years:

2016 | 3,471 Teams (approximately 7,000 games)
2017 | 3,605 Teams (approximately 7,300 games)
2018 | 3,338 Teams (approximately 6,900 games)

Baseball Nation also hosts a High School Fall baseball league each year hosting approximately 50 teams (approximately 300 games).

IV. Leonard Meyer is a full-time employee of Baseball Nation LLC and handles all umpire scheduling for Baseball Nation events (league & tournaments). Leonard has been an umpire and UIC in North Texas for more than 20 years.

V. Umpires are contracted from a number of organizations across North and Central Texas.

VI. Contracted Services Cost:

$30 | 50-60 minute games, with 1 umpire
$70 | 75 minute games, with 2 umpires
$80 | 90 minute games, with 2 umpires
$90 | 105 minute games, with 2 umpires
$5 | Scheduling fee per assigned game
$90 | On site UIC (Umpire in Charge)

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 18, 2019**

SUBJECT: **911 Services Contract**

The Council may recall the City's recent action in passing a resolution authorizing the establishment of this entity to enhance funding opportunities for regional 911 services. The sole source of funding for 911 services are the fees that are charged and collected on telephone bills; however, the obligations of the City are noted in the contract.

This item is to secure City Council authorization for the City Manager and Chief of Police to execute the contract documents with NCT911 to provide 911 services in the City.

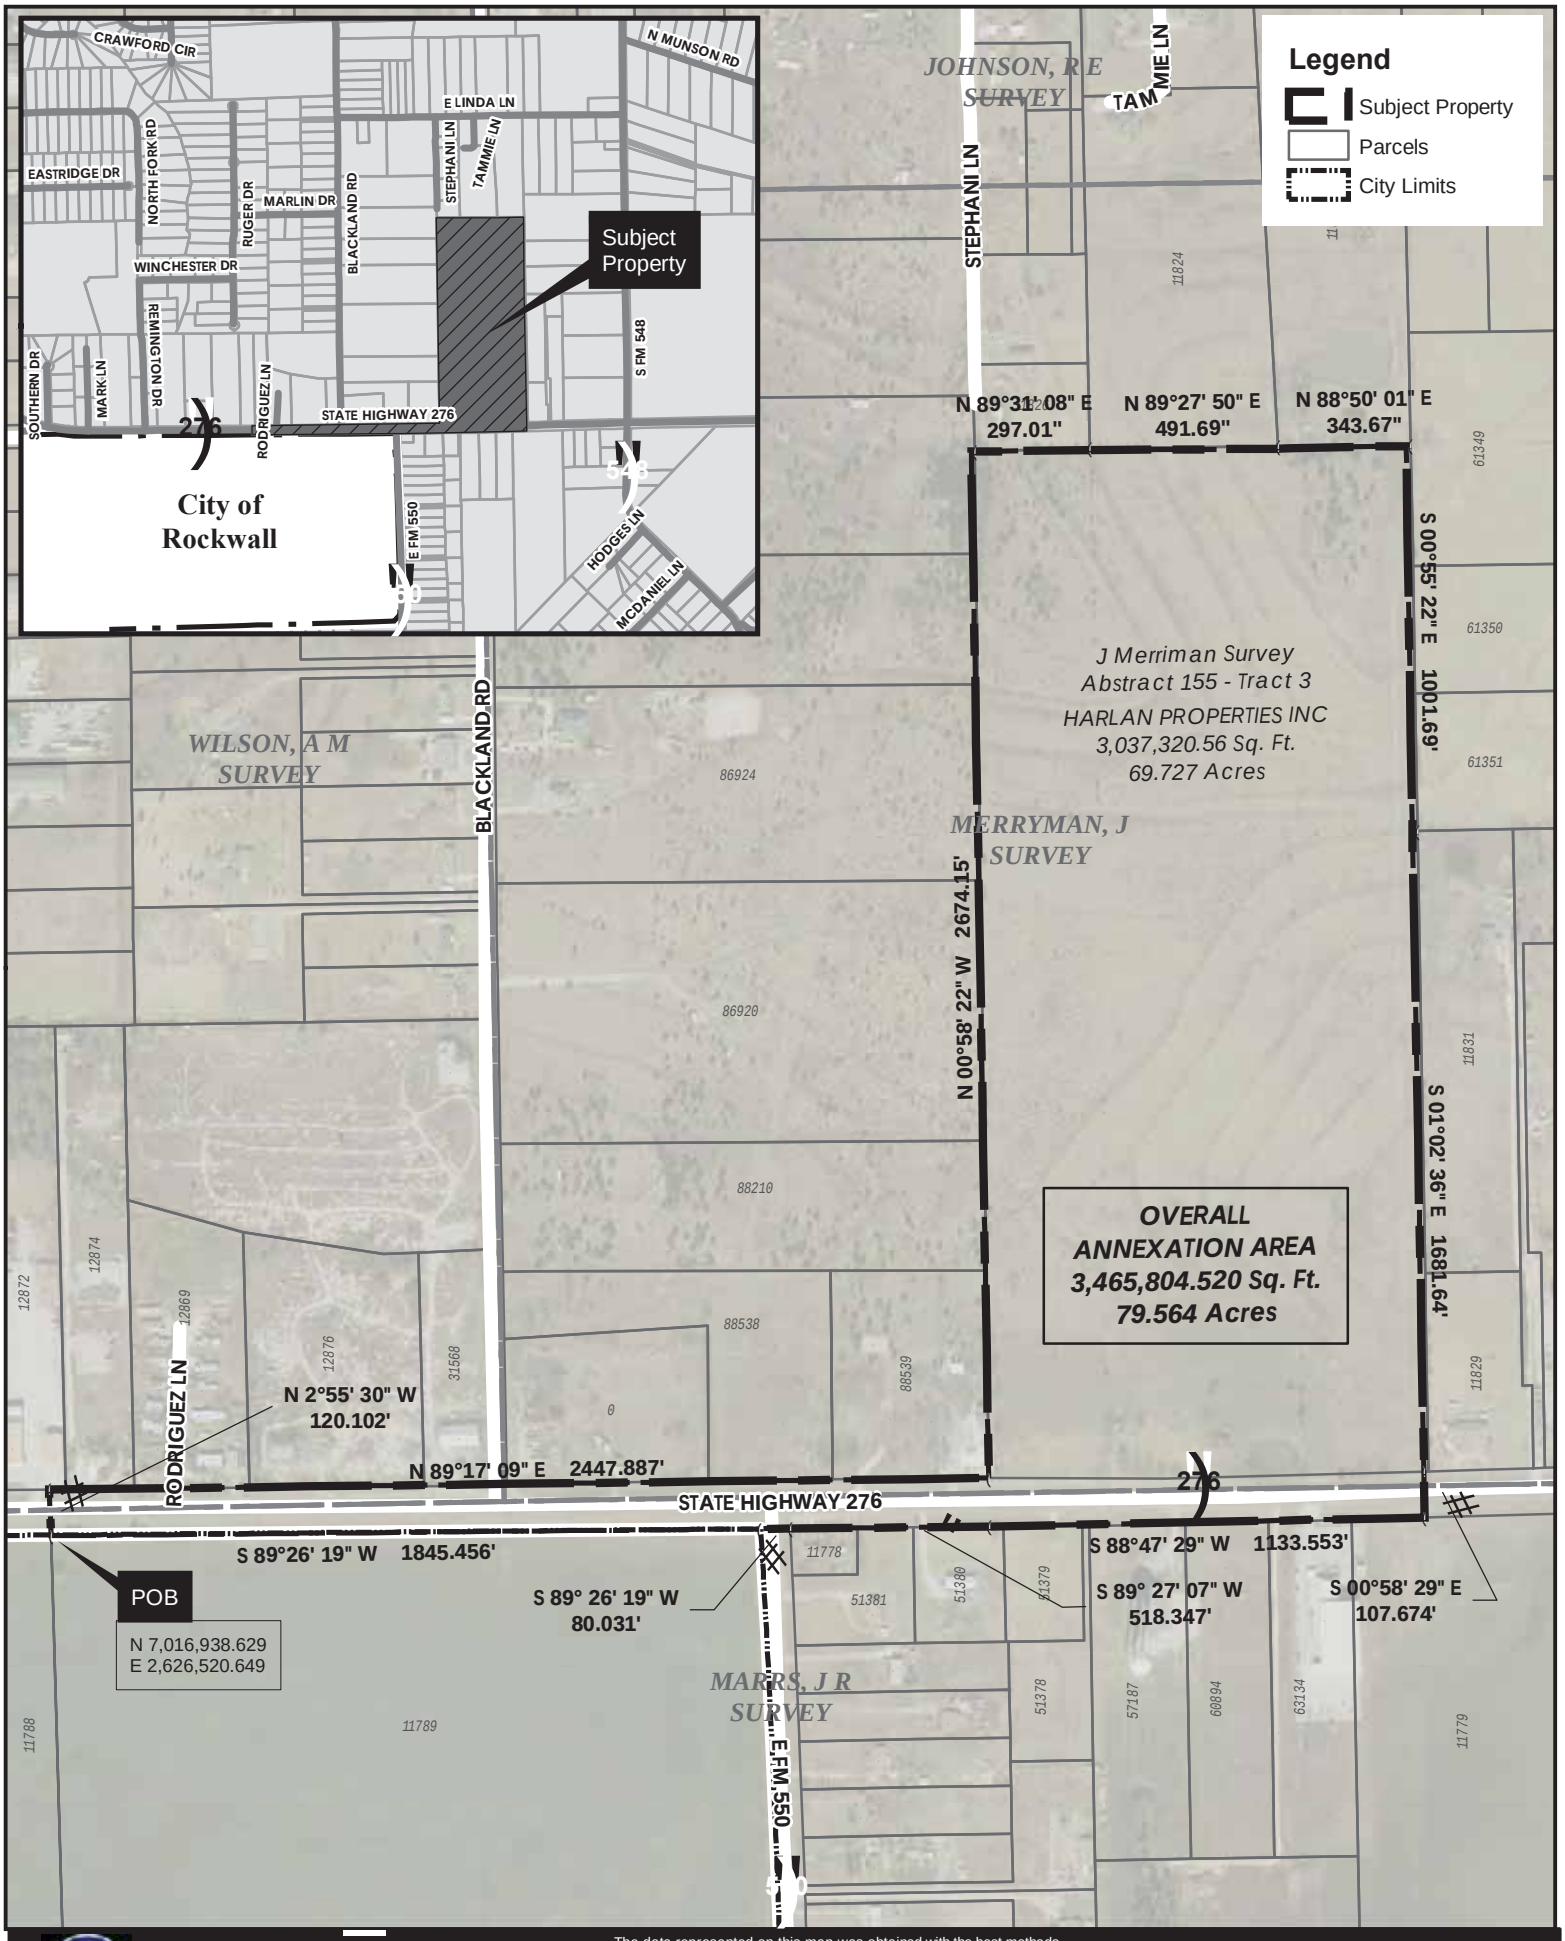
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 22, 2019



SUBJECT: A2018-005; *Harlan Properties Inc. Annexation*

On January 22, 2019, the City Council will be holding the first (*6:00 PM*) and second (*6:30 PM*) public hearings to consider the voluntary annexation of 79.564-acres of land located within the City's Extraterritorial Jurisdiction (ETJ). Suresh Shridharani, on behalf of Harlan Properties Inc., is requesting the annexation for the purpose of incorporating the property into the City of Rockwall to develop a residential subdivision.

Staff has followed the procedures for annexations as set forth in Chapter 43, *Municipal Annexations*, of the Texas Local Government Code relative to notifying affected property owners and publishing notices in the newspaper and on the City's website. Attached to this memorandum is a location map and service plan for the proposed annexation. In addition, this document has been made available to the public at City Hall and on the City's website.

No action on this matter is required by the City Council on January 22, 2019. The 1st reading of the annexation ordinance is scheduled for February 18, 2019 and the 2nd (*and final*) reading of the ordinance is scheduled for March 4, 2019.

STATE HWY 276 EAST ANNEXATION
79.564 Acres

LEGAL DESCRIPTION

BEING an approximate 79.564 acre tract of land situated in the J. Merriman Survey, Abstract 155, A.M. Wilson Survey, Abstract 223, and J.R. Marr's Survey, Abstract 152 as recorded in the County of Rockwall, Texas and being more particularly described as follows:

BEGINNING at a point in the Northwestern corner of Abstract J.R. Marr's Survey, Tract 10-1 (105.925 acres) and the South Right of Way line of State Highway 276, (NAD83- State Plane Coordinates, North Central Texas Zone 4202, N 7,016,938.629, E 2,626,520.649), said point being the **POINT OF BEGINNING**;

THENCE N.02°55'30"W., crossing State Highway 276, a distance of 120.102 feet for a corner;

THENCE N.89°17'09"E., along the North Right of Way line of State Highway 276, a distance of 2447.887 feet for a corner;

THENCE N.00°58'22"W., along the West property line of Abstract 155, Tract 3 (a 69.727 acre tract) a distance of 2674.15 feet for a corner;

THENCE N.89°31'08"E., along the North property line of said tract, a distance of 297.01 feet for a point;

THENCE N.89°27'50"E., along the North property line, a distance of 491.69 feet for a point;

THENCE N.88°50'01"E., along the North property line, a distance of 343.67 feet for a corner;

THENCE S.00°55'22"E., along the East property line, a distance of 1001.69 feet for a point;

THENCE S.01°02'36"E., along the East property line, a distance of 1681.64 feet for a point;

THENCE S.00°58'29"E., crossing State Highway 276, a distance of 107.674 feet for a corner;

THENCE S.88°47'29"W., along the South Right of Way line of State Highway 276, a distance of 1133.553 feet for a corner;

THENCE S.89°27'07"W., along said Right of Way line, a distance of 518.347 feet for a corner;

THENCE S.89°26'19"W., crossing Farm to Market 550, a distance of 80.031 feet for a corner;

THENCE S.89°26'19"W., continuing along the South Right of Way line of State Highway 276, a distance of 1845.456 feet to the **POINT OF BEGINNING**. Containing 3,465,804.520 square feet or 79.564 acres, more or less.

This description is intended to follow any adjacent recorded tract lines and existing City Limits or Road Right of Way lines.

END OF DESCRIPTION.

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-005
City and County of Rockwall, Texas

Acreage Annexed: 79.564-acres

Survey Abstract and County: Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: March 4, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: January 22, 2019

SUBJECT: Z2018-050; *SUP for Covered Patio at 5808 Constellation Circle*

On January 10, 2019, the Board of Adjustments (BOA) approved a variance [*Order No. BOA 2019-1-V*] to reduce the required rear setback from ten (10) feet to three (3) feet in order to allow the applicant to construct a covered patio on the subject property. Based on this, the applicant has requested to withdraw the Specific Use Permit (SUP) request. According to Section 5, *Application Withdrawal*, of the Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC), any case that has been published in the newspaper and notifications of a public hearing sent out must be placed on the public hearing agenda and acted upon by the applicable body. Staff should note, should the City Council choose to accept the applicant's request, a motion would be required.

David ... I have not received a withdraw letter from you to include in the City Council's packet, and I have to send out packets today. Could you please let me know if you are still wishing to move forward with your SUP case or not so that we can prepare the memo for the City Council. If I have not heard back from you today I will prepare a memo as if you are still moving forward. Thanks.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Kyle Jenkins; *Jenkins Organization*

AGENDA ITEM: **Z2018-055**; *SUP for Mini-Warehouse*

SUMMARY:

Hold a public hearing to discuss and consider a request by Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky of 7.1 Ridge, LLC for the approval of a Specific Use Permit (SUP) for a Mini-Warehouse facility on a 2.595-acre tract of land being a portion of Lot 1, Block A, Sky Ridge Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located southwest of the intersection of W. Yellow Jacket Lane and Ridge Road [FM-740], and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant is requesting approval of a Specific Use Permit (SUP) to allow a *mini-warehouse* (*i.e. Lakeview Storage*) in a Commercial (C) District. The proposed mini-warehouse will be three (3) stories, ~126,600 SF, and contain 800 climate-controlled units. According to the applicant, the mini-warehouse will be constructed to resemble an office building, and is intended to blend in with the surrounding buildings. The facility will be accessible from 6 AM to 10 PM. The majority of the units will be accessed from internal corridors and any exterior doors will be limited to the rear building elevation. The applicant has also stated that the existing tree line will be preserved to provide a natural buffer from the residential properties to the northwest.

According to Section 1.01, *Use of Land and Building*s, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) a mini-warehouse facility is permitted in a Commercial (C) District by Specific Use Permit (SUP). Furthermore, section 2.1.10, *Wholesale, Distribution, and Storage*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC) details the specific land use requirements for a *mini-warehouse facility*. The following is a summary of the applicant's proposal and its compliance to these land use requirements:

Code Requirement	*Proposed Plan*	*Compliance*
The maximum site area shall not exceed five (5) acres.	2.6-Acres	In Conformance
The maximum number of storage units shall not exceed 125 units per acre.	800 total units.	*Not In Conformance*[1]
The maximum height shall not exceed one (1) story, except for the residential unit which shall be less that 36-feet.	The proposed buildings is three (3) stories and ~34-feet in height	*Not In Conformance*
The minimum number of parking spaces required is two (2). Parking requirement is three (3) spaces plus one (1) per 100 units.	11 parking spaces are required and 11 parking spaces are provided.	In Conformance
No direct access from FM740, SH205, SH66, SH276, FM3097, FM552, FM549 or John King Boulevard.	The concept plan shows one (1) driveway on FM-740.	*Not In Conformance*
Overhead doors shall not face adjacent streets.	The buildings are not visible from any adjacent streets or roadways.	In Conformance

All exterior walls facing the front, side and rear property lines shall be 100% brick construction.	All exterior walls facing the street will incorporate brick.	In Conformance
The front, side and rear building setback areas shall incorporate clustered landscaping.	The concept rendering shows clustered landscaping along the perimeter of the facility.	In Conformance
Gates shall be incorporated limiting access to the facility.	Wrought iron gates are being proposed.	In Conformance
Screening fences shall be wrought iron or masonry.	Landscape screening and wrought Iron fencing are shown on the site plan.	In Conformance
Concrete shall be used for all paving.	All paving will be concrete.	In Conformance
Roof shall have a minimum roof pitch of 1:3 and be constructed with metal standing seam.	The applicant is proposing to utilize a flat roof design.	*Not In Conformance*
Lighting standards shall be limited to a maximum of 20-feet in height.	Will be handled at the time of site plan submittal on the Photometric Plan. The SUP Ordinance include this requirement under the Operational Conditions.	Photometric Plan (Site Plan)
A single residential unit not exceeding 1,600 SF in size is permitted.	There will be no residential unit.	In Conformance
Outside Storage shall be prohibited.	The site will not have outside storage.	In Conformance

Notes:
[1]: At 2.6-acres a maximum of 325 units are permitted.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are all follows:

North: Directly north of the subject property is a vacant tract of land zoned Commercial (C) District followed by a railroad (*i.e. Union Pacific/Dallas Garland N. E.*). Beyond this is a single-family residential subdivision (*i.e. Lakeridge Park*). This area is zoned Single-Family 10 (SF-10) District.

South: Directly south of the subject property is Ridge Road [FM 740], which is identified as a *M4D (Major Collector, four [4] lane, divided roadway)* on the City's Master Thoroughfare Plan. Beyond this is an office building and several commercial businesses (*e.g. Big D Auto Care, Wal-Mart, etc*.) This area is zoned Commercial (C) District.

East: Directly east of the subject property a vacant tract of land followed by Ridge Road [FM-740], which is identified as a *M4D (Major Collector, four [4] lane, divided roadway)* on the City's Master Thoroughfare Plan. Beyond this are several commercial businesses (*e.g. Little Caesar's, Everybody Massage, etc*.) These areas are zoned Commercial (C) District.

West: Directly west of the subject property is a house of worship (*i.e. Great Faith Church*) and several commercial businesses (*e.g. State Farm, Family Dental, etc*.) followed by a railroad (*i.e. Union Pacific/Dallas Garland N. E.*). Beyond this is a single-family residential subdivision (*i.e. Turtle Cove Subdivision*). This area is zoned Planned Development District 2 (PD-2) for single-family land uses.

STAFF ANALYSIS:

When looking at the requirements contained in the Unified Development Code (UDC), it is important to note that these requirements were drafted with the intent of regulating campus style mini-warehouse facilities. Campus style mini-warehouse facilities typically incorporate multiple buildings that are generally one (1) story in height, and have non-climate controlled storage

units accessible from the exterior of the building. Due to the mini-warehouse requirements, the applicant is seeking variances to the number of units per acre, the maximum number of stories, the pitched roof requirement, and to allow direct access from Ridge Road [FM-740]. The facility proposed by the applicant is a compact design, which allows more units in a smaller footprint. Although the proposed building is three (3) stories, the proposed building is ~34-feet in height, which conforms to the maximum height requirement of 36-feet. Additionally, only two (2) stories will be visible from Ridge Road [FM-740]. The proposed facility is intended to have the appearance of an office building with all units being climate controlled and accessible from the interior of the building. Specifically, the proposed structure is three (3) stories in height--in which only two (2) stories are visible from Ridge Road--and utilizes a flat roof design with a parapet (more typical of an office or commercial development). Since these do not meet the mini-warehouse requirements, variances are required. The proposed driveway shown on the concept plan will require permission from TxDOT as well as a traffic impact analysis (TIA) at the time of site plan. In addition, the applicant is proposing to limit the hours of operation from 6:00 AM to 10 PM, which is consistent to a non-residential land use. The mini-warehouse land use is considered to be a lower-intensity land use that does not generate high volumes of traffic (*i.e. ~15-20 visitors per day according to the applicant*). With that being said, the three (3) requirements not in compliance with the Unified Development Code (UDC) do not appear to negatively impact the surrounding developments. Additionally, the proposed design of the facility (*i.e. appearance of an office building*) provides for easier redevelopment opportunities than the traditional campus style mini-warehouse facilities should the use transition in the future. Staff should note, approval of the applicant's request is a discretionary decision for the City Council, pending a recommendation from the Planning and Zoning Commission. Should this request be approved, the applicant will be required to submit a site plan, landscape plan, photometric plan, and building elevations to the Architectural Review Board (ARB) and the Planning and Zoning Commission. Attached is a concept plan and building elevations, and conformance to these plans is a requirement of the draft ordinance.

NOTIFICATION:

On December 28, 2018, staff sent 77 notices to property owners and residents within 500-feet of the subject property. Additionally, staff notified the Lakeside Village and Turtle Cove Homeowner's Associations (HOA's) which are the only HOA's/Neighborhood Associations within 1,500-feet of the subject property. Additionally, staff posted a sign on the subject property as required by the UDC. At the time this report was drafted, staff had received one (1) email and two (2) notices in opposition and one (1) notice in favor of this request.

RECOMMENDATIONS:

Should the City Council choose to approve the Specific Use Permit (SUP) request, the following conditions of approval should be adopted with this case:

1. The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

    a) The development shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of the attached ordinance.

    b) The building elevations shall generally conform to the *Concept Building Elevations* depicted in *Exhibit 'C'* of the attached ordinance.

    c) The maximum number of storage units provided shall not exceed 800 units for the facility.

d) The maximum number of floors is limited to three (3) stories.

e) The mini-warehouse facility shall not be greater than 36-feet in height.

f) No outside storage of any kind shall be allowed (*including the outside storage of boats, recreational vehicles, trailers, and motor or self-propelled vehicles*).

g) Businesses shall not be allowed to operate within individual storage units.

h) The commercial operation of rental trucks and trailers shall be prohibited.

i) The developer shall maintain the treeline adjacent to the northwest property line.

2. Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 15, 2019, the Planning and Zoning Commission's motion to deny the request for approval of a Specific Use Permit (SUP) for a mini-warehouse in a Commercial (C) District passed by a vote of 5-2 with Commissioners Moeller and Lyons dissenting. In accordance with Subsection 8.4, *Protest of Proposed Zoning Change*, of Section 8, *City Council Authority*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC), should the Planning and Zoning Commission recommend denial of a change in zoning, a favorable vote of 3/4 majority of all Council Members present is required in order to be approved.

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was published in the Rockwall Herald Banner ***December 28, 2018***. The Planning and Zoning Commission will hold a public hearing on ***Tuesday 1/15/2019 at 6:00 p.m.***, and the City Council will hold a public hearing on ***Tuesday 1/22/2019 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development/development-cases

> **Z2018-055- Hold a public hearing to discuss and consider a request by Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky of 7.1 Ridge, LLC for the approval of a Specific Use Permit (SUP) for a *Mini-Warehouse* facility on a 2.595-acre tract of land being a portion of Lot 1, Block A, Sky Ridge Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located southwest of the intersection of W. Yellow Jacket Lane and Ridge Road [*FM-740*], and take any action necessary.**

If this email is reaching you in error, please forward it to your HOA or neighborhood group representative and update the contact information at http://www.rockwall.com/planning/hoa.asp.

Subject: Case No. 22018-055: SUP for Mini Warehouse-Opposed

I received a letter for a zoning request for a mini warehouse and I am very much opposed to this.
This will add to congestion on Ridge Road and devalue property values.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2018-055: SUP for Mini Warehouse

Hold a public hearing to discuss and consider a request by Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky of 7.1 Ridge, LLC for the approval of a Specific Use Permit (SUP) for a Mini-Warehouse facility on a 2.595-acre tract of land ~~being a portion of Lot 1, Block A, Sky Ridge~~ Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located ~~southwest of the intersection~~ of W. Yellow Jacket Lane and Ridge Road [FM-740], and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/15/2019 at 6:00 p.m.,** and the City Council will hold a public hearing on **Tuesday, 1/22/2019 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Korey Brooks
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **1/22/2019** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

PLEASE RETURN THE BELOW FORM

Case No. Z2018-055: SUP for Mini Warehouse

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☒ I am opposed to the request for the reasons listed below.

1. This is a scenic overlay district - Mini warehouses have never been considered scenic.
2. Ridge Rd + Hwy 205 are the entrance to the City - As a property owner of these (3) properties on these streets I want it to remain + stay professional/inviting
3. Mini warehouses are ok but they tend to bring truck traffic, loitering, and sometimes (inviting) illegal activities.

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☒ I am opposed to the request for the reasons listed below.

I Am opposed to this Zoning change because I would like to See this Neighborhood remain somewhat Commercial free. this neighborhood is located close to town, yet it remains fairly Quiet and with low traffic. Adding these warehouses changes the dynamics of this neighborhood in a bad way. Thanks

Letter of Explanation

TJO – Ridge Road & Yellow Jacket

On behalf of The Jenkins Organization, Masterplan requests a Specific Use Permit to construct a 3-story, approximately 126,600-square foot, upscale climate controlled self-storage facility on a 2.6-acre property located southwest of the intersection of Ridge Road and Yellow Jacket Lane. It is projected that the balance of the property to the north would be developed with a future neighborhood retail building.

TJO develops and operates best in class self storage facilities in affluent Texas communities such as Craig Ranch in McKinney, Southlake, Frisco, and Bee Cave in the Austin area. TJO is interested in developing a neighborhood friendly facility with excellent customer service in the Rockwall community.

The development proposal includes the following features:

1. Premium architecturally inspired building design
2. Vast majority of units would be accessed from interior corridors
3. Well-lit, safe and secure facility
4. Building will be positioned to minimize height from street and align with adjacent retail
5. Building will step down from Ridge Rd following the topography of the site
6. Low-traffic generator – 15 visitors per day
7. Hours of access and operation from Monday-Sunday 6AM-10PM.

The proposal includes a request for relief from certain provisions of the Unified Development Code as follows:

Pitched roof. TJO's building design is modern with clean lines. The roof would be flat with parapets to align with the overall modern design.

Perimeter screening adjacent to residential districts. The grade at the rear driveway will sit well below the grade of Turtle Cove. Moreover, the tree line will be preserved to provide a natural buffer from Turtle Cove to the northwest. Moreover, the elevated railroad berm provides a solid screen and fully blocks view of the subject property from Turtle Cove. A screening wall would sit well below the adjacent property, serving minimal to no purpose. Please refer to the enclosed sight line exhibit for additional information.

Floor-to-area ratio. A maximum floor-to-area ratio of 1.2. Use intensity for a self-storage facility is disproportionately low compared to other commercial uses. This facility would generate approximately 15-20 visitors spread out over an entire day.

One direct access point to Ridge Road. Access is necessary to serve the facility.

MINI-STORAGE FACILITY LOCATIONS

SHEET SIZE: 11X17

EXHIBIT A

BEING a 2.595 acre tract of land situated in the E.P. Gaines Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas and being a part of Lot 1, Block A, Sky Ridge Addition, an addition to the City of Rockwall, recorded in Volume J, Page 243, Map Records, Rockwall County, Texas, and this tract being more particularly described as follows:

BEGINNING at a point for corner at the south corner of said Lot 1, Block A, Sky Ridge Addition, said corner being in the northeast boundary line of Lot 1, Block A, Hudspeth Addition, an addition to the City of Rockwall, as recorded in Cabinet B, Slide 6, Plat Records, Rockwall, Texas and in the northwest right–of–way line of Farm to Market Road 740 (Ridge Road), a variable width right–of–way from which a TXDOT Monument with an Aluminum Disk found for reference bears South 57 degrees 23 minutes 15 seconds West, a distance of 0.23 feet;

THENCE, North 46 degrees 22 minutes 15 seconds West, along the common boundary line of said Lot 1, Block A, Hudspeth Addition and said Lot 1, Block A, Sky Ridge Addition, a distance of 548.61 feet to a 1/2–inch iron rod found for the west corner of said Lot 1, Block A, Sky Ridge Addition and the north corner of said Lot 1, Block A, Hudspeth Addition, said corner being in the southeast right–of–way line of the Union Pacific Railroad, a 100 ft. right–of–way;

THENCE North 43 degrees 40 minutes 54 seconds East, along the common line of said Railroad and said Lot 1, Block A, Sky Ridge Addition, a distance of 17.68 feet to a point for corner at the beginning of a non–tangent curve to the left having a radius of 5449.50 feet, and a chord which bears North 49 degrees 39 minutes 04 seconds East, a distance of 65.76 feet;

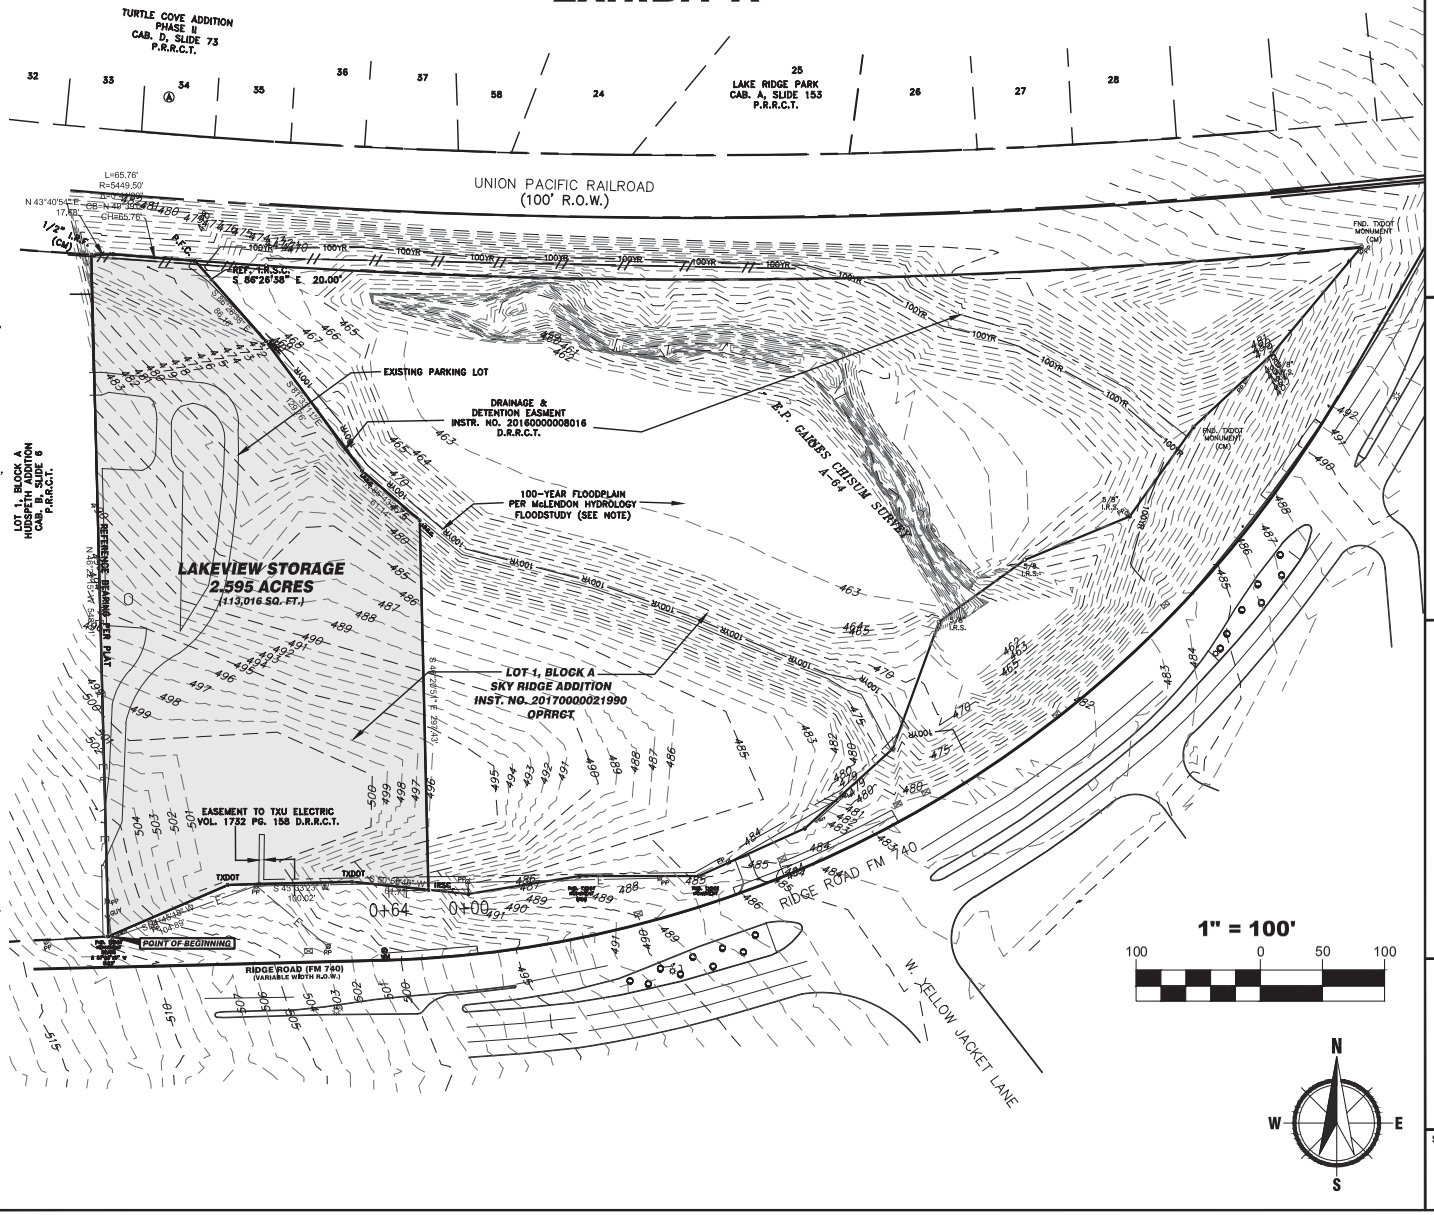
THENCE Northeasterly, along the common line of said Railroad and Lot 1, Block A, Sky Ridge Addition, and with said curve to the left, through a central angle of 00 degrees 41 minutes 29 seconds, an arc distance of 65.76 feet to a point for corner from which a 5/8-inch iron rod with a yellow plastic cap, stamped "RPLS 3963", set for reference, bears South 86 degrees 26 minutes 38 seconds East, a distance of 20.00 feet;

THENCE Southeasterly, traversing across said Lot 1, Block A, Sky Ridge Addition, the following courses:

South 86 degrees 26 minutes 38 seconds East, a distance of 86.16 feet to a 5/8–inch iron rod with a yellow plastic cap stamped "RPLS 3963", set for corner;

South 81 degrees 33 minutes 11 seconds East, a distance of 129.76 feet to a 5/8–inch iron rod with a yellow plastic cap stamped "RPLS 3963", set for corner;

North 85 degrees 43 minutes 25 seconds East, a distance of 61.14 feet a 5/8–inch iron rod with yellow plastic cap stamped "RPLS 3963", set for corner;



South 46 degrees 20 minutes 51 seconds East, a distance of 297.43 feet a 5/8–inch iron rod with yellow plastic cap stamped "RPLS 3963", set for corner in the northwest line of said FM 740 and the southeast line of said Lot 1, Block A, Sky Ridge Addition;

THENCE Southwesterly, along the common line of said FM 740 and said Lot 1, Block A, Sky Ridge addition, the following courses:

South 50 degrees 59 minutes 46 seconds West, a distance of 61.71 feet to a TXDOT Monument with an Aluminum Disk found for corner;

South 43 degrees 33 minutes 23 seconds West, a distance of 100.02 feet to a point for corner from which a TXDOT Monument with an Aluminum Disk found for reference bears South 12 degrees 53 minutes 00 seconds West, a distance of 0.14 feet;

South 21 degrees 45 minutes 18 seconds West, a distance of 104.89 feet to the POINT OF BEGINNING AND CONTAINING 113,016 square feet or 2.595 acres of land.

South 21 degrees 45 minutes 18 seconds West, a distance of 104.89 feet to the POINT OF BEGINNING AND CONTAINING 113,016 square feet or 2.595 acres of land.

Notes:

1. Basis of bearing is N 46°22'15" W on the southwest line of this survey per Plat referenced in legal description hereon.
2. According to my interpretations of the Dallas County, Texas and Incorporated Areas, Flood Insurance Rate Map Number 48397C0040L, dated September 26, 2008, the subject property lies within flood Zone "X" and is not shown to be within a Special Flood Hazard Area. This statement does not imply that the property and/or structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This statement shall not create liability on the part of the surveyor.
   Floodplain and elevations are also based on graphic interpolation from the Floodplain Work Map in the Flood Study for Stream 5 by McLendon Hydrology and Engineering L.L.C.
3. All open spaces, drainage easements, drainage and detention easements, and other common area shall be repaired, replaced, and maintained by property owner.
4. This survey was prepared with the benefit of Title Commitment File No. 18-374837-RW, effective date of July 25, 2019, issued on August 2, 2018. No research of record easements has been performed on these tracts since the effective dates of the policy mentioned above. Schedule B items affect as follows:

   10e. Easement(s) and other matters affecting the subject property as shown on Map or Plat recorded in Cab. J, Slide 243, Map or Plat Records, Rockwall County, Texas. AFFECTS AS SHOWN

10. 10f. Easement to City of Rockwall, dated June 21, 1980, filed October 13, 1980, recorded in Vol., 153, Page 718, Real Property Records, Rockwall County, Texas, and shown on map recorded in Cab. J, Slide 243, Map Records, Rockwall County, Texas. **DOES NOT AFFECT**

    10g. Easement to Texas Utilities Electric Company, dated September 9, 1999, filed October 12, 1999, recorded in Vol., 1732, Paged 158, Real Property Records, Rockwall County, Texas. **AFFECTS AS SHOWN**

10. 10h. Easement to City of Rockwall, dated May 17, 2016, filed May 17, 2016, recorded as Clerk's No. 20160000008016, Real Property Records, Rockwall County, Texas, and shown on map recorded in Cab. J, Slide 243, Map Records, Rockwall County, Texas. **AFFECTS AS SHOWN**

I, Robert C. Myers, Registered Professional Land Surveyor, do hereby certify that this plat represents the results of a survey made on the ground under my supervision during the month of September, 2018, and substantially complies with the current Texas Society of Professional Surveyors Standards and Specifications for a Category 1A Condition II Survey. FIELD WORK WAS COMPLETED ON 09-11-18.

2.595 ACRES
OUT OF
LOT 1, BLOCK A,
SKY RIDGE ADDITION
CITY OF ROCKWALL,
ROCKWALL COUNTY, TEXAS

132

2.595 ACRES (DWG)

BEING a 2.595 acre tract of land situated in the E.P. Gaines Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas and being a part of Lot 1, Block A, Sky Ridge Addition, an addition to the City of Rockwall, recorded in Volume J, Page 243, Map Records, Rockwall County, Texas, and this tract being more particularly described as follows:

BEGINNING at a point for corner at the south corner of said Lot 1, Block A, Sky Ridge Addition, said corner being in the northeast boundary line of Lot 1, Block A, Hudspeth Addition, an addition to the City of Rockwall, as recorded in Cabinet B, Slide 6, Plat Records, Rockwall, Texas and in the northwest right-of-way line of Farm to Market Road 740 (Ridge Road), a variable width right-of-way from which a TXDOT Monument with an Aluminum Disk found for reference bears South 57 degrees 23 minutes 15 seconds West, a distance of 0.23 feet;

THENCE, North 46 degrees 22 minutes 15 seconds West, along the common boundary line of said Lot 1, Block A, Hudspeth Addition and said Lot 1, Block A, Sky Ridge Addition, a distance of 548.61 feet to a 1/2-inch iron rod found for the west corner of said Lot 1, Block A, Sky Ridge Addition and the north corner of said Lot 1, Block A, Hudspeth Addition, said corner being in the southeast right-of-way line of the Union Pacific Railroad, a 100 ft. right-of-way;

THENCE North 43 degrees 40 minutes 54 seconds East, along the common line of said Railroad and said Lot 1, Block A, Sky Ridge Addition, a distance of 17.68 feet to a point for corner at the beginning of a non-tangent curve to the left having a radius of 5449.50 feet, and a chord which bears North 49 degrees 39 minutes 04 seconds East, a distance of 65.76 feet;

THENCE Northeasterly, along the common line of said Railroad and Lot 1, Block A, Sky Ridge Addition, and with said curve to the left, through a central angle of 00 degrees 41 minutes 29 seconds, an arc distance of 65.76 feet to a point for corner from which a 5/8-inch iron rod with a yellow plastic cap, stamped “RPLS 3963”, set for reference, bears South 86 degrees 26 minutes 38 seconds East, a distance of 20.00 feet;

THENCE Southeasterly, traversing across said Lot 1, Block A, Sky Ridge Addition, the following courses:

South 86 degrees 26 minutes 38 seconds East, a distance of 86.16 feet to a 5/8-inch iron rod with a yellow plastic cap stamped “RPLS 3963”, set for corner;

South 81 degrees 33 minutes 11 seconds East, a distance of 129.76 feet to a 5/8-inch iron rod with a yellow plastic cap stamped “RPLS 3963”, set for corner;

North 85 degrees 43 minutes 25 seconds East, a distance of 61.14 feet a 5/8-inch iron rod with yellow plastic cap stamped “RPLS 3963”, set for corner;

South 46 degrees 20 minutes 51 seconds East, a distance of 297.43 feet a 5/8-inch iron rod with yellow plastic cap stamped “RPLS 3963”, set for corner in the northwest line of said FM 740 and the southeast line of said Lot 1, Block A, Sky Ridge Addition;

THENCE Southwesterly, along the common line of said FM 740 and said Lot 1, Block A, Sky Ridge addition, the following courses:

South 50 degrees 59 minutes 46 seconds West, a distance of 61.71 feet to a TXDOT Monument with an Aluminum Disk found for corner;

South 43 degrees 33 minutes 23 seconds West, a distance of 100.02 feet to a point for corner from which a TXDOT Monument with an Aluminum Disk found for reference bears South 12 degrees 53 minutes 00 seconds West, a distance of 0.14 feet;

South 21 degrees 45 minutes 18 seconds West, a distance of 104.89 feet to the POINT OF BEGINNING AND CONTAINING 113,016 square feet or 2.595 acres of land.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE (UDC) OF THE CITY OF ROCKWALL, ROCKWALL COUNTY TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A MINI-WAREHOUSE FACILITY IN A COMMERCIAL (C) DISTRICT, SITUATED ON A 2.595-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF LOT 1, BLOCK A, SKY RIDGE ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky for the approval of a Specific Use Permit (SUP) to allow a *mini-warehouse facility* in a Commercial (C) District on a 2.595-acre tract of land being described as a portion of Lot 1, Block A, Sky Ridge Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, and being more specifically depicted in *Exhibit 'A'* and described in *Exhibit 'B'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED** by the City Council of the City of Rockwall, Texas;

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing a *mini-warehouse facility* within a Commercial (C) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in Subsection 2.1.10*, Wholesale, Distribution, and Storage,* of Section 2, *Use Standards*, of Article IV, *Permissible Uses, and* Subsection 4.5*, Commercial (C) District,* of Section 4, *Commercial District and* Subsection 6.8, *Scenic Overlay (SOV) District*, of Section 6, *Overlay Districts* of Article V, *District Development Standards*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*], as

DRAFT ORDINANCE 01.07.19

heretofore amended and as may be amended in the future, and shall be subject to the following operational conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions shall pertain to the operation of a *mini-warehouse facility* on the subject property, and conformance to these operations is required for continued operation:

1) The development shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance.

2) The building elevations shall generally conform to the *Concept Building Elevations* depicted in *Exhibit 'C'* of this ordinance.

3) The maximum number of storage units provided shall not exceed 400 units for the facility.

4) The maximum number of floors is limited to three (3) stories.

5) The mini-warehouse facility shall not be greater than 36-feet in height.

6) No outside storage of any kind shall be allowed (*including the outside storage of boats, recreational vehicles, trailers, and motor or self-propelled vehicles*).

7) Businesses shall not be allowed to operate within individual storage units.

8) The commercial operation of rental trucks and trailers shall be prohibited.

9) The developer shall maintain the treeline adjacent to the northwest property line.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

DRAFT ORDINANCE 01-15-2019

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF FEBRUARY, 2019.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Bill Bricker, *Columbia Development Company, LLC*

AGENDA ITEM: **Z2018-057**; *Amendment to Planned Development 59 (PD-59)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Bill Bricker of Columbia Development Company, LLC for the approval of an amendment to Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses being a 56.586-acre tract of land identified as a portion of R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) and Planned Development District 59 (PD-59), located between W. Washington Street and T. L. Townsend Drive, and take any action necessary.

PURPOSE & BACKGROUND:

The subject property is a 0.786-acre tract of land that is located between Washington Street and T. L. Townsend Drive and is currently part of Planned Development District 52 (PD-52) for Heavy Commercial (HC) District land uses. The tract of land is currently vacant and is adjacent to Planned Development District 59 (PD-59). The applicant is requesting the approval of an amendment to Planned Development District 59 (PD-59) to incorporate the subject property and designate it for Residential-Office (RO) District land uses.

On October 18, 2004, the City Council passed *Ordinance No. 04-59*, establishing Planned Development District 59 (PD-59) as the Park Place Subdivision. In its current configuration, Park Place consists of the following Phases: [1] Phase 1, which is zoned for Neighborhood Services (NS) District land uses; [2] Phase 2, which is zoned for Single-Family 7 (SF-7) District land uses; and [3] Phase 3, which is zoned for Single-Family 7 (SF-7) and Residential-Office (RO) District (*i.e. live/work*) land uses. The applicant is proposing to establish Phase 4 by incorporating the subject property for Residential-Office (RO) District land uses and removing the Residential-Office (RO) District land uses from Phase 3 (*i.e. Phase 3 will only allow SF-7 land uses*). A concept plan has been submitted showing that the new Phase will be adjacent to the western boundary of Phase 3 and will consist of five (5) additional lots accessible via Park Place Boulevard. One (1) of the lots currently exists in Phase 3.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a vacant tract of land within the Park Place Subdivision followed by several single-family homes. These areas are zoned Planned Development District 52 (PD-52) for Heavy Commercial (HC) District land uses, Single-Family 7 (SF-7) District, and Planned Development District 59 (PD-59) for Single-Family 7 (SF-7) District land uses.

South: Directly south of the subject property is a railroad (*i.e. Union Pacific/Dallas Garland N. E.*) followed by several vacant tracts of land and the Rockwall County maintenance facility.

Beyond this is Whitmore Drive and two (2) commercial businesses (*i.e. Ensearch Bail Bonds and Back Street Salon*). These areas are zoned Commercial (C) District and Light Industrial (LI) District.

East: Directly east of the subject property are several single-family homes within the Park Place Subdivision followed by a horizontal mixed-use development containing residential, retail/office, and industrial land uses (*i.e. Park Station*) that is currently in the development phase. These areas are zoned Planned Development District 59 (PD-59) and Planned Development District 87 (PD-87).

West: Directly west of the subject property is Townsend Drive, which is identified as an M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan. This is followed by the RSID bus barn. Beyond this are metal buildings followed by several single-family homes. These areas are zoned Planned Development District 52 (PD-52) for Heavy Commercial (HC) District land uses and Single-Family 7 (SF-7) District.

CHARACTERISTICS OF THE REQUEST:

The applicant has submitted a concept plan and development standards for the existing and proposed Phases of the Park Place Subdivision. The characteristics and development standards for each phase are as follows:

Phase 1: Neighborhood Services (1.8-Acres)

Phase 1 is existing and no changes are being proposed. This phase is subject to the Neighborhood Services (NS) District land uses. A summary of the density and dimensional requirements for *Phase 1* is as follows:

Minimum Lot Width [1]	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	15'
Minimum Side Yard Setback	20'
Minimum Distance Between Buildings	15'
Maximum Height	36'
Minimum Rear Yard Setback	20'
Maximum Lot Coverage	60%
Maximum Building Size	5,000 SF

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

Phases 2 & 3: Single-Family 7 (53.6-Acres)

Phases 2 & 3 are existing and both phases allow single-family land uses; however, Phase 3 also allows Residential-Office (RO) District (*i.e. live/work*) land uses. The applicant is proposing to remove the Residential-Office (RO) District land uses from Phase 3, and transition it to Phase 4. This means that Phase 3 will be subject to the Single-Family 7 (SF-7) District land uses. A summary of the density and dimensional requirements for *Phases 2 & 3* are as follows:

Minimum Lot Width [1]	40'
Minimum Lot Area	4,000 SF
Minimum Average Lot Area	7,000 SF
Minimum Front Yard Setback [2] & [3]	10'
Minimum Side Yard Setback [4]	5'
Minimum Side Yard Adjacent to a Street	10
Minimum Distance Between Buildings	15'

Maximum Height [3]	36’
Minimum Rear Yard Setback [4, 5]	10’
Maximum Lot Coverage	60%

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the single-family home.
[4]: The minimum side yard setback for an internal lot or a lot abutting open space or HOA common area is five (5) feet. For yards abutting a street, the minimum side yard setback shall be 10-feet.
[5]: Lots with double frontage shall have a minimum rear yard setback of 15 feet.

Phase 4 Residential-Office (1.3-Acres)

The proposed Phase 4 will contain approximately five (5) residential-office units and will be designed to a residential scale (*i.e. the buildings will be designed to look like the existing homes within Park Place*). Since the phase will have residential adjacency, the applicant is proposing to prohibit certain uses within Phase 4 (*e.g. assisted living facility, landfill, transit passenger facility, etc.*) and allow other uses (*e.g. general store larger than 2,000 SF, hair salon, office building more than 5,000 SF*) with a Specific Use Permit (SUP). This phase will be subject to the Residential-Office (RO) District land uses with the exception of the uses outlined in the attached ordinance. A summary of the density and dimensional requirements is as follows:

Minimum Lot Width [1]	60’
Minimum Lot Depth	100’
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	10’
Minimum Side Yard Setback	5’
Minimum Distance Between Buildings	15’
Maximum Height [3]	36’
Minimum Rear Yard Setback	10’
Maximum Lot Coverage	60%

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the residential-office structure.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan designates the subject property for *Medium-Density Residential* land uses, which is characterized as developments containing greater than 2½ units-per-acre, but not higher than three (3) units-per-acre unless an increased amenity is provided, in which event 3½ units-per-acre can be allowed. Should this request be approved, the designation would need to be changed to *Live/Work* land uses, which is characterized as low-intensity office/retail land uses that are similar in scale and scope to the adjacent residential properties. Although this does not conform to the Future Land Use Plan, given the subject property’s current zoning of Heavy Commercial (HC) District, this request will bring the property closer to conformance with the Future Land Use Plan. The change of designation has been made a condition of approval.

STAFF ANALYSIS:

When looking at the applicant’s request (*i.e. to amend PD-59 to incorporate a tract of land for residential-office land uses*), the live/work units provide a transition from the single-family residential land uses east of the subject property to the light industrial and heavy commercial land uses to the west of the subject property. The incorporation of the subject property as residential-office units seems to be appropriate given its proximity to the adjacent railroad, does not appear to negatively affect the adjacent properties, and will not preclude the properties from being single-family units.

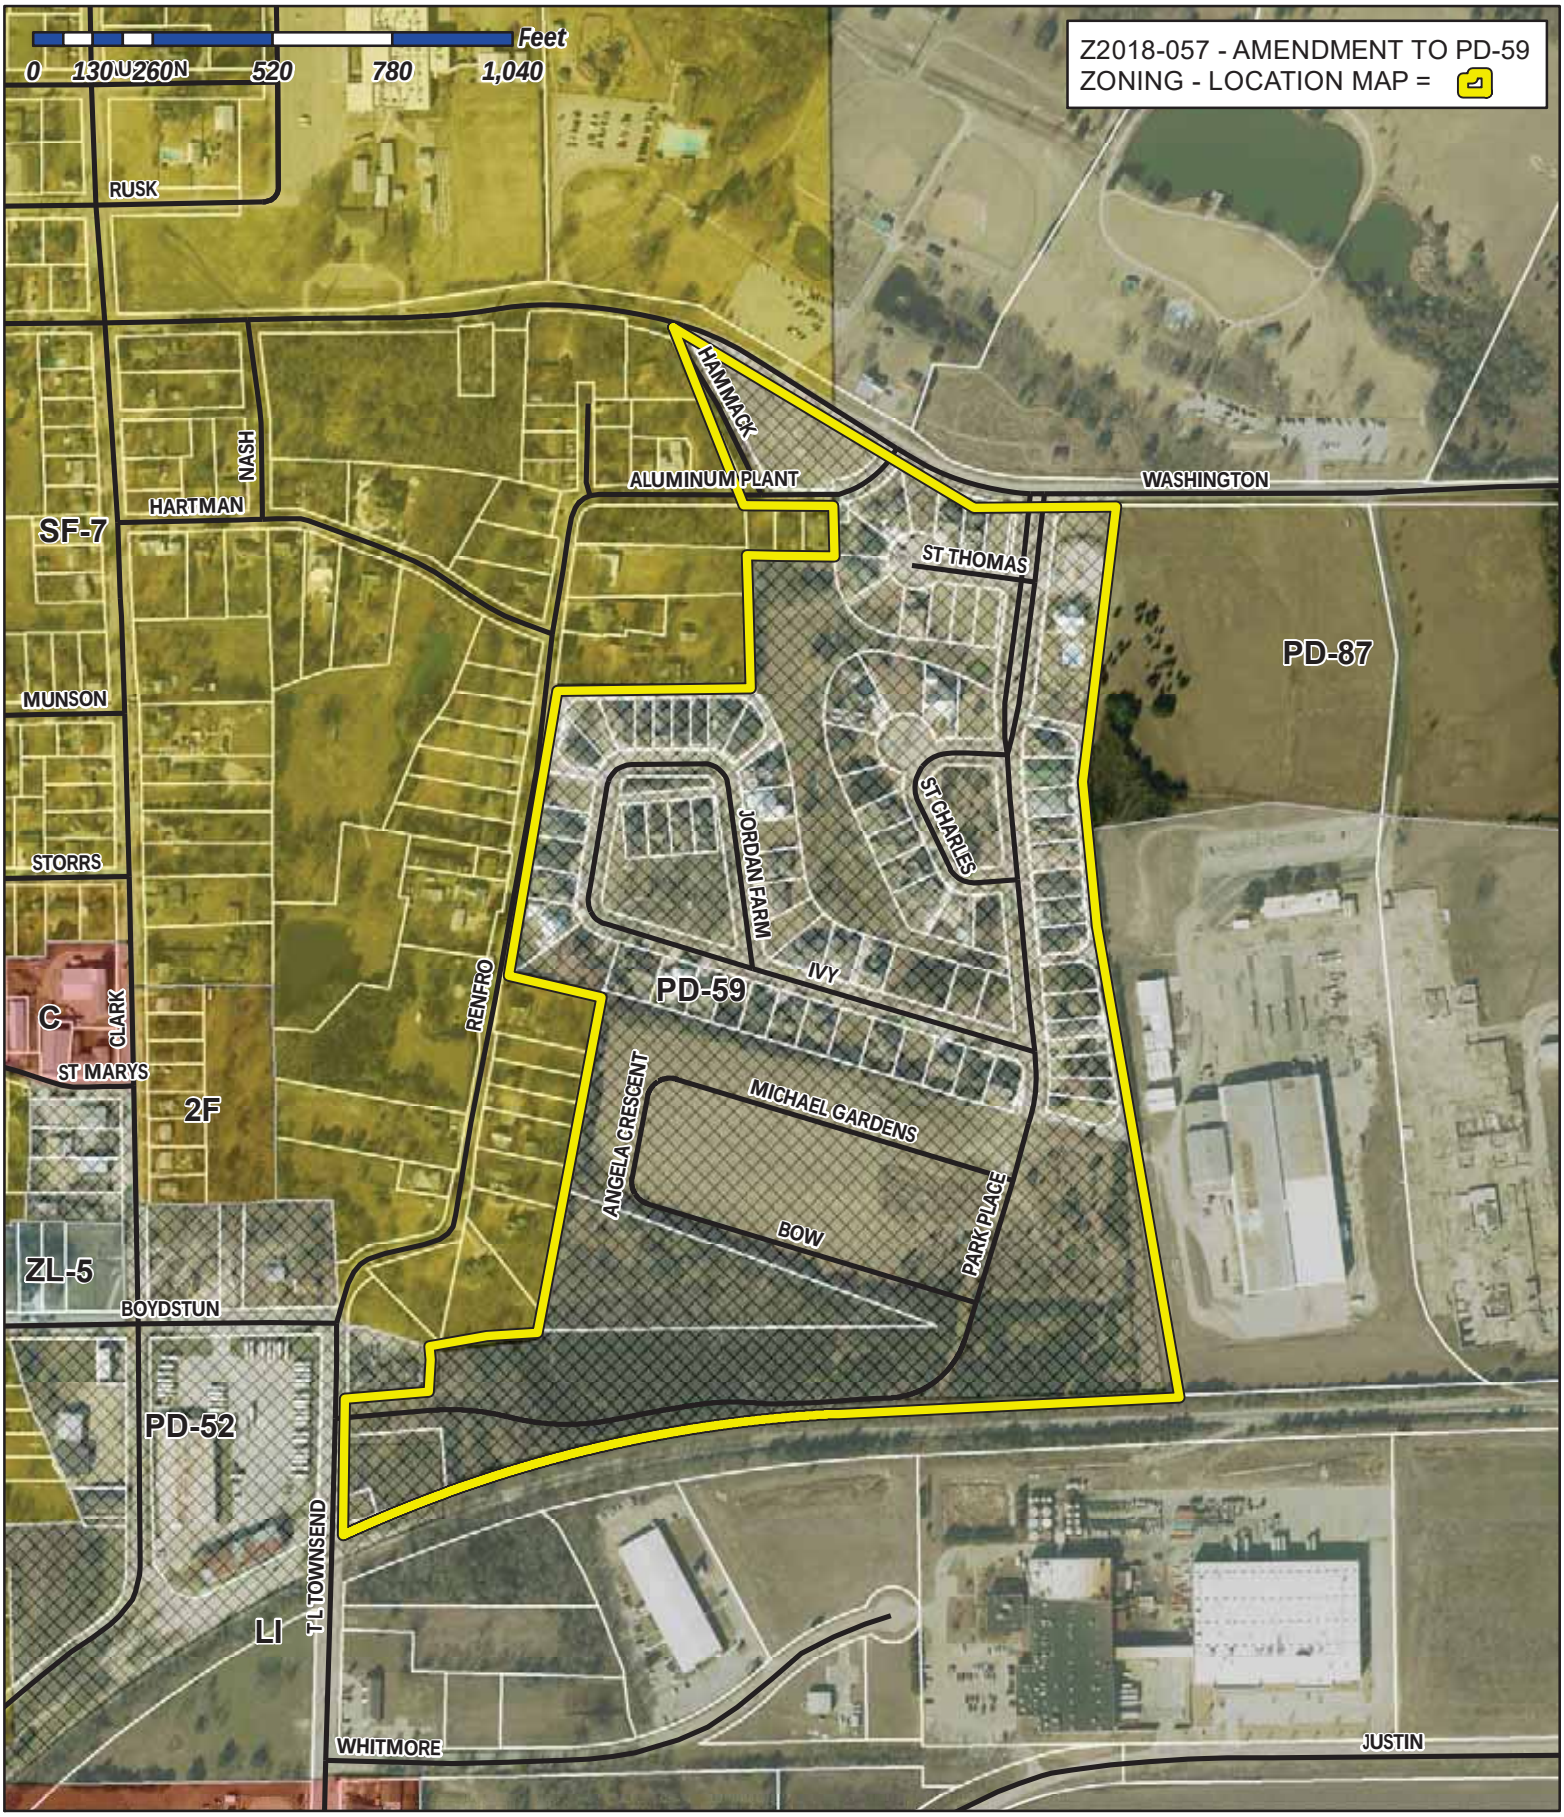
With that being said, approval of this request is discretionary to the City Council, pending a recommendation from the Planning and Zoning Commission.

NOTIFICATION:

On December 28, 2018, staff mailed 194 notices to property owners and occupants within 500-feet of the subject property. Additionally, staff posted a sign on the subject property as required by the UDC. At the time this report was drafted, staff had received seven (7) notices in favor and one (1) notice in opposition of this case.

RECOMMENDATIONS:

Should the City Council choose to approve the applicant's request to amend Planned Development District 59 (PD-59) to incorporate a 0.786-acre tract of land for Residential-Office (RO) District land uses, staff would propose the following conditions of approval:



1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

2) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Plan. Specifically, this will change the designation of the subject property from a *Medium-Density Residential* designation to a *Live/Work* designation; and

3) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 15, 2019, the Planning and Zoning Commission's motion to recommend approval of the amendment to Planned Development 59 (PD-59) with staff recommendations passed by a vote of 7-0.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2018-057: Amendment to PD-59

Hold a public hearing to discuss and consider a request by Bill Bricker of Columbia Development Company, LLC for the approval of an amendment to Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses being a 56.586-acre tract of land identified as a portion of R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) and Planned Development District 59 (PD-59), located between W. Washington Street and T. L. Townsend Drive, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/15/2019 at 6:00 p.m.**, and the City Council will hold a public hearing on **Tuesday, 1/22/2019 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

Michael Rasmussen

To: planning@rockwall.com
Subject: Subject: Case No Z2018-057 PZ 1/15 City Council 1/22

Expires: Thursday, January 17, 2019 12:00 AM

Korey Brooks planning@rockwall.com
Rockwall Planning and Zoning Dept
385 S. Goliad Street
Rockwall, TX 75087

Subject: Case No Z2018-057 PZ 1/15 City Council 1/22
Request to consider Bill Bricker of Columbia Development amendment to add .786 acre tract of land.....

I am in agreement to the proposed change adding additional acreage and RO (Residential Office) designation to new addition. However in addition it should be noted that Mr. Bricker has indicated simultaneously removing the existing 20 lots currently designated as LW (See Item A Below)
I do not see this language in the zoning notice.

A) "At the same time we will remove the LW from the 20 lots in the current Ph III, so that at no time in the future can the use be office or commercial related."

Original Request Sent to HOA From Mr. Bricker
3) "Our case is simple. I want to bring this acre of HC land into Park Place as Residential Office (RO) use. It will be combined with one lot on the south side of Park Place Blvd to create a total of 5 lots. RO zoning is the new name which is a more restrictive designation for LW and is the same as the zoning for the North Goliad district. This RO area along Goliad is looking nice, and has some very compatible uses with surrounding residential homes. In bringing them into the HOA, we will control the architecture and the buildings will look to be Park Place homes."

Respectfully,
Michael Rasmussen
507 Park Place Blvd
Rockwall TX 75087

Rockwall, Texas 75087

RE: Park Place III Development
Case No. Z2018-057: Amendment PD-59

To whom it may concern at City Hall,

While improvements are welcome, the negative impact of the modifications being made to the current 100 year flood plain in this area is not. The flood plain has been narrowed and the water has no place to channel, but into our backyards. Our yards are turning to mush. The development has changed the grade of the land and the ground is not absorbing the water as it did. The proposed drainage systems will not handle the heavy spring rains that come in less than 30 minutes. This is affecting our property value, and the enjoyment of use of our backyard and garden areas.

In addition, we are opposed to anymore residential/office housing in our neighborhood. Our residential street currently does not handle the normal traffic flow let alone adding additional traffic will make it worse and not safe.

If you don't live here, you don't know!

Sincerely,
Paul & Debbie Harrington

December 28, 2018

City of Rockwall
385 S. Goliad St
Rockwall, TX 75087

Columbia Development Company, LLC is requesting a zoning case to amend and add some desired uses for Park Place West. There are two driving thoughts behind this request.

One, to bring a tract of land currently zoned as PD-52 which is generally Heavy Commercial (HC) into the PD_59 of Park Place. This will allow restricting uses to be more compatible with Park Place residents and residential development and at the same time allow controlled live/work units as well as some commercial use. These lots would be part of the HOA and be subject to HOA approval as far as the designs.

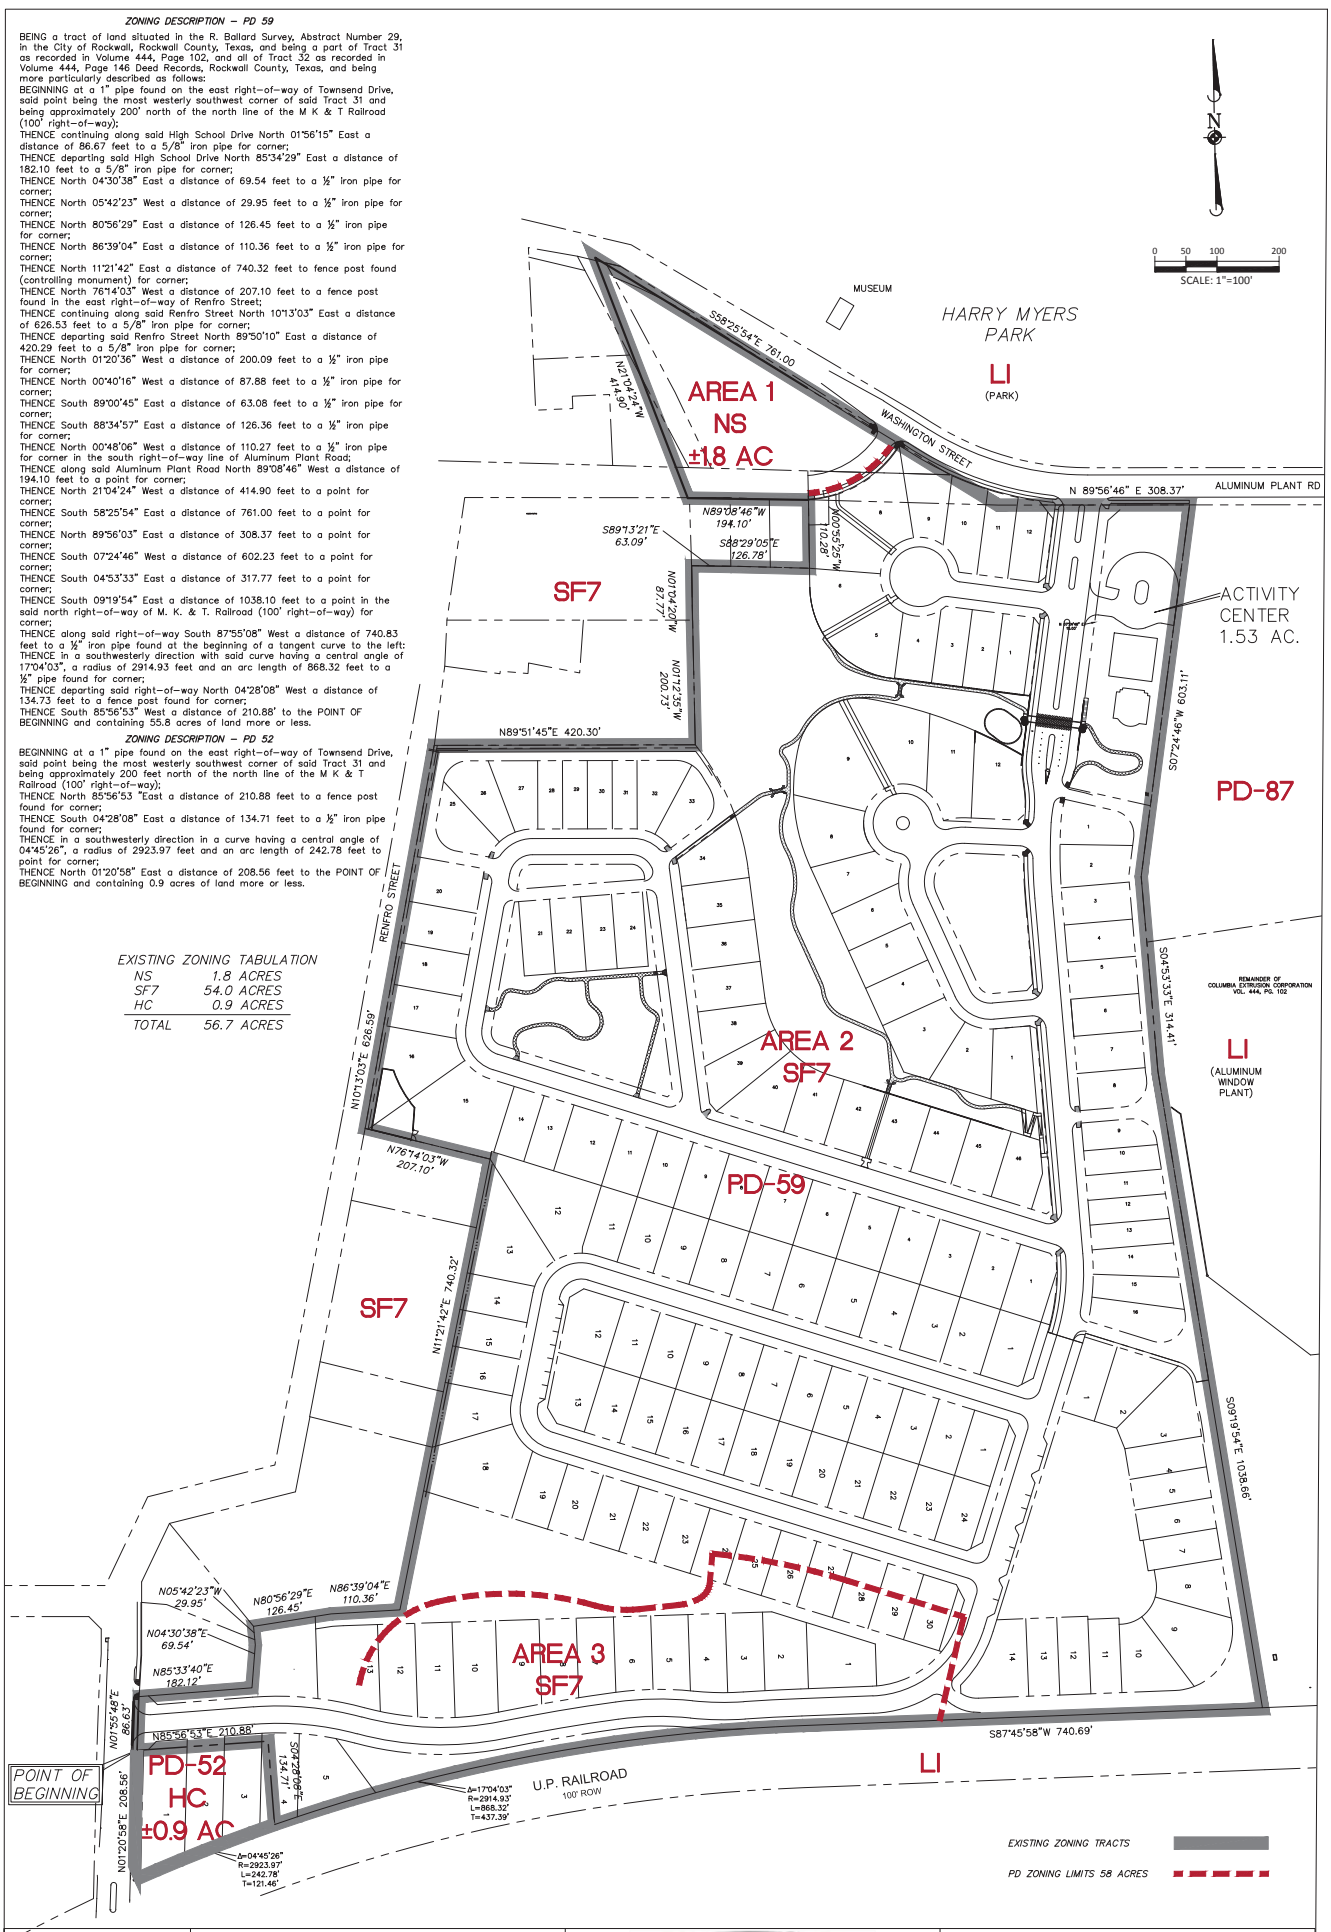
The second is to remove the Area 3 commercial use from PD-59 on up to 19 lots leaving them as residential lots only. Original planning for Ph III included this "Live/Work" component as this was a popular idea. As time has passed and the demand for Park Place residential lots is strong enough, I feel the Live/Work use would be incompatible with the balance of the community.

By rezoning the area we will eliminate potential unwanted use of some of the lots now and in the future while adding a viable and useful area zoned for services to the neighborhood and community.

Sincerely;

C.W. Bricker
President

ZONING DESCRIPTION – PD 59



BEING a tract of land situated in the R. Ballard Survey, Abstract Number 29, in the City of Rockwall, Rockwall County, Texas, and being a part of Tract 31 as recorded in Volume 444, Page 102, and all of Tract 32 as recorded in Volume 444, Page 146 Deed Records, Rockwall County, Texas, and being more particularly described as follows:
BEGINNING at a 1" pipe found on the east right-of-way of Townsend Drive, said point being the most westerly southwest corner of said Tract 31 and being approximately 200' north of the north line of the M K & T Railroad (100' right-of-way);
THENCE continuing along said High School Drive North 01°56'15" East a distance of 86.67 feet to a 5/8" iron pipe for corner;
THENCE departing said High School Drive North 85°34'29" East a distance of 182.10 feet to a 5/8" iron pipe for corner;
THENCE North 04°30'38" East a distance of 69.54 feet to a ½" iron pipe for corner;
THENCE North 05°42'23" West a distance of 29.95 feet to a ½" iron pipe for corner;
THENCE North 80°56'29" East a distance of 126.45 feet to a ½" iron pipe for corner;
THENCE North 86°39'04" East a distance of 110.36 feet to a ½" iron pipe for corner;
THENCE North 11°21'42" East a distance of 740.32 feet to fence post found (controlling monument) for corner;
THENCE North 76°14'03" West a distance of 207.10 feet to a fence post found in the east right-of-way of Renfro Street;
THENCE continuing along said Renfro Street North 10°13'03" East a distance of 626.53 feet to a 5/8" iron pipe for corner;
THENCE departing said Renfro Street North 89°50'10" East a distance of 420.29 feet to a 5/8" iron pipe for corner;
THENCE North 01°20'36" West a distance of 200.09 feet to a ½" iron pipe for corner;
THENCE North 00°40'16" West a distance of 87.88 feet to a ½" iron pipe for corner;
THENCE South 89°00'45" East a distance of 63.08 feet to a ½" iron pipe for corner;
THENCE South 88°34'57" East a distance of 126.36 feet to a ½" iron pipe for corner;
THENCE North 00°48'06" West a distance of 110.27 feet to a ½" iron pipe for corner in the south right-of-way line of Aluminum Plant Road;
THENCE along said Aluminum Plant Road North 89°08'46" West a distance of 194.10 feet to a point for corner;
THENCE North 21°04'24" West a distance of 414.90 feet to a point for corner;
THENCE South 58°25'54" East a distance of 761.00 feet to a point for corner;
THENCE North 89°56'03" East a distance of 308.37 feet to a point for corner;
THENCE South 07°24'46" West a distance of 602.23 feet to a point for corner;
THENCE South 04°53'33" East a distance of 317.77 feet to a point for corner;
THENCE South 09°19'54" East a distance of 1038.10 feet to a point in the said north right-of-way of M. K. & T. Railroad (100' right-of-way) for corner;
THENCE along said right-of-way South 87°55'08" West a distance of 740.83 feet to a ½" iron pipe found at the beginning of a tangent curve to the left;
THENCE in a southwesterly direction with said curve having a central angle of 17°04'03", a radius of 2914.93 feet and an arc length of 868.32 feet to a ½" pipe found for corner;
THENCE departing said right-of-way North 04°28'08" West a distance of 134.73 feet to a fence post found for corner;
THENCE South 85°56'53" West a distance of 210.88' to the POINT OF BEGINNING and containing 55.8 acres of land more or less.

ZONING DESCRIPTION – PD 52

BEGINNING at a 1" pipe found on the east right-of-way of Townsend Drive, said point being the most westerly southwest corner of said Tract 31 and being approximately 200 feet north of the north line of the M K & T Railroad (100' right-of-way);
THENCE North 85°56'53 "East a distance of 210.88 feet to a fence post found for corner;
THENCE South 04°28'08" East a distance of 134.71 feet to a ½" iron pipe found for corner;
THENCE in a southwesterly direction in a curve having a central angle of 04°45'26", a radius of 2923.97 feet and an arc length of 242.78 feet to point for corner;
THENCE North 01°20'58" East a distance of 208.56 feet to the POINT OF BEGINNING and containing 0.9 acres of land more or less.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) [ORDINANCE NO.'s 04-59 AND -6-51] AND PLANNED DEVELOPMENT DISTRICT 52 (PD-52) [ORDINANCE NO. 16-45] FOR THE PURPOSE OF INCORPORATING A 0.789-ACRE TRACT OF LAND FOR RESIDENTAL-OFFICE (RO) DISTRICT LAND USES BEING A 56.586-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ZONED PLANNED DEVELOPMENT DISTRICT 52 (PD-52) AND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'* AND DEPICTED HEREIN BY *EXHIBIT 'B'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the applicant Bill Bricker of Columbia Development Company, LLC, for the approval of an amendment to Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses, being a 56.586-acre tract of land identified as a portion of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) [*Ordinance No. 16-45*] and Planned Development District 59 (PD-59) [*Ordinance No.'s 04-59 and 06-51*], located between W. Washington Street and T. L. Townsend Drive and more fully described in *Exhibit 'A'* and depicted in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 59 (PD-59) [*Ordinance No.'s 04-59 and 06-51*], Planned Development District 52 (PD-52) [*Ordinance No. 16-45*], and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No.'s 04-59 and 06-51*;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future;

SECTION 3. That development of the *Subject Property* shall be in accordance with the *Planned Development Concept Plan*, contained in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

SECTION 4. That development of the *Subject Property* shall be in accordance with the *Development Standards*, described in *Exhibit 'F'* of this ordinance, attached hereto and incorporated herein by

172

reference as *Exhibit 'F'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

SECTION 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* (*$2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

SECTION 8. That this ordinance shall take effect immediately from and after its passage;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF FEBRUARY, 2019.

_____
Jim Pruitt, *Mayor*

ATTEST:

_____
Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

_____
Frank J. Garza, *City Attorney*

178

Phases 1-4 (56.586-Acres): Development Standards for all Phases

(1) *Streetscape Standards.* The following aspects of development shall be reviewed in conjunction with a preliminary plat and/or site plan:

(a) *Street Lighting.* Street lighting shall be compatible with neo-traditional design methods, the Old Town Rockwall Historic District guidelines, and any proposed guidelines for the City's Downtown Plan.

(b) *Street Signage and Traffic Control.* Signage and traffic control methods shall be compatible with neo-traditional design and complement the surrounding historic areas of the City.

(c) *Street Sections*. A PD Development Plan shall include any alternative street and alley cross-sections, paving methods, use of street trees, and other proposed engineering details.

(2) *Private Parks and Open Space.* Details for private parks and open space as indicated in *Exhibit 'B'* shall be subject to the following requirements and approved as part of the preliminary plat and/or site plan:

(a) A site/landscape plan for all open space, pocket parks, the community center, and trail systems. The development plan and/or preliminary plat shall also be reviewed by the City's Parks and Recreation Board.

(b) All city-required trails and public sidewalks shall be constructed with concrete and meet all City standards.

(c) Drainage area trails, which shall be maintained by the HOA, may be constructed with asphalt.

(d) The developer shall install a screening fence adjacent to the railroad along the south boundary of the subject property. The exact location, construction material(s), and height of the screening fence shall be reviewed and approved as part of the required site plan.

(3) *Hardscape.* Hardscape plans--depicted in *Exhibit 'E'*--indicating the location of all sidewalks and trails shall be reviewed and approved with the preliminary plat and/or final plat.

(4) *Fence Standards.* All fences shall be required to be wrought iron or tubular steel and vinyl shall be a minimum of four (4) feet in height; however, may not exceed a maximum of eight (8) feet in height unless situated in the front yard. Front yard fences shall meet the following requirements:

(a) No front yard fences shall be located within a public right-of-way;

(b) The maximum height for a front yard fence is 42-inches (*i.e. 3 ½ feet*); and

(c) All front yard fences shall be open or *picket-style* fencing constructed of wrought iron, tubular steel, or vinyl.

Phase 1: Neighborhood Services (1.8-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, *Phase 1* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Neighborhood Services (NS) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance*

DRAFT ORDINANCE 01-20

(2) *No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

(3) *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, *Phase 1* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards for the Neighborhood Services (NS) District as stipulated in Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future. All lots shall conform to the standards depicted in *Table 1*, which are as follows:

Table 1: Density and Dimensional Requirements

Minimum Lot Width [1]	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	15'
Minimum Side Yard Setback	20'
Minimum Distance Between Buildings	15'
Maximum Height	36'
Minimum Rear Yard Setback	20'
Maximum Lot Coverage	60%
Maximum Building Size	5,000 SF

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

(4) *Building Standards.* All development shall be subject to site plan and Architectural Review Board (ARB) review and shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for the exterior façades of all buildings shall be 80%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Roof Design Requirements.* All structures having a footprint of 6,000 SF or less shall be constructed with a pitched roof system.

(c) *Architectural Requirements.* All units shall be architecturally finished on all sides of the building that are visible from a public right-of-way or open space. This should include the detailing and features. This will be reviewed by the Architectural Review Board (ARB) for conformance.

(5) *Landscape Buffer.* A minimum 10-foot landscape buffer shall be required along all street frontages. The buffer shall include a minimum of one (1) tree per 30 linear feet.

(6) *Signage.* Permanent, free-standing signage for Phase 1 shall be limited to one (1) monument not exceeding five (5) feet in height or a maximum of 60 SF in area.

(7) *Lighting.* In addition to the outdoor lighting requirements stipulated in Article VII, Environmental Performance, of the Unified Development Code (UDC), no light pole, pole base, or combination thereof shall exceed 20-feet in height. All lighting fixtures shall focus downward and be contained on the subject property

DRAWING ORD. 20-09

Phases 2 & 3: Single-Family 7 (53.6-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, *Phases 2 & 3* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Single-Family 7 (SF-7) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

(2) *Density and Dimensional Requirements.* Any development on *Phases 2 & 3* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards required for properties in a Single-Family 7 (SF-7) District as stipulated by Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

Table 2: SF-7 Lot Dimensional Requirements

Minimum Lot Width [1]	40'
Minimum Lot Area	4,000 SF
Minimum Average Lot Area	7,000 SF
Minimum Front Yard Setback [2] & [3]	10'
Minimum Side Yard Setback [4]	5'
Minimum Side Yard Adjacent to a Street	10
Minimum Distance Between Buildings	15'
Maximum Height [3]	36'
Minimum Rear Yard Setback [4, 5]	10'
Maximum Lot Coverage	60%

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the single-family home.
[4]: The minimum side yard setback for an internal lot or a lot abutting open space or HOA common area is five (5) feet. For yards abutting a street, the minimum side yard setback shall be 10-feet.
[5]: Lots with double frontage shall have a minimum rear yard setback of 15 feet.

(3) *Building Standards.* Housing type and construction shall generally conform to the *Architectural Styles* depicted in *Exhibit 'G'* of this ordinance; however, all development shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for all exterior façades (*excluding walls on a porch, patio, courtyard, or breezeway*) greater than 100 SF shall be 80%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Anti-Monotony.* An anti-monotony standard shall not allow the same structure—in terms of materials and elevation--any closer than five (5) houses apart on either side of the street.

(c) *Common Areas and Open Space.* All common areas, dedicated landscape easements, and open space areas shall be maintained by a Homeowner's Association, which shall be created subject to the requirements of the City's Subdivision Ordinance and filed prior to approval of the final plat(s)

(d) *Guest Quarters/Secondary Living Unit.* A guest quarters/secondary living unit shall be permitted by-right within Phases 2 & 3 and subject to the following conditions:

(i) Such quarters must be ancillary to the primary use;

(ii) The area of such quarters shall not exceed 30% of the area of the main structure;

(iii) The area of such quarters shall also conform to the maximum lot coverage for the overall lot;

(iv) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the *Subdivision Ordinance*; and

(v) Such quarters shall be designed for temporary occupancy or as a secondary living unit. These structures are not to be used as rental accommodations.

(4) *Access.* Lots with rear yards that abut Renfro Street shall not have access from Renfro Street.

Phase 4: Residential-Office (1.3-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development District Ordinance, *Phase 4* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Residential-Office (RO) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future; however, the following conditions shall apply:

The following land uses shall be expressly prohibited on the *Phase 4*:

- ☑ Accessory Building
- ☑ Bed and Breakfast
- ☑ Convent or Monastery
- ☑ Daycare (7 or more children)
- ☑ Residential Care Facility
- ☑ Assisted Living Facility
- ☑ Convalescent Care Facility/Nursing Home
- ☑ Congregate Care Facility
- ☑ General Retail Store*
- ☑ Group or Community Home
- ☑ Halfway House
- ☑ Library, Art Gallery, or Museum (Public)
- ☑ Railroad Yard or Shop
- ☑ Studio-Art, Photography, or Music
- ☑ Shoe and Boot Repair and Sales
- ☑ Transit Passenger Facility
- ☑ Antenna, Accessory
- ☑ Antenna, Commercial
- ☑ Antenna, Amateur Radio
- ☑ Antenna, Dish
- ☑ Wireless Communication Tower
- ☑ Utilities (Non-Municipally Owned or Controlled), Including Sanitary Landfill and Wastewater Treatment
- ☑ Municipally Owned or Controlled Facilities, Utilities, and Use

DRAFT
01.22.19

*General Retail Store less than 2,000 SF shall be allowed by-right. General Retail Stores larger than 2,000 SF shall require a Specific Use Permit

The following land uses shall be permitted by Specific Use Permit (SUP) on the *Phase 4*:

- ☑ General Retail Store*
- ☑ Hair Salon, Manicurist
- ☑ Office Building, 5,000 SF or More
- ☑ Restaurant, Less Than 2,000 SF w/o Drive-Thru
- ☑ Solar Energy Collector Panels and Systems

*General Retail Store less than 2,000 SF shall be allowed by-right. General Retail Stores larger than 2,000 SF shall require a Specific Use Permit

(2) *Density and Dimensional Requirements.* Any development on *Phase 4* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards required for properties in a Residential-Office (RO) District as stipulated by Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future; however, all development shall adhere to the following building standards:

Table 3. Density and Dimensional Requirements

Minimum Lot Width [1]	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	10'
Minimum Side Yard Setback	5'
Minimum Distance Between Buildings	15'
Maximum Height [3]	36'
Minimum Rear Yard Setback	10'
Maximum Lot Coverage	60%

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the residential-office structure.

(3) *Building Standards. Building Standards.* Housing type and construction shall generally conform to the *Architectural Styles* depicted in *Exhibit 'G'* of this ordinance; however, all development shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for all exterior façades (*excluding walls on a porch, patio, courtyard, or breezeway*) greater than 100 SF shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Anti-Monotony.* An anti-monotony standard shall not allow the same structure—in terms of materials and elevation--any closer than five (5) houses apart on either side of the street.

DRAFT ORDINANCE 04-2019

(c) *Common Areas and Open Space.* All common areas, dedicated landscape easements, and open space areas shall be maintained by a Homeowner's Association, which shall be created subject to the requirements of the City's Subdivision Ordinance and filed prior to approval of the final plat(s).

(d) *Guest Quarters/Secondary Living Unit.* A guest quarters/secondary living unit shall be permitted by-right within Phases 2 & 3 and subject to the following conditions:

(i) Such quarters must be ancillary to the primary use;

(ii) The area of such quarters shall not exceed 30% of the area of the main structure;

(iii) The area of such quarters shall also conform to the maximum lot coverage for the overall lot; and

(iv) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the *Subdivision Ordinance*.

(v) Such quarters shall be designed for temporary occupancy or as a secondary living unit. These structures are not to be used as rental accommodations.

(4) *Access.* Lots with rear yards that abut Renfro Street shall not have access from Renfro Street.

(5) *Parking Requirements*. Parking requirements for Phase 4 shall be all follows:

(a) Two (2) parking spaces per lot for single-family uses.

(b) One (1) additional space per 500 SF for non-residential uses as permitted by this ordinance. Off-site common or shared parking agreements shall be considered for Phase 4, subject the review of the proposed parking area(s) with the required development plan.

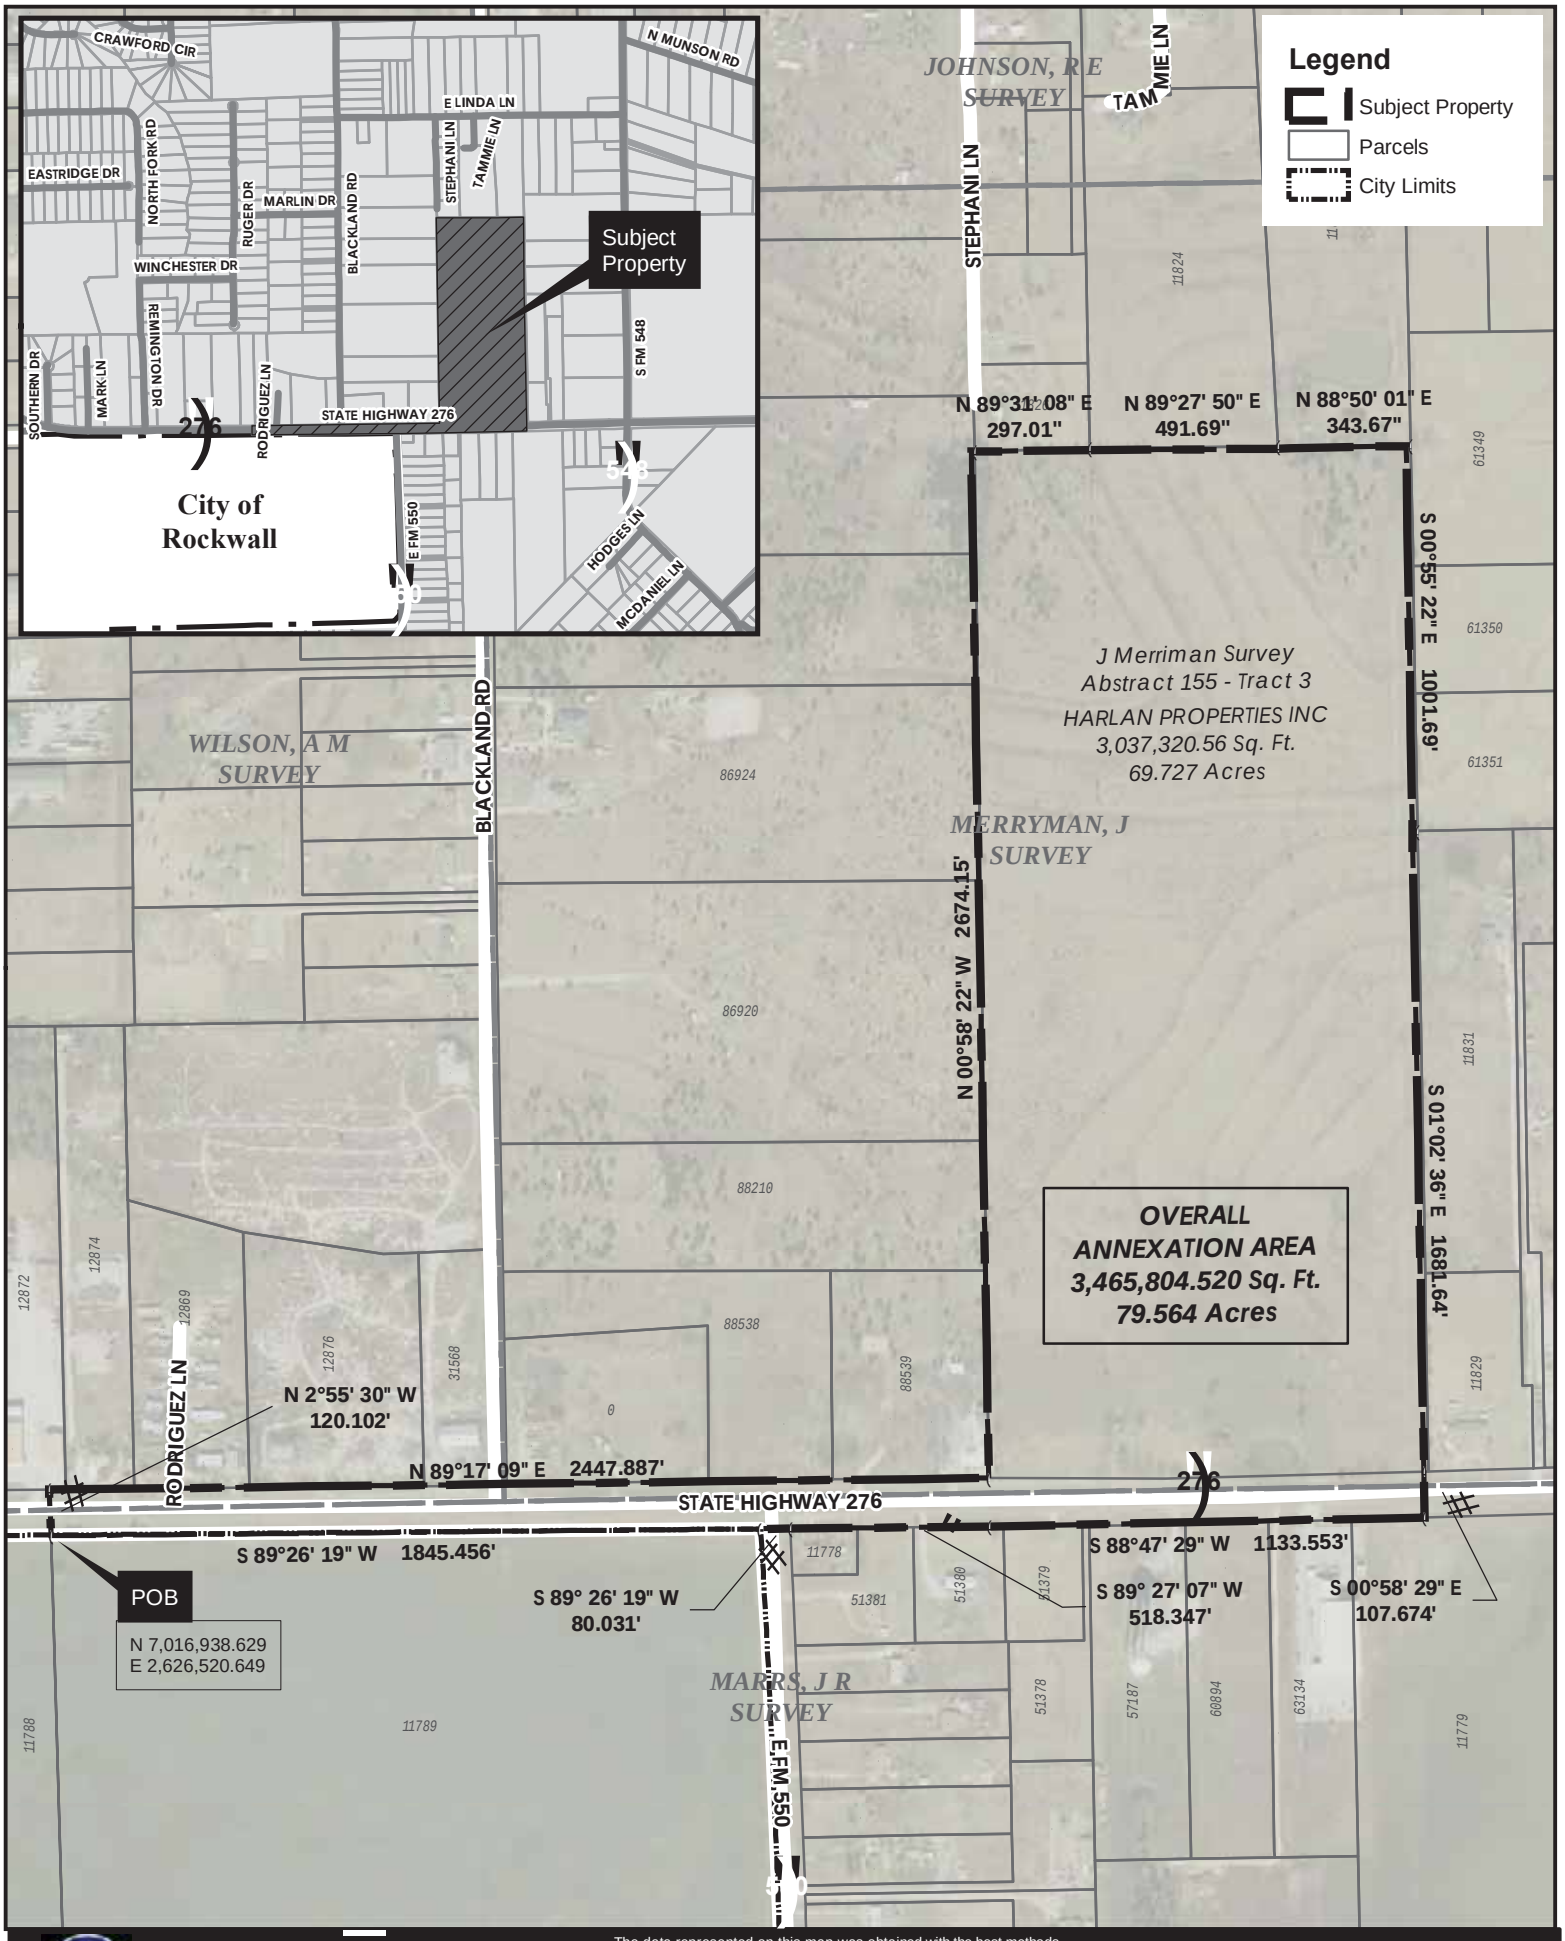
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*



DATE: January 22, 2019

SUBJECT: A2018-005; *Harlan Properties Inc. Annexation*

On January 22, 2019, the City Council will be holding the first (*6:00 PM*) and second (*6:30 PM*) public hearings to consider the voluntary annexation of 79.564-acres of land located within the City's Extraterritorial Jurisdiction (ETJ). Suresh Shridharani, on behalf of Harlan Properties Inc., is requesting the annexation for the purpose of incorporating the property into the City of Rockwall to develop a residential subdivision.

Staff has followed the procedures for annexations as set forth in Chapter 43, *Municipal Annexations*, of the Texas Local Government Code relative to notifying affected property owners and publishing notices in the newspaper and on the City's website. Attached to this memorandum is a location map and service plan for the proposed annexation. In addition, this document has been made available to the public at City Hall and on the City's website.

No action on this matter is required by the City Council on January 22, 2019. The 1st reading of the annexation ordinance is scheduled for February 18, 2019 and the 2nd (*and final*) reading of the ordinance is scheduled for March 4, 2019.

STATE HWY 276 EAST ANNEXATION
79.564 Acres

LEGAL DESCRIPTION

BEING an approximate 79.564 acre tract of land situated in the J. Merriman Survey, Abstract 155, A.M. Wilson Survey, Abstract 223, and J.R. Marr's Survey, Abstract 152 as recorded in the County of Rockwall, Texas and being more particularly described as follows:

BEGINNING at a point in the Northwestern corner of Abstract J.R. Marr's Survey, Tract 10-1 (105.925 acres) and the South Right of Way line of State Highway 276, (NAD83- State Plane Coordinates, North Central Texas Zone 4202, N 7,016,938.629, E 2,626,520.649), said point being the **POINT OF BEGINNING**;

THENCE N.02°55'30"W., crossing State Highway 276, a distance of 120.102 feet for a corner;

THENCE N.89°17'09"E., along the North Right of Way line of State Highway 276, a distance of 2447.887 feet for a corner;

THENCE N.00°58'22"W., along the West property line of Abstract 155, Tract 3 (a 69.727 acre tract) a distance of 2674.15 feet for a corner;

THENCE N.89°31'08"E., along the North property line of said tract, a distance of 297.01 feet for a point;

THENCE N.89°27'50"E., along the North property line, a distance of 491.69 feet for a point;

THENCE N.88°50'01"E., along the North property line, a distance of 343.67 feet for a corner;

THENCE S.00°55'22"E., along the East property line, a distance of 1001.69 feet for a point;

THENCE S.01°02'36"E., along the East property line, a distance of 1681.64 feet for a point;

THENCE S.00°58'29"E., crossing State Highway 276, a distance of 107.674 feet for a corner;

THENCE S.88°47'29"W., along the South Right of Way line of State Highway 276, a distance of 1133.553 feet for a corner;

THENCE S.89°27'07"W., along said Right of Way line, a distance of 518.347 feet for a corner;

THENCE S.89°26'19"W., crossing Farm to Market 550, a distance of 80.031 feet for a corner;

THENCE S.89°26'19"W., continuing along the South Right of Way line of State Highway 276, a distance of 1845.456 feet to the **POINT OF BEGINNING**. Containing 3,465,804.520 square feet or 79.564 acres, more or less.

This description is intended to follow any adjacent recorded tract lines and existing City Limits or Road Right of Way lines.

END OF DESCRIPTION.

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-005
City and County of Rockwall, Texas

Acreage Annexed: 79.564-acres

Survey Abstract and County: Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: March 4, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Mary Smith, *Assistant City Manager*
Ryan Miller, *Director of Planning and Zoning*

FROM: David Gonzales, *Planning and Zoning Manager*

DATE: January 22, 2019

SUBJECT: Z2018-058; *SUP for a Craft Winery & Commercial Amusement/Recreation (Outdoor)*

At the Planning and Zoning Commission meeting on January 15, 2019, the Planning and Zoning Commission held a public hearing and approved a motion to recommend approval of a Specific Use Permit (SUP) to allow for a *Craft Winery* and *Commercial Amusement/Recreation* (*Outdoor*). The motion was approved by a vote of 5 to 2 with Commissioners Lyons and Chodun dissenting. The applicant, Tim McCallum, has requested to postpone the public hearing scheduled for *Tuesday, January 22, 2019,* due to a conflict in his schedule that will not allow him to be present at this meeting. This means that the proposed City Council public hearing for this case will be held on *February 4, 2018*.

According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II, Authority and Administrative Procedures, of the Unified Development Code (UDC), a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

Gonzales, David

Subject: Re: SUP for Winery

David,

Please accept this email as a formal request to move our initial public hearing to the following meeting, February 4th, 2019. That would make our second public hearing on February 18th, 2019 according to the City Council meeting schedule. When you have time, I would appreciate your confirmation of those days. Unfortunately, I was called out of town for work on the 21st and 22nd, prohibiting me from being available for the originally scheduled time next week. I appreciate your help and thank you.

Respectfully,

Tim McCallum
He Wines She Dines, LLC

1

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Tim McCallum

AGENDA ITEM: **Z2018-058;** *SUP for a Craft Winery and Commercial Amusement/ Recreation (Outdoor)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of a Specific Use Permit (SUP) for a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant, Tim McCallum, has submitted a request for a Specific Use Permit (SUP) to allow a *Craft Winery* and *Commercial Amusement/Recreation* (*Outdoor*) facility to be located within a Commercial (C) District. Currently, the subject property -- *at 203 County Line Road* -- is being operated as a warehouse and shipping facility for the applicant's wine club (*i.e. no retail sales*). The applicant has stated that they would like the opportunity to expand this use to a *Craft Winery* for the purpose of allowing wine to be mixed, produced and sold on-site. With this request, the applicant has submitted a floor plan showing the proposed *Craft Winery* layout, which will be situated in a 1,250 SF building. Of this area, 500 SF of the building [*i.e. 40% of total SF*] will be dedicated for the retail sales and tasting component of the on-site manufactured product. The remaining 750 SF will be used for wine display racks, an overhead storage area, blending tanks, and wine barrels. Additionally, the applicant has provided a concept plan for the *Commercial Amusement/Recreation (Outdoor)* use [*i.e. outdoor venue*], which will be located outdoors in front of the facility. The applicant has indicated to staff that this area will be used on a limited and infrequent basis. In addition, Mr. McCallum has submitted a letter indicating that the use of the outdoor venue will only take place on a scheduled basis, Thursday through Monday (*i.e. nights, weekends, and occasionally on Mondays and holidays*). The outdoor venue will include a seating area, space for food vendors, and space for live music [*e.g. acoustic guitar*].

According to Section 1.1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), both the *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* land uses require approval of a Specific Use Permit (SUP) in a Commercial (C) District. Additionally, Section 2.1.6, of Article IV, *Permissible Uses*, of the UDC, defines a *Craft Winery* as being a small scale manufacturing and retail operation that is subject to the following conditions: (1) the total building area (*i.e. area under roof*) is less than 12,000 SF, and (2) the total floor area dedicated to the direct sale of the on-site manufactured product does not exceed a maximum of 40% of the total floor area. The section also goes on to list the permitted accessory uses as:

(a) a tasting room to dispense product manufactured on site for on premise consumption,
(b) a meeting/banquet facility,

(c) a restaurant, and/or
(d) the retail sales of on-site manufactured product for off-premise consumption.

Included in the attached packet is the applicant's letter outlining the proposed business plan, a concept plan depicting the outdoor venue, a floor plan for the *Craft Winery*, and a draft ordinance containing regulations for the proposed land uses. Based on staff's review, the applicant's request does appear to be in conformance with these requirements; however, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

ADJACENT LAND USES AND ACCESS:

The subject property is generally situated north of the intersection of Horizon Road [*FM-3097*] and County Line Road, and is addressed as 203 County Line Road. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 14.374-acre tract of land, restricted as open space and drainage per the requirements of Planned Development District 75 (PD-75).

South: Directly south of the subject property is a continuation of the Buffalo Creek Business Park, LTD, which represents a 6.841-acre portion of a larger 9.84-acre tract of land identified as Tracts 20, 20-05, and 20-06 of the W. W. Ford Survey, Abstract No. 80. Currently on this property are several non-residential structures, which are occupied (*i.e. multi-tenant strip centers and individual standing buildings*). All of these properties are zoned Commercial (C) District.

East: Directly east of the subject property is a continuation of Buffalo Creek Business Park, LTD, which represents a 1.00-acre portion of a larger 9.84-acre tract of land identified as Tracts 20-03 of the W. W. Ford Survey, Abstract No. 80. This property is currently occupied with a non-residential structure, and is zoned Commercial (C) District.

West: Directly west of the subject property and beyond the Buffalo Creek Business Park, LTD is Horizon Road [*FM-3097*], which is identified as an TXDOT4D (*i.e. Texas Department of Transportation, four [4] lane, roadway*) on the City's Master Thoroughfare Plan. Beyond this thoroughfare is a 39.347-acre tract of land identified as Tract 93-01, of the E. Teal Survey, Abstract No. 207 and is zoned Agricultural (AG) District. The Buffalo Creek Business Park, LTD is zoned Commercial (C) District.

NOTIFICATION:

On January 2, 2019, staff mailed 63 notices to property owners and residents within 500-feet of the subject property. Staff did not send a neighborhood notification as there were no Home Owners Associations (HOA's) participating in the Neighborhood Notification Program within 1500-feet of the subject property. Additionally, staff posted a sign on the subject property as required by the UDC. At the time this report was drafted, staff had received one e-mail opposed to the applicant's request.

RECOMMENDATIONS:

Should the City Council choose to approve the applicant's request, staff would offer the following conditions of approval:

1) The operation of the *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* on the subject property shall be subject to the following operational conditions, which are contained in the SUP ordinance:

A. *Craft Winery:*

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance.

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance.

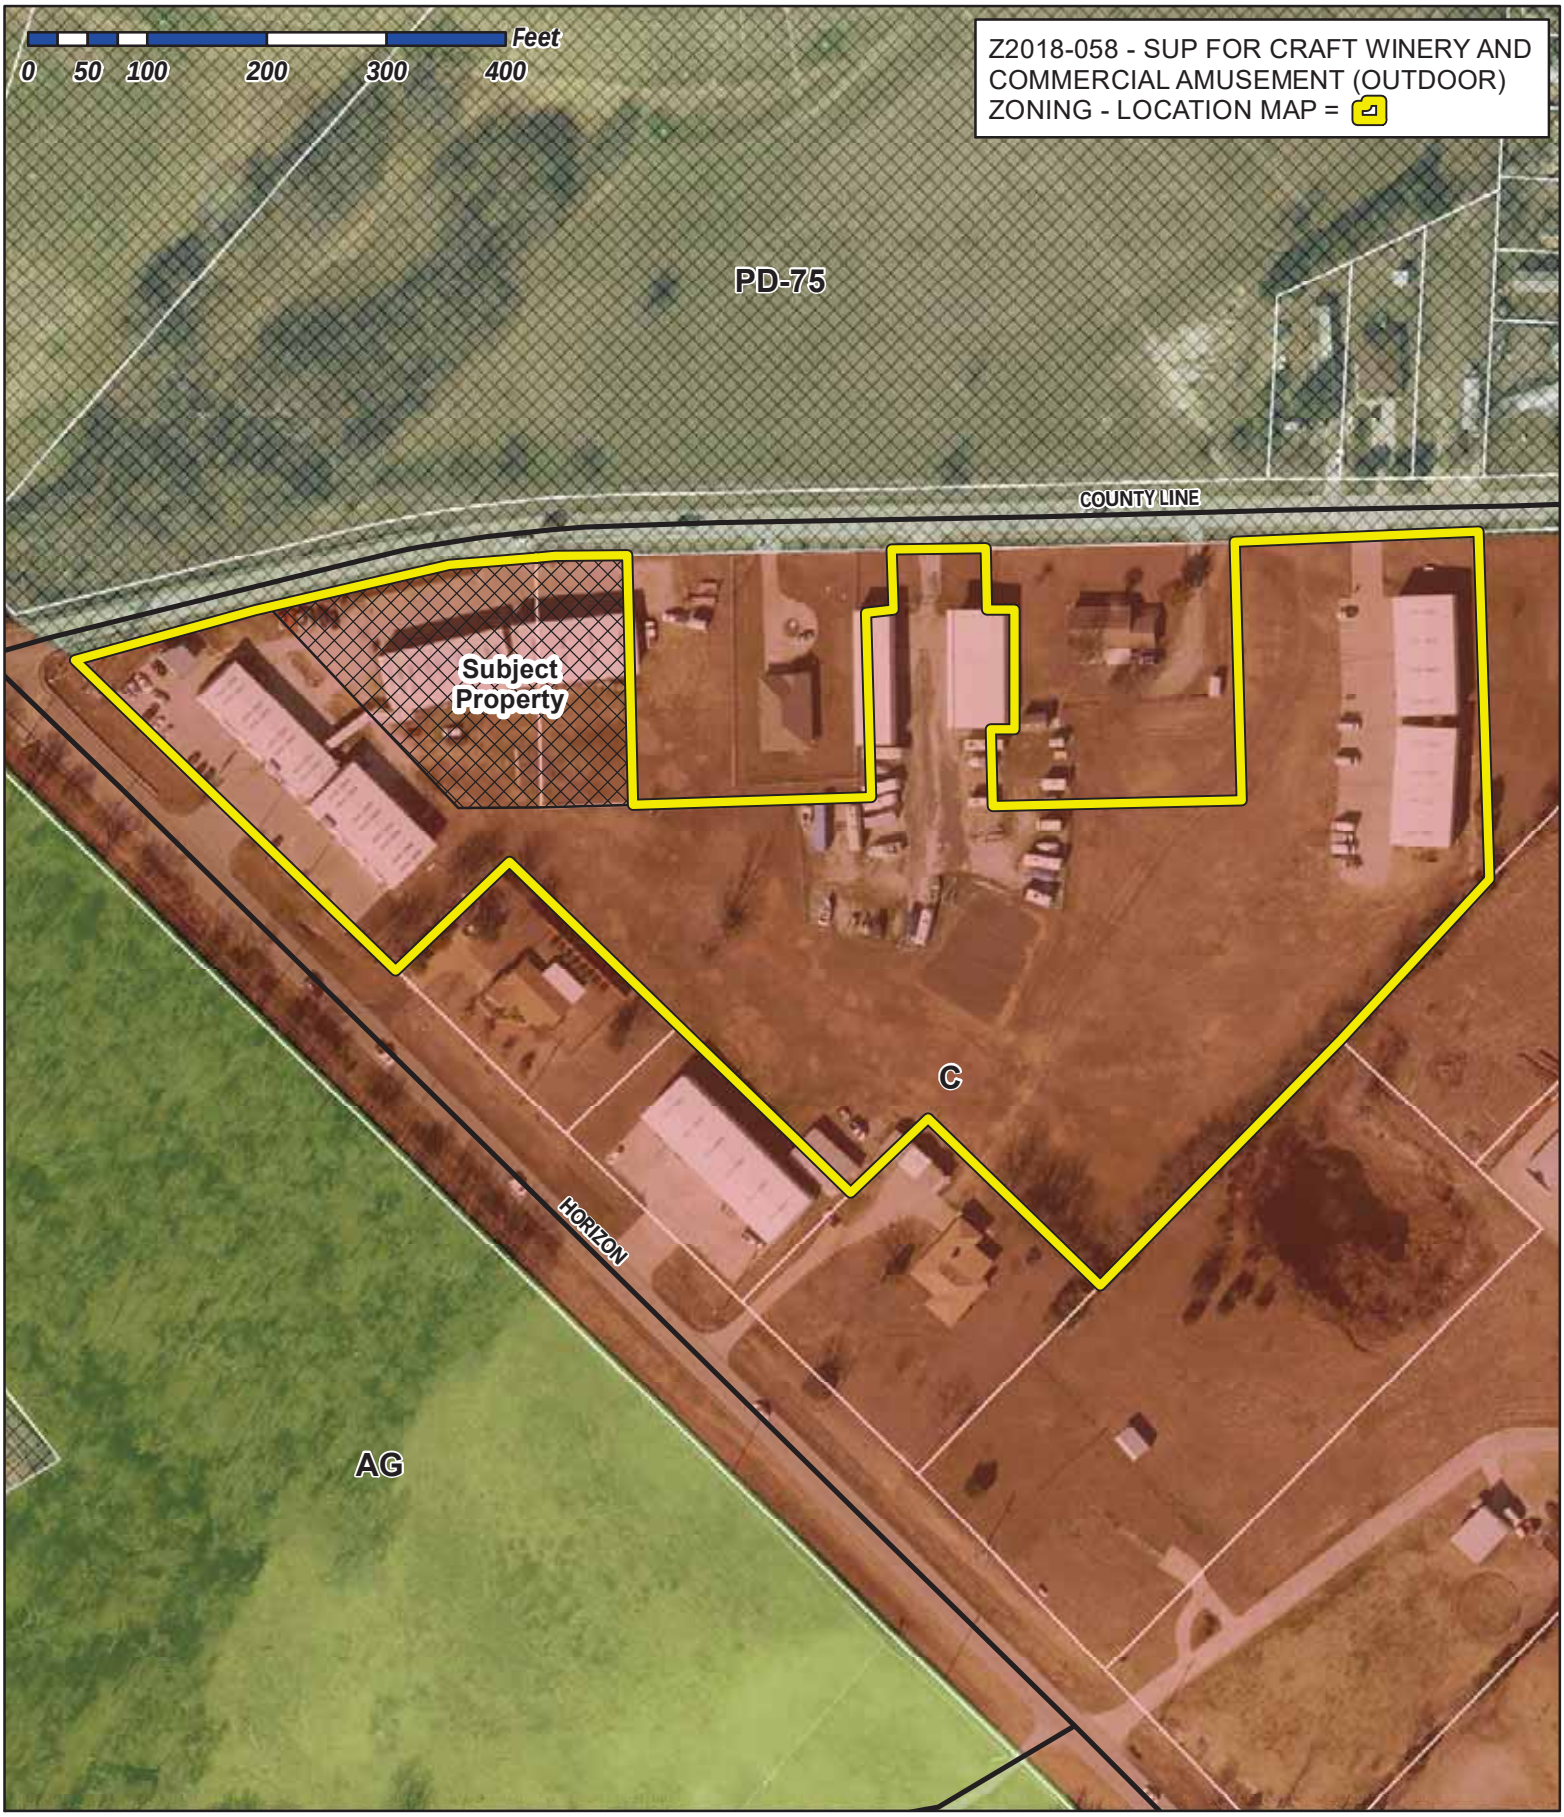
3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. *Commercial Amusement/Recreation (Outdoor)*

1) The operation of a *Commercial Amusement/Recreation* (*Outdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance.

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes.

3) The hours of operation associated with the *Outdoor Venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM.



4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*.

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [*FM-3097*].

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the *UDC*, the *International Building Code*, the *Rockwall Municipal Code of Ordinances*, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 15, 2019, the Planning and Zoning Commission's motion to recommend approval of the Specific Use Permit (SUP) to allow for a Craft Winery and *Commercial Amusement/Recreation* (*Outdoor*) with staff conditions passed by a vote of 5 to 2 with Commissioners Lyons and Chodun dissenting.

Subject: Craft Winery

It has come to my notice that we were sent a letter over the proposition of a winery in our neighborhood. Although some individuals would be in favor of said winery, we would oppose the construction of the winery in our neighborhood to avoid issues with intoxicated people near the area that is home to many families. The traffic that builds up in the area would rather be an inconvenience to this business.

Sincerely,
Jose Arturo and Petra Ramirez

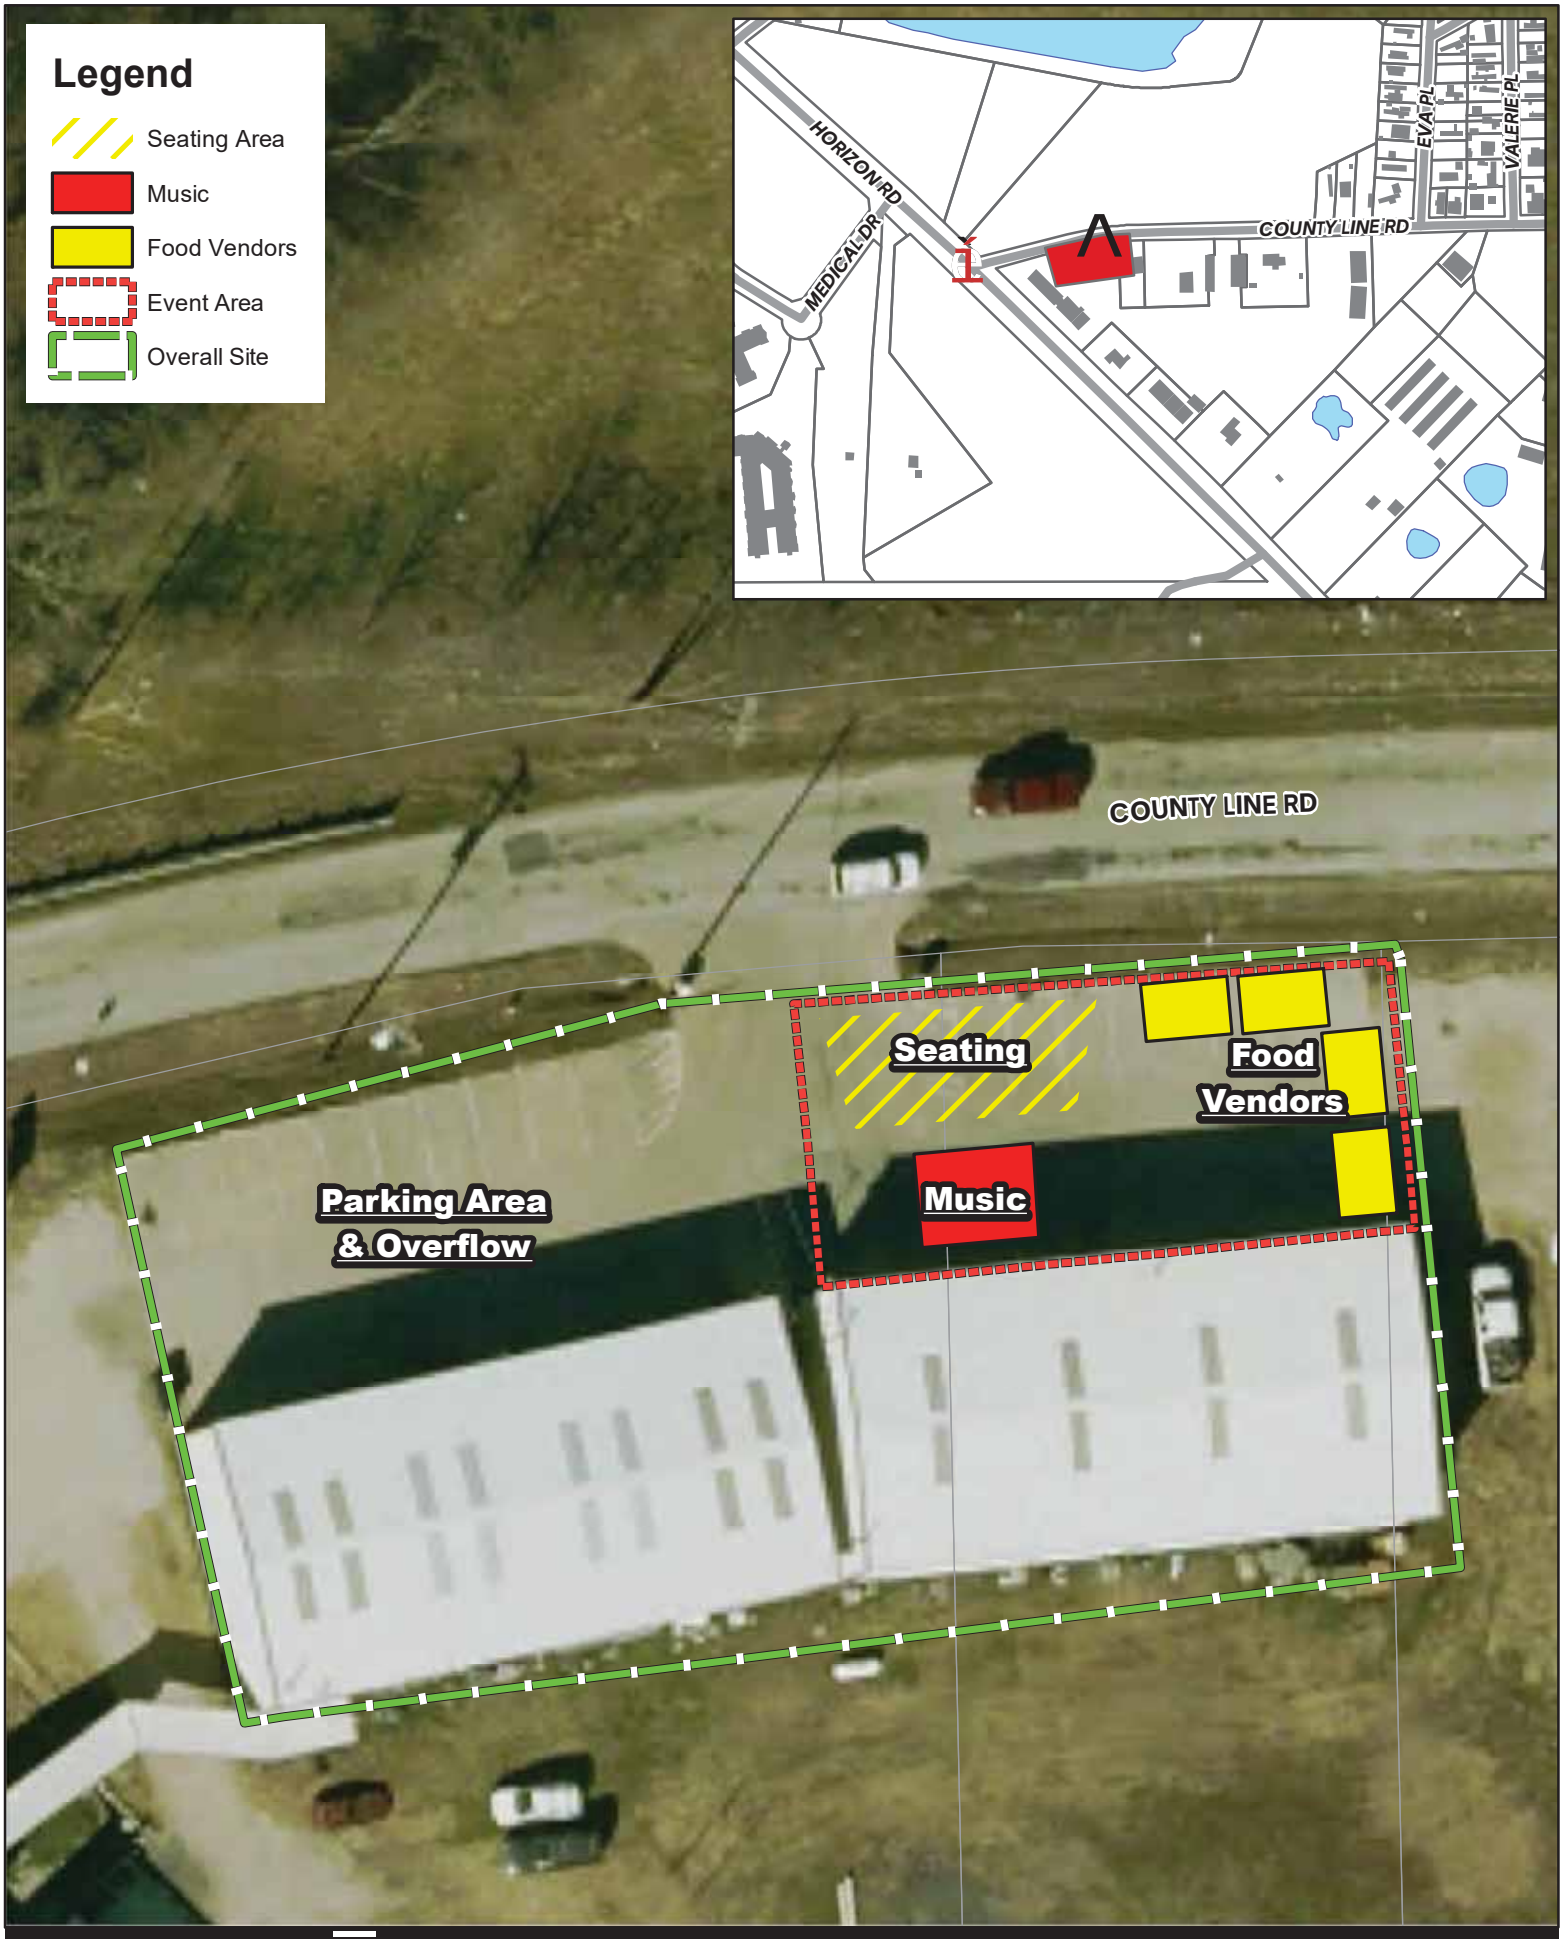
he WINES she DINES

TASTY REVIEWS FROM BOTH PERSPECTIVES

To Whom It May Concern:

He Wines She Dines began as a food review and blog website in 2014. We are a husband and wife team that travels the world looking for the best places to eat, drink and enjoy time together! After garnering thousands of followers, we had so many people asking us about wines to drink, what to buy, and how to order, that we decided we would start a wine club. Pursuing that effort, we quickly realized we needed to be a winery to ship product to our followers. With that in mind, we got our federal winery permit and import license and begin working with wineries in California and France to produce amazing wines to bring to Rockwall. We began operating in the Fall of 2016 at 203 County Line Rd, Rockwall, TX 75032. Until the Fall of 2018, we had never been open to the public. We are predominately an online business that sells to individual members through an e-commerce business model and directly to restaurants. To date, 100% of our production has been done in either Lodi, California or Champagne, France. Additionally, we buy wines from other distributors and wineries to offer a diverse mix of high-quality wines to our members.



In October of 2018, we began hosting a series of periodic "warehouse sales and tastings". During these periodic Saturday events we have been open for limited hours(12-5pm) for patrons to come, try and purchase our wines at lower than retail prices. We have only hosted 3 events this year and they have been very well received.

Moving forward we need a SUP for two primary reasons. First, we are preparing to begin limited production runs, barrel storage and some blending operations at our facility. A new SUP is required for this. Second, we want to expand our ability to have tastings and host events at our facility. These events would be limited in scope, but would potentially include live music, food trucks and seating areas for patrons to enjoy our wines. During these events, the guest area would be contained with a temporary barrier. We may use temporary tents or other covers, umbrellas, etc. for sun and rain protection. We plan to keep a conservative schedule but would like for these events to be held on nights, weekends and holidays ranging from Thursdays-Sundays with occasional Mondays or key National holidays. Our maximum operating hours would be between 11am-12am. No equipment, furniture or materials would be stored outside of the facility.

Thank you for your consideration and Cheers!

Tim and Jennifer McCallum

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A *CRAFT WINERY* AND *COMERCIAL AMUSEMENT/RECREATION (OUTDOOR)* ON A 7.2-ACRE TRACT OF LAND, ADDRESSED AS 203 COUNTY LINE ROAD AND BEING IDENTIFIED AS TRACTS 20-01 & 20-07 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Tim McCallum of He Wines She Dines, LLC for the approval of a Specific Use Permit (SUP) for a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* for the purpose of establishing a *Craft Winery* in conjunction with an outdoor venue on a 7.2-acre Tract of land, zoned Commercial (C) District, being identified as Tract 20-01 & 20-07 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, addressed as 203 County Line Road, and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* as stipulated by Article *IV, Permissible Uses,* of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in *Section 1.1, Land Use Schedule,* of *Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District,* of *Article V, District Development Standards,* of the Unified

PRELIMINARY ORDINANCE 2019

Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the additional following conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* use on the *Subject Property* and conformance to these requirements is necessary for continued operations:

A. *Craft Winery:*

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance;

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance; and,

3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. *Commercial Amusement/Recreation (Outdoor)*

1) The development and operation of a *commercial amusement/recreation* (*outdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes;

3) The hours of operation associated with the *outdoor venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM;

4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*; and,

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [FM-3097].

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified

DRAFT ORDINANCE 02.19

Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF FEBRUARY, 2019.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Heather Cullins

AGENDA ITEM: **Z2018-059;** *Zoning Change (SFE-2.0 to SFE-1.5)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Heather Cullins for the approval of a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 1085 Dalton Road, and take any action necessary.

BACKGROUND INFORMATION AND PURPOSE:

The applicant is requesting a change in zoning from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate 1.5 (SFE-1.5) District for the purpose of subdividing the subject property. The subject property is situated on a 3.03-acre tract of land, zoned Single-Family Estate 2.0 (SFE-2.0) District, and is addressed as 1085 Dalton Road.

The subject property was annexed in 1983 [*Ordinance No. 83-57*] and was part of a larger tract of land. In 2018, the previous property owner requested to rezone the subject property from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District [*Z2017-045*] and platted [*P2017-049*] the tract of land. As part of this case, the previous property owner stated the purpose of platting the property was to create two (2) lots (*i.e. Lots 1 & 2, Hodgdon Addition*) to construct a single-family home on Lot 1. The applicant purchased the subject property (*i.e. Lot 1*) in 2017 for the purpose of constructing a single-family home. According to the applicant, after purchasing the subject property, another property was discovered and the plan to construct a single-family home on the subject property was abandoned. The applicant as also stated there have been inquiries about purchasing the subject property; however, the size of the lot (*i.e. 3.05-acres*) was too large, and potential buyers only wanted half or a portion of the lot. Based on this, the applicant is requesting to re-zone the subject property with the intent of subdividing the tract of land into two (2) ~1½-acre lots. Currently, floodplain traverses the property and should any improvements impact the floodplain, a flood study could be required.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are all follows:

North: Directly north of the subject property is Dalton Road, which is identified as a M4U (*Major Collector, four [4] lane, undivided roadway)*. Beyond this is a tract of vacant land that is zoned Agriculture (AG) District.

South: Directly south of the subject property is a single-family residential subdivision [*i.e. Promenade Harbor*] zoned Single-Family 10 (SF-10) District. Beyond this is Asbourne Drive which is identified as a *Minor Collector*.

East: Directly east of the subject property is a single-family residential subdivision [*i.e. The Shores*] zoned Planned Development District 3 (PD-3). Beyond this is a large tract of land that is zoned Agricultural (AG) District.

West: Directly west of the subject property is a single-family residential subdivision [*i.e. Promenade Harbor*] zoned Single-Family 10 (SF-10) District. Beyond this is a large tract of land [*i.e. the Takeline*] that is outside of the City Limits.

UNIFIED DEVELOPMENT CODE:

According to the purpose statements stipulated in Subsection 3.02, *Single-Family Estate 1.5 (SFE-1.5) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), the Single-Family Estate 1.5 (SFE-1.5) District is the "…proper zoning classification for rural, estate lots that are a minimum of 1½-acres. Since the subject property is 3.03-acres, it conforms to the requirements of the Single-Family Estate 1.5 (SFE-1.5) District development standards. The following is a summary of the minimum development standards for a property within a Single-Family 1.5 (SFE-1.5) District:

Ordinance Provisions	*Zoning District Standards*
Minimum Lot Area	*65,340 SF*
Minimum Lot Width	*150-Feet*
Minimum Lot Depth	*250-Feet*
Minimum Front Yard Setback	*50-Feet*
Minimum Rear Yard Setback	*10-Feet*
Minimum Side Yard Setback	*25-Feet*
Maximum Height	*36-Feet*
Minimum Masonry Requirement	*80%*
Minimum Dwelling SF	*2,500*
Maximum Building Coverage	*35%*
Minimum Length of Driveway	*20-Feet*

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

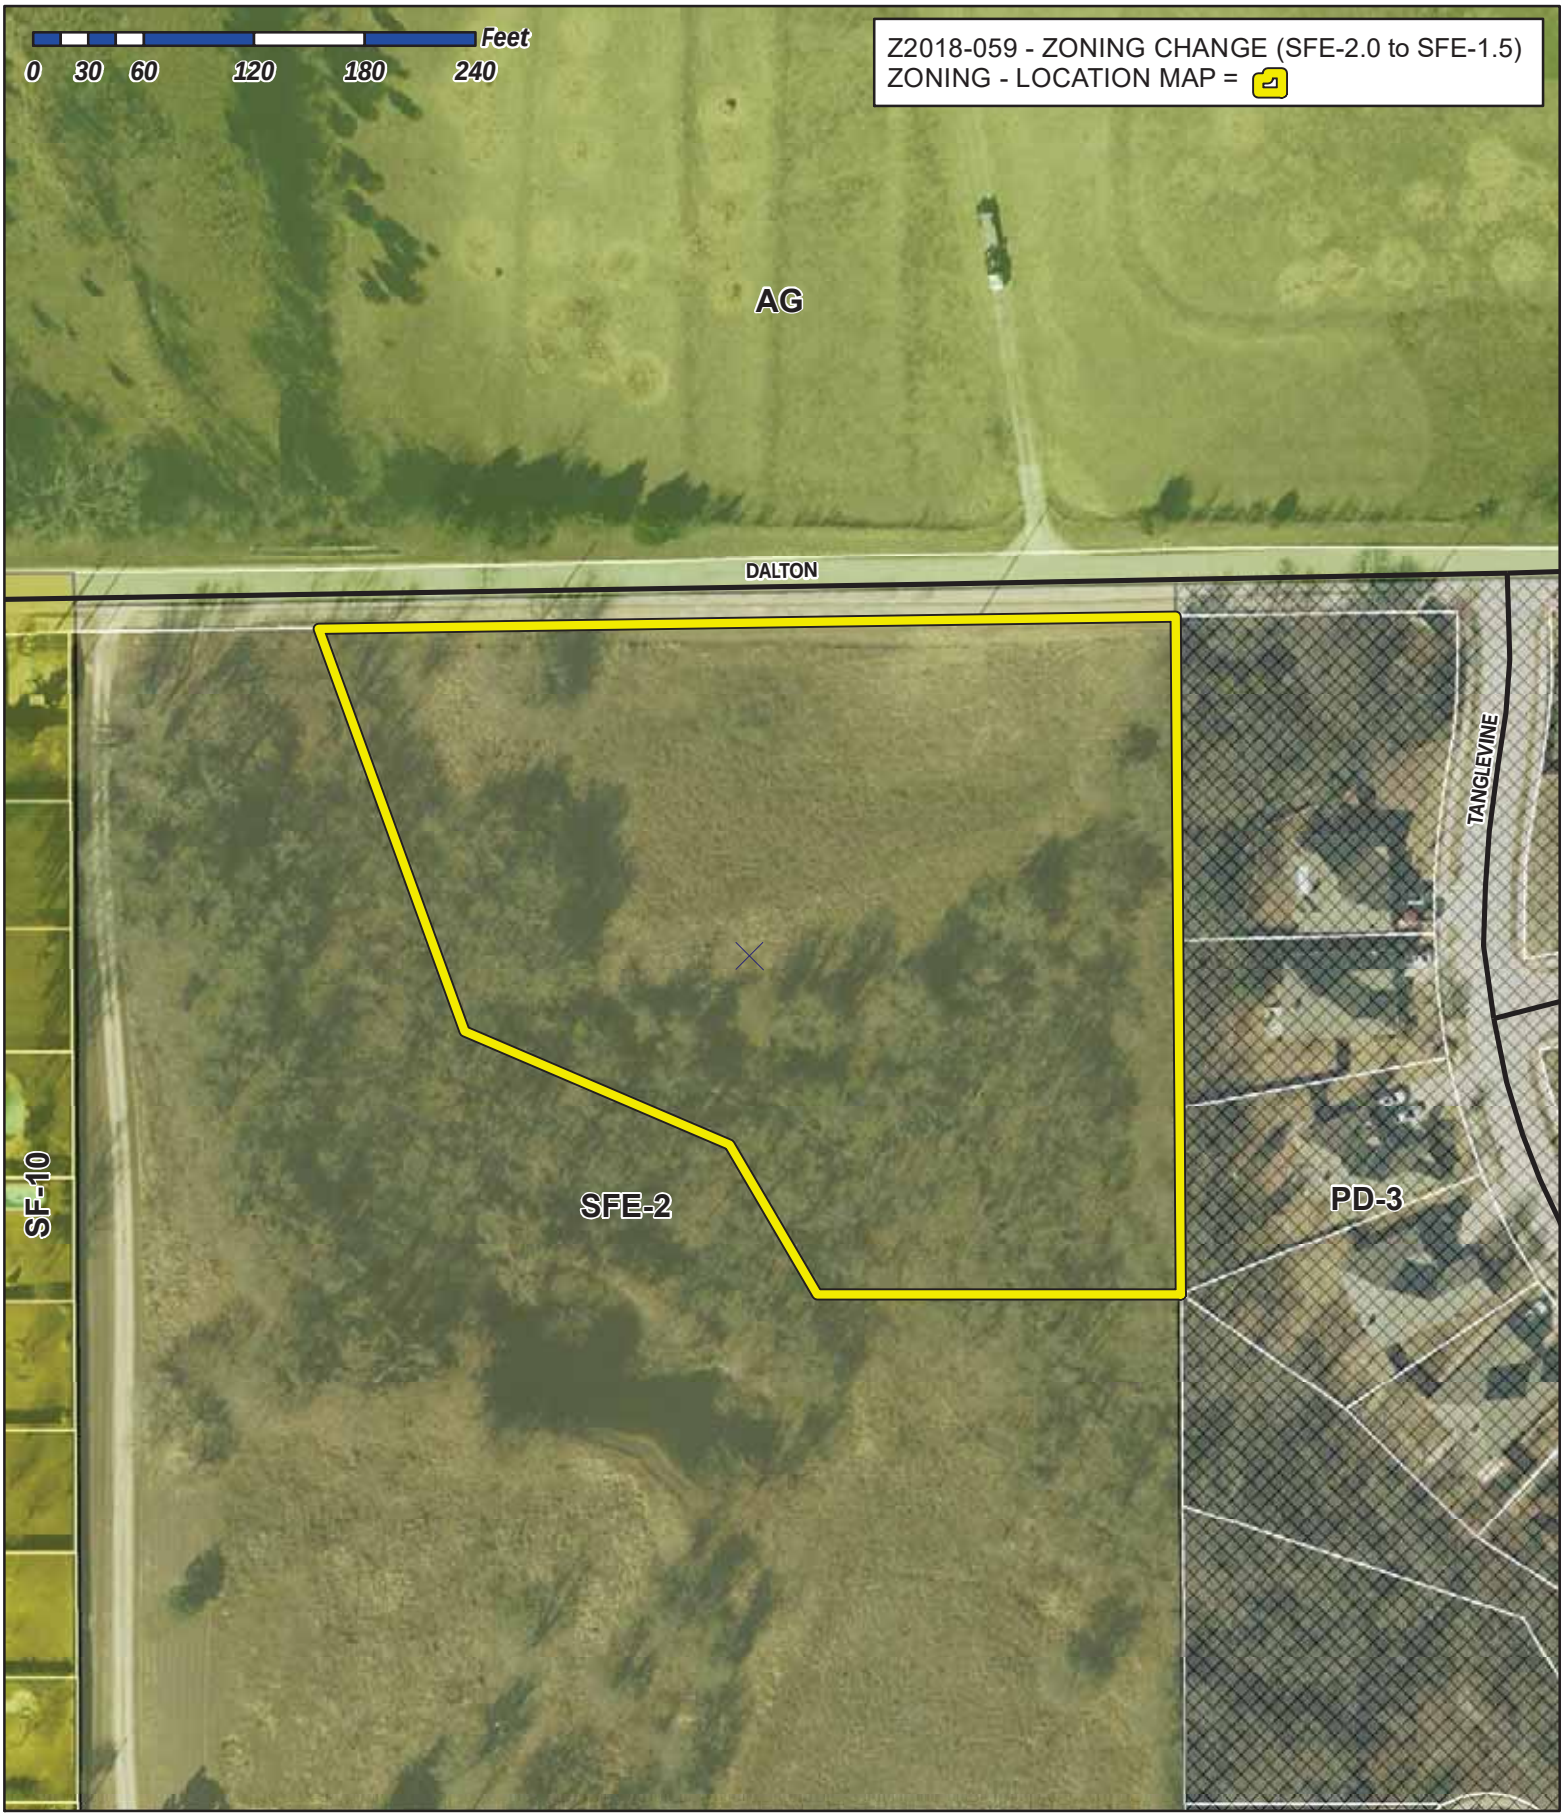
The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as developments with two (2) units per acre or less. The applicant's request is in conformance with this designation and will not require any changes to the Future Land Use Map.

STAFF ANALYSIS:

When analyzing the applicant's request (*i.e. to rezone the subject property for the purpose of subdividing the tract of land*) and the size of the subject property (*i.e. three [3]-acres*), the Single-Family Estate 1.5 (SFE-1.5) District appears to be an appropriate zoning district. Although the subject property could be divided into two (2) smaller estate lots (*i.e. two [2] 1½ - acre lots*) if this zoning change is approved, this request would not change the *Low Density Residential (LDR)* land use designation on the property. With that being said, approval of a zoning change is discretionary for the City Council, pending a recommendation by the Planning and Zoning Commission.

NOTIFICATION:

On December 28, 2018, staff mailed 68 notices to property owners and residents within 500-feet of the subject property. Staff also notified the Promenade Harbor and the Shores/Ray Hubbard Homeowner's Associations (HOA's) which are the only HOA's/Neighborhood Associations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Staff also advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received one (1) notice in opposition of this case. Since this represents more than 20% of the properties within the 200-foot notification buffer, a 3/4 majority vote of all Council Members present is required for this request to be approved.



RECOMMENDATIONS:

Should the City Council approve the change in zoning, staff would recommend the following conditions of approval:

1) Any construction or building necessary to complete this change in zoning request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 15, 2019, the Planning and Zoning Commission's motion to recommend approval of the zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family 1.5 (SFE-1.5) District with staff recommendations passed by a vote of 7-0.

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was published in the Rockwall Herald Banner ***December 28, 2018***. The Planning and Zoning Commission will hold a public hearing on ***Tuesday 1/15/2019 at 6:00 p.m.***, and the City Council will hold a public hearing on ***Tuesday 1/22/2019 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development/development-cases

> **Z2018-059- Hold a public hearing to discuss and consider a request by Heather Cullins for the approval of a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2018-059: Zoning Change (SFE 2.0-SFE-1.5)

Hold a public hearing to discuss and consider a request by Heather Cullins for the approval of a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 1085 Dalton Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/15/2019 at 6:00 p.m.**, and the City Council will hold a public hearing on **Tuesday, 1/22/2019 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Korey Brooks
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **1/22/2019** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

PLEASE RETURN THE BELOW FORM

Case No. Z2018-059: Zoning Change (SFE 2.0-SFE-1.5)

Please place a check mark on the appropriate line below:

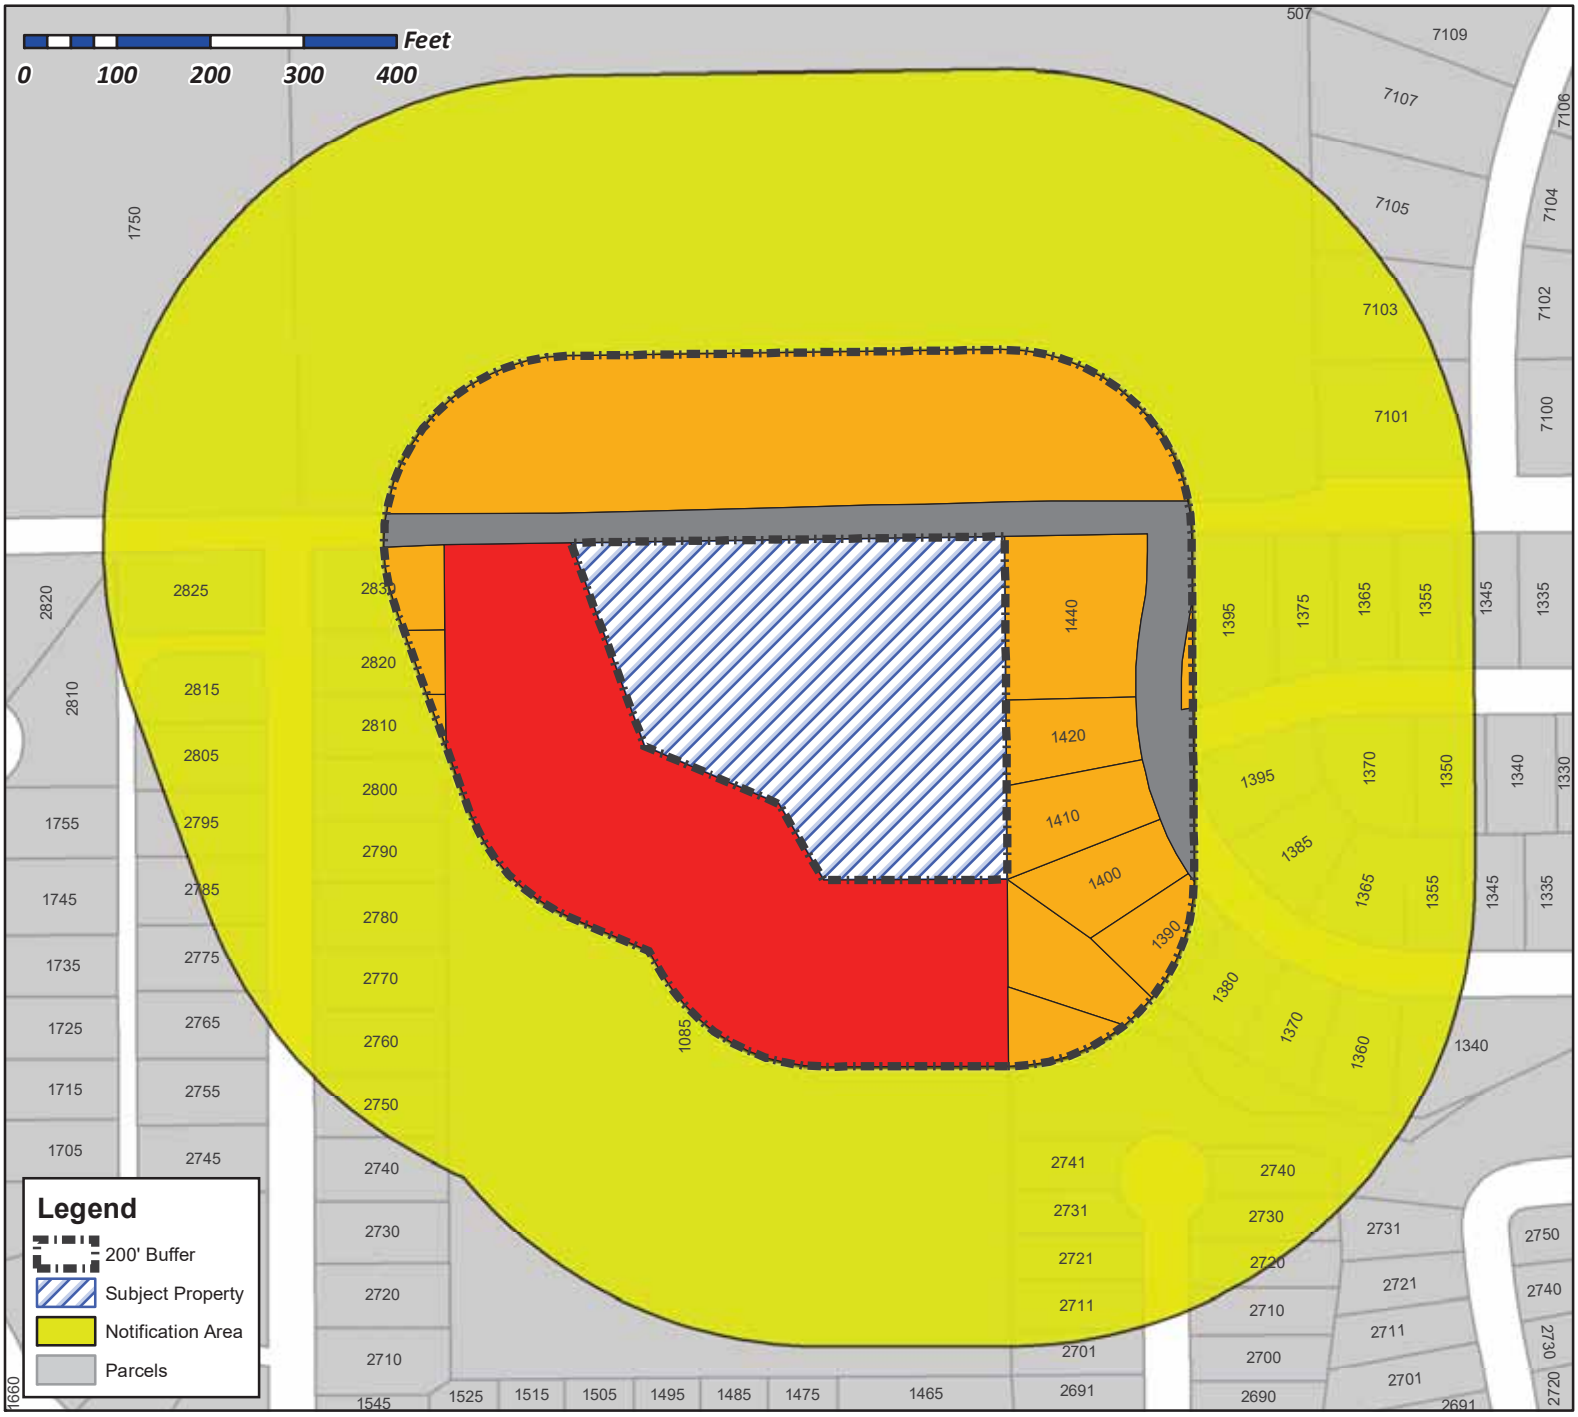
☐ I am in favor of the request for the reasons listed below.

☑ I am opposed to the request for the reasons listed below.

This property was rezoned AG to SFE-2.0 in Nov 2017 at the request of Heather Cullins. 50% of the 3.03 Acres is in a FEMA Flood Plane A with a buildable area of 30,315 Sq Ft. The creation of the proposed SFE-1.5 lots would bring the buildable area down to 11,940 Sq Ft due to side setbacks. This is not a desirable situation.

Name: David Hodgdon

Address: 1085 Dalton Road, Rockwall, TX 75087 214-514-5599



Tex. Loc. Gov. Code, Sec. 211.006 (d) If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT ON A 3.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-01 OF THE T. DEAN SURVEY, ABSTRACT NO. 69, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Heather Cullins for a change in zoning from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family 2.0 (SFE-2.0) District and more fully depicted in *Exhibit 'A'* and described in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from a Single-Family 2.0 (SFE-2.0) District to a Single-Family 1.5 (SFE-1.5) District;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Single-Family 1.5 (SFE-1.5) District as stipulated in Section 1.1*, Use of Land and Buildings,* of Article IV, *Permissible Uses* and Section 3.2*, Single-Family Estate 1.5 (SFE-1.5) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

DRAFT 01.25.19

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein;

SECTION 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00)* for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code (UDC) of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable; and

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect;

SECTION 7. That this ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF FEBRUARY, 2019.

_____
Jim Pruitt, *Mayor*

ATTEST:

_____
Kristy Cole, *City Secretary*

CITY COUNCIL MEMO

AGENDA DATE: 01/22/2019

APPLICANT: Kevin Hickman; *PegasusAblon*

AGENDA ITEM: **SP2018-043**; *Harbor Village*

SUMMARY:

Discuss and consider a request by Kevin Hickman of PegasusAblon on behalf of Rockwall Rental Properties, LP for the approval of a waiver in conjunction with an approved site plan for a 375-unit condominium building on a 6.2-acre tract of land identified as Lot 9, Block A, Harbor-Rockwall Addition and Tract 16 of the M. J. Barksdale Survey, Abstract No. 11, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 (IH-30) Overlay District, located at the southwest corner of the intersection of the IH-30 frontage road and Lakefront Trail, and take any action necessary.

PURPOSE AND BACKGROUND:

On January 15, 2019, the Planning and Zoning Commission approved a site plan for a 375-unit condominium development [*Case No. SP2018-043*] for the subject property. Prior to this approval and on June 17, 2013, the City Council approved *Ordinance No. 13-16*, which allocated 399 urban residential units (*i.e. condominiums*) to a concept plan that showed two (2) condominium buildings being constructed on the subject property (i*.e. one [1] adjacent to Lakefront Trail consisting of 349-units and one [1] adjacent to the Harbor Fountain consisting of 50-units*). This approval was later amended on December 18, 2017, when the City Council approved *Ordinance No. 17-64*. The new amendment allocated an additional 51-units to the previously entitled 399-units, bringing the total number of entitled units to 450 urban residential units. This PD Development Plan establishes provisions for the construction of two (2) condominium buildings (*i.e. construction schedule*). The 375-unit condominium development -- *adjacent to Lakefront Trail* -- will be the first of two (2) buildings and, based on the conditions of *Ordinance No. 17-64*, will be required to obtain a building permit by June 1, 2019. Additionally, the development is required to have civil engineering plans and a final plat approved prior to the issuance of a building permit. Should a building permit *not* be issued by June 1, 2019, staff will provide a report to the Planning and Zoning Commission and City Council indicating the progress of the development. After review, the Planning and Zoning Commission and City Council may -- *after proper notice* -- initiate public hearings for the revocation of the additional 26 urban residential units.

DENSITY AND DIMENSIONAL REQUIREMENTS:

The proposed five (5) story condominium building will be located within the *Harbor Residential Subdistrict* and will be comprised of a total of 335,224 SF. Off-street parking for future residents will be provided via a parking garage that is integrated into the design of the building, and is accessible from Lakefront Trail and the IH-30 Frontage Road. Additionally, the applicant is showing a two (2) level public parking garage consisting of 180 parking spaces. The public parking garage will be located along Lakefront Trail, southeast of and adjacent to the 50-foot pedestrian walkway. The applicant has indicated that this parking garage will be constructed prior to the condominium building.

The proposed pedestrian walkway, located in between the public parking garage and the condominium building, will incorporate all of the streetscape elements required by PD-32 [*Ordinance No. 17-22*], and provide an upgraded pavestone paver (*i.e. antique terra-cotta; herringbone pattern*), decorative trees with up-lighting, assorted plantings, pedestrian benches, and pedestrian scaled lighting features. In addition, the plan shows that units facing onto the walkway will have stoops allowing direct access to the pedestrian path. The pedestrian walkway is intended to provide access to the Harbor Fountain and the potential future public park site from the 180 space public parking garage being constructed with this project.

According to Planned Development District 32 (PD-32) [*Ordinance No. 17-22*], the subject property is located within the *Harbor Residential Subdistrict*, which allows *Urban Residential (Condominium Units Only)* as a *by-right* land use. Based on the submitted site plan package -- *site plan, landscape/streetscape plan, treescape plan, photometric plan, and building elevations* -- the proposed case is in conformance with the requirements stipulated by *Ordinance No. 17-22*, *Resolution No. 10-40*, and the UDC with the exception of the waiver being requested in the *Waiver Request* section of this case memo. A summary of the applicable requirements for this case are as follows:

Ordinance Provisions	*Interior Subdistrict Standards*	*Conformance to the Standards*
Setback Distance from ROW (Lakefront Trail)	*0-Feet*	*30-ft; In Conformance*
Building Form	*45% Building Façade Fronting Lakefront Trail & IH-30 Frontage Road*	*x>45%; In Conformance*
Ground Floor Land Uses	*Retail, Restaurant, Residential*	*Residential; In Conformance*
Upper Floor Land Uses	*Residential & Office*	*Residential; In Conformance*
Maximum Building Height	*5-Stories or 75-Feet*	*x=5-Stories/75-ft Height; In Conformance*
First Floor Minimum Commercial Height	*15-Feet*	*x<15-ft (variable heights); Waiver Requested*
Encroachments to Street	*5-Feet*	*0-Feet; In Conformance*
Surface Parking Setbacks from ROW	*10-Feet*	*NA; structured parking provided*
Maximum Surface Parking	*10% Surface Parking*	*x<10%; Lakefront Trail In Conformance*
Minimum Number of Pedestrian Ways	*1 Per Block Face*	*1; In Conformance*
Minimum Masonry Percentage	*90%*	*x>90%; In Conformance*
Minimum Stone Requirement	*20% Each Façade*	*x≥20%; In Conformance*
Minimum Landscaping Percentage	*With Streetscape Plan Elements*	*Streetscape Elements Incorporated with Landscape Plan; In Conformance*
Maximum Lot Coverage	*80%*	*x<80%; In Conformance*

WAIVER REQUEST:

According to *Ordinance No. 17-22*, "(i)n order to provide flexibility and create high quality projects, an applicant for development within the PD District [*PD*-32] may request a waiver of the following District or Subdistrict standards: (1) Building Placement Requirements, (2) Landscape Standards, (3) Parking Requirements, (4) Parking Garage Design Standards, and (5) Increased Building Height in any Subdistrict." Based on the applicant's submittal, staff has identified the following waiver to the requirements of *Ordinance No. 17-22*:

1) *Building Form and Placement Requirements*.

   i. *1st Floor Height.* According to the *Harbor Residential Subdistrict* all buildings should incorporate a first floor that is built to a commercial height with a minimum height of 15-feet. The proposed building incorporates a variable height of 9'-1 1/8" to 14'-1 1/8" and

is less than the required first floor height. The applicant is requesting a waiver to this requirement.

With regard to granting waivers, *Ordinance No. 17-22* states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [and] In order to approve a waiver, the City Council must find that the waiver:

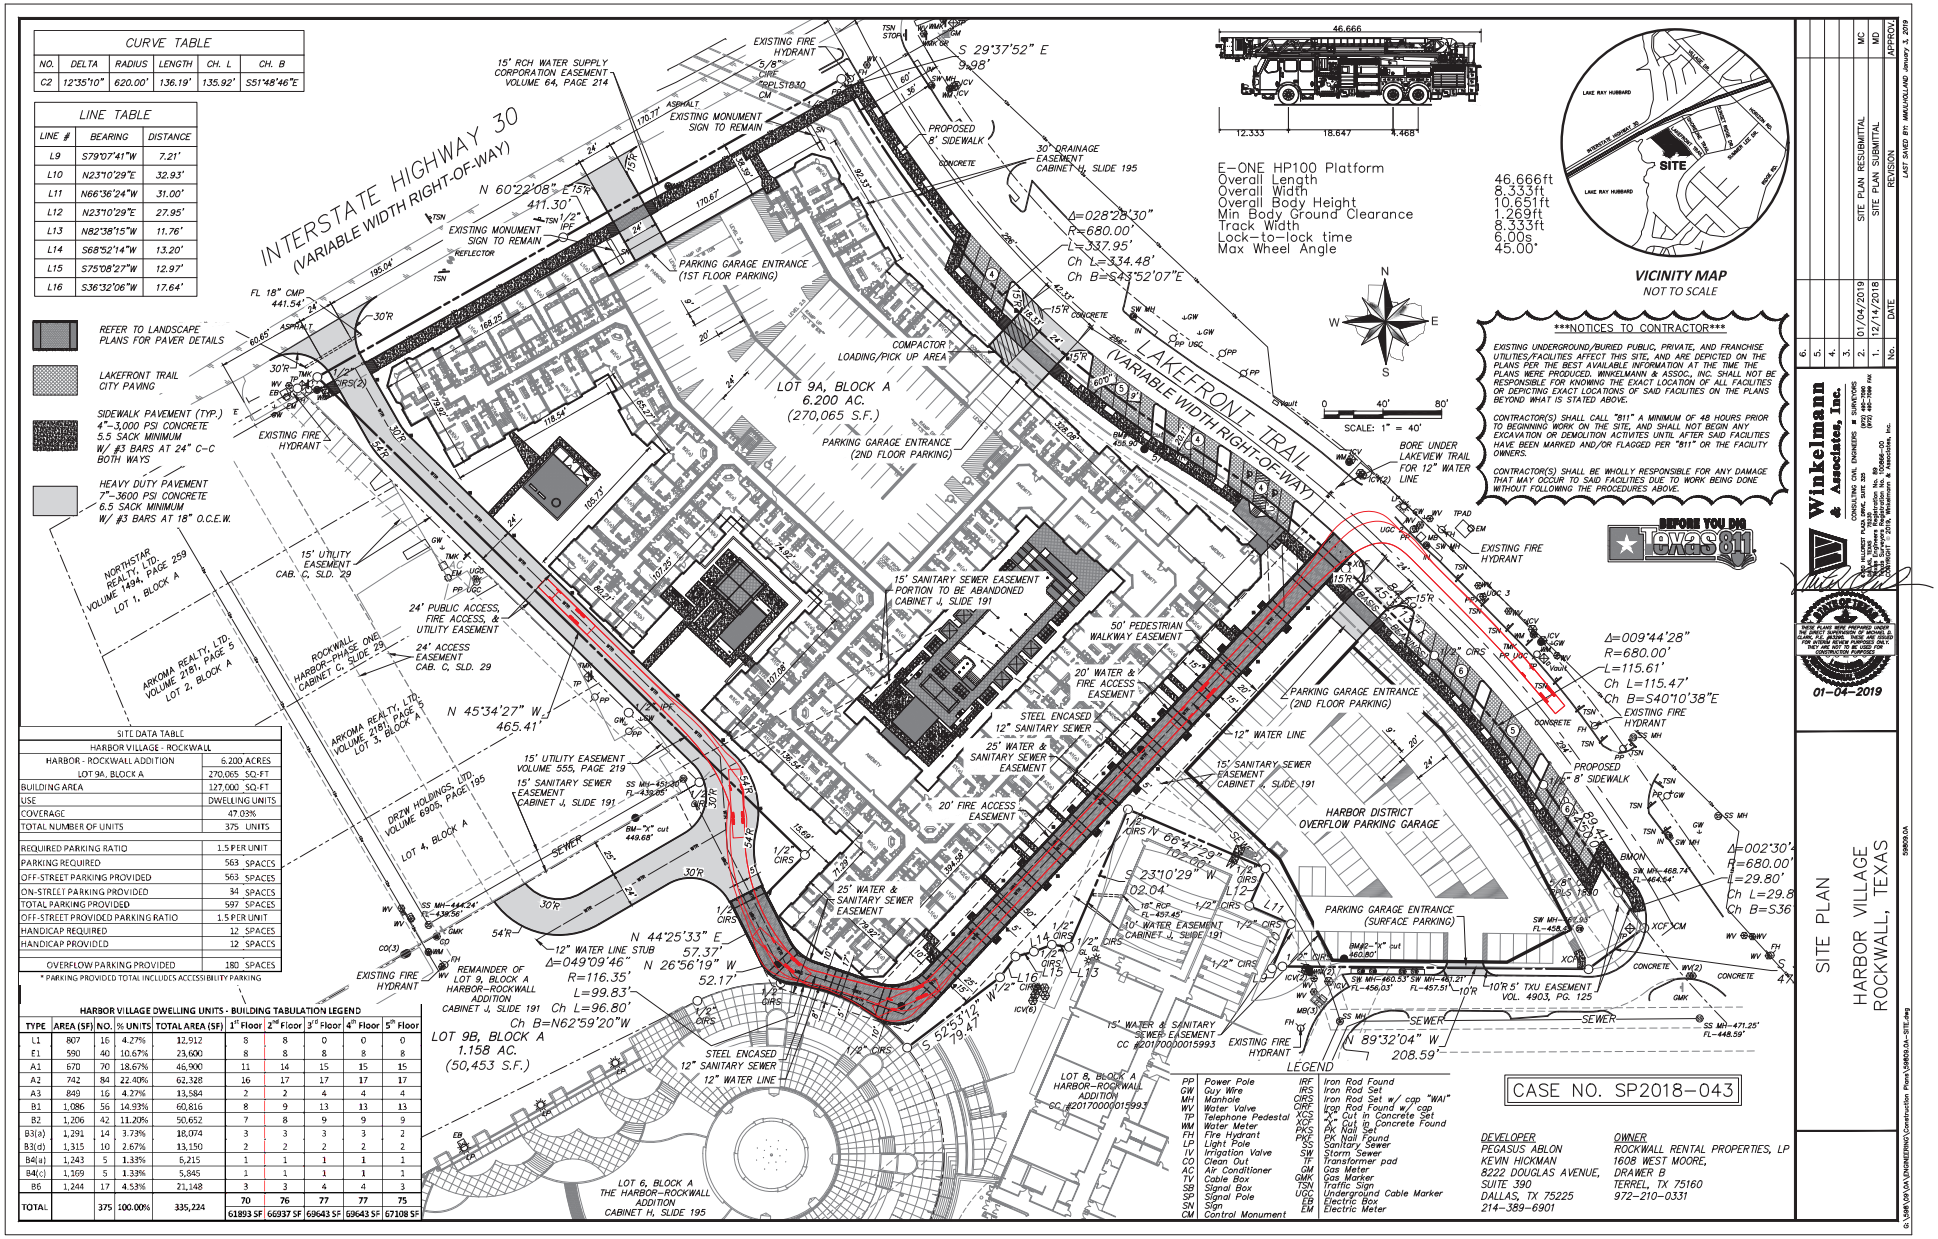
1) Meets the general intent of the PD District or Subdistrict in which the property is located; and,
2) Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,
3) Will not prevent the implementation of the intent of this PD District."

In this case, the proposed project does appear to meet the general intent of the *Harbor Residential Subdistrict*. It should be noted that the first floor height requirement has been waived for all other condominium projects in the Harbor District; however, granting any waivers to the requirements of *Ordinance No. 17-22* is a discretionary decision for the City Council, pending a recommendation from the Planning and Zoning Commission, and should be taken on a case-by-case basis. *The waiver for this case requires a simple majority vote for approval.*

ARCHITECTURAL REVIEW BOARD (ARB):

On January 2, 2019, the Architectural Review Board (ARB) did *not* establish a quorum. The following Board Members were absent: Roberts, Mitchell, Tovar, Miller, Johnson, and Niell. On January 15, 2019, the Architectural Review Board (ARB) reviewed the building elevations. A motion to recommend approval of the elevations passed by a vote of 6 to 1 with Board Member Miller dissenting. Additionally, the motion included a recommendation of approval of the waiver to the 1st floor building height as indicated in staff's report.

PLANNING AND ZONING COMMISSION RECOMMENDATION:



On January 15, 2019, the Planning and Zoning Commission's motion to approve the site plan with staff conditions and Architectural Review Board's (ARB) recommendations passed by a vote of 7 to 0. Additionally, the motion included a recommendation of approval for the waiver to the 1st floor building height as indicated in staff's report.

Rockwall, Texas

Proclamation

Whereas, STEM is an acronym that stands for "Science, Technology, Engineering and Mathematics;" and

Whereas, by the year 2022, it is believed that the United States will be approximately 1 million STEM workers short; and

Whereas, of the STEM-related workforce that exists today, it is estimated that women currently make up only about 25%; and

Whereas, in the words of Woodie Flowers, "Technology needs women, more than women need technology;" and

Whereas, the Rockwall High School Robotics Team - known as "FIRST Robotics Competition Team 1296 Full Metal Jackets" - has created an off season event called "STEM Gals" to promote and encourage women in "STEM;" and

Whereas, "STEM Gals" is a robotics competition for high school students that aims to change the world by encouraging females to pursue careers in STEM.

NOW, THEREFORE, I, Jim Pruitt, Mayor of the City of Rockwall TX, do hereby proclaim October 5, 2019 as

STEM GALS DAY

in the City of Rockwall and encourage all young citizens to evaluate and consider the pursuit of both educations and careers in the field of Science, Technology, Engineering and/or Mathematics.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of February, 2019.

Jim Pruitt, Mayor

MINUTES

ROCKWALL CITY COUNCIL REGULAR MEETING
Tuesday, January 22, 2019 - 5:00 PM
City Hall Council Chambers - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 5:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Kevin Fowler, and Council Members Dana Macalik, John Hohenshelt, Bennie Daniels and Trace Johannesen. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Joey Boyd, and the city's legal counsel, Patrick Lindner. Councilmember Patrick Trowbridge was absent from the meeting. Mayor Pruitt read the following discussion items into the record before recessing the public meeting to go into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal issues pertaining to potential annexation pursuant to Section §551.071 (Attorney/Client Consultation).
2. Discussion regarding appointments to city regulatory boards, commissions, and committees - specifically the Board of Adjustments (BOA) - pursuant to Section 551.074 (Personnel Matters)
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

Council adjourned from Executive Session at 5:40 p.m.

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Pruitt reconvened the public meeting at 6:00 p.m.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Fowler made a motion that prior to initiating annexation of the +/- 4,000 acres of land in the city's ETJ, staff is directed by Council to communicate with those affected property owners and bring the results of those communications back to Council. Councilmember Hohenshelt seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

Mayor Pro Tem Fowler authorized the city attorney to file intervention in the new rate case regarding the appeal to the Public Utility Commission. Councilmember Macalik seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

Mayor Pro Tem Fowler made a motion to move Stuart Smith up from an "alternate" to a voting member to fill the vacancy on the city's Board of Adjustments (thru Aug. 2019). Mayor Pruitt seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

Mayor Pro Tem Fowler moved to appoint Glenn Carr to fill the "second alternate position" on the city's Board of Adjustments (thru Aug. 2020). Mayor Pruitt seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

VI. Invocation and Pledge of Allegiance – Councilmember Daniels

Councilmember Daniels delivered the invocation and led the Pledge of Allegiance.

VII. Proclamations

1. Health for Humanity Yogathon

Mayor Pruitt invited city resident Ashwini Gurwale and her husband to come forth at this time. He then read and presented this proclamation. Mrs. Gurwale then gave a brief yoga demonstration.

VIII. Open Forum

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed Open Forum.

IX. Consent Agenda

1. Consider approval of the minutes from the January 7, 2019 regular city council meeting, and take any action necessary.
2. Z2018-049 - Consider a request by Mike Peoples for the approval of an ordinance for a Specific Use Permit (SUP) for an animal shelter on a 42.66-acre tract of land identified as Tract 7 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 1700 E. SH-66, and take any action necessary (2nd Reading).
3. A2018-004 - Consider a request by Pat Atkins on behalf of the owner C.D.T. Rockwall/2017 LLC for the approval of an ordinance for the voluntary annexation of a 14.995-acre tract of land identified as Tract 1-03 of the P. B. Harrison Survey, Abstract No. 97, Rockwall County, Texas, and take any action necessary (2nd reading).
4. P2018-047 - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH West Pods, LTD for the approval of a preliminary plat for Breezy Hill, Phase XII containing 35 single-family residential lots on 44.525-acres of land identified as a portion of

Tract 7-1 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, located west of the intersection of John King Boulevard and Cozy View Drive, and take any action necessary.

5. Consider approval of the Contract Amendment #1 with Brinkley & Barfield, Inc., in the amount of $87,030 to be funded from the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

6. Consider authorizing the City Manager to negotiate and execute a contract with Baseball Nation LLC regarding the city's baseball umpire services for an amount not to exceed $120,000 to be funded from baseball registration proceeds in the Recreation Development Fund, and take any action necessary.

7. Consider authorizing the City Manager and the Chief of Police to execute an Interlocal Agreement (ILA) with NCT911 to provide 911 services in the City, and take any action necessary.

Councilmember Hohenshelt moved to approve the entire Consent Agenda (#s 1, 2, 3, 4, 5, 6 and 7). Councilmember Johannesen seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-08
SPECIFIC USE PERMIT NO. S-204

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ANIMAL SHELTER ON A 42.66-ACRE TRACT OF LAND ZONED AGRICULTURAL (AG) DISTRICT, IDENTIFIED AS TRACT 7 OF THE D. HARR SURVEY, ABSRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 19-07

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 14.995-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-03 OF THE P. B. HARRISON SURVEY, ABSTRACT NO. 97, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absence (Trowbridge).

X. PUBLIC HEARING ITEMS

1. A2018-005 (6:00 PM) – Hold a public hearing to discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary.
2. Z2018-050 - Hold a public hearing to discuss and consider a request by David Rains for the approval of an ordinance for a Specific Use Permit (SUP) allowing a covered patio that exceeds the maximum requirements for property located within the Lake Ray Hubbard Takeline leased area that is adjacent to a parcel of land identified as Lot 12, Block A, Chandlers Landing, Phase 18, Section 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development 8 (PD-8) District for single family land uses, addressed as 5808 Constellation Circle, and take any action necessary (1st Reading).

Indication was given that the applicant for this case has submitted a request to withdraw. Mayor Pruitt moved to allow the applicant to withdraw the case, as requested. Mayor Pro Tem Fowler seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

3. Z2018-055 - Hold a public hearing to discuss and consider a request by Kyle Jenkins of the Jenkins Organization on behalf of Michael Swiercinsky of 7.1 Ridge, LLC for the approval of an ordinance for a Specific Use Permit (SUP) for a Mini-Warehouse facility on a 2.595-acre tract of land being a portion of Lot 1, Block A, Sky Ridge Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located southwest of the intersection of W. Yellow Jacket Lane and Ridge Road [FM-740], and take any action necessary [1st Reading].

Planning Director Ryan Miller provided background information pertaining to this agenda item. The applicant then came forth to speak.

Maxwell Fisher
900 Jackson Street
Dallas, TX

Mr. Fisher came forth and provided comments pertaining to this proposed warehouse storage facility. He showed renderings of what the facility will look like, generally highlighting that it will look like an office building (not a storage facility).

Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak at this time. Caprice Michelle (no address given) came forth and provided brief comments in support of Council approving this SUP.

Sergio Bento
2002 S. Lakeshore Dr.
Rockwall, TX 75087

Mr. Bento shared that he and his family moved to Rockwall in 2002. He used to contract with the Department of Defense and he subsequently did economic development training with economic development staff throughout the country. He went on to share his past experience in Arlington pertaining to the old Cowboys stadium. He generally spoke in opposition of Council approving this SUP request.

Priscylla Bento (no address given) came forth and shared that she is working towards obtaining her PhD in Urban Planning & Public Policy, and her dissertation will focus on Economic Development. She generally spoke in opposition of the Council approving this SUP request.

Bob Wacker
309 Featherstone
Rockwall, TX

Mr. Wacker came forth and commented on this proposed storage facility. He commented that the renderings show what he believes is a nice looking building. He is generally in favor of approval of this SUP.

Johnny Lyons, Chairman of the City's Planning & Zoning Commission, came forth and shared that the Commission has recommended that this item not be approved. Commissioner Moeller and he were 'for' this; however, the other commissioners were 'against' this proposal. Those who were in opposition seemed to indicate the belief that this was not the best fit or use for this particular property.

Mr. Jerry Welch of the city's Planning & Zoning Commission came forth and generally indicated that the Commission did not feel like this was the best location for a mini warehouse storage facility. For this reason, the P&Z recommended its denial.

Following various comments from council members, Councilman Johannesen moved to deny this item (Z2018-055). Councilmember Daniels seconded the motion, which passed by a vote of 6 in favor with 1 absence (Trowbridge).

Johnny Lyons, Chairman of the P&Z, then came forth and provided brief comments to Council concerning recommendations of the Commission relative to the remaining planning-related items on tonight's meeting agenda.

4. Z2018-057 - Hold a public hearing to discuss and consider a request by Bill Bricker of Columbia Development Company, LLC for the approval of an ordinance amending Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses being a 56.586-acre tract of land identified as a portion of R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) and Planned Development District 59 (PD-

59), located between W. Washington Street and T. L. Townsend Drive, and take any action necessary [1st Reading].

Planning Director Ryan Miller provided background information pertaining to this agenda item. Staff mailed 194 notices to property owners and residents located within 500' of the subject property. So far staff has received seven notices in favor of the request and one in opposition. The Planning & Zoning Commission has recommended approval of this item.

Bill Bricker
505 Westway Drive
Rockwall, TX

Mr. Bricker came forth and briefly addressed the Council. Thereafter, Mayor Pruitt asked if anyone would like to come forth and speak during this Public Hearing. There being no one indicating such, he then closed the public hearing.

Councilmember Hohenshelt moved to approve Z2018-057. Councilmember Daniels seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) [ORDINANCE NO.'s 04-59 AND -6-51] AND PLANNED DEVELOPMENT DISTRICT 52 (PD-52) [ORDINANCE NO. 16-45] FOR THE PURPOSE OF INCORPORATING A 0.789-ACRE TRACT OF LAND FOR RESIDENTAL-OFFICE (RO) DISTRICT LAND USES BEING A 56.586-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ZONED PLANNED DEVELOPMENT DISTRICT 52 (PD-52) AND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'* AND DEPICTED HEREIN BY *EXHIBIT 'B'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor with 1 absence (Trowbridge).

5. A2018-005 (6:30 PM) – Hold a public hearing to discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the Public Hearing. No action was taken at this time.

6. Z2018-058 - Hold a public hearing to discuss and consider a request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of an ordinance for a Specific Use Permit (SUP) for a Craft Winery and Commercial Amusement/Recreation (Outdoor) on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary [1st Reading].

Indication was given that the applicant could not be present this evening, so he has requested that this item be postponed. Mayor Pruitt moved to postpone this agenda item until the February 4, 2019 regular city council meeting. Councilmember Johannesen seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

7. Z2018-059 - Hold a public hearing to discuss and consider a request by Heather Cullins for the approval of an ordinance for a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 1085 Dalton Road, and take any action necessary [1st Reading].

Planning Director Ryan Miller provided background information pertaining to this agenda item, generally explaining that the applicant purchased this property a little over a year ago and had planned to build a home on the property; however, since that time, the applicant found a different piece of property that they like better. As a result, they have been trying to sell this property, but they've been having difficulty. They are therefore requesting that the Council consider allowing them to essentially split this property into two different tracts.

Kenneth Cullins
3114 Stoney Hollow Lane
Rockwall, TX

Mr. Cullins came forth and briefly addressed the Council, generally explaining his and his wife's reasoning behind the request to rezone, and asking Council to consider approval of said request.

David Hodgdon
1085 Dalton Road
Rockwall, TX

Mr. Hodgdon spoke during the public hearing, explaining that he sold this piece of property to Mr. and Mrs. Cullins, and his property is located directly adjacent to this one. He went on to express that he is in opposition of the Council approving this request for the applicant to subdivide the property into two, separate lots.

Councilmember Daniels moved to approve Z2018-059. Councilmember Macalik seconded the motion. Following additional, brief comments, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT ON A 3.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-01 OF THE T. DEAN SURVEY, ABSTRACT NO. 69, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absence (Trowbridge).

XI. Action Items

1. SP2018-043 - Discuss and consider a request by Kevin Hickman of PegasusAblon on behalf of Rockwall Rental Properties, LP for the approval of a waiver in conjunction with an approved site plan for a 375-unit condominium building on a 6.2-acre tract of land identified as Lot 9, Block A, Harbor-Rockwall Addition and Tract 16 of the M. J. Barksdale Survey, Abstract No. 11, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 (IH-30) Overlay District, located at the southwest corner of the intersection of the IH-30 frontage road and Lakefront Trail, and take any action necessary.

Planning Director Ryan Miller provided brief, introductory comments pertaining to this agenda item. Mayor Pruitt then moved to approve the requested waiver. Councilmember Johannesen seconded the motion, which passed by a vote of 6 ayes with 1 absence (Trowbridge).

XII. Executive Session

The City of Rockwall City Council will Recess into Executive Session to discuss the following matters as authorized by Chapter 551 of the Texas Government Code:

1. Discussion regarding legal issues pertaining to potential annexation pursuant to Section §551.071 (Attorney/Client Consultation).
2. Discussion regarding appointments to city regulatory boards, commissions, and committees - specifically the Board of Adjustments (BOA) - pursuant to Section 551.074 (Personnel Matters)

3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not reconvene in Executive Session following the close of the public meeting agenda. See action taken at the start of the 6:00 p.m. public meeting for action taken as a result of the earlier Executive Session.

XIV. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 7:29 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 4th DAY OF FEBRUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-08

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) [ORDINANCE NO.'s 04-59 AND -6-51] AND PLANNED DEVELOPMENT DISTRICT 52 (PD-52) [ORDINANCE NO. 16-45] FOR THE PURPOSE OF INCORPORATING A 0.789-ACRE TRACT OF LAND FOR RESIDENTAL-OFFICE (RO) DISTRICT LAND USES BEING A 56.586-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ZONED PLANNED DEVELOPMENT DISTRICT 52 (PD-52) AND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A' AND DEPICTED HEREIN BY EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the applicant Bill Bricker of Columbia Development Company, LLC, for the approval of an amendment to Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses, being a 56.586-acre tract of land identified as a portion of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) [*Ordinance No. 16-45*] and Planned Development District 59 (PD-59) [*Ordinance No.'s 04-59 and 06-51*], located between W. Washington Street and T. L. Townsend Drive and more fully described in *Exhibit 'A'* and depicted in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 59 (PD-59) [*Ordinance No.'s 04-59 and 06-51*], Planned Development District 52 (PD-52) [*Ordinance No. 16-45*], and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the approval of this ordinance shall supersede all requirements stipulated in

Ordinance No.'s 04-59 and 06-51;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future;

SECTION 3. That development of the *Subject Property* shall be in accordance with the *Planned Development Concept Plan*, contained in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

SECTION 4. That development of the *Subject Property* shall be in accordance with the *Development Standards*, described in *Exhibit 'F'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'F'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

SECTION 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* (*$2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

SECTION 8. That this ordinance shall take effect immediately from and after its passage;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF FEBRUARY, 2019.

Jim Pruitt, Mayor

ATTEST:

2nd Reading: February 4, 2019

Exhibit 'A':
Legal Description

BEING a tract of land situated in the R. Ballard Survey, Abstract Number 29, in the City of Rockwall, Rockwall County, Texas, and being a part of Tract 31, as recorded in Volume 444, Page 102, and all of Tract 32 as recorded in Volume 444, Page 146 Deed Records, Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1" pipe found on the east right-of-way of Townsend Drive, said point being the most westerly southwest corner of said Tract 31 and being approximately 200' north of the north line of the M K & T Railroad (100' right-of-way);

THENCE continuing along said High School Drive North 01°56'15" East a distance of 86.67 feet to a 5/8" iron pipe for corner;

THENCE deporting said High School Drive North 85°34'29" East a distance of 182.10 feet to a 5/8" iron pipe for corner;

THENCE North 04°30'38" East a distance of 69.54 feet to a ½" iron pipe for corner;

THENCE North 05°42'23" West a distance of 29.95 feet to a ½" iron pipe for corner;

THENCE North 80°56'29" East a distance of 126.45 feet to a ½" iron pipe for corner;

THENCE North 86°39'04" East a distance of 110.36 feet to a ½" iron pipe for corner;

THENCE North 11°21'42" East a distance of 740.32 feet to fence post found (controlling monument) for corner;

THENCE North 76°14'03" West a distance of 207.10 feet to a fence post found in the east right-of-way of Renfro Street;

THENCE continuing along said Renfro Street North 10°13'03" East a distance of 626.53 feet to a 5/8" iron pipe for corner;

THENCE deporting said Renfro Street North 89°50'10" East a distance of 420.29 feet to a 5/8" iron pipe for corner;

THENCE North 01°20'36" West a distance of 200.09 feet to a ½" iron pipe for corner;

THENCE North 00°40'16" West a distance of 87.88 feet to a ½" iron pipe for corner:

THENCE South 89°00' 45" East a distance of 63.08 feet to a ½" iron pipe for corner;

THENCE South 88°34'57" East a distance of 126.36 feet to a ½" iron pipe for corner;

THENCE North 00°48'06" West a distance of 110.27 feet to a ½" iron pipe for corner in the south right-of-way line of Aluminum Plant Road;

THENCE along said Aluminum Plant Road North 89°08'46" West o distance of 194.10 feet to a point for corner;

THENCE North 21°04'24" West a distance of 414.90 feet to a point for corner;

THENCE South 58°25'54" East a distance of 761.00 feet to a point for corner;

THENCE North 89°56'03" East a distance of 308.37 feet to a point for corner;

THENCE South 07°24' 46" West a distance of 602.23 feet to a point for corner;

THENCE South 04°53'33" East a distance of 317.77 feet to a point for corner;

THENCE South 09°19'54" East a distance of 1038.10 feet to a point in the said north right-of-way of M. K. & T. Railroad (100' right-of-way) for corner;

THENCE along said right-of-way South 87°55'08" West a distance of 740.83 feet to a ½" iron pipe found at the beginning of a tangent curve to the left;

THENCE in a southwesterly direction with said curve having a central angle of 17°04'03", a radius of 2914.93 feet and an arc length of 868.32 feet to a ½" pipe found for corner;

THENCE In a southwesterly direction with sold curve having a central angle of 04°45'26", a radius of 2923.97 feet and an arc length of 242.78 feet to XX for corner;

THENCE North 01°20'58" East a distance of 208.56 feet to a 1" iron pipe to the POINT OF BEGINNING and containing 56.7 acres of land more or less.

Exhibit 'B':
Survey

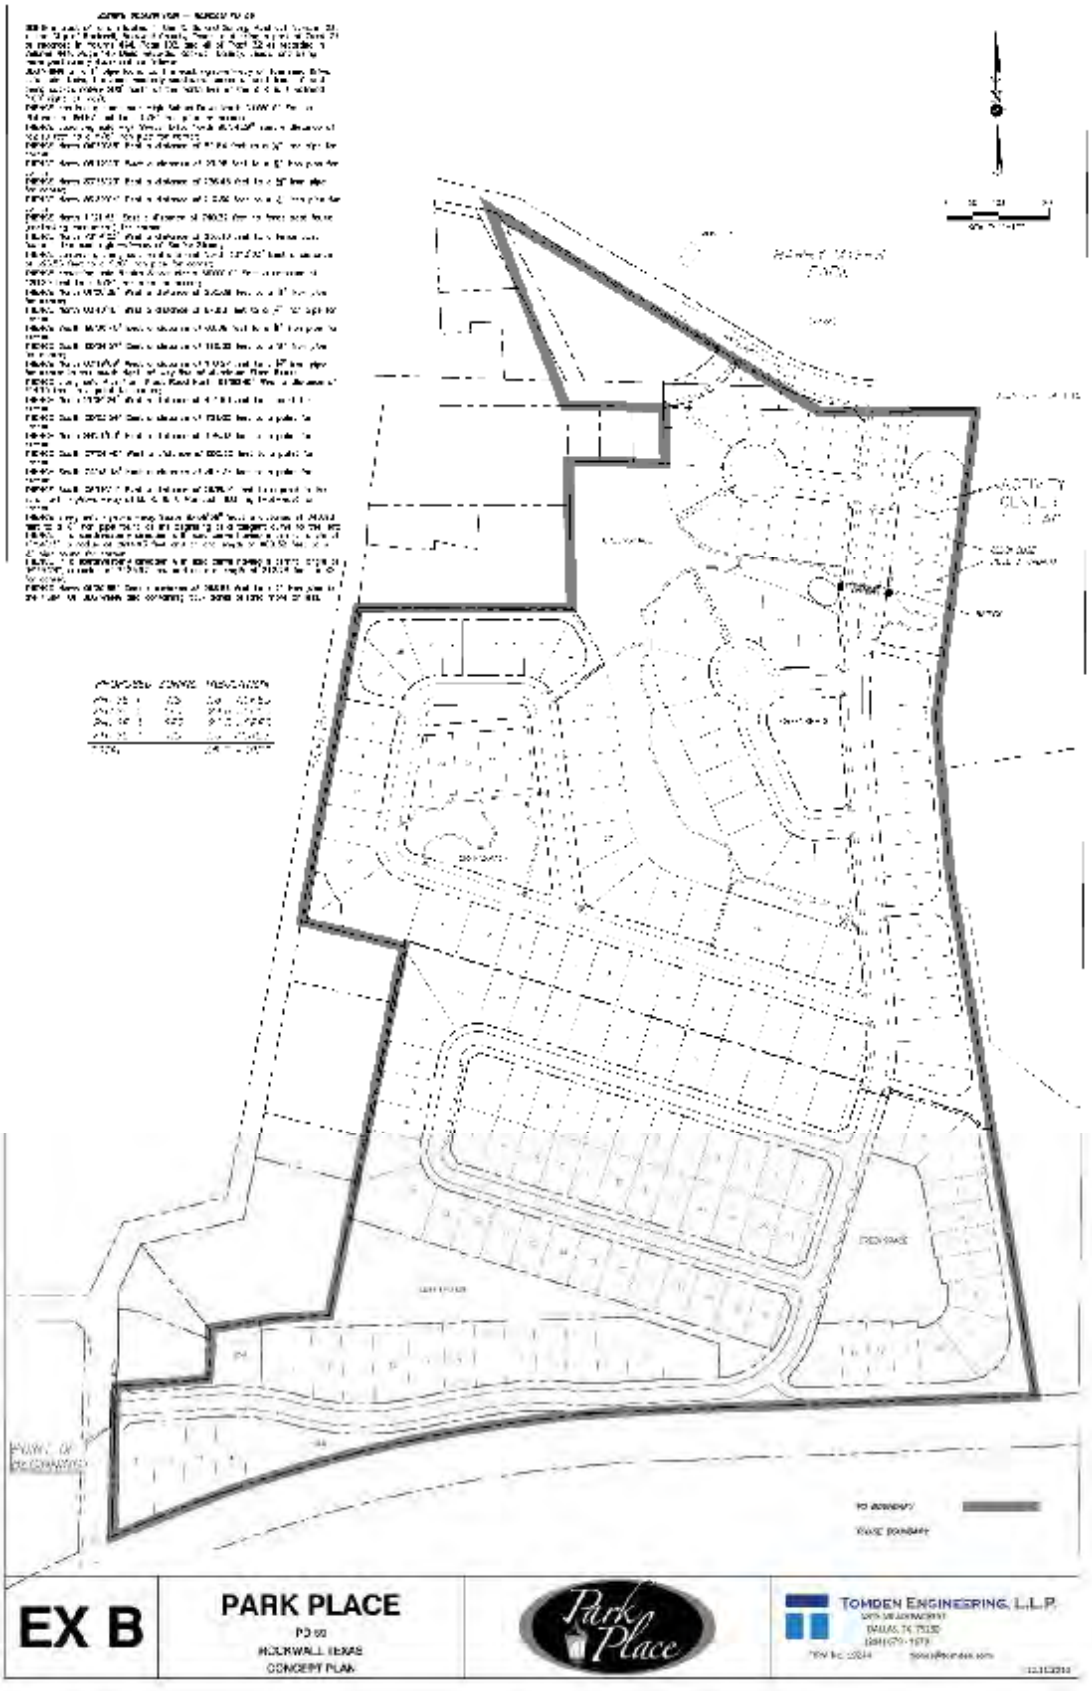

Exhibit 'C':
Area Map

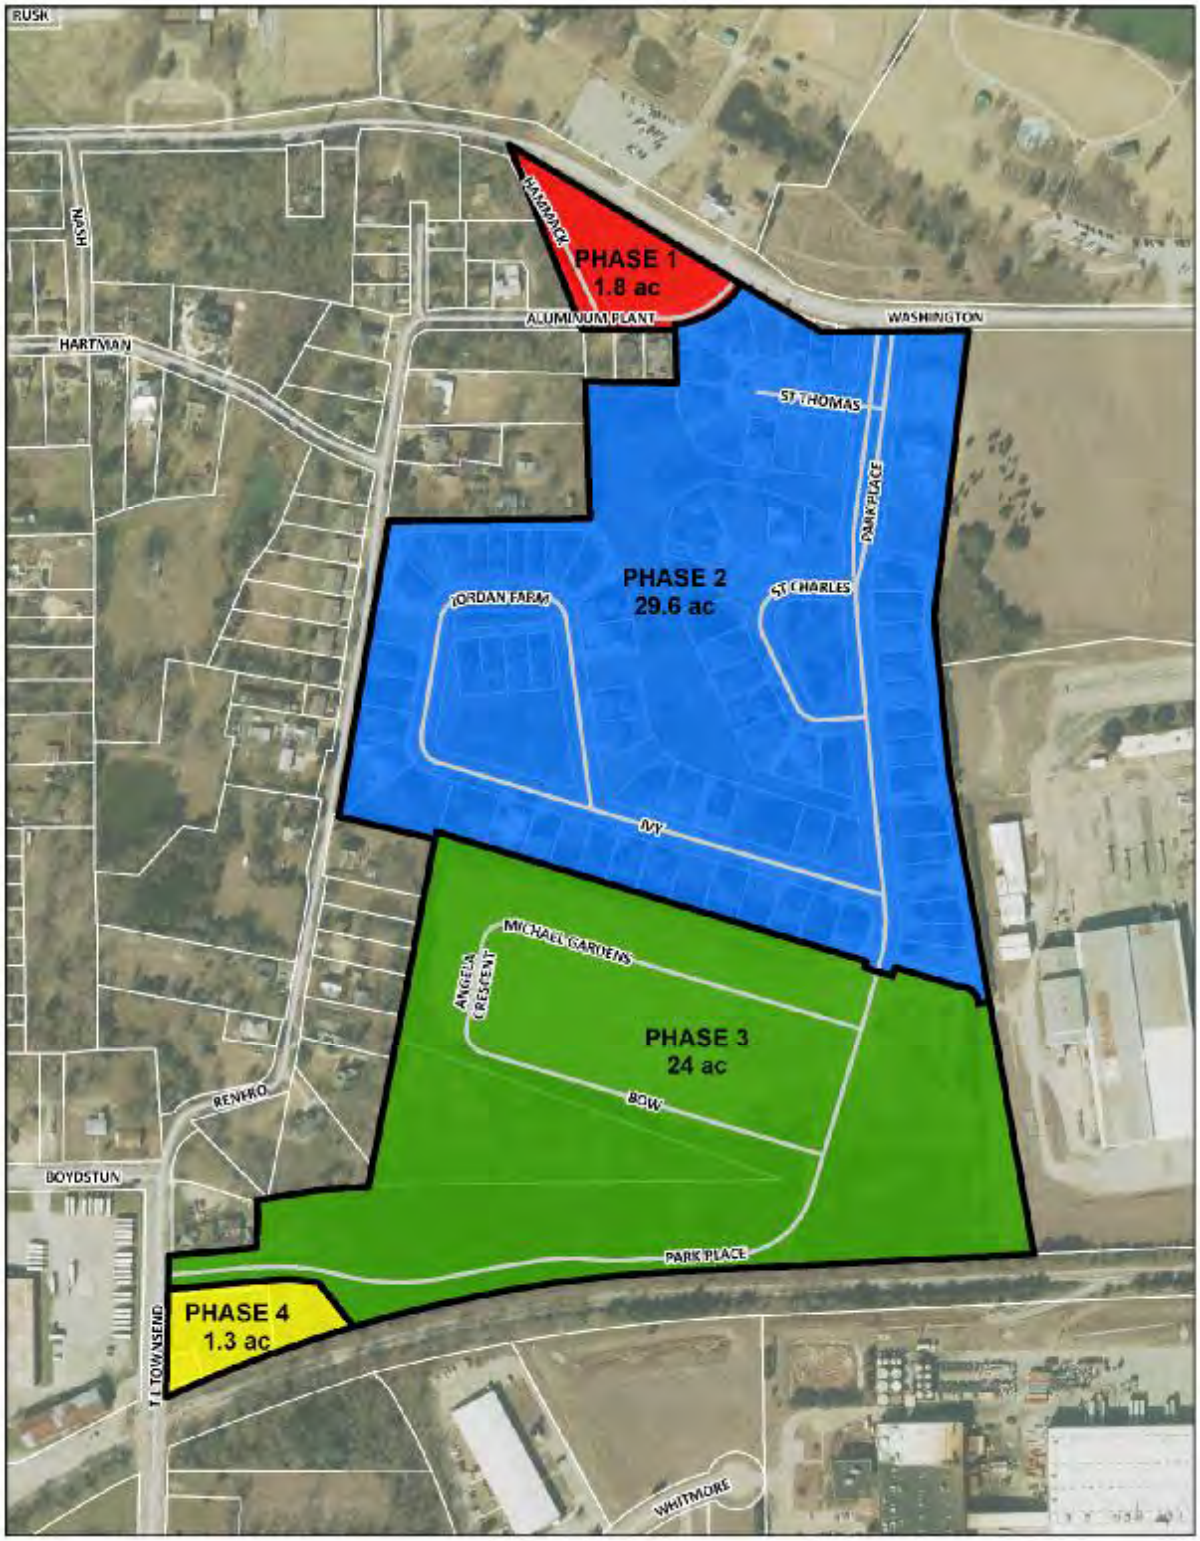

Exhibit 'D':
Concept Plan

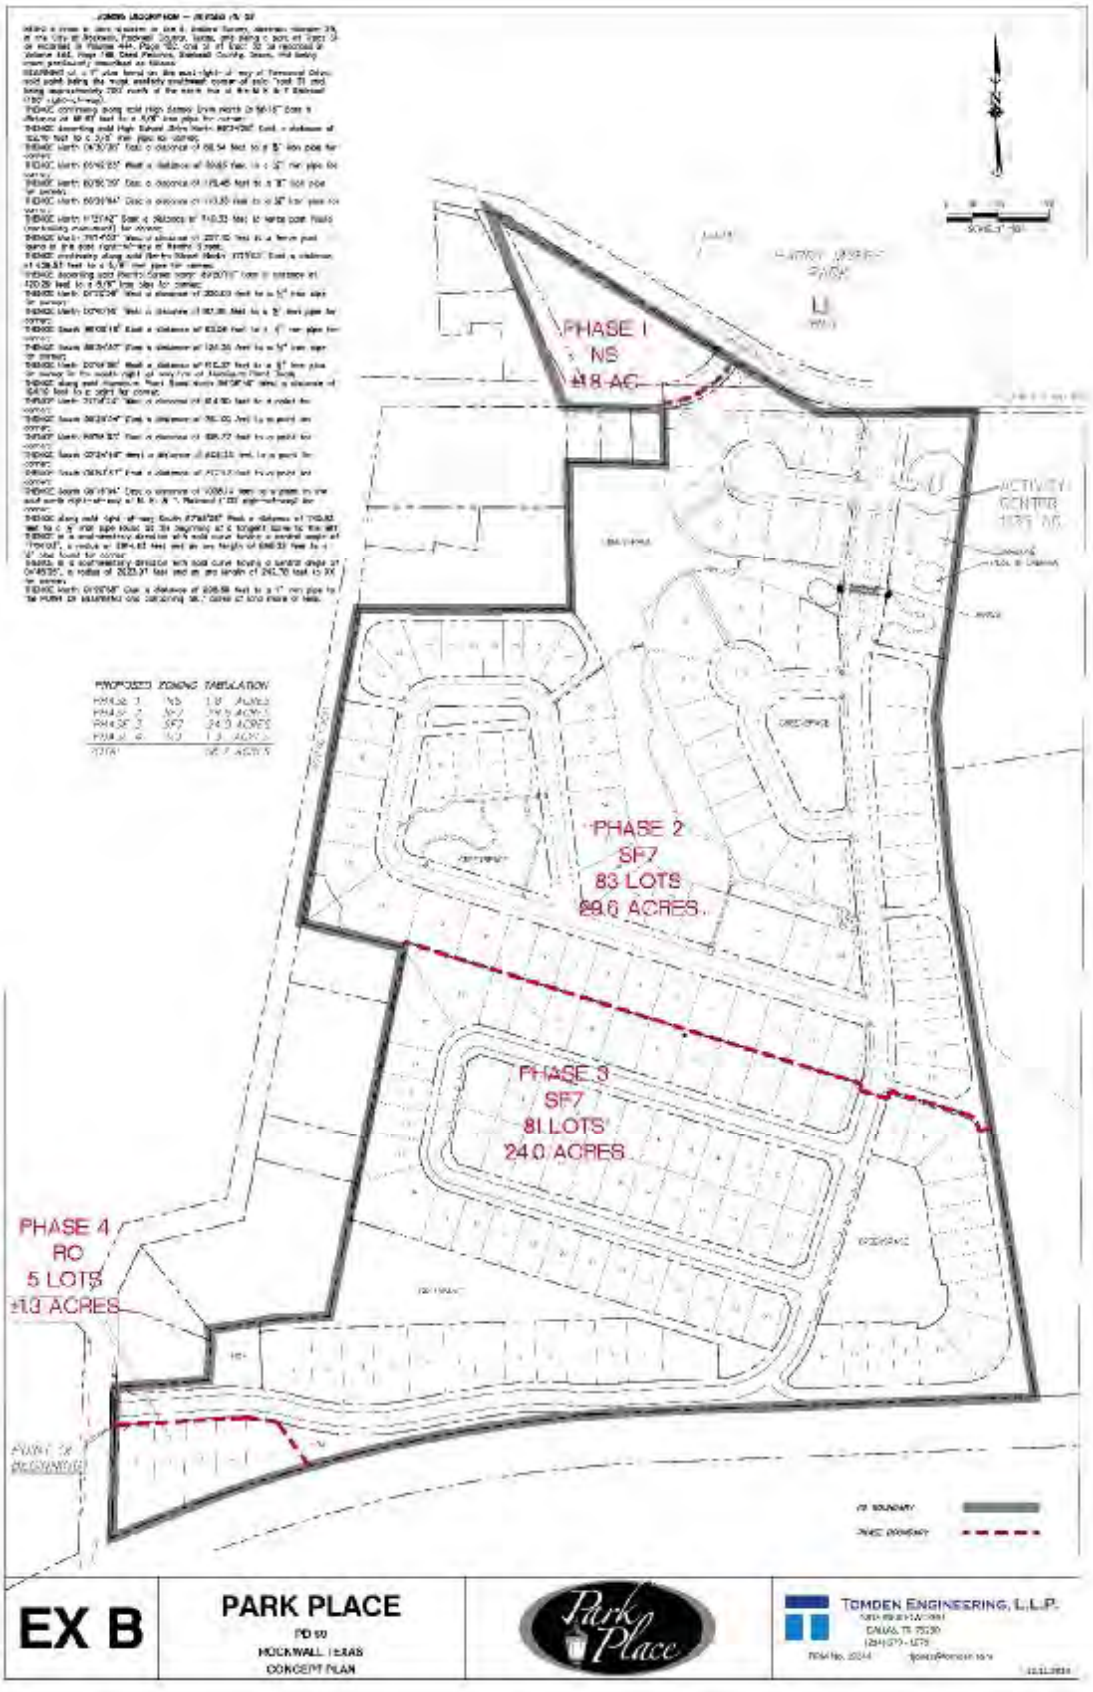

Exhibit 'E':
Hardscape Plan

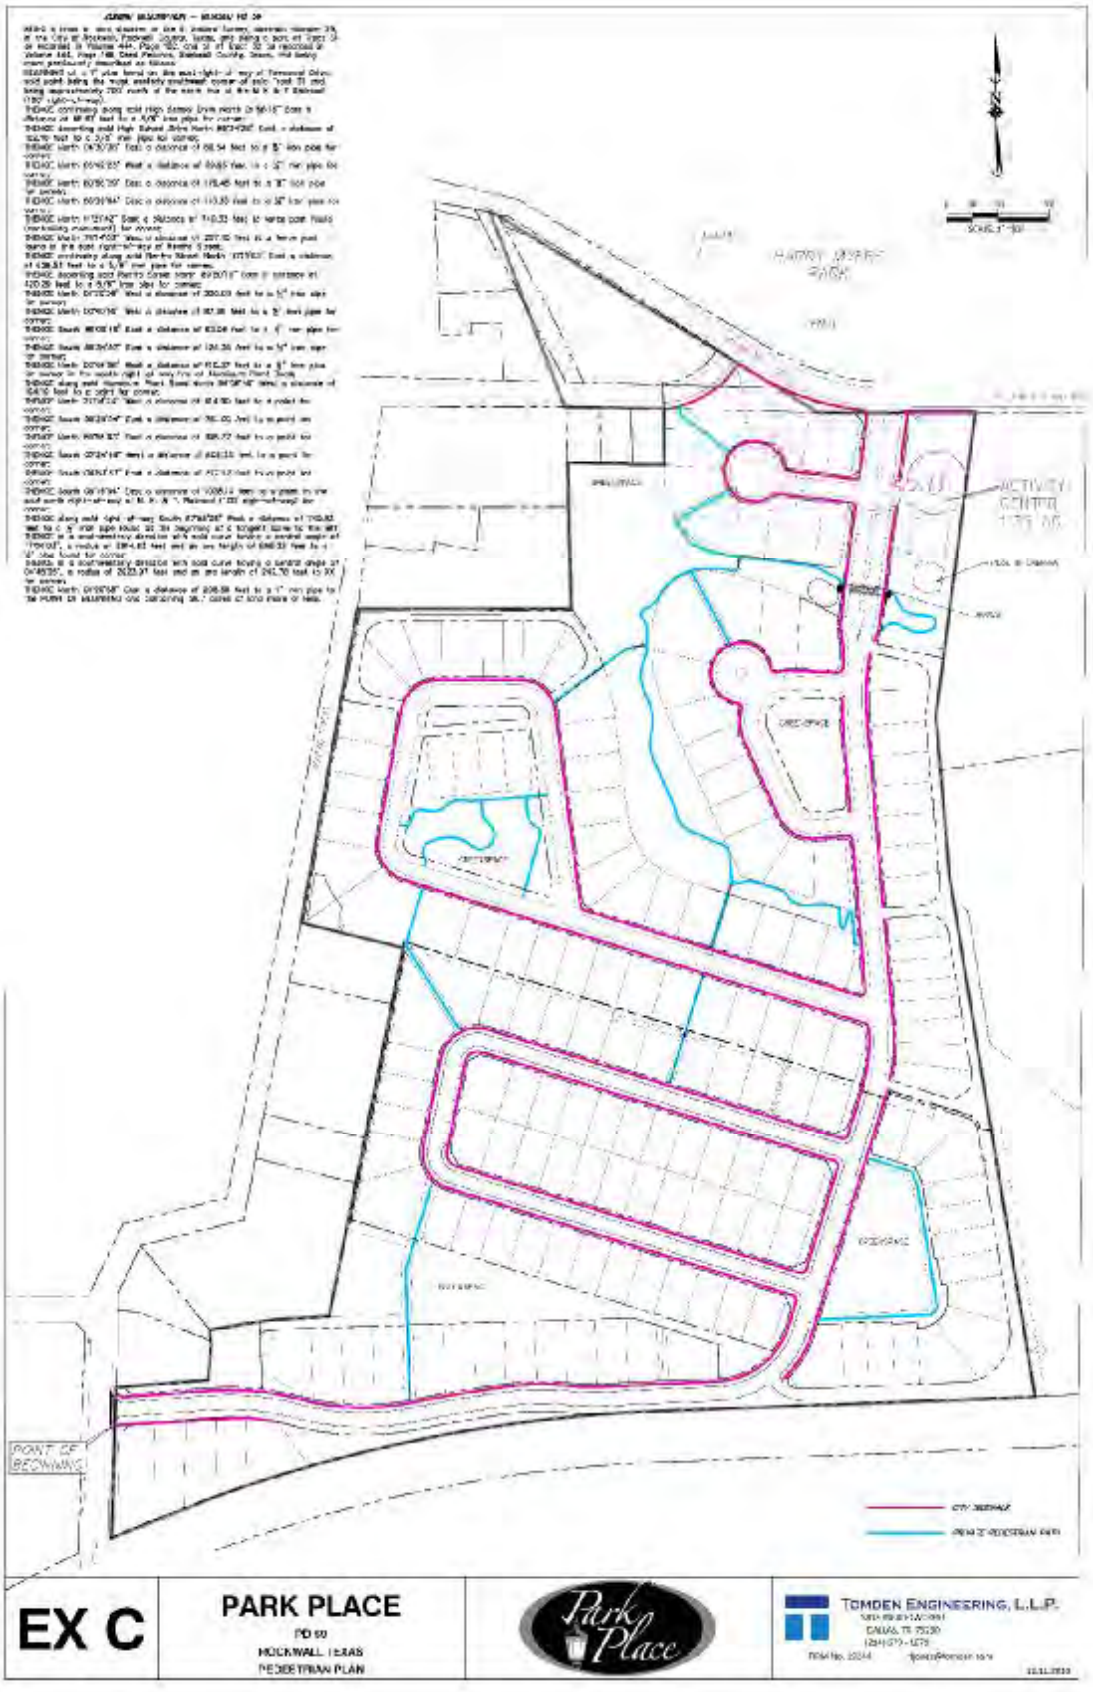

Exhibit 'F':
PD Development Standards

Phases 1-4 (56.586-Acres): Development Standards for all Phases

(1) *Streetscape Standards.* The following aspects of development shall be reviewed in conjunction with a preliminary plat and/or site plan:

(a) *Street Lighting.* Street lighting shall be compatible with neo-traditional design methods, the Old Town Rockwall Historic District guidelines, and any proposed guidelines for the City's Downtown Plan.

(b) *Street Signage and Traffic Control.* Signage and traffic control methods shall be compatible with neo-traditional design and complement the surrounding historic areas of the City.

(c) *Street Sections*. A PD Development Plan shall include any alternative street and alley cross-sections, paving methods, use of street trees, and other proposed engineering details.

(2) *Private Parks and Open Space.* Details for private parks and open space as indicated in *Exhibit 'B*' shall be subject to the following requirements and approved as part of the preliminary plat and/or site plan:

(a) A site/landscape plan for all open space, pocket parks, the community center, and trail systems. The development plan and/or preliminary plat shall also be reviewed by the City's Parks and Recreation Board.

(b) All city-required trails and public sidewalks shall be constructed with concrete and meet all City standards.

(c) Drainage area trails, which shall be maintained by the HOA, may be constructed with asphalt.

(d) The developer shall install a screening fence adjacent to the railroad along the south boundary of the subject property. The exact location, construction material(s), and height of the screening fence shall be reviewed and approved as part of the required site plan.

(3) *Hardscape.* Hardscape plans--depicted in *Exhibit 'E'*--indicating the location of all sidewalks and trails shall be reviewed and approved with the preliminary plat and/or final plat.

(4) *Fence Standards.* All fences shall be required to be wrought iron or tubular steel and vinyl shall be a minimum of four (4) feet in height; however, may not exceed a maximum of eight (8) feet in height unless situated in the front yard. Front yard fences shall meet the following requirements:

(a) No front yard fences shall be located within a public right-of-way;

(b) The maximum height for a front yard fence is 42-inches (*i.e. 3 ½ feet*); and

(c) All front yard fences shall be open or *picket-style* fencing constructed of wrought iron, tubular steel, or vinyl.

Phase 1: Neighborhood Services (1.8-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, *Phase 1* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Neighborhood Services (NS) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance*

(2) *No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

(3) *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, *Phase 1* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards for the Neighborhood Services (NS) District as stipulated in Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future. All lots shall conform to the standards depicted in *Table 1*, which are as follows:

Table 1: Density and Dimensional Requirements

Minimum Lot Width [1]	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	15'
Minimum Side Yard Setback	20'
Minimum Distance Between Buildings	15'
Maximum Height	36'
Minimum Rear Yard Setback	20'
Maximum Lot Coverage	60%
Maximum Building Size	5,000 SF

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

(4) *Building Standards.* All development shall be subject to site plan and Architectural Review Board (ARB) review and shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for the exterior façades of all buildings shall be 80%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Roof Design Requirements.* All structures having a footprint of 6,000 SF or less shall be constructed with a pitched roof system.

(c) *Architectural Requirements.* All units shall be architecturally finished on all sides of the building that are visible from a public right-of-way or open space. This should include the detailing and features. This will be reviewed by the Architectural Review Board (ARB) for conformance.

(5) *Landscape Buffer.* A minimum 10-foot landscape buffer shall be required along all street frontages. The buffer shall include a minimum of one (1) tree per 30 linear feet.

(6) *Signage.* Permanent, free-standing signage for Phase 1 shall be limited to one (1) monument not exceeding five (5) feet in height or a maximum of 60 SF in area.

(7) *Lighting.* In addition to the outdoor lighting requirements stipulated in Article VII, Environmental Performance, of the Unified Development Code (UDC), no light pole, pole base, or combination thereof shall exceed 20-feet in height. All lighting fixtures shall focus downward and be contained on the subject property

Phases 2 & 3: Single-Family 7 (53.6-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, *Phases 2 & 3* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Single-Family 7 (SF-7) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

(2) *Density and Dimensional Requirements.* Any development on *Phases 2 & 3* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards required for properties in a Single-Family 7 (SF-7) District as stipulated by Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future.

Table 2: SF-7 Lot Dimensional Requirements

Minimum Lot Width [1]	40'
Minimum Lot Area	4,000 SF
Minimum Average Lot Area	7,000 SF
Minimum Front Yard Setback [2] & [3]	10'
Minimum Side Yard Setback [4]	5'
Minimum Side Yard Adjacent to a Street	10
Minimum Distance Between Buildings	15'
Maximum Height [3]	36'
Minimum Rear Yard Setback [4, 5]	10'
Maximum Lot Coverage	60%

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the single-family home.
[4]: The minimum side yard setback for an internal lot or a lot abutting open space or HOA common area is five (5) feet. For yards abutting a street, the minimum side yard setback shall be 10-feet.
[5]: Lots with double frontage shall have a minimum rear yard setback of 15 feet.

(3) *Building Standards.* Housing type and construction shall generally conform to the *Architectural Styles* depicted in *Exhibit 'G'* of this ordinance; however, all development shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for all exterior façades (*excluding walls on a porch, patio, courtyard, or breezeway*) greater than 100 SF shall be 80%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Anti-Monotony.* An anti-monotony standard shall not allow the same structure—in terms of materials and elevation--any closer than five (5) houses apart on either side of the street.

(c) *Common Areas and Open Space.* All common areas, dedicated landscape easements, and open space areas shall be maintained by a Homeowner's Association, which shall be created subject to the requirements of the City's Subdivision Ordinance and filed prior to approval of the final plat(s)

(d) *Guest Quarters/Secondary Living Unit.* A guest quarters/secondary living unit shall be permitted by-right within Phases 2 & 3 and subject to the following conditions:

(i) Such quarters must be ancillary to the primary use;

(ii) The area of such quarters shall not exceed 30% of the area of the main structure;

(iii) The area of such quarters shall also conform to the maximum lot coverage for the overall lot;

(iv) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the *Subdivision Ordinance*; and

(v) Such quarters shall be designed for temporary occupancy or as a secondary living unit. These structures are not to be used as rental accommodations.

(4) *Access.* Lots with rear yards that abut Renfro Street shall not have access from Renfro Street.

Phase 4: Residential-Office (1.3-Acres)

(1) *Permitted Uses.* Unless specifically provided by this Planned Development District Ordinance, *Phase 4* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the land uses permitted for the Residential-Office (RO) District as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC) [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future; however, the following conditions shall apply:

The following land uses shall be expressly prohibited on the *Phase 4*:

- Accessory Building
- Bed and Breakfast
- Convent or Monastery
- Daycare (7 or more children)
- Residential Care Facility
- Assisted Living Facility
- Convalescent Care Facility/Nursing Home
- Congregate Care Facility
- General Retail Store*
- Group or Community Home
- Halfway House
- Library, Art Gallery, or Museum (Public)
- Railroad Yard or Shop
- Studio-Art, Photography, or Music
- Shoe and Boot Repair and Sales
- Transit Passenger Facility
- Antenna, Accessory
- Antenna, Commercial
- Antenna, Amateur Radio
- Antenna, Dish
- Wireless Communication Tower
- Utilities (Non-Municipally Owned or Controlled), Including Sanitary Landfill and Wastewater Treatment
- Municipally Owned or Controlled Facilities, Utilities, and Use

*General Retail Store less than 2,000 SF shall be allowed by-right. General Retail Stores larger than 2,000 SF shall require a Specific Use Permit

The following land uses shall be permitted by Specific Use Permit (SUP) on the *Phase 4*:

- General Retail Store*
- Hair Salon, Manicurist
- Office Building, 5,000 SF or More
- Restaurant, Less Than 2,000 SF w/o Drive-Thru
- Solar Energy Collector Panels and Systems

*General Retail Store less than 2,000 SF shall be allowed by-right. General Retail Stores larger than 2,000 SF shall require a Specific Use Permit

(2) *Density and Dimensional Requirements.* Any development on *Phase 4* as depicted in *Exhibits 'C' & 'D'* of this ordinance shall be subject to the development standards required for properties in a Residential-Office (RO) District as stipulated by Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting this zoning change, and as may be amended in the future; however, all development shall adhere to the following building standards:

Table 3. Density and Dimensional Requirements

Minimum Lot Width [1]	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback [2]	10'
Minimum Side Yard Setback	5'
Minimum Distance Between Buildings	15'
Maximum Height [3]	36'
Minimum Rear Yard Setback	10'
Maximum Lot Coverage	60%

General Notes:
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.
[2]: The location of the *Front Yard Building Setback* as measured from the front property line.
[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the residential-office structure.

(3) *Building Standards. Building Standards.* Housing type and construction shall generally conform to the *Architectural Styles* depicted in *Exhibit 'G'* of this ordinance; however, all development shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for all exterior façades (*excluding walls on a porch, patio, courtyard, or breezeway*) greater than 100 SF shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and/or similar cementitious products may be used for up to *100%* of the exterior of the building pending conformance with the anti-monotony restrictions outlined in this ordinance. Stucco (*i.e. three [3] part stucco or similar*) shall be prohibited.

(b) *Anti-Monotony.* An anti-monotony standard shall not allow the same structure—in terms of materials and elevation--any closer than five (5) houses apart on either side of the street.

(c) *Common Areas and Open Space.* All common areas, dedicated landscape easements, and open space areas shall be maintained by a Homeowner's Association, which shall be created subject to the requirements of the City's Subdivision Ordinance and filed prior to approval of the final plat(s).

(d) *Guest Quarters/Secondary Living Unit.* A guest quarters/secondary living unit shall be permitted by-right within Phases 2 & 3 and subject to the following conditions:

(i) Such quarters must be ancillary to the primary use;

(ii) The area of such quarters shall not exceed 30% of the area of the main structure;

(iii) The area of such quarters shall also conform to the maximum lot coverage for the overall lot; and

(iv) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the *Subdivision Ordinance*.

(v) Such quarters shall be designed for temporary occupancy or as a secondary living unit. These structures are not to be used as rental accommodations.

(4) *Access.* Lots with rear yards that abut Renfro Street shall not have access from Renfro Street.

(5) *Parking Requirements*. Parking requirements for Phase 4 shall be all follows:

(a) Two (2) parking spaces per lot for single-family uses.

(b) One (1) additional space per 500 SF for non-residential uses as permitted by this ordinance. Off-site common or shared parking agreements shall be considered for Phase 4, subject the review of the proposed parking area(s) with the required development plan.

CITY OF ROCKWALL

ORDINANCE NO. 19-09

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT ON A 3.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1-01 OF THE T. DEAN SURVEY, ABSTRACT NO. 69, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Heather Cullins for a change in zoning from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family 2.0 (SFE-2.0) District and more fully depicted in *Exhibit 'A'* and described in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from a Single-Family 2.0 (SFE-2.0) District to a Single-Family 1.5 (SFE-1.5) District;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Single-Family 1.5 (SFE-1.5) District as stipulated in Section 1.1*, Use of Land and Buildings,* of Article IV*, Permissible Uses* and Section 3.2*, Single-Family Estate 1.5 (SFE-1.5) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein;

SECTION 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00)* for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code (UDC) of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable; and

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect;

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/04/2019

APPLICANT: Gerald Houser of *Collin-G Properties, LTD*

AGENDA ITEM: **P2019-002;** *Lot 2, Block A*, *Houser Addition*

SUMMARY:

Consider a request by Gerald Houser of Collin-G Properties, LTD for the approval of a replat for Lot 2, Block A, Houser Addition being a 6.19-acre parcel of land identified Lot 1, Block A, Houser Addition, City of Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 1611 SH-276, and take any action necessary.

PLAT INFORMATION:

☑ The objective of this request is to replat a 6.19-acre tract of land [*i.e. Lot 1, Block A, Houser Addition*] for the purpose of the replat is to establishing firelane, public access & utility easements to construct an office building. Additionally, the replat will abandon a portion of a 15-ft utility easement that is located on the southern and western property boundaries. The subject property is addressed as 1611 SH-276, and zoned Heavy Commercial (HC) District.

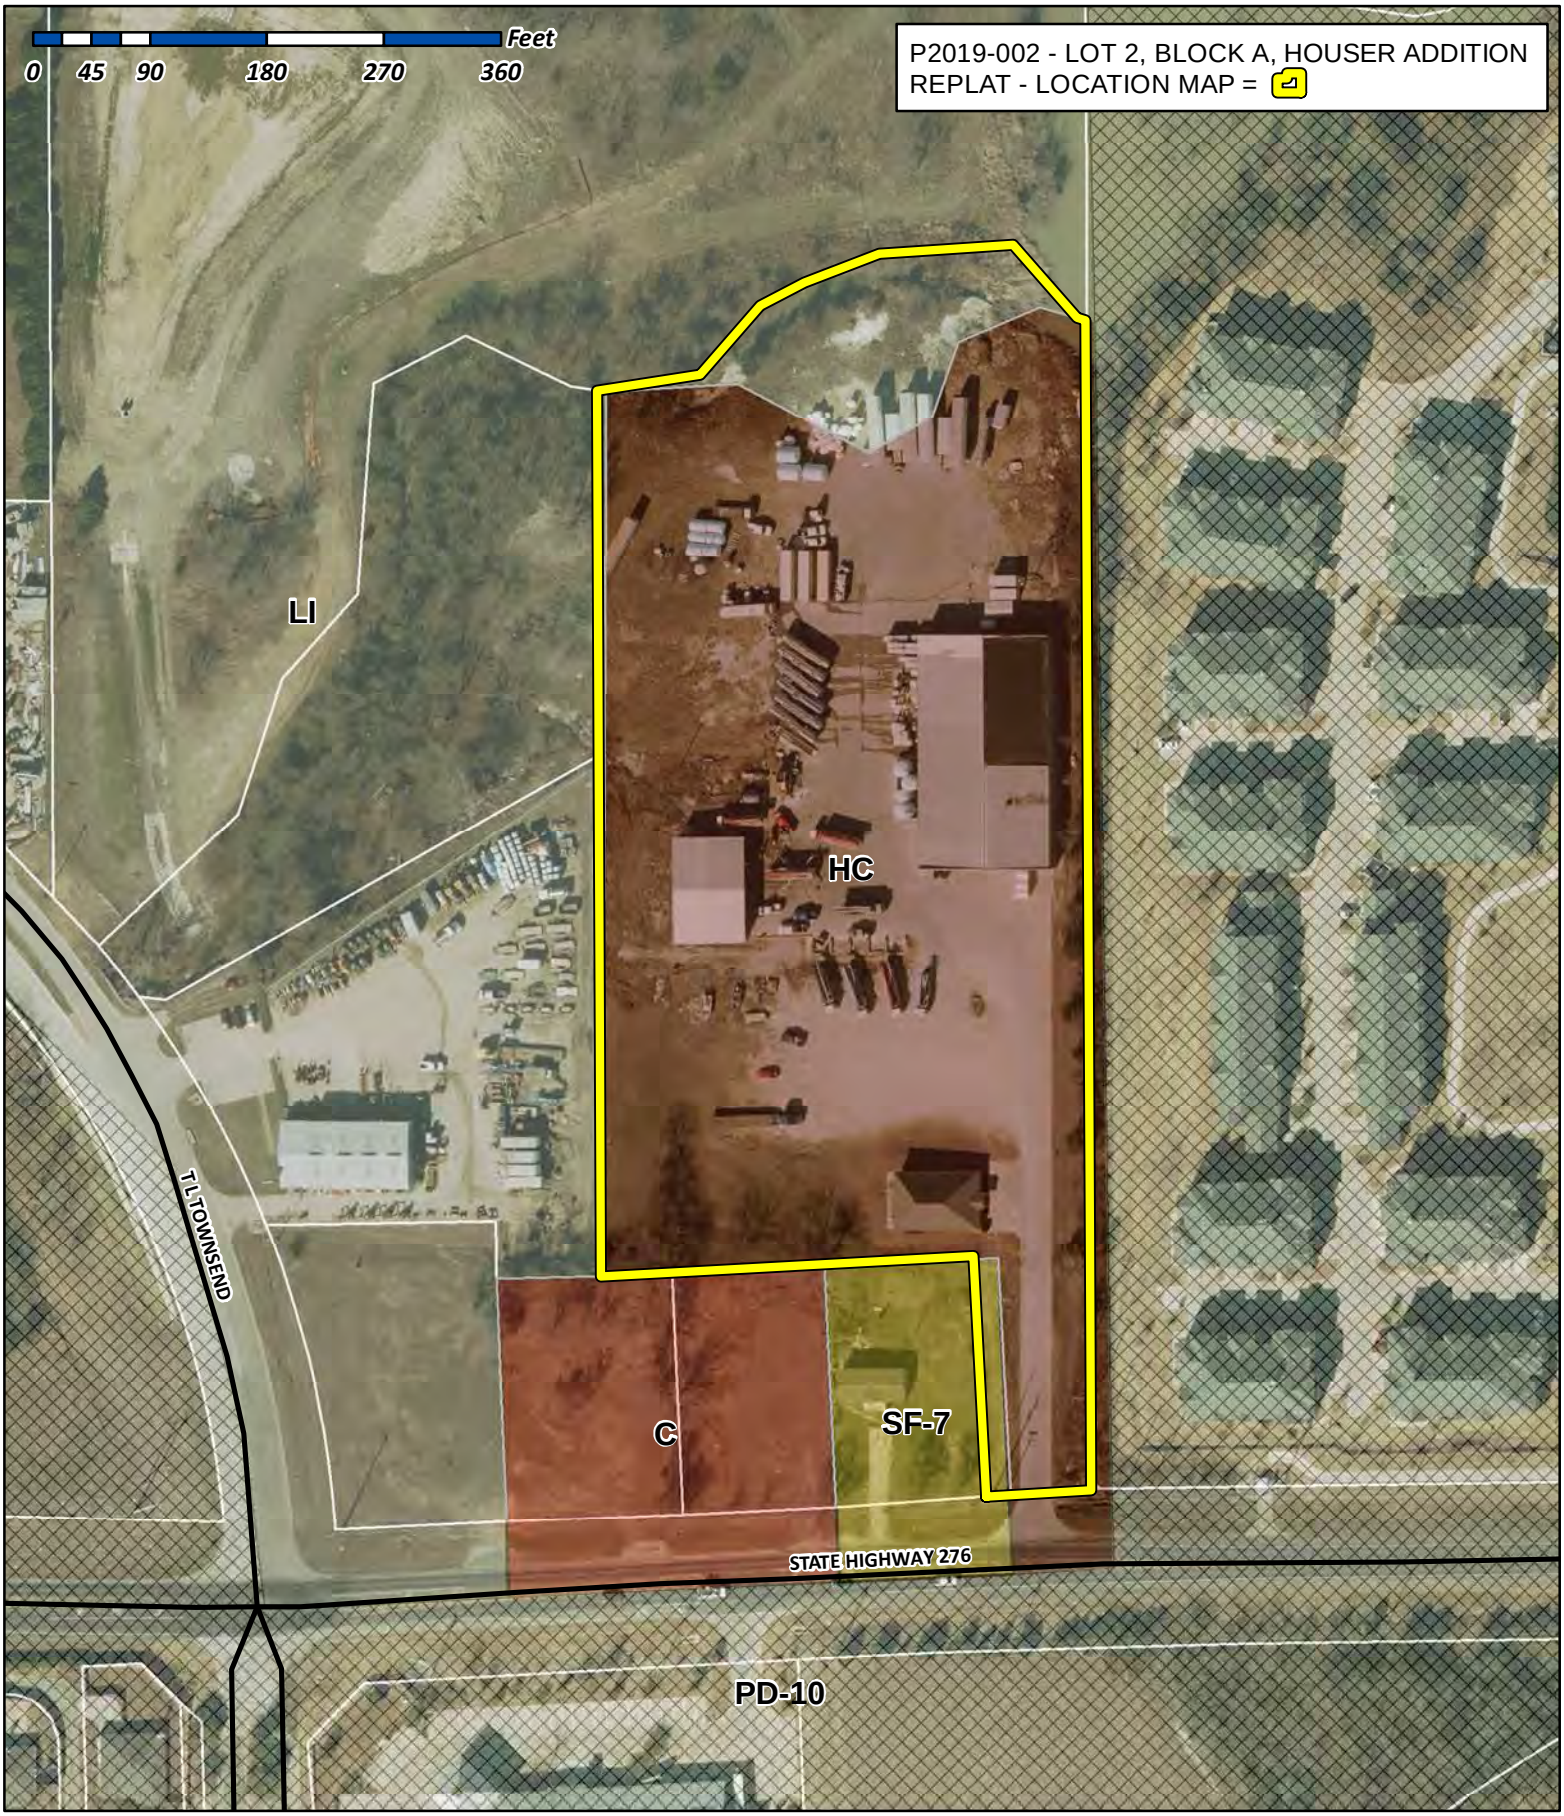
☑ On October 11, 2016, the Planning and Zoning Commission approved a site plan [*i.e. SP2016-022*] for the subject property. Additionally, the City Council approved variances and exceptions associated with the site plan on October 27, 2016.

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for a *replat* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

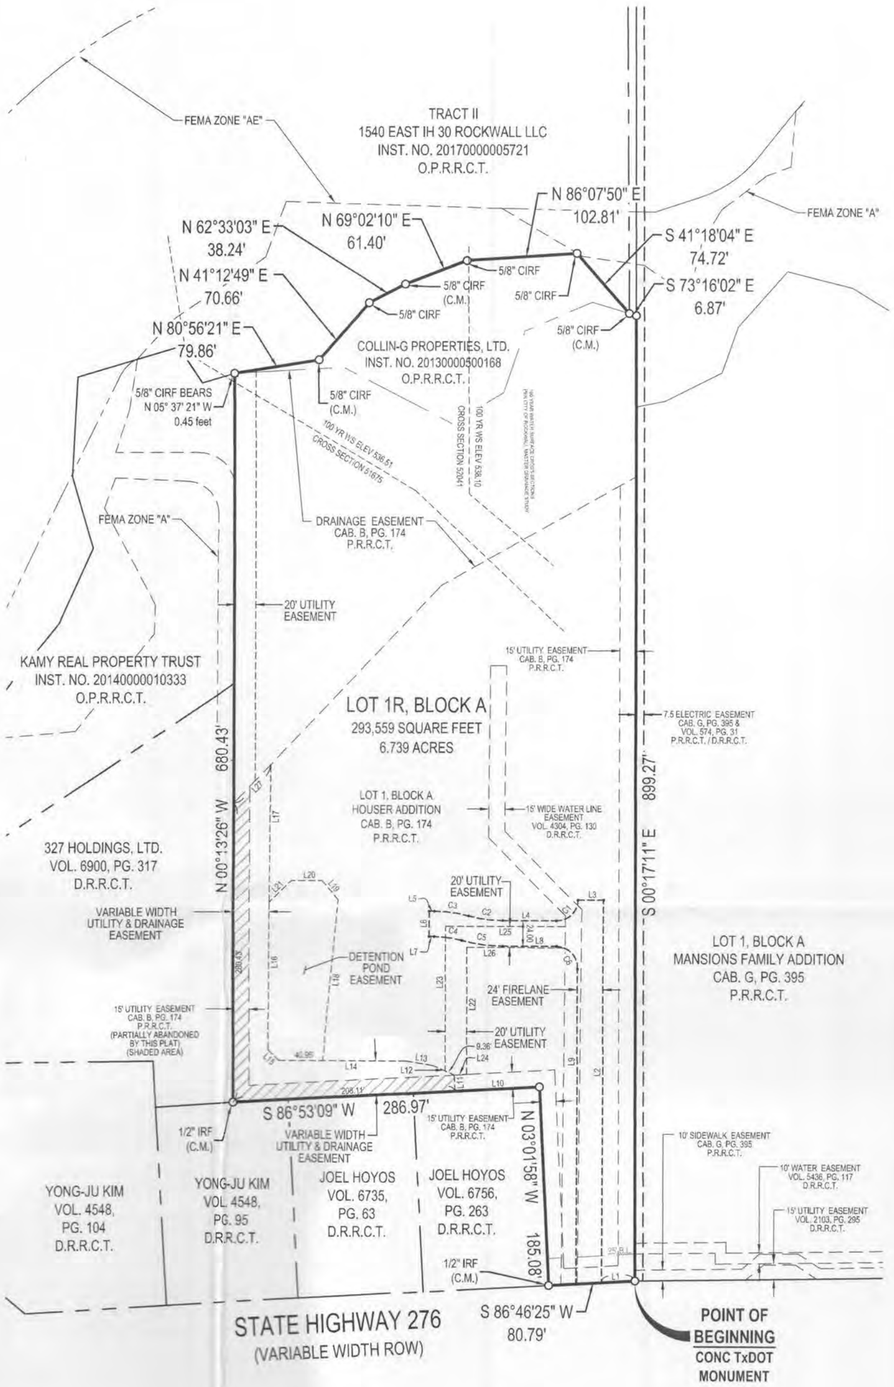


If the City Council choses to approve the replat for *Lot 2, Block A, Houser Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:



On January 29, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff conditions passed by a vote of 7 to 0.

OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as COLLIN-G PROPERTIES, LTD., to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

7. The Property Owner is responsible for all maintenance , repair , and replacement of storm drain / detention facilities in easements.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

NOTES:

1. THE BASIS OF BEARING FOR THIS SURVEY IS THE TEXAS COORDINATE SYSTEM OF 1983, NORTH CENTRAL ZONE, (4202) GEODETIC BEARING ESTABLISHED BY GPS MEASUREMENTS TAKEN ON THE GROUND AND COMPUTED BY ONLINE POSITIONING USER SERVICE (OPUS) OFFERED BY THE NATIONAL GEODETIC SURVEY.
2. BY GRAPHIC SCALE THE PROPERTY SHOWN HEREON IS LOCATED IN ZONES "A" AND "AE" (AREAS SUBJECT TO INUNDATION BY THE 1% ANNUAL CHANCE FLOOD EVENT DETERMINED BY DETAILED METHODS. BASE FLOOD ELEVATIONS ARE ESTABLISHED) AND ZONE "X" (AREAS DETERMINED TO BE OUTSIDE THE 500-YEAR FLOOD HAZARD) ACCORDING TO MAP NO. 48397C0045L, DATED SEPTEMBER 26, 2008 OF THE NATIONAL INSURANCE RATE MAP PREPARED BY THE FEDERAL EMERGENCY MANAGEMENT AGENCY. THIS FLOOD STATEMENT SHALL NOT CREATE LIABILITY ON THE PART OF THE SURVEYOR.
3. THE SURVEYOR, AS REQUIRED BY STATE LAW, IS RESPONSIBLE FOR SURVEYING INFORMATION ONLY AND BEARS NO RESPONSIBILITY FOR THE ACCURACY OF THE ENGINEERING DATA ON THIS PLAT.
4. THE PORTION OF THE EASEMENT SHOWN SHADED IS TO BE PARTIALLY ABANDONED BY THIS PLAT.
5. THE SURVEYOR HAS MADE NO INVESTIGATION OR INDEPENDENT SEARCH FOR EASEMENTS, ENCUMBRANCES, OR ANY OTHER FACTS THAT AN ACCURATE AND CURRENT TITLE SEARCH MAY DISCLOSE.
6. ALL CORNERS ARE 5/8 INCH IRON ROD WITH CAP STAMPED "TNP" UNLESS OTHERWISE SHOWN.

_____ _____
Planning & Zoning Commission, Chairman *Date*

APPROVED:

I hereby certify that the above and foregoing plat of an addition to the City of Rockwall, Texas was approved by the City Council of the City of Rockwall on the ____ day of _____, 2018.

This approval shall be invalid unless the approved Plat for such Addition is recorded in the office of the County Clerk of Rockwall County, Texas, within one hundred eighty (180) days from said date of final approval.

Witness our hands this the ____ day of _____, 2018.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/04/2019

APPLICANT: Maria C. Bonilla of *Winkelmann & Associates, Inc.*

AGENDA ITEM: **P2019-003;** *Lot 2, Block B, R.W. Marketcenter Addition*

SUMMARY:

Consider a request by Maria C. Bonilla of Winkelmann & Associates, Inc. on behalf of Jill Fisher of Dunhill Partners, Inc. for the approval of a replat for Lot 2, Block B, R. W. Marketcenter Addition being a replat of a 21.424-acre parcel identified as Lot 1A, Block B, R. W. Marketcenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, situated at the southwest corner of Market Center Drive and the E. IH-30 Frontage Road, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to replat a 21.424-acre tract of land [*i.e. Lot 1A, Block B, R. W. Marketcenter Addition*] for the purpose of the replat is to abandoning a portion of an existing firelane, access & utility easement and realigning the easement to accommodate the expansion of an existing Bath and Body Works retail store [*i.e. SP2018-034*]. The site is located on the southeastern portion of the lot, adjacent to Ralph Hall Parkway and Market Center Drive, and is zoned Commercial (C) District.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for a *replat* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

If the City Council choses to approve the replat for *Lot 2, Block B, Marketcenter Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall

Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 29, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff conditions passed by a vote of 7 to 0.

OWNER'S CERTIFICATE

STATE OF TEXAS §
COUNTY OF ROCKWALL §

WHEREAS, ROCKWALL DUNHILL, LLC being the owner of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING a tract of land situated in the JAMES SMITH SURVEY, ABSTRACT No. 200, and the E. P. GAINES SURVEY, ABSTRACT NO. 64, in the City of Rockwall, Rockwall County, Texas, being all of Lot 1A, Block B, R W Marketcenter Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet D, Page 134, Official Public Records of Rockwall County, Texas, and all of a tract of land described in Warranty Deed with Vendor's Lien to R W Marketplace Associates, Ltd. as recorded in Volume 1522, Page 279, Official Public Records, Rockwall County, Texas, said tract being more particularly described as follows:

BEGINNING at a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for the Northwest corner of said Lot 1A and the Northeast corner of Church on the Rock Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet B, Slide 84, Official Public Records of Rockwall County, Texas, on the Southeast right-of-way of Interstate Highway 30, a variable width right-of-way;

THENCE North 70 deg 01 min 20 sec East, with the Southeast right-of-way of said Interstate Highway 30 and the Northwest line of said Lot 1A, a distance of 413.30 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for corner at the Northwest end of a corner clip at the intersection of the Southeast right-of-way of said Interstate Highway 30 and the West right-of-way for Market Center Drive, a 60-foot right-of-way, as established by Home Depot-Rockwall Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet D, Page 57, Official Public Records of Rockwall County, Texas:

THENCE South 64 deg 52 min 32 sec East, along said corner clip, a distance of 21.18 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for corner at the Southeast end of said corner clip on the West right-of-way of said Market Center Drive;

THENCE in a Southeasterly direction with the Southwest right-of-way of said Market Center Drive and the Northeast lines of said Lot 1A, the following courses and distances:

South 19 deg 46 min 24 sec East, a distance of 136.46 feet to a 1/2-inch iron rod with plastic cap stamped "W.A.I. 5714" set for corner, said point being the beginning of a curve to the left having a radius of 630.00 feet, a central angle of 64 deg 32 min 45 sec, a chord bearing of South 52 deg 02 min 46 sec East, and a chord length of 672.78 feet;

Along said curve to the left, an arc distance of 709.72, to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" set for, said point being the beginning of a curve to the right having a radius of 570.00 feet, a central angle of 38 deg 22 min 10 sec, a chord bearing of South 65 deg 08 min 03 sec East, and a chord length of 374.62 feet;

Along said curve to the right, an arc distance of 381.71 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for corner;

South 45 deg 56 min 58 sec East, a distance of 91.50 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for corner at the North end of a corner clip at the intersection of the West right-of-way with the Northwest right-of-way of Ralph M. Hall Parkway, an 85-foot right-of-way, as established by Plat of said Home Depot-Rockwall Addition;

THENCE South 01 deg 13 min 41 sec East, along said corner clip, a distance of 21.32 feet to an "X" cut in concrete found for corner on the Northwest right-of-way of said Ralph M. Hall Parkway;

THENCE South 43 deg 29 min 37 sec West, along the Northwest right-of-way of said Ralph M. Hall Parkway and the Southeast line of said Lot 1A, a distance of 1,010.21 feet to an "X" cut in concrete found for the Southwest corner of said Lot 1A on the Northeast line of said Church on the Rock Addition;

THENCE North 29 deg 26 min 15 sec West, along the Southwest line of said Lot 1A and the Northeast line of said Church on the Rock Addition, a distance of 521.68 feet to an "X" cut in concrete found for the Southeast corner of said R W Marketplace Associates tract, said point being the beginning of a curve to the left having a radius of 190.00 feet, a central angle of 11 deg 41 min 18 sec, a chord bearing of North 35 deg 16 min 54 sec West, and a chord length of 38.69 feet;

THENCE along the Southwest lines of said R W Marketplace Associates tract, the following courses and distances:

Along said curve to the left, an arc distance of 38.76 feet, to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" set for corner;

North 41 deg 07 min 33 sec West, a distance of 94.02 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" set for corner, said point being the beginning of a curve to the right having a radius of 210.00 feet, a central angle of 11 deg 25 min 32 sec, a chord bearing of North 35 deg 24 min 47 sec West, and a chord length of 41.81 feet;

Along said curve to the right, an arc distance of 41.88 feet, to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" set for corner from which a 5/8-inch iron rod with plastic cap stamped "KHA" found bears North 02 deg 49 min 56 sec West, a distance of 0.62 feet;

North 29 deg 42 min 01 sec West, a distance of 227.00 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" set for corner, said point being the beginning of a curve to the right having a radius of 210.00 feet, a central angle of 30 deg 23 min 48 sec, a chord bearing of North 14 deg 30 min 06 sec West, and a chord length of 110.11 feet;

Along said curve to the right, an arc distance of 111.41 feet to a 1/2-inch iron rod with red plastic cap stamped "W.A.I. 5714" found for the Northwest corner of said R W Marketplace Associates tract;

THENCE North 29 deg 26 min 15 sec West, along the Southwest line of said Lot 1A and the Northeast line of said Church on the Rock Addition, a distance of 282.69 feet to a 1/2-inch iron rod with plastic cap stamped "W.A.I. 5714" set for corner from which a 1/2-inch iron rod found bears North 31 deg 07 min 53 sec East, a distance of 0.75 feet;

THENCE North 11 deg 50 min 36 sec West, along the Southwest line of said Lot 1A and the Northeast line of said Church on the Rock Addition, a distance of 249.84 feet to the POINT OF BEGINNING.

CONTAINING within these metes and bounds 933,244 square feet or 21.424 acres of land, more or less.

Bearings shown hereon are based upon an on-the-ground Survey performed in the field on the 22nd day of August, 2013, utilizing the Southeast line of Lot 1A, Block B, R W Marketcenter Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet D, Page 134, Official Public Records of Rockwall County, Texas.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS §
COUNTY OF ROCKWALL §

We the undersigned owner(s) of the land shown on this plat, and designated herein as the **R W MARKETCENTER ADDITION**, Lots 1A-R, Block B, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the R W Marketcenter Addition subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or
part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

7. All detention systems to be maintained and repaired by property owner.

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required
improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/04/2019

APPLICANT: Tony Degeli of *A & W Surveyors.*

AGENDA ITEM: **P2019-004;** *Lot 7, Block A*, *Temunovic Addition*

SUMMARY:

Consider a request by Tony Degeli of A & W Surveyors on behalf of Michael Fisher for the approval of a replat for Lot 7, Block A, Temunovic Addition being a 1.082-acre parcel of land identified as Lot 6, Block A, Temunovic Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District, situated within the Scenic Overlay (SOV) District, addressed as 1306 Summer Lee Drive, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to replat a 1.082-acre tract of land [*i.e. Lot 6, Block A, Temunovic Addition*] for the purpose of establishing firelane, public access, drainage & utility easements to allow for the construction of a medical office building. The subject property is situated within the Scenic Overlay (SOV) District, addressed as 1306 Summer Lee Drive, and zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses.

- ☑ A Specific Use Permit (SUP) [*i.e. Ordinance No. 17-52, S-175*] was approved by the City Council on October 2, 2017 allowing for a structure to exceed 36-feet in height within the Scenic Overlay District (SOV).

- ☑ A site plan [*i.e. SP2017-023*] was approved by the Planning and Zoning Commission on September 26, 2017.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for a *replat* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

RECOMMENDATIONS:

If the City Council choses to approve the replat for *Lot 7, Block A*, *Temunovic Addition*, staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat.

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 29, 2019, the Planning and Zoning Commission's motion to recommend approval of the replat with staff conditions passed by a vote of 7 to 0.

OWNER'S DEDICATION

STATE OF TEXAS
COUNTY OF ROCKWALL

That, 1306 Summer Lee, LLC, the undersigned owners of the land shown on this plat, designated herein as ***LOT 6R, BLOCK A, TEMUNOVIC ADDITION*** to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the TEMUNOVIC ADDITION have been notified and signed this plat.
I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.
7. All drainage and detention on site will be maintained, repaired, and replaced by the property owner.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

MEMORANDUM

To: **Rick Crowley, City Manager**

From: **Lea Ann Ewing, Purchasing Agent**

Date: **January 30, 2019**

Subject: **Emergency Repair – Replace Pumps at Harbor Fountain**

During a routine inspection of the Harbor large fountain, staff found that both submerged pumps (one runs the inside ring and the other pump runs the outside ring) had failed. The pumps are 12 years old. Staff contacted Control Specialists to come out to examine the pumps to determine repair or replacement. Through the Buy Board Purchasing cooperative contract, Public Works and Parks uses Control Specialists for a majority of their pump repair and replacement needs.

Given the age and condition of the two pumps, Control Specialists recommended full replacement. Work began that week to get the fountain back up. A proposal estimating the cost of replacement was $24,962 not including any unforeseen conditions. Harbor operating budget, pool repairs account had adequate funds to cover the cost of this work. Once the work was complete, the final cost was $25,830.83.

For Council's consideration is the approval of this emergency repair and authorize the City Manager to execute a check to Control Specialists for $25,830.83.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **January 23, 2019**

SUBJECT: **Service Center Yard Pavement Replacement**

Approved is $375,000 in the General Fund, Streets and Drainage Construction and Repair budget to remove the Service Center Yard failing asphalt pavement and replace with 8" reinforced concrete pavement. Total cost for this project is $352,390. The City has a current Concrete Pavement Maintenance contract with XIT Paving and Construction (XIT) for this type of work.

For Council consideration is the approval of this work for $352,390 and authorize the City Manager to execute a purchase order to XIT.

The New Horizon

MEMORANDUM

To: **Rick Crowley, City Manager**

From: **Lea Ann Ewing, Purchasing Agent**

Date: **January 30, 2019**

Subject: **New Fencing at 3 Lift Station Sites**

Approved in the Water Sewer Fund, Wastewater operating budget is $61,000 to install new aluminum fencing at three lift stations. Sealed competitive bids were solicited for new fencing at the Soroptimist, Community Building and Chevy House lift stations. The bid opening was held on January 11, 2019. Bids were received from Riverstone Fence $43,500, Firehouse Fence $61,247, Axis Construction $64,580, Swift Corp $78,000 and K Tillman Construction $94,439.

Apparent low bidder is Riverstone Fence.

For Council consideration is the bid award to Riverstone Fence for $43,500 and authorize the City Manager to execute a contract for the new fencing.

74

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

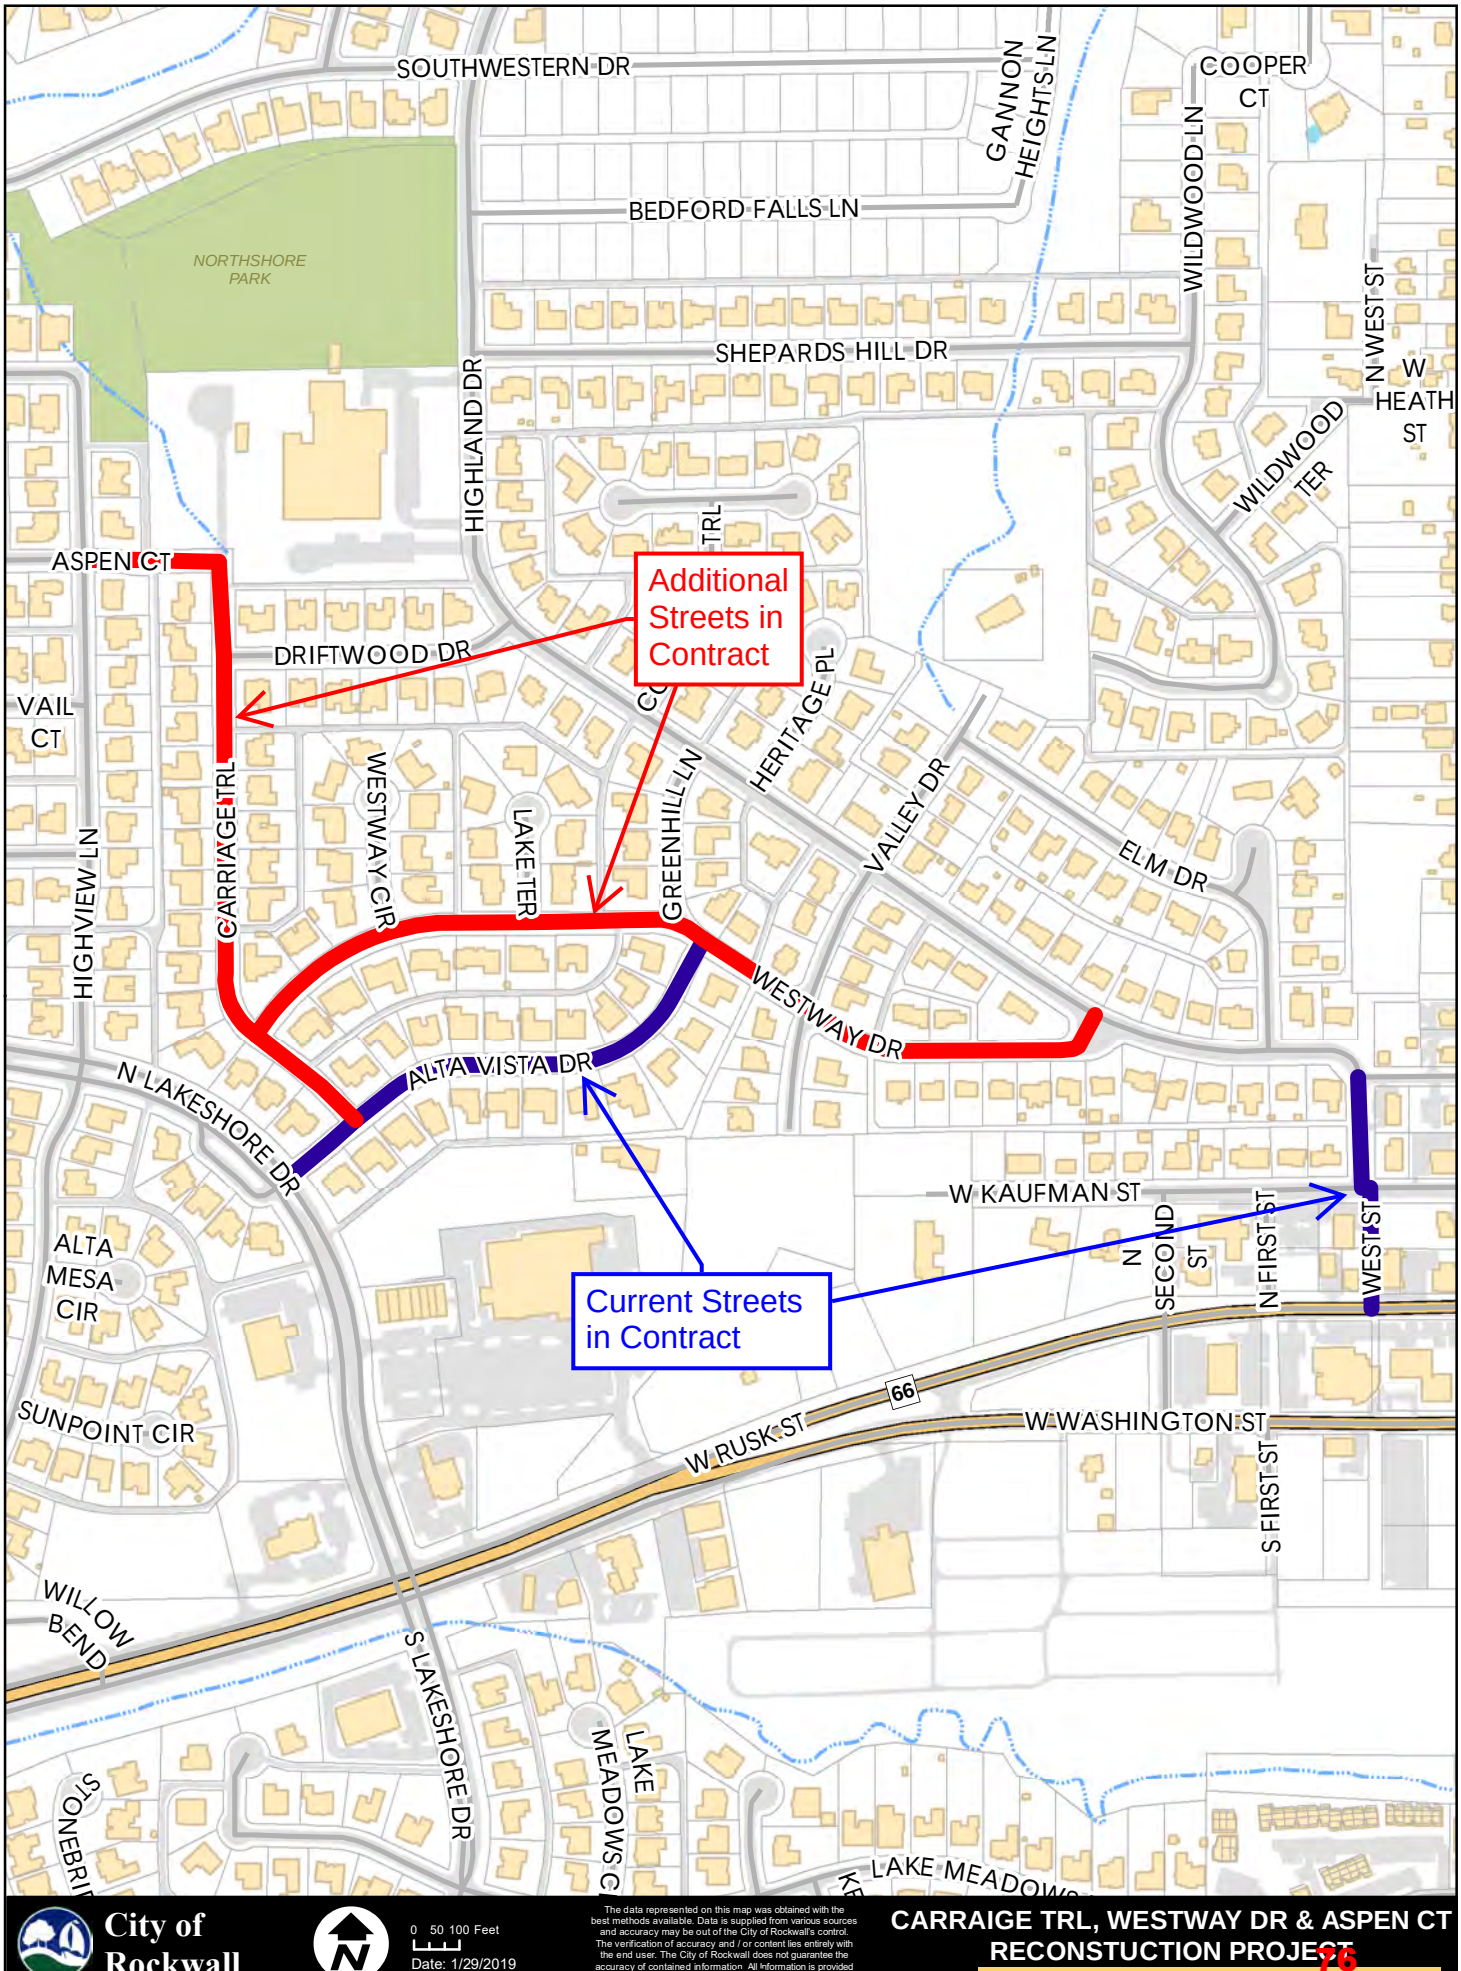
FROM: **Amy Williams, P.E., Public Work Director/City Engineer**

DATE: **January 29, 2019**

SUBJECT: **Professional Engineering Services Contract**
Carriage Trail (Aspen Court to Alta Vista Drive), Westway Drive (Carriage Trail to Highland Drive), and Aspen Court (Highview Lane to Carriage Trail) Reconstruction Project

Funds for the first year of the 2018 Street Bond Program were planned to be allocated for the engineering design for the reconstruction of ten existing streets sections. Designing these projects in the first bond year will allow the City to have "construction ready projects" for the upcoming years of the 2018 Street Bond Program. The City Council, to date, has approved the engineering contracts for eleven roadway sections to be designed. The total engineering design contract costs for these projects was below the estimated first year's budgeted amount, and the additional funds can be used to design additional streets.

Carriage Trail from Aspen Court to Alta Vista Drive (approximately 1,350 feet), Westway Drive from Carriage Trail to Highland Drive (approximately 2,000 feet), and Aspen Court from Highview Lane to Carriage Trail (approximately 300 feet) are streets to be reconstructed in the 2018 Street Bond Program, but the design was not included in the first year's bond funds. Due to additional funds being available, Carriage Trail, Westway Drive, and Aspen Court can be considered for engineering design in the first year of the Street Bond Program.



On October 15, 2018, City Council awarded Teague Nall and Perkins. the engineering design contract for Alta Vista Drive and Westway Drive in the amount of $313,500. Carriage Trail, Westway Drive, and Aspen Court are adjacent to this section of Alta Vista Drive which is currently being designed under the above mentioned contract. Since Carriage Trail, Westway Drive, and Aspen Court are adjacent to this design area, staff requested that the consultant provide a supplement to their engineering contract (Supplemental Agreement No. 1) to include the design and construction document preparation for Carriage Trail, Westway Drive, and Aspen Court. The amendment is in the amount of $432,000.00 for the additional services, which would revise the total contract amount to be $745,500.00.

Staff is requesting City Council's consideration for approval of the Supplemental Agreement No. 1 in the amount of $432,000.00 to be paid out of the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

CARRAIGE TRL, WESTWAY DR & ASPEN CT RECONSTUCTION PROJECT

SUPPLEMENTAL AGREEMENT # 1
FOR ENGINEERING SERVICES
BETWEEN THE CITY OF ROCKWALL, TEXAS AND
TEAGUE NALL AND PERKINS, INC.

I. INTRODUCTION

This Supplemental Agreement is executed by and between The City of Rockwall, Texas, a municipal corporation located in Rockwall County, Texas, (hereinafter called "CITY"), and Teague Nall and Perkins, Inc., a Texas corporation, (hereinafter called "ENGINEER"), located at 825 Watters Creek Boulevard, Suite M300, Allen, Texas. Engineers duly licensed and practicing under the laws of the State of Texas.

WITNESSETH, that CITY desires professional surveying and engineering services in connection with the Reconstruction of Alta Vista Drive (from Lakeshore Drive to Westway Drive) and West Street (from Rusk Street to Highland Drive) project.

NOW, THEREFORE, CITY and ENGINEER, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

II. PROJECT

In this Supplemental Agreement, the "PROJECT" means additional surveying and engineering services for Paving, Drainage, Water Line, and Wastewater Improvements for Westway Drive (from Carriage Trail to Highland Drive), Carriage Trail (from Alta Vista Drive to Aspen Court), and Aspen Court (from Carriage Trail to Valleyview Drive) in accordance with the applicable CITY codes, regulations and standards. A map with approximate project limits is attached in Attachment "E". This Supplemental Agreement shall serve as an addendum to the Agreement for the Reconstruction of Alta Vista Drive (from Lakeshore Drive to Westway Drive), and West Street (from Rusk Street to Highland Drive) project executed between CITY and ENGINEER on October 16, 2018.

III. BASIC AGREEMENT AND TERMS

CITY agrees to employ ENGINEER and ENGINEER agrees to perform professional surveying and engineering services in connection with the PROJECT, as stated in the original Agreement. All standard terms and conditions of the original Agreement apply to the additional services to be performed under this Supplemental Agreement.

IV. SCOPE OF SERVICES

ENGINEER shall render the professional services necessary for development of the PROJECT, in accordance with the schedule in Attachment "C": "Project Schedule" and scope as detailed in Attachment "A": "Scope of Services", said exhibits being attached hereto and incorporated herein for all purposes. ENGINEER shall be responsible, to the

level of competency presently maintained by other practicing professional engineers in the same type of work in the Dallas/Fort Worth Metroplex area, for professional and technical soundness, accuracy, and adequacy of all designs, drawings, specifications, and other work and materials furnished under this Agreement.

V. COMPENSATION

Total payments including without limitation salary and reimbursable expenses, to ENGINEER by CITY for the Scope of Services stated in Section IV above shall not exceed Four Hundred Thirty-Two Thousand Dollars ($432,000.00) billed as lump sum/hourly/unit price basis as indicated in Attachment "B".

EXECUTED in triplicate originals on this 29th day of January 2019.

Teague Nall and Perkins, Inc.

Richard Crowley
City Manager

ATTACHMENT "A"

Scope of Services

Attachment "A"
Reconstruction of
Westway Drive from Carriage Trail to Highland Drive,
Carriage Trail from Alta Vista Drive to Aspen Court,
and Aspen Court from Carriage Trail to Valleyview Drive
For
City of Rockwall

Scope of Services

Project Understanding

The City of Rockwall (City) wishes to reconstruct Westway Drive (from Carriage Trail to Highland Drive), Carriage Trail (from Alta Vista Drive to Aspen Court), and Aspen Court (from Carriage Trail to Valleyview Drive) existing two-lane residential roadways, approximately 3,700 feet in total length. The roadways lie within an area zoned Single Family (SF-10) of the City of Rockwall. Improvements generally be within the existing 50' Right-of-Way (ROW) for all streets. The contract will include a provision for up to fourteen (14) parcels for corner clip takes or easements in the event that they are required. There will be no traffic signal modifications necessary for the roadway improvements. For Westway Drive, the paving improvements will begin at the eastern curb return of the intersection of Westway Drive and Highland Drive, and end at the intersection of Westway Drive and Carriage Trail. For Carriage Trail, the paving improvements will begin at the intersection of Carriage Trail and Alta Vista Drive and end at the intersection of Carriage Trail and Aspen Court. For Aspen Court, the paving improvements will be from eastern curb return of the interaction of Aspen Court and Valleyview Drive to the intersection of Aspen Count and Carriage Trail.

Additional design will include storm sewer, sanitary sewer and water line improvements. The existing storm sewer will be analyzed using current City drainage criteria. Storm drain improvements are limited to analyzing the existing system from the existing outfall north of the intersection of Carriage Trail and Aspen Court to the existing sump inlets in Driftwood Street. The existing storm drain will be evaluated for capacity and ENGINEER will make recommendations if undersized. The proposed system begins at the intersection of Alta Vista Drive and Carriage Trail and ends at the intersection of Alta Vista Drive and Westway Drive. Sanitary sewer and water lines will be replaced, and upsized if required by the City's Wastewater and Water Master Plans. Wastewater and water lines will be evaluated to be placed behind the back of curb and within the right-of-way line where possible. The scope of services also includes replacement of existing wastewater line by open cut or trenchless method in the alley located between Valley Drive and Greenhill Drive. The limits of improvements will be from Highland Drive to Westway Drive.

Other design components include coordination with ONCOR for street lighting, coordination with franchise utilities, TDLR compliance with ADA, erosion control plans, and traffic control plans.

ENGINEER will provide plans, specifications, estimates, and permits (if applicable) for the project. Support services for the project bidding, and the construction phase is excluded from the scope of services at the CITY's request. The scope of services also includes splitting the plan set into up to three (3) sets including Alta Vista Drive and West Street.

BASIC SERVICES

1. Schematic Conceptual Design (30%)

1.1. Project Management

1.1.1. TNP will update the Project Work Plan to include the additional scope of services.
1.1.2. TNP will conduct a kickoff meeting with City to discuss the key design elements for the additional streets.
1.1.3. Revise and submit project schedule to City staff to incorporate the additional services and provide general project management activities.

1.2. Project stakeholder coordination

1.2.1. Conduct progress meetings to monitor the development of the project. During this phase of the project, conduct up to two (2) additional meetings with the City staff regarding project status and coordination issues.

1.3. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.3.1. Review and research previously prepared construction plans record documents, and other pertinent information related to additional streets.
1.3.2. Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.
1.3.3. Develop and evaluate typical sections (up to two (2)) to use for Westway Drive, Carriage Trail, Aspen Court, and other intersecting streets and alleys with in the project limits.
1.3.4. Develop horizontal alignments for roadways.
1.3.5. Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines.
1.3.6. Develop vertical alignment for roadway and cut cross sections at critical points, at center of driveways, alley approaches, cross streets, lead walks, at alignment geometric points and at 25' intervals to evaluate the grading.
1.3.7. Review City Master Trail Plan and incorporate hike and bike trails if necessary.
1.3.8. Prepare 30% schematic paving plan and profile roll plots, produced at 1"=20' horizontal scale and 1" =5' vertical scale. The horizontal alignment of proposed water lines and sewer lines will be included in the roll plots.
1.3.9. Prepare cross sections sheets.
1.3.10. It is anticipated that the 30% submittal for the added streets, and Alta Vista Drive and West Street will be at the same time and will follow the updated overall project schedule.
1.3.11. Meet with City staff and present concept paving plan and profile roll plots.
1.3.12. Incorporate comments and feedback from City staff and other stakeholders prior to public meetings.

1.4. Drainage Analysis (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.4.1. Review and research existing construction plans and record documents, historical flooding events and other pertinent information related to the existing drainage infrastructure within the project limits, and upstream and downstream of the proposed project.
1.4.2. Prepare a hydrologic and hydraulic analysis of the existing drainage infrastructure and prepare a report in memo format signed and sealed. Analysis/report shall include the following.

- Existing drainage infrastructure analysis
  - Drainage Area Map of existing conditions/infrastructure.

- Analysis effect on existing system of proposed off-site development or infrastructure improvements currently being planned.
- Drainage calculations – Drainage Area, Inlet, Street Capacity, Storm Sewer grade line computations in City Standard's tabular format.
- Synopsis of hydraulic deficiencies in written and plan format, includes downstream off-site drainage infrastructure (if any).

- The drainage analysis will also include any proposed storm drain system to remedy the existing drainage problems in Westway Drive, Carriage Trail and Aspen Court.
- The proposed infrastructure analysis will include drainage areas delineation, evaluation of street capacities, and performing hydraulic grade line computations for proposed systems. Starting hydraulic grade line of existing storm drain at the outfall will be determined either from record drawings or free outfall will be assumed.
- The drainage analysis will include analysis of existing and proposed storm drain systems in Carriage Trail. There are two existing systems in Carriage Trail. One at the south end (South system) which begins at Lakeshore Drive and ends at the intersection of Carriage Trail and Westway Drive. Another system (North system) begins at existing outfall located north of the intersection of Carriage Trail and Aspen Court and ends at the existing sump inlets in Driftwood street. The proposed south system will be analyzed to reroute the existing storm drain system through Carriage Trail and Alta Vista Drive.
- The drainage analysis will also include analysis of existing and proposed systems.
- Recommendation of improvements to existing drainage system to meet the City's current 100-year design storm criteria. The recommendations will be limited to
  - Drainage Area Map of proposed improvements
  - Proposed drainage calculations – Drainage Area, Inlet, and Street Capacity, and Storm Sewer HGL Calculations (to be in City Standard's tabular format).
  - Summary of proposed improvement of drainage infrastructure in written and plan format to fix hydraulic deficiencies in order to meet current City drainage criteria standards.

1.5. Existing Traffic Analysis and Recommendation (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

1.5.1. City will conduct Traffic Counts, Speed Studies, and will provide Accident Reports from Police Department along Westway Drive, Carriage Trail and Aspen Court.

1.5.2. ENGINEER shall take the data provided by the City and analyze in order to provide recommendations to the City. Such recommendations will serve as basis of design of speed calming devices, traffic signage or striping plans. The recommendations will be provided in memo format signed and sealed of proposed improvements along the corridor.

1.5.3. The recommendations will be in one memorandum which will include Westway Drive, Carriage Trail and Aspen Court.

1.5.4. A Traffic Impact Analysis (TIA) is not anticipated for this project and excluded from the scope of services.

2. Construction Documents

The preparation of construction documents (60%, 90%, and 100%) will generally follow the original scope and will include:

2.1. Project Management

2.1.1. Conduct progress meetings at each stage of the construction documents phase to monitor the development of the project regarding the project status, coordination issues and go over City review comments of the plans for the added scope of services.

2.1.2. Coordinate with franchise utilities, (electric power, cable TV, phone, gas, optic fiber, etc.) for the additional streets.

2.1.3. Update project schedule and interim milestones (coordinate with City staff as necessary)

2.1.4. Additional site visits (up to two (2) trips)

2.2. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.2.1. Submittals

ENGINEER will submit 60%, 90% and 100% submittals for Westway Drive, Carriage Trail and Aspen Court for the City for review and comments. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"
  - One (1) PDF copy
  - One (1) PDF copy– Scanned City comments previous submittal
- Engineers Opinion of Construction Cost
- Construction Contract /Specification Book
- City to provide the front end documents, and City special provisions to NCTCOG standard in electronic format.

2.2.2. Construction Plans (60%, 90%, 100%)

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

The scope of services also includes preparation of up to two (2) plan sets which will include Alta Vista Drive and West Street improvements.

Below is a table of the required construction plan sheets and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Cover Sheet	X	X	X
Legend Sheet	X	X	X
General Notes Sheet	X	X	X
Summary of Quantities	X	X	X
Existing Condition Plan (1"=20' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Erosion Control Plan (1"=40' scale)		X	X
Demolition/Removals Plan (1"=20' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Alley and Driveway Plan/Profile (1"=20'H, 1'=5'V scale)		X	X

Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X
Drainage Area Map (Existing and Proposed)	X	X	X
Drainage Calculations (Runoff, Street Capacity, Inlet, and Storm Sewer Pipes)	X	X	X
Drainage Plan/Profile (Trunks and Laterals) (1"=20'H, 1'=5'V scale)	X	X	X
Water Line Plan (1"=20'H)	X	X	X
Wastewater Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale) (if applicable)	X	X	X
Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be perform for each section of the construction plan set.

2.2.3. Roadway Design

- Incorporate the previous design submittal review comments
- Prepare plan / profile sheets (224"x34" plan sheets at a scale of 1" =20' horizontal, and 1" =5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically, driveways will be defined vertically by profiles.
- Develop design cross-sections
  - Develop on 25' station intervals and other critical points.
  - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
  - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify and include standard details as needed

2.2.4. Drainage

- Create Drainage Area Maps (existing and proposed). Proposed Drainage Area Map will be only prepared if there is no change in the drainage pattern from the existing conditions.
- Create Drainage Calculation Sheets (Tables to be formatted to match City Standard's tabular format)
- Identify the need for additional drainage easements to accommodate the proposed offsite drainage improvements (if required)
- Perform final storm sewer sizing and alignment design. Prepare final inlet design sheets and hydraulic design sheets for inclusion in the plans.
- The design of storm drain system is limited to a proposed line in Alta Vista Drive from Lakeshore Drive to Carriage Trail. The proposed line will be stubbed out at Carriage Trail for future connection to existing storm drain in Carriage Trail. The intent of proposed line is to eliminate the existing 18" storm drain line between the lots with address 303 and 305 Carriage Trail.

- The design of storm drain system also includes addition of two flanking inlets in Alta Vista Drive at Lakeshore Drive intersection.
- Analysis of existing storm drain system in Lakeshore Drive is not anticipated for this project; however, it may be provided as additional services if it is discovered and needed during the design phase.
- The starting hydraulic grade line of existing storm drain in Lakeshore Drive will be either derived from the record documents or an assumed starting HGL will be utilized. Calculation of the existing HGL is not included in this scope, but may be provided as an Additional Service.
- Storm drain improvements is not anticipated for West street.
- The proposed grading for West Street will be evaluated to collect the discharge from the alley between Kaufman Street and Highland Drive.
- Prepare storm sewer plan/profile sheets depicting storm sewer lines, inlets, junction boxes, connections, manholes, utility crossings and the hydraulic grade lines.
- Prepare profiles for all trunks and laterals (to be profiled along centerline of pipe)
- Prepare drainage details to clarify intent of design.
- Compile applicable City standard details. Modify standard details as needed.
- Prepare erosion control plan.

2.2.5. Utilities

- Public (Water, Wastewater, Storm Drainage, etc.)
  - Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information
- Franchise Utility Coordination
  - Send one set of plans to each franchise utility for their review at each phase. Request each franchise utility to mark up the plans to show the size, type and location of their utilities.
  - Notify the City if any relocations are required
  - ENGINEER shall perform the coordination with the franchise utilities if any relocations are required.
  - Attend City ran Franchise Utility Coordination Meetings (typically 2-4 meetings per year are held). ENGINEER will give back ground on particular project and coordinate with franchise utility companies on foreseen conflicts and pass out current plan set.

2.2.6. Water

- Prepare all water plan sheets. Water line profiles are not anticipated as the proposed water lines will be 8 inches in diameter.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.7. Wastewater

- Prepare all wastewater plans and profiles for proposed line in Westway Drive, Carriage Trail and Aspen Court.
- City will provide the video of existing sewer lines to verify the service connections.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.8. Street Lighting

- ENGINEER will coordinate with ONCOR for the relocation of street lights.

- It is assumed that the ONCOR is responsible for the design and installation of street lights.
- ENGINEER shall coordinate with ONCOR for the location of proposed street lights and underground conduits.

2.2.9. Structural

- Structural design is not anticipated; however, structural design services can be provided as an Additional Services if it is needed or discovered during the design.

2.2.10. Traffic

- Traffic Signals
  - The project does not include traffic signals. Traffic signal improvements are not anticipated for this project.

- Pavement Marking and Signing Plans
  - Determine potential conflicts with existing signs and propose sign relocations.
  - Prepare crosswalk pavement marking and signing layouts in accordance with City design standards and the Texas Manual on Uniform Traffic Control Devices (TMUTCD) if required.
  - Prepare details to clarify intent design
  - Compile applicable City standard details. Modify standard details as needed.

2.2.11. Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing

- Develop construction sequence plan showing:
  - Construction area for each phase of construction and closure of existing travel lanes (if needed).
  - Temporary signing and striping, barricades, and other channelization device
  - Narrative of the sequence of work.
  - Detour Plan for each construction phase
  - Storm sewer construction phasing shall be incorporated by sequencing notes.
  - Public utilities relocation phasing.
  - Pedestrian routing during construction.
- Develop typical cross section showing lane widths, edge conditions, channelization and proposed construction area.
- Develop typical driveway staging plans for similar driveways. Develop custom driveway staging layouts for special conditions.
- Prepare traffic control details to clarify intent of design.

2.2.12. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms
  - Notice to bidders
  - Special instructions to bidders
  - Bid form (Bid-Tab) – Electronic for Bidding
  - Pay Items Description

- Standard construction contract
- Performance bond
- Payment bond
- Maintenance bond
- Certificate of insurance
- General conditions
- Special conditions
- Technical specifications
- Permits (TXDOT, City of Dallas, etc.)
- Geotechnical Report

- The scope of services includes preparation of up to two (2) Specifications/Construction Contracts which will incorporate Alta Vista Drive and West Street improvements.

2.2.13. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out in to separate schedules for each section of the job.

2.3. Agency Permitting/Coordination (TDLR)

2.3.1. Accessibility Review (TDLR)

- Prepare a completed application for submittal to the Texas Department of Licensing and Regulation for review in accordance with the Elimination of Architectural Barriers Act.
- ENGINEER to complete application and submit with set of plans to a Registered Accessibility Specialist (RAS) from review and TDLR project registration. All coordination and fees with TDLR compliance will be done by the ENGINEER.
- While we do not anticipate accessibility revisions to be required, we will address minor revisions to the plans based on review comments from the RAS.

SPECIAL SERVICES

3. Public Meetings and Public Input Survey

3.1. **Meetings**

3.1.1. It is assumed that the City hold the public meeting for Westway Drive, Carriage Trail, and Aspen Court Improvements at the same time as for Alta Vista Drive and West Street.

3.1.2. It is assumed that the Public Input Survey for Westway Drive, Carriage Trail, and Aspen Court Improvements will be mailed at the same time as for Alta Vista Drive and West Street.

3.1.3. Attendance of Public Involvement Meetings (up to two (2)) and Public Input Survey is included under the original scope of services for Alta Vista Drive and West Street.

4. Data Collection & Property Research / Topographic and Design Survey

4.1. Data Collection and Property Research

4.1.1. Gather existing plat information

4.1.2. Collect property owner and record information

4.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.). Undocumented easements may not be identified.

4.2. Topographic and Design Survey

4.2.1. The limits of the survey for Westway Drive shall be from the intersection of Carriage Trail and Westway Drive to the intersection of Westway Drive and Highland Drive. The limits of the survey for Carriage Trail shall be from the intersection of Alta Vista Drive and Carriage Trail. The limits of the survey for Aspen Court shall be from the intersection of Carriage Trail and Aspen Court to the intersection of Aspen Court and Valleyview Drive. The survey shall extend twenty (20) feet outside of the ROW (50-foot ROW for Westway Drive, Carriage Trail and Aspen Court where accessible. Survey will include intersecting roadways extending 250 feet along each leg of the major intersections and 100 feet along each leg of the minor intersections. The survey will include the entire intersection of Westway Drive and Highland Drive and Aspen Court and Valleyview Drive. The topographic survey also includes approximately 300 feet of existing alley between Valley Drive and Greenhill Lane. The limits of survey for alley will be from Highland Drive to Westway Drive.

4.2.2. Establish horizontal control points at 500' maximum spacing.

4.2.3. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

4.2.4. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

4.2.5. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall include but not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.
- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

4.2.6. Perform cross-sections throughout project limits at 25-foot intervals and at grade breaks and prepare cross-section field notes.

4.2.7. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

4.2.8. ENGINEER will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

4.2.9. ENGINEER shall arrange and make provisions for access to perform the services specified within this scope. The surveyor shall provide the City with the name and address of the property owners.

4.2.10. The City shall be responsible for the coordination of all ROW and easement acquisitions. ENGINEER will provide survey information and easement/ROW documents (sketch and legal description) to the City. Additional ROW and easement documentation services are detailed below in Section 6.

5. Subsurface Utility Engineering (S.U.E.) Services

Provide S.U.E. Services for the purpose of locating horizontal and vertical locations of underground city and franchise utilities, in conjunction with and /or prior to the field survey.

5.1. S.U.E. Level 'B' Services will be provided to determine horizontal location of utilities up to 5,600 linear feet for Westway Drive, Carriage Trail and Aspen Court. The Quality Level 'B' also includes Quality Level 'C/D' S.U.E. services.

5.1.1. Determine horizontal location of utilities up to 5,600 linear feet which will include 2,000 linear feet along Westway Drive from Highland Drive to Carriage Trail, 280 linear feet along Aspen Court from Carriage Trail to Highview Drive, and 100 LF along each cross streets and alleys (11 individual intersections).

5.1.2. Engineer will create and call in locate tickets for Texas811 for the project corridor. Timing of locates will be coordinated to help ensure that locates are performed in conjunction with surveying operations.

5.1.3. As part of the services provided in the Topographic and Boundary Survey Phase, Engineer will visibly investigate surface features and appurtenances or all utility systems shown on the record drawings that are included within the project site, including but not limited to:

- sanitary sewer manholes (including measure down)
- storm sewer manholes (including measure down)
- communication/fiber manholes
- hand holds
- pull boxes
- water valves
- water meters
- fire hydrants
- cleanouts
- blow-offs
- pedestals (communication, fiber, electric)
- gas meters
- signal boxes
- electric poles (transmission and distribution)
- electric transformers
- light poles
- utility signs

5.1.4. Investigate all utility systems shown on the record drawings that are included within the project site. Visible surface features and appurtenances of subsurface utilities found within the project site will also be evaluated. Using appropriate surface geophysical methods, Engineer will search for detectible indications of the horizontal location of anticipated subsurface utilities.

5.1.5. Mark all locations that can be validated, using paint, flags or other devices.

5.1.6. These services are for the purpose of aiding the design of the project by providing information related to subsurface utilities in order to allow potential utility conflicts to be minimized or eliminated.

5.1.7. Prepare documentation of the utilities encountered and marked, including their general location, orientation, type & size, if known.

5.1.8. Deliverable will consist of a Quality Level B – AutoCad DWG 2D file depicting all sub-surface utilities found and verified and above ground appurtenances. The drawing will be signed and sealed by a Professional Engineer licensed in the State of Texas.

5.2. Provide Quality Level 'A' S.U.E. Services for the purpose of vertically locating the utility lines.

5.2.1. Provide S.U.E. Quality Level 'A' Services will be provided as defined in CI/ASCE 38-02.

- Quality Level A (QL-"A") – Generally, QL-"A" indicates precise horizontal and vertical location of utilities obtained by the actual exposure (or verification of previously exposed and surveyed utilities) and subsequent measurement of subsurface utilities, usually at a specific point. Minimally intrusive excavation equipment is typically used to minimize the potential for utility damage. A precise horizontal and vertical location, as well as other utility attributes, is shown on plan documents. Accuracy is typically set to 15-mm vertical and to applicable horizontal survey and mapping accuracy as defined or expected by the project owner.

5.2.2. Provide all necessary personnel, equipment, supplies, management and supervision needed for the test hole excavation, backfill and restoration.

5.2.3. Coordinating with CLIENT, property owner, and/or permitting authorities, as needed and assisting the City in obtaining any required permits, permission or rights-of-entry.

5.2.4. Contacting the appropriate One-call system to request utilities to be marked on-the-ground prior to beginning excavation of test holes.

5.2.5. Providing and utilizing appropriate traffic control devices, as necessary, in conformance with the MUTCD, including any state or locally adopted supplements.

5.2.6. Excavate by air-vacuum or other minimally invasive methods up to ten (10) test holes, at locations yet to be determined within the project limits in order to identify the exact horizontal & vertical locations of crucial utilities. For the purpose of the scope, five of such test holes are assumed will be in the paved area and five will be in outside paving area. Furthermore, following assumptions are made for the depth of test holes:

- Up to Ten (10) test holes of 0-12 ft depth will be provided

5.2.7. Test holes in addition to those listed above will be provided at the rate per test hole agreed to by the City of Rockwall.

5.2.8. Prepare documentation for each test hole attempted. This documentation will include the horizontal and vertical position of the targeted utility or structure, a general description of the target utility, with condition, material and general orientation noted a generalized description of the material encountered in the test hole, and any other field observations noted during the excavation.

5.2.9. Deliverable will consist of a Quality Level A – AutoCA DWG 2d (DGN) file showing X, Y and Z w/ depth, a PDF of the same signed and sealed, Utility Summary Sheet, Individual Sheets on Test Holes and ASCII Point List.

6. Right-of-Way / Easement Instruments of Conveyance

6.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field.

6.2. For the purpose of the scope services, fourteen (14) corner clips ROW documents are planned.

6.3. Individual parcel exhibits shall be on 8”x11” paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:
  6.3.1. Parcel number
  6.3.2. Area required
  6.3.3. Area remaining
  6.3.4. Legal description
  6.3.5. Current owner
  6.3.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies
  6.3.7. All physical features
  6.3.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.
6.4. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference
6.5. ENGINEER will provide the information listed in Section 6.2 to the City and/or their selected ROW and easement acquisition agent. This task will include the following:
  6.5.1. Transmittal of survey and existing property information.

7. Geotechnical

7.1. Subsurface Exploration
  7.1.1. Four (4) borings are planned for this project. The borings and geotechnical report will be thru a subconsultant.
  The locations are as follows (or as determined by Geotechnical Engineer):
    - Two borings will be located approximately every 1,000 feet along Westway Drive, and
    - Two borings will be located approximately every 1,000 feet along Carriage Trail and Aspen Court.
  7.1.2. Boring Services – Pavement borings will be sampled to 15 feet. A total of 60 feet for drilling is planned.
    - Check samples for consistency with a hand penetrometer
    - Stake the boring locations using normal taping procedures
    - Backfill bore holes and plug at the surface

7.2. Laboratory Services
  7.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:
    - Visual Classification
    - Moisture content and soil identification
    - Liquid and plastic limit determinations
    - Unconfined compression
    - Calibrated hand penetrometer tests
    - Lime/ph series tests
    - Soluble sulfate tests (to determine lime-induced heaving potential)

7.3. Engineering Services
  7.3.1. Prepare an engineering report presenting the following:
    - Sample boring location map
    - Boring logs and laboratory results
    - General soil and ground-water conditions

- Recommendations will be based on a 30-year design life.
- Subgrade design recommendations for lime treated and cement treated subgrade.
- Pavement design recommendation for reinforced concrete, (including pavement thickness, strength, reinforcement size and spacing, and joint spacing)
- Pavement design alternatives: Provide recommendations for the following street sections:
  - Reinforced concrete pavement on lime and or cement treated subgrade.
  - Reinforced concrete pavement on flex base.
  - Reinforced concrete pavement on compacted subgrade.
- Earthwork recommendations

7.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

7.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

8. Additional Services

Services not specifically identified in the Scope of Services above shall be considered additional and shall be performed on an individual basis upon authorization by the City of Rockwall. Such services shall include, but are not limited to the following:

8.1. Construction staking.
8.2. Geotechnical recommendations for the design of retaining wall.
8.3. Structural design of retaining walls, junction boxes or any other structures.
8.4. Photometric or coverage study/analysis for street lighting.
8.5. Design or modification of traffic signal.
8.6. Traffic Impact Analysis
8.7. Quality control and testing services during construction.
8.8. Offsite storm drains design and analysis.
8.9. Environmental or Archeological study and permitting through state agencies.
8.10. Support services for Project Bidding
8.11. Support services for Right-of-Way Acquisition and Negotiation
8.12. Flood study for streams/creeks and permitting through FEMA or US Army Corps of Engineers.
8.13. Construction phase services, including responding contractor questions, reviewing contractor pay application, performing site visits to observe construction, reviewing shop drawings/submittals, preparation of record drawings etc.

-End of Scope of Service-

ATTACHMENT "B"
Payment Schedule

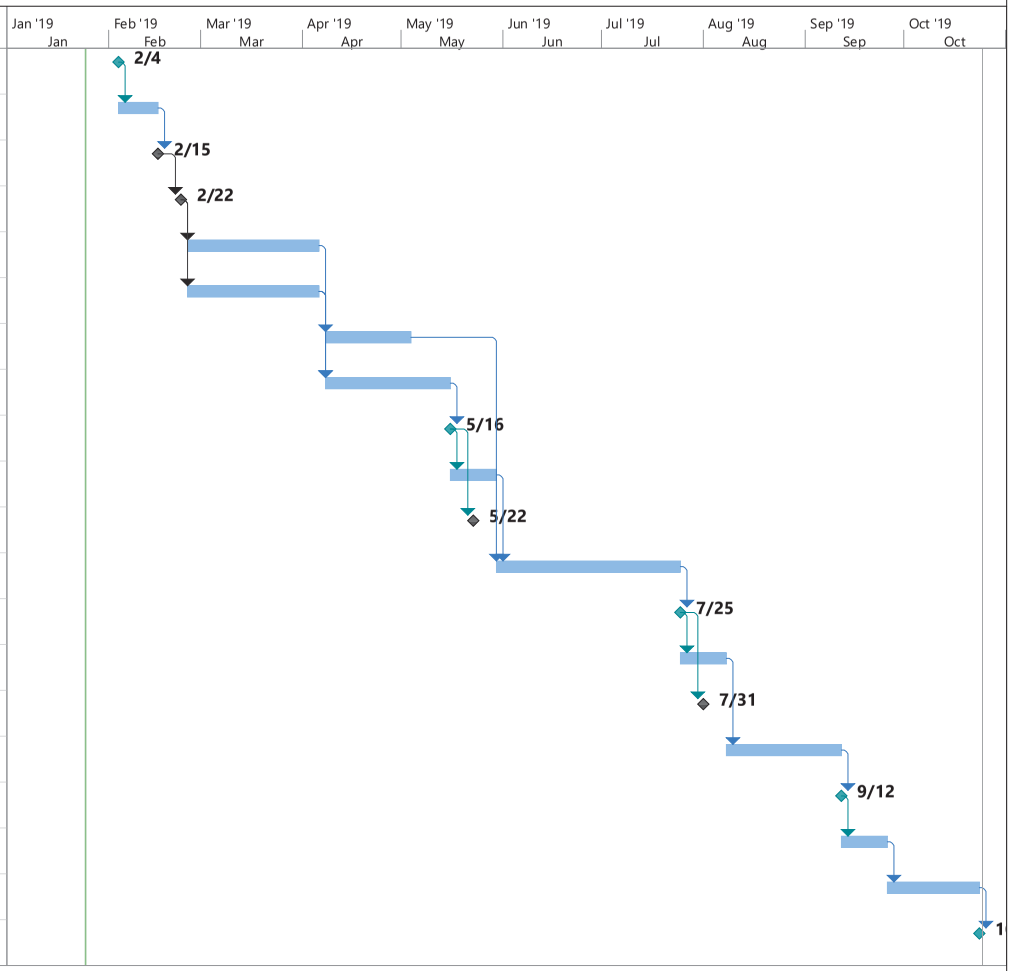
Compensation for Basic Services in Tasks 1-2 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

No.	Task	Fee Basis	Original Agreement	Supplemental Agreement # 1	Project Total
	BASIC SERVICES				
1.	Schematic Conceptual Design (30%)	Fixed Fee	$ 57,000	$ 73,900	$ 130,900
2.	Construction Documents				
2.1	60% Design	Fixed Fee	$ 67,000	$ 102,200	$ 169,200
2.2	90% Design	Fixed Fee	$ 49,500	$ 70,000	$ 119,500
2.3	100% Design	Fixed Fee	$ 24,200	$ 38,300	$ 62,500
	Basic Services Subtotal:		**$ 197,700**	**$ 284,400**	**$ 482,100**
Compensation for Special Services under Tasks 3-7 shall be on a lump sum, unit price, or labor fee plus expense (reimbursable) basis with the estimated fee shown below.					
	SPECIAL SERVICES				
3.	Public Meetings and Public Input Surveys	Fixed Fee	$ 6,000	-	$ 6,000
4.	Data Collection & Property Research / Topographic and Design Survey	Fixed Fee	$ 26,500	$ 38,800	$ 65,300
5.	Subsurface Utility Engineering (S.U.E.) Services				
5.1	Quality Level 'B' (Including Level "C/D") S.U.E. Services	Hourly*	$ 23,400	$ 15,400	$ 38,800
5.2	Quality Level 'A' S.U.E. Services ($1,800/test holes)	Unit Price	$ 9,000	$ 18,000	$ 27,000
6.	Right-of-Way/Easement Instruments of Conveyance ($1,250/document)	Unit Price	$ 7,500	$ 18,600	$ 26,100
7.	Geotechnical	Fixed Fee	$ 14,900	$ 17,500	$ 32,400
	Special Services Subtotal*		**$ 87,300**	**$ 108,300**	**$ 195,600**
	ENGINEERING SERVICES CONTINGENCY**		**$ 28,500**	**$ 39,300**	**$ 67,800**
	***(This service is a miscellaneous amount to be used at the discretion of the City for additional Services outside of the scope of the contract. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of this Contingency)*				
	Total*		**$ 313,500**	**$ 432,000**	**$ 745,500**

*Estimate only (see notes below).

Notes:

Hourly Consulting Services: Services shall be provided on an hourly, reimbursable basis at the ENGINEER'S standard hourly rates when the Fee Basis is defined as hourly. Actual fees for the services will be based on actual hours required to perform the services, and will vary based upon actual cost, and could potentially exceed the estimates provided above. ENGINEER shall notify the City in writing before exceeding the budgeted fees, and obtain written authorization from City to exceed the contract amount.



Please refer to attached schedule of TNP's standard hourly rates. Services shall be billed monthly based on actual time spent working on the project by the ENGINER'S staff. Actual out-of-pocket expenses that are incurred during the progress of the work for hourly services tasks shall be billed at TNP's cost plus 10%. Any project related fees paid by the ENGINEER on behalf of the City shall be reimbursed by the City under the hourly services task. Examples of these type fees include, but are not limited to, application fees, filing fees, permit fees, review fees, title company/closing fees, or fees related to the purchase or acquisition of information or documents requested by the City for inclusion in the Project's deliverables.

1. **Fixed Fee Consulting Services**: Fees for tasks described as "fixed fee" (lump sum) are total fees for all labor and expenses associated with those tasks. Lump Sum fee for each task will be invoiced monthly based upon the overall percentage of services performed.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Teague Nall and Perkins, Inc., ("ENGINEER"), located at 825 Watters Creek Boulevard, Suite M300, Allen, Texas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage ENGINEER as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for Reconstruction of Alta Vista Drive from Lakeshore Drive to Westway Drive, and West Street from Rusk Street to Highland Drive

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Attachment "A" and as authorized by CITY. Specifically, ENGINEER shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an amount of One Hundred Ninety-Seven Thousand Seven Hundred Dollars ($197,700.00) billed as a *lump sum* basis for Basic Services, and Eighty-Seven Thousand Three Hundred Dollars ($87,300.00) billed on a *lump sum/hourly/unit price* basis for Special Services, per rates provided in Attachment "B". ENGINEER is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Attachment "C". In the event of termination, ENGINEER will assist the CITY

in arranging a smooth transition process. However, ENGINEER's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay ENGINEER its fees based on the presentation by ENGINEER to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay ENGINEER its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of ENGINEER for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

ENGINEER shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. ENGINEER represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to ENGINEER any unsatisfactory performance of ENGINEER personnel for appropriate corrective action. ENGINEER shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

ENGINEER will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay ENGINEER for the professional services to be rendered under this Contract, ENGINEER agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by ENGINEER, will remain the property of the CITY. ENGINEER will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the ENGINEER. ENGINEER shall have the right to use such work products for ENGINEER's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the ENGINEER will be at reuser's sole risk and without liability or legal exposure to the ENGINEER, and CITY to the extent allowed by law, shall hold harmless the Engineer from all

claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the ENGINEER's consent. The granting of such consent will entitle the ~~Engineer~~ ENGINEER to further compensation at rates to be agreed upon by CITY and the ENGINEER. The above notwithstanding, ENGINEER shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. ENGINEER agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. ENGINEER also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000 General aggregate limit

$1,000,000 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000 each occurrence sub-limit for Personal Injury and Advertising

C. ENGINEER shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. ENGINEER shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. ENGINEER agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Amy Williams, P.E.
Director of Public Works/City Engineer
City of Rockwall
385 S. Goliad Street
Rockwall, Texas 75087

ENGINEER
Michael G. DeMotte, P.E.
Director of Engineering Services-Allen Office
Teague, Nall, and Perkins, Inc.
825 Watters Creek Blvd, Suite M300
Allen, TX, 75013

All notices and communications under this Contract shall be mailed or delivered to **CITY** and ENGINEER at the above addresses.

9. Successors and Assigns

CITY and ENGINEER each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor ENGINEER shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

ENGINEER and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of ENGINEER to be performed hereunder. Such changes, including any increase or decrease in the amount of ENGINEER**'s** compensation, or time for performance, which are mutually agreed upon by and between CITY and ENGINEER, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and ENGINEER.

13. Reports and Information

ENGINEER, at such times and in such forms as CITY may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish CITY periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Attachments and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the CITY does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and ENGINEER waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

ATTACHMENT "A"

Scope of Service

Attachment "A"
Reconstruction of Alta Vista Drive from Lakeshore Drive to Westway Drive and
West Street from Rusk Street to Highland Drive
For
City of Rockwall

Scope of Services

Project Understanding

The City of Rockwall (City) wishes to reconstruct Alta Vista Drive (from Lakeshore Drive to Westway Drive) and North West Street (from Rusk Street to Highland Drive), existing two-lane residential roadways, approximately 1670 feet in total length. The roadways lie within an area zoned Single Family (SF-10) of the City of Rockwall. Improvements generally be within the existing 50' Right-of-Way (ROW) for Alta Vista Drive, and within the existing 60' Right-of-Way for West Street from Kaufman Street to Highland Drive, and within the 28'(+/-) Right-of-Way for West Street from Rusk Street to Kaufman Drive. The contract will include a provision for up to six (6) parcels for corner clip takes or easements in the event that they are required. There will be no traffic signal modifications necessary for the roadway improvements. For Alta Vista Drive, the paving improvements will begin at the eastern curb return of the intersection of Alta Vista Drive and Lakeshore Drive, and end at the western curb return of the intersection of Alta Vista Drive and Westway Drive. For West Street, the paving improvements will begin at the northern curb return of the intersection of West Street and Rusk Street, and end approximately at the northern curb return of the intersection of West Street and Highland Drive. The West Street improvements also includes the intersection of West Street and Kaufman Street.

Additional design will include storm sewer, sanitary sewer and water line improvements. The existing storm sewer will be analyzed using current City drainage criteria. Storm drain improvements are limited to rerouting of the existing storm drain pipe between the lots with address 303 and 305 Carriage Trail. The proposed storm drain will begin at the intersection of Alta Vista Drive and Lakeshore Drive, and end at the intersection of Alta Vista Drive and Carriage Trail. Sanitary sewer and water lines will be replaced, and upsized if required by the City's Wastewater and Water Master Plans. Wastewater and water lines will be evaluated to be placed behind the back of curb and within the right-of-way line where possible.

Other design components include coordinating with ONCOR for street lighting, support services for TXDOT permit application for West Street improvements, utility coordination, TDLR compliance with ADA, erosion control plans, and traffic control plans.

ENGINEER will provide plans, specifications, estimates, and permits (if applicable) for the project. Support services for the project bidding, and the construction phase is excluded from the scope of services at the CITY's request.

BASIC SERVICES

1. Schematic Conceptual Design (30%)

1.1. Project Management

1.1.1. Prepare a detailed Project Work Plan for TNP internal use. The work plan will serve as guide and communication tool for the TNP project team and will include the following elements:

- Project description
- Client critical success factors and project budget

- TNPs project goals
- Contract provisions
- Scope of services, person-hour estimate and fees
- List and description of deliverables
- Schedule and milestones
- Project contracts
- Communication protocols
- Quality control plan
- Filing and project administration requirements
- Design standards and criteria
- Applicable codes
- Permitting requirements
- CADD standards (if applicable)
- Mock plans
- Labor and expense phases (billings)
- Project close-out requirements

1.1.2. Conduct TNP internal project kickoff meeting with entire project team and City Staff.

1.1.3. Conduct weekly TNP internal project review meetings to review project status, review and update schedule, identify and assign next action items, etc.

1.1.4. Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.

1.1.5. Develop design criteria and design decisions tables.

1.1.6. Prepare project correspondence and invoicing documents.

1.1.7. Prepare and submit project schedule to City staff and provide general project management activities.

1.1.8. Project Administration

- Prepare project correspondence and invoicing documents

1.2. Project stakeholder coordination

- Develop project stakeholder contact list including but not limited to franchise utilities, City's water and sewer department, traffic department, and TXDOT.
- Conduct progress meetings to monitor the development of the project. During this phase of the project, conduct up to two (2) meetings with the City staff regarding project status and coordination issues. The first meeting will be the project kick-off meeting, and the second meeting will be the conceptual design presentation and review.

1.3. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

- Review and research previously prepared construction plans record documents, and other pertinent information related to proposed project.
- Review City master plans, design standards, specifications, construction details, and other pertinent information that may impact the design. Review of documents will include but not limited to:
  - City of Rockwall Master Thoroughfare Plan
  - City of Rockwall Water/Wastewater Master Plan
  - City of Rockwall Standards of Design and Construction

- City of Rockwall Trail Master Plan

- Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.
- Develop and evaluate typical sections (up to two (2)) to use for Alta Vista Drive and West Street and other intersecting streets with in the project limits.
- Develop drainage area maps and analyze street and inlet capacities, and proposed storm drain system to reroute the existing 18" RCP between the lots with address 303 Carriage Trail and 305 Carriage Trail. The proposed storm drain system will begin at the intersection of Lakeshore Drive and Alta Vista Drive and will end the intersection of Alta Vista Drive and Carriage Trail. The analysis will also include addition to flanking inlets in Alta Vista Drive east of the intersection of Lakeshore Drive.
- Develop horizontal alignments for roadway,
- Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines.
- Develop vertical alignment for roadway and cut cross sections at critical points, at center of driveways, alley approaches, cross streets, lead walks, at alignment geometric points and at 25' intervals to evaluate the grading.
- Review City Master Trail Plan and incorporate hike and bike trails if necessary.
- Prepare 30% schematic paving plan and profile roll plots, produced at 1" =420' horizontal scale and 1" =5' vertical scale. The horizontal alignment of proposed water lines and sewer lines will be included in the roll plots.
- Prepare cross sections sheets.
- Meet with City staff and present concept paving plan and profile roll plots.
- Incorporate comments and feedback from City staff and other stakeholders prior to public meetings.

1.4. Drainage Analysis (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

- Review and research existing construction plans and record documents, historical flooding events and other pertinent information related to the existing drainage infrastructure within the project limits, and upstream and downstream of the proposed project.
- Prepare a hydrologic and hydraulic analysis of the existing drainage infrastructure and prepare a report in memo format signed and sealed. Analysis/report shall include the following.
  - Existing drainage infrastructure analysis
    - Drainage Area Map of existing conditions/infrastructure.
    - Analysis effect on existing system of proposed off-site development or infrastructure improvements currently being planned.
    - Drainage calculations – Drainage Area, Inlet, Street Capacity, Storm Sewer grade line computations in City Standard's tabular format.
    - Synopsis of hydraulic deficiencies in written and plan format, includes downstream off-site drainage infrastructure (if any). The drainage study will also include evaluation of flooding issue in or around the alley for a lot with address 305 Highland Drive. Recommendations will be included in the drainage memo to resolve the drainage issue.
  - The drainage analysis will include analysis of proposed storm drain system beginning at the existing storm drain in Lakeshore Drive and end at the intersection of Alta Vista Drive and Carriage Trail. This proposed system will be analyzed to reroute the existing storm drain system of Carriage Trail. The proposed system will be stubbed out in Carriage Trail for future connection.

- The proposed infrastructure analysis will include drainage areas delineation, evaluation of street capacities, and performing hydraulic grade line computations for proposed system in Alta Vista Drive. Starting hydraulic grade line of existing storm drain in Lakeshore Drive will be either derived from the record documents or an assumed starting HGL will be utilized.
- Analysis of existing storm drain system in Lakeshore Drive is not anticipated for this project; however, it may be provided as additional services if it is discovered and needed during the design phase.
- Recommendation of improvements to existing drainage system to meet the City's current 100-year design storm criteria. The recommendations will be limited to
  - Drainage Area Map of proposed improvements
  - Proposed drainage calculations – Drainage Area, Inlet, and Street Capacity, and Storm Sewer HGL Calculations (to be in City Standard's tabular format).
  - Summary of proposed improvement of drainage infrastructure in written and plan format to fix hydraulic deficiencies in order to meet current City drainage criteria standards.

1.5. Existing Traffic Analysis and Recommendation (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

- City will conduct Traffic Counts, Speed Studies, and Accident Reports from Police Department along Alta Vista Drive and West Street.
- ENGINEER shall take the data provided by the City and analyze in order to provide recommendations to the City. Such recommendations will serve as basis of design of speed calming devices, traffic signage or striping plans. The recommendations will be provided in memo format signed and sealed of proposed improvements along the corridor.
- A Traffic Study (TIA) is not anticipated for this project and excluded from the scope of services.

2. Construction Documents

2.1. Project Management

- Conduct progress meetings at each stage of the construction documents phase to monitor the development of the project regarding the project status, coordination issues and go over City review comments of the plans.
- Coordinate with other utilities, (electric power, cable TV, phone, gas, optic fiber, etc.)
- Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.
- Update project schedule and interim milestones (coordinate with City staff as necessary)
- Project site visits (up to two (2) trips)

2.2. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.2.1. Submittals

ENGINEER will submit 60%, 90% and 100% submittals for the City for review and comments. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"

- One (1) PDF copy
- One (1) PDF copy– Scanned City comments previous submittal

- Engineers Opinion of Construction Cost
- Construction Contract /Specification Book
- City to provide the front end documents, and City special provisions to NCTCOG standard in electronic format.

2.2.2. Construction Plans

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

Below is a table of the required construction plan sheets and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Cover Sheet	X	X	X
Legend Sheet	X	X	X
General Notes Sheet	X	X	X
Summary of Quantities	X	X	X
Existing Condition Plan (1"=20' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Erosion Control Plan (1"=40' scale)		X	X
Demolition/Removals Plan (1"=20' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Alley and Driveway Plan/Profile (1"=20'H, 1'=5'V scale)		X	X
Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X
Drainage Area Map (Existing and Proposed)	X	X	X
Drainage Calculations (Runoff, Street Capacity, Inlet, and Storm Sewer Pipes)	X	X	X
Drainage Plan/Profile (Trunks and Laterals) (1"=20'H, 1'=5'V scale)	X	X	X
Water Line Plan (1"=20'H)	X	X	X
Wastewater Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale) (if applicable)	X	X	X
Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be perform for each section of the construction plan set.

- Roadway Design

- Incorporate the previous design submittal review comments
- Prepare plan / profile sheets (224"x34" plan sheets at a scale of 1" =20' horizontal, and 1" =5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically, driveways will be defined vertically by profiles.
- Develop design cross-sections
    - Develop on 25' station intervals and other critical points.
    - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
    - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify and include standard details as needed

- Drainage
    - Create Drainage Area Maps (existing and proposed). Proposed Drainage Area Map will be only prepared if there is no change in the drainage pattern from the existing conditions.
    - Create Drainage Calculation Sheets (Tables to be formatted to match City Standard's tabular format)
    - Identify the need for additional drainage easements to accommodate the proposed offsite drainage improvements (if required)
    - Perform final storm sewer sizing and alignment design. Prepare final inlet design sheets and hydraulic design sheets for inclusion in the plans.
    - The design of storm drain system is limited to a proposed line in Alta Vista Drive from Lakeshore Drive to Carriage Trail. The proposed line will be stubbed out at Carriage Trail for future connection to existing storm drain in Carriage Trail. The intent of proposed line is to eliminate the existing 18" storm drain line between the lots with address 303 and 305 Carriage Trail.
    - The design of storm drain system also includes addition of two flanking inlets in Alta Vista Drive at Lakeshore Drive intersection.
    - Analysis of existing storm drain system in Lakeshore Drive is not anticipated for this project; however, it may be provided as additional services if it is discovered and needed during the design phase.
    - The starting hydraulic grade line of existing storm drain in Lakeshore Drive will be either derived from the record documents or an assumed starting HGL will be utilized. Calculation of the existing HGL is not included in this scope, but may be provided as an Additional Service.
    - Storm drain improvements is not anticipated for West street.
    - The proposed grading for West Street will be evaluated to collect the discharge from the alley between Kaufman Street and Highland Drive.
    - Prepare storm sewer plan/profile sheets depicting storm sewer lines, inlets, junction boxes, connections, manholes, utility crossings and the hydraulic grade lines.
    - Prepare profiles for all trunks and laterals (to be profiled along centerline of pipe)
    - Prepare drainage details to clarify intent of design.
    - Compile applicable City standard details. Modify standard details as needed.
    - Prepare erosion control plan.

- Utilities

2.2.2..1. Public (Water, Wastewater, Storm Drainage, etc.)

- Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information

2.2.2..2. Franchise Utility Coordination

- Identify franchise utility contacts
- Send one set of plans to each franchise utility for their review at each phase. Request each franchise utility to mark up the plans to show the size, type and location of their utilities.
- Notify the City if any relocations are required
- ENGINEER shall perform the coordination with the franchise utilities if any relocations are required.
- Attend City ran Franchise Utility Coordination Meetings (typically 2-4 meetings per year are held). ENGINEER will give back ground on particular project and coordinate with franchise utility companies on foreseen conflicts and pass out current plan set.

2.2.2..3. Water

- Prepare all water plan sheets. Water line profiles are not anticipated as the proposed water lines will be 8 inches in diameter.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2..4. Wastewater

- Prepare all wastewater plans and profiles for proposed line in Alta Vista Drive and West Street.
- The proposed wastewater improvements include replacement of existing wastewater lines in Alta Vista Drive, and replacement of existing 6" line between lots with address 206 and 208 Alta Vista Drive by pipe bursting or other trenchless method. City will provide the video of line to evaluate the adequacy of the replacement by pipe bursting method.
- The rerouting of existing 6" line between the lots with address 206 and 208 Alta Vista Drive will also be evaluated.
- The proposed wastewater improvements for West Street include replacements of existing 4" line from Rusk Street to Kaufman Street, existing 4" line from Kaufman Street to existing manhole at 400 feet north of the intersection of Interurban and Highland Drive.
- Evaluate options to eliminate the existing 4" line between lots with address 202 Interurban Street and 302 Highland Drive. ENGINEER shall coordinate with City of Rockwall Sewer Department to verify the location and depth of the existing 4" line and service locations.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

- Street Lighting
  - ENGINEER will coordinate with ONCOR for the relocation of street lights.
  - It is assumed that the ONCOR is responsible for the design and installation of street lights.
  - ENGINEER shall coordinate with ONCOR for the location of proposed street lights and underground conduits.

- Structural
  - Structural design is not anticipated for this project; however, structural design services can be provided as an Additional Services if it is needed or discovered during the design.

- Traffic

2.2.2..1. Traffic Signals

- The project does not include traffic signals. Traffic signal improvements are not anticipated for this project.

2.2.2..2. Pavement Marking and Signing Plans

- Determine potential conflicts with existing signs and propose sign relocations
- Prepare crosswalk pavement marking and signing layouts in accordance with City design standards and the Texas Manual on Uniform Traffic Control Devices (TMUTCD).
- Prepare details to clarify intent design
- Compile applicable City standard details. Modify standard details as needed.

- Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing
  - Develop construction sequence plan showing:
    - Construction area for each phase of construction and closure of existing travel lanes (if needed).
    - Temporary signing and striping, barricades, and other channelization device
    - Narrative of the sequence of work.
    - Detour Plan for each construction phase
    - Storm sewer construction phasing shall be incorporated by sequencing notes.
    - Public utilities relocation phasing.
    - Pedestrian routing during construction.
  - Develop typical cross section showing lane widths, edge conditions, channelization and proposed construction area.
  - Develop typical driveway staging plans for similar driveways. Develop custom driveway staging layouts for special conditions.
  - Prepare traffic control details to clarify intent of design.

2.2.3. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms
  - Notice to bidders
  - Special instructions to bidders
  - Bid form (Bid-Tab) – Electronic for Bidding
  - Standard construction contract
  - Performance bond
  - Payment bond
  - Maintenance bond
  - Certificate of insurance
  - General conditions

- Special conditions
- Technical specifications
- Permits (TXDOT, City of Dallas, etc.)
- Geotechnical Report

2.2.4. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out in to separate schedules for each section of the job.

2.3. Agency Permitting/Coordination (TXDOT, TDLR, etc.)

2.3.1. TXDOT

- ENGINEER to coordinate with City for the items related to the project for work within the TXDOT right-of-way. This will include preparation of package for TXDOT submittal to achieve the acceptance of proposed improvements. West Street improvements within the Highway 66 right-of-way is anticipated to be permitted through TXDOT. ENGINEER will prepare the necessary documents and City will apply for the permit.

2.3.2. Accessibility Review (TDLR)

- Prepare a completed application for submittal to the Texas Department of Licensing and Regulation for review in accordance with the Elimination of Architectural Barriers Act.
- ENGINEER to complete application and submit with set of plans to a Registered Accessibility Specialist (RAS) from review and TDLR project registration. All coordination and fees with TDLR compliance will be done by the ENGINEER.
- While we do not anticipate accessibility revisions to be required, we will address minor revisions to the plans based on review comments from the RAS.

SPECIAL SERVICES

3. Public Meetings and Public Input Survey

3.1. **Meetings**

- Attend two (2) public involvement meeting as directed by City staff. Provide exhibits suitable for public meeting use depicting street section, alignments etc. Support City staff during meetings by providing technical information, responding to citizen questions, and recording citizen input.

3.1.1. First Public Meeting will be with adjacent property owners and residents.

- Mail out all first public meeting notification for the City.
- Revise 30% Schematics Roll Plots based on public input from first public meeting and City direction to be used in second public meeting.

3.1.2. Second Public Meeting will be with adjacent property owners and residents as well as the neighborhood.

- Mail out all second meeting public meeting notification for the City (Neighborhood to be at a typical 500ft buffer off the street)
- Revise 30% Schematics Roll Plots based on public input from second public meeting and City direction to be used in City Council presentation for schematic and typical section approval.

3.2. Public Input Surveys

- Work with City to develop Public Input Survey to be sent to adjacent property owners and residents.

- Mail out surveys to adjacent property owner and residents.
- Tally survey results and other received public input into presentable format to City Staff and City Council.

4. Data Collection & Property Research / Topographic and Design Survey

4.1. Data Collection and Property Research

4.1.1. Gather existing plat information

4.1.2. Collect property owner and record information

4.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.). Undocumented easements may not be identified.

4.2. Topographic and Design Survey

4.2.1. The limits of the survey for Alta Vista Drive shall be from the intersection of Alta Vista Drive and Lakeshore Drive to the intersection of Alta Vista Drive and Westway Drive. The limits of the survey for West Street shall be from the intersection of West Street and Rusk Street to the intersection of West Street and Highland Drive. The survey shall extend twenty (20) feet outside of the ROW (50-foot ROW for Alta Vista Drive and Variable width ROW for West Drive) where accessible of Alta Vista Drive and West Street. Survey will include intersecting roadways extending 250 feet along each leg of the major intersections and 100 feet along each leg of the minor intersections. The survey will only include the east half (from median east ROW line) of Lakeshore Drive at the intersection of Alta Vista Drive. The survey will include entire intersection of West Street and Rusk Street.

4.2.2. The Alta Vista Drive survey also includes survey of area between the houses with address 206 Alta Vista Drive and 208 Alta Vista Drive. The survey shall extend to alley and existing sewer manhole located at the southeast corner of a lot with address 206 Alta Vista Drive. The survey limits shall be sufficient for the replacement of wastewater line between the lots with address 206 Alta Vista Drive and 208 Alta Vista Drive.

4.2.3. The West Street survey includes survey of approximately 300 feet alley between the houses with address 202 Interurban Street and 302 Highland Drive. This survey shall extend approximately 300 feet north of the intersection of West Street and Highland Drive. The survey shall be sufficient for the replacement of existing 4" wastewater line to a manhole located approximately 250 feet north of the intersection of West Street and Highland Drive.

4.2.4. The West Street Survey also includes survey of approximately 400 feet long alley (from ROW to ROW) located between Kaufman Street and Highland Drive. The survey limits shall be from the intersection of the alley and West Street to the west lot line of lot with address 307 Highland Drive. The design survey shall be sufficient for the drainage study to surface drain the alley on the back of lots with address 301, 303, 305, and 307 Highland Drive, to West Street.

4.2.5. Establish horizontal control points at 500' maximum spacing.

4.2.6. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

4.2.7. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

4.2.8. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall include but not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.

- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

4.2.9. Perform cross-sections throughout project limits at 25-foot intervals and at grade breaks and prepare cross-section field notes.

4.2.10. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

4.2.11. ENGINEER will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

4.2.12. ENGINEER shall arrange and make provisions for access to perform the services specified within this scope. The surveyor shall provide the City with the name and address of the property owners.

4.2.13. The City shall be responsible for the coordination of all ROW and easement acquisitions. ENGINEER will provide survey information and easement/ROW documents (sketch and legal description) to the City. Additional ROW and easement documentation services are detailed below in Section 6.

5. Subsurface Utility Engineering (S.U.E.) Services

Provide S.U.E. Services for the purpose of locating horizontal and vertical locations of underground city and franchise utilities, in conjunction with and /or prior to the field survey.

5.1. S.U.E. Level 'B' Services will be provided to determine horizontal location of utilities up to 3,150 linear feet. The Quality Level 'B' also includes Quality Level 'C/D' S.U.E. services.

- S.U.E. Quality Level 'B' Services will be provided as defined in CI/ASCE 38-02.
  - Quality Level B (QL-"B") – Generally, QL-"B" indicates information obtained through the application of appropriate surface geophysical methods to determine the existence and approximate horizontal position of subsurface utilities. Quality level B data should be reproducible by surface geophysics at any point of their depiction. This information is surveyed to applicable tolerances defined by the project and reduced onto plan documents.
- Determine horizontal location of utilities up to 3,150 linear feet which will include 1,150 linear feet along Alta Vista Drive from Lakeshore Drive to Westway Drive, 650 linear feet

along West Street from Rusk Street to Highland Drive, 100 LF along each cross street (7 individual intersections), and 4" wastewater line to an existing manhole approximately 220 feet north of the intersection of Interurban and West Street. Level "B" S.U.E. shall also include around the existing wastewater manhole in the alley at the southeast corner of the property with address 206 Alta Vista Drive.

- Engineer will create and call in locate tickets for Texas811 for the project corridor. Timing of locates will be coordinated to help ensure that locates are performed in conjunction with surveying operations.
- As part of the services provided in the Topographic and Boundary Survey Phase, Engineer will visibly investigate surface features and appurtenances or all utility systems shown on the record drawings that are included within the project site, including but not limited to:
  - sanitary sewer manholes (including measure down)
  - storm sewer manholes (including measure down)
  - communication/fiber manholes
  - hand holds
  - pull boxes
  - water valves
  - water meters
  - fire hydrants
  - cleanouts
  - blow-offs
  - pedestals (communication, fiber, electric)
  - gas meters
  - signal boxes
  - electric poles (transmission and distribution)
  - electric transformers
  - light poles
  - utility signs
- Investigate all utility systems shown on the record drawings that are included within the project site. Visible surface features and appurtenances of subsurface utilities found within the project site will also be evaluated. Using appropriate surface geophysical methods, Engineer will search for detectible indications of the horizontal location of anticipated subsurface utilities.
- Mark all locations that can be validated, using paint, flags or other devices.
- These services are for the purpose of aiding the design of the project by providing information related to subsurface utilities in order to allow potential utility conflicts to be minimized or eliminated.
- Prepare documentation of the utilities encountered and marked, including their general location, orientation, type & size, if known.
- Deliverable will consist of a Quality Level B – AutoCad DWG 2D file depicting all sub-surface utilities found and verified and above ground appurtenances. The drawing will be signed and sealed by a Professional Engineer licensed in the State of Texas.

5.2. Provide Quality Level 'A' S.U.E. Services for the purpose of vertically locating the utility lines.

- Provide S.U.E. Quality Level 'A' Services will be provided as defined in CI/ASCE 38-02.
  - Quality Level A (QL-"A") – Generally, QL-"A" indicates precise horizontal and vertical location of utilities obtained by the actual exposure (or verification of previously exposed and surveyed utilities) and subsequent measurement of subsurface utilities, usually at a specific point. Minimally intrusive excavation equipment is typically used to minimize the potential for utility damage. A precise horizontal and

vertical location, as well as other utility attributes, is shown on plan documents. Accuracy is typically set to 15-mm vertical and to applicable horizontal survey and mapping accuracy as defined or expected by the project owner.

- Provide all necessary personnel, equipment, supplies, management and supervision needed for the test hole excavation, backfill and restoration.
- Coordinating with CLIENT, property owner, and/or permitting authorities, as needed and assisting the City in obtaining any required permits, permission or rights-of-entry.
- Contacting the appropriate one-call system to request utilities to be marked on-the-ground prior to beginning excavation of test holes.
- Providing and utilizing appropriate traffic control devices, as necessary, in conformance with the MUTCD, including any state or locally adopted supplements.
- Excavate by air-vacuum or other minimally invasive methods up to ten (10) test holes, at locations yet to be determined within the project limits in order to identify the exact horizontal & vertical locations of crucial utilities. For the purpose of the scope, five of such test holes are assumed will be in the paved area and five will be in outside paving area. Furthermore, following assumptions are made for the depth of test holes:
  - Up to Five (5) test holes of 0-12 ft depth will be provided
- Test holes in addition to those listed above will be provided at the rate per test hole agreed to by the City of Rockwall.
- Prepare documentation for each test hole attempted. This documentation will include the horizontal and vertical position of the targeted utility or structure, a general description of the target utility, with condition, material and general orientation noted a generalized description of the material encountered in the test hole, and any other field observations noted during the excavation.
- Deliverable will consist of a Quality Level A – AutoCA DWG 2d (DGN) file showing X, Y and Z w/ depth, a PDF of the same signed and sealed, Utility Summary Sheet, Individual Sheets on Test Holes and ASCII Point List.

6. Right-of-Way / Easement Instruments of Conveyance

6.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field. For the purpose of the scope services, six (6) corner clips ROW documents are planned.

6.1.1. Up to Six (6) parcels

6.2. Individual parcel exhibits shall be on 8"x11" paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:

6.2.1. Parcel number
6.2.2. Area required
6.2.3. Area remaining
6.2.4. Legal description
6.2.5. Current owner
6.2.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies
6.2.7. All physical features
6.2.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.

6.3. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the

proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference

6.4. ENGINEER will provide the information listed in Section 6.2 to the City and/or their selected ROW and easement acquisition agent. This task will include the following:

6.4.1. Transmittal of survey and existing property information.

7. Geotechnical

7.1. Subsurface Exploration

7.1.1. Three (3) borings are planned for this project. The borings and report will be thru a subconsultant.

The locations are as follows (or as determined by Geotechnical Engineer):

- One boring will be located nearby the intersection of Lakeshore Drive and Alta Vista Drive.
- One boring will be located nearby the intersection of Alta Vista Drive and Westway Drive.
- One boring will be located nearby the intersection of West Street and Kaufman Street.

7.1.2. Boring Services – Pavement borings will be sampled to 15 feet. A total of 45 feet for drilling is planned.

- Check samples for consistency with a hand penetrometer
- Stake the boring locations using normal taping procedures
- Backfill bore holes and plug at the surface

7.2. Laboratory Services

7.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:

- Visual Classification
- Moisture content and soil identification
- Liquid and plastic limit determinations
- Unconfined compression
- Calibrated hand penetrometer tests
- Lime/ph series tests
- Soluble sulfate tests (to determine lime-induced heaving potential)

7.3. Engineering Services

7.3.1. Prepare an engineering report presenting the following:

- Sample boring location map
- Boring logs and laboratory results
- General soil and ground-water conditions
- Recommendations will be based on a 30-year design life.
- Subgrade design recommendations for lime treated and cement treated subgrade.
- Pavement design recommendation for reinforced concrete, (including pavement thickness, strength, reinforcement size and spacing, and joint spacing)
- Pavement design alternatives: Provide recommendations for the following street sections:
  - Reinforced concrete pavement on lime and or cement treated subgrade.
  - Reinforced concrete pavement on flex base.
  - Reinforced concrete pavement on compacted subgrade.
- Earthwork recommendations

7.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

7.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

8. Additional Services

Services not specifically identified in the Scope of Services above shall be considered additional and shall be performed on an individual basis upon authorization by the City of Rockwall. Such services shall include, but are not limited to the following:

8.1. Construction staking.
8.2. Geotechnical recommendations for the design of retaining wall.
8.3. Structural design of retaining walls, junction boxes or any other structures.
8.4. Photometric or coverage study/analysis for street lighting.
8.5. Design or modification of traffic signal.
8.6. Traffic Impact Analysis
8.7. Quality control and testing services during construction.
8.8. Offsite storm drains design and analysis.
8.9. Environmental or Archeological study and permitting through state agencies.
8.10. Support services for Project Bidding
8.11. Support services for Right-of-Way Acquisition and Negotiation
8.12. Flood study for streams/creeks and permitting through FEMA or US Army Corps of Engineers.
8.13. Construction phase services, including responding contractor questions, reviewing contractor pay application, performing site visits to observe construction, reviewing shop drawings/submittals, preparation of record drawings etc.

-End of Scope of Service-

ATTACHMENT "B"

Payment Schedule

Compensation for Basic Services in Tasks 1-2 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Task	Fee Basis	Fee
	BASIC SERVICES		
1.	Schematic Conceptual Design (30%)	Fixed Fee	$ 57,000
2.	Construction Documents		
2.1	60% Design	Fixed Fee	$ 67,000
2.2	90% Design	Fixed Fee	$ 49,500
2.3	100% Design	Fixed Fee	$ 24,200
	Basic Services Subtotal:		**$ 197,700**
Compensation for Special Services under Tasks 3-7 shall be on a lump sum, unit price, or labor fee plus expense (reimbursable) basis with the estimated fee shown below.			
	SPECIAL SERVICES		
3.	Public Meetings and Public Input Surveys	Fixed Fee	$ 6,000
4.	Data Collection & Property Research / Topographic and Design Survey	Fixed Fee	$ 26,500
5.	Subsurface Utility Engineering (S.U.E.) Services		
5.1	Quality Level 'B' (Including Level "C/D") S.U.E. Services (assumes 3,150 LF)	Hourly*	$ 23,400
5.2	Quality Level 'A' S.U.E. Services (5 test holes assumed @ 1,800/test holes)	Unit Price	$ 9,000
6.	Right-of-Way/Easement Instruments of Conveyance (6 ROW documents are assumed @ $1,250/document)	Unit Price	$ 7,500
7.	Geotechnical	Fixed Fee	$ 14,900
	Special Services Subtotal*		**$ 87,300.00**
	ENGINEERING SERVICES CONTINGENCY**		**$ 28,500**
	***(This service is a miscellaneous amount to be used at the discretion of the City for additional Services outside of the scope of the contract. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of this Contingency)*		
	Project Total*		**$ 313,500.00**

*Estimate only (see notes below).

Notes:

1. **Hourly Consulting Services**: Services shall be provided on an hourly, reimbursable basis at the ENGINEER'S standard hourly rates when the Fee Basis is defined as hourly. Actual fees for the services will be based on actual hours required to perform the services, and will vary based upon actual cost, and could potentially exceed the estimates provided above. ENGINEER shall notify the City in writing before exceeding the budgeted fees, and obtain written authorization from City to

exceed the contract amount. Please refer to attached schedule of TNP's standard hourly rates. Services shall be billed monthly based on actual time spent working on the project by the ENGINER'S staff. Actual out-of-pocket expenses that are incurred during the progress of the work for hourly services tasks shall be billed at TNP's cost plus 10%. Any project related fees paid by the ENGINEER on behalf of the City shall be reimbursed by the City under the hourly services task. Examples of these type fees include, but are not limited to, application fees, filing fees, permit fees, review fees, title company/closing fees, or fees related to the purchase or acquisition of information or documents requested by the City for inclusion in the Project's deliverables.

2. **Fixed Fee Consulting Services**: Fees for tasks described as "fixed fee" (lump sum) are total fees for all labor and expenses associated with those tasks. Lump Sum fee for each task will be invoiced monthly based upon the overall percentage of services performed.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Kirk Riggs, Chief of Police**

DATE: **January 29, 2019**

SUBJECT: **2018 Racial Profiling Report**

To comply with Article 2.132 of the Texas Code of Criminal Procedure addressing racial profiling, each law enforcement agency must collect information relating to motor vehicle stops where a citation has been issued or an arrest has been made. The law enforcement agency must also report this information to the governing body no later than March 1st of the following year and must submit the report to the Texas Commission on Law Enforcement (TCOLE), who is the designated central depository for all reports in the state.

There was one racial profiling complaint made against a Rockwall Police Officer in 2018. The complaint was investigated by Internal Affairs and the outcome of the investigation found no violation of departmental policies. The complaint was classified as unfounded.

Attached is our comparative analysis report and annual report that was prepared by Del Carmen Consulting LLC, and submitted to TCOLE on the racial breakdown resulting from motor vehicle stops by the Rockwall Police Department for 2018.

131

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Kirk H. Riggs, Chief of Police**

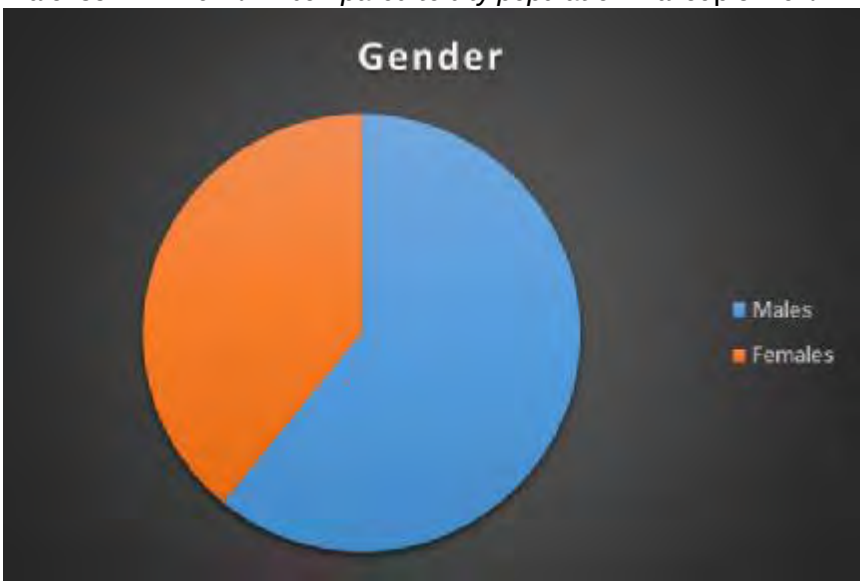
FROM: **Kirk Aldridge, Assistant Chief of Police**

DATE: **January 24, 2019**

SUBJECT: **Racial Profiling Comparative Analysis Report for 2018**

The Racial Profiling analysis for the calendar year of 2018 has been completed. The data showed the Department conducted 13,996 traffic stops in 2018. Results of the traffic stops showed 64% received warnings, 33% received citations and 3% of the stops resulted in an arrest. The race and ethnicity of the persons stopped showed 61% White, 19% Hispanic, 17% Black, 1.5% Asian/Pacific Islander and 0.40% Alaska Native/American Indian. The percentage of minorities stopped equaled 39% compared to city population makeup of minorities which is estimated at 31.7%. It should also be noted that the race or ethnicity was known prior to the stop only 2% of the time. Data collected also showed that a search was conducted during 5% of the traffic stops, 55% of those searches were consensual and contraband was discovered in 40% of the searches.

During the 2018 calendar year, the Department received one racial profiling complaint. The complaint was investigated by Internal Affairs and the outcome of the investigation found no violation of departmental policies and the complaint was classified as *unfounded*. In reviewing the Police Department's public education efforts concerning the racial profiling complaint process, printed information on how to file a racial profiling complaint was found in the police department lobby and on the police department's webpage at www.rockwallpolice.org.



A review of documentation also showed that the patrol supervisors completed the required monthly audits for their assigned officers. During the audits, there were no indicators found that officers were acting outside of state law and/or departmental policies.

Attached to this memo is the comparative analysis of the data collected for 2018. Based on this review and analysis, it appears that officers and supervisors are following the procedures outlined in the Rockwall Police Department General Orders Policy 412.00 Bias Based Profiling. It is my recommendation that no changes be made to our current policies and/or procedures regarding Racial Profiling.

Rockwall Police Department ANNUAL REPORT

139

January19, 2019

www.texasracialprofiling.com dcconsulting@sbcglobal.net
Copyright © 2019 Del Carmen Consulting, LLC

Rockwall City Council
385 S. Goliad St.
Rockwall, Texas 75087

Dear Distinguished Members of the City Council,

The Texas Legislature, with the intent of addressing the issue of racial profiling in policing, enacted in 2001, the Texas Racial Profiling Law. During the past year, the Rockwall Police Department, in accordance with the law, has collected and reported traffic and motor vehicle-related contact data for the purpose of identifying and addressing (if necessary) areas of concern regarding racial profiling practices. In the 2009 Texas legislative session, the Racial Profiling Law was modified and additional requirements were implemented. Moreover, in 2017, the Sandra Bland Act was passed and signed into law (along with HB 3051 which introduced new racial and ethnic designations). The Sandra Bland Law requires that law enforcement agencies in the state collect additional data and provide a more detailed analysis. All of these requirements have been met by the Rockwall Police Department and are included in this report.

This particular report contains three sections with information on motor vehicle- related contact data. In addition, when appropriate, documentation is also a component of this report, aiming at demonstrating the manner in which the Rockwall Police Department has complied with the Texas Racial Profiling Law. In section 1, you will find the table of contents in addition to the Texas Senate Bill (SB1074); which later became the Texas Racial Profiling Law. Further, you will find the Texas HB 3389, which, in 2009, introduced new requirements relevant to racial profiling as well as the Sandra Bland Act. Also, in this section, a list of requirements relevant to the Racial Profiling Law as established by TCOLE (Texas Commission on Law Enforcement) is included. In addition, you will find, in sections 2 and 3 documentation which demonstrates compliance by the Rockwall Police Department relevant to the requirements as established in the Texas Racial Profiling Law. That is, you will find documents relevant to the implementation of an institutional policy banning racial profiling, the incorporation of a racial profiling complaint process and the training administered to all law enforcement personnel.

The last section of this report includes statistical data relevant to contacts, made during the course of motor vehicle stops and in accordance with the law, between 1/1/18 and 12/31/18. In addition, this section contains the TCOLE Tier 2 form, which is required to be submitted to this particular organization by March 1st of each year. The data in this report has been analyzed and compared to data derived from the U.S. Census Bureau's Fair Roads Standard. The final analysis and recommendations are also included in this report. The findings in this report serve as evidence of the Rockwall Police Department's commitment to comply with the Texas Racial Profiling Law.

Sincerely,

Alex del Carmen, Ph.D.
Del Carmen Consulting, LLC

TCOLE GUIDELINES

142

Guidelines for Compiling and Reporting Data under Senate Bill 1074

Background

Senate Bill 1074 of the 77th Legislature established requirements in the Texas Code of Criminal Procedure (TCCP) for law enforcement agencies. The Commission developed this document to assist agencies in complying with the statutory requirements.

The guidelines are written in the form of standards using a style developed from accreditation organizations including the Commission on Accreditation for Law Enforcement Agencies (CALEA). The standards provide a description of ***what*** must be accomplished by an agency but allows wide latitude in determining ***how*** the agency will achieve compliance with each applicable standard.

Each standard is composed of two parts: the standard statement and the commentary. The *standard statement* is a declarative sentence that places a clear-cut requirement, or multiple requirements, on an agency. The commentary supports the standard statement but is not binding. The commentary can serve as a prompt, as guidance to clarify the intent of the standard, or as an example of one possible way to comply with the standard.

Standard 1

Each law enforcement agency has a detailed written directive that:

- clearly defines acts that constitute racial profiling;
- strictly prohibits peace officers employed by the agency from engaging in racial profiling;
- implements a process by which an individual may file a complaint with the agency if the individual believes a peace officer employed by the agency has engaged in racial profiling with respect to the individual filing the complaint;
- provides for public education relating to the complaint process;
- requires appropriate corrective action to be taken against a peace officer employed by the agency who, after investigation, is shown to have engaged in racial profiling in violation of the agency's written racial profiling policy; and
- requires the collection of certain types of data for subsequent reporting.

Commentary

Article 2.131 of the TCCP prohibits officers from engaging in racial profiling, and article 2.132 of the TCCP now requires a written policy that contains the elements listed in this standard. The article also specifically defines a law enforcement agency as it applies to this statute as an "agency of the state, or of a county, municipality, or other political subdivision of the state, that employs peace officers who make traffic stops in the routine performance of the officers' official duties."

The article further defines race or ethnicity as being of "a particular descent, including Caucasian, African, Hispanic, Asian, or Native American." The statute does not limit the required policies to just these ethnic groups.

This written policy is to be adopted and implemented no later than January 1, 2002.

Standard 2

Each peace officer who stops a motor vehicle for an alleged violation of a law or ordinance regulating traffic, or who stops a pedestrian for any suspected offense reports to the employing law enforcement agency information relating to the stop, to include:

- a physical description of each person detained, including gender and the person's race or ethnicity, as stated by the person, or, if the person does not state a race or ethnicity, as determined by the officer's best judgment;
- the traffic law or ordinance alleged to have been violated or the suspected offense;
- whether the officer conducted a search as a result of the stop and, if so, whether the person stopped consented to the search;
- whether any contraband was discovered in the course of the search, and the type of contraband discovered;
- whether probable cause to search existed, and the facts supporting the existence of that probable cause;
- whether the officer made an arrest as a result of the stop or the search, including a statement of the offense charged;
- the street address or approximate location of the stop; and
- whether the officer issued a warning or citation as a result of the stop, including a description of the warning or a statement of the violation charged.

Commentary

The information required by 2.133 TCCP is used to complete the agency reporting requirements found in Article 2.134. A peace officer and an agency may be exempted from this requirement under Article 2.135 TCCP Exemption for Agencies Using Video and Audio Equipment. An agency may be exempt from this reporting requirement by applying for the funds from the Department of Public Safety for video and audio equipment and the State does not supply those funds. Section 2.135 (a)(2) states, "the governing body of the county or municipality served by the law enforcement agency, in conjunction with the law enforcement agency, certifies to the Department of Public Safety, not later than the date specified by rule by the department, that the law enforcement agency needs funds or video and audio equipment for the purpose of installing video and audio equipment as described by Subsection (a) (1) (A) and the agency does not receive from the state funds for video and audio equipment sufficient, as determined by the department, for the agency to accomplish that purpose."

Standard 3

The agency compiles the information collected under 2.132 and 2.133 and analyzes the information identified in 2.133.

Commentary

Senate Bill 1074 from the 77th Session of the Texas Legislature created requirements for law enforcement agencies to gather specific information and to report it to each county or municipality served. New sections of law were added to the Code of Criminal Procedure regarding the reporting of traffic and pedestrian stops. Detained is defined as when a person stopped is not free to leave.

Article 2.134 TCCP requires the agency to compile and provide and analysis of the information collected by peace officer employed by the agency. The report is provided to the governing body of the municipality or county no later than March 1 of each year and covers the previous calendar year.

There is data collection and reporting required based on Article 2.132 CCP (tier one) and Article 2.133 CCP (tier two).

The minimum requirements for "tier one" data for traffic stops in which a citation results are:

1) the race or ethnicity of individual detained (race and ethnicity as defined by the bill means of "a particular descent, including Caucasian, African, Hispanic, Asian, or Native American");
2) whether a search was conducted, and if there was a search, whether it was a consent search or a probable cause search; and
3) whether there was a custody arrest.

The minimum requirements for reporting on "tier two" reports include traffic and pedestrian stops. Tier two data include:

1) the detained person's gender and race or ethnicity;
2) the type of law violation suspected, e.g., hazardous traffic, non-hazardous traffic, or other criminal investigation (the Texas Department of Public Safety publishes a categorization of traffic offenses into hazardous or non-hazardous);
3) whether a search was conducted, and if so whether it was based on consent or probable cause;
4) facts supporting probable cause;
5) the type, if any, of contraband that was collected;
6) disposition of the stop, e.g., arrest, ticket, warning, or release;
7) location of stop; and
8) statement of the charge, e.g., felony, misdemeanor, or traffic.

Tier one reports are made to the governing body of each county or municipality served by the agency an annual report of information if the agency is an agency of a county, municipality, or other political subdivision of the state. Tier one and two reports are reported to the county or municipality not later than March 1 for the previous calendar year beginning March 1, 2003. Tier two reports include a comparative analysis between the race and ethnicity of persons detained to see if a differential pattern of treatment can be discerned based on the disposition of stops including searches resulting from the stops. The reports also include information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling. An agency may be exempt from the tier two reporting requirement by applying for the funds from the Department of Public Safety for video and audio equipment and the State does not supply those funds [See 2.135 (a)(2) TCCP].

Reports should include both raw numbers and percentages for each group. Caution should be exercised in interpreting the data involving percentages because of statistical distortions caused by very small numbers in any particular category, for example, if only one American Indian is stopped and searched, that stop would not provide an accurate comparison with 200 stops among Caucasians with 100 searches. In the first case, a 100% search rate would be skewed data when compared to a 50% rate for Caucasians.

Standard 4

If a law enforcement agency has video and audio capabilities in motor vehicles regularly used for traffic stops, or audio capabilities on motorcycles regularly used to make traffic stops, the agency:

- adopts standards for reviewing and retaining audio and video documentation; and
- promptly provides a copy of the recording to a peace officer who is the subject of a complaint on written request by the officer.

Commentary

The agency should have a specific review and retention policy. Article 2.132 TCCP specifically requires that the peace officer be promptly provided with a copy of the audio or video recordings if the officer is the subject of a complaint and the officer makes a written request.

Standard 5

Agencies that do not currently have video or audio equipment must examine the feasibility of installing such equipment.

Commentary
None

Standard 6
Agencies that have video and audio recording capabilities are exempt from the reporting requirements of Article 2.134 TCCP and officers are exempt from the reporting requirements of Article 2.133 TCCP provided that:

- the equipment was in place and used during the proceeding calendar year; and
- Video and audio documentation is retained for at least 90 days.

Commentary
The audio and video equipment and policy must have been in place during the previous calendar year. Audio and video documentation must be kept for at least 90 days or longer if a complaint has been filed. The documentation must be retained until the complaint is resolved. Peace officers are not exempt from the requirements under Article 2.132 TCCP.

Standard 7
Agencies have citation forms or other electronic media that comply with Section 543.202 of the Transportation Code.

Commentary
Senate Bill 1074 changed Section 543.202 of the Transportation Code requiring citations to include:

- race or ethnicity, and
- whether a search of the vehicle was conducted and whether consent for the search was obtained.

The Texas Law on Racial Profiling

147

S.B. No. 1074

AN ACT

relating to the prevention of racial profiling by certain peace officers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Chapter 2, Code of Criminal Procedure, is amended by adding Articles 2.131 through 2.138 to read as follows:

Art. 2.131. RACIAL PROFILING PROHIBITED. A peace officer may not engage in racial profiling.

Art. 2.132. LAW ENFORCEMENT POLICY ON RACIAL PROFILING. (a) In this article:

(1) "Law enforcement agency" means an agency of the state, or of a county, municipality, or other political subdivision of the state, that employs peace officers who make traffic stops in the routine performance of the officers' official duties.

(2) "Race or ethnicity" means of a particular descent, including Caucasian, African, Hispanic, Asian, or Native American descent.

(b) Each law enforcement agency in this state shall adopt a detailed written policy on racial profiling. The policy must:

(1) clearly define acts constituting racial profiling;

(2) strictly prohibit peace officers employed by the agency from engaging in racial profiling;

(3) implement a process by which an individual may file a complaint with the agency if the individual believes that a peace officer employed by the agency has engaged in racial profiling with respect to the individual;

(4) provide public education relating to the agency's complaint process;

(5) require appropriate corrective action to be taken against a peace officer employed by the agency who, after an investigation, is shown to have engaged in racial profiling in violation of the agency's policy adopted under this article;

(6) require collection of information relating to traffic stops in which a citation is issued and to arrests resulting from those traffic stops, including information relating to:

(A) the race or ethnicity of the individual detained; and

(B) whether a search was conducted and, if so, whether the person detained consented to the search; and

(7) require the agency to submit to the governing body of each county or municipality served by the agency an annual report of the information collected under Subdivision (6) if the agency is an agency of a county, municipality, or other political subdivision of the state.

(c) The data collected as a result of the reporting requirements of this article shall not constitute prima facie evidence of racial profiling.

(d) On adoption of a policy under Subsection (b), a law enforcement agency shall examine the feasibility of installing video camera and transmitter-activated equipment in each agency law enforcement motor vehicle regularly used to make traffic stops and transmitter-activated equipment in each agency law enforcement motorcycle regularly used

to make traffic stops. If a law enforcement agency installs video or audio equipment as provided by this subsection, the policy adopted by the agency under Subsection (b) must include standards for reviewing video and audio documentation.

(e) A report required under Subsection (b)(7) may not include identifying information about a peace officer who makes a traffic stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the collection of information as required by a policy under Subsection (b)(6).

(f) On the commencement of an investigation by a law enforcement agency of a complaint described by Subsection (b)(3) in which a video or audio recording of the occurrence on which the complaint is based was made, the agency shall promptly provide a copy of the recording to the peace officer who is the subject of the complaint on written request by the officer.

Art. 2.133. REPORTS REQUIRED FOR TRAFFIC AND PEDESTRIAN STOPS. (a) In this article:

(1) "Race or ethnicity" has the meaning assigned by Article 2.132(a).

(2) "Pedestrian stop" means an interaction between a peace officer and an individual who is being detained for the purpose of a criminal investigation in which the individual is not under arrest.

(b) A peace officer who stops a motor vehicle for an alleged violation of a law or ordinance regulating traffic or who stops a pedestrian for any suspected offense shall report to the law enforcement agency that employs the officer information relating to the stop, including:

(1) a physical description of each person detained as a result of the stop, including:

(A) the person's gender; and

(B) the person's race or ethnicity, as stated by the person or, if the person does not state the person's race or ethnicity, as determined by the officer to the best of the officer's ability;

(2) the traffic law or ordinance alleged to have been violated or the suspected offense;

(3) whether the officer conducted a search as a result of the stop and, if so, whether the person detained consented to the search;

(4) whether any contraband was discovered in the course of the search and the type of contraband discovered;

(5) whether probable cause to search existed and the facts supporting the existence of that probable cause;

(6) whether the officer made an arrest as a result of the stop or the search, including a statement of the offense charged;

(7) the street address or approximate location of the stop; and

(8) whether the officer issued a warning or a citation as a result of the stop, including a description of the warning or a statement of the violation charged.

Art. 2.134. COMPILATION AND ANALYSIS OF INFORMATION COLLECTED. (a) In this article, "pedestrian stop" means an interaction between a peace officer and an individual who is being detained for the purpose of a criminal investigation in which the individual is not under arrest.

(b) A law enforcement agency shall compile and analyze the information contained in each report received by the agency under Article 2.133. Not later than March 1 of each year, each local law enforcement agency shall submit a report containing the information compiled during the previous calendar year to the governing body of each county or municipality served by the agency in a manner approved by the agency.

(c) A report required under Subsection (b) must include:

(1) a comparative analysis of the information compiled under Article 2.133 to:

(A) determine the prevalence of racial profiling by peace officers employed by the agency; and

(B) examine the disposition of traffic and pedestrian stops made by officers employed by the agency, including searches resulting from the stops; and

(2) information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.

(d) A report required under Subsection (b) may not include identifying information about a peace officer who makes a traffic or pedestrian stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the reporting of information required under Article 2.133(b)(1).

(e) The Commission on Law Enforcement Officer Standards and Education shall develop guidelines for compiling and reporting information as required by this article.

(f) The data collected as a result of the reporting requirements of this article shall not constitute prima facie evidence of racial profiling.

Art. 2.135. EXEMPTION FOR AGENCIES USING VIDEO AND AUDIO EQUIPMENT. (a) A peace officer is exempt from the reporting requirement under Article 2.133 and a law enforcement agency is exempt from the compilation, analysis, and reporting requirements under Article 2.134 if:

(1) during the calendar year preceding the date that a report under Article 2.134 is required to be submitted:

(A) each law enforcement motor vehicle regularly used by an officer employed by the agency to make traffic and pedestrian stops is equipped with video camera and transmitter-activated equipment and each law enforcement motorcycle

regularly used to make traffic and pedestrian stops is equipped with transmitter-activated equipment; and

(B) each traffic and pedestrian stop made by an officer employed by the agency that is capable of being recorded by video and audio or audio equipment, as appropriate, is recorded by using the equipment; or

(2) the governing body of the county or municipality served by the law enforcement agency, in conjunction with the law enforcement agency, certifies to the Department of Public Safety, not later than the date specified by rule by the department, that the law enforcement agency needs funds or video and audio equipment for the purpose of installing video and audio equipment as described by Subsection (a)(1)(A) and the agency does not receive from the state funds or video and audio equipment sufficient, as determined by the department, for the agency to accomplish that purpose.

(b) Except as otherwise provided by this subsection, a law enforcement agency that is exempt from the requirements under Article 2.134 shall retain the video and audio or audio documentation of each traffic and pedestrian stop for at least 90 days after the date of the stop. If a complaint is filed with the law enforcement agency alleging that a peace officer employed by the agency has engaged in racial profiling with respect to a traffic or pedestrian stop, the agency shall retain the video and audio or audio record of the stop until final disposition of the complaint.

(c) This article does not affect the collection or reporting requirements under Article 2.132.

Art. 2.136. LIABILITY. A peace officer is not liable for damages arising from an act relating to the collection or reporting of information as required by Article 2.133 or under a policy adopted under Article 2.132.

Art. 2.137. PROVISION OF FUNDING OR EQUIPMENT. (a) The Department of Public Safety shall adopt rules for providing funds or video and audio equipment to law enforcement agencies for the purpose of installing video and audio equipment as

described by Article 2.135(a)(1)(A), including specifying criteria to prioritize funding or equipment provided to law enforcement agencies. The criteria may include consideration of tax effort, financial hardship, available revenue, and budget surpluses. The criteria must give priority to:

(1) law enforcement agencies that employ peace officers whose primary duty is traffic enforcement;

(2) smaller jurisdictions; and

(3) municipal and county law enforcement agencies.

(b) The Department of Public Safety shall collaborate with an institution of higher education to identify law enforcement agencies that need funds or video and audio equipment for the purpose of installing video and audio equipment as described by Article 2.135(a)(1)(A). The collaboration may include the use of a survey to assist in developing criteria to prioritize funding or equipment provided to law enforcement agencies.

(c) To receive funds or video and audio equipment from the state for the purpose of installing video and audio equipment as described by Article 2.135(a)(1)(A), the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency needs funds or video and audio equipment for that purpose.

(d) On receipt of funds or video and audio equipment from the state for the purpose of installing video and audio equipment as described by Article 2.135(a)(1)(A), the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency has installed video and audio equipment as described by Article 2.135(a)(1)(A) and is using the equipment as required by Article 2.135(a)(1).

Art. 2.138. RULES. The Department of Public Safety may adopt rules to implement Articles 2.131-2.137.

SECTION 2. Chapter 3, Code of Criminal Procedure, is amended by adding Article 3.05 to read as follows:

Art. 3.05. RACIAL PROFILING. In this code, "racial profiling" means a law enforcement-initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

SECTION 3. Section 96.641, Education Code, is amended by adding Subsection (j) to read as follows:

(j) As part of the initial training and continuing education for police chiefs required under this section, the institute shall establish a program on racial profiling. The program must include an examination of the best practices for:

(1) monitoring peace officers' compliance with laws and internal agency policies relating to racial profiling;

(2) implementing laws and internal agency policies relating to preventing racial profiling; and

(3) analyzing and reporting collected information.

SECTION 4. Section 1701.253, Occupations Code, is amended by adding Subsection (e) to read as follows:

(e) As part of the minimum curriculum requirements, the commission shall establish a statewide comprehensive education and training program on racial profiling for officers licensed under this chapter. An officer shall complete a program established under this subsection not later than the second anniversary of the date the officer is licensed under this chapter or the date the officer applies for an intermediate proficiency certificate, whichever date is earlier.

SECTION 5. Section 1701.402, Occupations Code, is amended by adding Subsection (d) to read as follows:

(d) As a requirement for an intermediate proficiency certificate, an officer must complete an education and training program on racial profiling established by the commission under Section 1701.253(e).

SECTION 6. Section 543.202, Transportation Code, is amended to read as follows:

Sec. 543.202. FORM OF RECORD. (a) In this section, "race or ethnicity" means of a particular descent, including Caucasian, African, Hispanic, Asian, or Native American descent.

(b) The record must be made on a form or by a data processing method acceptable to the department and must include:

(1) the name, address, physical description, including race or ethnicity, date of birth, and driver's license number of the person charged;

(2) the registration number of the vehicle involved;

(3) whether the vehicle was a commercial motor vehicle as defined by Chapter 522 or was involved in transporting hazardous materials;

(4) the person's social security number, if the person was operating a commercial motor vehicle or was the holder of a commercial driver's license or commercial driver learner's permit;

(5) the date and nature of the offense, including whether the offense was a serious traffic violation as defined by Chapter 522;

(6) whether a search of the vehicle was conducted and whether consent for the search was obtained;

(7) the plea, the judgment, and whether bail was forfeited;

(8) [~~(7)~~] the date of conviction; and

(9) [~~(8)~~] the amount of the fine or forfeiture.

SECTION 7. Not later than January 1, 2002, a law enforcement agency shall adopt and implement a policy and begin collecting information under the policy as

required by Article 2.132, Code of Criminal Procedure, as added by this Act. A local law enforcement agency shall first submit information to the governing body of each county or municipality served by the agency as required by Article 2.132, Code of Criminal Procedure, as added by this Act, on March 1, 2003. The first submission of information shall consist of information compiled by the agency during the period beginning January 1, 2002, and ending December 31, 2002.

SECTION 8. A local law enforcement agency shall first submit information to the governing body of each county or municipality served by the agency as required by Article 2.134, Code of Criminal Procedure, as added by this Act, on March 1, 2004. The first submission of information shall consist of information compiled by the agency during the period beginning January 1, 2003, and ending December 31, 2003.

SECTION 9. Not later than January 1, 2002:

(1) the Commission on Law Enforcement Officer Standards and Education shall establish an education and training program on racial profiling as required by Subsection (e), Section 1701.253, Occupations Code, as added by this Act; and

(2) the Bill Blackwood Law Enforcement Management Institute of Texas shall establish a program on racial profiling as required by Subsection (j), Section 96.641, Education Code, as added by this Act.

SECTION 10. A person who on the effective date of this Act holds an intermediate proficiency certificate issued by the Commission on Law Enforcement Officer Standards and Education or has held a peace officer license issued by the Commission on Law Enforcement Officer Standards and Education for at least two years shall complete an education and training program on racial profiling established under Subsection (e), Section 1701.253, Occupations Code, as added by this Act, not later than September 1, 2003.

SECTION 11. An individual appointed or elected as a police chief before the effective date of this Act shall complete a program on racial profiling established

under Subsection (j), Section 96.641, Education Code, as added by this Act, not later than September 1, 2003.

SECTION 12. This Act takes effect September 1, 200

_____ _____

President of the Senate Speaker of the House

I hereby certify that S.B. No. 1074 passed the Senate on April 4, 2001, by the following vote: Yeas 28, Nays 2; May 21, 2001, Senate refused to concur in House amendments and requested appointment of Conference Committee; May 22, 2001, House granted request of the Senate; May 24, 2001, Senate adopted Conference Committee Report by a viva-voce vote.

_____

Secretary of the Senate

I hereby certify that S.B. No. 1074 passed the House, with amendments, on May 15, 2001, by a non-record vote; May 22, 2001, House granted request of the Senate for appointment of Conference Committee; May 24, 2001, House adopted Conference Committee Report by a non-record vote.

Modifications to the Original Law (H.B. 3389)

159

Amend CSHB 3389 (Senate committee report) as follows:

(1) Strike the following SECTIONS of the bill:

(A) SECTION 8, adding Section 1701.164, Occupations Code (page 4, lines 61-66);

(B) SECTION 24, amending Article 2.132(b), Code of Criminal Procedure (page 8, lines 19-53);

(C) SECTION 25, amending Article 2.134(b), Code of Criminal Procedure (page 8, lines 54-64);

(D) SECTION 28, providing transition language for the amendments to Articles 2.132(b) and 2.134(b), Code of Criminal Procedure (page 9, lines 40-47).

(2) Add the following appropriately numbered SECTIONS to the bill and renumber subsequent SECTIONS of the bill accordingly:

SECTION _____. Article 2.132, Code of Criminal Procedure, is amended by amending Subsections (a), (b), (d), and (e) and adding Subsection (g) to read as follows:

(a) In this article:

(1) "Law enforcement agency" means an agency of the state, or of a county, municipality, or other political subdivision of the state, that employs peace officers who make motor vehicle [~~traffic~~] stops in the routine performance of the officers' official duties.

(2) "Motor vehicle stop" means an occasion in which a peace officer stops a motor vehicle for an alleged violation of a law or ordinance.

(3) "Race or ethnicity" means of a particular descent, including Caucasian, African, Hispanic, Asian, [~~or~~] Native American, or Middle Eastern descent.

(b) Each law enforcement agency in this state shall adopt a detailed written policy on racial profiling. The policy must:

(1) clearly define acts constituting racial profiling;

(2) strictly prohibit peace officers employed by the agency from engaging in racial profiling;

(3) implement a process by which an individual may file a complaint with the agency if the individual believes that a peace officer employed by the agency has engaged in racial profiling with respect to the individual;

(4) provide public education relating to the agency's complaint process;

(5) require appropriate corrective action to be taken against a peace officer employed by the agency who, after an investigation, is shown to have engaged in racial profiling in violation of the agency's policy adopted under this article;

(6) require collection of information relating to motor vehicle [~~traffic~~] stops in which a citation is issued and to arrests made as a result of [~~resulting from~~] those [~~traffic~~] stops,

including information relating to:

(A) the race or ethnicity of the individual detained; and

(B) whether a search was conducted and, if so, whether the individual [~~person~~] detained consented to the search; and

(C) whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual; and

(7) require the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit [~~to the governing body of each county or municipality served by the agency~~] an annual report of the information collected under Subdivision (6) to:

(A) the Commission on Law Enforcement Officer Standards and Education; and

(B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

(d) On adoption of a policy under Subsection (b), a law enforcement agency shall examine the feasibility of installing video camera and transmitter-activated equipment in each agency law enforcement motor vehicle regularly used to make motor vehicle [~~traffic~~] stops and transmitter-activated equipment in each agency law enforcement motorcycle regularly used to make motor vehicle [~~traffic~~] stops. If a law enforcement agency installs video or audio equipment as provided by this subsection, the policy adopted by the agency under Subsection (b) must include standards for reviewing video and audio documentation.

(e) A report required under Subsection (b)(7) may not include identifying information about a peace officer who makes a motor vehicle [~~traffic~~] stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the collection of information as required by a policy under Subsection (b)(6).

(g) On a finding by the Commission on Law Enforcement Officer Standards and Education that the chief administrator of a law enforcement agency intentionally failed to submit a report required under Subsection (b)(7), the commission shall begin disciplinary procedures against the chief administrator.

SECTION ____. Article 2.133, Code of Criminal Procedure, is amended to read as follows:

Art. 2.133. REPORTS REQUIRED FOR MOTOR VEHICLE [~~TRAFFIC AND PEDESTRIAN~~] STOPS. (a) In this article, "race[~~:~~

[~~(1) "Race~~] or ethnicity" has the meaning assigned by Article 2.132(a).

[~~(2) "Pedestrian stop" means an interaction between a peace officer and an individual who is being detained for the purpose of a criminal investigation in which the individual is not under arrest.~~]

(b) A peace officer who stops a motor vehicle for an alleged violation of a law or ordinance [~~regulating traffic or who stops a pedestrian for any suspected offense~~] shall report to the law enforcement agency that employs the officer information relating to the stop, including:

(1) a physical description of any [~~each~~] person operating the motor vehicle who is detained as a result of the stop,

including:

(A) the person's gender; and

(B) the person's race or ethnicity, as stated by the person or, if the person does not state the person's race or ethnicity, as determined by the officer to the best of the officer's ability;

(2) the initial reason for the stop [~~traffic law or ordinance alleged to have been violated or the suspected offense~~];

(3) whether the officer conducted a search as a result of the stop and, if so, whether the person detained consented to the search;

(4) whether any contraband or other evidence was discovered in the course of the search and a description [~~the type~~] of the contraband or evidence [~~discovered~~];

(5) the reason for the search, including whether:

(A) any contraband or other evidence was in plain view;

(B) any probable cause or reasonable suspicion existed to perform the search; or

(C) the search was performed as a result of the towing of the motor vehicle or the arrest of any person in the motor vehicle [~~existed and the facts supporting the existence of that probable cause~~];

(6) whether the officer made an arrest as a result of the stop or the search, including a statement of whether the arrest was based on a violation of the Penal Code, a violation of a traffic law or ordinance, or an outstanding warrant and a statement of the offense charged;

(7) the street address or approximate location of the stop; and

(8) whether the officer issued a written warning or a citation as a result of the stop[~~, including a description of the warning or a statement of the violation charged~~].

SECTION ____. Article 2.134, Code of Criminal Procedure, is amended by amending Subsections (a) through (e) and adding Subsection (g) to read as follows:

(a) In this article:

(1) "Motor vehicle[~~, "pedestrian~~] stop" has the meaning assigned by Article 2.132(a) [~~means an interaction between a peace officer and an individual who is being detained for the purpose of a criminal investigation in which the individual is not under arrest~~].

(2) "Race or ethnicity" has the meaning assigned by Article 2.132(a).

(b) A law enforcement agency shall compile and analyze the information contained in each report received by the agency under Article 2.133. Not later than March 1 of each year, each [~~local~~] law enforcement agency shall submit a report containing the incident-based data [~~information~~] compiled during the previous calendar year to the Commission on Law Enforcement Officer Standards and Education and, if the law enforcement agency is a local law enforcement agency, to the governing body of each county or municipality served by the agency [~~in a manner approved by the agency~~].

(c) A report required under Subsection (b) must be submitted by the chief administrator of the law enforcement agency, regardless of whether the administrator is elected, employed, or

appointed, and must include:

(1) a comparative analysis of the information compiled under Article 2.133 to:

(A) evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities [~~determine the prevalence of racial profiling by peace officers employed by the agency~~]; and

(B) examine the disposition of motor vehicle [~~traffic and pedestrian~~] stops made by officers employed by the agency, categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from [~~the~~] stops within the applicable jurisdiction; and

(2) information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.

(d) A report required under Subsection (b) may not include identifying information about a peace officer who makes a motor vehicle [~~traffic or pedestrian~~] stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the reporting of information required under Article 2.133(b)(1).

(e) The Commission on Law Enforcement Officer Standards and Education, in accordance with Section 1701.162, Occupations Code, shall develop guidelines for compiling and reporting information as required by this article.

(g) On a finding by the Commission on Law Enforcement Officer Standards and Education that the chief administrator of a law enforcement agency intentionally failed to submit a report required under Subsection (b), the commission shall begin disciplinary procedures against the chief administrator.

SECTION ____. Article 2.135, Code of Criminal Procedure, is amended to read as follows:

Art. 2.135. PARTIAL EXEMPTION FOR AGENCIES USING VIDEO AND AUDIO EQUIPMENT. (a) A peace officer is exempt from the reporting requirement under Article 2.133 and the chief administrator of a law enforcement agency, regardless of whether the administrator is elected, employed, or appointed, is exempt from the compilation, analysis, and reporting requirements under Article 2.134 if:

(1) during the calendar year preceding the date that a report under Article 2.134 is required to be submitted:

(A) each law enforcement motor vehicle regularly used by an officer employed by the agency to make motor vehicle [~~traffic and pedestrian~~] stops is equipped with video camera and transmitter-activated equipment and each law enforcement motorcycle regularly used to make motor vehicle [~~traffic and pedestrian~~] stops is equipped with transmitter-activated equipment; and

(B) each motor vehicle [~~traffic and pedestrian~~] stop made by an officer employed by the agency that is capable of being recorded by video and audio or audio equipment, as appropriate, is recorded by using the equipment; or

(2) the governing body of the county or municipality served by the law enforcement agency, in conjunction with the law enforcement agency, certifies to the Department of Public Safety, not later than the date specified by rule by the department, that

the law enforcement agency needs funds or video and audio equipment for the purpose of installing video and audio equipment as described by Subsection (a)(1)(A) and the agency does not receive from the state funds or video and audio equipment sufficient, as determined by the department, for the agency to accomplish that purpose.

(b) Except as otherwise provided by this subsection, a law enforcement agency that is exempt from the requirements under Article 2.134 shall retain the video and audio or audio documentation of each motor vehicle [~~traffic and pedestrian~~] stop for at least 90 days after the date of the stop. If a complaint is filed with the law enforcement agency alleging that a peace officer employed by the agency has engaged in racial profiling with respect to a motor vehicle [~~traffic or pedestrian~~] stop, the agency shall retain the video and audio or audio record of the stop until final disposition of the complaint.

(c) This article does not affect the collection or reporting requirements under Article 2.132.

(d) In this article, "motor vehicle stop" has the meaning assigned by Article 2.132(a).

SECTION _____. Chapter 2, Code of Criminal Procedure, is amended by adding Article 2.1385 to read as follows:

Art. 2.1385. CIVIL PENALTY. (a) If the chief administrator of a local law enforcement agency intentionally fails to submit the incident-based data as required by Article 2.134, the agency is liable to the state for a civil penalty in the amount of $1,000 for each violation. The attorney general may sue to collect a civil penalty under this subsection.

(b) From money appropriated to the agency for the administration of the agency, the executive director of a state law enforcement agency that intentionally fails to submit the incident-based data as required by Article 2.134 shall remit to the comptroller the amount of $1,000 for each violation.

(c) Money collected under this article shall be deposited in the state treasury to the credit of the general revenue fund.

SECTION _____. Subchapter A, Chapter 102, Code of Criminal Procedure, is amended by adding Article 102.022 to read as follows:

Art. 102.022. COSTS ON CONVICTION TO FUND STATEWIDE REPOSITORY FOR DATA RELATED TO CIVIL JUSTICE. (a) In this article, "moving violation" means an offense that:

(1) involves the operation of a motor vehicle; and

(2) is classified as a moving violation by the Department of Public Safety under Section 708.052, Transportation Code.

(b) A defendant convicted of a moving violation in a justice court, county court, county court at law, or municipal court shall pay a fee of 10 cents as a cost of court.

(c) In this article, a person is considered convicted if:

(1) a sentence is imposed on the person;

(2) the person receives community supervision, including deferred adjudication; or

(3) the court defers final disposition of the person's case.

(d) The clerks of the respective courts shall collect the costs described by this article. The clerk shall keep separate records of the funds collected as costs under this article and shall deposit the funds in the county or municipal treasury, as

appropriate.

(e) The custodian of a county or municipal treasury shall:

(1) keep records of the amount of funds on deposit collected under this article; and

(2) send to the comptroller before the last day of the first month following each calendar quarter the funds collected under this article during the preceding quarter.

(f) A county or municipality may retain 10 percent of the funds collected under this article by an officer of the county or municipality as a collection fee if the custodian of the county or municipal treasury complies with Subsection (e).

(g) If no funds due as costs under this article are deposited in a county or municipal treasury in a calendar quarter, the custodian of the treasury shall file the report required for the quarter in the regular manner and must state that no funds were collected.

(h) The comptroller shall deposit the funds received under this article to the credit of the Civil Justice Data Repository fund in the general revenue fund, to be used only by the Commission on Law Enforcement Officer Standards and Education to implement duties under Section 1701.162, Occupations Code.

(i) Funds collected under this article are subject to audit by the comptroller.

SECTION ____. (a) Section 102.061, Government Code, as reenacted and amended by Chapter 921 (H.B. 3167), Acts of the 80th Legislature, Regular Session, 2007, is amended to conform to the amendments made to Section 102.061, Government Code, by Chapter 1053 (H.B. 2151), Acts of the 80th Legislature, Regular Session, 2007, and is further amended to read as follows:

Sec. 102.061. ADDITIONAL COURT COSTS ON CONVICTION IN STATUTORY COUNTY COURT: CODE OF CRIMINAL PROCEDURE. The clerk of a statutory county court shall collect fees and costs under the Code of Criminal Procedure on conviction of a defendant as follows:

(1) a jury fee (Art. 102.004, Code of Criminal Procedure) . . . $20;

(2) a fee for services of the clerk of the court (Art. 102.005, Code of Criminal Procedure) . . . $40;

(3) a records management and preservation services fee (Art. 102.005, Code of Criminal Procedure) . . . $25;

(4) a security fee on a misdemeanor offense (Art. 102.017, Code of Criminal Procedure) . . . $3;

(5) a juvenile delinquency prevention and graffiti eradication fee (Art. 102.0171, Code of Criminal Procedure) . . . $50 [~~$5~~]; [~~and~~]

(6) a juvenile case manager fee (Art. 102.0174, Code of Criminal Procedure) . . . not to exceed $5; and

(7) a civil justice fee (Art. 102.022, Code of Criminal Procedure) . . . $0.10.

(b) Section 102.061, Government Code, as amended by Chapter 1053 (H.B. 2151), Acts of the 80th Legislature, Regular Session, 2007, is repealed. Section 102.061, Government Code, as reenacted and amended by Chapter 921 (H.B. 3167), Acts of the 80th Legislature, Regular Session, 2007, to reorganize and renumber that section, continues in effect as further amended by this section.

SECTION ____. (a) Section 102.081, Government Code, as amended by Chapter 921 (H.B. 3167), Acts of the 80th Legislature, Regular Session, 2007, is amended to conform to the amendments made

to Section 102.081, Government Code, by Chapter 1053 (H.B. 2151), Acts of the 80th Legislature, Regular Session, 2007, and is further amended to read as follows:

Sec. 102.081. ADDITIONAL COURT COSTS ON CONVICTION IN COUNTY COURT: CODE OF CRIMINAL PROCEDURE. The clerk of a county court shall collect fees and costs under the Code of Criminal Procedure on conviction of a defendant as follows:

(1) a jury fee (Art. 102.004, Code of Criminal Procedure) . . . $20;

(2) a fee for clerk of the court services (Art. 102.005, Code of Criminal Procedure) . . . $40;

(3) a records management and preservation services fee (Art. 102.005, Code of Criminal Procedure) . . . $25;

(4) a security fee on a misdemeanor offense (Art. 102.017, Code of Criminal Procedure) . . . $3;

(5) a juvenile delinquency prevention and graffiti eradication fee (Art. 102.0171, Code of Criminal Procedure) . . . $50 [~~$5~~]; [~~and~~]

(6) a juvenile case manager fee (Art. 102.0174, Code of Criminal Procedure) . . . not to exceed $5; and

(7) a civil justice fee (Art. 102.022, Code of Criminal Procedure) . . . $0.10.

(b) Section 102.081, Government Code, as amended by Chapter 1053 (H.B. 2151), Acts of the 80th Legislature, Regular Session, 2007, is repealed. Section 102.081, Government Code, as amended by Chapter 921 (H.B. 3167), Acts of the 80th Legislature, Regular Session, 2007, to reorganize and renumber that section, continues in effect as further amended by this section.

SECTION ____. Section 102.101, Government Code, is amended to read as follows:

Sec. 102.101. ADDITIONAL COURT COSTS ON CONVICTION IN JUSTICE COURT: CODE OF CRIMINAL PROCEDURE. A clerk of a justice court shall collect fees and costs under the Code of Criminal Procedure on conviction of a defendant as follows:

(1) a jury fee (Art. 102.004, Code of Criminal Procedure) . . . $3;

(2) a fee for withdrawing request for jury less than 24 hours before time of trial (Art. 102.004, Code of Criminal Procedure) . . . $3;

(3) a jury fee for two or more defendants tried jointly (Art. 102.004, Code of Criminal Procedure) . . . one jury fee of $3;

(4) a security fee on a misdemeanor offense (Art. 102.017, Code of Criminal Procedure) . . . $4;

(5) a fee for technology fund on a misdemeanor offense (Art. 102.0173, Code of Criminal Procedure) . . . $4;

(6) a juvenile case manager fee (Art. 102.0174, Code of Criminal Procedure) . . . not to exceed $5;

(7) a fee on conviction of certain offenses involving issuing or passing a subsequently dishonored check (Art. 102.0071, Code of Criminal Procedure) . . . not to exceed $30; [~~and~~]

(8) a court cost on conviction of a Class C misdemeanor in a county with a population of 3.3 million or more, if authorized by the county commissioners court (Art. 102.009, Code of Criminal Procedure) . . . not to exceed $7; and

(9) a civil justice fee (Art. 102.022, Code of Criminal Procedure) . . . $0.10.

SECTION ____. Section 102.121, Government Code, is amended to read as follows:

Sec. 102.121. ADDITIONAL COURT COSTS ON CONVICTION IN MUNICIPAL COURT: CODE OF CRIMINAL PROCEDURE. The clerk of a municipal court shall collect fees and costs on conviction of a defendant as follows:

(1) a jury fee (Art. 102.004, Code of Criminal Procedure) . . . $3;

(2) a fee for withdrawing request for jury less than 24 hours before time of trial (Art. 102.004, Code of Criminal Procedure) . . . $3;

(3) a jury fee for two or more defendants tried jointly (Art. 102.004, Code of Criminal Procedure) . . . one jury fee of $3;

(4) a security fee on a misdemeanor offense (Art. 102.017, Code of Criminal Procedure) . . . $3;

(5) a fee for technology fund on a misdemeanor offense (Art. 102.0172, Code of Criminal Procedure) . . . not to exceed $4; [~~and~~]

(6) a juvenile case manager fee (Art. 102.0174, Code of Criminal Procedure) . . . not to exceed $5; and

(7) a civil justice fee (Art. 102.022, Code of Criminal Procedure) . . . $0.10.

SECTION ____. Subchapter D, Chapter 1701, Occupations Code, is amended by adding Section 1701.164 to read as follows:

Sec. 1701.164. COLLECTION OF CERTAIN INCIDENT-BASED DATA SUBMITTED BY LAW ENFORCEMENT AGENCIES. The commission shall collect and maintain incident-based data submitted to the commission under Article 2.134, Code of Criminal Procedure, including incident-based data compiled by a law enforcement agency from reports received by the law enforcement agency under Article 2.133 of that code. The commission in consultation with the Department of Public Safety, the Bill Blackwood Law Enforcement Management Institute of Texas, the W. W. Caruth, Jr., Police Institute at Dallas, and the Texas Police Chiefs Association shall develop guidelines for submitting in a standard format the report containing incident-based data as required by Article 2.134, Code of Criminal Procedure.

SECTION ____. Subsection (a), Section 1701.501, Occupations Code, is amended to read as follows:

(a) Except as provided by Subsection (d), the commission shall revoke or suspend a license, place on probation a person whose license has been suspended, or reprimand a license holder for a violation of:

(1) this chapter;

(2) the reporting requirements provided by Articles 2.132 and 2.134, Code of Criminal Procedure; or

(3) a commission rule.

SECTION ____. (a) The requirements of Articles 2.132, 2.133, and 2.134, Code of Criminal Procedure, as amended by this Act, relating to the compilation, analysis, and submission of incident-based data apply only to information based on a motor vehicle stop occurring on or after January 1, 2010.

(b) The imposition of a cost of court under Article 102.022, Code of Criminal Procedure, as added by this Act, applies only to an offense committed on or after the effective date of this Act. An offense committed before the effective date of this Act is covered by the law in effect when the offense was committed, and the former

law is continued in effect for that purpose. For purposes of this section, an offense was committed before the effective date of this Act if any element of the offense occurred before that date.

Racial and Ethnic Designations (H.B. 3051)

H.B. No. 3051

AN ACT

relating to the categories used to record the race or ethnicity of persons stopped for or convicted of traffic offenses.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Article 2.132(a)(3), Code of Criminal Procedure, is amended to read as follows:

(3) "Race or ethnicity" means the following categories:

(A) Alaska native or American Indian;

(B) [~~of a particular descent, including Caucasian, African, Hispanic,~~] Asian or Pacific Islander;

(C) black;

(D) white; and

(E) Hispanic or Latino [~~, Native American, or Middle Eastern descent~~].

SECTION 2. Section 543.202(a), Transportation Code, is amended to read as follows:

(a) In this section, "race or ethnicity" means the following categories:

(1) Alaska native or American Indian;

(2) [~~of a particular descent, including Caucasian, African, Hispanic,~~] Asian or Pacific Islander;

(3) black;

(4) white; and

(5) Hispanic or Latino [~~, or Native American descent~~].

SECTION 3. This Act takes effect September 1, 2017.

The Sandra Bland Act
(S.B. 1849)

171

S.B. No. 1849

AN ACT

relating to interactions between law enforcement and individuals detained or arrested on suspicion of the commission of criminal offenses, to the confinement, conviction, or release of those individuals, and to grants supporting populations that are more likely to interact frequently with law enforcement.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

ARTICLE 1. SHORT TITLE

SECTION 1.01. SHORT TITLE. This Act shall be known as the Sandra Bland Act, in memory of Sandra Bland.

ARTICLE 2. IDENTIFICATION AND DIVERSION OF AND SERVICES FOR PERSONS SUSPECTED OF HAVING A MENTAL ILLNESS, AN INTELLECTUAL DISABILITY, OR A SUBSTANCE ABUSE ISSUE

SECTION 2.01. Article 16.22, Code of Criminal Procedure, is amended to read as follows:

Art. 16.22. EARLY IDENTIFICATION OF DEFENDANT SUSPECTED OF HAVING MENTAL ILLNESS OR INTELLECTUAL DISABILITY [MENTAL RETARDATION]. (a)(1) Not later than 12 [72] hours after receiving credible information that may establish reasonable cause to believe that a defendant committed to the sheriff's custody has a mental

illness or is a person with an intellectual disability [mental retardation], including observation of the defendant's behavior immediately before, during, and after the defendant's arrest and the results of any previous assessment of the defendant, the sheriff shall provide written or electronic notice of the information to the magistrate. On a determination that there is reasonable cause to believe that the defendant has a mental illness or is a person with an intellectual disability [mental retardation], the magistrate, except as provided by Subdivision (2), shall order the local mental health or intellectual and developmental disability [mental retardation] authority or another qualified mental health or intellectual disability [mental retardation] expert to:

(A) collect information regarding whether the defendant has a mental illness as defined by Section 571.003, Health and Safety Code, or is a person with an intellectual disability [mental retardation] as defined by Section 591.003, Health and Safety Code, including information obtained from any previous assessment of the defendant; and

(B) provide to the magistrate a written assessment of the information collected under Paragraph (A).

(2) The magistrate is not required to order the collection of information under Subdivision (1) if the defendant in the year preceding the defendant's applicable date of arrest has been determined to have a mental illness or to be a person with an intellectual disability [mental retardation] by the local mental health or intellectual and developmental disability [mental retardation] authority or another mental health or intellectual disability [mental retardation] expert described by Subdivision (1). A court that elects to use the results of that previous determination may proceed under Subsection (c).

(3) If the defendant fails or refuses to submit to the

173

collection of information regarding the defendant as required under Subdivision (1), the magistrate may order the defendant to submit to an examination in a mental health facility determined to be appropriate by the local mental health or intellectual and developmental disability [mental retardation] authority for a reasonable period not to exceed 21 days. The magistrate may order a defendant to a facility operated by the Department of State Health Services or the Health and Human Services Commission [Department of Aging and Disability Services] for examination only on request of the local mental health or intellectual and developmental disability [mental retardation] authority and with the consent of the head of the facility. If a defendant who has been ordered to a facility operated by the Department of State Health Services or the Health and Human Services Commission [Department of Aging and Disability Services] for examination remains in the facility for a period exceeding 21 days, the head of that facility shall cause the defendant to be immediately transported to the committing court and placed in the custody of the sheriff of the county in which the committing court is located. That county shall reimburse the facility for the mileage and per diem expenses of the personnel required to transport the defendant calculated in accordance with the state travel regulations in effect at the time.

(b) A written assessment of the information collected under Subsection (a)(1)(A) shall be provided to the magistrate not later than the 30th day after the date of any order issued under Subsection (a) in a felony case and not later than the 10th day after the date of any order issued under that subsection in a misdemeanor case, and the magistrate shall provide copies of the written assessment to the defense counsel, the prosecuting attorney, and the trial court. The written assessment must include a description of the procedures used in the collection of information under Subsection (a)(1)(A) and the applicable expert's

observations and findings pertaining to:

(1) whether the defendant is a person who has a mental illness or is a person with an intellectual disability [mental retardation];

(2) whether there is clinical evidence to support a belief that the defendant may be incompetent to stand trial and should undergo a complete competency examination under Subchapter B, Chapter 46B; and

(3) recommended treatment.

(c) After the trial court receives the applicable expert's written assessment relating to the defendant under Subsection (b) or elects to use the results of a previous determination as described by Subsection (a)(2), the trial court may, as applicable:

(1) resume criminal proceedings against the defendant, including any appropriate proceedings related to the defendant's release on personal bond under Article 17.032;

(2) resume or initiate competency proceedings, if required, as provided by Chapter 46B or other proceedings affecting the defendant's receipt of appropriate court-ordered mental health or intellectual disability [mental retardation] services, including proceedings related to the defendant's receipt of outpatient mental health services under Section 574.034, Health and Safety Code; or

(3) consider the written assessment during the punishment phase after a conviction of the offense for which the defendant was arrested, as part of a presentence investigation report, or in connection with the impositions of conditions following placement on community supervision, including deferred adjudication community supervision.

(d) This article does not prevent the applicable court from, before, during, or after the collection of information regarding the defendant as described by this article:

175

(1) releasing a defendant who has a mental illness [mentally ill] or is a person with an intellectual disability [mentally retarded defendant] from custody on personal or surety bond; or

(2) ordering an examination regarding the defendant's competency to stand trial.

SECTION 2.02. Chapter 16, Code of Criminal Procedure, is amended by adding Article 16.23 to read as follows:

Art. 16.23. DIVERSION OF PERSONS SUFFERING MENTAL HEALTH CRISIS OR SUBSTANCE ABUSE ISSUE. (a) Each law enforcement agency shall make a good faith effort to divert a person suffering a mental health crisis or suffering from the effects of substance abuse to a proper treatment center in the agency's jurisdiction if:

(1) there is an available and appropriate treatment center in the agency's jurisdiction to which the agency may divert the person;

(2) it is reasonable to divert the person;

(3) the offense that the person is accused of is a misdemeanor, other than a misdemeanor involving violence; and

(4) the mental health crisis or substance abuse issue is suspected to be the reason the person committed the alleged offense.

(b) Subsection (a) does not apply to a person who is accused of an offense under Section 49.04, 49.045, 49.05, 49.06, 49.065, 49.07, or 49.08, Penal Code.

SECTION 2.03. Section 539.002, Government Code, is amended to read as follows:

Sec. 539.002. GRANTS FOR ESTABLISHMENT AND EXPANSION OF COMMUNITY COLLABORATIVES. (a) To the extent funds are appropriated to the department for that purpose, the department shall make grants to entities, including local governmental

entities, nonprofit community organizations, and faith-based community organizations, to establish or expand community collaboratives that bring the public and private sectors together to provide services to persons experiencing homelessness, substance abuse issues, or [and] mental illness. [The department may make a maximum of five grants, which must be made in the most populous municipalities in this state that are located in counties with a population of more than one million.] In awarding grants, the department shall give special consideration to entities:

(1) establishing [a] new collaboratives; or

(2) establishing or expanding collaboratives that serve two or more counties, each with a population of less than 100,000 [collaborative].

(b) The department shall require each entity awarded a grant under this section to:

(1) leverage additional funding from private sources in an amount that is at least equal to the amount of the grant awarded under this section; [and]

(2) provide evidence of significant coordination and collaboration between the entity, local mental health authorities, municipalities, local law enforcement agencies, and other community stakeholders in establishing or expanding a community collaborative funded by a grant awarded under this section; and

(3) provide evidence of a local law enforcement policy to divert appropriate persons from jails or other detention facilities to an entity affiliated with a community collaborative for the purpose of providing services to those persons.

SECTION 2.04. Chapter 539, Government Code, is amended by adding Section 539.0051 to read as follows:

Sec. 539.0051. PLAN REQUIRED FOR CERTAIN COMMUNITY COLLABORATIVES. (a) The governing body of a county shall develop and make public a plan detailing:

177

(1) how local mental health authorities, municipalities, local law enforcement agencies, and other community stakeholders in the county could coordinate to establish or expand a community collaborative to accomplish the goals of Section 539.002;

(2) how entities in the county may leverage funding from private sources to accomplish the goals of Section 539.002 through the formation or expansion of a community collaborative; and

(3) how the formation or expansion of a community collaborative could establish or support resources or services to help local law enforcement agencies to divert persons who have been arrested to appropriate mental health care or substance abuse treatment.

(b) The governing body of a county in which an entity that received a grant under Section 539.002 before September 1, 2017, is located is not required to develop a plan under Subsection (a).

(c) Two or more counties, each with a population of less than 100,000, may form a joint plan under Subsection (a).

ARTICLE 3. BAIL, PRETRIAL RELEASE, AND COUNTY JAIL STANDARDS

SECTION 3.01. The heading to Article 17.032, Code of Criminal Procedure, is amended to read as follows:

Art. 17.032. RELEASE ON PERSONAL BOND OF CERTAIN [MENTALLY ILL] DEFENDANTS WITH MENTAL ILLNESS OR INTELLECTUAL DISABILITY.

SECTION 3.02. Articles 17.032(b) and (c), Code of Criminal Procedure, are amended to read as follows:

(b) A magistrate shall release a defendant on personal bond unless good cause is shown otherwise if the:

(1) defendant is not charged with and has not been previously convicted of a violent offense;

(2) defendant is examined by the local mental health or intellectual and developmental disability [mental retardation]

authority or another mental health expert under Article 16.22 [of this code];

(3) applicable expert, in a written assessment submitted to the magistrate under Article 16.22:

(A) concludes that the defendant has a mental illness or is a person with an intellectual disability [mental retardation] and is nonetheless competent to stand trial; and

(B) recommends mental health treatment or intellectual disability treatment for the defendant, as applicable; and

(4) magistrate determines, in consultation with the local mental health or intellectual and developmental disability [mental retardation] authority, that appropriate community-based mental health or intellectual disability [mental retardation] services for the defendant are available through the [Texas] Department of State [Mental] Health Services [and Mental Retardation] under Section 534.053, Health and Safety Code, or through another mental health or intellectual disability [mental retardation] services provider.

(c) The magistrate, unless good cause is shown for not requiring treatment, shall require as a condition of release on personal bond under this article that the defendant submit to outpatient or inpatient mental health or intellectual disability [mental retardation] treatment as recommended by the local mental health or intellectual and developmental disability [mental retardation] authority if the defendant's:

(1) mental illness or intellectual disability [mental retardation] is chronic in nature; or

(2) ability to function independently will continue to deteriorate if the defendant is not treated.

SECTION 3.03. Article 25.03, Code of Criminal Procedure, is amended to read as follows:

179

Art. 25.03. IF ON BAIL IN FELONY. When the accused, in case of felony, is on bail at the time the indictment is presented, [it is not necessary to serve him with a copy, but] the clerk shall [on request] deliver a copy of the indictment [same] to the accused or the accused's [his] counsel[,] at the earliest possible time.

SECTION 3.04. Article 25.04, Code of Criminal Procedure, is amended to read as follows:

Art. 25.04. IN MISDEMEANOR. In misdemeanors, the clerk shall deliver a copy of the indictment or information to the accused or the accused's counsel at the earliest possible time before trial [it shall not be necessary before trial to furnish the accused with a copy of the indictment or information; but he or his counsel may demand a copy, which shall be given as early as possible

SECTION 3.05. Section 511.009(a), Government Code, as amended by Chapters 281 (H.B. 875), 648 (H.B. 549), and 688 (H.B. 634), Acts of the 84th Legislature, Regular Session, 2015, is reenacted and amended to read as follows:

(a) The commission shall:

(1) adopt reasonable rules and procedures establishing minimum standards for the construction, equipment, maintenance, and operation of county jails;

(2) adopt reasonable rules and procedures establishing minimum standards for the custody, care, and treatment of prisoners;

(3) adopt reasonable rules establishing minimum standards for the number of jail supervisory personnel and for programs and services to meet the needs of prisoners;

(4) adopt reasonable rules and procedures establishing minimum requirements for programs of rehabilitation, education, and recreation in county jails;

(5) revise, amend, or change rules and procedures if necessary;

180

(6) provide to local government officials consultation on and technical assistance for county jails;

(7) review and comment on plans for the construction and major modification or renovation of county jails;

(8) require that the sheriff and commissioners of each county submit to the commission, on a form prescribed by the commission, an annual report on the conditions in each county jail within their jurisdiction, including all information necessary to determine compliance with state law, commission orders, and the rules adopted under this chapter;

(9) review the reports submitted under Subdivision (8) and require commission employees to inspect county jails regularly to ensure compliance with state law, commission orders, and rules and procedures adopted under this chapter;

(10) adopt a classification system to assist sheriffs and judges in determining which defendants are low-risk and consequently suitable participants in a county jail work release program under Article 42.034, Code of Criminal Procedure;

(11) adopt rules relating to requirements for segregation of classes of inmates and to capacities for county jails;

(12) require that the chief jailer of each municipal lockup submit to the commission, on a form prescribed by the commission, an annual report of persons under 17 years of age securely detained in the lockup, including all information necessary to determine compliance with state law concerning secure confinement of children in municipal lockups;

(13) at least annually determine whether each county jail is in compliance with the rules and procedures adopted under this chapter;

(14) require that the sheriff and commissioners court of each county submit to the commission, on a form prescribed by the

181

commission, an annual report of persons under 17 years of age securely detained in the county jail, including all information necessary to determine compliance with state law concerning secure confinement of children in county jails;

(15) schedule announced and unannounced inspections of jails under the commission's jurisdiction using the risk assessment plan established under Section 511.0085 to guide the inspections process;

(16) adopt a policy for gathering and distributing to jails under the commission's jurisdiction information regarding:

(A) common issues concerning jail administration;

(B) examples of successful strategies for maintaining compliance with state law and the rules, standards, and procedures of the commission; and

(C) solutions to operational challenges for jails;

(17) report to the Texas Correctional Office on Offenders with Medical or Mental Impairments on a jail's compliance with Article 16.22, Code of Criminal Procedure;

(18) adopt reasonable rules and procedures establishing minimum requirements for jails to:

(A) determine if a prisoner is pregnant; and

(B) ensure that the jail's health services plan addresses medical and mental health care, including nutritional requirements, and any special housing or work assignment needs for persons who are confined in the jail and are known or determined to be pregnant;

(19) provide guidelines to sheriffs regarding contracts between a sheriff and another entity for the provision of food services to or the operation of a commissary in a jail under

the commission's jurisdiction, including specific provisions regarding conflicts of interest and avoiding the appearance of impropriety; [and]

(20) adopt reasonable rules and procedures establishing minimum standards for prisoner visitation that provide each prisoner at a county jail with a minimum of two in-person, noncontact visitation periods per week of at least 20 minutes duration each;

(21) [(20)] require the sheriff of each county to:

(A) investigate and verify the veteran status of each prisoner by using data made available from the Veterans Reentry Search Service (VRSS) operated by the United States Department of Veterans Affairs or a similar service; and

(B) use the data described by Paragraph (A) to assist prisoners who are veterans in applying for federal benefits or compensation for which the prisoners may be eligible under a program administered by the United States Department of Veterans Affairs;

(22) [(20)] adopt reasonable rules and procedures regarding visitation of a prisoner at a county jail by a guardian, as defined by Section 1002.012, Estates Code, that:

(A) allow visitation by a guardian to the same extent as the prisoner's next of kin, including placing the guardian on the prisoner's approved visitors list on the guardian's request and providing the guardian access to the prisoner during a facility's standard visitation hours if the prisoner is otherwise eligible to receive visitors; and

(B) require the guardian to provide the sheriff with letters of guardianship issued as provided by Section 1106.001, Estates Code, before being allowed to visit the prisoner; and

(23) adopt reasonable rules and procedures to ensure

the safety of prisoners, including rules and procedures that require a county jail to:

(A) give prisoners the ability to access a mental health professional at the jail through a telemental health service 24 hours a day;

(B) give prisoners the ability to access a health professional at the jail or through a telehealth service 24 hours a day or, if a health professional is unavailable at the jail or through a telehealth service, provide for a prisoner to be transported to access a health professional; and

(C) if funding is available under Section 511.019, install automated electronic sensors or cameras to ensure accurate and timely in-person checks of cells or groups of cells confining at-risk individuals.

SECTION 3.06. Section 511.009, Government Code, is amended by adding Subsection (d) to read as follows:

(d) The commission shall adopt reasonable rules and procedures establishing minimum standards regarding the continuity of prescription medications for the care and treatment of prisoners. The rules and procedures shall require that a qualified medical professional shall review as soon as possible any prescription medication a prisoner is taking when the prisoner is taken into custody.

SECTION 3.07. Chapter 511, Government Code, is amended by adding Sections 511.019, 511.020, and 511.021 to read as follows:

Sec. 511.019. PRISONER SAFETY FUND. (a) The prisoner safety fund is a dedicated account in the general revenue fund.

(b) The prisoner safety fund consists of:

(1) appropriations of money to the fund by the legislature; and

(2) gifts, grants, including grants from the federal government, and other donations received for the fund.

(c) Money in the fund may be appropriated only to the commission to pay for capital improvements that are required under Section 511.009(a)(23).

(d) The commission by rule may establish a grant program to provide grants to counties to fund capital improvements described by Subsection (c). The commission may only provide a grant to a county for capital improvements to a county jail with a capacity of not more than 96 prisoners.

Sec. 511.020. SERIOUS INCIDENTS REPORT. (a) On or before the fifth day of each month, the sheriff of each county shall report to the commission regarding the occurrence during the preceding month of any of the following incidents involving a prisoner in the county jail:

(1) a suicide;

(2) an attempted suicide;

(3) a death;

(4) a serious bodily injury, as that term is defined by Section 1.07, Penal Code;

(5) an assault;

(6) an escape;

(7) a sexual assault; and

(8) any use of force resulting in bodily injury, as that term is defined by Section 1.07, Penal Code.

(b) The commission shall prescribe a form for the report required by Subsection (a).

(c) The information required to be reported under Subsection (a)(8) may not include the name or other identifying information of a county jailer or jail employee.

(d) The information reported under Subsection (a) is public information subject to an open records request under Chapter 552.

Sec. 511.021. INDEPENDENT INVESTIGATION OF DEATH OCCURRING IN COUNTY JAIL. (a) On the death of a prisoner in a county jail,

the commission shall appoint a law enforcement agency, other than the local law enforcement agency that operates the county jail, to investigate the death as soon as possible.

(b) The commission shall adopt any rules necessary relating to the appointment of a law enforcement agency under Subsection (a), including rules relating to cooperation between law enforcement agencies and to procedures for handling evidence.

SECTION 3.08. The changes in law made by this article to Article 17.032, Code of Criminal Procedure, apply only to a personal bond that is executed on or after the effective date of this Act. A personal bond executed before the effective date of executed, and the former law is continued in effect for that purpose.

SECTION 3.09. Not later than January 1, 2018, the Commission on Jail Standards shall:

(1) adopt the rules and procedures required by Section 511.009(d), Government Code, as added by this article, and the rules required by Section 511.021(b), Government Code, as added by this article; and

(2) prescribe the form required by Section 511.020(b), Government Code, as added by this article.

SECTION 3.10. Not later than September 1, 2018, the Commission on Jail Standards shall adopt the rules and procedures required by Section 511.009(a)(23), Government Code, as added by this article. On and after September 1, 2020, a county jail shall comply with any rule or procedure adopted by the Commission on Jail Standards under that subdivision.

SECTION 3.11. To the extent of any conflict, this Act prevails over another Act of the 85th Legislature, Regular Session, 2017, relating to nonsubstantive additions to and corrections in enacted codes.

ARTICLE 4. PEACE OFFICER AND COUNTY JAILER TRAINING

SECTION 4.01. Chapter 511, Government Code, is amended by adding Section 511.00905 to read as follows:

Sec. 511.00905. JAIL ADMINISTRATOR POSITION; EXAMINATION REQUIRED. (a) The Texas Commission on Law Enforcement shall develop and the commission shall approve an examination for a person assigned to the jail administrator position overseeing a county jail.

(b) The commission shall adopt rules requiring a person, other than a sheriff, assigned to the jail administrator position overseeing a county jail to pass the examination not later than the 180th day after the date the person is assigned to that position. The rules must provide that a person who fails the examination may be immediately removed from the position and may not be reinstated until the person passes the examination.

(c) The sheriff of a county shall perform the duties of the jail administrator position at any time there is not a person available who satisfies the examination requirements of this section.

(d) A person other than a sheriff may not serve in the jail administrator position of a county jail unless the person satisfies the examination requirement of this section.

SECTION 4.02. Section 1701.253, Occupations Code, is amended by amending Subsection (j) and adding Subsection (n) to read as follows:

commission shall require an officer to complete a 40-hour statewide education and training program on de-escalation and crisis intervention techniques to facilitate interaction with persons with mental impairments. An officer shall complete the program not later than the second anniversary of the date the officer is licensed under this chapter or the date the officer applies for an intermediate proficiency certificate, whichever date is earlier. An officer may not satisfy the requirements of this subsection

[section] or Section 1701.402(g) by taking an online course on de-escalation and crisis intervention techniques to facilitate interaction with persons with mental impairments.

(n) As part of the minimum curriculum requirements, the commission shall require an officer to complete a statewide education and training program on de-escalation techniques to facilitate interaction with members of the public, including techniques for limiting the use of force resulting in bodily injury.

SECTION 4.03. Section 1701.310(a), Occupations Code, is amended to read as follows:

(a) Except as provided by Subsection (e), a person may not be appointed as a county jailer, except on a temporary basis, unless the person has satisfactorily completed a preparatory training program, as required by the commission, in the operation of a county jail at a school operated or licensed by the commission. The training program must consist of at least eight hours of mental health training approved by the commission and the Commission on Jail Standards.

SECTION 4.04. Section 1701.352(b), Occupations Code, is amended to read as follows:

(b) The commission shall require a state, county, special district, or municipal agency that appoints or employs peace officers to provide each peace officer with a training program at least once every 48 months that is approved by the commission and consists of:

(1) topics selected by the agency; and

(2) for an officer holding only a basic proficiency certificate, not more than 20 hours of education and training that contain curricula incorporating the learning objectives developed by the commission regarding:

(A) civil rights, racial sensitivity, and

cultural diversity;

(B) de-escalation and crisis intervention techniques to facilitate interaction with persons with mental impairments; [and]

(C) de-escalation techniques to facilitate interaction with members of the public, including techniques for limiting the use of force resulting in bodily injury; and

(D) unless determined by the agency head to be inconsistent with the officer's assigned duties:

(i) the recognition and documentation of cases that involve child abuse or neglect, family violence, and sexual assault; and

(ii) issues concerning sex offender characteristics.

SECTION 4.05. Section 1701.402, Occupations Code, is amended by adding Subsection (n) to read as follows:

(n) As a requirement for an intermediate proficiency certificate or an advanced proficiency certificate, an officer must complete the education and training program regarding de-escalation techniques to facilitate interaction with members of the public established by the commission under Section 1701.253(n).

SECTION 4.06. Not later than March 1, 2018, the Texas Commission on Law Enforcement shall develop and the Commission on Jail Standards shall approve the examination required by Section 511.00905, Government Code, as added by this article.

SECTION 4.07. (a) Not later than March 1, 2018, the Texas Commission on Law Enforcement shall establish or modify training programs as necessary to comply with Section 1701.253, Occupations Code, as amended by this article.

(b) The minimum curriculum requirements under Section 1701.253(j), Occupations Code, as amended by this article, apply only to a peace officer who first begins to satisfy those

requirements on or after April 1, 2018.

SECTION 4.08. (a) Section 1701.310, Occupations Code, as amended by this article, takes effect January 1, 2018.

(b) A person in the position of county jailer on September 1, 2017, must comply with Section 1701.310(a), Occupations Code, as amended by this article, not later than August 31, 2021.

ARTICLE 5. MOTOR VEHICLE STOPS, RACIAL PROFILING, AND ISSUANCE OF CITATIONS

SECTION 5.01. Article 2.132, Code of Criminal Procedure, is amended by amending Subsections (b) and (d) and adding Subsection (h) to read as follows:

(b) Each law enforcement agency in this state shall adopt a detailed written policy on racial profiling. The policy must:

(1) clearly define acts constituting racial profiling;

(2) strictly prohibit peace officers employed by the agency from engaging in racial profiling;

(3) implement a process by which an individual may file a complaint with the agency if the individual believes that a peace officer employed by the agency has engaged in racial profiling with respect to the individual;

(4) provide public education relating to the agency's compliment and complaint process, including providing the telephone number, mailing address, and e-mail address to make a compliment or complaint with respect to each ticket, citation, or warning issued by a peace officer;

(5) require appropriate corrective action to be taken against a peace officer employed by the agency who, after an investigation, is shown to have engaged in racial profiling in violation of the agency's policy adopted under this article;

(6) require collection of information relating to

motor vehicle stops in which a ticket, citation, or warning is issued and to arrests made as a result of those stops, including information relating to:

(A) the race or ethnicity of the individual detained;

(B) whether a search was conducted and, if so, whether the individual detained consented to the search; [and]

(C) whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual;

(D) whether the peace officer used physical force that resulted in bodily injury, as that term is defined by Section 1.07, Penal Code, during the stop;

(E) the location of the stop; and

(F) the reason for the stop; and

(7) require the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:

(A) the Texas Commission on Law Enforcement; and

(B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

(d) On adoption of a policy under Subsection (b), a law enforcement agency shall examine the feasibility of installing video camera and transmitter-activated equipment in each agency law enforcement motor vehicle regularly used to make motor vehicle stops and transmitter-activated equipment in each agency law enforcement motorcycle regularly used to make motor vehicle stops. The agency also shall examine the feasibility of equipping each peace officer who regularly detains or stops motor vehicles with a

191

body worn camera, as that term is defined by Section 1701.651, Occupations Code. If a law enforcement agency installs video or audio equipment or equips peace officers with body worn cameras as provided by this subsection, the policy adopted by the agency under Subsection (b) must include standards for reviewing video and audio documentation.

(h) A law enforcement agency shall review the data collected under Subsection (b)(6) to identify any improvements the agency could make in its practices and policies regarding motor vehicle stops.

SECTION 5.02. Article 2.133, Code of Criminal Procedure, is amended by amending Subsection (b) and adding Subsection (c) to read as follows:

(b) A peace officer who stops a motor vehicle for an alleged violation of a law or ordinance shall report to the law enforcement agency that employs the officer information relating to the stop, including:

(1) a physical description of any person operating the motor vehicle who is detained as a result of the stop, including:

(A) the person's gender; and

(B) the person's race or ethnicity, as stated by the person or, if the person does not state the person's race or ethnicity, as determined by the officer to the best of the officer's ability;

(2) the initial reason for the stop;

(3) whether the officer conducted a search as a result of the stop and, if so, whether the person detained consented to the search;

(4) whether any contraband or other evidence was discovered in the course of the search and a description of the contraband or evidence;

(5) the reason for the search, including whether:

(A) any contraband or other evidence was in plain view;

(B) any probable cause or reasonable suspicion existed to perform the search; or

(C) the search was performed as a result of the towing of the motor vehicle or the arrest of any person in the motor vehicle;

(6) whether the officer made an arrest as a result of the stop or the search, including a statement of whether the arrest was based on a violation of the Penal Code, a violation of a traffic law or ordinance, or an outstanding warrant and a statement of the offense charged;

(7) the street address or approximate location of the stop; [and]

(8) whether the officer issued a verbal or written warning or a ticket or citation as a result of the stop; and

(9) whether the officer used physical force that resulted in bodily injury, as that term is defined by Section 1.07, Penal Code, during the stop.

(c) The chief administrator of a law enforcement agency, regardless of whether the administrator is elected, employed, or appointed, is responsible for auditing reports under Subsection (b) to ensure that the race or ethnicity of the person operating the motor vehicle is being reported.

SECTION 5.03. Article 2.134(c), Code of Criminal Procedure, is amended to read as follows:

(c) A report required under Subsection (b) must be submitted by the chief administrator of the law enforcement agency, regardless of whether the administrator is elected, employed, or appointed, and must include:

193

(1) a comparative analysis of the information compiled under Article 2.133 to:

(A) evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities; [and]

(B) examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction; and

(C) evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches; and

(2) information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.

SECTION 5.04. Article 2.137, Code of Criminal Procedure, is amended to read as follows:

Art. 2.137. PROVISION OF FUNDING OR EQUIPMENT. (a) The Department of Public Safety shall adopt rules for providing funds or video and audio equipment to law enforcement agencies for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras [as described by Article 2.135(a)(1)(A)], including specifying criteria to prioritize funding or equipment provided to law enforcement agencies. The criteria may include consideration of tax effort, financial hardship, available revenue, and budget surpluses. The criteria must give priority to:

(1) law enforcement agencies that employ peace officers whose primary duty is traffic enforcement;

(2) smaller jurisdictions; and

(3) municipal and county law enforcement agencies.

(b) The Department of Public Safety shall collaborate with an institution of higher education to identify law enforcement agencies that need funds or video and audio equipment for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras [as described by Article 2.135(a)(1)(A)]. The collaboration may include the use of a survey to assist in developing criteria to prioritize funding or equipment provided to law enforcement agencies.

(c) To receive funds or video and audio equipment from the state for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras [as described by Article 2.135(a)(1)(A)], the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency needs funds or video and audio equipment for that purpose.

(d) On receipt of funds or video and audio equipment from the state for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras [as described by Article 2.135(a)(1)(A)], the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency has taken the necessary actions to use and is using [installed] video and audio equipment and body worn cameras for those purposes [as described by Article 2.135(a)(1)(A) and is using the equipment as required by Article 2.135(a)(1)].

SECTION 5.05. Article 2.1385(a), Code of Criminal

Procedure, is amended to read as follows:

(a) If the chief administrator of a local law enforcement agency intentionally fails to submit the incident-based data as required by Article 2.134, the agency is liable to the state for a civil penalty in an [the] amount not to exceed $5,000 [of $1,000] for each violation. The attorney general may sue to collect a civil penalty under this subsection.

SECTION 5.06. Article 2.135, Code of Criminal Procedure, is repealed.

SECTION 5.07. Articles 2.132 and 2.134, Code of Criminal Procedure, as amended by this article, apply only to a report covering a calendar year beginning on or after January 1, 2018.

SECTION 5.08. Not later than September 1, 2018, the Texas Commission on Law Enforcement shall:

(1) evaluate and change the guidelines for compiling and reporting information required under Article 2.134, Code of Criminal Procedure, as amended by this article, to enable the guidelines to better withstand academic scrutiny; and

(2) make accessible online:

(A) a downloadable format of any information submitted under Article 2.134(b), Code of Criminal Procedure, that is not exempt from public disclosure under Chapter 552, Government Code; and

(B) a glossary of terms relating to the information to make the information readily understandable to the public.

this Act takes effect September 1, 2017.

Institutional Policy on Racial Profiling

199

412.00 BIAS BASED PROFILING

The purpose of this policy is to reaffirm the Rockwall Police Department's commitment to unbiased policing in all its encounters between officer and any person, to reinforce procedures that serve to ensure public confidence and mutual trust through the provision of services in a fair and equitable fashion, and to protect our officers from unwarranted accusations of misconduct when they act within the dictates of departmental policy and the law.

A. It is the policy of this department to police in a proactive manner and, to aggressively investigate suspected violations of the law. Officers shall actively enforce state and federal laws in a responsible and professional manner, without regard to race, ethnicity or national origin. Officers are strictly prohibited from engaging in bias based profiling, and especially bias based profiling as defined in this policy. Bias based profiling is an unacceptable police tactic and will not be condoned.

B. This General Order is adopted in compliance with requirements of Articles 2.131 through 2.138, Texas Code of Criminal Procedure, which prohibits Texas peace officers from engaging in bias based profiling.

412.01 DEFINITIONS

A. Bias Based Profiling - A law enforcement-initiated action based on an individual's cultural group, sexual orientation, economic status, age, gender, background, or any other identifiable group rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity. Bias based profiling pertains to persons who are viewed as suspects or potential suspects of criminal behavior. The term is not relevant as it pertains to witnesses, complainants, persons needing assistance or other citizen contacts.

B. Race or Ethnicity – Persons of particular descent, including Alaska Native or American Indian, White, Black, Hispanic or Latino, Asian or Pacific Islander.

C. Acts Constituting Bias Based Profiling – Acts initiating law enforcement action, such as a traffic stop, a detention, a search, issuance of a citation or an arrest based solely upon an individual's race, ethnicity or national origin or on the basis of racial or ethnic stereotypes, rather than upon the individual's behavior, information identifying the individual as having possibly engaged in criminal activity, or other lawful reasons for the law enforcement action.

D. Motor Vehicle Contacts – Means an occasion in which a peace officer stops a motor vehicle for an alleged violation of law or ordinance.

412.02 PROHIBITION

A. Officers of the Rockwall Police Department are strictly prohibited from engaging in bias based profiling. The prohibition against bias based profiling does not preclude the use of race, ethnicity or national origin as factors in such a decision when used as part of a description of a suspect or witness for whom an officer is searching.

B. Officers of the Rockwall Police Department shall not engage in profiling based solely on gender, sexual orientation, religion, economic status, age, culture or any other identifiable group.

412.03 COMPLAINT PROCESS

A. No person shall be discouraged, intimidated or coerced from filing a complaint, nor discriminated against because they filed such a complaint.

B. Any person who believes that a peace officer employed by the Rockwall Police Department has engaged in bias based profiling with respect to that person, may file a complaint in accordance with the provisions of General Order 507, Complaint Processing and Investigation.

1. An employee who is contacted regarding a complaint against an officer shall follow the procedures set forth in General Orders 507, Section 507.01, Action upon Receipt of Complaint.
2. Citizens who appear in person wishing to file a complaint shall be provided with a departmental brochure, “Bias Based Profiling Complaint Procedures”. Brochures are maintained in the Rockwall Police Department lobby and at Rockwall City Hall. Citizens may also be directed to the departmental website to file a complaint.

C. Any supervisor who becomes aware of an alleged or suspected violation of the General Order shall report the alleged violation in accordance with General Order 504, Responsibilities in Internal Complaints, Section 504.01, Supervisors Responsibilities.

D. Complaints of bias based profiling shall be investigated by the Internal Affairs Division, unless otherwise directed by the Chief of Police. A log of all Bias based profiling Complaints will be maintained by the Internal Affairs Division.

412.04 DISCIPLINARY AND CORRECTIVE ACTIONS

A. Any officer of this department, who is found, after investigation, to have engaged in bias based profiling in violation of the General Order, may be subject to disciplinary action, up to and including termination. Disciplinary or corrective actions may include diversity, sensitivity or other appropriate training or counseling, as determined by the Chief of Police.

412.05 PUBLIC EDUCATION

A. This department shall provide education to the public concerning the bias based profiling complaint process. The primary method of public education shall be through a brochure, “Bias Based Profiling Complaint Procedures”, which are maintained in the lobby of the Rockwall Police Department and at the Rockwall City Hall. These brochures are available in both English and Spanish versions. Other education methods may be utilized to inform the public include local newspapers, news media, service or civic presentations, the Internet, as well as City Council Meetings.

B. This department shall provide public education relating to our agency’s compliment and complaint process, including providing the:

1. Telephone number
2. Mailing address
3. Email address

412.06 COLLECTION OF INFORMATION AND ANNUAL REPORT WHEN CITATION ISSUED, ARREST MADE, OR WARNING ISSUED

A. For each motor vehicle contact in which a citation or warning is issued and/or for each arrest resulting from a motor vehicle contact, an officer involved in the stop shall collect the following information:

1. The physical description of any person operating the motor vehicle who is being detained as well as a result of the stop, including:

   a. Gender
   b. Race or Ethnicity (as stated by the person or as determined by the officer to the best of the officer’s ability)

2. Race or Ethnicity means the following categories:

   a. White
   b. Black
   c. Hispanic or Latino

d. Asian or Pacific Islander
e. Alaska Native or American Indian

3. Initial reason for the stop:

a. Violation of the law
b. Pre-existing knowledge (i.e. warrant)
c. Moving Traffic Violation
d. Vehicle Traffic Violation (Equipment, Inspection, Registration)

4. If a search was conducted as a result of the stop?

a. If so, did the person detained consent to the search?

5. Was contraband or other evidence discovered as a result of the search?
6. Description of the contraband or evidence found?

a. Illegal drugs/drug paraphernalia
b. Currency
c. Weapons
d. Alcohol
e. Stolen Property
f. Other

7. Reason for search:

a. Consent
b. Contraband/Evidence in Plain Sight
c. Probable Cause or Reasonable Suspicion
d. Inventory Search Performed as a Result of Towing
e. Incident to Arrest/Warrant

8. Information on arrests:

a. Did officer make an arrest as a result of the stop or search?
b. Reasons for Arrest:
    i. Violation of Penal Code
    ii. Violation of Traffic Law
    iii. Violation of City Ordinance
    iv. Outstanding Warrant

9. Street address or approximate location of the stop:

a. City Street
b. US Highway
c. County Road
d. Private Property or Other

10. Verbal or Written Warning or a Ticket or Citation as a result of the stop?
11. Whether the peace officer used physical force that resulted in bodily injury, as that term is defined by Section 1.07, Penal Code (“means physical pain, illness, or any impairment of physical condition”), during the stop;

a. The location of the stop, and
b. The reason for the stop

B. The information collected shall be entered in to a database by entering Bias Based Profiling data utilizing the in-car Mobile Data Computer (MDC) or the computers available in the department. All contacts requiring Bias Based Profiling data collection must be entered.

1. In the event the data is unable to be collected electronically, the data will be recorded on temporary forms and entered in the database at a later date.

C. The Assistant Chief of Police shall ensure all Bias Based Profiling Data is collected and reported to the Chief of Police. The data collected shall be compiled in an annual report covering the period January 1 through December 31 of each year, and shall be submitted to the governing body of the City of Rockwall no later than March 1 of the following year. The report must include:

1. A comparative analysis of the information compiled (under Article 2.133):
    a. Evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities;
    b. Examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction;
    c. Evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches (SEARCH ANALYSIS).
2. Information related to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.
3. Number of searches that were consensual;
4. Number of citations that resulted in custodial arrest; and
5. Public education efforts concerning the Bias Based Profiling complaint process.

D. The annual report shall not include identifying information about any individual stopped or arrested, and shall not include identifying information about any peace officer involved in a stop or arrest.

E. Bias based profiling Data will also be reported to the Texas Commission on Law Enforcement (TCOLE) by March 1 of each year, following the Commission's prescribed format.

412.07 AUDIO AND VIDEO EQUIPMENT

A. Each motor vehicle regularly used by this department to make motor vehicle contacts shall be equipped with a mobile video camera system capable of recording video and audio, and each motorcycle regularly used by this department to make motor vehicle contacts shall be equipped with video and audio recording equipment.

B. Each motor vehicle contact made by an officer of this department capable of being recorded by video and audio, shall be recorded, both on the in car video and issued body worn camera.

C. Supervisors and officers shall ensure that mobile video camera equipment and/or audio equipment is properly functioning prior to commencing their tour of duty. Police units with malfunctioning or inoperable mobile video camera equipment shall not be utilized under normal circumstances.

D. This department shall retain the video and audiotape of each motor vehicle stop. If a complaint is filed with this department alleging that one of our officers has engaged in bias based profiling with respect to a motor vehicle contact, this department shall retain the video and audiotapes, or the audiotape of the stop until final disposition of the complaint.

412.08 REVIEW OF VIDEO AND AUDIO DOCUMENTATION

A. The Patrol Lieutenants shall ensure that all audio and recordings are properly stored and retained in accordance with applicable laws and this General Order.

B. If a complaint is received alleging that an officer has engaged in bias based profiling, the audio/video recording shall be forwarded through the Chain of Command to the Internal Affairs Division. The Internal Affairs Division shall retain the video until final disposition of the complaint has been made.

C. Supervisors will ensure officers of this department are recording their motor vehicle contacts. A recording of each officer will be reviewed at least once every thirty (30) days.

1. Written documentation shall include:

   a. The names of the officers whose contacts were reviewed;
   b. The date(s) of the videos reviewed;
   c. The date the actual review was conducted; and
   d. The name of the person conducting the review.

2. The Patrol Division Lieutenants shall forward the required documentation to the Internal Affairs Division.
3. The Internal Affairs Division shall maintain a file of all video review documentation performed, in compliance with this General Order.

D. In reviewing audio and video recordings, the Patrol Division Lieutenant or his designee, shall seek to determine if the officer(s) reviewed have engaged in a pattern of Bias Based Profiling, which includes multiple acts constituting bias based profiling for which there no reasonable, credible explanation is based on established police and law enforcement procedures.

E. This agency shall review the data collected to identify any improvements this agency could make in its practices and policies regarding motor vehicle stops.

412.09 TRAINING

A. Each peace officer employed by the department shall complete the comprehensive education and training program on bias based profiling established by the Texas Commission of Law Enforcement (TCOLE) no later than the second anniversary of the date the officer was licensed, or the date the officer applies for an Intermediate Proficiency Certificate, whichever date is earlier. A person, who on September 1, 2001, held a TCOLE Intermediate Proficiency Certificate, or who had held a peace officer license issued by TCOLE for at least two years, shall complete a TCOLE training and education program on bias based profiling not later than September 1, 2003.

The Chief of Police shall, in completing the training required by Section 96.941, Texas Education Code, complete the program on Bias Based Profiling established by the Bill Blackwood Law Enforcement Management Institute of Texas (LEMIT), not later than September 1, 2003.

Public Education on Filing Compliments and Complaints

205

Informing the Public on the Process of Filing a Compliment or Complaint with the Rockwall Police Department

The Texas Racial Profiling Law requires that police agencies provide information to the public regarding the manner in which to file a compliment or racial profiling complaint. In an effort to comply with this particular component, the Rockwall Police Department launched an educational campaign aimed at informing the public on issues relevant to the racial profiling complaint process.

The police department made available, in the lobby area and on its web site, information relevant to filing a compliment and complaint on a racial profiling violation by a Rockwall Police officer. In addition, each time an officer issues a citation, ticket or warning, information on how to file a compliment or complaint is given to the individual cited. This information is in the form of a web address (including in the document issued to the citizen), which has instructions and details specifics related to the compliment or complaint processes.

It is believed that through these efforts, the community has been properly informed of the new policies and the complaint processes relevant to racial profiling.

Racial Profiling Training

207

Racial Profiling Training

All Rockwall Police officers have been instructed, as specified in the Texas Racial Profiling Law, to adhere to all Texas Commission on Law Enforcement (TCOLE) training and the Law Enforcement Management Institute of Texas (LEMIT) requirements. To date, all sworn officers of the Rockwall Police Department have completed the TCOLE basic training on racial profiling. The main outline used to train the officers of Rockwall has been included in this report.

It is important to recognize that the Chief of the Rockwall Police Department has also met the training requirements, as specified by the Texas Racial Profiling Law, in the completion of the LEMIT program on racial profiling. The satisfactory completion of the racial profiling training by the sworn personnel of the Rockwall Police Department fulfills the training requirement as specified in the Education Code (96.641) of the Texas Racial Profiling Law.

Racial Profiling
Course Number 3256
Texas Commission on Law Enforcement
September 2001

Racial Profiling 3256

Instructor's Note:
You may wish to teach this course in conjunction with Asset Forfeiture 3255 because of the related subject matter and applicability of the courses. If this course is taught in conjunction with Asset Forfeiture, you may report it under Combined Profiling and Forfeiture 3257 to reduce data entry.

Abstract

This instructor guide is designed to meet the educational requirement for racial profiling established by
legislative mandate: 77R-SB1074.

Target Population: Licensed law enforcement personnel in Texas

Prerequisites: Experience as a law enforcement officer

Length of Course: A suggested instructional time of 4 hours

Material Requirements: Overhead projector, chalkboard and/or flip charts, video tape player,
handouts, practical exercises, and demonstrations

Instructor Qualifications: Instructors should be very knowledgeable about traffic stop procedures and law enforcement issues

Evaluation Process and Procedures

An examination should be given. The instructor may decide upon the nature and content of the
examination. It must, however, sufficiently demonstrate the mastery of the subject content by the
student.

Reference Materials

Reference materials are located at the end of the course. An electronic copy of this instructor guide
may be downloaded from our web site at http://www.tcleose.state.tx.us.

Racial Profiling 3256

1.0 RACIAL PROFILING AND THE LAW

1.1 UNIT GOAL: The student will be able to identify the legal aspects of racial profiling.

1.1.1 LEARNING OBJECTIVE: The student will be able to identify the legislative requirements placed upon peace officers and law enforcement agencies regarding racial profiling.

Racial Profiling Requirements:

Racial profiling CCP 3.05
Racial profiling prohibited CCP 2.131
Law enforcement policy on racial profiling CCP 2.132
Reports required for traffic and pedestrian stops CCP 2.133
Liability CCP 2.136
Racial profiling education for police chiefs Education Code 96.641
Training program Occupations Code 1701.253
Training required for intermediate certificate Occupations Code 1701.402
Definition of "race or ethnicity" for form Transportation Code 543.202

A. Written departmental policies
1. Definition of what constitutes racial profiling
2. Prohibition of racial profiling
3. Complaint process
4. Public education
5. Corrective action
6. Collection of traffic-stop statistics
7. Annual reports

B. Not prima facie evidence

C. Feasibility of use of video equipment

D. Data does not identify officer

E. Copy of complaint-related video evidence to officer in question

F. Vehicle stop report
1. Physical description of detainees: gender, race or ethnicity
2. Alleged violation
3. Consent to search
4. Contraband
5. Facts supporting probable cause
6. Arrest
7. Warning or citation issued

210

G. Compilation and analysis of data

H. Exemption from reporting – audio/video equipment

I. Officer non-liability

J. Funding

K. Required training in racial profiling
1. Police chiefs
2. All holders of intermediate certificates and/or two-year-old licenses as of 09/01/2001 (training to be completed no later than 09/01/2003) – see legislation 77R-SB1074

1.1.2 LEARNING OBJECTIVE: The student will become familiar with Supreme Court decisions and other court decisions involving appropriate actions in traffic stops.

A. Whren v. United States, 517 U.S. 806, 116 S.Ct. 1769 (1996)
1. Motor vehicle search exemption
2. Traffic violation acceptable as pretext for further investigation
3. Selective enforcement can be challenged

B. Terry v. Ohio, 392 U.S. 1, 88 S.Ct. 1868 (1968)
1. Stop & Frisk doctrine
2. Stopping and briefly detaining a person
3. Frisk and pat down

C. Other cases
1. Pennsylvania v. Mimms, 434 U.S. 106, 98 S.Ct. 330 (1977)
2. Maryland v. Wilson, 117 S.Ct. 882 (1997)
3. Graham v. State, 119 MdApp 444, 705 A.2d 82 (1998)
4. Pryor v. State, 122 Md.App. 671 (1997) cert. denied 352 Md. 312, 721 A.2d 990 (1998)
5. Ferris v. State, 355 Md. 356, 735 A.2d 491 (1999)
6. New York v. Belton, 453 U.S. 454 (1981)

2.0 RACIAL PROFILING AND THE COMMUNITY

2.1 UNIT GOAL: The student will be able to identify logical and social arguments against racial profiling.

2.1.1 LEARNING OBJECTIVE: The student will be able to identify logical and social arguments against racial profiling.

A. There are appropriate reasons for unusual traffic stops (suspicious behavior, the officer's intuition, MOs, etc.), but police work must stop short of cultural stereotyping and racism

B. Racial profiling would result in criminal arrests, but only because it would target all members of a race randomly – the minor benefits would be far outweighed by the distrust and anger towards law enforcement by minorities and the public as a whole

C. Racial profiling is self-fulfilling bad logic: if you believed that minorities committed more crimes, then you might look for more minority criminals, and find them in disproportionate numbers

D. Inappropriate traffic stops generate suspicion and antagonism towards officers and make future stops more volatile – a racially-based stop today can throw suspicion on tomorrow's legitimate stop

E. By focusing on race, you would not only be harassing innocent citizens, but overlooking criminals of all races and backgrounds – it is a waste of law enforcement resources

3.0 RACIAL PROFILING VERSUS REASONABLE SUSPICION

3.1 UNIT GOAL: The student will be able to identify the elements of both inappropriate and appropriate traffic stops.

3.1.1 LEARNING OBJECTIVE: The student will be able to identify elements of a racially motivated traffic stop.

A. Most race-based complaints come from vehicle stops, often since race is used as an inappropriate substitute for drug courier profile elements

B. "DWB" – "Driving While Black" – a nickname for the public perception that a Black person may be stopped solely because of their race (especially with the suspicion that they are a drug
courier), often extended to other minority groups or activities as well ("Driving While Brown," "Flying While Black," etc.)

C. A typical traffic stop resulting from racial profiling
1. The vehicle is stopped on the basis of a minor or contrived traffic violation which is used as a pretext for closer inspection of the vehicle, driver, and passengers
2. The driver and passengers are questioned about things that do not relate to the traffic violation

3. The driver and passengers are ordered out of the vehicle
4. The officers visually check all observable parts of the vehicle

5. The officers proceed on the assumption that drug courier work is involved by detaining the driver and passengers by the roadside
6. The driver is asked to consent to a vehicle search – if the driver refuses, the officers use other procedures (waiting on a canine unit, criminal record checks, license-plate checks, etc.), and intimidate the driver (with the threat of detaining him/her, obtaining a warrant, etc.)

3.1.2 LEARNING OBJECTIVE: The student will be able to identify elements of a traffic stop which would constitute reasonable suspicion of drug courier activity.
A. Drug courier profile (adapted from a profile developed by the DEA)
1. Driver is nervous or anxious beyond the ordinary anxiety and cultural communication styles
2. Signs of long-term driving (driver is unshaven, has empty food containers, etc.)
3. Vehicle is rented
4. Driver is a young male, 20-35
5. No visible luggage, even though driver is traveling
6. Driver was over-reckless or over-cautious in driving and responding to signals
7. Use of air fresheners

B. Drug courier activity indicators by themselves are usually not sufficient to justify a stop

3.1.3 LEARNING OBJECTIVE: The student will be able to identify elements of a traffic stop which could constitute reasonable suspicion of criminal activity.
A. Thinking about the totality of circumstances in a vehicle stop

B. Vehicle exterior
1. Non-standard repainting (esp. on a new vehicle)
2. Signs of hidden cargo (heavy weight in trunk, windows do not roll down, etc.)
3. Unusual license plate suggesting a switch (dirty plate, bugs on back plate, etc.)
4. Unusual circumstances (pulling a camper at night, kids' bikes with no kids, etc.)

C. Pre-stop indicators
1. Not consistent with traffic flow
2. Driver is overly cautious, or driver/passengers repeatedly look at police car
3. Driver begins using a car- or cell-phone when signaled to stop
4. Unusual pull-over behavior (ignores signals, hesitates, pulls onto new street, moves objects in car, etc.)

D. Vehicle interior
1. Rear seat or interior panels have been opened, there are tools or spare tire, etc.
2. Inconsistent items (anti-theft club with a rental, unexpected luggage, etc.)

214

Report on Compliments and Racial Profiling Complaints

215

Report on Complaints

The following table contains data regarding officers that have been the subject of a complaint, during the time period of 1/1/18---12/31/18, based on allegations outlining possible violations related to the Texas Racial Profiling Law. The final disposition of the case is also included.

☐

A check above indicates that the Rockwall Police Department has not received any complaints, on any members of its police force, for having violated the Texas Racial Profiling Law during the time period of 1/1/18 ---- 12/31/18.

Complaints Filed for Possible Violations of The Texas Racial Profiling Law

Complaint No.	Alleged Violation			Disposition of the Case
18-04 RP	Harassment/Intimidation			Unfounded

Analysis and Interpretation of Data

225

Analysis

In order to understand the analysis provided in this report, it is imperative that the evolution of the Texas Racial Profiling Law and its requirements, is discussed. That is, in 2001, the Texas legislature passed Senate Bill 1074 which became the Texas Racial Profiling Law. Thus, the law came into effect on January 1, 2002 and required all police departments in Texas, to collect traffic-related data and report this information to their local governing authority by March 1st of each year. In 2009, the racial profiling law was modified to include the collection and reporting of all motor vehicle related contacts where a citation was issued or arrest made. In addition, the modification to the law further requires that all police officers indicate whether or not they knew the race or ethnicity of the individual before detaining them. Further, it was required that agencies report motor vehicle related data to their local governing authority and to the Texas Commission on Law Enforcement (TCOLE) by March 1st of each year. The purpose in collecting and presenting this information is to determine if police officers in a particular municipality are engaging in the practice of racially profiling minority motorists.

The Texas Racial Profiling Law also requires police departments to interpret motor vehicle-related data. Even though most researchers would probably agree with the fact that it is within the confines of good practice for police departments to be accountable to the citizenry while carrying a transparent image before the community, it is very difficult to determine if individual police officers are engaging in racial profiling, from a review and analysis of aggregate/institutional data. In other words, it is challenging for a reputable researcher to identify specific "individual" racist behavior from aggregate-level "institutional" data on traffic or motor vehicle-related contacts.

As stated previously, in 2009, the Texas Legislature passed House Bill 3389, which modified the Racial Profiling Law by adding new requirements; this took effect on January 1st, 2010. These changes included, but are were not limited to, the re-definition of a contact to include motor vehicles where a citation was issued or an arrest made. In addition, it required police officers to indicate if they knew the race or ethnicity of the individual before detaining

226

them. Also, the 2009 law required adding "middle eastern" to the racial and ethnic category and submitting the annual data report to TCOLE before March 1st of each year.

In 2017, the Texas Legislators passed H.B. 3051 which removed the Middle Eastern data requirement but standardized the racial and ethnic categories relevant to the individuals that came in contact with the police. In addition, the Sandra Bland Act (S.B. 1849) was passed and became law. Thus, the most significant legislative act in Texas history regarding data requirements on law enforcement contacts, became law and took effect on January 1, 2018. The Sandra Bland Act not only requires the extensive collection of data relevant to police motor vehicle contacts, but it also mandates for the data to be analyzed while addressing the following:

1. *A comparative analysis of the information compiled (under Article 2.133):*
    a. *Evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities;*
    b. *Examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction;*
    c. *Evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches.*
2. *Information related to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling*.

In an effort to comply with The Texas Racial Profiling/Sandra Bland Law, the Rockwall Police Department commissioned the analysis of its 2018 contact data. Thus, two different types of data analyses were performed. The first of these involved a careful evaluation of the 2018 motor vehicle-related data. This particular analysis measured, as required by the law, the number and percentage of Whites, Blacks, Hispanics or Latinos, Asians and Pacific Islanders, Alaska Natives and American Indians (Middle Easterners and individuals belonging to the "other" category, as optional categories), that came in contact with the police in the course of a motor vehicle related contact, and were either issued a ticket, citation, warning were issued or an arrest was made. Also, included in this data were instances where a motor vehicle contact took place for an alleged violation of the law or ordinance. The Tier 2 data analysis included, but was not limited to, information relevant to the number and percentage of contacts by race/ethnicity,

gender, reason for the stop, location of stop, searches while indicating the type of search performed, result of stop, basis of an arrest and use of physical force resulting in bodily injury,

The additional data analysis performed was based on a comparison of the 2018 motor vehicle contact data with a specific baseline. When reviewing this particular analysis, it should be noted that there is disagreement, in the literature, regarding the appropriate baseline to be used when analyzing motor vehicle-related contact information. Of the baseline measures available, the Rockwall Police Department opted to adopt, as a baseline measure, the Fair Roads Standard. This particular baseline is based on data obtained through the U.S. Census Bureau (2010) relevant to the number of households that have access to vehicles while controlling for the race and ethnicity of the heads of households.

It is clear that census data presents challenges to any effort made at establishing a fair and accurate racial profiling analysis. That is, census data contains information on all residents of a particular community, regardless of the fact they may or may not be among the driving population. Further, census data, when used as a baseline of comparison, presents the challenge that it captures information related to city residents only. Thus, excluding individuals who may have come in contact with the Rockwall Police Department in 2018 but live outside city limits. In some cases, the percentage of the population that comes in contact with the police but lives outside city limits represents a substantial volume of all motor vehicle-related contacts made in a given year.

Since 2002, several civil rights groups in Texas expressed their desire and made recommendations to the effect that all police departments should rely, in their data analysis, on the Fair Roads Standard. This source contains census data specific to the number of "households" that have access to vehicles. Thus, proposing to compare "households" (which may have multiple residents and only a few vehicles) with "contacts" (an individual-based count). This, in essence, constitutes a comparison that may result in ecological fallacy. Despite this, the Rockwall Police Department accepted the recommendation to utilize this form of comparison (i.e., census data relevant to households with vehicles) in an attempt to demonstrate its "good will" and "transparency" before the community. Thus, the Fair Roads Standard data obtained and used in this study is specifically relevant to the Dallas Fort-Worth (DFW) Metroplex).

Tier 2 (2018) Motor Vehicle-Related Contact Analysis

When analyzing the enhanced Tier 2 data collected in 2018, it was evident that most motor vehicle-related contacts were made with males and most of the contacts were made with White drivers. This was followed by Hispanic and Black drivers. In most instances, police officers report not knowing the race or ethnicity prior to the stop. Further, they cite as the primary reason for the stop to have been a "violation of the law". This was followed by "moving traffic violation".

In 2018, most of the contacts made took place in city streets. The Rockwall Police Department cites that most contacts did not result in a search. Of those searches made, most were

consensual. The second most significant reason for a search was "incident to arrest". In addition, contraband was not found as a result of most searches. Of the contraband found, in most instances, drugs were cited as the most frequent contraband found.

The data also shows that the majority of stops resulted in a verbal warning. This was followed by "citations". When an arrest was made, the most frequent reason provided was a violation of the penal code. Also, 8 of the contacts resulted in the use of physical force which caused bodily injury.

Comparative Analysis

The data analysis of motor vehicle contacts to the census data relevant to the number of "households" in DFW who indicated, in the 2010 census, that they had access to vehicles, produced interesting findings. Specifically, the percentage of Blacks and Hispanics that came in contact with the police was higher than the percentage of Black and Hispanic households in DFW that claimed, in the 2010 census, to have access to vehicles. It should be noted that in the case of Blacks and Hispanics, the percentage difference was within the margin of error and is considered to be statistically insignificant. With respect to Whites and Asians, a lower percentage of contacts were detected. That is, the percentage of White and Asian drivers that came in contact with the police in 2018 was the lower than the percentage of White and Asian households in DFW with access to vehicles. The analysis of the searches performed shows that most searches did not produce contraband. This is consistent with national law enforcement trends.

Summary of Findings

The most recent Texas Racial Profiling Law requires that police department perform data audits in order to validate the data being reported. Consistent with this requirement, the Rockwall Police Department reports having conducted at least one internal data audit. Further, as required by law, this report also includes an analysis on the searches performed. This analysis includes information on whether contraband was found as a result of the search while controlling for race/ethnicity. The search analysis demonstrates that the police department is engaging in search practices consistent with national trends in law enforcement.

While considering the findings made in this analysis, it is recommended that the Rockwall Police Department should continue to collect and evaluate additional information on motor vehicle contact data (i.e., reason for probable cause searches, contraband detected) which may prove to be useful when determining the nature of the contacts police officers are making with all individuals.

As part of this effort, the Rockwall Police Department should continue to:

1) Perform an independent analysis on contact and search data in future years.

229

2) Commission data audits in 2019 in order to assess data integrity; that is, to ensure that the data collected is consistent with the data being reported.

The comprehensive analysis of the data included in this report demonstrates that the Rockwall Police Department has complied with the Texas Racial Profiling Law and all of its requirements. Further, the report demonstrates that the police department has incorporated a comprehensive racial profiling policy, currently offers information to the public on how to file a compliment or complaint, performs internal audits in order to ensure validity and reliability, collects and commissions the analysis of tier 2 data, and ensures that the practice of racial profiling is not tolerated.

(III) Summary

Checklist

231

Checklist

The following requirements **were** met by the Rockwall Police Department in accordance with The Texas Racial Profiling Law:

☒ Implement a Racial Profiling Policy citing act or actions that constitute racial profiling.

☒ Include in the racial profiling policy, a statement indicating prohibition of any peace officer employed by the Rockwall Police Department from engaging in racial profiling.

☒ Implement a process by which an individual may file a complaint regarding racial profiling violations.

☒ Provide public education related to the compliment and complaint process.

☒ Implement disciplinary guidelines for officers found in violation of the Texas Racial Profiling Law.

☒ Collect, report and analyze motor vehicle data (Tier 2).

☒ Commission Data Audits and a Search Analysis.

☒ Indicate total number of officers who knew and did not know, the race/ethnicity of individuals before being detained.

☒ Produce an annual report on police contacts (Tier 2) and present this to the local governing body and TCOLE by March 1, 2019.

☒ Adopt a policy, if video/audio equipment is installed, on standards for reviewing video and audio documentation.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, City Secretary / Assistant to the City Manager**

DATE: **February 1, 2019**

SUBJECT: **Order (resolution) Calling May 4, 2019 General Election**

Included in the packet for Council's consideration is an order calling the Saturday, May 4, 2019 General Election. The purpose of the election will be to elect the Mayor and City Council Members for Places 1, 3, and 5.

A joint elections contract between the City, (possibly) the school district, and the Rockwall County Elections Administrator, will be brought forth for Council consideration, likely at the next regular meeting, depending on if there ends up being contested races.

Staff will be available to answer any questions the Council may have at the meeting Monday evening.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 19-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, CALLING A GENERAL TO BE HELD JOINTLY WITH THE ROCKWALL INDEPENDENT SCHOOL DISTRICT (RISC) AND DESIGNATING ROCKWALL COUNTY ELECTIONS ADMINISTRATOR AS THE ELECTION ADMINISTRATOR TO CONDUCT SAID GENERAL ELECTION ON BEHALF OF THE CITY ON SATURDAY, MAY 4, 2019 FOR THE PURPOSE OF ELECTING A MAYOR AND THREE (3) COUNCIL MEMBERS, ONE (1) FOR PLACE 1, ONE (1) FOR PLACE 3, AND ONE (1) FOR PLACE 5, EACH FOR TWO (2) YEAR TERMS; DESIGNATING THE ENTIRE CITY AS ONE ELECTION PRECINCT; DESIGNATING POLLING PLACES, DATES AND TIMES; DESIGNATING FILING DEADLINES: ORDERING NOTICES OF ELECTION TO BE POSTED AND PUBLISHED AS PRESCRIBED BY LAW IN CONNECTION WITH SAID ELECTION; PROVIDING FOR OTHER ELECTION-RELATED PROCEDURES; PROVIDNG A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Section 41.001 of the Texas Election Code, as amended (the "Code") specifies that the first Saturday in May shall be a "uniform election date" and that a general election of a city may be held on such day; and

WHEREAS, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City"), in accordance with the Rockwall City Charter, Section 5.01, has determined that a general municipal election shall be conducted on the first Saturday in May 2019; and

WHEREAS, Section 271.002 of the Texas Election Code authorizes two or more political subdivisions to enter into an agreement to hold elections jointly in the election precincts that can be served by common polling places; and

WHEREAS, the City of Rockwall, the Rockwall Independent School District, and Rockwall County desire that a joint election be held in order to provide a convenient, simple, and cost-saving election for the voters; and

WHEREAS, the City of Rockwall, the Rockwall Independent School District, and Rockwall County will enter into a joint agreement setting out each entity's respective duties , responsibilities and costs associated with the May 4, 2019 election; and

WHEREAS, by this Resolution, it is the intention of the Rockwall City Council to: (1) call for said election to be held on the above named date, (2) designate the entire City as one election precinct, (3) designate the Rockwall County Library as the polling place for the election and (4) establish and set forth general procedures for conducting said election; and

WHEREAS, it is hereby officially found and determined that said meeting was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Findings. The statements contained in the preamble of this Resolution are true and correct and are adopted as findings of fact hereby, which findings are conclusive and incontestable.

Section 2. Election Date, Purpose of Election, Officers and Terms of Office. That a General Election is hereby ordered to be held jointly with the Rockwall Independent School District in and throughout the City on Saturday, May 4, 2019, for the purpose of electing a (1) Mayor and three (3) Council Members - one (1) for Place 1, one (1) for Place 3, and one (1) for Place 5, each for two (2) year terms.

Section 3. Eligibility for Candidacy & Winner(s) Declared via Plurality Vote. That in accordance with Section 5.02 of the City Charter of the City of Rockwall, no person shall be eligible for the office of Council Member, unless he is at least twenty-one years of age at the time of the election for which he is filing; is a qualified voter (of the City); has resided within the corporate limits of the City, or recently annexed territory, for at least twelve (12) months prior to the filing deadline; after notice of any delinquency, not in arrears in payment of taxes or other liabilities due the City. In accordance with Section 5.04(1) of the City Charter, a plurality vote is required to be elected and declared the winner.

Section 4. Application for a Place on the Ballot. That in accordance with Section 143.007 of the Texas Election Code, any eligible and qualified person may have his name printed upon the official ballot as a candidate for the offices herein before set forth by filing his sworn application with the City Secretary not earlier than 8:00 a.m., January 16, 2019 and not later than 5:00 p.m., February 15, 2019. Each such application shall be on a form as prescribed by Section 141.031 of the Texas Election Code. The order in which the names of the candidates are to be printed on the ballot shall be determined by a drawing by the City Secretary as provided by Section 52.094 of the Code. Notice of the time and place for said drawing shall be given in accordance with the Code.

Section 5. Election Precinct, Polling Place, and Election Hours. That the entire City of Rockwall, Texas shall constitute one (1) election precinct for the election, and the polling place is hereby designated to be located at the Rockwall County Library, 1215 E. Yellowjacket Lane, Rockwall, Texas 75087. In accordance with and pursuant to the requirements of the Code, said polling place shall be open from 7:00 a.m. until 7:00 p.m. on the date of the election.

Section 6. Early & Election Day Voting and Ballots by Mail. That early voting by personal appearance shall be administered by the Rockwall County Elections Administrator as set forth in the Election Contract and the Code. Early voting shall be conducted on/at the dates, times and locations specified below with the exception of Sunday and State holidays, and the designated Election Day polling location for Rockwall voters shall be: Rockwall County Library (1215 E. Yellowjacket Ln. Rockwall, TX 75087).

Applications for ballot by mail shall be requested from and mailed to the Rockwall County Election Administrator and Early Voting Clerk, Attn: Christopher Lynch, 915 Whitmore Drive, Suite D, Rockwall, TX 75087 (e-mail: clynch@rockwallcountytexas.com). Applications for ballots by mail must be received (not postmarked) no later than the close of business on Tuesday, April 23, 2019. If application to vote by mail is made by personal delivery, the application must be delivered by the close of business on Friday, April 19, 2019.

Section 7. Governing Law and Qualified Voters. That the election shall be held in accordance with the constitution of the State of Texas, the City Charter, and the Texas Election Code, and all resident, qualified electors of the city, shall be eligible to vote at the election.

Section 8. Notice and Conduct of the Election. Proper notice of the Election shall be given and, in all respects, the Election shall be conducted in accordance with the Code.

Section 9. Election Officers and Authorization of Further Procedures. That the Elections Administrator, early ballot board, voting judges, voting clerks and all other election officers and officials designated or to be designated pursuant to law and the Election Contract are hereby appointed and confirmed to hold the Election at said polling places and all early voting places. The Elections Administrator, the City and the County may employ other personnel necessary for the proper administration of the Election, including such part-time help as is necessary for the Election, to ensure the timely delivery of supplies during early voting and on Election Day

The City Council hereby authorizes and directs the Mayor, City Manager, Assistant City Manager, City Secretary, and all other officers, employees and agents of the City, in consultation with the City Attorney, if necessary, to do and perform all such acts and to execute, acknowledge and deliver in the name and on behalf of the City such documents, agreements, certificates and other instruments, whether or not mentioned in this Resolution, as may be necessary or desirable in order to carry out the terms, provisions and actions provided for in this Resolution.

Section 10. Delivery of Returns and Preservation of Election Records. That in accordance with the Code and the City's contract with the Rockwall County Elections Administrator, immediately after the closing of the poll on the day of the election, the election officers shall make and deliver the returns of the election in triplicate as follows: one copy shall be retained by the Presiding Election Judge and by the Presiding Election Judge of the Early Voting Ballot Board, one copy shall be delivered to the Mayor of the City, and one copy of the returns, together with the ballot boxes and all election supplies, shall be delivered to the Rockwall County Elections Administrator. All election records and supplies shall be preserved in accordance with the Code.

Section 11. Representatives. That the following slate of officials and other designated persons are hereby authorized to be present to observe the election counting process:

a. The Mayor and members of the City Council of the City of Rockwall;
b. Candidates for Mayor and City Council of the City of Rockwall;
c. The Rockwall City Secretary or his/her designated representative.

Section 12. Canvassing of Returns. That the City Council of the City shall convene between May 7, 2019 and May 15, 2019 to canvass the returns of the election in accordance with the Texas Election Code.

Section 13. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect, such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect.

Section 14. Effective Date. That this resolution shall be in full force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of February, 2019.

ATTEST: **Jim Pruitt, Mayor**

Kristy Cole, City Secretary

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and Councilmembers**

FROM: **Judge David Sweet, ART Commission Chair**

DATE: **February 4, 2019**

SUBJECT: **Art in Public Places – Fiberglass Guitar Project**

Overview:
At their November meeting, the Art Commission voted unanimously to recommend the fiberglass art project to City Council for their consideration and approval. Each fiberglass guitar measures approximately 5' in stature; bases included they should stand approximately 6'. Guitars will be painted by local artists and the City's "Free Live Music Capital of North Texas" logo will be included on the base of each guitar. The project embodies both the visual and performing arts. The Commission has chosen five public venues for installation: San Jacinto Plaza, The Harbor, Ted Cain's Corner Park, City Hall and Harry Myers Park. Five local artists volunteered to paint the guitars at no cost to the City. They include: Kenyon Walter, Nancy Kuntz, James Kuntz, Suzy Varner and Jake Bays. Samples of their work along with a few conceptual drawings are included in your packet. The Commission will return to Council in the coming weeks with the artists' renderings for Council's final approval.

Installation/Promotion:
The Art Commission worked with City staff in the selection process of the venues listed above. Guitars will be mounted to a concrete base and situated in visible areas with high pedestrian traffic. The target date for installation is June 2019 – with an unveiling and public display slated for Founders Day on May 18, 2019. This year marks the 20th Anniversary of the Concert by the Lake Music Series, providing an additional promotional opportunity this summer. The Commission recognizes this is a tight schedule and that it is dependent on manufacturing and delivery of statues.

Maintenance:
Fiberglass is a relatively low maintenance product. Per the manufacturer, anticipated maintenance will include an annual cleaning and reapplication of the clear coat every 5-7 years.

Funding:
The Art Commission is requesting $5,500.00 from the Art in Public Places fund for the purchase of five fiberglass guitars, paint supplies, logo and concrete bases. Current Art fund balance is $77,000.00. Future CIP funds are projected at $63,000.00 bringing the overall balance to $140,000.00.

243

Cost Breakdown:

$2800.00	Fiberglass Guitars
$ 500.00	Shipping
$ 500.00	Bases
$ 500.00	Paint
$ 200.00	Adhesive Logo
$ 500.00	Clear Coating
$ 500.00	Contingency
$5,500.00	Total

Mrs. Cole,
My neighbors and I plan on being at the Rockwall City Council meeting on Monday, Feb. 4 at 6 p.m. We are currently putting together and plan on showing a power point presentation when addressing the City Council as well.

Thank you for confirming. See you soon.

Thank you,
Jillian Gaines

Thank you, Mrs. Cole. I will be presenting a power point presentation that will include photos, videos, and maps of the water that has been invading the properties and homes in the surrounding area. I will try to have to documents sent to you before Jan. 30 at noon.

Please let me know if you have any questions or concerns.
Hope you enjoy the rest of your day.

Thank you,
Jillian Gaines

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/04/2019

APPLICANT: Tim McCallum

AGENDA ITEM: **Z2018-058;** *SUP for a Craft Winery and Commercial Amusement/ Recreation (Outdoor)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of a Specific Use Permit (SUP) for a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant, Tim McCallum, has submitted a request for a Specific Use Permit (SUP) to allow a *Craft Winery* and *Commercial Amusement/Recreation* (*Outdoor*) facility to be located within a Commercial (C) District. Currently, the subject property -- *at 203 County Line Road* -- is being operated as a warehouse and shipping facility for the applicant's wine club (*i.e. no retail sales*). The applicant has stated that they would like the opportunity to expand this use to a *Craft Winery* for the purpose of allowing wine to be mixed, produced and sold on-site. With this request, the applicant has submitted a floor plan showing the proposed *Craft Winery* layout, which will be situated in a 1,250 SF building. Of this area, 500 SF of the building [*i.e. 40% of total SF*] will be dedicated for the retail sales and tasting component of the on-site manufactured product. The remaining 750 SF will be used for wine display racks, an overhead storage area, blending tanks, and wine barrels. Additionally, the applicant has provided a concept plan for the *Commercial Amusement/Recreation (Outdoor)* use [*i.e. outdoor venue*], which will be located outdoors in front of the facility. The applicant has indicated to staff that this area will be used on a limited and infrequent basis. In addition, Mr. McCallum has submitted a letter indicating that the use of the outdoor venue will only take place on a scheduled basis, Thursday through Monday (*i.e. nights, weekends, and occasionally on Mondays and holidays*). The outdoor venue will include a seating area, space for food vendors, and space for live music [*e.g. acoustic guitar*].

According to Section 1.1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), both the *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* land uses require approval of a Specific Use Permit (SUP) in a Commercial (C) District. Additionally, Section 2.1.6, of Article IV, *Permissible Uses*, of the UDC, defines a *Craft Winery* as being a small scale manufacturing and retail operation that is subject to the following conditions: (1) the total building area (*i.e. area under roof*) is less than 12,000 SF, and (2) the total floor area dedicated to the direct sale of the on-site manufactured product does not exceed a maximum of 40% of the total floor area. The section also goes on to list the permitted accessory uses as:

(a) a tasting room to dispense product manufactured on site for on premise consumption,
(b) a meeting/banquet facility,

(c) a restaurant, and/or
(d) the retail sales of on-site manufactured product for off-premise consumption.

Included in the attached packet is the applicant's letter outlining the proposed business plan, a concept plan depicting the outdoor venue, a floor plan for the *Craft Winery*, and a draft ordinance containing regulations for the proposed land uses. Based on staff's review, the applicant's request does appear to be in conformance with these requirements; however, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

ADJACENT LAND USES AND ACCESS:

The subject property is generally situated north of the intersection of Horizon Road [*FM-3097*] and County Line Road, and is addressed as 203 County Line Road. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 14.374-acre tract of land, restricted as open space and drainage per the requirements of Planned Development District 75 (PD-75).

South: Directly south of the subject property is a continuation of the Buffalo Creek Business Park, LTD, which represents a 6.841-acre portion of a larger 9.84-acre tract of land identified as Tracts 20, 20-05, and 20-06 of the W. W. Ford Survey, Abstract No. 80. Currently on this property are several non-residential structures, which are occupied (*i.e. multi-tenant strip centers and individual standing buildings*). All of these properties are zoned Commercial (C) District.

East: Directly east of the subject property is a continuation of Buffalo Creek Business Park, LTD, which represents a 1.00-acre portion of a larger 9.84-acre tract of land identified as Tracts 20-03 of the W. W. Ford Survey, Abstract No. 80. This property is currently occupied with a non-residential structure, and is zoned Commercial (C) District.

West: Directly west of the subject property and beyond the Buffalo Creek Business Park, LTD is Horizon Road [*FM-3097*], which is identified as an TXDOT4D (*i.e. Texas Department of Transportation, four [4] lane, roadway*) on the City's Master Thoroughfare Plan. Beyond this thoroughfare is a 39.347-acre tract of land identified as Tract 93-01, of the E. Teal Survey, Abstract No. 207 and is zoned Agricultural (AG) District. The Buffalo Creek Business Park, LTD is zoned Commercial (C) District.

NOTIFICATION:

On January 2, 2019, staff mailed 63 notices to property owners and residents within 500-feet of the subject property. Staff did not send a neighborhood notification as there were no Home Owners Associations (HOA's) participating in the Neighborhood Notification Program within 1500-feet of the subject property. Additionally, staff posted a sign on the subject property as required by the UDC. At the time this report was drafted, staff had received one e-mail opposed to the applicant's request.

RECOMMENDATIONS:

Should the City Council choose to approve the applicant's request, staff would offer the following conditions of approval:

1) The operation of the *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* on the subject property shall be subject to the following operational conditions, which are contained in the SUP ordinance:

A. Craft Winery:

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance.

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance.

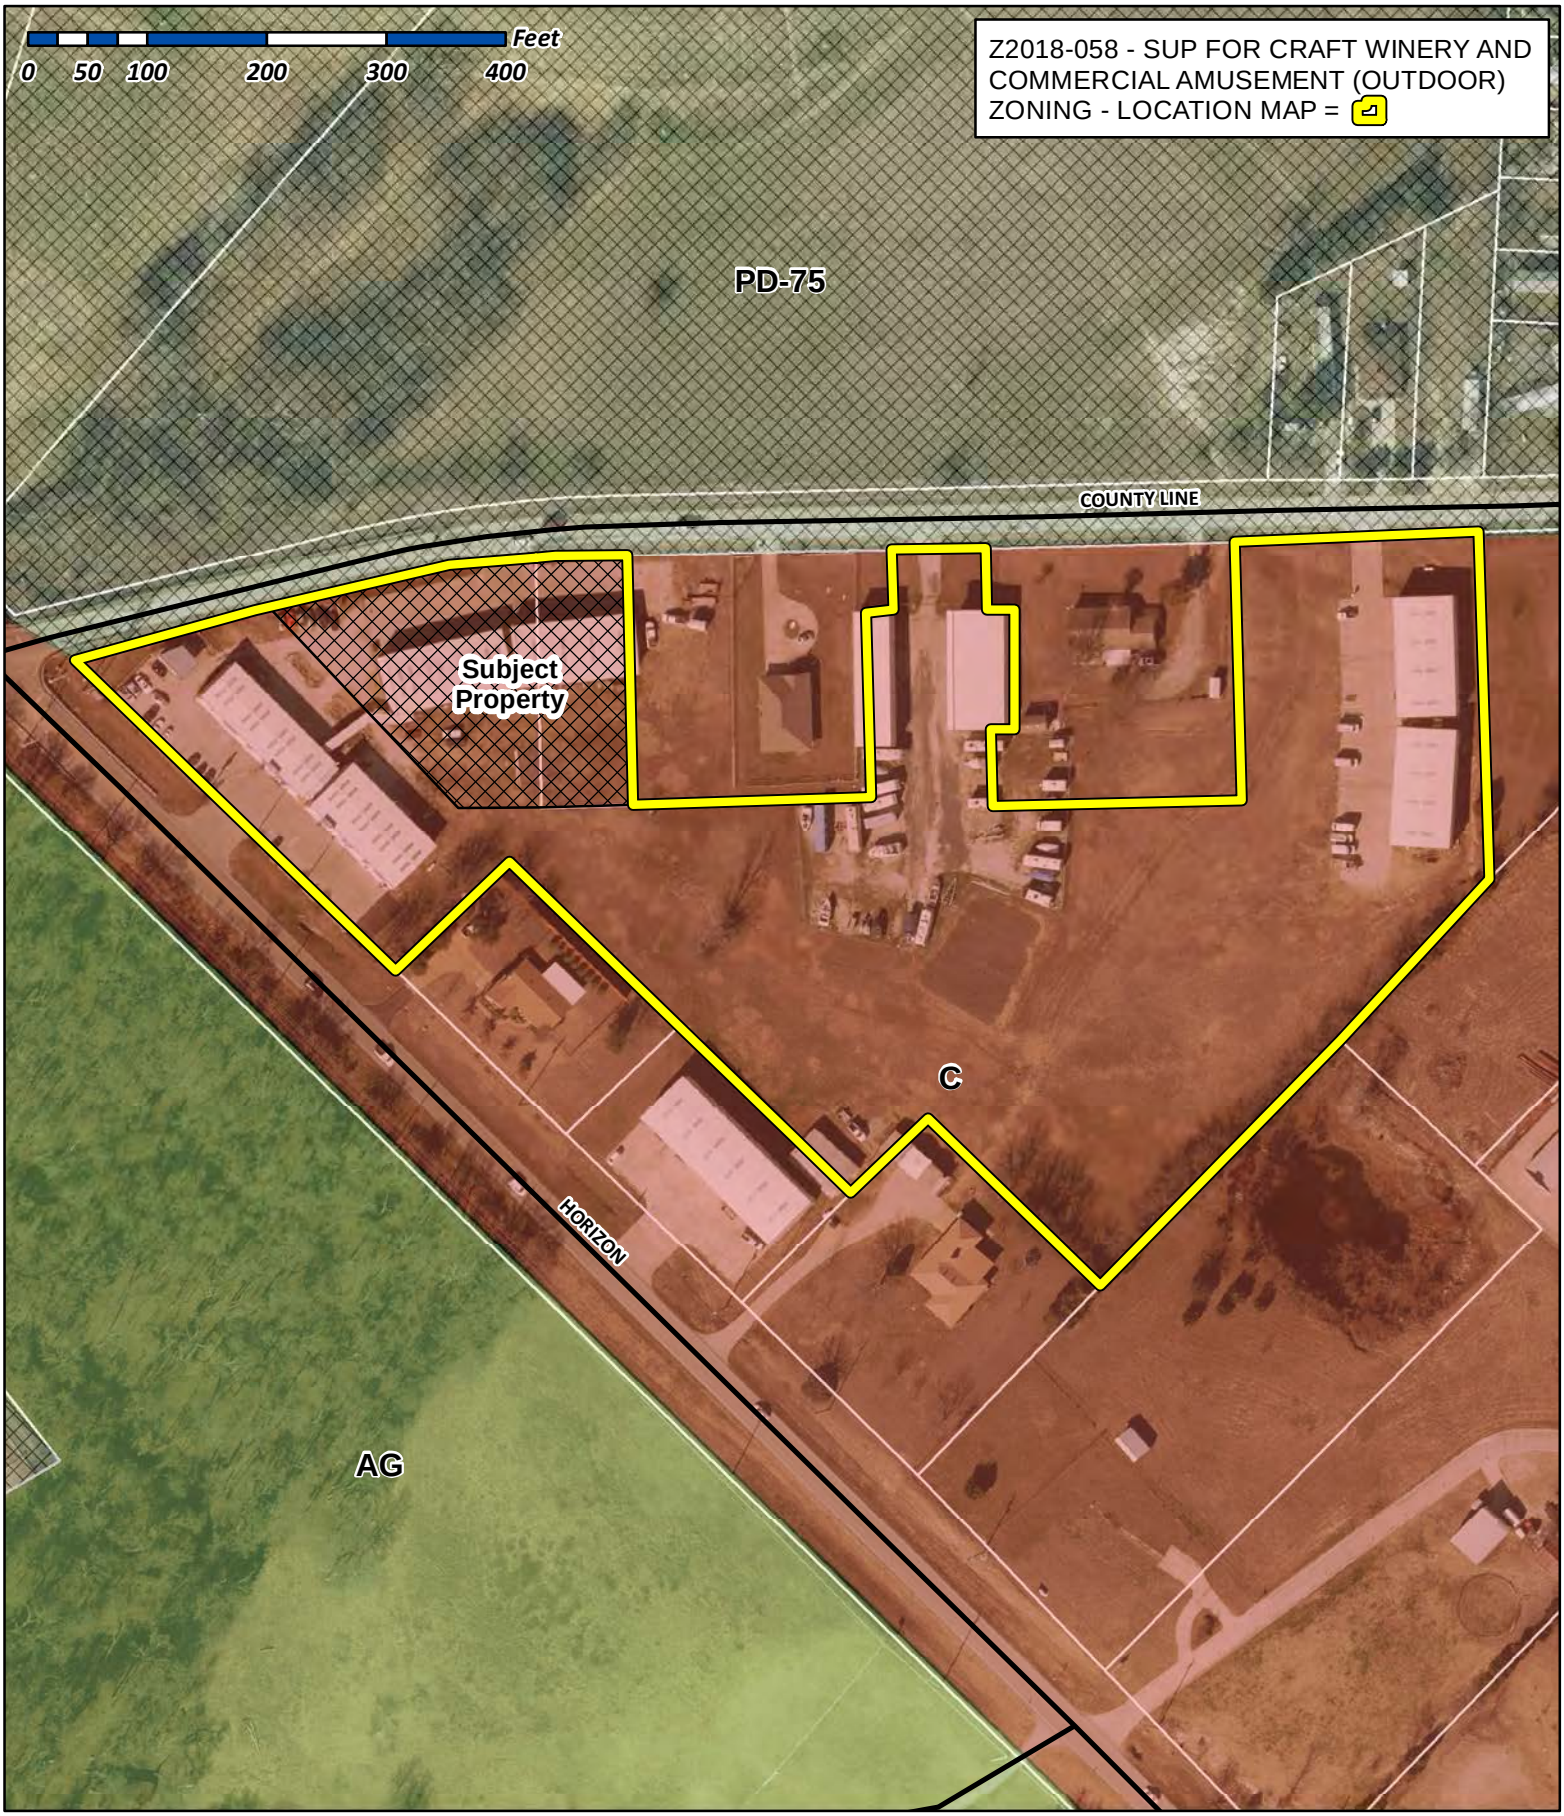
3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. Commercial Amusement/Recreation (Outdoor)

1) The operation of a *Commercial Amusement/Recreation* (*Outdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance.

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes.

3) The hours of operation associated with the O*utdoor Venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM.



4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*.

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [*FM-3097*].

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the *UDC*, the *International Building Code*, the *Rockwall Municipal Code of Ordinances*, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On January 15, 2019, the Planning and Zoning Commission's motion to recommend approval of the Specific Use Permit (SUP) to allow for a Craft Winery and *Commercial Amusement/Recreation* (*Outdoor*) with staff conditions passed by a vote of 5 to 2 with Commissioners Lyons and Chodun dissenting.

Subject: Craft Winery

It has come to my notice that we were sent a letter over the proposition of a winery in our neighborhood. Although some individuals would be in favor of said winery, we would oppose the construction of the winery in our neighborhood to avoid issues with intoxicated people near the area that is home to many families. The traffic that builds up in the area would rather be an inconvenience to this business.

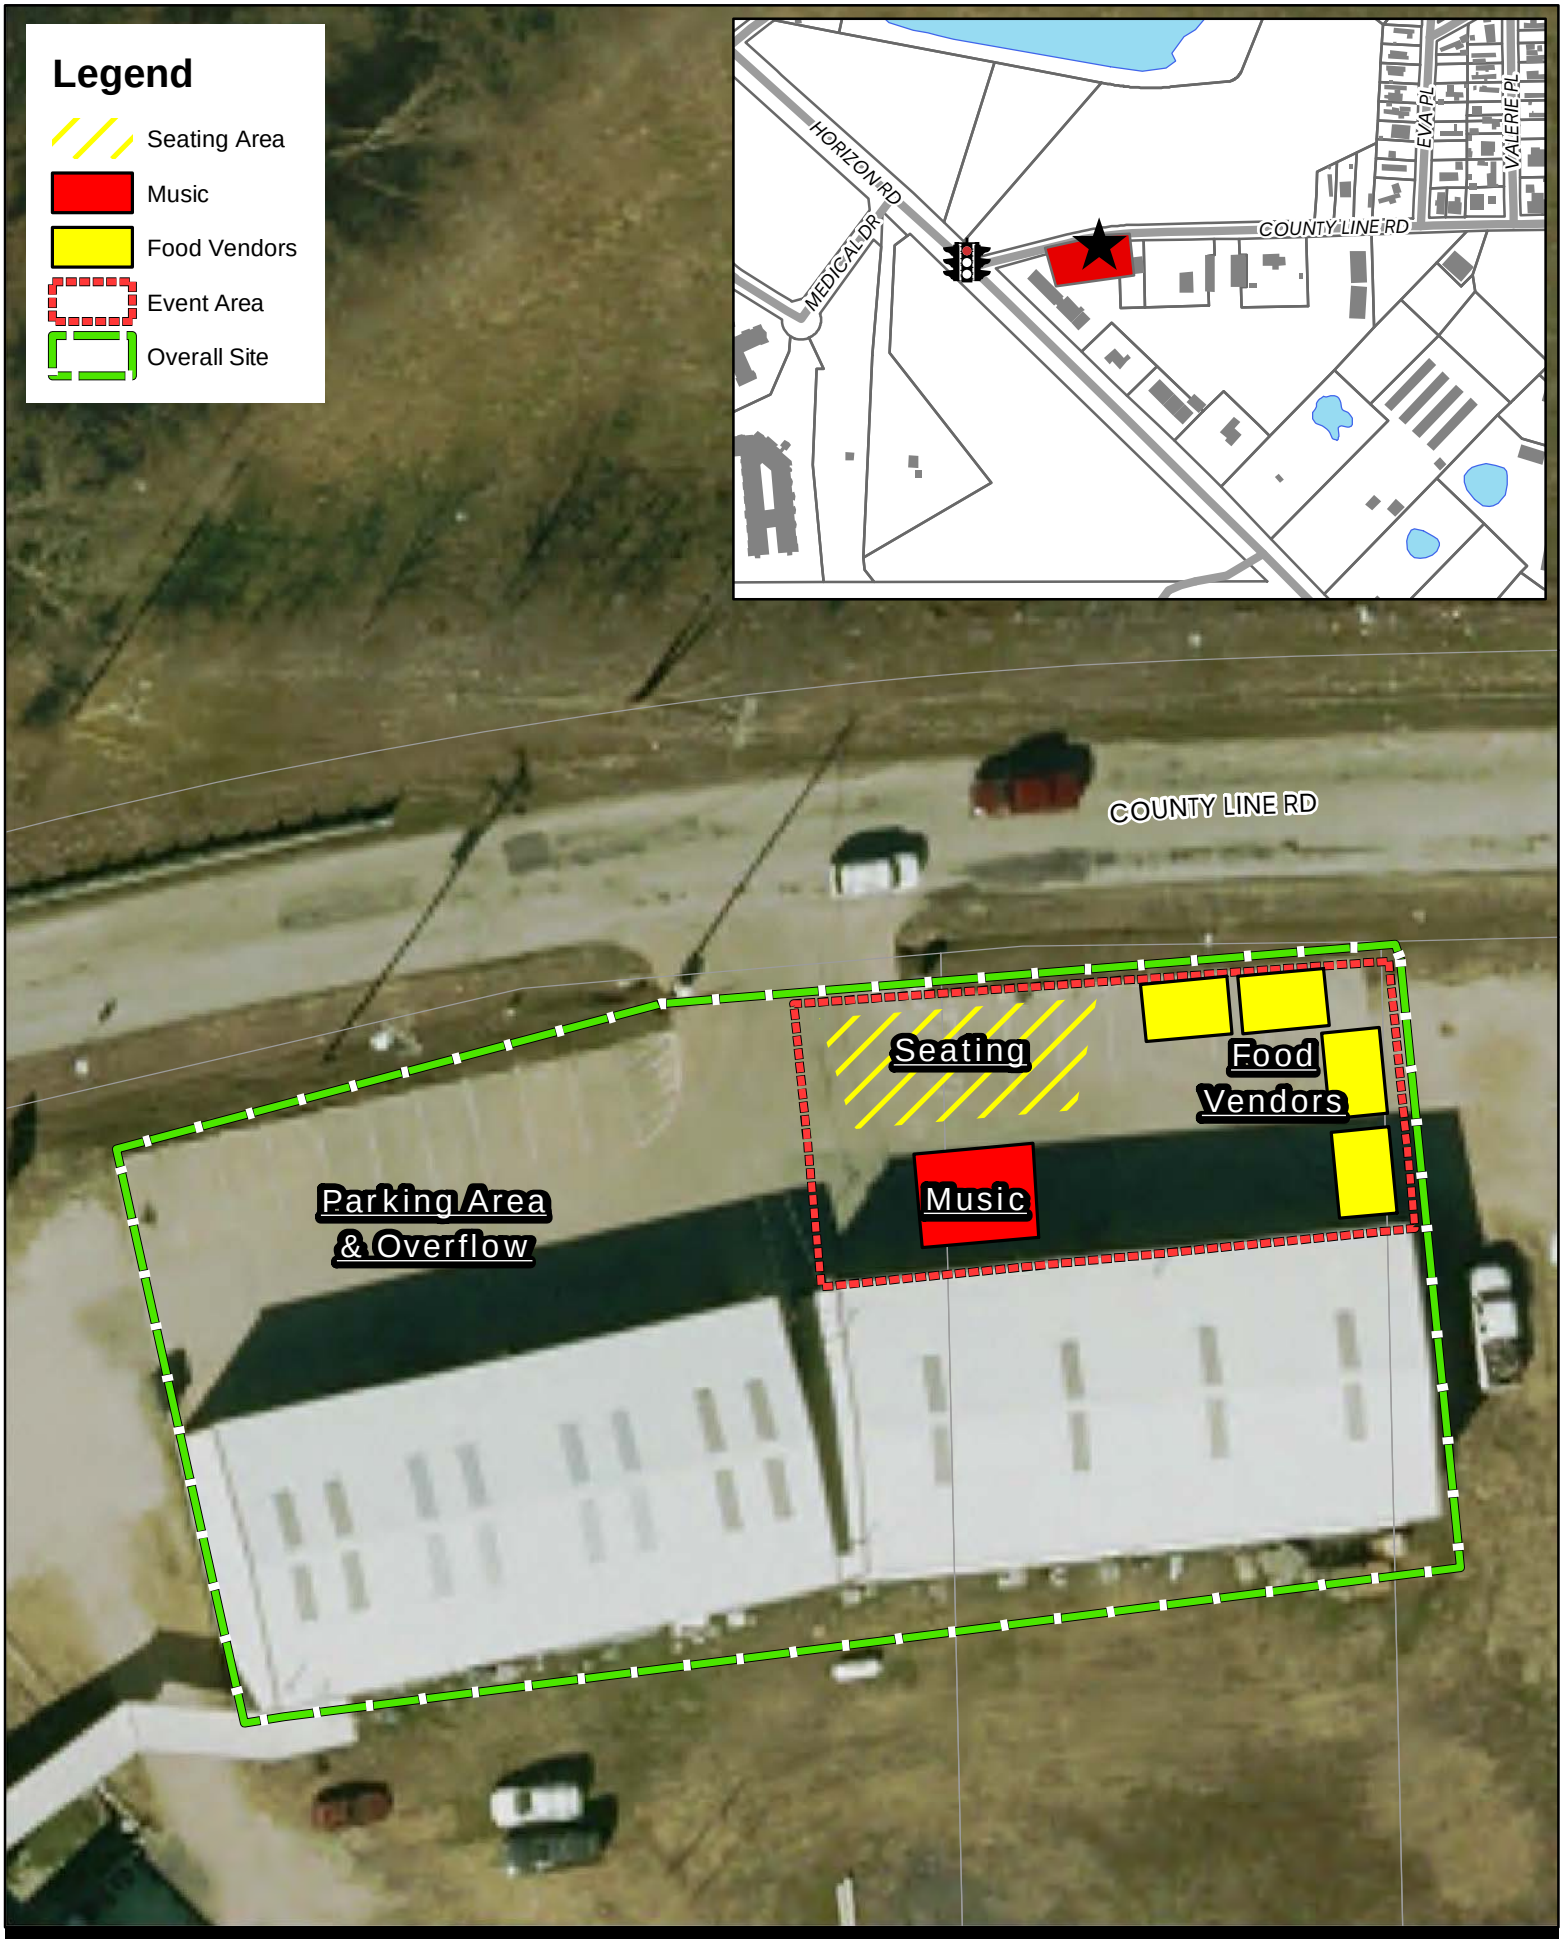
Sincerely,
Jose Arturo and Petra Ramirez
384 County Line Rd. Rockwall, Tx 75032

he WINES she DINES

TASTY REVIEWS FROM BOTH PERSPECTIVES

To Whom It May Concern:

He Wines She Dines began as a food review and blog website in 2014. We are a husband and wife team that travels the world looking for the best places to eat, drink and enjoy time together! After garnering thousands of followers, we had so many people asking us about wines to drink, what to buy, and how to order, that we decided we would start a wine club. Pursuing that effort, we quickly realized we needed to be a winery to ship product to our followers. With that in mind, we got our federal winery permit and import license and begin working with wineries in California and France to produce amazing wines to bring to Rockwall. We began operating in the Fall of 2016 at 203 County Line Rd, Rockwall, TX 75032. Until the Fall of 2018, we had never been open to the public. We are predominately an online business that sells to individual members through an e-commerce business model and directly to restaurants. To date, 100% of our production has been done in either Lodi, California or Champagne, France. Additionally, we buy wines from other distributors and wineries to offer a diverse mix of high-quality wines to our members.



In October of 2018, we began hosting a series of periodic "warehouse sales and tastings". During these periodic Saturday events we have been open for limited hours(12-5pm) for patrons to come, try and purchase our wines at lower than retail prices. We have only hosted 3 events this year and they have been very well received.

Moving forward we need a SUP for two primary reasons. First, we are preparing to begin limited production runs, barrel storage and some blending operations at our facility. A new SUP is required for this. Second, we want to expand our ability to have tastings and host events at our facility. These events would be limited in scope, but would potentially include live music, food trucks and seating areas for patrons to enjoy our wines. During these events, the guest area would be contained with a temporary barrier. We may use temporary tents or other covers, umbrellas, etc. for sun and rain protection. We plan to keep a conservative schedule but would like for these events to be held on nights, weekends and holidays ranging from Thursdays-Sundays with occasional Mondays or key National holidays. Our maximum operating hours would be between 11am-12am. No equipment, furniture or materials would be stored outside of the facility.

Thank you for your consideration and Cheers!

Tim and Jennifer McCallum

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A *CRAFT WINERY* AND *COMERCIAL AMUSEMENT/RECREATION (OUTDOOR)* ON A 7.2-ACRE TRACT OF LAND, ADDRESSED AS 203 COUNTY LINE ROAD AND BEING IDENTIFIED AS TRACTS 20-01 & 20-07 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Tim McCallum of He Wines She Dines, LLC for the approval of a Specific Use Permit (SUP) for a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* for the purpose of establishing a *Craft Winery* in conjunction with an outdoor venue on a 7.2-acre Tract of land, zoned Commercial (C) District, being identified as Tract 20-01 & 20-07 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, addressed as 203 County Line Road, and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* as stipulated by Article *IV, Permissible Uses,* of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in *Section 1.1, Land Use Schedule,* of *Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District,* of *Article V, District Development Standards,* of the Unified

PRELIMINARY PLAT 03.01.19

Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the additional following conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* use on the *Subject Property* and conformance to these requirements is necessary for continued operations:

A. *Craft Winery:*

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance;

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance; and,

3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. *Commercial Amusement/Recreation (Outdoor)*

1) The development and operation of a *commercial amusement/recreation* (*outdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes;

3) The hours of operation associated with the *outdoor venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM;

4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*; and,

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [FM-3097].

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified

DRAFT ORDINANCE 03-04-19

Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/04/2019

APPLICANT: Tom Jones

AGENDA ITEM: **Z2018-056;** *Zoning Change (AG to LI)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Tom Jones on behalf of Shanon Thomas of Rockwall Friendship Baptist Church for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard, and take any action necessary.

PURPOSE AND BACKGROUND:

The applicant is requesting a change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District for the purpose of constructing a *house of worship* on the subject property. The subject property is situated on a 6.03-acre tract of land, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, and located east of the intersection of Justin Road and John King Boulevard. The subject property was annexed in 1985 [*Ordinance No. 85-69*] and is zoned Agricultural (AG) District. The Agricultural (AG) District is a holding district with the intent that a property will be rezoned in conformance with the Future Land Use Plan contained in the Comprehensive Plan. According to Section 1.0, *Use of Land and Buildings*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), a house of worship is permitted in an Agricultural (AG) District by Specific Use Permit (SUP) or permitted by-right in a Light Industrial (LI) District. The proposed request to rezone the property to Light Industrial (LI) District is in conformance with the City's Future Land Use Plan.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are all follows:

North: Directly north of the subject property is a railroad (*i.e. Union Pacific/Dallas Garland N. E.*) followed by several vacant tracts of land. Beyond this is Airport Road which is identified as a M4U (*Major Collector, four [4] lane, undivided roadway)* on the City's Master Thoroughfare Plan. Beyond this is the Rockwall Municipal Airport. These areas are zoned Agriculture (AG) District.

South*:* Directly south of the subject property is Justin Road, which is identified M4D (*Major Collector, four [4] lane, divided roadway)* on the City's Master Thoroughfare Plan. Beyond this are several vacant tracts of land zoned Light Industrial (LI) District and Commercial (C) District followed by IH-30*,* which is identified as a TxDOT roadway on the City's Master Thoroughfare Plan.

East: Directly east of the subject property are several vacant tracts of land zoned Agricultural (AG) District and Light Industrial (LI) District. Beyond this is FM-3549, which is identified as a TxDOT Roadway, which delineates the city limits of Rockwall.

West: Directly west of the subject property is a small vacant tract of land followed by S. John King Boulevard, which is identified as a P6D (*Principal Arterial, six [6] lane, divided roadway*) on the City's Master Thoroughfare Plan. Beyond this are two (2) manufacturing companies (*i.e. Channell Commercial Corporation and Graham Packaging Technologies*). These areas are zoned Light Industrial (LI) District.

UNIFIED DEVELOPMENT CODE:

According to the purpose statements stipulated in Subsection 5.02, *Light Industrial (LI) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), the Light Industrial (LI) District is intended for industrial parks and larger cleaner types of industries and located close to an arterial capable of carrying commercial traffic. In this case, the subject property is located at the intersection of an arterial and a major collector (*i.e. S. John King Blvd and Airport Road*) and conforms to these requirements. The following is a summary of the minimum development standards for a property within a Light Industrial (LI) District:

Ordinance Provisions	*Zoning District Standards*
Minimum Lot Area	*12,500 SF*
Minimum Lot Width	*100-Feet*
Minimum Lot Depth	*125-Feet*
Minimum Front Yard Setback	*25-Feet*
Minimum Rear Yard Setback	*10-Feet*
Minimum Side Yard Setback	*15-Feet 1/2 Building Height*
Maximum Height	*60-Feet*
Minimum Masonry Requirement	*90%*
Maximum Impervious Parking	*90-95%*
Maximum Building Coverage	*60%*
Floor Area Ratio	*2:1*

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan, designates the subject property for *Technology/Employment* land uses, which is characterized by employment-oriented businesses, typically situated in larger centers that have access to key transportation networks. In this case, the applicant's request to rezone the property to Light Industrial (LI) District is in conformance with the Future Land Use Plan; however the land use (*i.e. a house of worship*) is considered to be a *Quasi-Public* land use. This will necessitate a change in the Future Land Use Plan and this change has been made a condition of approval.

STAFF ANALYSIS:

According to the Future Land Use Plan, the subject property is located within the Central District and is designated for *Technology/Employment* land uses. The *Technology/Employment* designation is typically associated with Light Industrial (LI) District zoning. Alternatively, the plan allows the City Council to consider requests conforming to the *Special Commercial Corridor*, which is typically associated with Commercial (C) District zoning. In this case, the applicant originally submitted a request for Commercial (C) District zoning; however, after reviewing the case staff suggested that the applicant consider Light Industrial (LI) District zoning. The reason for this suggestion is two (2) fold: (1) this property is directly adjacent to John King Boulevard and would hinder the visibility of adjacent properties that do not front onto John King Boulevard, therefore it is a reasonable expectation that the adjacent properties will develop in accordance with the *Technology/Employment* designation, and (2) the adjacent properties proximity to the existing railroad tracks may make the adjacent property better suited to Light Industrial (LI) District zoning in the future.

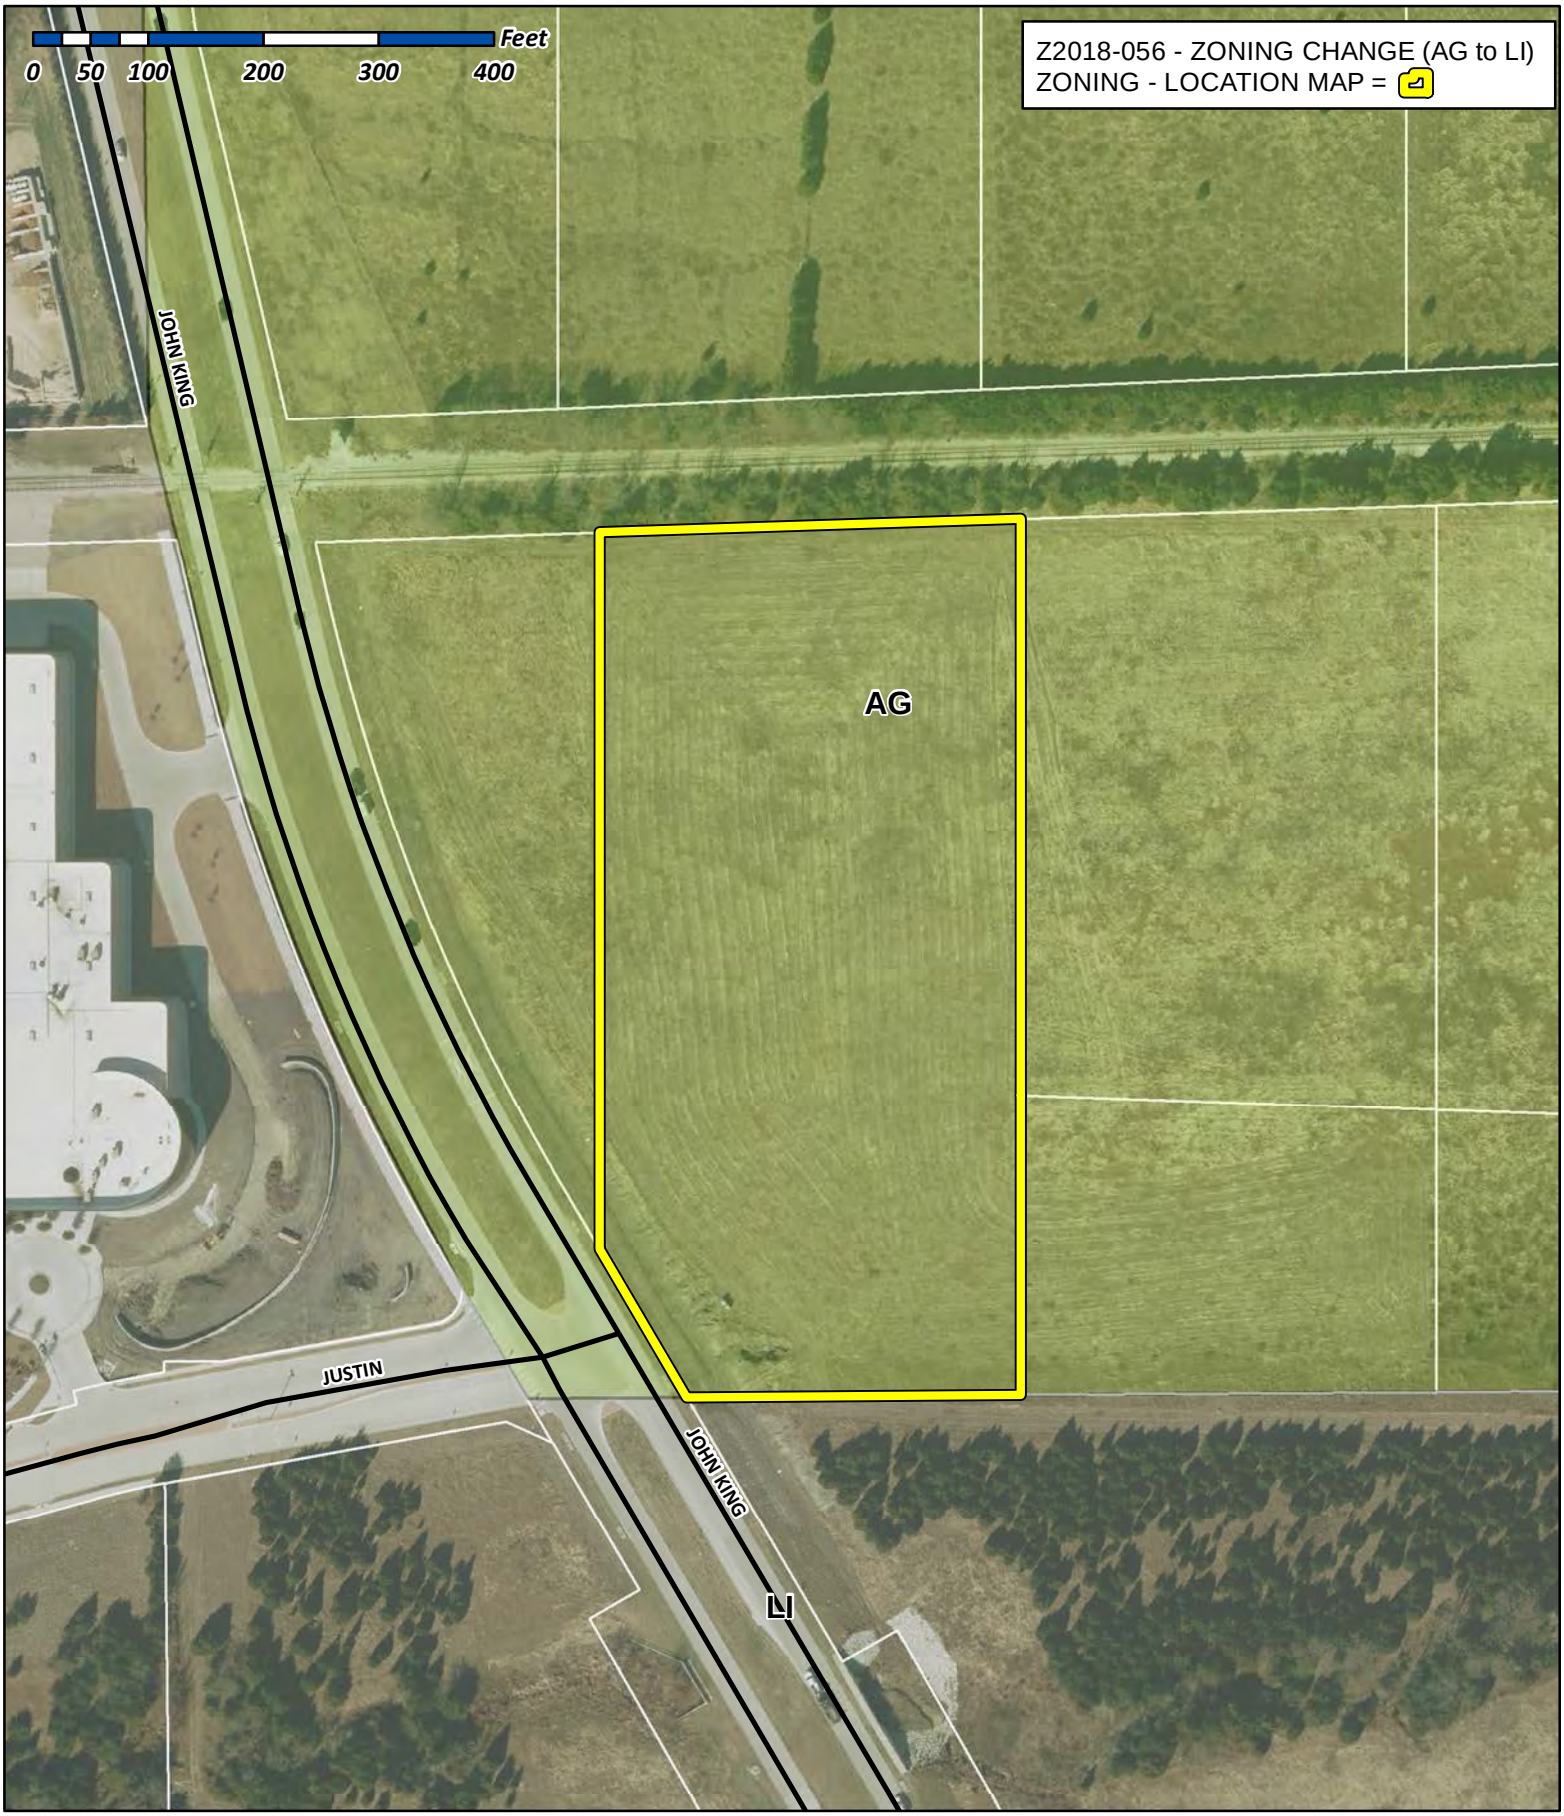
Staff should also note that while the Church could maintain its Agricultural (AG) District zoning by requesting a Specific Use Permit (SUP), a SUP would necessitate that the Church amend

said SUP with every proposed change on the property. The Light Industrial (LI) District zoning will allow the church the flexibility to make improvements to the property in conformance with the UDC without the burden of a public hearing process for every proposed improvement. With that being said, approval of a zoning change is discretionary to the City Council, pending a recommendation from the Planning and Zoning Commission. In this case, the Planning and Zoning Commission and City Council have the discretion to approve the request as submitted (*i.e. Light Industrial [LI] District*) or choose to downzone the property to a Commercial (C) District. Either zoning district allows the *House of Worship* land use *by-right.*

NOTIFICATION:

On January 14, 2019, staff mailed 10 notices to property owners and residents within 500-feet of the subject property. There are no HOA's/Neighborhood Associations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Staff also advertised the public hearings in the Rockwall Herold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had not received any notices concerning this case.

RECOMMENDATIONS:



Should the City Council approve the change in zoning, staff would recommend the following conditions of approval:

1) Any construction or building necessary to complete this change in zoning request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

2) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Plan. Specifically, this will change the designation of the subject property from a *Technology/Employment* land use designation to a *Quasi-Public* land use designation;

PLANNING AND ZONING COMMISSION:

On January 29, 2019, the Planning and Zoning Commission's motion to recommend approval of the change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District passed by a vote of 7-0.

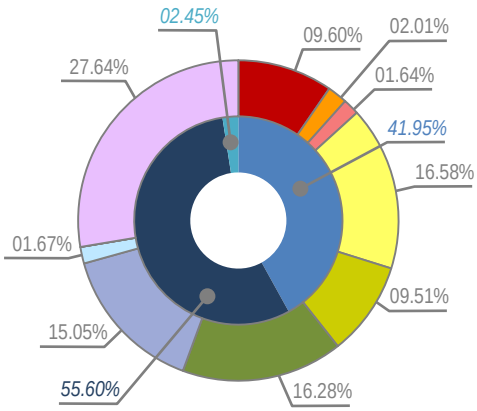
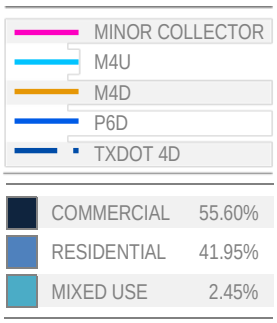
01 CENTRAL DISTRICT

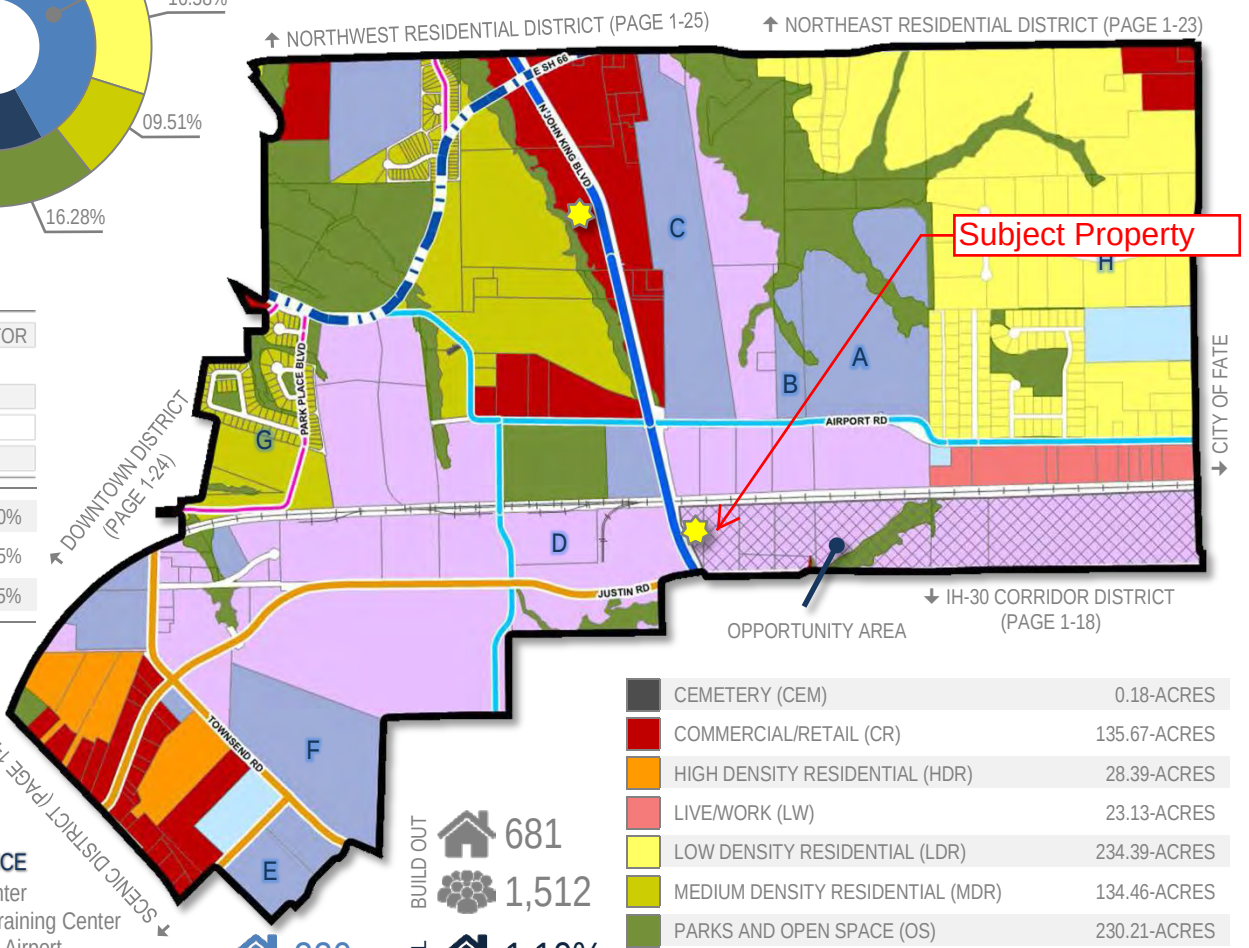
DISTRICT DESCRIPTION



The *Central District* is composed of a wide range of land uses that very from single-family to industrial. The district's residential areas consist of suburban residential (*e.g. Park Place*), estate and rural residential (*e.g. Rolling Meadows Subdivision*), and higher density residential developments (*e.g. Evergreen Senior Living*). The *Central District* also incorporates a high volume of industrial land uses adjacent to the *Union Pacific/Dallas Garland and Northeastern Rail Road* line that bisects the district -- *and City* -- in an east/west direction. The Ralph Hall Municipal Airport and several other large public/school facilities are also located within the boundaries of this district.



John King Boulevard Trail Plan
Rest Stop/Trailblazer Pylon



DISTRICT STRATEGIES

The *Central District* still has some key vacant and underutilized tracts of land that are anticipated to shape the area moving forward. Taking these areas into consideration the following are the strategies for this district:

1. *Live/Work*. The live/work designation in this district is intended to provide flexibility for land owners, adjacent to the railroad tracks, to transition their properties -- *when appropriate* -- to low intensity office/retail land uses that are similar in scale and scope to the adjacent residential properties.
2. *Suburban Residential*. While many of the larger tracts in this area are not large enough to support a master planned community (*which is characteristic of Northern Estates and Northwest Residential Districts*), any new *Suburban Residential* developments should include a mix of larger to mid-sized lots. Lots in these developments should *not* be smaller than existing *Suburban Residential* lots in this district, but should be comparable in size to newer developments (*i.e. Ridgecrest Subdivision*). In addition, newer subdivisions adjacent to existing larger lot subdivisions should provide a transition *(e.g. larger lots or a large landscape buffer*) adjacent to the existing subdivision.
3. *Commercial/Retail Centers*. The commercial/retail centers in this district are intended to support existing and proposed residential developments, and should be compatible in scale with adjacent residential structures (*i.e. are more characteristic of neighborhood/convenience centers*); however, areas adjacent to John King Boulevard should be capable of accommodating mid to large-scale commercial users. All commercial developments should incorporate appropriate screening (*e.g. berms, landscaping and large buffers*) to transition uses.
4. *Industrial/Special Commercial Corridor Opportunity Area*. The area south of the railroad tracks that is indicated by a crosshatched pattern represents an opportunity area in the City of Rockwall. Due to its adjacency to the railroad tracks, the land is naturally suitable for *Technology/Industrial* land uses; however, due to the land's adjacency to strategically located parcels along IH-30 the land could be utilized as part of a larger development in the *Special Commercial Corridor.*
5. *John King Boulevard Trail Plan*. A ten (10) foot hike/bike trail should be incorporated along John King Boulevard with rest stops and signage as indicated in *Appendix 'B'* of this Comprehensive Plan.

SHEET 1 OF 1

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT ON A 6.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2-4 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Tom Jones on behalf of Susan Thomas of Rockwall Friendship Baptist Church for a change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District on a 6.03-acre tract of land identified as Tract 2-4 of the D. Harr Survey, Abstract No. 103, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District and more fully depicted in *Exhibit 'A'* and described in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Light Industrial (LI) District;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District as stipulated in Section 1.1*, Use of Land and Buildings,* of Article IV*, Permissible Uses* and Subsection 5.02*, Light Industrial (LI) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

DRAFT 01.07.19

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein;

SECTION 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00)* for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code (UDC) of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable; and

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect;

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 19TH DAY OF FEBRUARY, 2019.

_____
Jim Pruitt, *Mayor*

ATTEST:

_____
Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor and City Council**

CC: **Rick Crowley, City Manager**
Joey Boyd, Assistant City Manager
Mary Smith, Assistant City Manager

FROM: **Andy Hesser, Director of Parks and Recreation**

DATE: **January 30, 2019**

SUBJECT: **HARBOR URBAN BEACH PARK**

During the work session, staff will present additional information regarding the Harbor Urban Beach Park concept plan and phase one options and associated costs. Staff will also provide copies of three possible phase one options and estimated costs for each option. We are seeking direction on the concept plan, preferred phase one amenities and timing of project construction.

AGENDA

ROCKWALL CITY COUNCIL REGULAR MEETING

Tuesday, February 19, 2019 - 4:00 PM

City Hall Council Chambers - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

pg.7 1. Hold a work session to discuss and consider implementing the use of a tool created by the Planning and Zoning Department in conjunction with zoning cases, and take any action necessary.

pg.23 2. Hold a work session to discuss and consider strategies for the IH-30 Corridor as stated in the IH-30 Corridor Planning Study, and take any action necessary.

pg.49 3. Hold work session to discuss the "Staffing and Adequate Fire and Emergency Response" (S.A.F.E.R.) Grant Program through the Federal Emergency Management Agency (F.E.M.A.)

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects, projects, and/or incentives pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER TROWBRIDGE

VIII. [Blank / Omitted]

IX. OPEN FORUM

X. CONSENT AGENDA

pg.56 1. Consider approval of the minutes from the February 4, 2019 regular city council meeting, and take any action necessary.

pg.67 2. Z2018-058 - Consider request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of an ordinance for a Specific Use Permit (SUP) for a Craft Winery and Commercial Amusement/Recreation (Outdoor) on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary. (2nd Reading)

pg.75 3. Consider authorizing City Manager to negotiate and execute a facility use agreement with Lake Pointe Sports and take any action necessary.

pg.88 4. Consider adopting official logo for the "Free Live Music Capital of North Texas," and take any action necessary.

pg.91 5. Consider authorizing the City Manager to execute a professional engineering services contract with Kimley-Horn and Associates, Inc. to perform the engineering design services and specifications for the W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project in an amount not to exceed $532,000.00, to be paid for by 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

pg.116 6. Consider authorizing the City Manager to execute a professional engineering services contract with Burgess & Niple, Inc. to perform the engineering design and construction plans for the Squabble Creek Sanitary Sewer Interceptor Rehabilitation Phase 3 Project in an amount not to exceed $30,000.00 to be funded by water/wastewater funds, and take any action necessary.

pg.130 7. Consider authorizing the City Manager to execute a professional engineering services contract with Freese & Nichols, Inc. to perform the engineering design services and specifications for the N. Alamo Road (Live Oak Street to Downtown Couplet) Reconstruction Project in an amount not to exceed $360,580.00, to be funded by the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

pg.159 8. Consider a request by Matt Moore of ClayMoore Engineering, Inc. for the approval of an alternative tree mitigation plan in conjunction with an approved site plan for for a multi-tenant office/warehouse complex on a 7.52-acre portion of a larger 9.76-acre tract of land identified as Lot 18 and the south portion of Lot 19, Rainbow Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 407 Ranch Trail, and take any action necessary.

XI. APPOINTMENT ITEMS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

pg.164 2. Appointment with Ralph Oltmann, President of Mclenco Construction Services, Inc. to hear request concerning temporary closure of Laguna Drive related to Hyatt Place construction, and take any action necessary.

XII. PUBLIC HEARING ITEMS

pg.197 1. Z2019-001 - Hold a public hearing to discuss and consider approval of an ordinance for a text amendment to Article IV, Permissible Uses, and Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating standards for a Barn or Agricultural Accessory Building and to amend the land use conditions for the Guest Quarters/Secondary Living Unit land use, and take any action necessary (1st Reading).

XIII. Action Items

pg.204 1. Z2018-056 - Discuss and consider a request by Tom Jones on behalf of Shanon Thomas of Rockwall Friendship Baptist Church for the approval of an ordinance for a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard, and take any action necessary (2nd Reading).

pg.210 2. A2018-005 - Discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of an ordinance for the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary (1st Reading).

pg.222 3. Discuss and consider authorizing staff to submit application to the "Staffing and Adequate Fire and Emergency Response" (S.A.F.E.R.) Grant Program on behalf of the Rockwall Fire Department, and take any action necessary.

XIV. Executive Session

The City of Rockwall City Council will recess into Executive Session to discuss the following matters as authorized by Chapter 551 of the Texas Government Code:

1. Discussion regarding Economic Development prospects, projects, and/or incentives pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XV. Reconvene Public Meeting & Take Any Action as Result of Executive Session

XVI. Adjournment

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.087 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 15th day of February, 2019 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Cole, City Secretary
or Margaret Delaney, Asst. to the City Sect.

CITY OF ROCKWALL

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, City Manager Mary Smith, Assistant City Manager Joey Boyd, Assistant City Manager
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	Zoning Cost/Benefit Tool Background, Methodology, and Instructions

SUMMARY

At the City Council's direction staff has prepared a model that is intended to project the potential costs associated with a proposed zoning change compared to the existing and anticipated costs of the current zoning of a property. In addition, the model is intended to show the City Council how a proposed zoning change brings the City's land use mix closer to or further away from the chosen ratio of 67% residential value to 33% non-residential value (*i.e. estimated to equate to an 80% residential/20% non-residential mix of land uses*). The following memorandum outlines the background and purpose of the model, the methodology used to create the model, and how the model is setup and used to evaluate zoning requests. This memorandum has been drafted for transparency purposes concerning the methodology used to create the model, and to provide appointed/elected officials, the development community, and interested parties with a basis for how the model is intended to be utilized. This memorandum is broken up into the following sections:

(1) Background
(2) Model Methodology
(3) Limitations of the Model
(4) Setting Up the Models Variables
(5) Using the Model
(6) Updating the Model

BACKGROUND

In 2012, the City of Rockwall contracted with Insight, Inc. -- *an economic consultant* -- to purchase *Z-Snap*, a software program that is intended to help quantify the potential fiscal impacts of zoning. This proprietary tool allowed City staff to estimate the economic impact of a zoning proposal based on a set of variables that included an estimate of the City's Cost of Community Service (COCS). Unfortunately, the model designed by Insight, Inc. does not allow staff the ability to view or adjust its variables to account for changes in economic conditions annually, and -- *due to the inability to update the software* -- the model is no longer relevant for 2019 conditions.

More recently, the City Council has requested a similar tool to the one created by Insight, Inc. that could also show how a zoning request will bring the City closer to or further away from its stated goal of 67% residential value to 33% non-residential value (*i.e. estimated to equate to an 80% residential/20% non-residential mix of land uses*). This tool was also referred to in both the Planning and Zoning Department's strategic plan and in the newly adopted OURHometown Vision 2040 Comprehensive Plan. Based on this direction, the Planning and Zoning Department staff have created a tool that: [*1*] shows the estimated shift in land use/land value proposed by a zoning request, [*2*] shows

conformance/non-conformance to the City's Future Land Use Plan, and [*3*] estimates the potential costs associated with the zoning request based on its current zoning versus the proposed zoning. The only criteria that City staff had when approaching the creation of this model -- *beyond the direction of the City Council* -- was to create a model that was easily updated, and could yield results using as little staff time as possible.

It should be noted that if the City Council chooses to use this tool in evaluating zoning cases, the results of this model are not a reasonable basis for the denial of a zoning request; rather, the results generated by this model are only meant to provide a general estimate of the potential fiscal impact of changing the zoning of a particular tract of land. When changing zoning the City Council should take into account other qualitative variables that exist outside the model (*e.g. conformance to the Future Land Use Map and Plan, the adjacent land uses and the potential impacts on these properties, the social impact of the zoning change on the community, etc.*).

MODEL METHODOLOGY

Fiscal Impact Analysis (FIA) is a tool that allows a rough comparison to be made showing the anticipated changes in municipal costs against the anticipated changes in municipal revenues. In preparing the model described above, it was postulated that a tool utilizing FIA would be the most efficient and most relevant way to show the nexus between land use changes and their impact on municipal revenues and expenditures. The following section details the methodology used by City staff in the creation of this tool.

1) *Land Value by Zoning Designation*. In order to estimate the potential changes in land and improvement values resulting from a change in zoning, City staff used an *Average Cost Method* to calculate the potential cost of land values and improvement values for one (1) square foot of land by zoning designation. The *Average Cost Method* assumes that the added value of land and improvements resulting from a zoning change are based on the average cost of land and improvement values that are currently contained within the City's limits. This method is summarized as follows:

$$x = \frac{(\sum b + \sum c)}{\sum(43{,}560a)}$$

WHERE:

x = *Estimated Price/SF*
a = *Sum of Total Square Feet for a Specific Zoning District*
b = *Sum of Total Estimated Land Value for a Specific Zoning District*
c = *Sum of Total Estimated Improvement Value for a Specific Zoning District*

To achieve this, the City's Geographic Information Systems (GIS) division used the City's zoning and parcel layers to extract the *2018 Certified Tax Roll* values -- *provided by the Rockwall Central Appraisal District (RCAD)* --, and break them down into a per square foot cost by each zoning designation. Once the average cost per square foot of land and improvement values was calculated for each zoning district, the model uses the proposed zoning change to calculate the potential increase/decrease in total taxable value (*i.e. land and improvement values*), less the loss of the land's current taxable value based on the *2018 Certified Tax Roll*. This calculation is summarized through the following formula:

$$d = (ab_x) - (ab_y)$$

WHERE:

d = *Change in Taxable Value*

a = *Land Area Proposed to be Rezoned*
b_x = *Estimated Value of Land and Improvements per Proposed Zoning Designation*
b_y = *Value of Current Land and Improvements per the 2018 Certified Tax Roll*

Once the estimated land value and improvements of a proposed zoning change have been calculated these are then used to show the shift in present versus proposed land values. This is done to visually display how the zoning change will either bring the City closer to or further away from its stated goal of 67% residential value versus 33% non-residential value. This model also translates the proposed zoning change to its impact on the Future Land Use Map, and shows how the projected change compares to the desired 80% residential land uses versus 20% non-residential land uses.

2) *Estimated Property Taxes for Residential and Non-Residential Land Uses*. Once the land and improvement values of the proposed zoning change have been established, the model calculates the estimated residential and non-residential property tax revenues anticipated from a project. This is calculated by taking the total value of the land (*i.e. the sum of the land and improvement values*) and dividing it by $100.00 to obtain the value per $100.00 valuation. This is then multiplied by the effective tax rate to determine the estimated tax collections. A summary of this formula is as follows:

$$x = \left(\frac{(a+b)}{\$100.00}\right)c$$

WHERE:

x = *Estimated Tax Revenue*
a = *Land Value of the Land*
b = *Improvement Values of the Land*
c = *Effective Tax Rate*

3) *Cost of Community Service*. To calculate the Cost of Community Service (COCS), City staff used an *Average-Cost* approach. The *Average-Cost a*pproach is a basic methodology of Fiscal Impact Analysis (FIA), which calculates costs and revenues based on the average cost per unit of service multiplied by the demand for that unit. This type of FIA can be achieved through various techniques (*e.g. Per-Capita Multiplier, Service Standard, Proportional Evaluation, etc.*); however, for this model staff utilized the *Per Capita Multiplier* and *Proportional Valuation* techniques.

(a) *Per-Capita Multiplier Approach for COCS for Residential Land Uses.* The *Per-Capita Multiplier* approach is obtained by dividing expenditures in the budget by the current population to obtain a cost per person. This can then be extrapolated using the projected population increase of a particular residential development to estimate the cost required to serve said development. This approach assumes that each of the service levels will be maintained in the future, and that the addition of each resident will generate the same level of costs to the municipality as each existing resident currently generates. This can be summarized by the following formula:

$$x = \frac{(ab)}{c}$$

WHERE:

x = *Cost of Expenditure per Person*
a = *Expenditure*
b = *Percent of Expenditure Attributed to Residential Development*
c = *Current Population*

(b) *Proportional Valuation Approach for COCS for Commercial Land Uses.* The *Proportional Valuation* approach is obtained by calculating the proportional percentage increase in non-residential property values anticipated by a particular development, and multiplying the expenditures in the budget associated with non-residential property by the proportional increase. This method assumes that the assessed property values are directly related to public service costs. This approach can be summarized by the following formula:

$$x = ab$$

$$y = \frac{(c + d)}{c}$$

$$z = xy$$

WHERE:

x = *Expenditure Attributed to Non-Residential Development*
a = *Percent Proportion of Non-Residential Value*
b= *Municipal Expenditure*
y = *Proportional Increase in Non-Residential Development*
c = *Value of Existing Non-Residential Value*
d = *Value of Proposed Development*
z = *Costs Allocated to New Facility*

To estimate the anticipated COCS for residential and non-residential land uses, City staff took the line item expenditures from the *Debt Services* and *Operating Expenditures* sections of the City's *FY2019 Budget*. For each of the line item expenditures, a percentage share was then assigned to either residential or non-residential costs with the total sum of the two (2) percentage shares equaling 100%. These shares were the perceived costs that were attributable to either residential land uses or non-residential land uses. In cases where staff is unable to ascertain the percentage of responsibility for the expenditure, a default value equal to the percentage of the residential value versus non-residential value currently existing in the city is used (*i.e. 76.31% residential value to 23.69% commercial value*). Once all expenditures are accounted for, the *Per-Capita Multiplier* and *Proportional Valuation* methods are applied to the percentage share for each expenditure. The sum of the *Per-Capita Multiplier* method (*i.e. percent share of expenditure divided by the current population*) represents the estimated cost attributable to one (1) resident. This is then multiplied by the anticipated number of residents for a given development (*i.e. the number of households determined by the acreage and zoning designation multiplied by the anticipated people per household*) to determine the total anticipated cost of a proposed residential development. The sum of the *Proportional Valuation* method (*i.e. the percent share of expenditure multiplied by the proportional increase less the original expenditure*) represents the cost attributable to a proposed non-residential development. The *Proportional Valuation* method is used in this model to calculate both the proposed non-residential zoning change and the estimated potential of the current non-residential zoning.

4) *Estimated Sales Tax.* When estimating sales tax revenues associated with residential and non-residential land uses, City staff used two (2) different types of sales tax categories to calculate the potential impacts of a change in zoning. These are *Direct Sales Tax* and *Indirect Sales Tax*.

(a) *Direct Sales Tax*. For this model, *Direct Sales Tax* refers to sales tax that is directly attributable to non-residential, non-industrial property. To calculate the *Direct Sales Tax*, City staff used an *Average Cost Method*. This method assumes that the sales tax generated by adding of one (1) square foot of non-residential land will be equal to the average sales tax generated by one (1)

square foot of non-residential land currently located in the City. The *Direct Sales Tax* calculation can be summarized by the following formula:

$$x = \left(43{,}560\left(\frac{b}{(43{,}560a)}\right)\right)c$$

WHERE:

x = *Estimated Direct Sales Tax*
a = *Total Acreage of Sales Tax Producing Land in the City*
b = *Estimated City Sales Tax*
c = *Acreage of Proposed Sales Tax Producing Land Associated with the Zoning Change*

(b) *Indirect Sales Tax*. *Indirect Sales Tax* refers to sales tax that is associated with the increase in residents resulting from a residential development. This is calculated using the *Per-Capita Multiplier* method described above. In this case, the total sales tax collected by the City is divided by the City's current population to establish the per-capita sales tax (*i.e. sales tax associated with one [1] person*). This per-capita number is then multiplied by the additional number of residence anticipated to be added to the population by a particular zoning change. The *Indirect Sales Tax* calculation can be summarized by the following formula:

$$x = \left(\frac{b}{a}\right)(cd)$$

WHERE:

x = *Estimated Direct Sales Tax*
a = *Current Population*
b = *Estimated City Sales Tax*
c = *Number of Households Associated with the Zoning Change*
d = *Average People Per Household*

5) *Estimated Annual Revenues, Expenditures and Total Cost.* Annual revenues are calculated by adding the [*1*] residential property tax, [*2*] non-residential property tax, [*3*] direct sales tax, and [*4*] indirect sales tax. Annual expenditures are calculated by adding the COCS for residential and non-residential land uses. Once these numbers are calculated the estimated total annual cost to the municipality is obtained by adding the total expenditures to the total revenues.

LIMITATIONS OF THE MODEL

Staff should point out that while the methodology contained in this model is based on general practices, there are some limitations associated with Fiscal Impact Analysis (FIA) and the model itself that are important to understand when analyzing the model's outputs. For starters, FIA can have the effect of placing an emphasis on alternatives and the perceived expenses associated with these alternatives, and take away the emphasis on other factors that are less easily quantified (*e.g. the social and political constraints of zoning*). FIA can also be misleading to outside parties that are not trained to interpret the data. When looking at the techniques used in this model (*i.e. Per-Capita Multiplier and Proportional Valuation approaches*) both are intended to provide a broad analysis, and will be less accurate than a detailed economic study of the proposed zoning case.

From the model's perspective, the determination of the proportional share relating to the City's cost is somewhat subjective to the person calibrating the model. This speaks to the elusiveness of the true valuation of Cost of Community Service (COCS). The model also lacks the ability to account for future

bond elections for infrastructure and public improvements. Finally, the sales tax estimates in this model attempt to account for both the direct and indirect forms of sales tax; however, it does not account for the overlap between the per-capita sales tax expenditures of a new resident and the direct sales tax generated by commercial/retail land uses when a zoning case deals with both residential and non-residential land uses.

All of these items should be understood by elected and appointed officials when interpreting the results generated by this model. In addition, the merits of a zoning case should be decided by weighing all available information including the zoning changes conformance to the City's Comprehensive Plan. This model should *not* be a basis for the denial of a request to change the zoning of a property.

SETTING UP THE MODEL

The following are the steps necessary to setting up the model prior to use. The model should be recalibrated on an annual basis to ensure that the information provided by the model is accurate. During the annual update, all information in the *Zoning Cases* tab should be removed as these cases will be accounted for in the updated zoning and future land use acreages.

STEP 1. The first step in preparing the model is to utilize ArcMap to extract the acreages for each land use designation from the *Future Land Use* layer (*i.e. Feature Class*). These should be summarized by each of the *Land Use Districts* contained in the OURHometown Vision 2040 Comprehensive Plan. These acreages are then input into the green cells on the *Future Land Use* tab of the spreadsheet. By doing this the *Pre-Adjusted* and *Adjusted* tabs of the spreadsheet will auto populate with the acreages.

Figure 1. Future Land Use

Financials | Adjusted | Pre-Adjusted | Zoning | Future Land Use
Ready

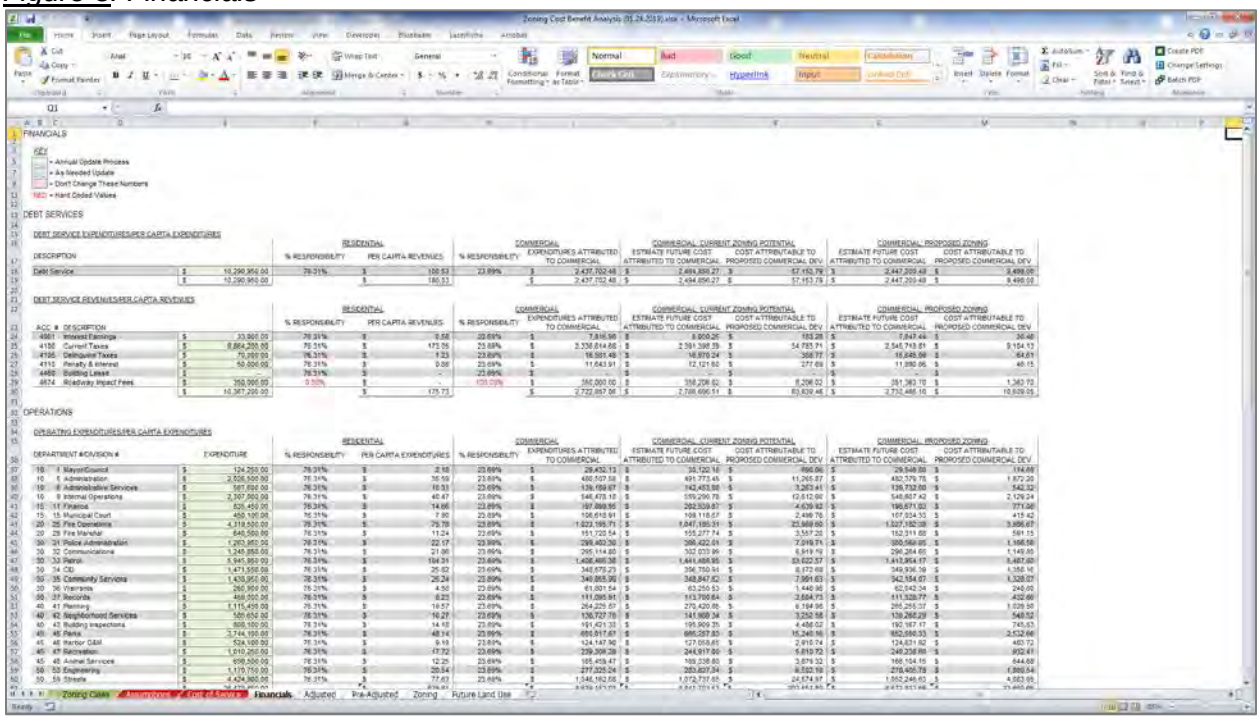
STEP 2. The next step is to utilize ArcMap to extract the acreages, land values and improvement values for each parcel by its zoning designation. This requires that the *Zoning* layer be joined to the *Parcel* layer through a union. In addition, all Planned Development District acreages should be removed from the *Zoning* layer. For Planned Development Districts, the model requires these acreages be summarized by their base zoning. The *PD Base Zoning* layer has this information and will need to be joined to the *Parcel* layer through a union. Once this information is collected, the two (2) tables can be exported and merged in

Microsoft Excel. This information is then input into the green cells on the *Zoning* tab of the spreadsheet.

Figure 2. Zoning

CURRENT ZONING ACREAGES

UPDATED: 8/27/2018



#	ZONING DISTRICTS	ACREAGES	TOTAL EST. LAND	TOTAL EST. IMPROVEMENTS	TOTAL EST. VALUES	EST. PRICE/SF

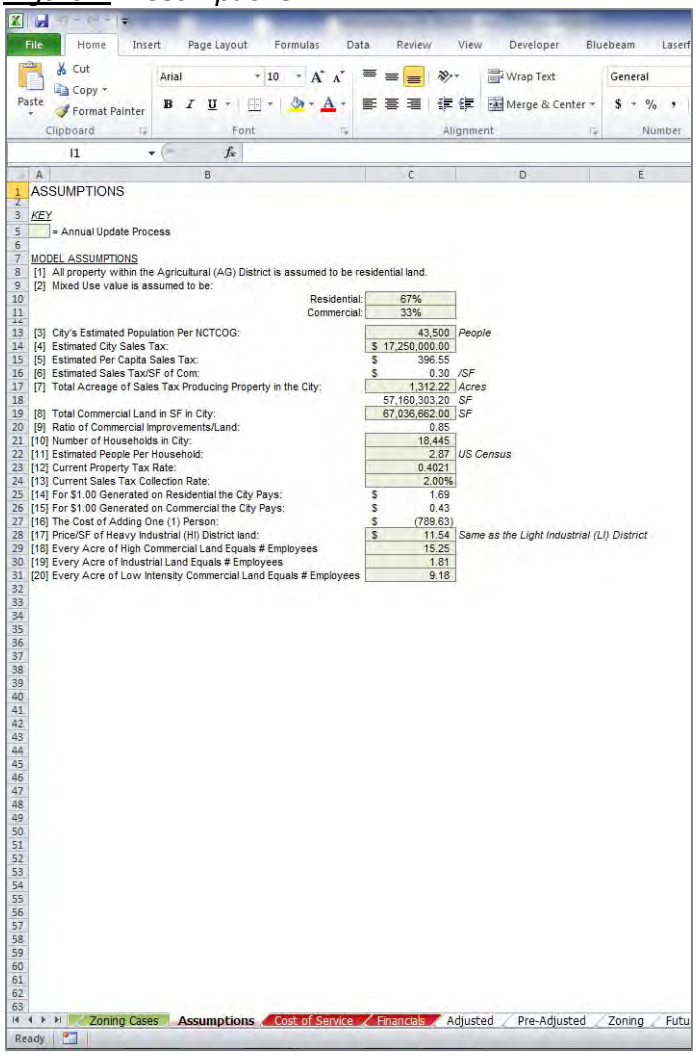
Worksheet | Zoning Cases | Assumptions | Cost of Service | Financials | Adjusted | Pre-Adjusted | Zoning | Future Land Use

Ready

STEP 3. The third step in the process is to update the financial information using the current year's budget. This includes all expenditures and revenues for the City. The dollar amounts for each line item are input into the green cells on the *Financials* tab of the spreadsheet.

Figure 3. Financials



STEP 4. The next step involves inputting the models assumptions, which are located on the *Assumptions* tab in the spreadsheet. Each of the green cells on this tab represents

13

variables used by the model to make the calculations detailed in the methodology section. These assumptions can come from various sources; however, in the original setup of the model the following sources were used for each variable:

(1) *Mixed Use Value*: OURHometown Vision 2040 Comprehensive Plan [*using the desired land use mix*]
(2) *Population*: North Central Council of Governments (NCTCOG)
(3) *Sales Tax*: City's Annual Budget
(4) *Total Acreage of Sales Tax Producing Property*: GIS Division [*using the Current Land Use layer*]
(5) *Total Non-Residential Land in the City*: GIS Division [*using the Current Land Use layer*]
(6) *Number of Households in the City*: GIS Division [*using residential address points from the Address Point layer*]
(7) *Estimated People Per Household*: United States Census Bureau
(8) *Effective Tax Rate*: City's Annual Budget
(9) *Current Sales Tax Collection Rate*: City's Annual Budget
(10) *Price Per Square Foot of Heavy Industrial (HI) District Land*: Light Industrial (LI) District Land Per Square Foot
(11) *Employment Data for Land Uses*: ESRI Business Analyst and GIS Division

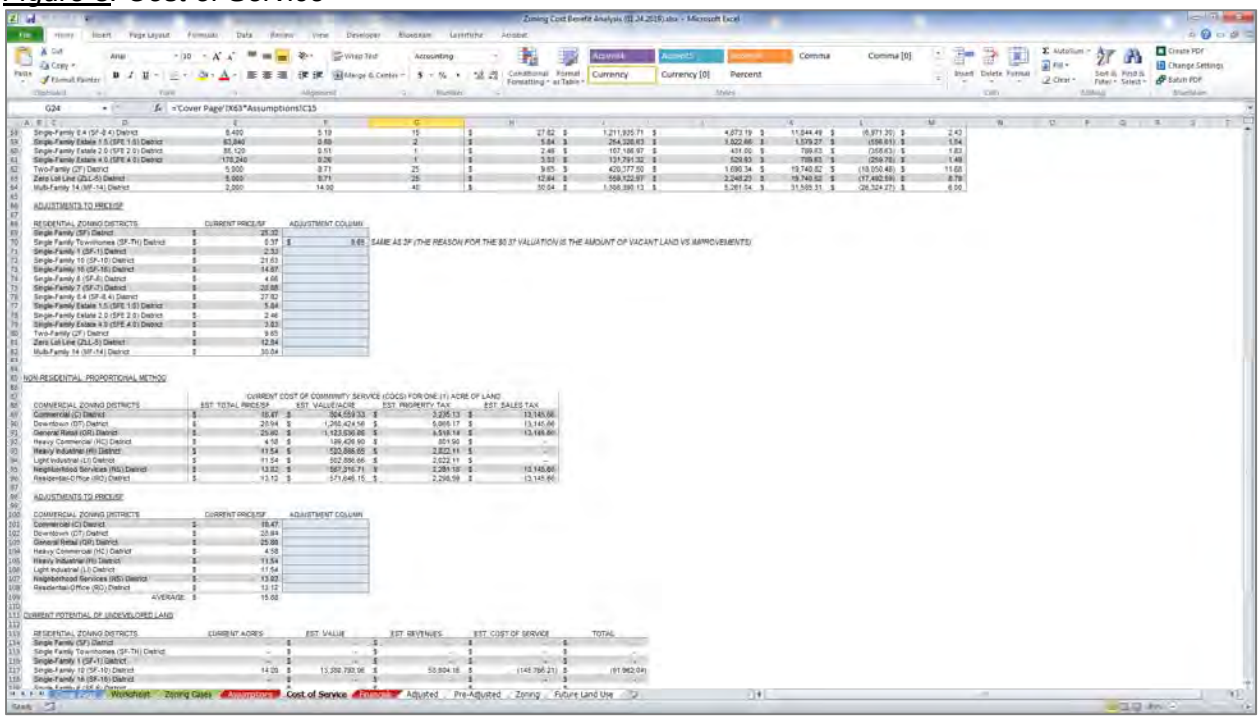
Figure 4. Assumptions

ASSUMPTIONS

KEY

= Annual Update Process

MODEL ASSUMPTIONS



[1] All property within the Agricultural (AG) District is assumed to be residential land.
[2] Mixed Use value is assumed to be:

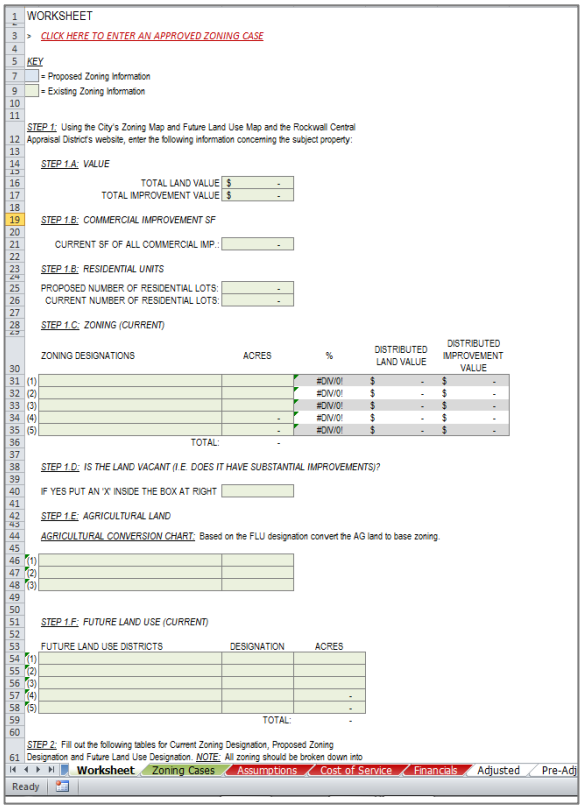
Residential:	67%
Commercial:	33%

[3]	City's Estimated Population Per NCTCOG:	43,500	*People*
[4]	Estimated City Sales Tax:	$ 17,250,000.00	
[5]	Estimated Per Capita Sales Tax:	$ 396.55	
[6]	Estimated Sales Tax/SF of Com:	$ 0.30	*/SF*
[7]	Total Acreage of Sales Tax Producing Property in the City:	1,312.22	*Acres*
		57,160,303.20	*SF*
[8]	Total Commercial Land in SF in City:	67,036,662.00	*SF*
[9]	Ratio of Commercial Improvements/Land:	0.85	
[10]	Number of Households in City:	18,445	
[11]	Estimated People Per Household:	2.87	*US Census*
[12]	Current Property Tax Rate:	0.4021	
[13]	Current Sales Tax Collection Rate:	2.00%	
[14]	For $1.00 Generated on Residential the City Pays:	$ 1.69	
[15]	For $1.00 Generated on Commercial the City Pays:	$ 0.43	
[16]	The Cost of Adding One (1) Person:	$ (789.63)	
[17]	Price/SF of Heavy Industrial (HI) District land:	$ 11.54	*Same as the Light Industrial (LI) District*
[18]	Every Acre of High Commercial Land Equals # Employees	15.25	
[19]	Every Acre of Industrial Land Equals # Employees	1.81	
[20]	Every Acre of Low Intensity Commercial Land Equals # Employees	9.18	

STEP 5. The final step in the process is optional depending on the accuracy of the calculations for per square foot land values in each zoning district. The blue cells on the *Cost of Service* tab of the spreadsheet allow the price per square foot to be adjusted for each zoning district. This may be necessary if there is a large amount of vacant land in any district, which could skew the overall price per square foot of land in that district.

Figure 5. Cost of Service

USING THE MODEL



The following steps lay out the process of inputting a zoning case into the model and generating the summary page that will be provided to appointed and elected officials.

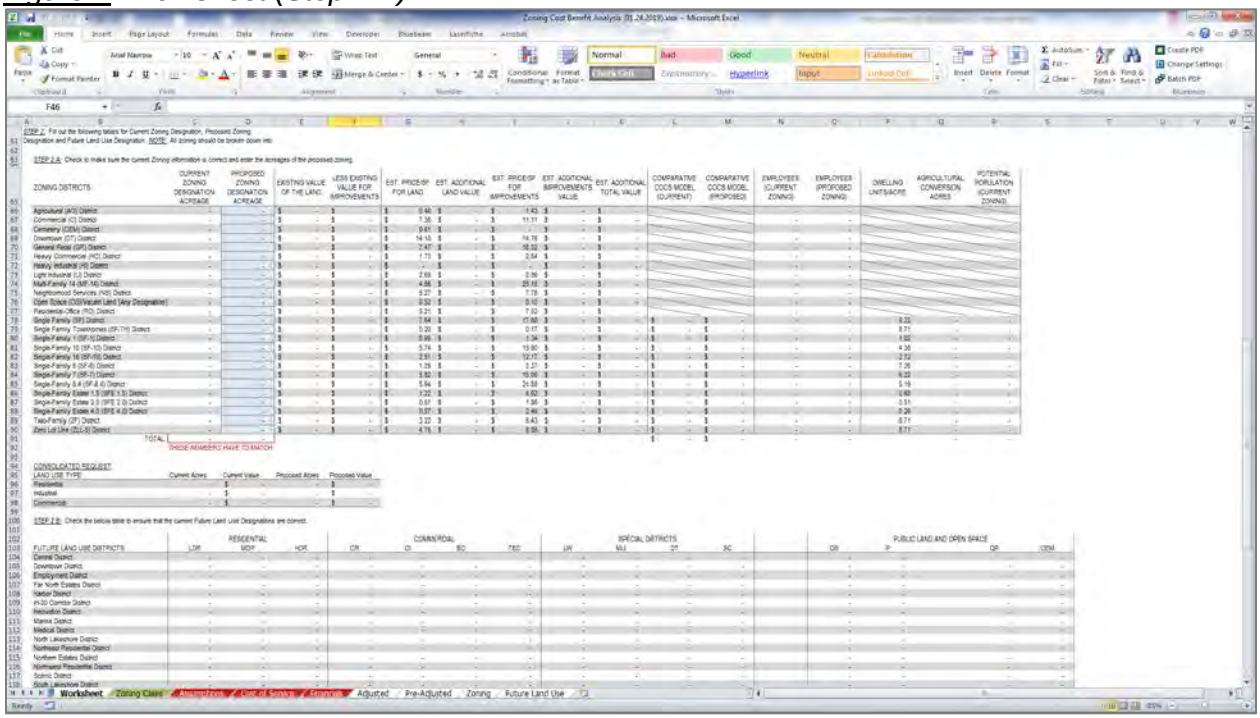
STEP 1.A. The first step in the process requests that the user input the land and improvement values of the subject property. This information is obtained from the Rockwall Central Appraisal District (RCAD).

STEP 1.B. The next step requests that the user submit the total square footage of all non-residential improvements on the property and/or the number of proposed/current residential lots on the property. This information is obtained from the Rockwall Central Appraisal District (RCAD) and/or the subdivision plat for the property.

STEP 1.C. This step requests the current zoning by acreage of the property. If the property has multiple zoning designations, the user will need to get the acreages from the

Figure 6. Worksheet (Step 1)

Geographical Information Systems (GIS) Division.



STEP 1.D. The next step asks the user if the subject property has any improvements currently existing on the property or if it is vacant. If the property is vacant, the user will need to put an 'X' inside the box. If the property has improvements, the box will need to be left blank.

STEP 1.E. The *Agricultural Conversion Chart* is intended to convert agricultural land to its intended base zoning based on the Future Land Use designation for the subject property. For example, if the subject property is designated for *Low Density Residential* land uses a base zoning of Single Family 10 (SF-10) District or Single Family 16 (SF-16) District would be appropriate.

STEP 1.F. The next step asks the user to input the Future Land Use designation and acreage of the subject property. If the property has multiple zoning designations, the user will need to get the acreages from the Geographical Information Systems (GIS) Division.

STEP 2.A. This step asks the user to fill in the proposed zoning acreages into the table in the blue cells. The bottom numbers should match to ensure that all the land associated with the zoning change is being accounted for.

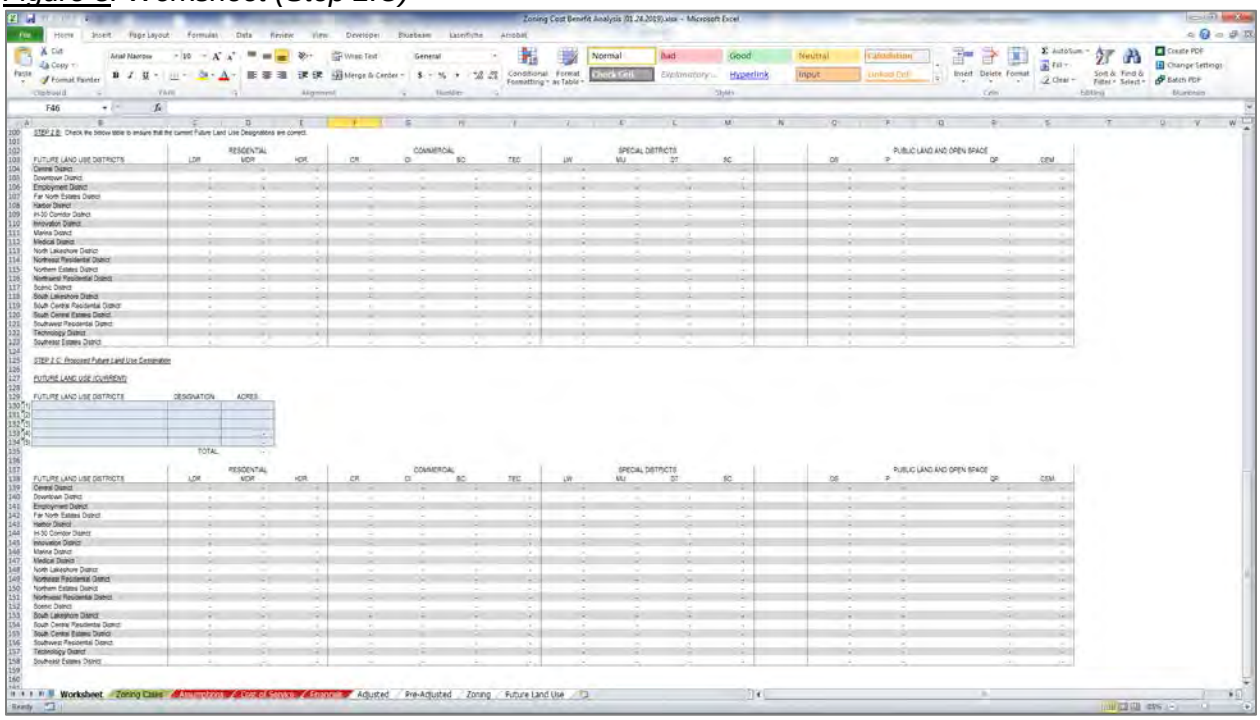


Figure 7. Worksheet (Step 2.A)

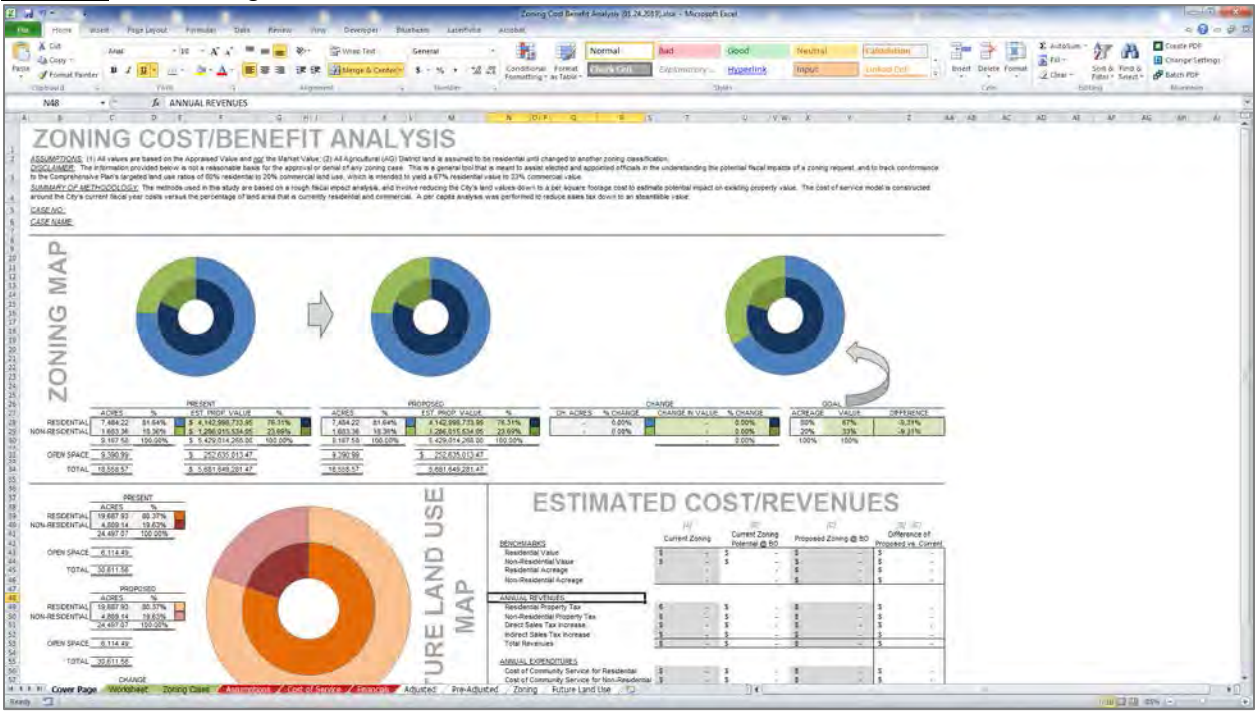
STEP 2.B. This step asks the user to check the information contained in the Future Land Use table to ensure that the current Future Land Use designation is correct with regard to the designation, acreage, and district.



STEP 2.C. The next step asks the user to input the Land Use District and Future Land Use designations that will result from the zoning change if approved, and their associated acreages. This may require assistance from the Geographical Information Systems (GIS) Division to determine the acreages.

Figure 8. Worksheet (Step 2.C)

STEP 3. Once all information has been entered on the *Worksheet* tab, the user should click on the *Cover Page* tab and fill out the *CASE NO.* and *CASE NAME* blanks at the top of the page. The cover page can then be printed or exported to a .pdf file.

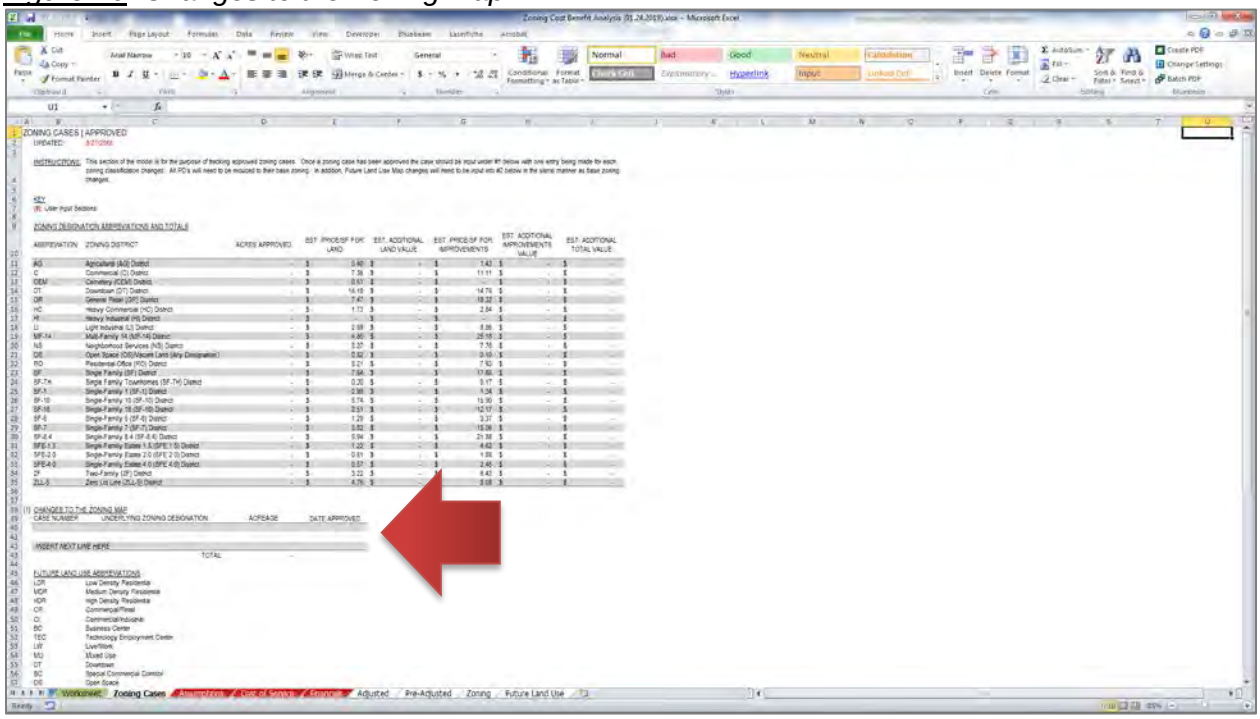
Figure 9. Cover Page

17

UPDATING THE MODEL

To ensure that the model is providing the most accurate information possible it is necessary to input approved zoning cases into the *Zoning Cases* tab of the model. To do this the model requires that the table entitled *Changes to the Zoning Map* be updated as well as the *Changes to the Future Land Use Map*. These two (2) tables should have one (1) entry for each zoning/future land use change resulting from a change in zoning. The red arrows below indicate the tables that should be updated.

Figure 10. Changes to the Zoning Map



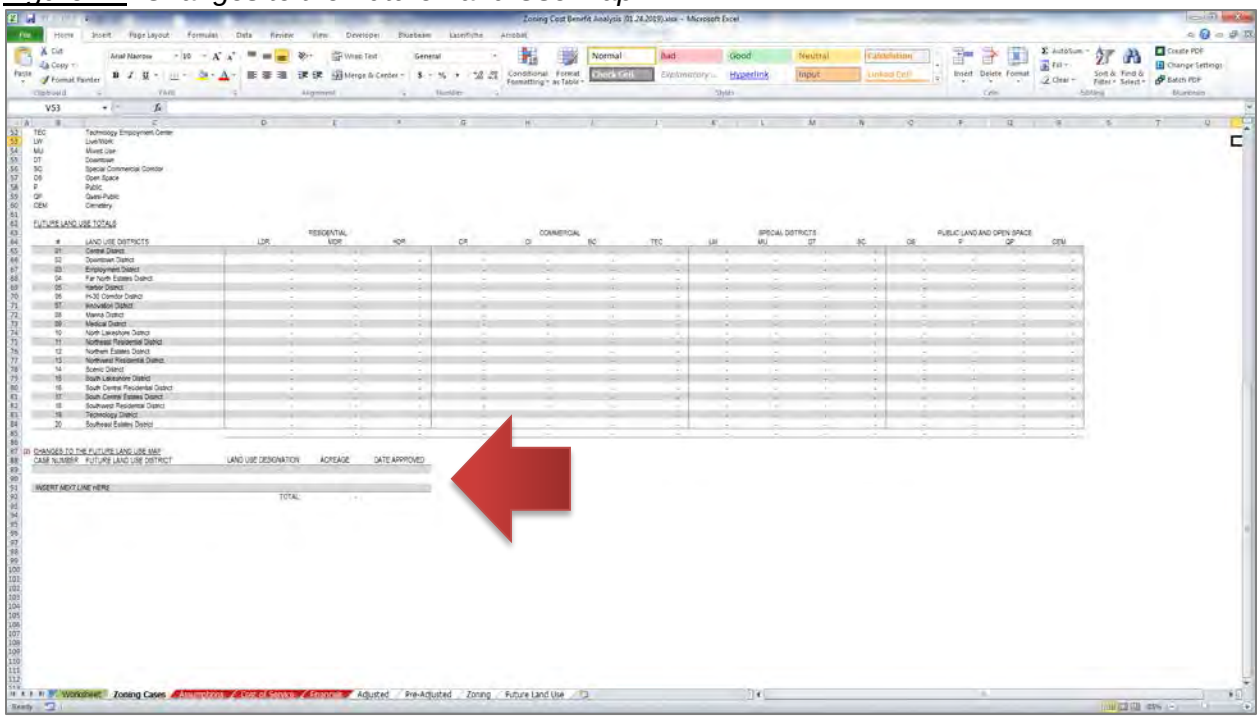


Figure 11. Changes to the Future Land Use Map

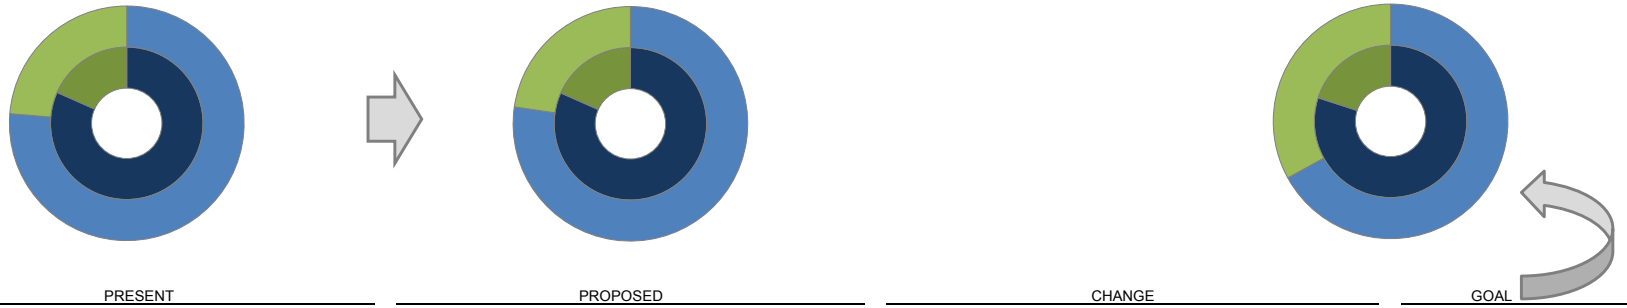

ZONING COST/BENEFIT ANALYSIS

ASSUMPTIONS: (1) All values are based on the Appraised Value and *not* the Market Value; (2) All Agricultural (AG) District land is assumed to be residential until changed to another zoning classification.
DISCLAIMER: The information provided below is not a reasonable basis for the approval or denial of any zoning case. This is a general tool that is meant to assist elected and appointed officials in the understanding the potential fiscal impacts of a zoning request, and to track conformance to the Comprehensive Plan's targeted land use ratios of 80% residential to 20% commercial land use, which is intended to yield a 67% residential value to 33% commercial value.
SUMMARY OF METHODOLOGY: The methods used in this study are based on a rough fiscal impact analysis, and involve reducing the City's land values down to a per square footage cost to estimate potential impact on existing property value. The cost of service model is constructed around the City's current fiscal year costs versus the percentage of land area that is currently residential and non-residential. A per capita multiplier and average cost method were used to estimate sales tax.

ZONING COST/BENEFIT ANALYSIS

ASSUMPTIONS: (1) All values are based on the Appraised Value and *not* the Market Value; (2) All Agricultural (AG) District land is assumed to be residential until changed to another zoning classification.
DISCLAIMER: The information provided below is not a reasonable basis for the approval or denial of any zoning case. This is a general tool that is meant to assist elected and appointed officials in the understanding the potential fiscal impacts of a zoning request, and to track conformance to the Comprehensive Plan's targeted land use ratios of 80% residential to 20% commercial land use, which is intended to yield a 67% residential value to 33% commercial value.
SUMMARY OF METHODOLOGY: The methods used in this study are based on a rough fiscal impact analysis, and involve reducing the City's land values down to a per square footage cost to estimate potential impact on existing property value. The cost of service model is constructed around the City's current fiscal year costs versus the percentage of land area that is currently residential and non-residential. A per capita multiplier and average cost method were used to estimate sales tax.

CITY OF ROCKWALL

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, City Manager Mary Smith, Assistant City Manager Joey Boyd, Assistant City Manager
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	IH-30 Commercial Corridor Planning Study Work Session

On December 3, 2018, staff provided a copy of the IH-30 Commercial Corridor Planning Study to the City Council with the intention of holding a work session in February 2019. As the City Council may recall, this document was prepared by the Planning and Zoning Department in accordance with the City's *Strategic Plan* and the recently adopted OURHometown Vision 2040 Comprehensive Plan. Under the *Strategic Initiatives* for *Goal #2 -- maintain or increase the current per capita sales tax revenue* -- of the Planning and Zoning Department's section of the City's *Strategic Plan*, the Planning and Zoning Department was tasked with creating an IH-30 Commercial Corridor Plan that would emphasize strategic properties and development opportunities in the corridor. In addition, the document was intended to provide the City Council with a comprehensive list of strategies that could work in tandem with the implementation plan contained in this document to ensure the long-term commercial success of the corridor.

The objective of this work session is to discuss and consider the list of strategies based on the information contained in the IH-30 Commercial Corridor Planning Study, and provide direction to staff concerning which strategies -- *if any* -- are appropriate for the City to employ. It should be noted that this plan was anticipated when drafting the OURHometown Vision 2040 Comprehensive Plan, and that one of the implementation strategies contained in *Chapter 06 | Economic Development* of the Comprehensive Plan refers to the creation of "…a long term-plan for the IH-30 Corridor that provides recommendations and implementation strategies targeted at protecting, supporting, and adopting land uses situated within the corridor." In addition, the *IH-30 Corridor District* in the land use plan contained in *Chapter 01 | Land Use and Growth Management* of the Comprehensive Plan was labeled as *RESERVED* in anticipation of the City Council's direction regarding the IH-30 Commercial Corridor Plan. Ultimately, it is the intent of the Comprehensive Plan to incorporate a summary of the plan -- based on the City Council's direction -- into *Appendix B | Corridor Plans*, and to update the *IH-30 Corridor District* in *Chapter 01 | Land Use and Growth Management* with the City Council's chosen *District Strategies*. This can be achieved through the annual update process.

Attached to this memorandum is a copy of Chapter 5, *Framework*, and Chapter 6, *Corridor Strategies & Implementation Plan*, for the City Council's review. Staff has also provided a map summary of the plan framework and all strategies listed in the document. Should the City Council have any questions about this memorandum or the attached information, staff will be available to discuss at the *February 19, 2019* work session meeting.

CHAPTER 5 PLAN FRAMEWORK

24

25

SECTION 1 PLAN FRAMEWORK

Broad planning ideas, goals and objectives form the framework used to develop strategies intended to support existing land uses and to target and attract new regional land uses. From the existing conditions analysis, the retail trade area analysis, the benchmark analysis and the stakeholder engagement workshop, the Staff Planning Committee (SPC) created the broad framework depicted in *Figure 5.1: Plan Framework* below and in *Map 5.6: Plan Framework Map*. This framework was later used to identify strategies for business retention/attraction in the corridor and to draft an implementation plan. This framework includes:

CORRIDOR ZONES

The *Corridor Zones* (*i.e. Preservation, Transition and Opportunity Zones*) -- *which were established by citizens and stakeholders as part of Station 3: Plan Framework of the stakeholder engagement workshop* -- were reviewed by the SPC. For the most part the SPC agreed with the findings from the stakeholder engagement workshop; however, they identified three (3) clarifications in the way the zones were broken down. Specifically, the SPC identified the following: [*1*] *Zone #3* should be broken down into two (2) parts and the portion between Greencrest Boulevard and S. Goliad Street (*SH-205*) be identified as a *Transition Zone* as opposed to a *Preservation Zone*; [*2*] *Zone #7 (i.e. Zone #'s 5 & 7 below*) be broken into two (2) parts and the portion between T. L. Townsend Drive and John King Boulevard be identified as *Transition Zone* as opposed to an *Opportunity Zone*; and, [*3*] *Zone #6* (*i.e. Zone #'s 6 & 8 below*) be broken into two (2) parts and the portion in between S. Goliad Street (*SH-205*) and T. L. Townsend Drive be identified as a *Preservation Zone* as opposed to a *Transition Zone*. By breaking the corridor down into these zones, the SPC was better able to look at specific strategies that could be applied to each individual area.

NOTE: See Station #3: Plan Framework in Section 3, Workshop, of Chapter 4, Stakeholder Engagement & Public Participation, of this document for definitions of each zone (i.e. Preservation, Transition, and Opportunity).

The final corridor zones are as follows (*and depicted in Map 5.1: Corridor Zones Map*):

- ☑ *Corridor Zone #1:* This zone is situated between Horizon Road (*FM-3097*) and Ridge Road (*FM-740*) on the north side of IH-30 and is designated as a *Transitional Zone*. This designation is due to the large amount of vacant property that currently exists in this area, and the uncertainty of how the development of this land will affect adjacent/existing land uses.
- ☑ *Corridor Zone #2:* This triangular shaped zone is situated within the bounds of Ridge Road (*FM-740*), Horizon Road (*FM-3097*), and IH-30, and is identified as a *Transition Zone*. This area contains an older shopping center (*i.e. Carlisle Plaza*) that is currently in the process of transitioning. The public also identified this area as a *Strategically Located Property* in the stakeholder engagement meeting. Due to its redevelopment opportunity.
- ☑ *Corridor Zone #3:* This zone is divided between two (2) designations due to discrepancies between the public's map and the SPC's map. The portion from Ridge Road (*FM-740*) to Greencrest Boulevard is identified as a *Preservation Zone*, and the area between Greencrest Boulevard and N. Goliad Street (SH-205) is identified as a *Transition Zone*. The split designation indicates a difference in the development of these two (2) areas, and of how these businesses have changed overtime. This split is also attributed to the new development currently taking place in the area between Greencrest Boulevard and S. Goliad Street (*SH-205*).
- ☑ *Corridor Zone #4:* This zone is directly south of *Corridor Zone #3* and extends from Ridge Road (*FM-740*) to N. Goliad Street (*SH-205*). This area is identified as a *Preservation Zone*, which is primarily attributed to recently developed shopping centers in this zone. These properties are currently considered highly performing commercial/retail properties.
- ☑ *Corridor Zone #5:* This zone extends from N. Goliad Street (*SH-205*) to T. L. Townsend Drive and is identified as an *Opportunity Zone*.

Major Roadways

Minor Collector
M4D (*Minor, Four [4] Lane, Divided Roadway*)
M4U (*Minor, Four [4] Lane, Undivided Roadway*)

26

The purpose of this designation is tied to the large vacant property in front of the County Courthouse, and to other potential redevelopment opportunities within this area.

- ☑ *Corridor Zone #6:* This zone extends from S. Goliad Street (*SH-205*) to T. L. Townsend Drive and is identified as a *Preservation Zone*. This area includes newer development in the IH-30 corridor (*i.e. the CostCo shopping center and adjacent land uses*) that should be preserved moving forward.
- ☑ *Corridor Zone #7:* This zone is identified as a *Transition Zone* and extends from T. L. Townsend Drive to John King Boulevard. This area incorporates industrial and interim land uses that are considered to be transitioning. In addition, this land also incorporates strategically located vacant property adjacent to the John King Boulevard.
- ☑ *Corridor Zone #8:* This zone is also situated between T. L. Townsend Drive and John King Boulevard, south of IH-30. The area is identified as a *Transition Zone*, due to the large amount of transitional or interim land uses along the IH-30 frontage road. In addition, the property has several large tracts of land that are currently vacant. When developed these properties could change the land use pattern for the area. This zone also has a strategically located, vacant property at the southwest corner of John King Boulevard and IH-30.
- ☑ *Corridor Zone #9:* This corridor zone extends from John King Boulevard to Stodgehill Road (*FM-3549*). Since the majority of these tracts are currently vacant, this zone is identified as an *Opportunity Zone* and all property in this area is identified as strategically located property.
- ☑ *Corridor Zone #10:* This zone is situated between John King Boulevard and Corporate Crossing, and is identified as a *Transitional Zone*. The purpose of this designation is tied to the existing land uses and parcelization pattern of the area (*i.e. the way the property has been subdivided over time*).
- ☑ *Corridor Zone #11:* This corridor zone is identified as an *Opportunity Zone* and is located north of IH-30, east of Stodgehill Road (*FM-3549*). This zone is vacant and is directly adjacent to the City's eastern City limit line. This entire zone is considered to be a strategically located property.
- ☑ *Corridor Zone #12:* The final corridor zone is south of IH-30, east of Corporate Crossing. This zone is primarily vacant and only contains a few interim land uses. Due to the largely undeveloped area in this zone, it is identified as an *Opportunity Zone.* In addition, the zone contains strategically located property at the southeast corner of the intersection of John King Boulevard and IH-30.

STRATEGICALLY LOCATED PROPERTIES

Using the findings from the *Benchmark Analysis -- detailed in Chapter 3, Benchmark Analysis for Strategically Located Properties, of this document* -- the SPC identified potentially appropriate developments for each of the strategically located properties. The models used in this exercise are as follows:

(1) Strip Retail Center Model
(2) Mixed-Use Center Model
(3) Town Center Model
(4) Regional Destination Center Model

NOTE: See Section 3, Benchmark Analysis Findings, of Chapter 3, Benchmark Analysis for Strategically Located Properties, of this document for definitions/characteristics of each model.

The findings by the SPC are as follows (*and depicted in Map 5.2: Strategically Located Properties*):

- ☑ *Strategically Located Property #1:* The first strategically located property represents the only redevelopment possibility that was identified by the SPC and/or the public, and could benefit from an adaptive reuse or redevelopment plan. Taking this into consideration the SPC did not apply any of the models to this property. It was simply identified as a *redevelopment opportunity*.
- ☑ *Strategically Located Property #2:* This strategically located property is situated at the southwest corner of T. L. Townsend Drive and the IH-30 frontage road, and is currently owned by Rockwall County. The SPC unanimously identified this property as being suitable for a *Strip Retail Center*. It should also be pointed out that this property is currently entitled for this type of development under the Commercial (C) District as defined by the UDC. The SPC felt that despite being a highly visible site this model was appropriate due to the limited access caused by the location of the on/off ramps at John King Boulevard and S. Goliad Street (*SH-205*).
- ☑ *Strategically Located Property #3:* This strategic area is located adjacent to the western right-of-way line of John King Boulevard, and is partially zoned Commercial (C) District with the remainder being zoned Light Industrial (LI) District. The SPC identified this property as being suitable for a *Mixed-Use Center* or a *Town Center*. This designation is due to the location and visibility of the property, and that it is located near and accessible from two (2) major roadways (*i.e. John King Boulevard and Justin Road*) and a major highway (*i.e. IH-30*). With this being said the property is situated below the highway overpass and as a result the site has limited visibility for a single story structure. Structures that are two (2) to three (3) stories in height would be better suited for this property.
- ☑ *Strategically Located Property #4:* This area is located between John King Boulevard and Stodgehill Road (*FM-3549*), north of IH-30. The properties in this area are zoned as Commercial (C), Light Industrial (LI) and Agricultural (AG) Districts. Due to the large acreage of these strategic properties, the SPC broke the designation of this area into three (3) zones. The first was directly adjacent to John King Boulevard and was identified as being suitable for *Strip Retail Center* by the SPC. The second area was located between Security Drive and the golf course (*i.e. A1 Golf*) and was identified as being suitable for a *Town Center* development. The third area was the remainder of the property and was identified as being suitable for a *Regional Destination Center*. These designations stem from the good visibility and close proximity to major roadways. In addition, this property is in an ideal location for a large commercial/retail development/regional center.
- ☑ *Strategically Located Property #5:* This property is located at the northeast corner of Stodgehill Road (FM-3549) and IH-30 and is zoned Commercial (C) District. Due to the linear nature of this strategically located property, the SPC identified the *Mixed-Use Center* and *Strip Retail Center* as being potentially appropriate models for development. This property does have limited access and poor visibility from east bound traffic, but is located directly adjacent to *Strategic Located Property # 4* making the possibility for a major

intersection at IH-30 and Stodgehill Road (*FM-3549*) highly likely.

- ☑ *Strategically Located Property #6:* This strategically located property is situated at the southeast corner of Corporate Crossing and IH-30 and is currently zoned Commercial (C) District. The SPC identified this property as being appropriate for both a *Mixed-Use Center* or a *Town Center* based on the location, acreage and its relation to the highway and Corporate Crossing. A *Strip Retail Center* and *Regional Destination Center* were also identified by the SPC as being viable alternatives for this property.
- ☑ *Strategically Located Property #7:* The final strategically located property is situated at the southwest corner of John King Boulevard and IH-30. The SPC identified this property as predominantly being suitable for a *Strip Retail Center*; however, it was also thought to be a suitable location for a *Mixed-Use Center*. It was ultimately decided by the SPC that this property has the acreage and carrying capacity for both types of centers, but is probably best suited for a *Strip Retail Center* that incorporates a grocery store or other large neighborhood service retailer as a primary anchor. The purpose of this designation is due to the poor visibility caused by the highway overpass and the close proximity to a large amount of residential homes and apartment units. The property is currently zoned Commercial (C) District.

ENTRY PORTALS

Entry portals are an essential element to creating a sense of place and distinguishing a City's boundaries. Currently, the City's western boundary is well defined by Lake Ray Hubbard and the Harbor District. The portals create a defined natural and built edge to the City. The eastern boundary of the City, on the other hand, is undefined. When the SPC examined this area it was decided that an entry portal was an important element in the plan moving forward; however, the SPC was of the opinion that it was somewhat difficult to define what an entry portal in this area should look like since these properties remain largely undeveloped. With this the SPC choose several locations where an eastern entry portal could be incorporated at the time the adjacent properties develop. The thinking behind this was that the portal would match the architecture of future development if constructed at the same time as the properties. *Map 5.5: Entry Portal Locations* shows the four (4) possible portal locations identified by the SPC along with all existing and proposed monumentation throughout the corridor.

TRANSPORTATION FACILITIES

Looking at the existing and proposed roadway facilities, the corridor is already well circulated, and the future facilities are a good approximation of what will be needed to circulate any future development; however, without knowing exactly what will be developed on these parcels the SPC felt that the current number of roadways depicted on the property between John King Boulevard and Stodgehill Road (*FM-3549*) could be a deterrent to development. With Justin Road extending through the property from east to west and a M4U (*minor, four [4] lane, undivided roadway*) curving through the property from east to west, two (2) Minor Collectors extending north to south were deemed unnecessary. The SPC was also of the opinion that Commerce Street should be continue in a southwardly direction connecting the IH-30 Frontage Road to T. L. Townsend Drive. These were the only changes to the existing and proposed transportation facilities that appeared to be necessary as a result of this study. *Map 5.3: Transportation Facilities* depicts the proposed roadway amendments.

Staff should point out that these changes were incorporated into the revised Master Thoroughfare Plan contained in the proposed OURHOMETOWN Vision 2040 Comprehensive Plan, and that no additional actions would be required with regard to transportation facilities. This was incorporated after the Comprehensive Plan Advisory Committee (CPAC) made similar findings about these areas.

LAND USE PLAN

Looking at the current Future Land Use Plan for the IH-30 Corridor, only about 37.56% of the corridor is identified as a *Special Commercial Corridor*. The remainder of the corridor is scheduled for *Commercial* (38.35%), *Technology/Light Industrial* (13.33%), *Special District* (4.70%), and to a lesser degree *Parks and Open Space, High Density Residential*, *Public Uses* and *Quasi-Public Uses*. After reviewing the goals and objectives of this study, the SPC recommended that the majority of the corridor should be designated as a *Special Commercial Corridor*. The only area that the SPC wanted to deviate from this land use scheme, was the area directly adjacent to the railroad tracks between John King Boulevard and Stodgehill Road (*FM-3549*). The SPC felt that this area should be flexible in nature and be designated for either *Technology/Employment Center* and/or *Special Commercial Corridor*. The purpose of this flexibility was to allow industrial or technology firms the ability to locate within the corridor, adjacent to the existing railroad facilities; however, the flexibility would provide for an easy transition to commercial uses should a regional land use be identify for this area. *Map 5.4: Future Land Use Map* shows the SPC's recommendations concerning land use. As a note, the OURHOMETOWN Vision 2040 Comprehensive Plan incorporated this land use change into the revised Future Land Use Plan, after the Comprehensive Plan Advisory Committee (CPAC) made a similar finding with this area.

SECTION 2 SUMMARY

Putting all this information together forms the *Plan Framework* of this study. A map of this framework is depicted in *Map 5.6: Plan Framework Map*. A summary of the recommendations provided by this framework are as follows:

(1) The corridor zones that were established as part of this study are intended to guide policy decisions for the final recommendations contained in Chapter 6, *Corridor Strategies & Implementation Plan*, of this document.

(2) The strategically located properties identified by the SPC were classified based on their potential carrying capacity for retail/regional land uses. This part of the plan framework was to draw attention to these properties and provide various possibilities that would fit the City's desire for regional development.

(3) Monumentation locations were identified for the purpose of creating an eastern entry portal. The design of these monumentation markers should be incorporated into the site plan approval process to allow for review prior to adoption by the City's Planning and Zoning Commission and City Council.

(4) The SPC identified potential changes to two (2) roadways on the Master Thoroughfare Plan. This involves an extension of Commerce Street and the removal of a proposed street running parallel to Security Drive.

(5) Finally, a coherent land use plan that is tied to the goals of this study was laid out. This plan primarily promotes the future of the corridor being zoned and developed in

28

accordance with the *Special Commercial Corridor* designation in the Comprehensive Plan; however, it does make some allowances for flexible land use (*i.e. office/industrial*).

As previously mentioned the OURHOMETOWN Vision 2040 Comprehensive Plan incorporated the changes to the Future Land Use Plan and Master Thoroughfare Plan; however, the recommendations contained in this framework would still need to be adopted into the appendices of the Comprehensive Plan in order to draft model policies targeted at attracting the desired regional commercial/retail centers. The adoption of this plan will be covered in the implementation section of this document.

CHAPTER 6 CORRIDOR STRATEGIES & IMPLEMENTATION PLAN

36

37

SECTION 1 CORRIDOR STRATEGIES

The final objective of the Staff Planning Committee (SPC) was to assemble a list of strategies that could be utilized as part of the implementation plan of this study. In doing this the SPC talked about *Offensive* and *Defensive Strategies*. In this case, the *Defensive Strategies* were thought to be pre-emptive strategies centered on regulation or policy actions that the City could implement for the purpose of addressing potential or perceived issues. *Offensive Strategies*, on the other hand, included proactive actions that involved activities like offering incentives, waivers and assistance. In doing this, the SPC also talked about what zone each strategy would affect and who would be responsible for implementing the strategy. A key to the corridor zones and implementation organizations is as follows:

DEPARTMENTS, BOARDS & COMMISSIONS
- ☑ City Council: CC
- ☑ Planning and Zoning Commission: PZC
- ☑ Architecture Review Board: ARB
- ☑ City Manager/Administration: M
- ☑ City Attorney: CA
- ☑ Building Inspections Department: BI
- ☑ Fire Marshals Division: FM
- ☑ Planning and Zoning Department: PZD
- ☑ Engineering Department: E
- ☑ Neighborhood Improvement Services: NIS

CORRIDOR ZONES
- Transitional Zone
- Preservation Zone
- Opportunity Zone

It should be noted that the SPC has compiled the following list of strategies to start the conversation concerning the creation of possible implementation tools that the City can enact to achieve the goals stated by this study. With this being said, it is ultimately the decisions of the elected members of the City of Rockwall to direct staff to implement their chosen strategies. In addition, all of these strategies may not be appropriate for the City of Rockwall. The strategies identified by the SPC include:

DEFENSIVE STRATEGIES

STRATEGY 1 PREVENT THE OVERSATURATION OF CERTAIN LAND USES IN THE CORRIDOR

Prevent the oversaturation of certain land uses in the corridor by prohibiting and/or requiring discretionary approvals of these land uses. Currently, the study area has a high percentage of automotive (8.99%) and industrial (8.37%) land uses, which are typically incompatible with higher end retail users. In addition, these land uses -- *specifically automotive land uses* -- consume a large portion of the current frontage along IH-30 (~26.69%), which means these uses also have high visibility in the corridor. If the intent of the City is to create a commercial/retail corridor, special attention needs to be paid to what land uses are established on the remaining 45.35% vacant land. This is specifically important with the remaining 28.77% of vacant land with frontage on IH-30. To achieve this staff can review Article IV, *Permissible Uses*, of the Unified Development Code to look for possibilities to incorporate discretionary approvals or limit undesirable land uses along IH-30. In addition, staff can look to prohibit certain land uses (*e.g. outside storage*) that are currently allowed through discretionary approval, but may not be desirable for attracting and establishing a regional retail use.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): Since this is a policy change, there are no anticipated hard costs to be incurred by the City as a result of implementing this strategy. In addition, this strategy can be implemented without assistance from outside consultants.

Estimated Implementation Time: This is estimated to take between 20 to 40- hours of staff time to review the Unified Development Code and draft an ordinance addressing the proposed changes for the City Council's review. If directed to make the changes, this text amendment would be required to be advertised and adopted in accordance with the procedures of the Unified Development Code (*i.e. approximately eight [8] weeks*).

STRATEGY 2 INCONSISTENT ZONING REQUESTS

Zoning approvals that are inconsistent with the *Future Land Use Plan* contained in the Comprehensive Plan should be limited. The *Future Land Use Plan* is a document intended to guide zoning in the City of Rockwall. In addition, zoning approvals not consistent with the *Future Land Use Plan* could have a negative impact on existing land uses, and could have an undesirable effect on the economic stability of the corridor (*i.e. create conditions not conducive for retail land uses*). Moreover, inconsistent zoning approvals change the *Future Land Use* mix, which will be designed to yield an 80% Residential/20% Commercial mix (*i.e. intended to yield a 67% residential value/33% commercial value tax base*) when adopted in the *2018 Comprehensive Plan Update*. To better address inconsistent changes in zoning, staff should develop a process to convey how the approval of inconsistent zoning would change the *Future Land Use Plan*. This should be provided with or in staff's case memos to the Planning and Zoning Commission and City Council.

Implementation Responsibility: PZD, CA, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without assistance from outside consultants.

Estimated Implementation Time: The Planning Division can implement this policy amendment through changes in the current procedures and through the creation and implementation of a tool that will clearly convey the desired information. This will need to be studied after the completion and adoption of the *2018 Comprehensive Plan Update*. It should be pointed out that the creation of this process is currently a *strategic goal* on the City's *Strategic Plan*.

STRATEGY 3 DISCOURAGE STRIP DEVELOPMENT

The City of Rockwall has several *Strip Retail Centers* as defined in the findings from the benchmark analysis contained in Chapter 3, *Benchmark Analysis*, of this document. The establishment of new strip retail centers could have the effect of cannibalizing the businesses that are currently located in the City's existing strip retail centers. This could also create a larger problem for the existing centers due to the transient nature of small businesses that tend to locate in these areas (*i.e. businesses in these shopping centers tend to move to newer developments as they progress along the highway*). To combat this possibility, the City could take steps to discourage strip retail centers by amending the design standards contained in the Unified Development Code. Examples of these changes would include policies targeted at requiring shared facilities (*i.e. parking, access, drive facilities, etc.*), limiting parking fields in the fronts of buildings, requiring the provision of open space, restricting signage, etc. This would also require provisions that target mixed-used development (*e.g. office land uses mixed with retail/commercial land uses*). It should be

noted that while the SPC did identify some of the strategically located properties as being ideal for *Strip Retail Centers*, this would ultimately depend on the carrying capacity of the corridor (*i.e. to avoid cannibalizing existing businesses the demand of the community would need to increase to justify an additional strip retail center*).

Implementation Responsibility: PZD, ARB, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: This policy change requires a comprehensive review of the City's commercial design standards, and would take time to prepare the necessary text amendments. The total time necessary to complete this strategy will vary depending on the extent staff will have to amend the ordinances. Staff estimates this could take between 30 to 40-hours to complete. In addition, if the City Council chooses to pursue this strategy it may be advantageous to use the Planning and Zoning Commission and/or Architectural Review Board (ARB) as design committees to assist staff in drafting the desired changes. Any ordinance changes would need to be adopted in accordance with the procedures contained in the Unified Development Code (*i.e. approximately eight [8] weeks*).

STRATEGY 4 LIMIT SINGLE USE BIG-BOX DEVELOPMENT

Single use big-boxes can have an immediate and positive effect on a City's ad valorem tax value; however, if abandoned they can also have an effect on the perception of economic health in an area. Currently, the City's big-boxes appear to be economically sound with little to no risk of being abandoned; however, it is a good idea to take a pro-active approach to this issue. Single use big-boxes are typically attractive to businesses that are considered to be category killers and/or discount warehouse stores (*e.g. Wal-Mart, Home Depot, Costco, etc.*). Developing a single big-box is also the typical suburban model for these types of stores. By creating policies that force co-location and mixed-uses the City ensures that these businesses adapt their models to meet the vision of the community, as opposed to allowing these businesses to dictate the community's appearance. By limiting single use big-boxes moving forward, it also has the added effect of protecting the City's current big-boxes, and perhaps staving off the possibility of having ghost boxes (*i.e. empty big-boxes*) in the future.

To achieve this, the City Council could look at development standards that discourage single use big-box users. These types of policies would include regulations like imposing size caps on single use big-box developments (*i.e. limit individual users to discretionary approvals on buildings that are greater than 20,000 – 30,000 SF*), drafting requirements that provide for roof and façade modulation to allow the buildings to be broken up in the case of abandonment, adopting parking requirements that require parking to be located behind the front façade of the buildings, creating a window requirement, and etcetera.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: This policy change would require staff to review the City's current *General Commercial Building Standards*, and draft an ordinance with the necessary text amendments. The total time necessary to complete this strategy could vary; however, staff estimates a completion time of 30 to 40-hours with an additional eight (8) weeks for the adoption of an ordinance change to the Unified Development Code.

STRATEGY 5 ADAPTIVE REUSE ORDINANCE OR STRATEGY

Building on the previous strategy, one of the main reasons that City's end up with vacant big-box developments are changes in the economics of a property's location (*i.e. the site can no longer support/sustain a larger retail user*). This may mean that a particular site or location is no longer viable as a large retailer. *Adaptive Reuse* ordinances, also referred to as *Ghost Box* ordinances, are ordinances intended to address this common problem. As previously stated, the City of Rockwall has not had issues with empty big-boxes; however, a proactive approach to this issue could prove to be valuable in the future. Below is a picture of the vacant *Sports Authority* building, which is a single user big-box that was vacated in 2016. Luckily, this building was quickly replaced with an *Academy Sports and Outdoors*; however, this quick replacement may not always be the case.

The City's current ordinance does incorporate an accountability clause that states that "(f)or those buildings over 80,000 SF in area, the applicant must demonstrate that the building can be subdivided in a reasonable manner by submitting a plan indicating potential entrances and exits and loading areas for multiple tenants." This language could be strengthened and the requirement for this accountability clause could be lowered to buildings greater than 30,000 SF. In addition, the City Council could look into establishing ordinances that: (1) creates a fee waiver program for the adaptive reuse of buildings greater than 30,000 SF (*i.e. creating a waiver for building permit fees*), (2) establish a bonding program that is tied to the demolition of the big-box, (3) creates a program that stipulates companies building big-boxes be required to pay into a *Land Conservation Fund*, which can be used for re-greening or converting an abandoned big-box to allow for infill development (*these ordinances are referred to as White Elephant Ordinances*), and/or (4) creates an incentive zone that deals with alternative use/requirements for conversion/redevelopment efforts.

Figure 6.1: Vacant Sports Authority building prior to being converted to an Academy this year.

Implementation Responsibility: PZD, CA, CM, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: The time necessary to create an *Adaptive Reuse Ordinance* or policy will depend on the scope that the City Council chooses. These programs also would need to be vetted by the City Attorney. In this case, it may take several months to prepare and adopt an ordinance creating each of these programs.

STRATEGY 6 PROMOTE THE INCORPORATION OF OPEN SPACE IN LARGER DEVELOPMENTS

As was seen in the *Benchmark Analysis* in Chapter 3, *Benchmark Analysis*, of this document, nearly all of the regional developments surveyed by the SPC contained open/green space. The importance of incorporating open/green space in commercial developments was further validated through the stakeholder engagement process. In both exercises that requesting participants to identify their preferred development choice -- *with the choices being those reviewed by the SPC as part of the benchmark analysis* -- the top results were developments incorporating large amounts of open/green space (*e.g. Grandscapes at 26% open space and Toyota Stadium at 5% open space and 35% sports fields*). In addition, the exercise asking participants to prioritize issues/priorities in the corridor indicated that open/green space was important. Both *Parks/Trail/Walkability* and *Increased Open Space* scored in the top five (5) items identified by the public as priorities and issues. Moving forward provisions requiring a percentage of functional open space -- *above and beyond the required landscape buffer and detention ponds* -- could be incorporated into the design standards for large commercial developments. This would need to be scaled to the development and would not be applicable across the board (*i.e. would not be appropriate for developments with less than 20-acres*).

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): Since this strategy would affect future development the implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: The implementation of this policy could be completed with an estimated ten (10) to 20-hours of staff time required to prepare an ordinance amendment to the Unified Development Code (*i.e. approximately eight [8] weeks for approval*).

STRATEGY 7 REVAMP THE CITY'S PARKING STANDARDS

Commercial developments along the corridor are exclusively made up of surface parking lots situated in the fronts of buildings. Often times these parking areas are two (2) to three (3) times larger than the building it services (*see image below*).

Figure 6.2: Kohl's Parking Lot

In most of these cases the parking lot is rarely if ever full. To address this issue the City Council could choose to establish parking maximums that would limit inefficient uses of land within the corridor. These policies could also promote shared parking agreements and structured parking.

Typically, the argument against structured parking is the high initial cost to establish these facilities; however, if a district wide approach that discourages single use big-boxes is taken by the City, it is not inconceivable to expect more efficient parking solutions. In addition, the City should, where possible, promote shared parking arrangements that are mutually beneficial to developers, property owners and tenants by accounting for varying peak demand. This should have the benefit of increasing the buildable land within the corridor.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: The implementation of this policy change is anticipated to take between ten (10) to 20-hours of staff time to research and prepare an ordinance amending the parking requirements contained in the Unified Development Code. The ordinance would take approximately eight (8) weeks for approval/adoption.

STRATEGY 8 CREATE MODEL ZONING ORDINANCE FOR REGIONAL MIXED-USE DEVELOPMENT

Article V, *District Development Standards*, of the Unified Development Code currently contains standards for a Mixed-Use Overlay (MUO) District; however, this district has not been applied to the zoning map. Building off the current standards contained in this section of the code, staff could create a model zoning ordinance for either an overlay district that can be applied to the strategic properties in the corridor or model regulations for a planned development district ordinance -- *similar to the residential standards contained in Article X, Planned Development Regulations, of the Unified Development Code* -- intended to regulate mixed-use development in the corridor. This could include the information observed by the SPC as part of the *Benchmark Analysis*. This type of ordinance would also layout the City's desired site and building design standards, as well as, address any *incentive zoning* practices intended to incentivize regional development.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: Staff estimates that a model zoning ordinance could be drafted in two (2) to three (3) weeks. Should the City Council choose to codify the ordinance into the Unified Development Code the ordinance would take approximately eight (8) weeks for approval.

STRATEGY 9 ADOPT POLICIES TARGETED AT SUPPORTING SMALL BUSINESSES

As part of the *Benchmark Analysis*, the SPC noticed that many of the regional centers they surveyed (*specifically mixed-use centers*) were built with a larger focus on smaller lease spaces. This is directly opposed to the classic anchor model, which is prevalent in *Strip Retail Centers* and until recently was the preferred model for suburban development by developers. This shift, however, signifies the importance that developers are now placing on small businesses. This may be due to the idea that small businesses have several understated benefits that extend beyond a City's bottom line. For example, small businesses that are successful in a community can shape a unique identity, create a sense of place and enhance community character. In addition, small businesses also have the added benefit of being well suited for adaptive reuse situations, which could play a major role in the economic vitality of the corridor in the

future. Rockwall, as a whole, has a healthy history of supporting small businesses -- *especially in the downtown area* -- and there is no reason for this not to continue in the City's primary commercial/retail corridor. To ensure that small businesses are supported in the corridor, staff should look to remove any unintentional barriers in the zoning code that might hinder a small business' ability to open in Rockwall. The majority of these barriers will be in the City's land-use categories, which are somewhat outdated for many of the new types of uses that have been established recently. Addressing this subject, the July 2016 issue of *Zoning Practice* (*a periodical released by the American Planning Association*) identifies four (4) examples of new land uses that have emerged as small businesses recently: (1) specialty food production, (2) industrial design, (3) artisan industrial, and (4) local alcohol production facilities. Under our current use charts these uses, in most cases, would be classified under an *Industrial and Manufacturing* label allowing them to locate in Heavy Commercial (HC), Light Industrial (LI) and Heavy Industrial (HI) Districts; however, these uses typically depend on the foot traffic generated by commercial-retail areas and would not fare well in the City's industrial districts. An example of this dilemma was recently addressed by the City Council with the text amendment incorporating the *Craft Brewery, Distillery and/or Winery* land use. Prior to the amendment, the code treated all breweries the same, and did not make a distinction between large industrial breweries and small-scale craft brewers. As a result, these uses were relegated to only being permitted in a Light Industrial (LI) or Heavy Industrial (HI) District, when in reality they operate more as a retail/restaurant type of business. By changing the code to allow this use by a Specific Use Permit (SUP), the City Council created discretional flexibility that allows this land use into areas of the City that could be better suited to the long-term viability of the business. This flexibility could be beneficial to other land use categories that have undergone fundamental changes in the way they operate. This can be achieved by not only reviewing the City's *Permissible Use Charts*, but also the design standards in the corridor to ensure there are no unreasonable barriers of entry for small businesses.

Another approach the City could take to support small businesses is the continued release of information pertaining to demographics and market analysis. Many small businesses and startups have limited capital to spend on expensive reports and demographic breakdowns of the City. Staff can support these businesses by making reports and studies (*e.g. 2017 Existing Conditions Report and this report*) available online to the public.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: Staff estimates that a comprehensive look into the City's *Permissible Use Charts* and commercial design standards could take between 60 to 70-hours to prepare an ordinance making the necessary amendments. The ordinance would take eight (8) weeks for adoption.

With regard to making reports and demographic information online, this has become standard operating procedure for staff and unless directed otherwise staff will continue to make these items available.

STRATEGY 10 RESIDENTIAL DENSITY BONUSES FOR PROJECTS THAT INCORPORATE A MIXTURE OF LAND USES

The City Council could choose to implement policies that would allow high-density residential land uses along IH-30 pending the project incorporate a mix of land uses (*e.g. hotel, restaurant, retail, entertainment, etc.*). Through the public survey, many citizens indicated a want for higher end retailers and specialty grocers. These uses typically are attracted to areas with high intensity developments that incorporate a higher density residential component. The City Council could use the City's high demand for multi-family, to incentivize a developer proposing a regional mixed-use development along IH-30 by granting density bonuses. This would involve granting densities greater than the current 14 dwelling units per acre permitted in the City's Multi-Family 14 (MF-14) District. It should be noted that this type of strategy would depend on the residential units being integrated into the overall development (*i.e. structured or block styled apartments above retail or office use, which is common in traditional mixed-use developments, would be more desirable under this strategy than garden style apartments – similar to the condominiums constructed at the Harbor*). This strategy depends on the City's demand for multi-family remaining high, which may require other land use strategies moving forward (*e.g. balancing the City's mix of housing units and limiting multi-family development to areas along the IH-30 corridor, away from other single-family neighborhoods, and from any other areas in the city*). Under the City's current housing mix, this policy would only be viable if the multi-family percentage were decreased below an estimated 12%. Currently, this percentage is around 18%. By reducing the percentage and not approving subsequent projects, the City ensures that a high level of demand exists, and that this demand can be leveraged to attract the desired commercial/retail development. It should also be noted that this could be done under an ownership model as opposed to a rental model by using townhomes or condominiums.

Implementation Responsibility: PZD, M, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without assistance from outside consultants.

Estimated Implementation Time: This policy change would have implications on the policies being incorporated in the *2018 Comprehensive Plan Update*. The implementation of this strategy should be reflected in this document and would require staff to review the procedures and design standards in the Unified Development Code to ensure compatibility with the intended objective. Staff estimates this could take between 50 to 60-hours to complete, and would need to be adopted in accordance with the procedures contained in the Unified Development Code (*i.e. approximately eight [8] weeks*). In addition, since this policy is driven by the demand of multi-family, its implementation would depend on the current multi-family percentage being decreased to a level that can be leveraged for the desired commercial/retail development.

STRATEGY 11 ACTIVELY MARKET THE CORRIDOR

The City could take a proactive approach to marketing the corridor to prospective businesses. This could include any of the following initiatives:

(1) *Branding Campaign*. In recent years, branding campaigns have become popular tools used to market places as products. This tool has been used for downtowns and commercial corridors with

a varying degree of success. If done correctly a branding campaign can have the effect of saving time and money by focusing strategies and resources in the same direction, enhancing investor confidence by showing an overall game plan for an area, and expanding market share by making the brand more recognizable. In this case, the City may consider a retail branding campaign for the entire City focusing on Rockwall's major retail areas (*i.e. the Downtown, Harbor and IH-30 Corridor*) and highlighting their differences.

(2) *Education.* Currently, the City holds an educational workshop for residential realtors each year informing them about changes in development patterns of the City, about city provided tools that could be helpful, and introducing key members of the City staff. This should be duplicated for commercial real estate agents/brokers and include similar information with more of a commercial focus. This event would include information concerning workforce and consumer statistics, information concerning key plans (*e.g. this plan*), and other pertinent information concerning the City's role in commercial development and support.

(3) *Business Assistance.* This item could include anything from assisting small businesses with finding vacant property in the corridor to providing incubator space for startups through the Rockwall Economic Development Corporation (REDC).

(4) *Active Marketing Campaigns*. The City currently relies on passive marketing (*i.e. marketing associated with reaching customers through smart positioning, word-of-mouth, or anticipatory strategies*) to attract commercial retail businesses. Active marketing (*i.e. action-based strategies taking a deliberate and purposeful approach*) can be utilized to target businesses the City identifies as a good fit for the community. This can be achieved through several approaches including the creation of targeted marketing materials sent directly to certain businesses and reaching out to these businesses.

Staff should note that this strategy could work well with *Offensive Strategy #7* below.

Implementation Responsibility: M & CC

Anticipated Cost(s): The cost of this could vary depending on what approach the City Council chooses to take. Some approaches could be taken without outside consultants and other approaches may require outside assistance.

Estimated Implementation Time: The estimated time to implement this strategy will depend on the approach and scope the City Council chooses.

STRATEGY 12 WORK WITH THE REDC AND CHAMBER OF COMMERCE TO COORDINATE BUSINESS RECRUITMENT AND RETENTION EFFORTS

Intergovernmental cooperation between the City, Rockwall Economic Development Corporation (REDC) and the Chamber Commerce to create a Community Business Retention and Recruitment Program may be advantageous to retaining the businesses we have while targeting a regional commercial retail user. In addition, this cooperation ensures that all agencies are aware of the strategies and efforts of other agencies.

Implementation Responsibility: M

Anticipated Cost(s): This strategy is not anticipated to have any additional costs to any of the agencies listed above.

Estimated Implementation Time: Since this strategy requires coordination between a government, a quasi-government and a private service organization it is difficult to establish a implementation timeline.

STRATEGY 13 WORK WITH TXDOT

Work with the Texas Department of Transportation (TxDOT) to improve circulation and connectivity in the corridor, and to regulate traffic patterns and speed limits. This could also include plans for improved multi-modal mobility and pedestrian access in the corridor.

Implementation Responsibility: E & M

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and will not require the assistance of outside consultants.

Estimated Implementation Time: The City currently works closely with TxDOT, and is in the process of planning the IH-30 corridor for the proposed IH-30 improvements scheduled for 2021.

OFFENSIVE STRATEGIES

STRATEGY 1 INCENTIVES

The most common offensive strategy used by City's to attract development is the use of incentives. Incentives can be used to move development and redevelopment projects in a direction that is in conformance with the recommendations of any planning effort. In addition, incentives have proven to be an effective tool at attracting businesses to communities and acting as a catalyst to certain industries. For example, as part of the Grandscape development in the Colony, Texas -- *which was one of the benchmarks reviewed by the SPC* -- the City of the Colony used tax incentives to attract Nebraska Furniture Mart. This involved a large investment by the City (*in the ballpark of $802 million[1] for the construction of the store and the surrounding development*) with the hope that this retailer would attract other retailers and generate enough jobs and sales tax revenue to justify the cost of the incentive package.

With this being said, incentives for commercial retail businesses are not without drawbacks. For example, the Domain -- *which was one of the benchmarks reviewed by the SPC* -- received a large 20-year, $37 million tax break package in 2007 by the City of Austin, and as of 2013 the project had only generated ~$17 million in city sales and property tax for the ~$9.25 million refunded by the City as part of the incentive payments. This incentive package led the City of Austin to establish new City policies against offering incentives for retail projects[2]. In addition, incentivizing retail projects for job creation, as opposed to manufacturing or corporate offices, generally leads to the creation of lower paying jobs that typically do not match the incentives granted.

Taking all this into consideration the following is a list of various incentive tools that the City Council could choose to use to attract regional developments:

(1) *Tax Incremental Financing District*. Chapter 311 of the Texas Tax Code allows City's to establish Tax Incremental Financing (TIF) Districts. TIF's are considered to be both a financing and economic development tool because they allow the improvements within the district to be repaid by the future tax revenues of each taxing entity that levies taxes against a property. Developers can benefit from a TIF because a city can agree to apply the accrued increment directly to a developer's project to assist in the development costs.

(2) *Chapter 380 Incentives Agreement*. An agreement under Chapter 380 of the Texas Local Government Code allows municipalities to offer incentives designed to promote economic development for specific commercial/retail properties or projects. These incentives can include

loans, use of city funds, and tax incentives (*i.e. sales/property tax reimbursements*).

(3) *Neighborhood Empowerment Zone*. A Neighborhood Empowerment Zone (NEZ) is an area that is designated to be eligible for incentives pending projects meet certain criteria. In these areas the City can setup incentives that will waive impact fees for roads/sewer/water and fee waivers for building permits, plan review, etc. These fee waivers could encourage developers to create a mixed-use regional development. Under Chapter 378 of the Texas Local Government Code, these agreements are valid for a period of ten (10) years, and if the program is not working the City could simply let it lapse.

(4) *Public Improvement District.* Chapter 372 of the Texas Local Government Code gives the city the ability to establish a Public Improvement District (PID). These special taxing districts are generally used to fund projects or improvements within the district that are typically above and beyond a city's development scope. These tools are useful when being utilized to fund operational and maintenance programs after the initial project is finished. They can also be used to provide infrastructure that is required as part of the development.

(5) *Incentive Zoning.* Incentive zoning is a planning tool that can be employed by local governments to entice developers to provide a public good/want by offering incentives (*e.g. increased density, additional land uses, etc.*). This was addressed above in *Defensive Strategy #3*.

In addition to these incentive tools, the City Council could look at increasing the current scope of the Rockwall Economic Development Corporation (REDC) from a 4A to a 4A/4B, which would allow the REDC to fund or offer incentives for community development initiatives, and for new and expanded business developments. An alternative to this would be to designate an employee or department, with the task of promoting Rockwall as a retail destination and educating retailers on the City's strong purchasing power and thriving consumer market (*see Offensive Strategy #7*).

Implementation Responsibility: CA, M, REDC, & CC

Anticipated Cost(s): The cost of any incentive program varies depending on the program chosen and the project being proposed.

Estimated Implementation Time: The implementation time will vary depending on the project and incentive being offered.

STRATEGY 2 SMALL AREA PLANS

Using the strategically located properties depicted in *Map 5.2: Strategically Located Properties*, staff could create small area plans for each of the properties using the findings from the benchmark analysis of this document. By providing small area plans for each of these properties, the City would better convey to the development community the desired outcome for each of these areas. This could help to facilitate a regional development.

Implementation Responsibility: PZD, PZC & CC

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional hard costs for the City, and should be able to be implemented without assistance from outside consultants.

Estimated Implementation Time: The time frame for the completion of the small area plans will vary. Staff estimates that each plan could be completed in approximately one (1) week.

STRATEGY 3 DEMOLITION PERMIT FEE WAIVER

A program creating an administrative waiver of demolition fees could be implemented to assist property owners along IH-30 interested in redeveloping an existing property. While this will not have a major or immediate impact on corridor redevelopment, it is a program that can be implemented easily and can be administered at the staff level (*i.e. as opposed to discretionary oversight of the City Council or other boards or commissions*).

Implementation Responsibility: BI & CC

Anticipated Cost(s): The implementation of this program is not anticipated to have a significant effect on the city's revenues, nor will it be costly to implement. For example, a demolition permit application costs $50.00, and of the 18 demolition permits issued in 2016, six (6) were in the IH-30 corridor. This would represent a total cost to the City of $300.00 for a one-year period.

Estimated Implementation Time: It is estimated that this program could be implemented with five (5) to ten (10) hours staff time to research and prepare an ordinance or resolution outlining the process that can be taken to the City Council for approval. This ordinance can be approved by the City Council without being subject to the requirements of the Unified Development Code (*i.e. approximately four [4] weeks for adoption*).

STRATEGY 4 EXISTING BUILDING CODE

Property owners in the IH-30 corridor interested in redevelopment could be allowed to use the *2015 International Existing Building Code*, which is generally less restrictive than the *2015 International Building Code* (IBC) and *2015 International Fire Code* (IFC). The *2015 International Existing Building Code* is a code that is intended to provide model regulation for existing buildings and is generally less prohibitive than the City's other codes. Currently, the City only utilizes this code in certain circumstances; however, this use could be expanded to ease regulations on existing rehabilitation work. Implementing this strategy would also help to address one (1) of the comments that was expressed at the stakeholder meeting, and which stated that "(e)xisting and older buildings need to grandfathered from any retroactive zoning/building requirements that may be added." While the City does not retroactively apply zoning requirements, new work on existing buildings is typically subject to the building code that is in place at the time of the permit. In this case, it would ease requirements and allow for a code that is expressly intended to regulate existing buildings.

Implementation Responsibility: BI & FM

Anticipated Cost(s): The implementation of this policy change is not expected to incur any additional costs for the City, and should be able to be implemented without the assistance of outside consultants.

Estimated Implementation Time: This policy change can be implemented at an administrative level by changing the City's policy and defining when the *2015 International Existing Building Code* can be used.

STRATEGY 5 CIP PROJECTS

Capital Improvement Projects (CIP) scheduled for the study area and intended to support existing businesses could be approached with a higher priority than other projects. Currently, there are no anticipated projects intended for the study area; however, this strategy could be used when projects are identified in the future.

Implementation Responsibility: E, M & CC

Anticipated Cost(s): This strategy is not anticipated to have any additional costs

associated with it since it deals with the future prioritization of projects on the CIP.

Estimated Implementation Time: This strategy is not anticipated to require a great deal of staff time to implement; however, it would require the foresight and consideration of staff when planning the CIP in the future.

STRATEGY 6 IMPLEMENT CORRIDOR BEAUTIFICATION STRATEGIES

The visual aesthetics of the corridor play a major role in attracting consumers, and in attracting and retaining businesses. Specific strategies targeted at creating a uniformed and well-maintained appearance in the corridor can be implemented to ensure the overall beautification of the corridor. Some of these strategies include:

- ☑ An increased code enforcement presence in the corridor targeted at taking a strict approach to the property maintenance code can be implemented. This would be especially important in areas that are designated as *Transition* or *Preservation Zones*.
- ☑ Limiting the approval of variances for properties that have visibility in the corridor will ensure that properties are designed using the same architectural standards and materials, which creates a uniformed look in the corridor. This will help create a sense of place in the corridor and provide for high quality development. In addition, by denying variances this should have the effect of decreasing the number of variances being requested overtime (*i.e. business generally only ask for variances when they know that others have been approved for those variances in the past*).
- ☑ Limiting or prohibiting the height of pole signage and lighting elements in the corridor. This includes LED signage.

NOTE: This strategy can be both offensive and defensive.

Implementation Responsibility: PZD, NIS, BI, PZC, M & CC

Anticipated Cost(s): The implementation of these policy changes is not expected to incur any additional hard costs for the City, and should be able to be implemented without assistance from outside consultants.

Estimated Implementation Time: The implementation of these strategies would simply be a change in policy. In addition, if implemented this would be an on-going effort.

STRATEGY 7 DEVELOP A POSITION RESPONSIBLE FOR BUSINESS RELATIONS/RETENTION IN THE CORRIDOR

Many of the strategies -- *both offensive and defensive* -- deal with recruitment and retention of businesses, marketing the corridor and working with property owners. The implementation of these strategies may warrant a full time position or a shift in responsibilities of an existing position to allow the time necessary to implement these strategies. In addition, this position could work directly with existing businesses and property owners, assist small businesses with finding locations in the corridor, coordinate planning efforts, and actively market the corridor.

Implementation Responsibility: M & CC

Anticipated Cost(s): The anticipated cost of this strategy would have to evaluated by the Human Resources Department and Management.

Estimated Implementation Time: The time required to implement this strategy would depend on the position being approved by the City Council as part of the budget process.

STRATEGY 8 CITY INITIATED ZONING OF THE CORRIDOR

To avoid undesired and unplanned land uses in the corridor the City Council could consider a City initiated action rezoning all property in the corridor to a Commercial (C) District designation. This strategy would ensure that the corridor develops in accordance with the uses permitted in the targeted zoning district; however, this would need to be carefully evaluated and vetted by the City Attorney to avoid any legal hurdles associated with this method. As an alternative strategy, the City could offer the change in zoning classification to property owners on a mass and voluntary basis. This strategy would allow many of the Agricultural (AG) properties within the district the ability to secure Commercial (C) District zoning without having to pay the fees for initiating a zoning case. In addition, this would allow people to market their properties as commercial property.

While the voluntary method is the most desirable, it does not ensure 100% participation from property owners in the corridor. This method could also have the negative effect of entitling property for Commercial (C) District land uses, while not incentivizing a regional mixed-use center. To prevent this, City Council could consider establishing a new zoning district or planned development district that would have the effect of limiting certain land uses. Under this method, if any residential component was incorporated into the zoning it could fall under *upzoning* (*i.e. allowing a greater range of land uses*), which could make the request more difficult to challenge. Staff should note that any City initiated zoning request should be approached under the advisement of the City Attorney.

Implementation Responsibility: CA, M, PZD, PZC & CC

Anticipated Cost(s): All the anticipated costs for this strategy will vary depending on the involvement of the City Attorney.

Estimated Implementation Time: The implementation time of this strategy will depend on the approach of the City Council.

SECTION 2 IMPLEMENTATION PLAN

The following section lays out the implementation plan in sequential order. Of course, any action with regard to this study will largely depend on the desired direction of the City Council. Each of the following implementation efforts is summarized by an action item followed by the necessary steps to achieve the action.

ACTION 1 PLAN FRAMEWORK ADOPTION

This implementation action involves adopting the recommendations contained in Chapter 5, *Planning Framework*, of this document. These include (1) the corridor zones (*i.e. Transition, Preservation and Opportunity Zones*), (2) the strategically located properties and potential regional development models, (3) monumentation locations, (4) changes to the Master Thoroughfare Plan, and (5) changes to the Future Land Use Plan. If adopted, this plan can be incorporated into the Comprehensive Plan as an appendix with the *2018 Comprehensive Plan Update*. This update is anticipated to be complete in Q1 of FY 2019.

By putting these recommendations into the Comprehensive Plan, the City Council is creating a guide for future policy decisions. In addition, if adopted the Comprehensive Plan is perhaps the best place to convey the City Council's chosen vision for the corridor. This plan can also be reviewed on an annual basis with the annual Comprehensive Plan review process that will be included in the implementation strategies for that document. It

44

will also allow City Council the ability to overhaul the plan on a five (5) year basis with the Comprehensive Plan update.

ACTION 2 STRATEGY ADOPTION

The second step in the implementation plan would be for the City Council to identify and adopt their chosen strategies. The implementation time for these strategies and the organizations responsible for implementation have been outlined above.

ACTION 3 LOOKING TOWARDS THE FUTURE

Perhaps the most important thing to point out is that markets are not static, and have a substantial potential to change. This is especially true with regard to commercial-retail development trends. It will be necessary to update the information in this study on a regular basis and to make sure that the direction of this study is still in-line with the community's vision. This is specifically important with regard to the market analysis contained in this document.

Finally, when making future decisions in the corridor all parties will need to make sure that development requests, policy decisions, discretionary approvals and any other action affecting the study area are looked at in a global sense. Taking a district wide approach to how the corridor develops in the future will ensure that the community is developing in accordance to its vision and not letting individual developments dictate the community's appearance. This will be especially important for staff to relay to applicants looking to develop and/or establish themselves in the IH-30 corridor.

ROCKWALL FIRE DEPARTMENT

Staffing for Adequate Fire and Emergency Response (SAFER) Grant

Objectives

- Overview of the SAFER Grant program
- Review of the RFD strategic plan
- SAFER Grant proposal

Overview

- Provide funding for organizations "to help communities meet industry minimum standards and attain 24-hour staffing to provide adequate protection from fire and fire-related hazards, and to fulfill traditional missions of fire departments"
- Enhance departments' abilities to comply with staffing, response, and operational standards established by the NFPA

Overview (cont.)

- 3-year program
- Grant pays:
  - Year 1 – 75% of the annual cost of a first-year firefighter
  - Year 2 – 75% of the annual cost of a first-year firefighter
  - Year 3 – 35% of the annual cost of a first-year firefighter
  - Year 4 and beyond – City picks up 100% of the cost

Strategic Plan - Staffing

- 16, on-duty personnel in 6 years

Year	Personnel
1 (current year)	6
2	3
3	3
4	3
5	3
TOTAL NEW PERSONNEL in YEARS 2-5	12

SAFER Staffing Levels

- Apply for funding for 12 personnel to take advantage of grant funding
- 13 full-time personnel assigned to each shift
- Significantly compresses the window to achieve increased on-duty staffing
  - Compresses years 2-5 into 1 year at a savings
- Minimum staffing = 12 per shift (3 at each station)

Associated Costs with SAFER Levels

- PPE
- Uniforms
- Officer Positions
- Important to note that these are not *additional* costs, but will be incurred in a shorter period of time than without the grant

Projected Base Salary and Benefits Package Costs (12 Personnel)

SAFER GRANT
12 personnel in Year 1

	TOTAL	GRANT	CITY
YEAR 1	$ 886,209.17	$ 664,656.88	$ 221,552.29
YEAR 2	$ 930,531.31	$ 664,656.88	$ 265,874.43
YEAR 3	$ 977,057.44	$ 310,173.21	$ 666,884.23
YEAR 4	$ 1,025,918.26	$ -	$ 1,025,918.26
TOTAL	**$ 3,819,716.19**	**$ 1,639,486.97**	**$ 2,180,229.22**

NO SAFER GRANT
12 personnel Over 4 Years (3 per year)

YEAR 1	$ 221,552.29
YEAR 2	$ 454,185.12
YEAR 3	$ 698,449.48
YEAR 4	$ 954,929.05
TOTAL	**$ 2,329,115.94**

Savings = $2,329,115.94 - $2,180,229.22 = $148,886.72

Advantages vs. Disadvantages

- Advantages
  - Savings of $148,886
  - Exceeds the expectations of the strategic plan staffing objective
  - 3 – member staffing per station
- Disadvantages
  - Additional “up-front” cost in Year 1

Questions?

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

Cc: **Honorable Mayor and City Council Members**

FROM: **Kenneth Cullins, Fire Chief**

DATE: **February 13, 2019**

SUBJECT: **S.A.F.E.R. Grant Application**

The FY2018 Staffing for Adequate Fire and Emergency Response (SAFER) Grant application period runs from February 15, 2019 to March 22, 2019. The SAFER Grant Program, in part, is designed to provide funding directly to fire departments and volunteer firefighter interest organizations to assist in increasing the number of firefighters to help communities meet industry minimum standards. The grant is a three year program. In the first and second years it pays for 75% of the usual annual cost of a first-year firefighter. In the third year it covers 35% of the usual annual cost of a first-year firefighter. The city picks up the entire cost of the member after the third year.

The current strategic plan for the Rockwall Fire Department includes consideration for increasing on-duty staffing levels. Specifically, the plan considers increasing staffing by 3 personnel each of the next four years. For council's consideration is the direction to staff to apply for a FY 2018 SAFER grant in order to offset the cost of hiring additional personnel.

55

MINUTES

ROCKWALL CITY COUNCIL REGULAR MEETING
Monday, February 04, 2019 - 4:00 PM
City Hall Council Chambers - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:02 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Kevin Fowler and Council Members Patrick Trowbridge, John Hohenshelt, Bennie Daniels and Trace Johannesen. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Joey Boyd, and City Attorney Frank Garza. Councilmember Dana Macalik was not present at the start of the meeting (but arrived shortly thereafter, at 4:04 P.M.).

II. WORK SESSION

1. Hold a work session to hear staff presentation regarding the Harbor Urban Beach Park Concept Plan and Phase One.

Director of Parks and Recreation, Andy Hesser, came forth and briefed Council on the proposed Urban Beach Park at the Harbor, including various options for amenities and features which could be included in Phase One, at Council's discretion / direction. Councilmember Macalik arrived and joined the meeting at 4:04 p.m. Estimated costs and funding sources were also presented to Council as part of Mr. Hesser's presentation.

Councilmember Fowler expressed that he likes "Option 2," which includes a restroom facility and is estimated at $484,010. He asked if this option could have amenities added to it in the future. Mr. Hesser indicated that, yes, some things could be added. Mr. Fowler shared that the only thing he might immediately add to Option 2 would be an additional seating node.

Councilmember Trowbridge asked for clarification regarding funding. Mrs. Smith clarified that these funds are in no way associated with the city's General Fund. The "Rec Development Fund" is a special, separate pot of money (in part funded by franchise agreements such as "Sail with Scott," for example).

Councilmember Hohenshelt sought clarification regarding to what extent each of the city's neighborhood parks is currently developed / 'improved.' Mr. Crowley, City Manager, clarified that none of the city's neighborhood parks is totally developed or 'built out,' and certainly none are built to "pie in the sky" type specifications. Extensive, general discussion ensued pertaining to costs, other neighborhood parks within the city, amenities, and the like.

Council took no formal action as a result of this work session discussion.

2. Hold a work session with PROS Consulting to discuss an athletic facility feasibility study.

Mike Svetz with PROS Consulting came forth and introduced himself, indicating that PROS will be developing what is essentially an athletic fields 'master plan' for the City of Rockwall. It will help the city better understand supply and demand, both today and fifteen years from now. Mr. Svetz went on to explain the process that will ensue pertaining to the study, including its purpose and what results may be expected. Mr. Svetz indicated that the timing associated with completion of this study is estimated to be early to mid-summer. Council took no action pertaining to this work session discussion.

Mayor Pruitt then read the below listed discussion items into the record before recessing the public meeting to go into Executive Session at 4:57 p.m.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal issues pertaining to potential annexation pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding Breezy Hill Road pursuant to § Section 551.071 (Consultation with Attorney)
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Council adjourned from Executive Session at 5:25 p.m.

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Pruitt reconvened the public meeting at 6:00 p.m. (with all seven council members present).

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

There was no action taken as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER JOHANNESEN

Councilmember Johannesen delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS

1. STEM Gals Day

Mayor Pruitt called forth Mrs. Taylor, teacher from Rockwall High School who oversees the S.T.E.M. program, and her students. He then read the proclamation for "STEM Gals Day." The program encourages females to pursue educations and careers in the fields of Science, Technology, Engineering and Mathematics.

2. Presentation of The Patriot Award

Mayor Pruitt called forth Mary Smith, Assistant City Manager, Debbie Waters, (Municipal) Court Administrator and Tia Hambrick, Court Clerk as well as a representative from an organization called the ESGR (Employer Support of the Guard and Reserve), which is a Department of Defense program. Indication was given that this organization was established in 1972 to promote cooperation and understanding between Reserve Component Service members and their civilian employers. Ms. Hambrick then read two statements, one addressed to Mrs. Smith and one addressed to Mrs. Waters. Each of them was then presented with an award to recognize and thank them for their support of Ms. Hambrick over the years as she has participated in various military related endeavors while employed by the City of Rockwall for the last fourteen years. The representative from the ESGR also presented a certificate to Mayor Pruitt in recognition of the City of Rockwall for its support of military personnel employed by the City.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time.

Ruth Peck (108 Lakedale Drive) came forth and shared that she has some water related issues occurring in her yard, including some sink holes. She is concerned about this; however, she pointed out she was introduced to City Engineer, Amy Williams, before the start of tonight's meeting. So she will be getting with Ms. Williams to hopefully work through these concerns.

There being no one else coming forth to speak, Mayor Pruitt closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the January 22, 2019 city council meeting, and take any action necessary.
2. Z2018-057 - Consider approval of a request by Bill Bricker of Columbia Development Company, LLC for the approval of an **ordinance** amending Planned Development District 59 (PD-59) for the purpose of incorporating a 0.786-acre tract of land for Residential-Office (RO) District land uses being a 56.586-acre tract of land identified as a portion of R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 52 (PD-52) and Planned Development District 59 (PD-59), located between W. Washington Street and T. L. Townsend Drive, and take any action necessary [2nd Reading].
3. Z2018-059 - Consider approval of a request by Heather Cullins for the approval of an **ordinance** for a zoning change from a Single-Family Estate 2.0 (SFE-2.0) District to Single Family Estate 1.5 (SFE-1.5) District on a 3.03-acre tract of land identified as Tract 1-01 of the T. Dean Survey, Abstract No. 69, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 1085 Dalton Road, and take any action necessary [2nd Reading].
4. P2019-002 - Consider a request by Gerald Houser of Collin-G Properties, LTD for the approval of a replat for Lot 2, Block A, Houser Addition being a 6.19-acre parcel of land identified Lot 1, Block A, Houser Addition, City of Rockwall, Rockwall County, Texas, zoned

Heavy Commercial (HC) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 1611 SH-276, and take any action necessary.

5. P2019-003 - Consider a request by Maria C. Bonilla of Winkelmann & Associates, Inc. on behalf of Jill Fisher of Dunhill Partners, Inc. for the approval of a replat for Lot 2, Block B, R. W. Marketcenter Addition being a replat of a 21.424-acre parcel identified as Lot 1A, Block B, R. W. Marketcenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, situated at the southwest corner of Market Center Drive and the E. IH-30 Frontage Road, and take any action necessary.
6. P2019-004 - Consider a request by Tony Degelia of A & W Surveyors on behalf of Michael Fisher for the approval of a replat for Lot 7, Block A, Temunovic Addition being a 1.082-acre parcel of land identified as Lot 6, Block A, Temunovic Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District, situated within the Scenic Overlay (SOV) District, addressed as 1306 Summer Lee Drive, and take any action necessary.
7. Consider approving emergency pump replacements for the large fountain at The Harbor and authorizing the City Manager to expend $25,830.83 out of the General Fund Harbor Operations Budget for this purpose, and take any action necessary.
8. Consider approving the work and authorizing the City Manager to execute a Purchase Order to XIT Paving and Construction for the Service Center Yard Pavement Replacement project in the amount of $352,390 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.
9. Consider approving the work and authorizing the City Manager to execute a Purchase Order to Texas Bit for the National Drive Reconstruction Project in the amount of $300,997 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.
10. Consider awarding a bid to Riverstone Fence and authorizing the City Manager to execute a Contract for new fencing at three city lift station sites in the amount of $43,500 to be funded out of the Water and Sewer Fund, Wastewater Operations Budget, and take any action necessary.
11. Consider authorizing the City Manager to execute Supplemental Agreement No. 1 with Teague Nall & Perkins, Inc. to design portions of Carriage Trail, Westway Drive, and Aspen Court in the amount of $432,000 to be paid out of the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.
12. Consider approval of the Rockwall Police Department's 2018 Racial Profiling Report, and take any action necessary.
13. Consider approval of a resolution calling the May 4, 2019 General Election for the purpose of electing the mayor and city council members for Places 1, 3, and 5, and take any action necessary.

Councilmember Hohenshelt moved to approve the entire Consent Agenda. Councilmember Trowbridge seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-08

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) [ORDINANCE NO.'s 04-59 AND -6-51] AND PLANNED DEVELOPMENT DISTRICT 52 (PD-52) [ORDINANCE NO. 16-45] FOR THE PURPOSE OF INCORPORATING A 0.789-ACRE TRACT OF LAND FOR RESIDENTAL-OFFICE (RO) DISTRICT LAND USES BEING A 56.586-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ZONED PLANNED DEVELOPMENT DISTRICT 52 (PD-52) AND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A' AND DEPICTED HEREIN BY EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

XI. APPOINTMENT ITEMS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the city's Planning & Zoning Commission, Johnny Lyons, came forth and addressed the Council, providing brief comments regarding recommendations of the Commission relative to planning-related items on tonight's meeting agenda. No discussion ensued and no action was taken by Council as a result of Mr. Lyons' briefing.

2. Appointment with the city's ART Commission Chairman to hear a presentation regarding a public art fiberglass guitar project and to consider authorizing associated funding in the amount of $5,500 from the city's "Art in Public Places" funds, and take any action necessary.

David Sweet of the city's ART Commission came forth and gave a brief presentation regarding this proposed project. Following his presentation, Mayor Pruitt moved to authorize the expenditure of $5,500 as requested. Councilmember Trowbridge seconded the motion, which passed unanimously of those present (7 ayes to 0 nays).

3. Appointment with resident Jillian Gaines to hear concerns related to water around her home and neighborhood (address: 1305 Clear Meadow Court), and take any action necessary.

Ms. Gaines came forth and addressed the Council during this appointment item. She generally expressed concern related to water in and around the streets and properties within the subdivision in which she lives and on the street on which she resides. She also has concerns about water on her own, personal residential property.

Mayor Pruitt indicated that several council members have traveled to the locations in and around Ms. Gaines home in The Shores since the last time Ms. Gaines came before the Council to express water-related concerns. He shared that he personally knows of three other locations (not in The Shores) where groundwater settles on the pavement following rain events within the city. He expressed that there hasn't been any significant rain events lately, so the underground springs and ground water

have not had the opportunity to seep up and stand on the concrete pavement recently. Mayor Pruitt shared that the city cannot make the HOA in which Ms. Gaines lives do anything about concerns related to french drain installation or retaining wall repairs. He understands that there are areas within the city where ground water seeps up and causes standing water to pool; however, he does not believe there is anything that the city or the city council can do regarding ground water. Council took no action as a result of this Appointment Item.

XII. PUBLIC HEARING ITEMS

1. Z2018-058 - Hold a public hearing to discuss and consider a request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of an **ordinance** for a Specific Use Permit (SUP) for a Craft Winery and Commercial Amusement/Recreation (Outdoor) on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary [1st Reading].

City Planning Director Ryan Miller provided brief background information pertaining to this agenda item. The applicant is currently running a subscription-based wine business. The venue has been holding special events at this location through the city's "special events" ordinance; however, doing so limits the business to only four events per year, and the applicant would like to hold more than four events annually. Mr. Miller shared that Council may wish to consider the following conditions related to this SUP request:

1) The operation of the *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* on the subject property shall be subject to the following operational conditions, which are contained in the SUP ordinance:

A. Craft Winery:

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance.

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance.

3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. Commercial Amusement/Recreation (Outdoor)

1) The operation of a *Commercial Amusement/Recreation* (O*utdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance.

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes.

3) The hours of operation associated with the O*utdoor Venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM.

4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*.

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [*FM-3097*].

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the *UDC*, the *International Building Code*, the *Rockwall Municipal Code of Ordinances*, city adopted engineering and fire codes and with all other regulatory requirements administered and/or enforced by the state and federal government.

On January 2, 2019, staff mailed 63 notices to property owners and residents within 500-feet of the subject property. Staff did not send a neighborhood HOA notification, as there were no Home Owners Associations (HOA's) participating in the Neighborhood Notification Program within 1500-feet of the subject property. At the time staff's report was drafted, one e-mail opposed to the applicant's request had been received. In addition, the city's Planning & Zoning Commission recommended approval of this item by a vote of 5-2.

Tim McCallum
5140 Standing Oak Ln.
Rockwall, TX 75087

Mr. McCallum came forth to address the Council concerning this public hearing item. He briefed the Council on his and his wife's existing business, including the business model, which focuses on online direct sales, wine festivals and events.

Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Brief clarifying questions and answered took place among Council members, staff and the applicant. Councilmember Daniels asked for clarification about "used on a limited and infrequent basis." Mr. Miller clarified that if this SUP is granted, the applicant could (potentially) hold an event there every night of the week from Thursday thru Monday. Mr. Daniels expressed concern about this, especially related to residential homes located nearby. He has a problem with the 'unlimited frequency' timeframe related to how the SUP ordinance drafted (which would allow it to be open five nights out of the week).

Councilman Trowbridge asked for clarification regarding where PD-75 is located. Mr. Miller indicated that this is located in the Lake Rockwall Estates Subdivision area.

Mayor Pruitt expressed concern that the hours would allow wine tastings, for example, until midnight. He would prefer that the time be cut off at about 10:00 p.m. at night.

Councilmember Macalik moved to approve Z2018-058. Councilmember Trowbridge seconded the motion.

CITY OF ROCKWALL
ORDINANCE NO. 19-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS

PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A *CRAFT WINERY* AND *COMERCIAL AMUSEMENT/RECREATION (OUTDOOR)* ON A 7.2-ACRE TRACT OF LAND, ADDRESSED AS 203 COUNTY LINE ROAD AND BEING IDENTIFIED AS TRACTS 20-01 & 20-07 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDIT IONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

2. Z2018-056 - Hold a public hearing to discuss and consider a request by Tom Jones on behalf of Shanon Thomas of Rockwall Friendship Baptist Church for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard, and take any action necessary [1st Reading].

Planning Director Ryan Miller provided background information pertaining to this agenda item. The applicant is requesting a change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District for the purpose of constructing a house of worship on the subject property. The subject property is situated on a 6.03-acre tract of land, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, and located east of the intersection of Justin Road and John King Boulevard. The subject property was annexed in 1985 [Ordinance No. 85-69] and is zoned Agricultural (AG) District. The Agricultural (AG) District is a holding district with the intent that a property will be rezoned in conformance with the Future Land Use Plan contained in the Comprehensive Plan. According to Section 1.0, Use of Land and Buildings, of Article IV, Permissible Uses, of the Unified Development Code (UDC), a house of worship is permitted in an Agricultural (AG) District by Specific Use Permit (SUP) or permitted by-right in a Light Industrial (LI) District. The proposed request to rezone the property to Light Industrial (LI) District is in conformance with the City's Future Land Use Plan.

On January 14, 2019, staff mailed 10 notices to property owners and residents within 500-feet of the subject property. There are no HOA's/Neighborhood Associations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. At the time the case memo was drafted, staff had not received any notices concerning this case. On January 29, 2019, the Planning and Zoning Commission's motion to recommend approval of the change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District passed by a vote of 7-0.

Mayor Pruitt opened the public hearing and asked if the applicant has received approval from the FAA, as it is located within a flight path. Mr. Miller shared that the applicant will obtain any necessary 'letter of approval' from the FAA. There being no one wishing to come forth and speak, he then closed the public hearing and called the applicant forth.

Tom Jones
5850 Hillcrest
Dallas, TX

Mr. Jones came forth and briefly addressed the Council.

Clarifying questions and answered then took place between the city council members and staff. Thereafter, Councilman Daniels moved to approve Z2018-056. Mayor Pruitt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) [ORDINANCE NO.'s 04-59 AND -6-51] AND PLANNED DEVELOPMENT DISTRICT 52 (PD-52) [ORDINANCE NO. 16-45] FOR THE PURPOSE OF INCORPORATING A 0.789-ACRE TRACT OF LAND FOR RESIDENTAL-OFFICE (RO) DISTRICT LAND USES BEING A 56.586-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ZONED PLANNED DEVELOPMENT DISTRICT 52 (PD-52) AND PLANNED DEVELOPMENT DISTRICT 59 (PD-59) AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A' AND DEPICTED HEREIN BY EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of in favor with 1 against (Hohenshelt).

XIII. ACTION ITEMS

1. Discuss and consider the overall concept plan and proposed Phase I of the Harbor Urban Beach Park, and take any action necessary.

Mayor Pruitt provided opening comments pertaining to this agenda item, indicating that a work session was held with staff and Council earlier this afternoon pertaining to this Action Item. Councilmember Hohenshelt generally expressed that he believes 50% of the park and its amenities should cater to the general populous of Rockwall, and the remaining 50% should cater to the immediate, residential occupants in and around The Harbor area. Council generally indicated that this is a very important park, and the council members really want to be sure they're making right decisions pertaining to its development. Mayor Pruitt pointed out that there are no time constraints associated with making these decisions.

Staff shared that takeline leases, concession agreements and marina fees are all examples of funding sources for the city's "Rec Development Fund," which is the pot of money that will be utilized to fund this park.

Mayor Pruitt asked staff to allow Council time to reflect and then revisit this topic again in one month (first meeting in March). No formal action was taken at this time.

XIV. CITY MANAGER'S REPORT, DEPARTMENTAL REPORTS AND RELATED DISCUSSIONS PERTAINING TO CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

Building Inspections Monthly Report - December 2018
Fire Department Monthly Report - December 2018
GIS Division Monthly Report - December 2018
Harbor PD Monthly Report - December 2018
Internal Operations Department Monthly Report - December 2018
Police Department Monthly Report - December 2018
Recreation Monthly Report - December 2018
Rockwall Animal Adoption Center Monthly Report - December 2018
STAR Transit Monthly Report - December 2018

2. City Manager's Report

Mr. Crowley indicated that staffs' departmental reports have been included in the council members' meeting packet this evening, and staff is happy to answer any questions Council may have. None were asked.

XV. Executive Session

The City of Rockwall City Council will Recess into Executive Session to discuss the following matters as authorized by Chapter 551 of the Texas Government Code:

1. Discussion regarding legal issues pertaining to potential annexation pursuant to Section §551.071 (Consultation with Attorney)
2. Discussion regarding Breezy Hill Road pursuant to § Section 551.071 (Consultation with Attorney)
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XVI. Reconvene Public Meeting & Take Any Action as Result of Executive Session

Council did not reconvene in Executive Session following the close of the public meeting agenda.

XVII. Adjournment

Mayor Pruitt adjourned the meeting at 7:43 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 19th DAY OF FEBRUARY, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-10

SPECIFIC USE PERMIT NO. S-205

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A *CRAFT WINERY* AND *COMERCIAL AMUSEMENT/RECREATION (OUTDOOR)* ON A 7.2-ACRE TRACT OF LAND, ADDRESSED AS 203 COUNTY LINE ROAD AND BEING IDENTIFIED AS TRACTS 20-01 & 20-07 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Tim McCallum of He Wines She Dines, LLC for the approval of a Specific Use Permit (SUP) for a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* for the purpose of establishing a *Craft Winery* in conjunction with an outdoor venue on a 7.2-acre Tract of land, zoned Commercial (C) District, being identified as Tract 20-01 & 20-07 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, addressed as 203 County Line Road, and being more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* as stipulated by Article *IV, Permissible Uses,* of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in *Section 1.1, Land Use Schedule,* of *Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District,* of *Article V, District Development Standards,* of the Unified

Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and shall be subject to the additional following conditions:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *Craft Winery* and *Commercial Amusement/Recreation (Outdoor)* use on the *Subject Property* and conformance to these requirements is necessary for continued operations:

A. *Craft Winery:*

1) The maximum square footage of the building used for a winery shall not exceed 12,000 SF in total building area, and is depicted in *Exhibit 'C'* of the draft ordinance;

2) The areas dedicated to the direct sale of the on-site manufactured product shall not exceed 40% of the total floor area of the building, and is depicted in *Exhibit 'D'* of the draft ordinance; and,

3) The hours open to the public for this facility shall be limited to Sunday through Saturday, 11:00 AM to 12:00 AM.

B. *Commercial Amusement/Recreation (Outdoor)*

1) The development and operation of a *commercial amusement/recreation* (*outdoor*) use shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The *Subject Property* may be used for all permitted accessory uses as well as the use of an *outdoor venue* that may include live music and food truck vendors as depicted in *Exhibit 'B'* of this ordinance. The use of temporary tents or similar uses must be made of fire retardant materials and meet the City's fire codes;

3) The hours of operation associated with the *outdoor venue* for this facility shall be limited to Thursday through Monday, 11:00 AM to 12:00 AM;

4) There shall be no outside storage of equipment, furniture, or other materials associated with the operation of this business or from any outdoor gatherings on the *Subject Property*; and,

5) No parking associated with the uses permitted on the *Subject Property* shall be permitted along County Line Road or Horizon Road [FM-3097].

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified

Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 19TH DAY OF FEBRUARY, 2019.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor and City Council**

CC: **Rick Crowley, City Manager**
Joey Boyd, Assistant City Manager
Mary Smith, Assistant City Manager

FROM: **Andy Hesser, Director of Parks and Recreation**

DATE: **February 12, 2019**

SUBJECT: FACILITY USE AGREEMENT WITH LAKE POINTE SPORTS

In July of 2018, the facility use agreement between the City of Rockwall and Lake Pointe Church expired. This was originally a five year term including any approved extensions. Since that time, staff had not received any communication regarding a renewal of the agreement and had therefore assumed that Lake Pointe Sports would not be offering a baseball program on City owned fields.

On January 16, 2019, staff meet with Brad Bassett of Lake Pointe Sports to hear a request for field usage for their baseball program. Mr. Bassett asked for an appointment with the Park Board to request that the City enter into a new facility agreement for baseball field use.

Included in your packet is a copy of the previous agreement and the basis for which field allocations are determined. It states:

"The City of Rockwall will coordinate the Rockwall Baseball and Softball League for children 5 -14 years old. It is the goal to provide two practice periods per week to each team prior to the season and fields for one practice and {up to} two games per week and once the season has commenced. This goal will be the basis for the allocation of all City owned fields. Once this goal is met, additional fields may be available to LPC. It shall be the goal of LPC to provide one practice time and one game time per week during the season. Fields shall be allocated in a manner to meet the goals of each party."

As the program grows, field availability becomes an increasing challenge for the City's Rockwall Baseball Softball League (RBSL) program as well as any other potential

outside user. At this time, we anticipate another year of approximately 1,200 participants. Since the creation of the program, our commitment to our customers has been to provide adequate practice times and game times. The RBSL program is hosting 13 weekend tournaments that we believe to be in line with the expectations of our participants.

Now that registration has officially closed, staff is currently working on the spring season schedule. This schedule must take into account that between 94 teams need a practice once per week, which is only available on weekends and up to two games each week, Monday through Friday.

We have six lighted fields and seven unlighted fields between three different facilities. Additionally, when tournaments are held on weekends, this displaces RBSL team's practices, normally scheduled at Tuttle. It is our intention to make sure those teams displaced from Tuttle due to the tournaments, can continue to have practice times at Yellowjacket and/or Myers Park fields.

We also factor in make-up games for rainouts to better ensure that we meet our goal of 12 regular season games and an end of the season tournament which is determined by league play seeding. Based on customer feedback, we try to end the spring season before Memorial Day weekend. This allows time for rain-out make-ups

Park Board voted unanimously of those present to recommend that Council authorize the City Manager to enter into a one year agreement in the annual amount of $12,000 in accordance with the terms of the attached agreement with the understanding that the City will first meet its obligation to its customers with any remaining time slots to be made available to Lake Pointe Sports, contingent on City Attorney review.

FACILITY USE AGREEMENT BETWEEN THE CITY OF ROCKWALL, TEXAS, AND THE LAKEPOINTE CHURCH

STATE OF TEXAS §
§
COUNTY OF ROCKWALL §

WHEREAS, the City of Rockwall, Texas (City) is a home rule city with all the rights, powers, and privileges set forth by the applicable statutes of the State of Texas and the City Charter; and

WHEREAS, the City is empowered pursuant to those statutes and said City Charter to provide for the regulation and improvement of all public grounds, including parks, located within the City's limits; and

WHEREAS, Lakepointe Church (LPC) desires to operate a baseball program utilizing City athletic fields; and

WHEREAS, the City desires to promote the health, welfare, and safety of its citizens:

WITNESSETH

NOW, THEREFORE, for and in consideration of the mutual promises contained herein and the mutual benefits flowing to both the City and LPC, and other good and valuable considerations recited herein, the receipt and sufficiency of which are hereby acknowledged, the City and the Associations do **CONTRACT, COVENANT, WARRANT, AND AGREE** as follows:

I.

INCORPORATION

All matters contained in the above and foregoing preamble are incorporated herein and made part of this Facilities Use Agreement (Agreement) as if copied herein in its entirety.

II.

DEFINITIONS

A. The terms "athletic facility," "athletic fields," or "fields" mean the eight fields at Leon Tuttle Park, the two fields at Harry Myers Park and the three fields Yellowjacket Park, and any other location made available by the City on which athletic events are or can be held.

B. "Director" means the Director of Parks and Recreation for the City of Rockwall, or his/her designee.

C. "City Manager" means the City Manager for the City of Rockwall, or his/her designee.

III.

FIELD USE

A. Both the City and LPC acknowledge that the fields are owned by the City and are provided for the benefit of citizens of the City. At any time the fields are not being used by LPC, the City may assign such fields to other associations or parties. The City shall maintain approval over the use of the fields at all times. Under terms of this Agreement, the City permits LPC to use the fields to provide youth baseball activities.

B. LPC shall not assign this Agreement or rent out any part of the fields or concession facilities without prior written consent of the City. Any request for assignment or rental made by a third party shall be referred to the Director. All parties understand that LPC's use of the fields is nonexclusive.

C. No use of the City's fields is permitted outside the terms of this Agreement, as set forth herein.

D. The City of Rockwall will coordinate the Rockwall Baseball and Softball League for children 5-14 years old. It is the goal to provide two practice periods per week to each team prior to the season and fields for one practice and two games per week and once the season has commenced. This goal will be the basis for the allocation of all City owned fields. Once this goal is met, additional fields may be available to LPC. It shall be the goal of LPC to provide one practice time and one game time per week during the season. Fields shall be allocated in a manner to meet the goals of each party.

E. At the beginning of each season, a representative from LPC will meet with the Director to work through game and practice schedules. The Director will have final approval over all game and practice schedules of LPC and any other league or organization.

IV.

OBLIGATIONS OF THE CITY

The City shall:

A. Maintain all fences and gates in a safe and secure condition;

B. Maintain all turf areas on the fields to include mowing, weed control, fertilizing and herbicide spraying;

C. Perform all pre-season clay and turf maintenance to include adding clay, clay renovation and cutting infield arcs;

D. Provide sand, soil, etc. to be used in leveling or backfilling low areas when deemed necessary, within normal yearly operating budget constraints;

E. Drag infields daily, Monday through Friday, weather permitting during regularly scheduled league games, and make-up games. The City will drag fields on Saturdays and Sundays upon request subject to applicable fees (see attached fee schedule). Services do not include preparation for foul weather;

F. Painting or chalking of outfield boundary lines on the playing surface of the park areas;

G. Haul off trash **THAT HAS BEEN DEPOSITED** in trash receptacles as warranted. The City shall provide trash receptacles;

H. Maintain structural integrity of concession stands, restrooms and storage buildings, including repair or replacements of damaged roofs, doors, and windows;

I. Maintain all area and field lighting systems where applicable;

J. Repair or replace lights, poles, wiring fuses, transformers and other equipment related to the lighting of each field to be used by LPC where applicable and within normal operating budget constraints;

K. Pay all electric and water bills in connection with use of the fields;

L. Maintain any field irrigation system and watering schedules of turf areas;

M. Maintain any adjacent park irrigation systems and the scheduling of watering turf areas;

N. Maintain restroom facilities;

O. Maintain and repair parking areas; and

P. Provide Hollywood style bases, home plates, and pitching rubbers for use by LPC.

Q. Determine, in its sole discretion, field closures due to weather. Determinations will be made by 3:30 pm on weekdays. Weather will be monitored beyond the determination times if necessary.

R. Perform its duties only to the extent that budgeted funds and manpower are available. If the City is unable to fulfill its obligation due to budget restraints, it will not be obligated to LPC for any monetary damages.

S. Provide pitching mounds and bases according to the rules and regulations of the relevant age group of teams participating in practices and games. The initial field and mound set-up shall be at no charge to LPC. The City shall charge a $50 fee for each additional mound construction and/or demolition that is required for non-regular season games or additional tournaments (see attached fee schedule).

T. To be eligible to be on the field or in the dugout during league games, coaches must pass a criminal history check. The eligibility criteria for coach participation shall be determined by the City of Rockwall Parks and Recreation Advisory Board in accordance with the adopted coach's eligibility policy. LPC coach's eligibility procedure will be accepted in lieu of City program.

V.

OBLIGATIONS OF LPC

LPC shall:

A. Provide a field manager schedule no later than 7 days prior to the beginning of each season. The field manager shall be responsible for unlocking and locking the gates and shall be on site during every regular season game and tournament game, and is responsible for game day policing of all litter on their field(s), to include playing areas, dugouts, fences, backstops, bleachers, concession stands, and adjacent grounds;

B. Monitor any restrooms at the fields and keep them stocked and assist with cleaning when needed;

C. Pay a key deposit prior to commencement of regularly scheduled practices and league games, if applicable;

D. LPC shall pay the City of Rockwall a fee for field use according to the following schedule. The "field use" fee shall include all "non-resident" player fees as well as fee for the field use and the preparation of the playing areas.

2014: Non-resident fees and field use shall be $10,000

2015: Non-Resident fees and field use fees shall be $11,000

2016-2018: Non-Resident Fees and Field use fees shall be $12,000

If the CITY is unable to meet the field use needs of LPC as defined in Section III. D., LPC will pay the City the pro-rata share of the field usage charges (i.e. if LPC field use requests total 100 practice/game times to meet the goals of LPC as described in Section III, D., and the City is only able to provide 93 game/practice times, LPC will pay the CITY 93% of the difference between the total "non-resident" fees and the maximum amount to be paid by LPC).

E. Pay all fees associated with additional services provided, such as pitching mound construction and weekend field preparation, according to attached fee schedule;

F. Obtain advanced written approval from the Director to charge admissions to any field or park for LPC events;

G. Use the fields within the policies, procedures, and rules established for park usage by the Parks and Recreation Department. Policies, procedures, and rules are as follows:

a. No alcoholic beverages allowed in the park. **Ordinance No. 19.3f;**

b. No skates, skateboards, or bikes allowed in the park;

c. Pets must be on leashes at all times. **Ordinance No. 5.18;**

d. No glass containers allowed around the athletic facilities;

e. Users will not use the fields when there is inclement weather or when the fields are unplayable;

f. Users will park in designated parking areas. **Ordinance No. 19.3d;**

g. City field curfew is 11 p.m., **Ordinance No. 19.3e.** This can be waived for tournaments with permission from the Director. (No league games may start after 8:30 p.m.);

h. Illegal entry by players or coaches may result in that team's loss of field use for practice privileges.

H. Not discriminate against any person or persons because of race, color, religion, sex, disability, or national origin;

I. Provide sufficient notice of all scheduled make-up game times (preferably a one-week notice). Notice shall be given to the Director;

J. Not engage in any business on the premises or do anything in connection therewith that shall violate any existing municipal, state, or federal law or ordinance, or use the same in such manner as to constitute a nuisance. The City reserves the right to exclude any individual or group from its facilities based on conduct, which it determines in its sole discretion to be objectionable or contrary to City interests. LPC hereby consents to the exercise of such authority by the City over its members, officials, and agents;

K. Submit all of the following to the Director:

a. A list of current participants, including name and address, as well as coaches, leadership staff, and officials, including the name, address, day and night time telephone numbers, and e-mail address of all adults;

b. A schedule of games with coaches and rosters to be played at the City's fields;

c. A copy of a general liability insurance policy naming the City as additional insured in the amount of at least $1,000,000.00;

d. A schedule with names and contact numbers of on site field representatives during the spring and fall seasons;

e. Policies and procedures for dealing with medical emergencies and hazardous weather conditions;

f. Any proposal to install, construct, alter, or modify any temporary or permanent structures, signs, equipment, or other related items, before commencing any work. All such proposals must be approved in writing by the Director in advance of construction. All applicable City codes must be followed. Approval of the proposal shall rest solely with the Director. Permanent structures shall become property of the City;

L. Designate a point of contact that will be responsible for correspondence with the City;

M. Communicate all necessary repairs and/or service requests to the Director;

N. Account for non-resident use of City fields by requiring a $30.00 payment per non-resident participant, and such amounts shall be remitted to the City by LPC which is included in fee contained in Section V. D.

VI.

CESSATION OF PLAY

A. LPC agrees and understands that the City, acting through an employee designated by the City Manager, the Director, or any Rockwall Police Officer shall have the authority to order cessation of any ball game, practice, or other activity of LPC on City fields. Such a cessation order by any one of said representatives of the City shall be the result of a determination by said representative that continuation of play would be unsafe or not in the interest of the City or the players. Play or use may resume when approved by the representative of the City who issued the cessation order or the City Manager.

VII.

LIABILITY INSURANCE

A. The City, its employees, agents, and landlords shall not be liable to the LPC or to any employee, member, customer, or agent of the LPC for any damage caused by negligence of the LPC, its members, employees, customers, volunteers or agents. The LPC hereby releases, relieves, quit claim and holds harmless, fully indemnifies and agrees to defend the City, its employees, agents, and landlords from any and all claims, damages, injuries, law suits, judgments, or causes of action of ay type (including but not limited to any action taken as a result of the sale of food and beverages at the concession facility) arising out of the Agreement or any reasonable action taken pursuant thereto.

B. LPC agrees to acquire and maintain an insurance policy or policies that will provide liability coverage and medical coverage for medical expenses resulting from injury of players while engaged in the Association's activities. Said coverage shall be with an insurance company and have such limits as shall be acceptable to the City Manager. Evidence of such insurance policies shall be provided to the City prior to use of fields by LPC and the City shall be listed as an additional insured.

VIII.

RULE CHANGES

A. LPC shall submit a copy of all rule changes to the Parks and Recreation Director for approval before the beginning of the season in which the rule changes will be effective.

IX.

FINANCIAL RECORDS

A. The City shall have the right to examine LPC's annual audit, upon request, by the City Director of Parks and Recreation, Assistant City Manager, or City Manager. LPC shall be given reasonable notice and the City will schedule a time convenient for LPC.

X.

DEFAULT BY LPC

A. This Agreement may be canceled in the event of default by LPC. The City may by action of the City Council declare LPC in default of this Agreement and the Agreement canceled if any of the following conditions are present:

a. LPC ceases or is unable to provide or perform the functions listed in this Agreement;

b. LPC becomes inactive or fails to initiate advance planning for any season during the term of this contract;

c. LPC provides a program in any year that is not acceptable to the City.

XI.

TERM OF AGREEMENT

A. This Agreement runs from February 15, 2014, to July 1, 2016 and shall be renewable by consent of each party for a one year period a maximum of two times.

B. Either party may terminate this Agreement by giving thirty days written notice to the other party.

XII.

VENUE

A. Venue for any proceedings under this Agreement shall be in Rockwall County, Texas.

XIII.

SEVERABILITY

A. If any clause, section, paragraph, or portion of this Agreement shall be found to be illegal, unlawful, unconstitutional, or void for any reason, the balance of the contract shall remain in full force and effect and the parties shall be deemed to have contracted as if said clause, section, paragraph, or portion had not been in the Agreement initially.

XIV.

SCHEDULE OF FEES

Key Deposit	$300
Trash Hourly Rate	$25/hour per worker
Weekend Field Preparation	$25/hour
Non-resident Fee	$30 per individual
Pitching Mound Construction/Demolition	$50 per mound each time

LPC'S NON-COMPLIANCE WITH ANY OF THE ABOVE STATED POLICIES, PROCEDURES, OR RULES COULD RESULT IN IMMEDIATE TERMINATION OF THIS AGREEMENT BY THE CITY.

EXECUTED and AGREED this 3rd day of February, 2014.

RICK CROWLEY, CITY MANAGER

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor and City Council**

CC: **Rick Crowley, City Manager**
Joey Boyd, Assistant City Manager
Mary Smith, Assistant City Manager

FROM: **Andy Hesser, Director of Parks and Recreation**

DATE: **February 13, 2019**

SUBJECT: **FREE LIVE MUSIC CAPITAL OF NORTH TEXAS**

In May of 2017, Texas legislature approved a resolution granting Rockwall the designation of the official "Free Live Music Capital of North Texas". This moniker represents Rockwall's commitment to its residents to enhance its quality of life by offering 100 to 120 free live music opportunities annually in our downtown and local parks.

The Park Board voted unanimously at the February meeting to recommend that Council consider formally adopting the attached logo as the City's brand and label for all City live music events. Contingent on Council's approval, staff would then seek to trademark the logo to provide the protections associated with that process.

City of Rockwall
The New Horizon

MEMORANDUM

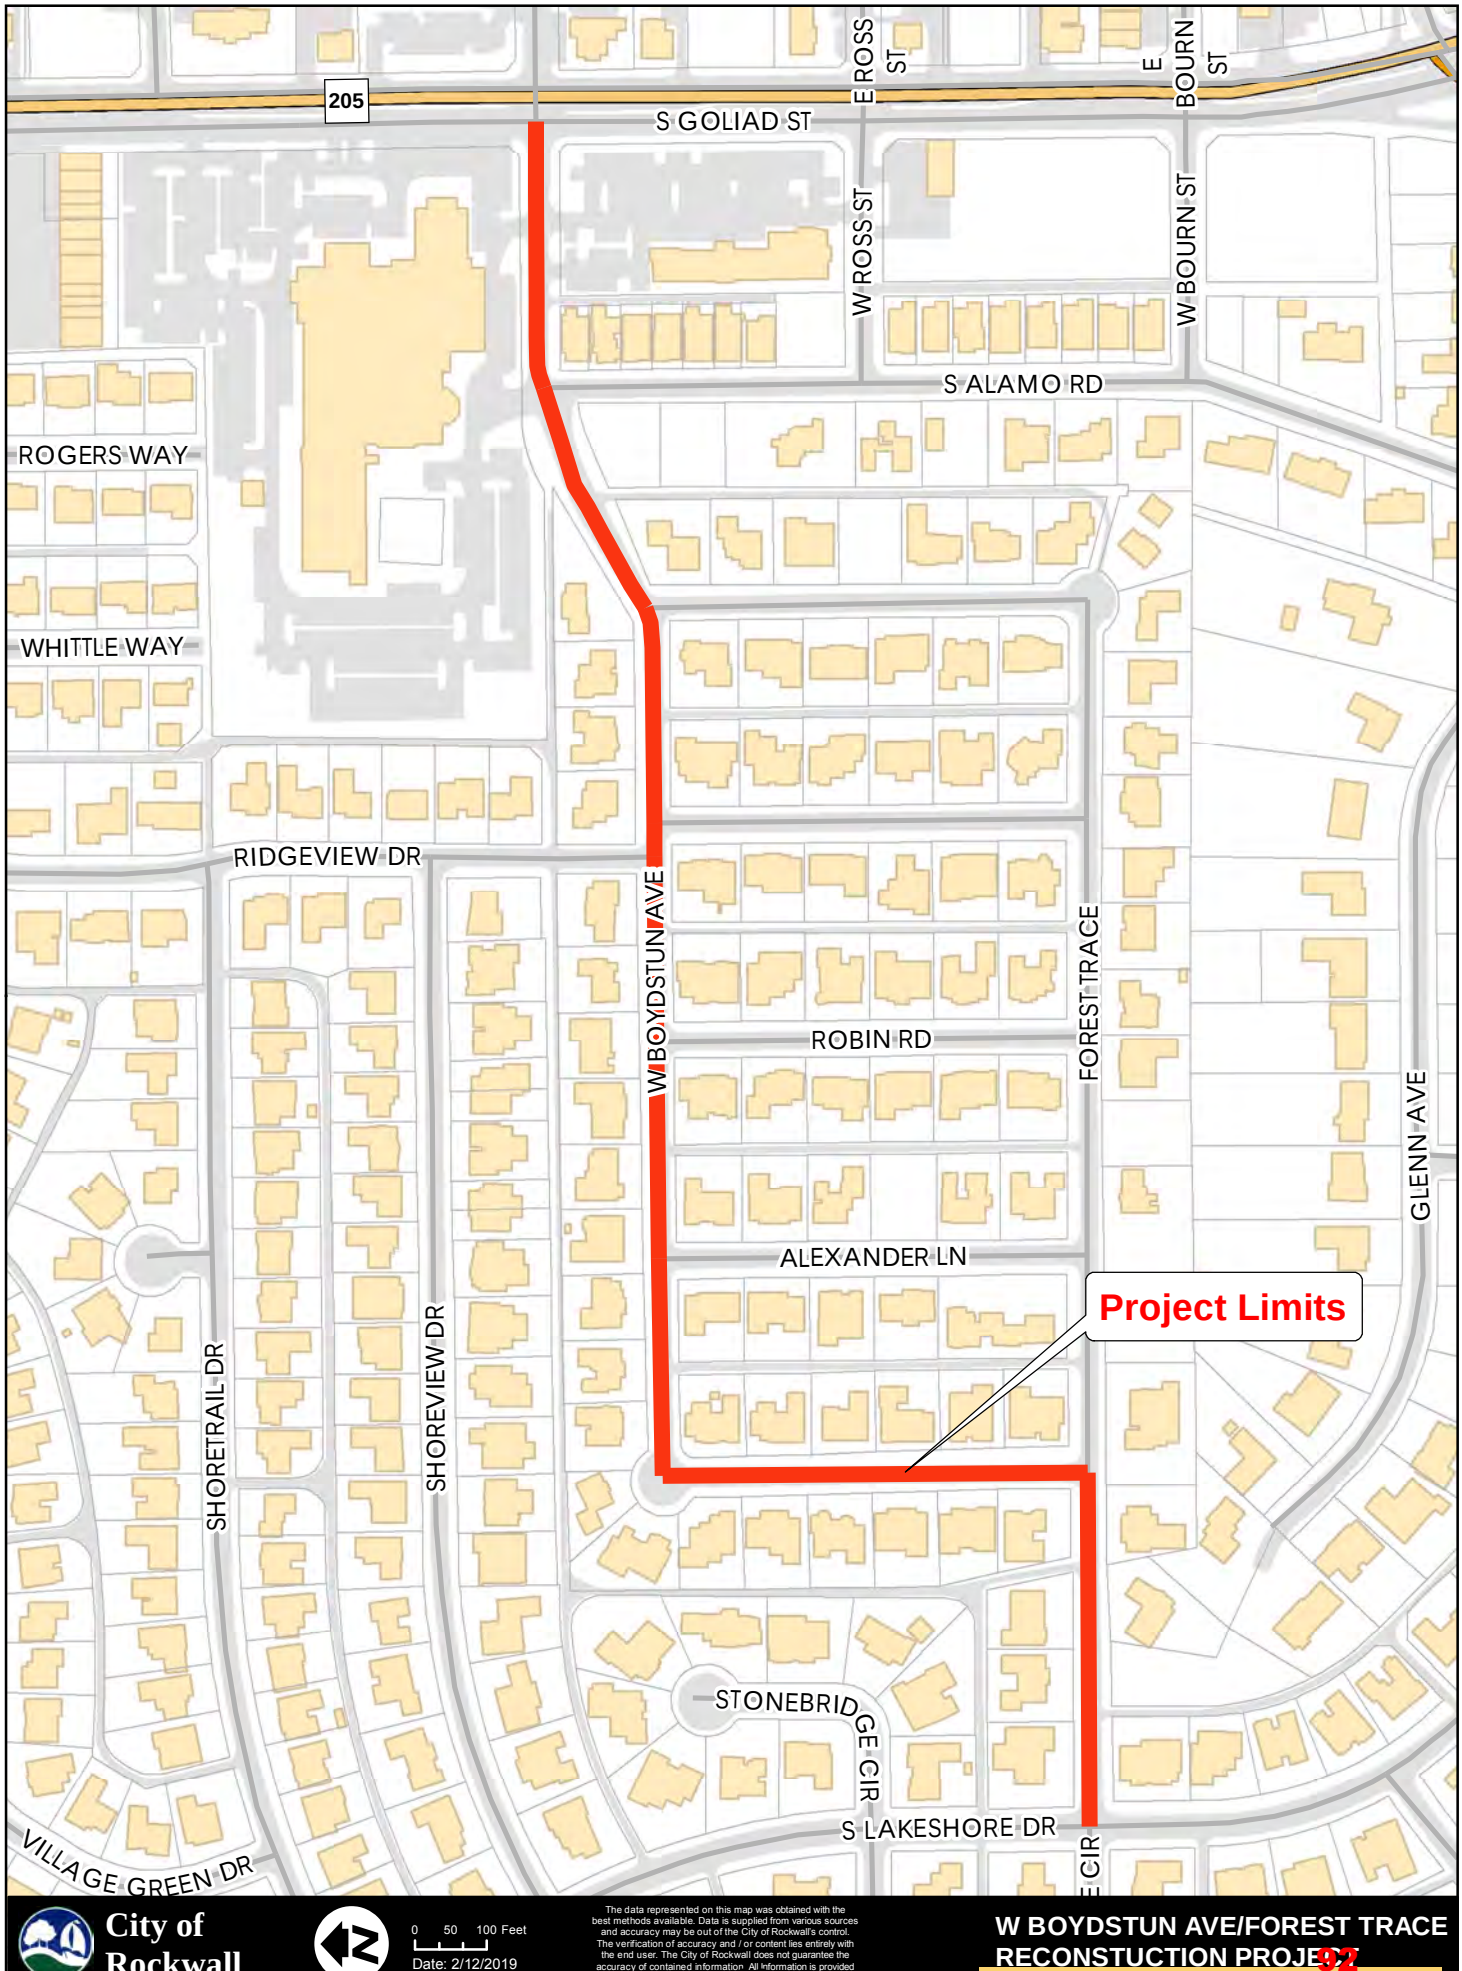
TO: **Rick Crowley, City Manager**

FROM: **Amy Williams, P.E., Director of Public Works/City Engineer**

DATE: **February 13, 2019**

SUBJECT: **Professional Engineering Services Contract**
W. Boydstun Avenue (Forest Trace to S. Goliad Street)
Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue)
Reconstruction Project

The W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project is one of the first roadway projects scheduled for engineering design on the 2018 Street Bond Program. The project, approximately 3,000 feet in length, will consist of roadway, possible sidewalk, water line, sanitary sewer and storm drainage improvements. The project will include a public input process where surveys will be sent out to adjacent property owners. A public meeting will also be held with schematics of the roadway where additional comments from attendees will be received.



Staff requested a proposal from Kimley-Horn and Associates, Inc. to provide the engineering design and specifications for this project. The engineering fee to reconstruct W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) is $532,000.00. The funding of this project will be provided by the 2018 Street Bond and water/wastewater funds. Staff recommends City Council consider approval of the professional engineering services contract for Kimley-Horn and Associates, Inc. to perform the engineering design services and specifications for the W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project in an amount not to exceed $532,000.00, to be paid for out of the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

If you have any questions, please advise.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Kimley-Horn and Associates, Inc.), ("ENGINEER" or "Kimley-Horn"), located at 2201 West Royal Lane, Ste. 275, Irving, TX 75063, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project (S. Lakeshore Drive to S. Goliad Street)

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Attachment "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an amount not to exceed five hundred and thirty-two thousand dollars ($ 532,000.00) and billed as a lump sum and hourly basis per rates provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Attachment "B". In the event of termination, Engineer will assist the CITY in

arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without

the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000 General aggregate limit

$1,000,000 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Amy Williams, P.E.
Director of Public Works/City Engineer
City of Rockwall
385 S. Goliad Street
Rockwall, Texas 75087

ENGINEER
Jacob Reinig, P.E.
Project Manager
2201 West Royal Lane, Ste. 275
Irving, TX 75063

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Engineer.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Attachments and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

W. Boydstun Avenue (Forest Trace to S. Goliad Street) and
Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project
For
City of Rockwall

Project Understanding

The City of Rockwall (City) wishes to reconstruct W. Boydstun Avenue from Forest Trace to S. Goliad Street and Forest Trace from S. Lakeshore Drive to W. Boydstun Avenue, existing two lane residential roadway, approximately 3,000 feet in length. The roadway lies within a residential area of the City of Rockwall. Reconstruction will be two lane undivided: two vehicle lanes (28' F-F) with concrete curb and gutter with 5 ft sidewalks on each side. These improvements will be within the existing 50' Right of Way (ROW); however, the contract will include a provision for 10 parcel takes or easements in the event that they are required.

Additional design will include storm sewer, sanitary sewer and water improvements. The existing storm sewer will be analyzed using current City drainage criteria and improvements will be designed where the existing system is inadequate. Sanitary sewer will be evaluated for capacity and for physical condition, and will be replaced or augmented based upon the capacity and condition analysis. Water lines will be evaluated to be placed between the back of curb and the right-of-way line where possible.

Other design components include coordinating with ONCOR for street lighting, utility coordination, TDLR compliance with ADA and traffic control plans.

Kimley-Horn will provide plans, specifications, estimates, and permits for the project and will support the City of Rockwall's advertising/bidding and construction phase services.

BASIC SERVICES

1. Schematic Conceptual Design (30%)

1.1. Project Management

1.1.1. Kimley-Horn will conduct internal project kickoff meeting with entire project team and City Staff.

1.1.2. Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.

1.1.3. Develop design criteria and design decisions tables.

1.1.4. Prepare project correspondence and invoicing documents.

1.1.5. Prepare and submit project schedule to City staff and provide general project management activities.

1.1.6. Project Administration

- Prepare project correspondence and invoicing documents

1.2. Project stakeholder coordination

- Develop project stakeholder contact list including but not limited to franchise utilities, City's water and sewer department, traffic department, and other governmental entity stakeholders etc.
- Conduct progress meetings to monitor the development of the project. During this phase of the project, conduct up to two (2) meetings with the City staff regarding project status and coordination issues. The first meeting will be the project kick-off meeting. Additional meetings requested by the City may be provided as an *Additional Services.*
- Project site visits (one (1) trip).
- Prepare for and attend one (1) City council meeting.

1.3. Public Meetings and Public Input Surveys

1.3.1. Meetings

1.3.1.1. Attend two (2) public involvement meetings as directed by City staff. Provide exhibits suitable for public meeting use depicting street section, alignments etc. Support City staff during meetings by providing technical information, responding to citizen questions, and recording citizen input.

1.3.1.1.1. First Public Meeting will be with adjacent property owners and residents.

- Mail out all first public meeting notifications for the City.
  - Names and addresses will be provided to Kimley-Horn by the City.
- Revise 30% Schematics Roll Plots based on public input from first public meeting and City direction to be used in second public meeting.

1.3.1.1.2. Second Public Meeting will be with adjacent property owners and residents as well as the neighborhood.

- Mail out all second meeting public meeting notification for the City (Neighborhood to be within a typical 500ft buffer of the street)
  - Additional names and addresses will be provided to Kimley-Horn by the City.
- Revise 30% Schematics Roll Plots based on public input from second public meeting and City direction to be used in City Council presentation for schematic and typical section approval.

1.3.2. Public Input Surveys

- Work with City to develop Public Input Survey to be sent to adjacent property owners and residents.
- Mail out surveys to adjacent property owner and residents.
  - Names and addresses will be provided to Kimley-Horn by the City.
- Tally survey results and other received public input into presentable format to City Staff and City Council.

1.4. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Schematic Conceptual Design Phase (30%):

- Review and research previously prepared construction plans record documents, and other pertinent information related to proposed project.
- Review City master plans, design standards, specifications, construction details, and other pertinent information that may impact the design. Review of documents will include but not limited to:
  - City of Rockwall Master Thoroughfare Plan
  - City of Rockwall Water/Wastewater Master Plan

- City of Rockwall Standards of Design and Construction
- City of Rockwall Trail Master Plan

- Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.
  - Kimley-Horn is entitled to rely upon the information gathered through typical research methodologies (i.e. plats, court house filings, etc.). undocumented easements may not be identified. Title research may be performed as an *Additional Service* only upon written City authorization.
- Develop and evaluate typical sections (up to two (2)) to use for W. Boydstun Avenue and other intersecting streets within the project limits.
- Develop drainage area maps and analyze street and inlet capacities.
- Develop horizontal alignment for roadway. Kimley-Horn assumes the horizontal alignment will be centered within the existing right of way.
- Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines.
- Develop vertical alignment for roadway and evaluate critical vertical tie in points along the project limits.
- Review City Master Trail Plan and incorporate hike and bike trails if necessary.
- Prepare 30% schematic paving plan and profile roll plots, produced at 1" =40' horizontal scale and 1" =5' vertical scale. The horizontal alignment of proposed water lines and sewer lines will be included in the roll plots.
- Prepare cross sections sheets.
- Meet with City staff and present concept paving plan and profile roll plots.
- Incorporate comments and feedback from City staff and other stakeholders prior to public meetings.

1.5. Drainage Analysis (30%)

The following services will be provided as part of the Schematic Conceptual Design Phase (30%):

- Review and research existing construction plans and record documents, historical flooding events and other pertinent information related to the existing drainage infrastructure both upstream and downstream of the proposed project.
- Analyze the existing drainage infrastructure hydrologic and hydraulics and prepare a report in memorandum format signed and sealed. Analysis will include considerations for reuse of existing storm drainage trunk line. Analysis/report shall include the following:
  - Existing drainage infrastructure analysis
    - Drainage Area Map of existing conditions/infrastructure.
    - Analyze the effect on existing system of proposed off-site development or infrastructure improvements currently being planned.
    - Drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard's tabular format)
    - Synopsis of hydraulic conditions (i.e. deficiencies, oversizing, etc.) in written and plan format, includes downstream off-site drainage infrastructure.
    - Synopsis of structural conditions of drainage system as a result of TV inspection in written and plan format.
  - Recommendation of improvements to existing drainage system to meet the City's current 100-year design storm criteria.
    - Drainage Area Map of proposed improvements

- Proposed drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard tabular format)
- Summary of proposed drainage improvements in written and plan format to address hydraulic and structural deficiencies in order to meet current City drainage criteria standards.

1.6. Existing Traffic Analysis and Recommendation (30%)

The following services will be provided as part of the Schematic Conceptual Design Phase (30%):

- City will collect Traffic Counts, Speed Studies, and Accident Reports from Police Department along Boydstun Avenue.
- Consultant shall take the data provided by the City and analyze in order to provide a recommendation in memo format signed and sealed of proposed improvements along the corridor.

2. Construction Documents

2.1. Project Management

- Conduct up to three (3) progress meetings including one (1) meeting at each stage of the construction documents phase to monitor the development of the project regarding project status, coordination issues and go over City review comments of the plans.
- Coordinate with other utilities, (electric power, cable TV, phone, gas, optic fiber, etc.)
- Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.
- Update project schedule and interim milestones (coordinate with City staff as necessary)
- Project site visits (up to two (2) trips)

2.2. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.2.1. Submittals

Kimley-Horn will submit 60%, 90% and 100% submittals for the City for review and comment. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"
  - One (1) PDF copy
  - One (1) PDF copy– Scanned City comments previous submittal
- Engineers Opinion of Construction Cost
- Construction Contract Template/Specification Book

2.2.2. Construction Plans

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

Below is a table of the required construction plan sheets and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Cover Sheet	X	X	X
Legend Sheet	X	X	X
General Notes Sheet	X	X	X
Existing Condition Plan (1"=20' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Erosion Control Plan (1"=40' scale)		X	X
Demolition/Removals Plan (1"=20' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Alley and Driveway Plan/Profile (1"=20'H, 1'=5'V scale)		X	X
Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X
Drainage Area Map (Existing and Proposed)	X	X	X
Drainage Calculations (Area, Inlet, Storm, Culvert)		X	X
Drainage Plan/Profile (Trunks and Laterals) (1"=20'H, 1'=5'V scale)	X	X	X
Water Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Sanitary Sewer Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X
Lighting/Illumination Plan		X	X
Traffic Signal Plans (Existing and Proposed) (N/A This Project)		X	X
Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Structural Layout Sheets		X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be performed for each section of the construction plan set.

2.2.2.1. Roadway Design

- Incorporate the Schematic Conceptual Design submittal review comments
- Prepare plan / profile sheets (22"x34" plan sheets at a scale of 1"=20' horizontal, and 1"=5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically driveways will be defined vertically by profiles.
- Develop design cross-sections
  - Develop on 25' station intervals and other critical points.
  - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
  - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify standard details as needed and include

2.2.2.2. Drainage

- Refine Drainage Area Maps (existing and proposed)
- Refine Drainage Calculation Sheets (Tables to be formatted to match City Standard's tabular format)
- Identify the need for additional drainage easements to accommodate the proposed offsite drainage improvements (if required). Offsite drainage improvements, if required, can be provided as *Additional Services*.
- Perform final storm sewer sizing and alignment design. Prepare final inlet design sheets and hydraulic design sheets for inclusion in the plans.
- Prepare storm sewer plan/profile sheets depicting storm sewer lines, inlets, junction boxes, connections, manholes, utility crossings and the hydraulic grade lines.
- Prepare profiles for all trunks and laterals (to be profiled along centerline of pipe)
- If drainage flow patterns/areas are changing due to proposed improvements, then existing downstream and upstream systems will be analyzed and included in plan set to prove that there are no adverse impacts as a result. Full Hydrologic and Hydraulic Calcs Sheets and storm sewer plan and profile sheets for these existing upstream and downstream systems are to be included in the plan set.
- Prepare drainage details to clarify intent of design.
- Compile applicable City standard details. Modify standard details as needed.
- Prepare erosion control plan.

2.2.2.3. Utilities

2.2.2.3.1. Public (Water, Wastewater, Storm Drainage, etc.)

- Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information

2.2.2.3.2. Franchise Utility Coordination

- Identify franchise utility contacts
- Send one set of plans to each franchise utility for their review at each phase. Request each franchise utility to mark up the plans to show the size, type and location of their utilities.
- Notify the City if any relocations are required
- Kimley-Horn shall perform the coordination with the franchise utilities if any relocations are required.
- Attend City facilitated Franchise Utility Coordination Meetings (typically 2-4 meetings per year). Kimley-Horn will provide background on particular project and coordinate with franchise utility companies on foreseen conflicts and distribute current plan set.

2.2.2.3.3. Water

- Prepare all water plan layouts, profiles will be prepared for water lines 12-inches in diameter or greater.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.3.4. Wastewater

- Prepare all wastewater plans and profiles.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.4. Lighting/Illumination

- Plans will include location of light foundations, conduit locations, and potential location of electrical service.
- Street lighting locations will be per standard ONCOR foundation and lighting standards.
- Layout will be provided for ONCOR review and approval.
- ONCOR will be responsible for installation of standards and conductors.

2.2.2.5. Structural

- Kimley-Horn does not anticipate structural design as part of this scope of services. Structural design can be provided upon City written authorization as *Additional Services.*

2.2.2.6. Traffic

2.2.2.6.1. Traffic Signals

- Kimley-Horn does not anticipate traffic signal design as part of this scope of services. Traffic signal design can be provided upon City written authorization as *Additional Services*.

2.2.2.6.2. Pavement Marking and Signing Plans

- Determine potential conflicts with existing signs and propose sign relocations
- Prepare crosswalk pavement marking and signing layouts in accordance with City design standards and the Texas Manual on Uniform Traffic Control Devices (TMUTCD).
- Prepare details to clarify intent design
- Compile applicable City standard details. Modify standard details as needed.

2.2.2.7. Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing

- Develop construction sequence plan showing:
  - Construction area for each phase of construction and closure of existing travel lanes (if needed).
  - Temporary signing and striping, barricades, and other channelization device
  - Narrative of the sequence of work.
  - Detour Plan for each construction phase
  - Storm sewer construction phasing.
  - Public utilities relocation phasing.
  - Pedestrian routing during construction.
- Develop typical cross section showing lane widths, edge conditions, channelization and proposed construction area.
- Develop typical driveway staging plans for similar driveways. Develop custom driveway staging layouts for special conditions.
- Prepare traffic control details to clarify intent of design.

2.2.3. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms

- Notice to bidders
- Special instructions to bidders
- Bid form (Bid-Tab) – Electronic for Bidding
- Standard construction contract
- Performance bond
- Payment bond
- Maintenance bond
- Certificate of insurance
- General conditions
- Special conditions
- Technical specifications
- Permits (TDLR, etc.)
- Geotechnical Report

2.2.4. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out into separate schedules for each section of the job.

2.3. Agency Permitting/Coordination (TDLR, etc.)

2.3.1. Accessibility Review (TDLR)

- Prepare a completed application for submittal to the Texas Department of Licensing and Regulation (TDLR) for review in accordance with the Elimination of Architectural Barriers Act.
- Kimley-Horn to complete application and submit with set of plans to a Registered Accessibility Specialist (RAS) from review and TDLR project registration. All coordination and fees with TDLR application will be performed by Kimley-Horn.
- While we do not anticipate accessibility revisions to be required, we will address minor revisions to the plans based on review comments from the RAS.

3. Bidding Phase Services

3.1. Furnishing the City a construction bid set one (1) 11"x17" hard copy and Bid Spec Book.

3.2. City will be responsible for advertisement of the project in the Local Paper

3.3. Kimley-Horn will make the plans and specifications available from the Bid document distribution site CivCast.

3.4. During this phase, services to be provided are:

3.4.1. Respond to contractor questions and provide design clarifications.

3.4.2. Attendance at the pre-bid meeting.

3.4.3. Production of all Addenda items and designs changes, submittal to City for review and correction before issuance.

3.4.4. Attendance of Bid Opening

3.4.5. Tabulating Bids and checking for errors.

3.4.6. Checking references and other qualification information for the low bidder and writing a letter of recommendation concerning award of the contract.

3.4.7. Returning Bid Bonds to all non-low bidders.

SPECIAL SERVICES

4. Data Collection & Property Research / Topographic and Design Survey

4.1. Data Collection and Property Research

4.1.1. Gather existing plat information

4.1.2. Collect property owner and record information

4.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.).

4.2. Topographic and Design Survey

4.2.1. The limits of the survey shall be from the intersection of S. Lakeshore Drive and Forest Trace to the intersection of Boydstun Avenue and S. Goliad Street (approximately 3,000 linear feet). The survey shall be from ROW line to ROW line (50 foot ROW) and extend 10 feet beyond ROW limits (70 feet total width). Survey will include intersecting roadways extending 400 feet along each leg of the major intersections and 200 feet along each leg of the minor intersections. Driveways information will extend up to 30 feet beyond ROW limits.

4.2.2. Establish horizontal control points at 500' maximum spacing.

4.2.3. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

4.2.4. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

4.2.5. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.
- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Outfalls, bridges and erosion control
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

4.2.6. Perform cross-sections throughout project limits at 25-foot intervals and at grade breaks and prepare cross-section field notes.

4.2.7. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

4.2.8. Kimley-Horn will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

5. Subsurface Utility Engineering (S.U.E.) Services

5.1. Provide S.U.E. Services for the purpose of locating horizontal and vertical locations of underground city and franchise utilities, in conjunction with and /or prior to the field survey.

- S.U.E. Level 'B' Services will be provided to determine horizontal location of utilities up to 13,000 linear feet.
- S.U.E. Level 'A' Services will be provided as follows:
  - Up to six (6) test holes of 0-5 ft depth will be provided
  - Up to four (4) test holes of 5-10 ft depth will be provided
  - Up to two (2) test holes of 10-15 ft depth will be provided
  - Test holes in addition to those listed above will be provided at the rate per test hole agreed to by the City of Rockwall.

5.2. Kimley-Horn shall arrange and make provisions for access to perform the services specified within this scope.

5.3. The City shall be responsible for the coordination of all ROW and easement acquisitions. Kimley-Horn will provide survey information and easement/ROW documents (sketch and legal description) to the City. Additional ROW and easement documentation services are detailed below in Section 6.

6. Right-of-Way / Easement Instruments of Conveyance

6.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field

6.1.1. ROW instruments may be provided as *Additional Services* upon written authorization by City.

6.2. Prepare easement instruments (narrative and graphic exhibits of easements required for drainage, City utilities, temporary construction, etc.)

6.2.1. Up to ten (10) parcels.

6.3. Individual parcel exhibits shall be on 8"x11" paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:

6.3.1. Parcel number

6.3.2. Area required

6.3.3. Area remaining

6.3.4. Legal description

6.3.5. Current owner

6.3.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies

6.3.7. All physical features

6.3.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.

6.4. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the

proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference

6.5. Kimley-Horn will provide the information listed in Section 6.3 to the City and/or their selected ROW and easement acquisition agent. This task will include the following:

6.5.1. Transmittal of survey and existing property information.

7. Geotechnical

7.1. Subsurface Exploration

7.1.1. Six (6) borings are planned for this project. The borings and report will be thru a subconsultant.
Boring locations will be spaced at a distance no greater than 500 feet along the project proposed project alignment.

7.1.2. Boring Services —Pavement borings will be sampled to 15 feet. A total of 90 feet for drilling is planned.

- Check samples for consistency with a hand penetrometer
- Stake the boring locations using normal taping procedures
- Backfill bore holes and plug at the surface

7.2. Laboratory Services

7.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:

- Visual Classification
- Moisture content and soil identification
- Liquid and plastic limit determinations
- Unconfined compression
- Calibrated hand penetrometer tests
- Lime/ph series tests
- Soluble sulfate tests (to determine lime-induced heaving potential)

7.3. Engineering Services

7.3.1. Prepare an engineering report presenting the following:

- Sample boring location map
- Boring logs and laboratory results
- General soil and ground-water conditions
- Recommendations will be based on a 30 year design life.
- Subgrade design recommendations for lime treated and cement treated
- Pavement design recommendation for reinforced concrete, asphalt or combination of concrete and asphalt system (including pavement thickness, strength, reinforcement size and spacing, and joint spacing)
- Recommendations for retaining walls
- Earthwork recommendations

7.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

7.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

Additional Services

Services not specifically identified in the Scope of Services above shall be considered additional and shall be performed on an individual basis upon authorization by the City of Rockwall. Such services shall include, but are not limited to the following:

- Construction staking.
- Title Research.
- Design of offsite drainage improvements beyond the improvements identified in the scope.
- Design of specialized inlets or gabion mattress erosion control systems.
- Photometric analysis of existing or proposed illumination improvements.
- Structural design
- Traffic signal design
- Preparation of right of way instruments of conveyance
- Furnish additional copies of review documents and/or bid documents in excess of the number of the same identified above.
- Meetings beyond those identified in this scope of services.
- Assisting the City as an expert witness in litigation in connection with the project or in hearings before approving and regulatory agencies.
- Redesign to reflect project scope changes requested by the City, required to address changes in conditions or changes in direction previously approved by the City, mandated by changing governmental laws, or necessitated by the City's acceptance of substitutions proposed by the Contractor.

-End of Scope of Services-

ATTACHMENT "B"

Payment Schedule

Compensation for Basic Services in Tasks 1-3 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Task	Fee
	BASIC SERVICES	
1.	Schematic Conceptual Design (30%)	$ 48,300
2.	Construction Documents	
2.1	60% Design	$ 83,600
2.2	90% Design	$ 104,100
2.3	100% Design	$ 100,000
3.	Bidding Phase Services	$ 12,800
	Basic Services Subtotal:	**$ 348,800**
Compensation for special services under Tasks 4-7 shall be a labor fee plus expense (reimbursable) basis with the max fee shown below.		
	SPECIAL SERVICES	
4.	Data Collection & Property Research / Topographic and Design Survey	$ 38,700
5.	Subsurface Utility Engineering (S.U.E.) Services	
5.1	Quality Level 'B' S.U.E. Services (assumes 13,000 LF)	$ 31,000
5.2	Quality Level 'A' S.U.E. Services (assumes 12 test holes)	$ 37,200
6.	Right-of-Way/Easement Instruments of Conveyance	$ 15,000
	(10 Easement documents are assumed at $ 1,500/document)	
7.	Geotechnical	$ 12,900
	Special Services Subtotal*	**$134,800**
	ENGINEERING SERVICES CONTINGENCY (To be 10% of Services)**	**$ 48,400**
	***(This service is a miscellaneous amount to be used at the discretion of the City for additional Services outside of the scope of the contract. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of this Contingency)*	
	Project Total*	**$ 532,000**

Labor fees for tasks 1 - 3 will be invoiced monthly based upon the overall percentage of services performed.

As to these tasks, direct reimbursable expenses such as express delivery services, fees, air travel, and other direct expenses will be billed at 1.15 times cost. A percentage of labor fee will be added to each invoice to cover certain other expenses as to these tasks such as telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Administrative time related to the project may be billed hourly. All permitting, application, and similar project fees will be paid directly by the City unless noted otherwise in Attachment "A".

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

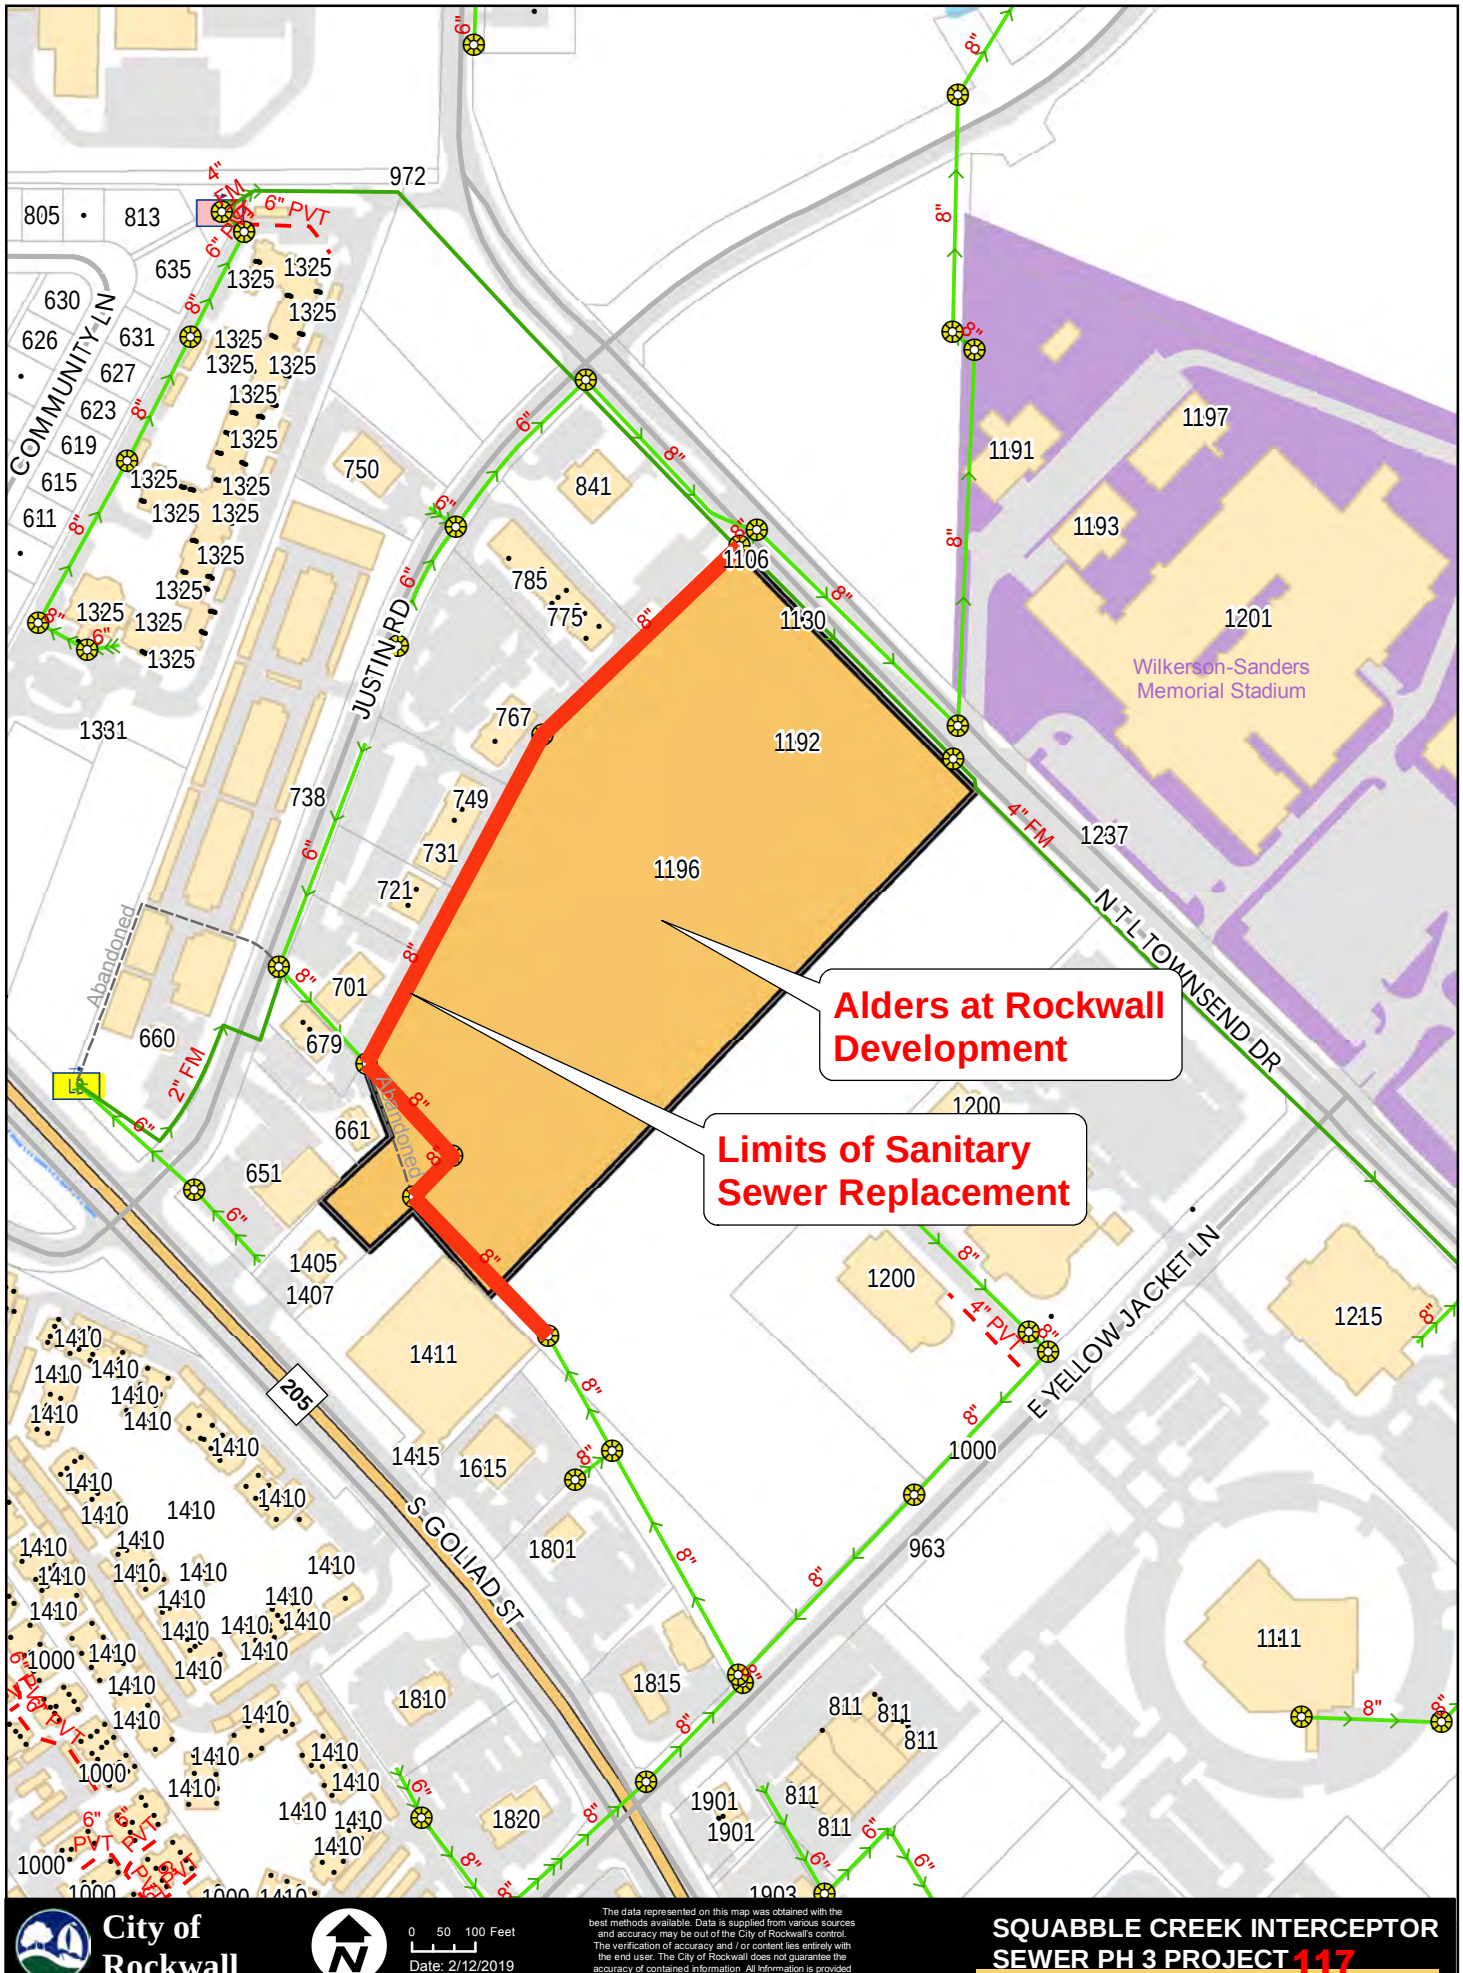
FROM: **Amy Williams, P.E., Director of Public Works/City Engineer**

DATE: **February 13, 2019**

SUBJECT: **Professional Engineering Services Contract**
Squabble Creek Sanitary Sewer Interceptor Rehabilitation Phase 3 Project

The Squabble Creek Sanitary Sewer Interceptor is one of the main back bones of the City's wastewater collection system. Over the years, replacement and maintenance of this trunk line has been required to keep it operational and up to Texas Commission on Environmental Quality (TCEQ) standards. The proposed Phase 3 rehabilitation project for this interceptor (shown on the attached map in red) is intended to replace pipe that has collapsed, and pipe that does not meet the required slope per TCEQ requirements. Portions of the interceptor pipe are Vitrified Clay Pipe (VCP), which is currently in disrepair. The City has experienced large amounts of inflow and infiltration into the wastewater system due to the condition of the VCP. This additional flow can increase the treatment costs incurred by the City from North Texas Municipal Water District.

Currently, the City is reviewing development plans for the Alders at Rockwall (shown on the attached map). When this development is constructed, it will make it difficult and more expensive for the City to access a portion of the interceptor line to construct in the future. Based on this, staff has requested Burgess & Niple, Inc. -- *the Alders at Rockwall design engineer* – to provide engineering design and construction plans for the improvements required to the line. Once the plans are complete, staff will bring a Facilities Agreement to the City Council for the consideration of constructing the line simultaneously with the Alders at Rockwall project.



The engineering fee for this project is estimated to be $30,000.00, which can be paid for out of the Water/Wastewater Fund. Staff recommends City Council consider approving the professional engineering services contract for Burgess & Niple, Inc. to perform the engineering design and construction plans for the Squabble Creek Sanitary Sewer Interceptor Rehabilitation Phase 3 Project in an amount not to exceed $30,000.00, and take any action necessary.

If you have any questions staff will be available at the meeting on February 12, 2019.

SQUABBLE CREEK INTERCEPTOR SEWER PH 3 PROJECT 117

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and **Burgess & Niple, Inc.**, ("ENGINEER"), located at 10701 Corporate Drive, Suite 118, Stafford, Fort Bend County, Texas 77477, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for **Design/Replacement of approximately 1,660 linear feet of existing 8-inch sanitary sewer line with a 10-inch sanitary sewer line from the existing sanitary sewer manhole in the center of North Townsend Boulevard to the upstream existing sanitary sewer manhole just south of the Alders at Rockwall Senior Independent Living Community.**

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Attachment "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed **thirty thousand dollars ($30,000.00)** and billed as a **lump sum** basis per rates provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Attachment "B". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent

allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000 General aggregate limit

$1,000,000 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

Vice President
10701 Corporate Drive, Suite 118
Stafford, Texas 77477

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Engineer.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Attachments and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

ATTACHMENT "A"

Scope of Service

Civil Engineering Services

Task 1: Final Construction Plans

Design/Replacement of approximately 1,660 linear feet of existing 8-inch sanitary sewer line with a 10-inch sanitary sewer line from the existing sanitary sewer manhole in the center of North Townsend Boulevard to the upstream existing sanitary sewer manhole just south of the Alders at Rockwall Senior Independent Living Community.

a. Cover Sheet;
b. Design survey necessary for sanitary sewer improvements (for reference only – covered under Surveying Services Item 2 below);
c. Sanitary sewer plan (proposed improvements layout);
d. Sanitary sewer profiles;
e. Traffic control plan (if needed for work within right-of-way of North Townsend Boulevard);
f. Erosion control plan and erosion control details;
g. Tree preservation plan and details;
h. Standard construction details for sanitary sewer improvements; and
i. Final construction plan submittal, revisions per City comments and resubmittal(s) necessary to obtain City approval.

Surveying Services

Task 2: Data Collection & Property Research / Topographic, Tree & Design Survey

Design survey necessary for replacement of approximately 1,660 linear feet of existing 8-inch sanitary sewer line with a new 10-inch sanitary sewer line from the existing sanitary sewer manhole in the center of North Townsend Boulevard to the upstream existing sanitary sewer manhole just south of the Alders at Rockwall Senior Independent Living Community. Note: This item includes data collection; property/easement research; ties to existing sanitary sewer line (horizontal/vertical data), ties to franchise utilities and/or visible markers, and ties to existing trees within limits of proposed work area.

ATTACHMENT "B"

Payment Schedule

Compensation for Basic Services in Task 1 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Task	Fee
	BASIC SERVICES – Civil Engineering Services	
1.	Final Construction Plans	$ 26,000.00
	Basic Services Subtotal:	**$ 26,000.00**
Compensation for special services under Task 2 shall be on a lump sum basis with the max fee shown below.		
	SPECIAL SERVICES – Surveying Services	
2.	Data Collection & Property Research / Topographic, Tree and Design Survey	$ 4,000.00
	Special Services Subtotal	**$ 4,000.00**
	Project Total	**$ 30,000.00**

Fees that are Lump Sum for each task and will be invoiced monthly based upon the overall percentage of services performed.

City of Rockwall
The New Horizon

MEMORANDUM

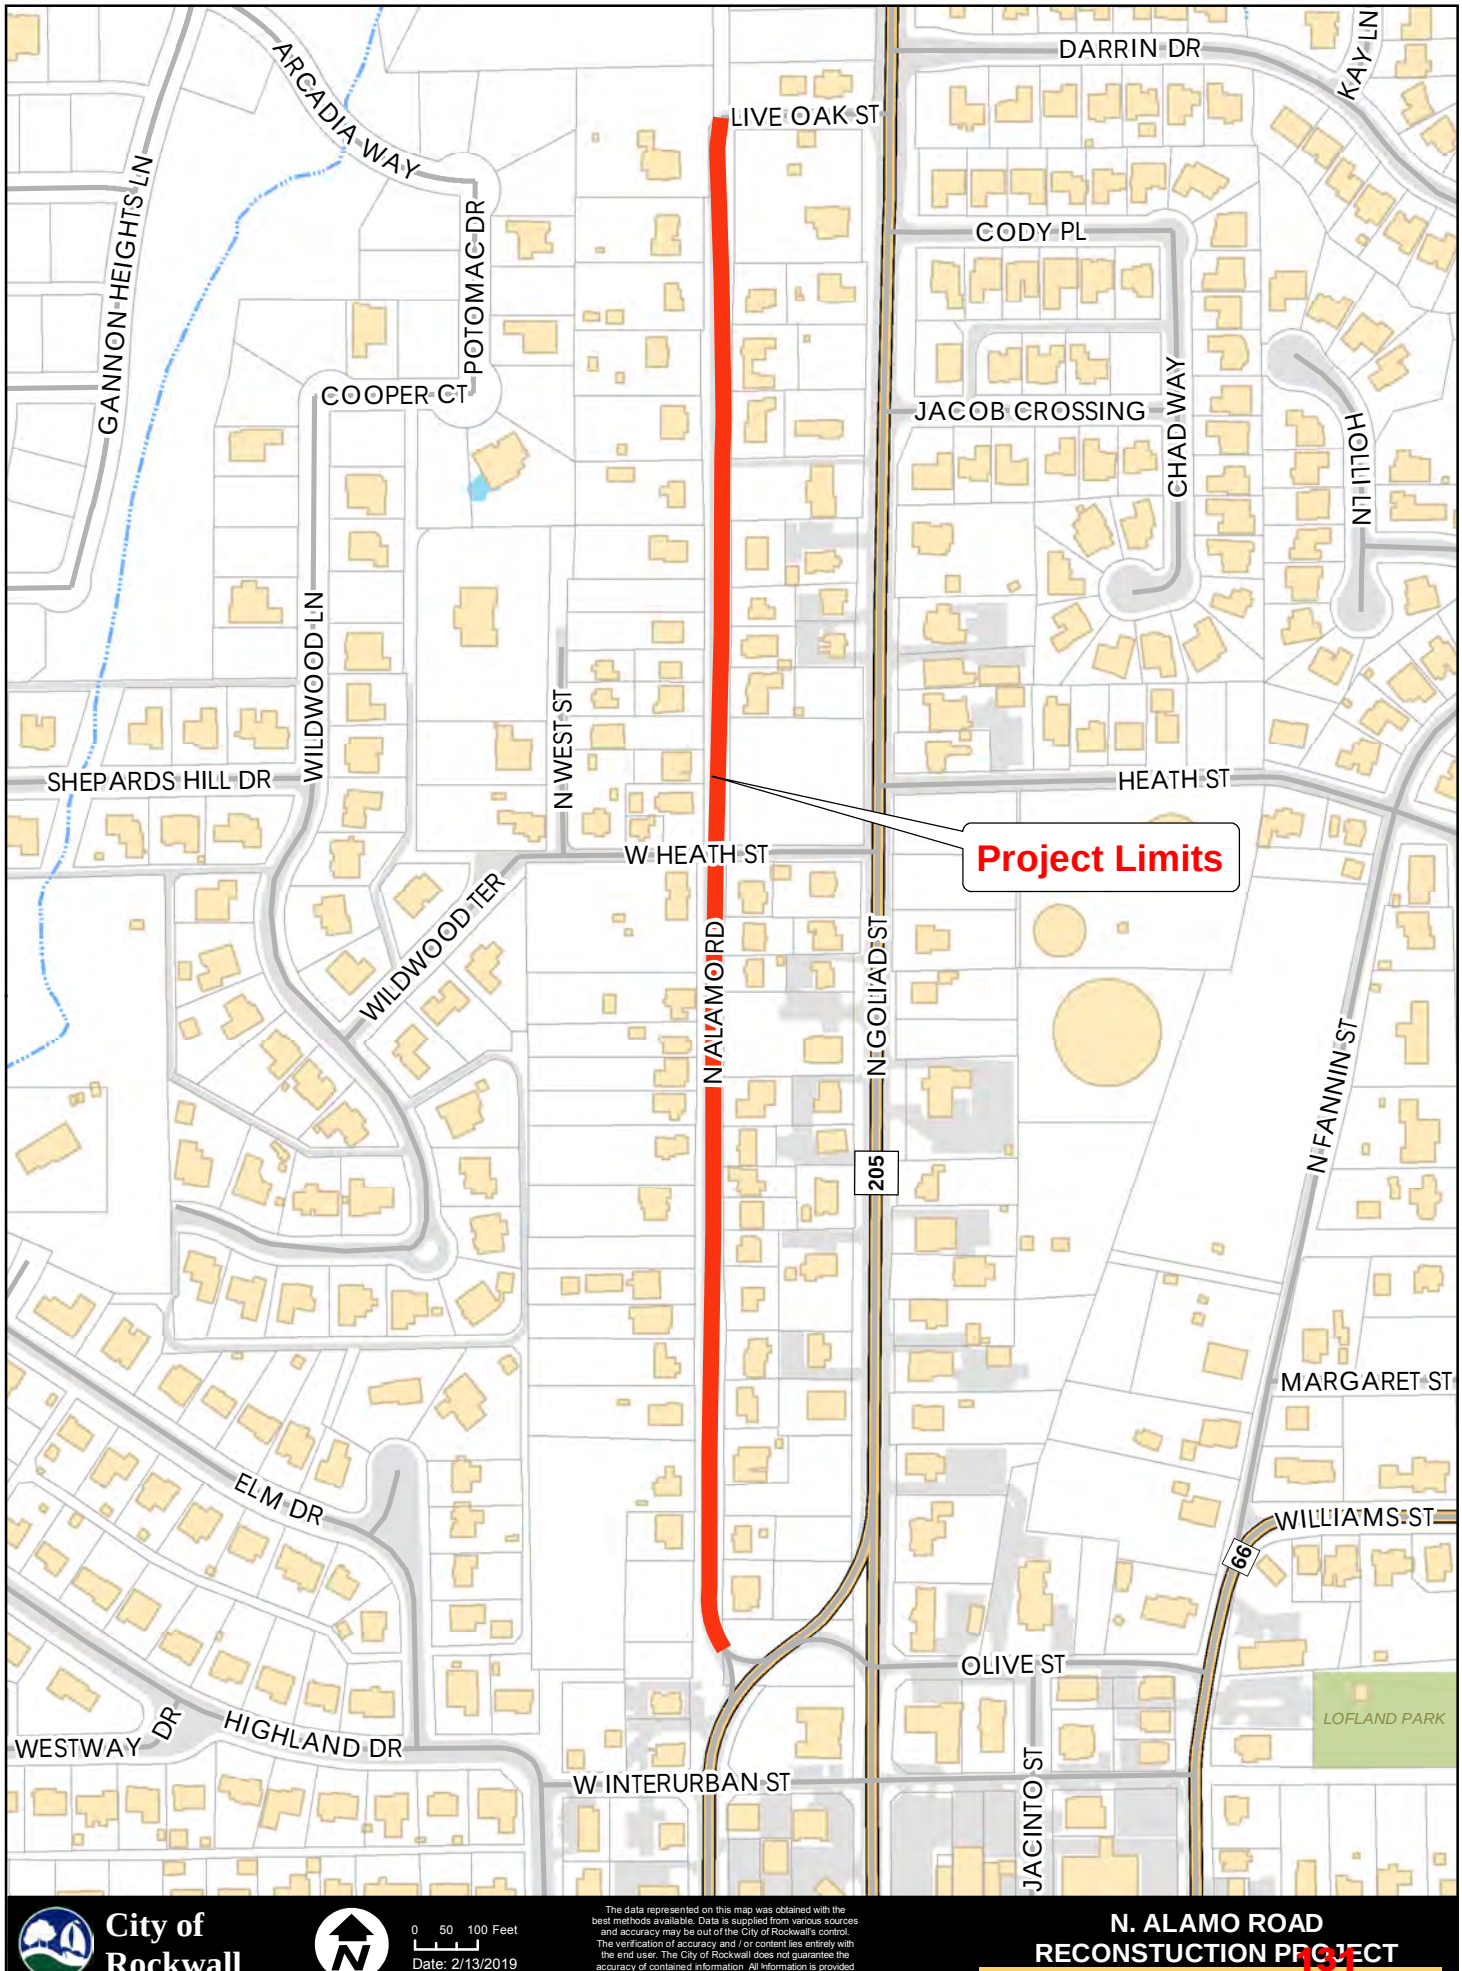
TO: **Rick Crowley, City Manager**

FROM: **Amy Williams, P.E., Director of Public Works/City Engineer**

DATE: **February 13, 2019**

SUBJECT: **Professional Engineering Services Contract**
N. Alamo Road (Live Oak Street to Downtown Couplet)
Reconstruction Project

The N. Alamo Road (Live Oak Street to Downtown Couplet) Reconstruction Project is one of the roadway projects scheduled for engineering design on the 2018 Street Bond Program. The project, approximately 2,500 feet in length, will consist of roadway, possible sidewalk, water line, sanitary sewer and storm drainage improvements. The project will include a public input process where surveys will be sent out to adjacent property owners. A public meeting will also be held with schematics of the roadway where additional comments from attendees will be received.



Staff requested a proposal from Freese & Nichols, Inc. to provide the engineering design and specifications for this project. The engineering fee to reconstruct N. Alamo Road (Live Oak Street to Downtown Couplet) is $360,580.00. The funding of this project will be provided by the 2018 Street Bond and water/wastewater funds. Staff recommends City Council consider approval of the professional engineering services contract for Freese & Nichols, Inc. to perform the engineering design services and specifications for the N. Alamo Road (Live Oak Street to Downtown Couplet) Reconstruction Project in an amount not to exceed $360,580.00, to be paid for out of the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.

If you have any questions, please advise.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Freese & Nichols, Inc., ("ENGINEER"), located at 2711 N. Haskell Street, Suite 3300, Dallas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for N. Alamo Road from SH 205/Goliad to Live Oak Street.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Attachment "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed three hundred sixty thousand five hundred eighty dollars ($360,580.00) and billed as a *lump sum or hourly* basis per rates provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Attachment "B". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the

CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at user's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further

compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000 General aggregate limit

$1,000,000 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS

CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

ENGINEER
Kevin Johnson, P.E.
Principal / Vice President
Freese & Nichols, Inc.
2711 N. Haskell Street, Suite 3300
Dallas, Texas 75204

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of

such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Engineer.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Attachments and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the

other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXECUTED in triplicate originals on this 14 day of February 2019.

Richard Crowley
City Manager

ATTACHMENT “A”

Scope of Service

Attachment "A"

N. Alamo Reconstruction Project (SH 205/Goliad to Live Oak Street)
For
City of Rockwall

Scope of Services

Project Understanding

The City of Rockwall (City) wishes to reconstruct N. Alamo, an existing 2 lane concrete roadway, from SH 205/Goliad to Live Oak Street, approximately 2,500 feet in length. The roadway lies within the old-town area of the City of Rockwall. Reconstruction will be two-lane residential: two vehicle lanes (29' B-B) with concrete curb and gutter and 6 ft sidewalks (adjacent to the curb) on each side. These improvements will be within the existing variable width Right of Way (ROW); however, the contract will include a provision for up to six (6) parcel takes or easements in the event they are required. Traffic Signals are not included with the new roadway improvements.

Additional design will include limited storm sewer, sanitary sewer and water improvements. The existing storm sewer will be analyzed using current City drainage criteria, and improvements will be designed where the existing system is inadequate. It is not anticipated the existing system will require replacement or overall upgrade; however, minor upgrades may be required to extend the drainage system to construct inlets upstream of existing inlets where gutter capacity may be exceeded. Sanitary sewer is considered to be adequate and will only require minor adjustments or relocations. Water lines are considered to be adequate and will only require minor adjustments or lowerings and fire hydrant replacements.

Other design components include coordination with TxDOT, utility coordination, TDLR compliance with ADA, retaining wall design (assuming the use of City standard details), and traffic control plans.

Freese & Nichols, Inc. (FNI) will provide plans, specifications, estimates, and permits for the project and will support the City of Rockwall's advertising/bidding.

BASIC SERVICES

1. Schematic Conceptual Design (30%)

1.1. Project Management

1.1.1. Conduct FNI internal project kickoff meeting with entire project team and City Staff.

1.1.2. Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.

1.1.3. Develop design criteria and design decisions tables (Includes initial utility involvement and system report)

1.1.4. Prepare and submit project schedule to City staff and provide general project management activities.

1.1.5. Project Administration

- Prepare project correspondence and invoicing documents

1.2. Project stakeholder coordination

- Develop project stakeholder contact list including but not limited to franchise utilities, City's water and sewer department, traffic department, and other governmental entity stakeholders including TxDOT, etc. (Includes one (1) quarterly utility coordination meeting)
- Conduct progress meetings to monitor the development of the project. During this phase of the project, conduct up to two (2) meetings with the City staff regarding project status and coordination issues. The first meeting will be the project kick-off meeting, and the second meeting will be the conceptual design presentation and review.

1.3. Public Meetings and Public Input Surveys

1.3.1. Meetings

1.3.1.1. Attend two (2) public involvement meeting as directed by City staff. Provide exhibits suitable for public meeting use depicting street section, alignments etc. Support City staff during meetings by providing technical information, responding to citizen questions, and recording citizen input.

1.3.1.1.1. First Public Meeting will be with adjacent property owners and residents.

- Mail out all first public meeting notification for the City (Neighborhood to be at a typical 500 ft buffer off the street)
- Revise 30% Schematics Roll Plots based on public input from first public meeting and City direction to be used in second public meeting.

1.3.1.1.2. Second Public Meeting will be with adjacent property owners and residents as well as the neighborhood.

- Mail out all second meeting public meeting notification for the City
- Revise 30% Schematics Roll Plots based on public input from second public meeting and City direction to be used in City Council presentation for schematic and typical section approval.

1.3.2. Public Input Surveys

- Work with City to develop Public Input Survey to be sent to adjacent property owners and residents.
- Mail out surveys to adjacent property owner and residents.
- Tally survey results and other received public input into presentable format to City Staff and City Council.

1.4. Schematic Roll Plot and Graphics (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

- Review and research previously prepared construction plans record documents, and other pertinent information related to proposed project.
- Review City master plans, design standards, specifications, construction details, and other pertinent information that may impact the design. Review of documents will include but not limited to:
  - City of Rockwall Master Thoroughfare Plan
  - City of Rockwall Water/Wastewater Master Plan
  - City of Rockwall Standards of Design and Construction
- Develop complete and accurate base map showing all existing Right-of-Way (ROW), easements, and utilities.
- Develop and evaluate typical sections (up to two (2)) to use for N. Alamo Rd and other intersecting streets within the project limits.
- Develop drainage area maps and analyze street and inlet capacities. Street and inlet capacities will be analyzed after City approval of the proposed roadway profile grade.
- Develop horizontal alignments for roadway,

- Develop and evaluate up to two (2) alignments for proposed water lines and wastewater lines. Alignments shall be limited to short adjustments deemed necessary for the roadway construction. Adjustments shall follow the general alignment of the existing utility and roadway.
- Develop vertical alignment for roadway and cut cross sections at critical points, at center of driveways, alley approaches, cross streets, lead walks, at alignment geometric points and at 25' intervals to evaluate the grading.
- Prepare 30% schematic paving plan and profile roll plots, produced at 1" =40' horizontal scale and 1" =5' vertical scale. The horizontal alignment of existing water lines and sewer lines will be included in the roll plots. Proposed water and sewer line adjustments will be developed and presented in the 60% submittal (plan view only for 60%; plan and profile for 90 and 100%).
- Prepare cross section sheets.
- Meet with City staff and present concept paving plan and profile roll plots.
- Incorporate comments and feedback from City staff and other stakeholders prior to public meetings. FNI will not proceed with 60% until receiving feedback from the City on 30%.

1.5. Drainage Analysis (30%)

The following services will be provided as part of the Conceptual Design Phase (30%):

- Review and research existing construction plans and record documents, historical flooding events and other pertinent information related to the existing drainage infrastructure along, upstream and downstream of the proposed project.
- Prepare a hydrologic and hydraulic analysis of the existing drainage infrastructure and prepare a report in memo format signed and sealed. Analysis/report shall include the following.
    - Existing drainage infrastructure analysis
        - Drainage Area Map of existing conditions/infrastructure.
        - Analysis effect on existing system of proposed off-site development or infrastructure improvements currently being planned.
        - Drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard's tabular format)
        - Synopsis of hydraulic deficiencies in written and plan format, includes downstream off-site drainage infrastructure.
        - Synopsis of structural deficiencies of drainage system as a result of TV inspection in written and plan format.
    - Recommendation of improvements to existing drainage system to meet the City's current 100-year design storm criteria.
        - Drainage Area Map of proposed improvements
        - Proposed drainage calculations – Drainage Area, Inlet, Storm Sewer, Culvert, etc. (to be in City Standard's tabular format) (Street and inlet capacities will be analyzed after City approval of the proposed roadway profile grade.)
        - Summary of proposed improvement of drainage infrastructure in written and plan format to fix hydraulic and structural deficiencies in order to meet current City drainage criteria standards.

2. Construction Documents

2.1. Project Management

- Conduct one (1) progress meeting at each stage of the construction documents phase to monitor the development of the project regarding project status, coordination issues and go over City review comments of the plans.

- Coordinate with other utilities, (electric power, cable TV, phone, gas, optic fiber, etc.)
- Prepare and send Project Status Update (PSU) to City's Project Manager on monthly basis. PSU will address work completed in previous period, work in progress and/or anticipated to be completed in next period, actions or information needed from City, and a schedule update.
- Update project schedule and interim milestones (coordinate with City staff as necessary)
- Project site visits (up to three (3) trips)

2.2. Construction Plans, Specifications and Estimates (60%, 90%, 100%)

2.2.1. Submittals

FNI will submit 60%, 90% and 100% submittals for the City for review and comment. The following will be required for each submittal:

- Construction Plans
  - Two (2) Full Size copies – 22"x34"
  - Two (2) Half Size copies – 11"x17"
  - One (1) PDF copy
  - One (1) PDF copy– Scanned City comments previous submittal
- Engineers Opinion of Construction Cost
- Construction Contract Template/Specification Book

2.2.2. Construction Plans

Each plan sheet in the construction plans set will conform to the Engineering Drawing Requirements set forth in the City of Rockwall's Standards of Design and Construction. Plan sheets will also include any other additional documentation, notation, and clarification required by the City's Project Manager to prove design and constructability of the project. Each stage of the construction plan review process will incorporate any changes associated with City comments on previous submittals.

Below is a table of the required construction plan sheets and which submittals they are required.

Plan Sheets	**60%**	**90%**	**100%**
Cover Sheet	X	X	X
Legend Sheet	X	X	X
General Notes Sheet	X	X	X
Existing Condition Plan (1"=40' scale)	X	X	X
Horizontal/Vertical Control Sheet (1"=100' scale)	X	X	X
Right of Way Plan (1"=40' scale)	X	X	X
Typical Sections (Existing and Proposed)	X	X	X
Erosion Control Plan (1"=40' scale)		X	X
Demolition/Removals Plan (1"=40' scale)	X	X	X
Roadway Plan/Profiles (1"=20'H, 1'=5'V scale)	X	X	X
Intersection Grading Plan (major and critical intersections)		X	X
Pavement Signage and Striping Plan (1"=20' scale)		X	X
Drainage Area Map (Existing and Proposed)	X	X	X
Drainage Calculations (Area, Inlet, Storm, Culvert)	X	X	X
Drainage Plan/Profile (Trunks and Laterals) (1"=20'H, 1'=5'V scale)	X	X	X
Existing Water & Sanitary Sewer Utilities and Adjustments Plan/Profile (1"=20'H, 1'=5'V scale – profile only for SS)	X	X	X
Retaining Wall Plan/Profile (1"=20'H, 1'=5'V scale)	X	X	X

Construction Sequencing Phasing Narrative	X	X	X
Detour Plan (for each Phase)		X	X
Traffic Control Plan (for each phase & typ. sections) (1"=40' scale)		X	X
Roadway Cross-Sections (25' int. & crit. pts.) (1"=20'H, 1'=5'V scale)	X	X	X
Structural Layout Sheets (steps)		X	X
Details (for each section of plans)		X	X

Each subsection below details out the services to be perform for each section of the construction plan set.

2.2.2.1. Roadway Design

- Incorporate the preliminary design submittal review comments
- Prepare plan / profile sheets (22"x34" plan sheets at a scale of 1"=20' horizontal, and 1"=5' vertical).
- Analyze all driveways within the project and develop driveway adjustment and crosswalk profiles as needed. Typically, driveways will be defined vertically by profiles. (Driveway slope and adjustment details will be shown on the cross sections with removal limits shown on the paving plan/profile sheets.)
- Develop design cross-sections
    - Develop on 25' station intervals and other critical points.
    - Show pavement and subgrade, right-of-way limits, sides slopes, pavement cross slopes, curbs, and retaining walls (if applicable)
    - Cross-sections will be provided in the plan set.
- Prepare roadway details to clarify intent of design
- Modify standard details as needed and include

2.2.2.2. Drainage

- Create Drainage Area Maps (existing and proposed)
- Create Drainage Calculation Sheets (Tables to be formatted to match City Standard's tabular format)
- Identify the need for additional drainage easements to accommodate the proposed offsite drainage improvements (if required)
- Perform final storm sewer sizing and alignment design. Prepare final inlet design sheets and hydraulic design sheets for inclusion in the plans.
- Prepare storm sewer plan/profile sheets depicting storm sewer lines, inlets, junction boxes, connections, manholes, utility crossings and the hydraulic grade lines. The storm sewer shall not be profiled until approval from the City for the alignment.
- Prepare profiles for all trunks and laterals (to be profiled along centerline of pipe)
- If drainage flow patterns/areas are changing due to proposed improvements then existing downstream and upstream systems will be analyses and included in plan set to prove that there are no adverse impacts as a result. Full Hydrologic and Hydraulic Calcs Sheets and storm sewer plan and profiles sheets for these existing upstream and downstream systems are to be included in the plan set.
- Prepare drainage details to clarify intent of design.
- Compile applicable City standard details. Modify standard details as needed.
- Prepare erosion control plan.

2.2.2.3. Utilities

2.2.2.3.1. Public (Water, Wastewater, Storm Drainage, etc.)

- Establish the location of existing public utilities based upon information provided by the City, SUE and field survey information

2.2.2.3.2. Franchise Utility Coordination

- Identify franchise utility contacts
- Send one set of plans to each franchise utility for their review will be submitted at each phase. Request each franchise utility to mark up the plans to show the size, type and location of their utilities.
- Notify the City if any relocations are required
- FNI shall perform the coordination with the franchise utilities if any relocations are required.
- Attend City ran Franchise Utility Coordination Meetings (typically 2-4 meetings per year are held…assumed 3 meetings during the 60% to 100% design phase). FNI will give background on particular project and coordinate with franchise utility companies on foreseen conflicts and pass out current plan set.

2.2.2.3.3. Water

- Prepare all water plan sheets. Water lines will be consolidated onto Existing Utility and Adjustment sheets with sanitary sewer lines.
- Check coverage of Fire Hydrants to meet City Standard.
- Prepare water details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.3.4. Wastewater

- Prepare all wastewater plans and profiles (profiles only as needed). Sanitary sewer lines will be consolidated onto Existing Utility and Adjustment sheets with water lines. City approval of alignment will be received before profiling of sanitary sewer.
- Prepare wastewater details to clarify intent of design. Compile applicable City Standard details, modify standard details as needed.

2.2.2.4. Lighting/Illumination

- Not used.

2.2.2.5. Structural

- Structural design and layout of retaining wall (plan and profile). Use of typical City standards for retaining walls is assumed to be used on this project.
- Structural design and layout for other elements of the project not covered in the standard details (steps). Typical NCTCOG junction box detail is assumed to be used on this project.

2.2.2.6. Traffic

2.2.2.6.1. Traffic Signals

- Not Used

2.2.2.6.2. Pavement Marking and Signing Plans

- Determine potential conflicts with existing signs and propose sign relocations
- Prepare crosswalk pavement marking and signing layouts in accordance with City design standards and the Texas Manual on Uniform Traffic Control Devices (TMUTCD).
- Prepare details to clarify intent design
- Compile applicable City standard details. Modify standard details as needed.

2.2.2.7. Traffic Control Plans, Detour Plans, Construction Sequencing/Phasing

- At 60% level, develop construction phasing plan to show the intent of each phase prior to adding details at 90%. Develop construction sequence plan showing:
  - Construction area for each phase of construction and closure of existing travel lanes (if needed).
  - Temporary signing and striping, barricades, and other channelization device
  - Narrative of the sequence of work.
  - Detour Plan for each construction phase, if applicable
  - Storm sewer construction phasing.
  - Public utilities relocation phasing (this is assumed to be water and sanitary sewer).
  - Pedestrian routing during construction.
- Develop typical sections showing lane widths, edge conditions, channelization and proposed construction area.
- Prepare traffic control details to clarify intent of design.

2.2.3. Specifications/Construction Contracts

Prepare general notes, specification data, and final Bid Book in accordance with City of Rockwall requirements. Identify and prepare special specifications and/or special provisions applicable to the project. Prepare Bid-Tab sheets of applicable items for Contractor to fill/present bid prices.

- Contact documents, including the following:
  - City of Rockwall standard construction contract forms
  - Notice to bidders
  - Special instructions to bidders
  - Bid form (Bid-Tab) – Electronic for Bidding
  - Standard construction contract
  - Performance bond
  - Payment bond
  - Maintenance bond
  - Certificate of insurance
  - General conditions
  - Special conditions
  - Technical specifications
  - Permits (TXDOT, City of Dallas, etc.)
  - Geotechnical Report

2.2.4. Estimates

Compile an overall opinion of probable construction cost based on current market values. Cost shall be broken out in to separate schedules for each section of the job.

2.3. Agency Permitting/Coordination (City of Dallas, NTMWD, TDLR, etc.)

2.3.1. Texas Department of Transportation (TxDOT)

- Coordinate with TxDOT, and submit driveway permit, standards and plan sheets for review and approval

2.3.2. NTMWD

- Not applicable.

2.3.3. Accessibility Review (TDLR)

- Prepare a completed application for submittal to the Texas Department of Licensing and Regulation for review in accordance with the Elimination of Architectural Barriers Act.
- FNI to complete application and submit with set of plans to a Registered Accessibility Specialist (RAS) from review and TDLR project registration. All coordination and fees with TDLR compliance will be done by the FNI.
- While we do not anticipate accessibility revisions to be required, we will address minor revisions to the plans based on review comments from the RAS.

3. Bidding Phase Services

3.1. Furnishing the City a construction bid set one (1) 11"x17" hard copy and Bid Spec Book.

3.2. City will be responsible for advertisement of the project in the Local Paper

3.3. FNI will make the plans and specifications available from the Bid document distribution site CivCast.

3.4. During this phase service to be provided are:

3.4.1. Respond to contractor questions and provide design clarifications.

3.4.2. Attendance at the pre-bid meeting.

3.4.3. Production of all Addenda items and designs changes, submittal to City for review and correction before issuance.

3.4.4. Attendance of Bid Opening

3.4.5. Tabulating Bids and checking for errors.

3.4.6. Checking references and other qualification information for the low bidder and writing a letter of recommendation concerning award of the contract.

3.4.7. Returning Bid Bonds to all non-low bidders.

SPECIAL SERVICES

For the following scope items defined as special services Freese & Nichols, Inc (FNI) shall receive written approval from the City for each service separately before proceeding with this work. These services are to be used at the discretion of the City. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of these special services.

4. Data Collection & Property Research / Topographic and Design Survey

4.1. Data Collection and Property Research

4.1.1. Gather existing plat information

4.1.2. Collect property owner and record information

4.1.3. Gather existing ROW and easement information, identify all easements through typical research methodologies (i.e. plats, court house filings, etc.).

4.2. Topographic and Design Survey

4.2.1. The limits of the survey shall be from the intersection of N. Alamo and SH 205 (Goliad) to the intersection of N. Alamo and Live Oak. The survey shall be from front of house on the east to front of house on the west (approx. 50 foot ROW and additional beyond the ROW on each side) of N Alamo. Survey will include intersecting roadways extending 100 feet along each leg of the major intersections and 200 feet along each leg of the minor intersections. Surveyor will secure rights of entry prior to surveying on private property.

4.2.2. Establish horizontal control points at 500' maximum spacing.

4.2.3. Establish a vertical control benchmark circuit as needed throughout the project. Use existing City established monument information for the City and tie survey into.

4.2.4. Set control points, which shall be based on NAD-83, on both sides of the roadway, as required to maintain horizontal control throughout the project limits.

4.2.5. Perform a field survey to identify and locate existing topographic elements within the roadway corridor. All identified topographic elements shall be tied down horizontally and vertically. The field survey shall not limited to the following:

- Property corner monumentation
- Existing pavement, curbs, sidewalks, barrier free ramps, etc.
- Roadway and lane striping
- Driveways
- Existing storm sewer inlets, manholes, junction boxes Headwalls (including culvert sizes and invert elevations)
- Outfalls, bridges and erosion control
- Existing driveway culverts and swales (flowlines, sizes, types, etc.)
- Guardrail
- Utility manholes, vaults, water valves, water meters, wastewater cleanouts, sprinkler heads, telephone poles, power poles, utility markers, other public utilities and franchise utilities
- Traffic Signal poles, cabinets, pull boxes and other signal equipment
- Signs (excluding temporary signs)
- Trees, including species and caliper (all sizes)
- Landscape planters, Shrubs, rocks and other features.
- Buildings and permanent structures
- Retaining walls
- Fencing walls
- Fence limits and material types (excluding temporary fences)
- Mailboxes (types – wood, brick, stone)
- Other applicable physical features that could impact design

4.2.6. Collect sufficient topographic data to create a CAD surface from which to prepare cross-sections throughout project limits at 25-foot intervals and at grade breaks.

4.2.7. Prepare a final topographic drawing in digital format (including contours and breaklines) showing the features located in the field, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

4.2.8. FNI will perform site visits for the purposes of reviewing the provided survey in the field and making notes for additional survey needs and design considerations.

5. Subsurface Utility Engineering (S.U.E.) Services

5.1. Provide S.U.E. Services for the purpose of locating horizontal and vertical locations of underground city and franchise utilities, in conjunction with and /or prior to the field survey.

- S.U.E. Level 'B' Services will be provided to determine horizontal location of utilities up to approx. 3,500 linear feet.
- S.U.E. Level 'A' Services including survey data collection will be provided as needed:
  - Up to two (2) test holes of 0-4 ft depth will be provided (in pavement)
  - Up to two (2) test holes of 4-8 ft depth will be provided (in pavement)
  - Test holes in addition to those listed above will be provided at the rate per test hole agreed to by the City of Rockwall.

5.2. The FNI shall arrange and make provisions for access to perform the services specified within this scope. The surveyor shall provide the City with the name and address of the property owners.

6. Right-of-Way / Easement Instruments of Conveyance

6.1. Prepare ROW instruments (narrative and graphic exhibits of ROW takes) and setting new property corners (for new ROW only) in the field

6.1.1. Up to three (3) parcels

6.2. Prepare easement instruments (narrative and graphic exhibits of easements required for drainage, City utilities, temporary construction, etc.)

6.2.1. Up to three (3) parcels

6.3. Individual parcel exhibits shall be on 8"x11" paper and pdf copy shall be sealed, dated, and signed by a Registered Professional Land Surveyor and shall contain the following:

6.3.1. Parcel number

6.3.2. Area required

6.3.3. Area remaining

6.3.4. Legal description

6.3.5. Current owner

6.3.6. Any existing platted easements or easements filed by separate instrument including easements provided by utility companies

6.3.7. All physical features

6.3.8. Metes and bounds description of parcel to be acquired. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately.

6.4. Upon written notification by the City of acceptance of the ROW exhibits and instruments, and as directed by the City, the surveyor shall set all corners and points of curvature for the proposed ROW and submit final sealed plans and exhibits, including location of the control points and their NAD-83 reference

7. Geotechnical

7.1. Subsurface Exploration

7.1.1. Five (5) borings are planned for this project. The borings and laboratory testing on recovered soil samples will be through a subconsultant. The Consultant will coordinate the subsurface exploration activities and will subcontract with a drilling contractor to drill the borings under the direction of the Consultant. The borings will be located at approximate equal intervals within the project limits. A closer spacing may be considered near the locations of existing retaining walls near the northern limits of the project.

7.1.2. Boring Services –Two (2) of the five (5) borings will be drilled and sampled to a depth of 20 feet for the potential replacement of existing retaining walls. (The new walls are assumed to be less than 5 feet tall, exposed wall height.) The three (3) remaining borings will be drilled to a depth of 15 feet. A total of 85 linear feet for drilling is planned.

- All borings will be drilled within City ROW and will require traffic control consisting of a temporary lane closure for safe working conditions
- The boring locations will be marked with paint prior to drilling
- Coordinate with appropriate City personnel and the Texas 811 system to locate existing utilities prior to drilling
- Provide an engineer or geologist to log the borings during drilling and sampling
- Backfill bore holes and patch existing concrete pavement at the surface

7.2. Laboratory Services

7.2.1. Considering the planned facilities, anticipated soil conditions, and geology, the following laboratory test will be required for classification purpose and to determine strength characteristics:

- Visual Classification
- Moisture content and unit dry weight
- Liquid and plastic limit determinations

- Unconfined compression
- Lime/ph series tests
- Soluble sulfate tests (to determine lime-induced heaving potential)

7.3. Engineering Services

7.3.1. Prepare an engineering report presenting the following:

- Sample boring location map
- Boring logs and laboratory results
- General soil and ground-water conditions
- Recommendations will be based on a 30-year design life.
- Subgrade design recommendations for lime treatment and/or cement treatment
- Pavement design recommendations for the new reinforced concrete system (including pavement thickness, subgrade treatment, or other suitable pavement base alternative). Pavement thickness calculations will be based on the traffic study and design traffic volume determined from Basic Service Item 1.6.
- Recommendations for retaining walls, as necessary
- Earthwork recommendations

7.3.2. The geotechnical engineer's design recommendations shall be relied upon by the civil and structural engineers for their design.

7.3.3. Submit one (1) paper copy and one pdf file copy of the report to the City

8. Construction Phase Services

8.1 Not used.

9. Video Inspection (Storm Sewer)

9.1. Collect in-pipe video of existing storm sewer systems to determine condition of pipe.

9.1.1. Approx. 310 linear feet in the sag south of Heath

9.1.2. Approx. 450 linear feet in the N. Alamo / SH 205 (Goliad) intersection.

10. Right-of-way Negotiation and Acquisition Services

10.1.1. Not used.

11. Environmental Permitting

11.1. Not used.

12. Flood Study

12.1. Not used.

13. Additional Services

Services not specifically identified in the Scope of Services above shall be considered additional and shall be performed on an individual basis upon authorization by the City of Rockwall. Such services shall include, but are not limited to the following:

13.1. Construction staking.

13.2. Water and sanitary sewer design beyond minor adjustments or lowering. Utility design consisting of route analysis or corridor selection.

13.3. Additional Design Survey and SUE required for the preparation of designs and drawings after the conceptual design submittal.

13.4. Full time construction management and inspection services

13.5. Construction materials testing

13.6. Preparation of Condemnation hearing documentation and attendance at condemnation hearing

13.7. Field layouts or the furnishing of construction line and grade surveys.

13.8. GIS mapping services or assistance with these services.
13.9. Making revisions to drawings, specifications or other documents when such revisions are 1) consistent with approvals or instructions previously given by CITY or 2) due to other causes not solely within the control of CONSULTANT.
13.10. Preparing applications and supporting documents for government grants, loans, or planning advances and providing data for detailed applications.
13.11. Assisting CITY in preparing for, or appearing at litigation, mediation, arbitration, dispute review boards, or other legal and/or administrative proceedings in the defense or prosecution of claims disputes with Contractor(s).
13.12. Performing detailed investigations, studies and analyses of substitutions of equipment and/or materials or deviations from the drawings and specifications.
13.13. Assisting CITY in the defense or prosecution of litigation in connection with or in addition to those services contemplated by this AGREEMENT. Such services, if any, shall be furnished by CONSULTANT on a fee basis negotiated by the respective parties outside of and in addition to this AGREEMENT.
13.14. Providing environmental support services including the design and implementation of ecological baseline studies, environmental monitoring, impact assessment and analyses, permitting assistance, and other assistance required to address environmental issues.
13.15. Phase I/II Environmental Site Assessments
13.16. Performing investigations, studies, and analysis of work proposed by construction contractors to correct defective work.
13.17. Design, contract modifications, studies or analysis required to comply with local, State, Federal or other regulatory agencies that become effective after the date of this AGREEMENT.
13.18. Services required to resolve bid protests.
13.19. Visits to the site in excess of the number of trips included for periodic site visits, coordination meetings, or contract completion activities.
13.20. Any services required as a result of default of the contractor(s) or the failure, for any reason, of the contractor(s) to complete the work within the contract time.
13.21. Providing services after the completion of the construction phase not specifically listed.
13.22. Providing any special structural details for retaining wall and drainage design. This will include any detail that is not covered by CITY, NCTCOG, or TxDOT standard details. (i.e. junction boxes, box culverts, etc.)
13.23. Providing basic or additional services on an accelerated time schedule. The scope of this service include cost for overtime wages of employees and consultants, inefficiencies in work sequence and plotting or reproduction costs directly attributable to an accelerated time schedule directed by CITY.
13.24. Providing services made necessary because of unforeseen, concealed, or differing site conditions or due to the presence of hazardous substances in any form.
13.25. Providing services to review or evaluate construction contractor(s) claim(s), provided said claims are supported by causes not within the control of CONSULTANT.
13.26. Providing value engineering studies or reviews of cost savings proposed by construction contractors after bids have been submitted.
13.27. Provide follow-up professional services during Contractor's warranty period.
13.28. Additional exploratory drilling and associated laboratory testing due to soft or loose soil conditions, other unexpected site conditions, or additional structures.
13.29. Detailed settlement studies or other engineering issues resulting from soft and/or loose soil conditions, or other unexpected site conditions.
13.30. Construction services including site visits, shop drawing reviews, RFIs, changes to plan, record drawings, etc.
13.31. Perform traffic analysis of existing conditions.

13.32. Revisions to completed and approved construction drawings resulting from right of way negotiation and acquisition.

-End of Scope of Service-

ATTACHMENT "B"

Payment Schedule

Compensation for Basic Services in Tasks 1-3 shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Task	Fee
	BASIC SERVICES	
1.	Schematic Conceptual Design (30%)	$61,300
2.	Construction Documents	
2.1	60% Design	$65,200
2.2	90% Design	$52,300
2.3	100% Design	$44,300
3.	Bidding Phase Services	$9,200
	Basic Services Subtotal (Lump Sum):	**$232,300**
Compensation for special services under Tasks 4-10 shall be a labor fee plus expense (reimbursable) basis with the max fee shown below.		
	SPECIAL SERVICES	
4.	Data Collection & Property Research / Topographic and Design Survey	$34,300
5.	Subsurface Utility Engineering (S.U.E.) Services	
5.1	Quality Level 'C/D' S.U.E. Services	NA
5.2	Quality Level 'B' S.U.E. Services (assumes 3,500 LF)	$12,500
5.3	Quality Level 'A' S.U.E. Services	$7,800
6.	Right-of-Way/Easement Instruments of Conveyance	$11,000
	(6 ROW documents are assumed @ $1,500/document)	
7.	Geotechnical	$25,200
8.	Construction Phase Services	NA
9.	Video Inspection (Sanitary Sewer and Storm Sewer)	$4,700
10.	Right-of-way Negotiation and Acquisition Services	NA
11.	Environmental	NA
12.	Flood Study	NA
	Special Services Subtotal (Not-to-Exceed) *	**$95,500**
	ENGINEERING SERVICES CONTINGENCY**	**$32,780**
	***(This service is a miscellaneous amount to be used at the discretion of the City for additional Services outside of the scope of the contract. This item will be controlled by the City and will only be used if the City chooses. The Engineer has no right or guarantee to the use of this Contingency)*	
	Project Total*	**$ 360,580**

Fees that are Lump Sum for each task and will be invoiced monthly based upon the overall percentage of services performed.

COMPENSATION

Compensation to Engineer for the Basic Services described in Attachment A shall be the lump sum of Two Hundred Thirty-Two Thousand Three Hundred Dollars ($232,300.00) and the Special Services described in Attachment A shall be a not to exceed fee of Ninety-five Thousand Five Hundred Dollars ($95,500.00). An Engineering Services Contingency shall not exceed Thirty-two Thousand Seven Hundred Eighty Dollars ($32,780.00). If FNI sees the Scope of Services changing so that Additional Services are needed, including but not limited to those services described as Special Services in Attachment A, Engineer will notify City for City's approval before proceeding. Additional Services shall be computed based on this Schedule of Charges.

Schedule of Charges:

Position	Min	Max
Professional 1	73	116
Professional 2	95	140
Professional 3	121	194
Professional 4	131	228
Professional 5	182	283
Professional 6	191	348
Construction Manager 1	77	152
Construction Manager 2	105	158
Construction Manager 3	149	178
Construction Manager 4	160	240
CAD Technician/Designer 1	58	112
CAD Technician/Designer 2	91	132
CAD Technician/Designer 3	107	175

Corporate Project Support 2	62	144
Corporate Project Support 3	83	225
Intern / Coop	39	68

Rates for In-House Services

Technology Charge

$8.50 per hour

Travel

Standard IRS Rates

Bulk Printing and Reproduction

	B&W	Color
Small Format (per copy)	$0.10	$0.25
Large Format (per sq. ft.)		
Bond	$0.25	$0.75
Glossy / Mylar	$0.75	$1.25
Vinyl / Adhesive	$1.50	$2.00
Mounting (per sq. ft.)	$2.00	
Binding (per binding)	$0.25	

OTHER DIRECT EXPENSES:

Other direct expenses are reimbursed at actual cost times a multiplier of 1.10. They include outside printing and reproduction expense, communication expense, travel, transportation and subsistence away from the FNI office and other miscellaneous expenses directly related to the work, including costs of laboratory analysis, test, and other work required to be done by independent persons other than staff members. For Resident Representative services performed by non-FNI employees and CAD services performed In-house by non-FNI employees where FNI provides workspace and equipment to perform such services, these services will be billed at cost times a multiplier of 2.0. This markup approximates the cost to FNI if an FNI employee was performing the same or similar services.

These ranges and rates will be adjusted annually in February. Last updated February 2018.

CITY OF ROCKWALL

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, *City Manager* Mary Smith, *Assistant City Manager* Joey Boyd, *Assistant City Manager*
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	SP2019-003.; *Alternative Tree Mitigation Plan*

On February 12, 2019, the Planning and Zoning Commission recommended approval of an *alternative tree mitigation plan* in conjunction with an approved site plan (*i.e. SP2019-003*) for a multi-tenant office complex. At the time of submittal, the applicant identified 285 caliper-inches of protected trees that will be required to be removed in order to develop the site. According to the landscape plan, the applicant is planting 150 caliper-inches on site, leaving a balance of 135 caliper-inches requiring mitigation (*i.e. 48% of total mitigation balance*). The Unified Development Code (UDC) allows up to 20% of the total tree mitigation (*i.e. 57 caliper-inches or $5,700)* to be paid to the City's tree fund. The City Council has the ability to review and approve alternative tree mitigation agreements, pending a recommendation from the Planning and Zoning Commission. Since the applicant is proposing to exceed the 20% maximum allowable tree mitigation paid to the City's tree fund (*i.e. proposing 47% of total mitigation balance*), an alternative tree mitigation plan will need to be approved. The remaining balance needing mitigation is $27,000.00 (*i.e. 135 caliper-inches @$200.00 per caliper-inch*); however, since the applicant is planting at least one (1) tree on-site, the balance is reduced by ½ for a total mitigation balance $13,500.00 that will need to be paid to City's tree fund at the time of final plat. Since the applicant is not proposing any alternatives beyond being able to pay beyond the 20%, this has been included on the Consent Agenda. Should the City Council have any questions, staff will be available at the meeting on *February 19, 2019*.

LANDSCAPE NOTES

1. The project will have an undergound automatic irrigation system to water all new plantings.
2. Install 4" layer of shredded hardwood mulch to all planting beds.
3. Install 4" steel edging between all shrub beds and grass areas.
4. Shrub beds to have 12 inches of prepared planting mix (75% import topsoil, 15% composted amendment, 10% washed sand)
5. Shredded hardwood mulch must contain long strands along with double shred finer material obtained from a local source.
6. Install 4 inches of clean topsoil in all areas of the site disturbed by grading and construction operations. Topsoil shall be free from sticks, debris and rocks larger than 2 inches in diameter and have an organic matter level of 3 percent minimum and a pH range between 5.5 and 7.4 percent. Provide soil test analysis from a soil test laboratory showing soil makeup and organic percentage.
7. Solid sod all areas disturbed by construction activities.
8. No trees within 5' of utilities.
9. No parking space shall be more than 80 feet from a tree.

Subject Property:

Hyatt Place
1600 La Jolla Pointe Dr
Rockwall, TX 75087

Ms. Cole,

Please accept this letter as our request to appear before the City Council at the February 19th, 2019 Council meeting.

We wish this audience to request permission to temporarily close Laguna Drive to allow the installation of a new outfall drain line on the existing storm water detention pond located on the subject property.

I have attached documentation that shows the extent of the work that needs to be done, the approximate location of the requested closure, and the traffic control plans necessary to route traffic around Laguna during the period of closure.

Because of the size and depth of the outflow piping, we will not be able to close only one lane of Laguna during the time the piping is being installed. The new piping has an inside diameter of 54 inches. It is round concrete pipe (RCP) so the outside dimension of the piping will be approximately 64 inches. This will require a ditch bed of approximately 7 to 8 feet in width to allow proper installation of the piping. Additionally, the flow line (bottom) of the new piping is scheduled to be approximately 15 feet below the surface of Laguna Dr. Because of this depth we will most probably be required to "bench" or slope back the sides of the ditch line to meet OSHA safety regulations, so the ditch line of this width and depth will require quite a large width opening at the surface of Laguna Dr.

Please see below verbiage copied from an email between Corey Caughron with Rumsey Construction, who is the utility contractor, and John Cranson with the City of Rockwall:

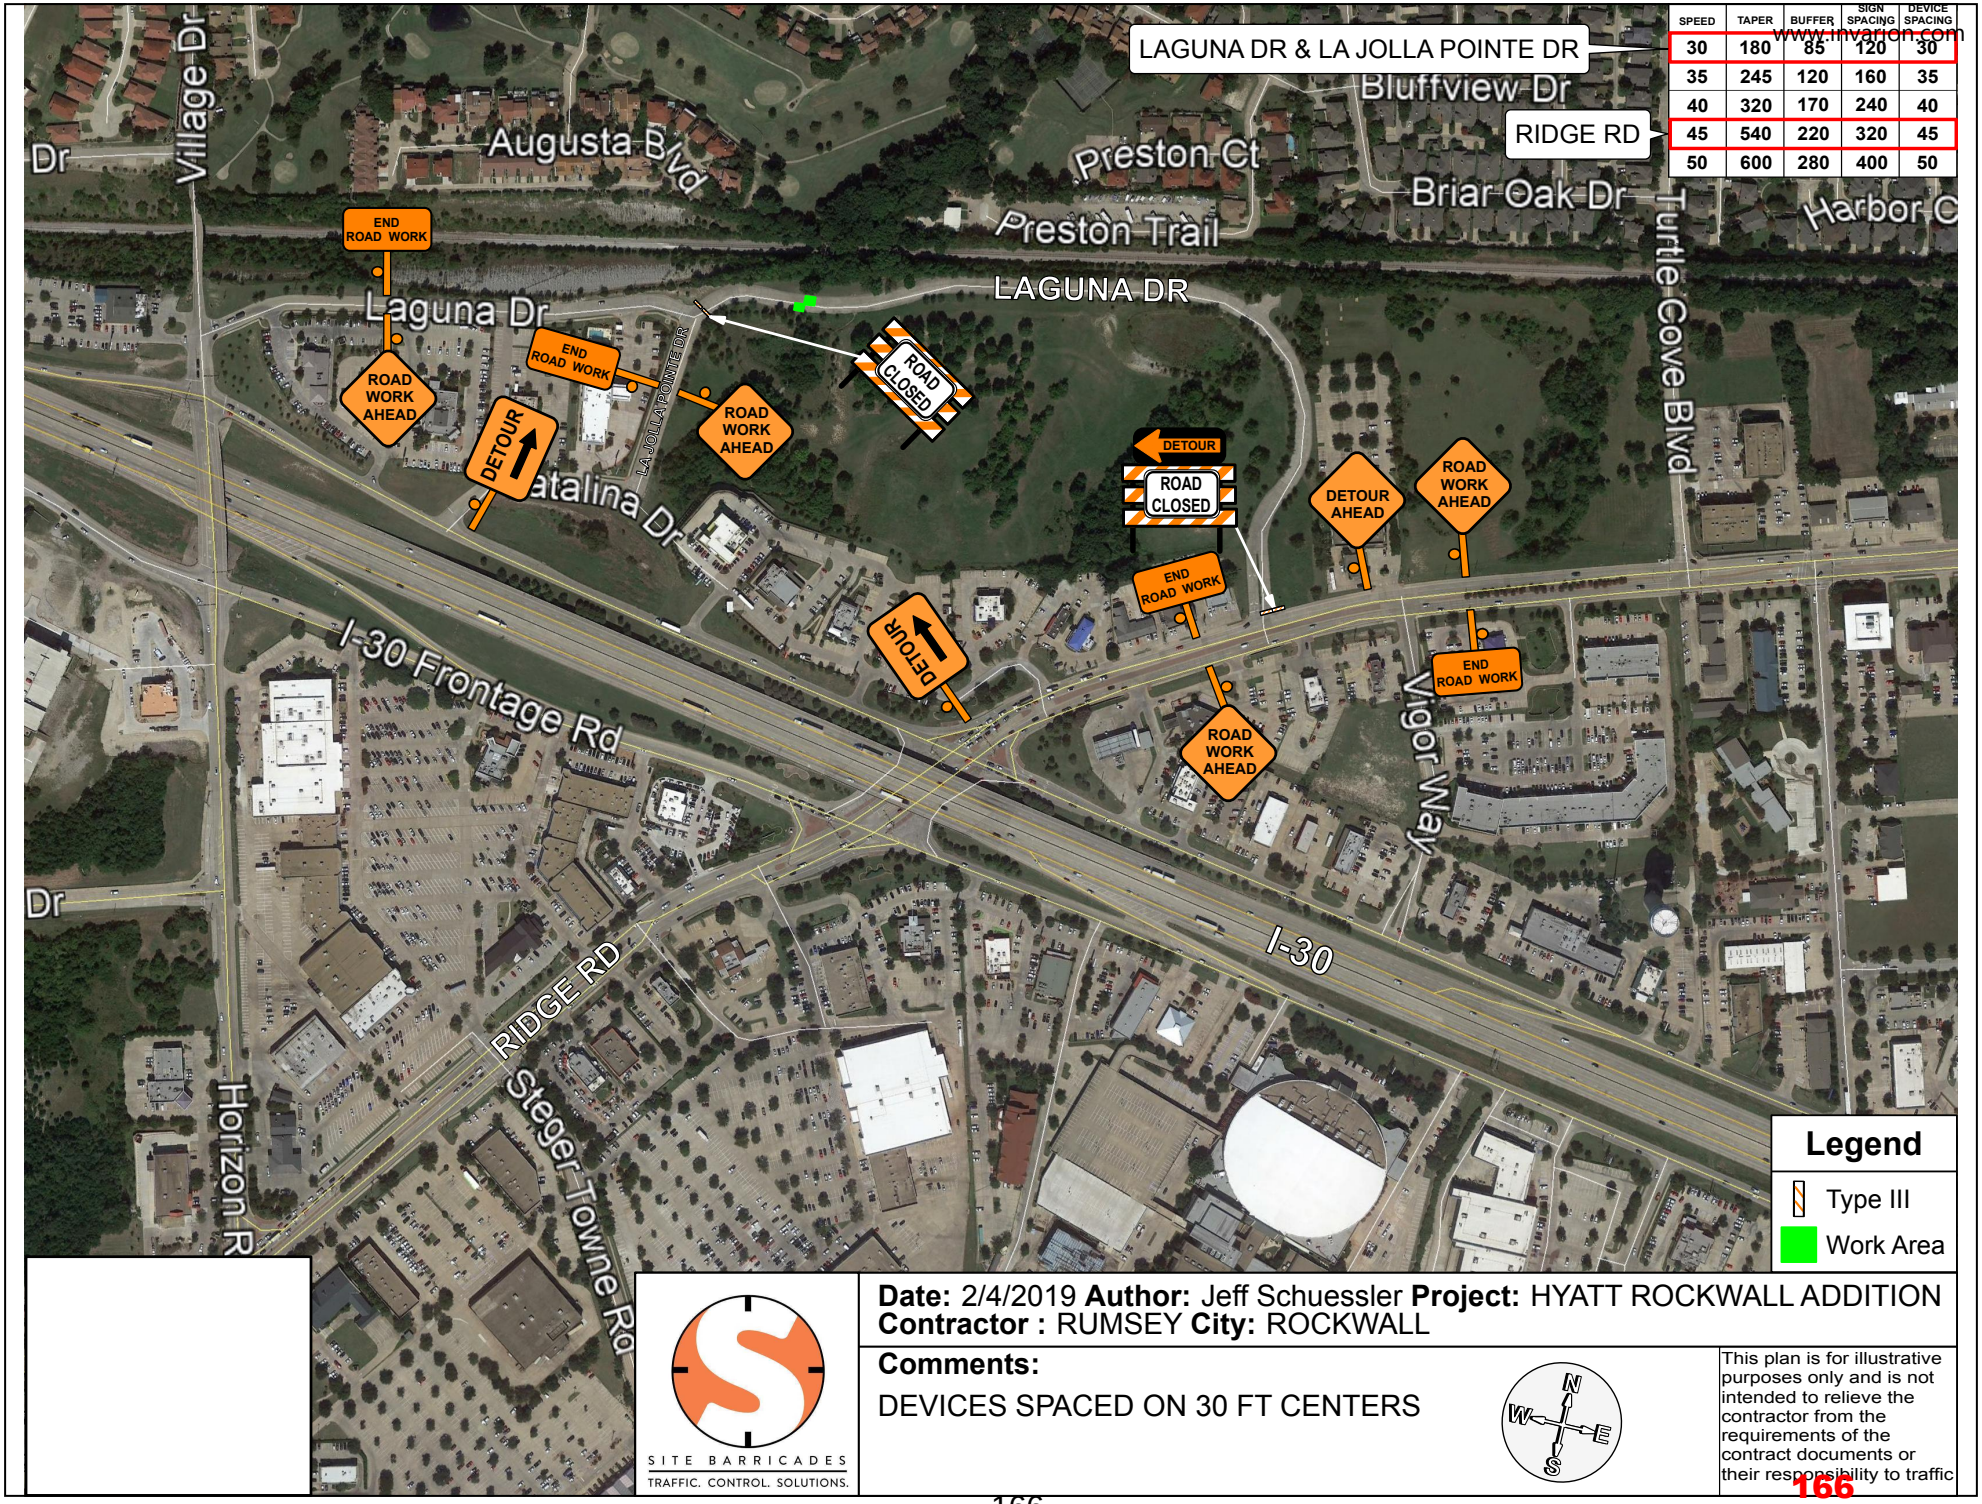
John, we plan to start our excavation at the downhill side. We will remove a portion of the old pipe, dig to new depth and install the new pipe. We will continue this process working to the south as we cross La Jolla. As we approach Laguna we may need to close one lane to keep traffic from the excavator swing as we come up the embankment. This closure would only occur during working hours and be opened back at the end of the day.

Once we start open cutting Laguna the street will need to be completely closed as we cross it with the same process. The full closure is primarily due to depth and the safety of the workers and traveling public. We estimate this process will take 3-4 days to completely cross Laguna and have it safely backfilled. We will plan to put street plates over the excavation until paving has been poured back and

reaches appropriate cure time.

No dirt will be stored on the street, and the street will be kept free of debris and trash throughout the installation of the storm drain.

Please let me know if you have any other questions. Anything we can do to expedite approval of this process is greatly appreciated as we are in need of completing this work as soon as possible to not hold up the complete project.



Thank you,
3C
Corey C. Caughron

1926, Subpart P

Excavation Safety Program

The following excavation safety program is provided only as a guide to assist employers and employees in complying with the requirements of OSHA's Excavation Standard, 29 CFR 1926, Subpart P, as well as to provide other helpful information. It is not intended to supersede the requirements of the standard. An employer should review the standard for particular requirements which are applicable to their individual situation and make adjustments to this program that are specific to their company. An employer will need to add information relevant to their particular facility in order to develop an effective, comprehensive program.

Excavation Safety Program
for
Rumsey Site Construction

I. OBJECTIVE

This Excavation Safety Program has been developed to protect employees from safety hazards that may be encountered during work in trenches and excavations. This program is intended to assure that:

A. Employees who perform work in excavations are aware of their responsibilities and know how to perform the work safely.

B. ***Rumsey Site Construction*** has appointed one or more individuals within the company to assure compliance with the requirements of this program.

C. The responsibilities of ***Responsible Person(s)*** and workers are clearly detailed.

D. All persons involved in excavation and trenching work have received appropriate training in the safe work practices that must be followed when performing this type of work.

II. ASSIGNMENT OF RESPONSIBILITY

A. Employer

In administering the Excavation Safety Program, ***Rumsey Site Construction*** will:

1. Monitor the overall effectiveness of the program.
2. Provide atmospheric testing and equipment selection as needed.
3. Provide personal protective equipment as needed.
4. Provide protective systems as needed.
5. Provide training to affected employees and supervisors.
6. Provide technical assistance as needed.
7. Preview and update the program on at least an annual basis, or as needed.
8. Assign a ***Responsible Person*** who shall be a competent person (as defined in 29 CFR 1926.650(b) to oversee safety.

B. Program Manager

1. The procedures described in this program are followed.

2. Employees entering excavations or trenches are properly trained and equipped to perform their duties safely.

3. All required inspections, tests, and recordkeeping functions have been performed.

C. Employees

All employees, including contractor personnel, who work in or around excavations must

comply with the requirements of this program. Employees are responsible for reporting hazardous practices or situations to ***Rumsey Site Construction*** management, as well as reporting incidents that cause injury to themselves or other employees to the ***Responsible Person***.

III. TRAINING

A. Training Schedule

1. All personnel involved in trenching or excavation work shall be trained in the requirements of this program by the ***Responsible Person*** with assistance from the appropriate supervisors.

2. Training shall be performed before employees are assigned duties in excavations.

3. Retraining will be performed when work site inspections indicate that an employee does not have the necessary knowledge or skills to safely work in or around excavations, or when changes to this program are made.

4. Training records will be maintained by the ***Responsible Person***, and shall include:

   a. date of the training program;

   b. name(s) of the instructor(s) who conducted the training;

   c. a copy of the written material presented; and

   d. name(s) of the employee(s) who received the training.

B. Training Components

The training provided to all personnel who perform work in excavations shall include:

1. The work practices that must be followed during excavating or working in excavations.

2. The use of personal protective equipment that will typically be required during work in excavations, including but not limited to safety shoes, hardhats, and fall protection devices.

3. Procedures to be followed if a hazardous atmosphere exists or could reasonably be expected to develop during work in an excavation.

4. The OSHA Excavation Standard, 29 CFR 1926, Subpart P.

5. Emergency and non-entry rescue methods, and the procedure for calling rescue services.

6. ***Rumsey Site Construction*** policy on reporting incidents that cause injury to employees.

C. Training and Duties of Program Manager

175

The Program Manager, the ***Responsible Person***, shall receive the training detailed in this program as well as training on the requirements detailed in the OSHA Excavation Standard. The Program Manager shall:

1. Coordinate, actively participate in, and document the training of all employees affected by this program.

2. Ensure on a daily basis, or more often as detailed in this program, that worksite conditions are safe for employees to work in excavations.

3. Determine the means of protection that will be used for each excavation project.

4. Ensure, if required, that the design of a protective system has been completed and approved by a registered professional engineer before work begins in an excavation.

5. Make available a copy of this program and the OSHA Excavation Standard to any employee who requests it.

IV. EXCAVATION REQUIREMENTS

A. Utilities and Pre-Work Site Inspection

Prior to excavation, the site shall be thoroughly inspected by the ***Responsible Person*** to determine if special safety measures must be taken.

B. Surface Encumbrances

All equipment, materials, supplies, permanent installations (i.e., buildings or roadways), trees, brush, boulders, and other objects at the surface that could present a hazard to employees working in the excavation shall be removed or supported as necessary to protect employees.

C. Underground Installations

1. The location of sewer, telephone, fuel, electric, water, or any other underground installations or wires that may be encountered during excavation work shall be determined and marked prior to opening an excavation. Arrangements shall be made as necessary by Responsible Person with the appropriate utility entity for the protection, removal, shutdown, or relocation of underground installations.

2. If it is not possible to establish the exact location of these installations, the work may proceed with caution if detection equipment or other safe and acceptable means are used to locate the utility.

3. Excavation shall be done in a manner that does not endanger the underground installations or the employees engaged in the work. Utilities left in place shall be protected by barricades, shoring, suspension, or other means as necessary to protect employees.

D. Protection of the Public

Barricades, walkways, lighting, and posting shall be provided as necessary for the protection of the public prior to the start of excavation operations.

1. Guardrails, fences, or barricades shall be provided on excavations adjacent to walkways, driveways, and other pedestrian or vehicle thoroughfares. Warning lights or other illumination shall be maintained as necessary for the safety of the public and employees from sunset to sunrise.

2. Wells, holes, pits, shafts, and all similar hazardous excavations shall be effectively barricaded or covered and posted as necessary to prevent unauthorized access. All temporary excavations of this type shall be backfilled as soon as possible.

3. Walkways or bridges protected by standard guardrails shall be provided where employees and the general public are permitted to cross over excavations. Where workers in the excavation may pass under these walkways or bridges, a standard guardrail and toeboard shall be used to prevent the hazard of falling objects. Information on the requirements for guardrails and toeboards may be obtained by contacting the ***Responsible Person***.

E. Protection of Employees

Stairs, ladders, or ramps shall be provided at excavation sites where employees are required to enter trench excavations over five (5) feet deep. The maximum distance of lateral travel (along the length of the trench) necessary to reach the means of egress shall not exceed 25 feet.

1. Structural Ramps

a. Structural ramps used solely by employees as a means of access or egress from excavations shall be designed by a competent person. Structural ramps used for access or egress of equipment shall be designed by a person qualified in structural design, and shall be constructed in accordance with the design.

b. Ramps and runways constructed of two or more structural members shall have the structural members connected together to prevent movement or displacement.

c. Structural members used for ramps and runways shall be of uniform thickness.

d. Cleats or other appropriate means used to connect runway structural members shall be attached to the bottom of the runway or shall be attached in a manner to prevent tripping.

e. Structural ramps used in place of steps shall be provided with cleats or other surface treatments on the top surface to prevent slipping.

2. Ladders

a. When portable ladders are used, the ladder side rails shall extend a minimum of three (3) feet above the upper surface of the excavation,

177

b. Ladders shall have nonconductive side rails if work will be performed near exposed energized equipment or systems.

c. Two or more ladders, or a double-cleated ladder, will be provided where 25 or more employees will be conducting work in an excavation where ladders serve as the primary means of egress, or where ladders serve two-way traffic.

d. Ladders will be inspected prior to use for signs of damage or defects. Damaged ladders will be removed from service and marked with "Do Not Use" until repaired.

e. Ladders shall be used only on stable and level surfaces unless secured. Ladders placed in any location where they can be displaced by workplace activities or traffic shall be secured, or barricades shall be used to keep these activities away from the ladders.

f. Non self-supporting ladders shall be positioned so that the foot of the ladder is one-quarter of the working length away from the support.

g. Employees are not permitted to carry any object or load while on a ladder that could cause them to lose their balance and fall.

F. Exposure to Vehicular Traffic

Employees exposed to vehicular traffic shall be provided with, and shall wear warning vests or other suitable garments marked with or made of reflectorized or high-visibility material. Warning vests worn by flagmen shall be red or orange, and shall be reflectorized material if worn during night work. Emergency lighting, such as spotlights or portable lights, shall be provided as needed to perform work safely.

G. Exposure to Falling Loads

No employee is permitted underneath loads being handled by lifting or digging equipment. Employees are required to stand away from any vehicle being loaded or unloaded to avoid being struck by any spillage or falling materials. Operators may remain in the cabs of vehicles being loaded or unloaded when the vehicles provide adequate protection for the operator during loading and unloading operations.

H. Warning System for Mobile Equipment

A warning system shall be used when mobile equipment is operated adjacent to the edge of an excavation if the operator does not have a clear and direct view of the edge of the excavation. The warning system shall consist of barricades, hand or mechanical signals, or stop logs. If possible, the grade should be away from the excavation.

I. Hazardous Atmospheres

The ***Responsible Person*** will test the atmosphere in excavations over five (5) feet deep if a hazardous atmosphere exists or could reasonably be expected to exist. A hazardous atmosphere could be expected, for example, in excavations in landfill areas, areas where hazardous

substances are stored nearby, or near areas containing gas pipelines.

1. Adequate precautions shall be taken to prevent employee exposure to atmospheres containing less than 19.5 percent oxygen and other hazardous atmospheres. These precautions include providing proper respiratory protection or forced ventilation of the workspace.

2. Forced ventilation or other effective means shall be used to prevent employee exposure to an atmosphere containing a flammable gas in excess of ten (10) percent of the lower flammability limit of the gas.

3. When controls are used that are intended to reduce the level of atmospheric contaminants to acceptable levels, continuous air monitoring will be performed by the ***Responsible Person***. The device used for atmospheric monitoring shall be equipped with an audible and visual alarm.

4. Atmospheric testing will be performed using a properly calibrated direct reading gas monitor. Direct reading gas detector tubes or other acceptable means may also be used to test potentially toxic atmospheres.

5. Each atmospheric testing instrument shall be calibrated by the ***Responsible Person*** on a schedule and in the manner recommended by the manufacturer. In addition:

   a. Any atmospheric testing instrument that has not been used within 30 days shall be recalibrated prior to use.

   b. Each atmospheric testing instrument shall be calibrated at least every six (6) months.

6. Each atmospheric testing instrument will be field checked immediately prior to use to ensure that it is operating properly.

J. Personal Protective Equipment

1. All employees working in trenches or excavations shall wear approved hardhats and steel-toed shoes or boots.

2. Employees exposed to flying fragments, dust or other materials produced by drilling, sawing, sanding, grinding, and similar operations shall wear approved safety glasses with side shields.

3. Employees performing welding, cutting, or brazing operations, or are exposed to the hazards produced by these tasks, shall wear approved spectacles or a welding faceshield or helmet, as determined by the ***Responsible Person***.

4. Employees entering bell-bottom pier holes or other similar deep and confined footing excavations shall wear a harness with a lifeline securely attached to it. The lifeline shall be separate from any line used to handle materials and shall be individually attended at all times while the employee wearing the lifeline is in the excavation.

5. Employees shall wear, as determined by the ***Responsible Person***, approved gloves or other suitable hand protection.

6. Employees using or working in the immediate vicinity of hammer drills, masonry saws, jackhammers, or similar high-noise producing equipment shall wear suitable hearing protection, as determined by the ***Responsible Person***.

7. Each employee working at the edge of an excavation six (6) feet or more deep shall be protected from falling. Fall protection shall include guardrail systems, fences, barricades, covers, or a tie-back system meeting OSHA requirements, as determined by the ***Responsible Person***.

8. Emergency rescue equipment, such as breathing apparatus, a safety harness and line, and a basket stretcher, shall be readily available where hazardous atmospheric conditions exist or may develop during work in an excavation. This equipment shall be attended when in use. Only personnel who have received approved training and have appropriate equipment shall attempt retrieval that would require entry into a hazardous atmosphere. If entry into a known hazardous atmosphere must be performed, then the ***Responsible Person*** shall be given advance notice so that the hazards can be evaluated and rescue personnel placed on standby if necessary.

K. Walkways and Guardrails

Walkways shall be provided where employees or equipment are permitted to cross over excavations. Guardrails shall be provided where walkways, accessible only to on-site project personnel, are six (6) feet or more above lower levels.

L. Protection from Water Accumulation Hazards

1. Employees are not permitted to work in excavations that contain or are accumulating water unless precautions have been taken to protect them from the hazards posed by water accumulation. Precautions may include special support or shield systems to protect from cave-ins, water removal to control the level of accumulating water, or use of safety harnesses and lifelines.

2. If water is controlled or prevented from accumulating by the use of water removal equipment, the water removal equipment and operation shall be monitored by a person trained in the use of that equipment.

3. If excavation work interrupts the natural drainage of surface water (such as streams), diversion ditches, dikes, or other suitable means shall be used to prevent surface water from entering the excavation. Precautions shall also be taken to provide adequate drainage of the area adjacent to the excavation. Excavations subject to runoff from heavy rains shall be reinspected by the ***Responsible Person*** after each rain incident to determine if additional precautions, such as special support or shield systems to protect from cave-ins, water removal to control the level of accumulating water, or use of safety harnesses and lifelines, should be used.

4. The ***Responsible Person*** shall inform affected workers of the precautions or procedures that are to be followed if water accumulates or is accumulating in an excavation.

M. Stability of Adjacent Structures

The ***Responsible Person*** will determine if the excavation work could affect the stability of adjoining buildings, walls, sidewalks, or other structures.

1. Support systems (such as shoring, bracing, or underpinning) shall be used to assure the stability of structures and the protection of employees where excavation operations could affect the stability of adjoining buildings, walls, or other structures.

2. Excavation below the level of the base or footing of any foundation or retaining wall that could be reasonably expected to pose a hazard to employees shall not be permitted, except when:

a. a support system, such as underpinning, is provided to ensure the safety of employees and the stability of the structure;

b. the excavation is in stable rock;

c. a registered professional engineer has approved the determination that the structure is sufficiently removed from the excavation so as to be unaffected by the excavation activity; or

d. a registered professional engineer has approved the determination that such excavation work will not pose a hazard to employees.

3. Sidewalks, pavements, and appurtenant structures shall not be undermined unless a support system or other method of protection is provided to protect employees from the possible collapse of such structures.

4. Where review or approval of a support system by a registered professional engineer is required, the ***Responsible Person*** shall secure this review and approval in writing before the work begins.

N. Protection from Falling Objects and Loose Rocks or Soil

1. Adequate protection shall be provided to protect employees from loose rock or soil that could pose a hazard by falling or rolling from an excavation face. Such protection shall consist of:

a. scaling to remove loose material;

b. installation of protective barricades, such as wire mesh or timber, at appropriate intervals on the face of the slope to stop and contain falling material; or

c. benching sufficient to contain falling material.

2. Excavation personnel shall not be permitted to work above one another where the danger of falling rock or earth exists.

3. Employees shall be protected from excavated materials, equipment, or other materials that could pose a hazard by falling or rolling into excavations.

4. Protection shall be provided by keeping such materials or equipment at least two (2) feet from the edge of excavations, by use of restraining devices that are sufficient to prevent materials or equipment from falling or rolling into excavations, or by a combination of both if necessary.

5. Materials and equipment may, as determined by the ***Responsible Person***, need to be stored further than two (2) feet from the edge of the excavation if a hazardous loading condition is created on the face of the excavation.

6. Materials piled, grouped, or stacked near the edge of an excavation must be stable and self-supporting.

O. Inspection by Program Manager

1. The Program Manager, the ***Responsible Person***, shall conduct daily inspections of excavations, adjacent areas, and protective systems for evidence of a situation that could result in possible cave-ins, failure of protective systems, hazardous atmospheres, or other hazardous conditions. An inspection shall be conducted by the ***Responsible Person*** prior to the start of work and as needed throughout the shift. Inspections shall also be made after every rainstorm or other hazard-increasing occurrence. These inspections are only required when the trench will be or is occupied by employees.

2. Where the ***Responsible Person*** finds evidence of a situation that could result in a possible cave-in, failure of protective systems, hazardous atmosphere, or other hazardous conditions, exposed employees shall be removed from the hazardous area until precautions have been taken to assure their safety.

3. The ***Responsible Person*** shall maintain a written log of all inspections conducted. This log shall include the date, work site location, results of the inspection, and a summary of any action taken to correct existing hazards.

V. PROTECTIVE SYSTEM REQUIREMENTS

A. Protection of Employees

1. Employees in an excavation shall be protected from cave-ins by using either an adequate sloping and benching system or an adequate support or protective system. The only exceptions are:

a. excavations made entirely in stable rock; or

b. excavations less than five (5) feet in depth where examination of the ground by the ***Responsible Person*** provides no indication of a potential cave-in.

2. Protective systems shall be capable of resisting all loads that could reasonably be expected to be applied to the system.

B. Design of Sloping and Benching Systems

The slope and configuration of sloping and benching systems shall be selected and constructed by the ***Responsible Person*** in accordance with the following options:

1. Allowable configurations and slopes

a. Excavations shall be sloped at an angle no steeper than one and one-half (1 ½) horizontal to one (1) vertical (34 degrees measured from the horizontal), unless one of the options listed below is used.

b. Slopes shall be properly excavated depending on soil type as shown in 29 CFR 1926, Subpart P, Appendix B.

2. Determination of slopes and configurations using 29 CFR 1926, Subpart P, Appendices A and B

The maximum allowable slopes and allowable configurations for sloping and benching systems shall meet the requirements set forth in these appendices.

3. Designs using other tabulated data

The design of sloping or benching systems may be selected from, and shall be constructed in accordance with, other tabulated data, such as tables and charts. The tabulated data used must be in written form and include the following:

a. Identification of the factors that affect the selection of a sloping or benching system.

b. Identification of the limits of the use of the data, including the maximum height and angle of the slopes determined to be safe.

c. Other information needed by the user to make correct selection of a protective system.

d. At least one copy of the tabulated data that identifies the registered professional engineer who approved the data shall be maintained at the jobsite during construction of the protective system. After that time, the data may be stored off the jobsite, and shall be maintained by the ***Responsible Person***.

4. Design by a registered professional engineer

a. Sloping or benching systems designed in a manner other than those described

in the preceding three options shall be approved by a registered professional engineer.

b. Designs shall be in written form and shall include at least the following information:

i. the maximum height and angle of the slopes that were determined to be safe for a particular project; and

ii. the identity of the registered professional engineers who approved the design.

c. At least one copy of the design shall be maintained at the jobsite while the slope is being constructed. After that time, the design may be stored off the jobsite, and shall be maintained by the ***Responsible Person***.

C. Design of Support, Shield, and Other Protective Systems

The design of support systems, shield systems, and other protective systems shall be selected and constructed by the ***Responsible Person*** in accordance with the following requirements:

1. Designs using 29 CFR 1926, Subpart P, Appendices A, C and D

a. Timber shoring in trenches shall be designed in accordance with the requirements of the OSHA guidelines.

b. Aluminum hydraulic shoring shall be designed in accordance with the manufacturer's tabulated data or the requirements of the OSHA guidelines.

2. Designs using manufacturer's tabulated data

a. Support systems, shield systems, and other protective systems designed from manufacturer's tabulated data shall be constructed and used in accordance with all specifications, recommendations, and limitations issued or made by the manufacturer.

b. Deviation from the specifications, recommendations, and limitations issued or made by the manufacturer shall be allowed only after the manufacturer issues specific written approval.

c. Manufacturer's specifications, recommendations, and limitations, as well as the manufacturer's written approval to deviate from the specifications, recommendations, and limitations, shall be kept in written form at the jobsite during construction of the protective system(s). After that time, the information may be stored off the jobsite, and shall be maintained by the ***Responsible Person***.

3. Designs using other tabulated data

Designs of support systems, shield systems, and other protective systems shall be selected from and constructed in accordance with tabulated data, such as tables and charts.

a. The tabulated data shall be in written form and shall include all of the following:

i. identification of the factors that affect the selection of a protective system drawn from such data;

ii. identification of the limits of the use of such data; and

iii. information needed by the user to make a correct selection of a protective system from the data.

b. At least one written copy of the tabulated data, which identifies the registered professional engineer who approved the data, shall be maintained at the jobsite during construction of the protective system. After that time, the data may be stored off the jobsite, and shall be maintained by the ***Responsible Person***.

4. Design by a registered professional engineer

Support systems, shield systems, and other protective systems designed in a manner other than the preceding three options shall be approved by a registered professional engineer.

a. Designs shall be in written form and shall include:

i. a plan indicating the sizes, types, and configurations of the materials to be used in the protective system; and

ii. the identity of the registered professional engineer who approved the design.

b. At least one copy of the design shall be maintained at the jobsite during construction of the protective system. After that time, the design may be stored off the jobsite, and shall be maintained by the ***Responsible Person***.

D. Materials and Equipment

1. Materials and equipment used for protective systems shall be free from damage or defects that might affect their proper function.

2. Manufactured materials and equipment used for protective systems shall be used and maintained in accordance with the recommendations of the manufacturer, and in a manner that will prevent employee exposure to hazards.

3. When materials or equipment used for protective systems are damaged, the ***Responsible Person*** shall ensure that these systems are examined by a competent person

to evaluate suitability for continued use. If the competent person cannot assure that the material or equipment is able to support the intended loads or is otherwise suitable for safe use, then such material or equipment shall be removed from service. The material or equipment shall then be evaluated and approved by a registered professional engineer before being returned to service.

E. Installation and Removal of Supports

1. General

a. Members of support systems shall be securely connected together to prevent sliding, falling, kickouts, or other potential hazards.

b. Support systems shall be installed and removed in a manner that protects employees from cave-ins, structural collapses, or from being struck by members of the support systems.

c. Individual members of the support systems shall not be subjected to loads exceeding those that they were designed to support.

d. Before temporary removal of individual support members begins, additional precautions shall be taken as directed by the ***Responsible Person*** to ensure the safety of employees (i.e., the installation of other structural members to carry the loads imposed on the support system).

e. Removal of support systems shall begin at, and progress from, the bottom of the excavation. Members shall be released slowly. If there is any indication of possible failure of the remaining members of the structure or possible cave-in of the sides of the excavation, the work shall be halted until it can be examined by the ***Responsible Person***.

f. Backfilling shall progress in conjunction with the removal of support systems from excavations.

2. Additional Requirements

a. Excavation of material to a level no greater than two (2) feet below the bottom of the members of a support system is allowed, but only if the system is designed to resist the forces calculated for the full depth of the trench. There shall be no indications of a possible loss of soil from behind or below the bottom of the support system while the trench is open.

b. Installation of a support system shall be closely coordinated with the excavation of trenches.

F. Sloping and Benching System

Employees are not permitted to work above other employees in the faces of sloped or benched systems, except when employees at lower levels are protected from the hazards of falling,

rolling, or sliding material or equipment.

G. Shield Systems

1. General

a. Shield systems shall not be subjected to loads that are greater than those they are designed to withstand.

b. Shields shall be installed in a manner that will restrict lateral or other hazardous movement of the shield and could occur during cave-in or unexpected soil movement.

c. Employees shall be protected from the hazard of cave-ins when entering or exiting the areas protected by shields.

d. Employees are not permitted in trenches when shields are being installed, removed, or moved vertically.

2. Additional Requirements

a. Excavation of material to a level no greater than two (2) feet below the bottom of the shield system is allowed, but only if the system is designed to resist the forces calculated for the full depth of the trench.

b. There shall be no indications of a possible loss of soil from behind or below the bottom of the shield system while the trench is open.

VI. ACCIDENT INVESTIGATIONS

All incidents that result in injury to workers, as well as near misses, regardless of their nature, shall be reported and investigated. Investigations shall be conducted by the ***Responsible Person*** as soon after an incident as possible to identify the cause and means of prevention to eliminate the risk of reoccurrence.

In the event of such an incident, the Excavation Safety Program shall be reevaluated by the ***Responsible Person*** to determine if additional practices, procedures, or training are necessary to prevent similar future incidents.

VII. CHANGES TO PROGRAM

Any changes to the Excavation Safety Program shall be approved by the ***Responsible Person***, and shall be reviewed by a qualified person as the job progresses to determine additional practices, procedures, or training needs necessary to prevent injuries. Affected employees shall be notified of procedure changes, and trained if necessary. A copy of this program shall be maintained at the jobsite by the ***Responsible Person***.

VIII. GLOSSARY

Accepted engineering practices: the standards of practice required by a registered professional

engineer.

Aluminum hydraulic shoring: a manufactured shoring system consisting of aluminum hydraulic cylinders (crossbraces) used with vertical rails (uprights) or horizontal rails (wales). This system is designed to support the sidewalls of an excavation and prevent cave-ins.

Bell-bottom pier hole: a type of shaft or footing excavation, the bottom of which is made larger than the cross section above to form a bell shape.

Benching system: a method of protecting employees from cave-ins by excavating the sides of an excavation to form one or more horizontal steps, usually with vertical or near-vertical surfaces between levels.

Cave-in: the movement of soil or rock into an excavation, or the loss of soil from under a trench shield or support system, in amounts large enough to trap, bury, or injure and immobilize a person.

Competent person: a person who has been trained to identify hazards in the workplace, or working conditions that are unsafe for employees, and who has the authority to have these hazards corrected.

Cross braces: the horizontal members of a shoring system installed from side to side of the excavation. The cross braces bear against either uprights or wales.

Excavation: any man-made cut, cavity, trench, or depression in an earth surface formed by earth removal.

Faces or sides: the vertical or inclined earth surfaces formed as a result of excavation work.

Failure: the movement or damage of a structural member or connection that makes it unable to support loads.

Hazardous atmosphere: an atmosphere that is explosive, flammable, poisonous, corrosive, oxidizing, irritating, oxygen deficient, toxic, or otherwise harmful, that may cause death, illness, or injury.

Kickout: the accidental movement or failure of a cross brace.

Program Manager: the individual within the company who oversees excavation work and is responsible for assuring compliance with this program.

Protective system: a method of protecting employees from cave-ins, from material that could fall or roll from an excavation face into an excavation, or from the collapse of adjacent structures. Protective systems include support systems, sloping and benching systems, shield systems, and other systems that provide the necessary protection.

Ramp: an inclined walking or working surface that is used to gain access to one point from another. A ramp may be constructed from earth or from structural materials such as steel or wood.

Sheeting: the members of a shoring system that retain the earth in position and in turn are supported by other members of the shoring system.

Shield system: a structure used in an excavation to withstand cave-ins and which will protect employees working within the shield system. Shields can be permanent structures or portable units moved along as work progresses. Shields used in trenches are usually referred to as **trench boxes** or **trench shields**.

Shoring system: a structure that is built or put in place to support the sides of an excavation to prevent cave-ins.

Sides: see **faces**.

Sloping system: sloping the sides of an excavation away from the excavation to protect employees from cave-ins. The required slope will vary with soil type, weather, and surface or near surface loads that may affect the soil in the area of the trench (such as adjacent buildings, vehicles near the edge of the trench, etc.).

Soil – Type "A": Cohesive soils with an unconfined, compressive strength of 1.5 ton per square foot (tsf) (144 kPa) or greater. Examples of cohesive soils are: clay, silty clay, sandy clay, clay loam and, in some cases, silty clay loam and sandy clay loam. Cemented soils such as caliche and hardpan are also considered Type A. However, no soil is Type A if:

i. The soil is fissured; or
ii. The soil is subject to vibration from heavy traffic, pile driving, or similar effects; or
iii. The soil has been previously disturbed; or
iv. The soil is part of a sloped, layered system where the layers dip into the excavation on a slope of four horizontal to one vertical (4H:1V) or greater; or
v. The material is subject to other factors that would require it to be classified as a less stable material.

Soil – Type "B":

i. Cohesive soil with an unconfined compressive strength greater than 0.5 tsf (48 kPa) but less than 1.5 tsf (144 kPa); or
ii. Granular cohesionless soils including: angular gravel (similar to crushed rock), silt, silt loam, sandy loam and, in some cases, silty clay loam and sandy clay loam.
iii. Previously disturbed soils except those which would otherwise be classed as Type C soil.
iv. Soil that meets the unconfined compressive strength or cementation requirements for Type A, but is fissured or subject to vibration; or
v. Dry rock that is not stable; or
vi. Material that is part of a sloped, layered system where the layers dip into the excavation on a slope less steep than four horizontal to one vertical (4H:1V), but only if the material would otherwise be classified as Type B.

Soil – Type "C":

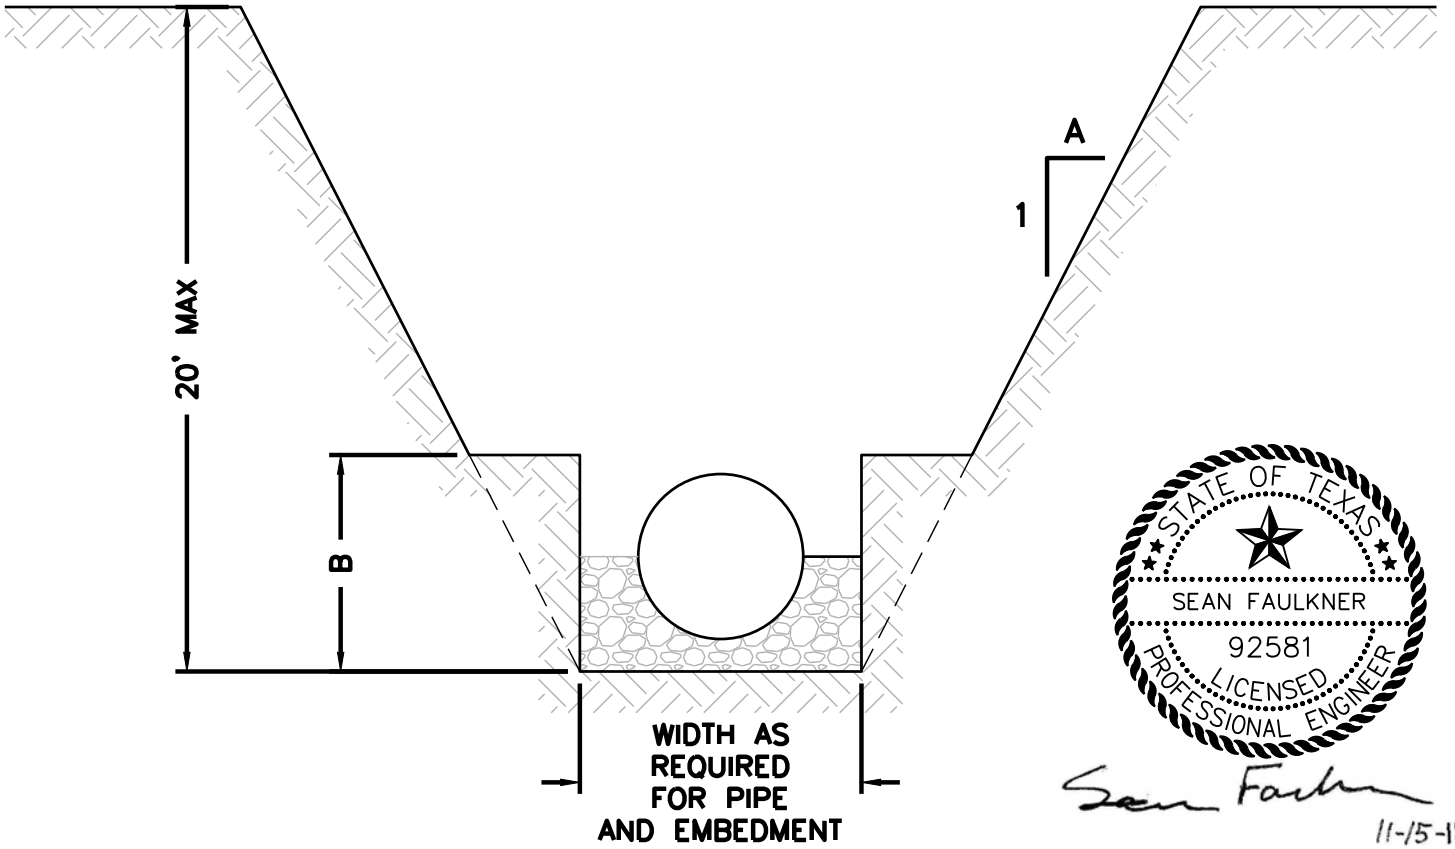
i. Cohesive soil with an unconfined compressive strength of 0.5 tsf (48 kPa) or less; or
ii. Granular soils including gravel, sand, and loamy sand; or
iii. Submerged soil or soil from which water is freely seeping; or

iv. Submerged rock that is not stable, or
v. Material in a sloped, layered system where the layers dip into the excavation or a slope of four horizontal to one vertical (4H:1V) or steeper.

Stable rock: natural solid mineral material that can be excavated with vertical sides that will remain intact while exposed.

Structural ramp: a ramp built of steel or wood, usually used for vehicle access. Ramps made of soil or rock are not considered structural ramps.

Support system: a structure used as underpinning, bracing or shoring, which provides support to an adjacent structure, underground installation, or the sides of an excavation.



Tabulated data: tables and charts approved by a registered professional engineer and used to design and construct a protective system.

Trench: a narrow excavation (in relation to its height) made below the surface of the ground.

Trench box or trench shield: see **shield**.

Uprights: the vertical members of a trench shoring system placed in contact with the earth and usually positioned so the individual members do not contact each other. Uprights placed so that individual members are closely spaced, in contact with or interconnected to each other, are often called **sheeting**.

Wales: horizontal members of a shoring system placed in the direction of the excavation face whose sides bear against the vertical members of the shoring system or earth (the uprights or sheeting**).**

CITY OF ROCKWALL

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, *City Manager* Mary Smith, *Assistant City Manager* Joey Boyd, *Assistant City Manager*
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	Z2019-001; *Amendment to Article IV, Permissible Uses, of the UDC to amend Guest Quarters/Secondary Living Units and to add Barns or Agricultural Accessory Buildings to the Land Use Charts and Land Use Standards*

On January 7, 2019, the City Council directed staff to amend the *Land Use Standards* contained in Article IV, *Permissible Uses*, of the UDC to allow *guest quarters/secondary living units* not meeting the requirements stated in the *Land Use Standards* the ability to request a Specific Use Permit (SUP). In addition, the City Council also directed staff to create a land use for *Barns or Agricultural Accessory Buildings*. This direction came in response to a request by Dewayne Cain to amend the code to allow an ~4,950 SF, metal barn that would contain a storage area for eight (8) vehicles and a *guest quarters/secondary living facility* (*i.e. the facility includes all components of a residential living unit [e.g. kitchen, bathroom, etc.]*) on a property zoned Agricultural (AG) District.

Currently, the UDC does allow *guest quarters/secondary living units* in an Agricultural (AG) District pending they are [*1*] accessory uses to the primary use (*i.e. single family home*), [*2*] not to exceed 30% of the area of the main structure, and [*3*] that they cannot be sold or conveyed separately without meeting the requirements of the zoning district and subdivision ordinance; however, the code does not address *guest quarters/secondary living units* that do not meet these standards. In other residential zoning districts (*i.e. SF-8.4, SF-7, ZL-5 and 2F*) this use is only allowed through a Specific Use Permit (SUP), which gives the City Council the discretion to grant these even if they do not meet the requirements. Based on the City Council's direction staff proposes to change the code as follows (with the *highlighted, italics* areas indicating the changes):

Residential and Lodging

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
A	A	A	A	A	S	S	S	S	P	Guest Quarters/Secondary Living Unit +								

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

Guest quarters/secondary living unit.

(1) Guest quarters or secondary living unit*s* may be allowed on a property in a residential ~~*or commercial*~~ zoning district provided that it is ancillary *to a single family home* ~~*the primary use and that only one such facility is provided*~~.

(2) The area of such quarters shall not exceed 30 percent of the area of the main structure.

(3) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the subdivision ordinance.

(4) Guest quarters or secondary living units not meeting the requirements stated above shall require a Specific Use Permit (SUP).

These changes would allow *guest quarters/secondary living units* not meeting the requirements the ability to request a Specific Use Permit (SUP) in the AG, SF-E, SF-1, SF-16, SF-10, and MF districts.

The purpose of creating a *Barns or Agricultural Accessory Buildings* land use came about due to the fact that the current code does not allow accessory buildings in an Agricultural (AG) District. According to Article IV, *Permissible Uses*, of the UDC:

Residential and Lodging

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
	P	P	P	P	P	P	P	P	P	Accessory Building +		P	P	P	P	P	P	P

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

The purpose of this is to incentivize smaller properties (*i.e. properties less than ten [10] acres in size and considered to be legally non-conforming*) to zone in accordance with the Future Land Use Plan, bringing them into conformance with the UDC. Without this requirement, it would be difficult for the City to incentivize smaller properties to change their zoning, which could have the effect of leaving small spots of Agricultural (AG) District zoning on non-conforming lots throughout the City. To address this, the City Council has directed staff to establish a new land use (*e.g. barn/agricultural accessory building*), which would allow larger buildings in the Agricultural (AG) District. Based on this direction the new land use would be created as follows (with the ***highlighted, italics*** areas indicating the changes):

Rural and Animal Related

AG	SF-E	SF-1	SF-16	SF-10	SF-8.4	SF-7	ZL-5	2F	MF-14	← Residential Zoning Districts Commercial Zoning Districts → Land Use ↓	DT	RO	NS	GR	C	HC	LI	HI
S										*Barn or Agricultural Accessory Building+*								

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

Barn or Agricultural Accessory Building. A *Barn or Agricultural Accessory Building* is a building that is located on a property that is a minimum of ten (10) acres in size, zoned Agricultural (AG) District, and is intended to be used to store agricultural equipment used for animal production, crop production and/or other agricultural related uses.

(1) A *Barn or Agricultural Accessory Building* is a minimum of 2,000 SF and a maximum of 4,999 SF in total size (*i.e. under roof*).
(2) A *Barn or Agricultural Accessory Building* is exempt from the masonry requirements stipulated by Section 7.01, *Residential District Development Standards*.
(3) The *Barn or Agricultural Accessory Building* shall be located behind the front façade of the primary structure, and be subject to the same building setbacks as the primary structure.

At the meeting on January 7, 2019, the City Council did have a discussion concerning allowing these structures *by-right* as opposed to by Specific Use Permit (SUP); however, staff is obligated to mention that allowing these structures by-right would directly conflict with the City Council's recent action concerning *Case No. Z2018-053*. This case involved a structure that was constructed illegally without a building permit. The structure itself incorporated two (2) logistics containers, connected by wood siding, and covered by a metal roof. This case was ultimately denied by the City Council; however, should the ordinance be passed allowing *Barn or Agricultural Accessory Buildings* by-right, the structure would meet all the criteria and would be permitted to remain on the property after applying for a building

permit. With this being said, any changes to the code are discretionary to the City Council pending a recommendation by the Planning and Zoning Commission.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff brought the proposed text amendment forward to the Planning and Zoning Commission for a recommendation to the City Council. On February 12, 2019, the Planning and Zoning Commission approved a motion to recommend approval of the proposed changes -- *with Barn or Agricultural Accessory Buildings being allowed through a Specific Use Permit (SUP) in the Agricultural (AG)* District -- by a vote of 7-0. Attached to this case memo is a draft ordinance outlining the proposed changes. Staff has sent out a 15-day notice to the Rockwall Herald Banner in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. Should the City Council have any questions or further direction concerning this text amendment, staff will be available at the meeting on *February 19, 2019* to discuss.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING ARTICLE IV, *PERMISSIBLE USES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*]; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That Article IV, *Permissible Uses,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibit 'A'* of this ordinance.

SECTION 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code [*Ordinance No. 04-38*], and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF MARCH, 2019.

A: Accessory; P: Permitted By-Right; S: Specific Use Permit

SECTION 2: USE STANDARDS

Section 2.1.1: Rural and Animal Related

Barn or Agricultural Accessory Building. A *Barn or Agricultural Accessory Building* is a building that is located on a property that is a minimum of ten (10) acres in size, zoned Agricultural (AG) District, and is intended to be used to store agricultural equipment used for animal production, crop production and/or other agricultural related uses.

(1) A *Barn or Agricultural Accessory Building* is a minimum of 2,000 SF and a maximum of 4,999 SF in total size (*i.e. under roof*).
(2) A *Barn or Agricultural Accessory Building* is exempt from the masonry requirements stipulated by Section 7.01, *Residential District Development Standards*.
(3) The Barn or Agricultural Accessory Building shall be located behind the front façade of the primary structure, and be subject to the same building setbacks as the primary structure.

Section 2.1.2: Residential and Lodging Use Conditions

Guest quarters/secondary living unit.

(1) Guest quarters or secondary living units may be allowed on a property in a residential ~~*or commercial*~~ zoning district provided that it is ancillary *to a single family home* ~~*the primary use and that only one such facility is provided*~~.
(2) The area of such quarters shall not exceed 30 percent of the area of the main structure.
(3) No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the subdivision ordinance.
(4) Guest quarters or secondary living units not meeting the requirements stated above shall require a Specific Use Permit (SUP).

CITY OF ROCKWALL

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, *City Manager* Mary Smith, *Assistant City Manager* Joey Boyd, *Assistant City Manager*
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	Z2018-056; *Zoning Change for Friendship Baptist Church (AG to LI)*

On February 4, 2019, the City Council voted to approve the applicant's request for a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District by a vote of 6-1, with Council Member Hohenshelt dissenting. This will be the second reading of the ordinance.

CITY OF ROCKWALL

ORDINANCE NO. 19-11

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT ON A 6.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2-4 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Tom Jones on behalf of Susan Thomas of Rockwall Friendship Baptist Church for a change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District on a 6.03-acre tract of land identified as Tract 2-4 of the D. Harr Survey, Abstract No. 103, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District and more fully depicted in *Exhibit 'A'* and described in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code (UDC) [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Light Industrial (LI) District;

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District as stipulated in Section 1.1*, Use of Land and Buildings,* of Article IV*, Permissible Uses* and Subsection 5.02*, Light Industrial (LI) District,* of Article V*, District Development Standards,* of the Unified Development Code (UDC) [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein;

SECTION 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00)* for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code (UDC) of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable; and

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect;

SECTION 7. That this ordinance shall take effect immediately from and after its passage**.**

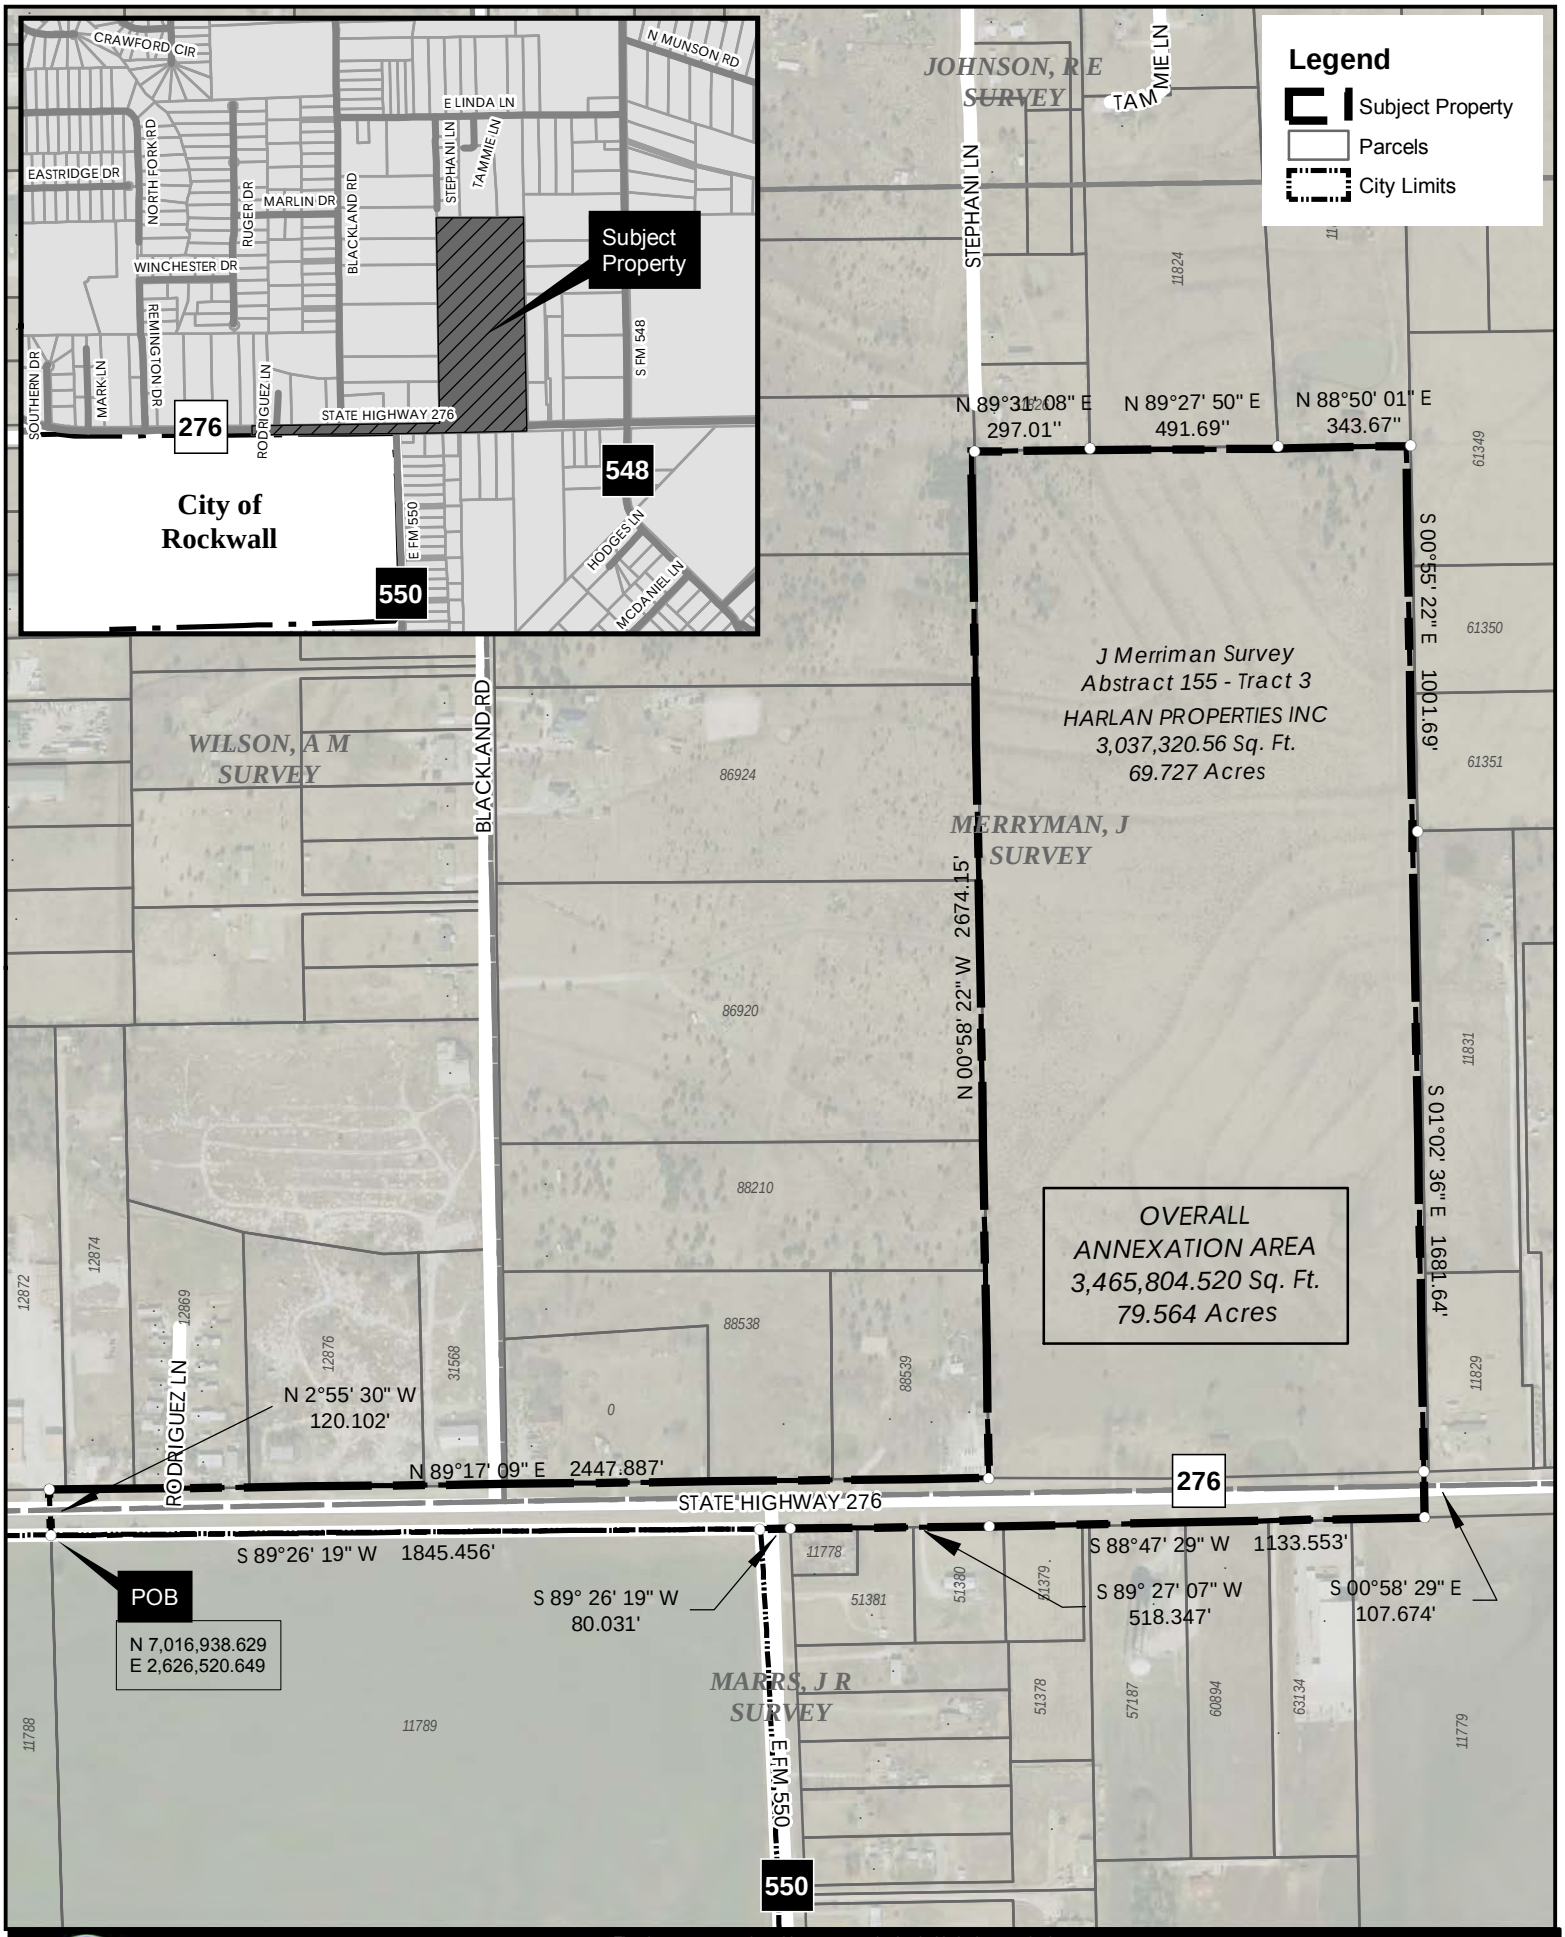
CITY COUNCIL MEMORANDUM



PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Mayor and City Council
CC:	Rick Crowley, City Manager Mary Smith, Assistant City Manager Joey Boyd, Assistant City Manager
FROM:	Ryan Miller, *Director of Planning and Zoning*
DATE:	February 19, 2019
SUBJECT:	A2018-005.; *Harlan Properties, Inc.*

On February 19, 2019, the City Council will be considering the first reading of an annexation ordinance proposing the voluntary annexation of 69.679-acres of land located north and northeast of the intersection of FM-550 and SH-276 and located within the City's Extraterritorial Jurisdiction (ETJ). Suresh Shridharani on behalf of Harlan Properties, Inc. is requesting the annexation for the purpose of incorporating the property into the City of Rockwall to develop a residential subdivision. Staff should note, that since the property is not contiguous to the City's corporate limits, an additional 9.885-acres of SH-276 right-of-way will also need to be annexed along with the subject property. This is depicted in the attached *Annexation Map/Property Boundary* exhibit.

The City Council conducted the required hearings (*i.e. first and second*) on January 22 2019, and staff has followed the procedures for annexations as set forth in Chapter 43, *Municipal Annexations*, of the Texas Local Government Code (TLGC) with regard to notifying affected property owners and publishing notices in the newspaper and on the City's website. Attached to this memorandum is a location map, service plan, and draft ordinance for the proposed annexation. The service plan has been made available to the public at City Hall.

The first reading of the annexation ordinance is scheduled for *February 19, 2019*, and the second (*and final*) reading of the ordinance is scheduled for *March 4, 2019*.

CITY OF ROCKWALL

ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 79.564-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2 OF THE J. MERRIMAN SURVEY, ABSTRACT NO. 155, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on January 22 2019, at 6:00 p.m. and on January 22 2019, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas, with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories;

BEING, a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line north and northeast of the intersection of FM-550 and SH-276, depicted and described in *Exhibit 'A'* of this ordinance:

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on November 16, 2018 and posted on the City of Rockwall's website on January 4 2019 said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 76.564-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically depicted in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 79.564-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County, Texas and the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

DRAFT ORDINANCE 03.04.19

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the *Public Hearings* referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF MARCH, 2019.

DRAFT ORDINANCE 03.04.2019

DRAFT 01.07.19

216

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-005
City and County of Rockwall, Texas

Acreage Annexed: 79.564-acres

Survey Abstract and County: Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: March 4, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

DRAFT ORDINANCE 03-04-19

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

DRAFT ORD 08-04-19

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are

DRAFT ORDINANCE 09.04.19

219

determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

Cc: **Honorable Mayor and City Council Members**

FROM: **Kenneth Cullins, Fire Chief**

DATE: **February 13, 2019**

SUBJECT: **S.A.F.E.R. Grant Application**

The FY2018 Staffing for Adequate Fire and Emergency Response (SAFER) Grant application period runs from February 15, 2019 to March 22, 2019. The SAFER Grant Program, in part, is designed to provide funding directly to fire departments and volunteer firefighter interest organizations to assist in increasing the number of firefighters to help communities meet industry minimum standards. The grant is a three year program. In the first and second years it pays for 75% of the usual annual cost of a first-year firefighter. In the third year it covers 35% of the usual annual cost of a first-year firefighter. The city picks up the entire cost of the member after the third year.

The current strategic plan for the Rockwall Fire Department includes consideration for increasing on-duty staffing levels. Specifically, the plan considers increasing staffing by 3 personnel each of the next four years. For council's consideration is the direction to staff to apply for a FY 2018 SAFER grant in order to offset the cost of hiring additional personnel.

Rockwall, Texas

Proclamation

Whereas, Shriners Hospitals for Children is a national non-profit organization that is committed to giving children an opportunity to live more normal lives; and

Whereas, Shriners for Children helps kids receive treatment for orthopedic problems, severe burns and spinal cord injuries while providing them with a head start in developing a normal life, regardless of their ability to pay; and

Whereas, the opportunities provided by Shriners for Children enable kids to become successful, contributing adults later in life; and

Whereas, Shriners Hospitals have provided medical and rehabilitative care to millions of children at their many orthopedic hospitals, treating scoliosis, brittle bone disease, hand and back problems, limb deficiencies and growth problems; and

Whereas, on Tues., March 12th Shriners Hospitals for Children and I.H.O.P. will join together to encourage people to donate to these worthy causes.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim **March 12, 2019** as

SHRINERS HOSPITALS FOR CHILDREN

"FLIP IT FORWARD FOR KIDS" DAY

in the City of Rockwall and urge all citizens to participate in this important campaign to help transform a stack of I.H.O.P. pancakes into free treatment for children with orthopedic problems and severe burns within our community.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of March, 2019.

Jim Pruitt, Mayor

MINUTES

ROCKWALL CITY COUNCIL REGULAR MEETING

Tuesday, February 19, 2019 - 4:00 PM

City Hall Council Chambers - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pro Tem Fowler called the public meeting to order at 6:00 p.m. Present were Mayor Pro Tem Kevin Fowler and Council Members Patrick Trowbridge, John Hohenshelt, and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Joey Boyd and the city's legal counsel, Patrick Lindner. Council Members Dana Macalik and Trace Johannesen were absent from the meeting. Mayor Pruitt arrived to the meeting at 6:16 p.m. as noted below.

II. WORK SESSION

1. Hold a work session to discuss and consider implementing the use of a tool created by the Planning and Zoning Department in conjunction with zoning cases, and take any action necessary.

Planning Director Ryan Miller addressed the Council concerning this work session item. He shared general details pertaining to a tool that has been created that will help with conducting cost/benefit analyses for zoning cases. Overall, Council seemed to be in favor of the tool and provided positive feedback overall. Council took no action as a result of this work session discussion.

2. Hold a work session to discuss and consider strategies for the IH-30 Corridor as stated in the IH-30 Corridor Planning Study, and take any action necessary.

Mr. Miller also spoke to the Council concerning this work session agenda item. He shared both "defensive" and "offensive" strategies concerning future development (and redevelopment) of the portion of IH-30 that runs through the City of Rockwall. Trends related to "big box stores" and retailers, in general, were discussed. Council did not express any specific concerns about the information Mr. Miller presented. No formal action was taken as a result of these discussions.

3. Hold work session to discuss the "Staffing and Adequate Fire and Emergency Response" (S.A.F.E.R.) Grant Program through the Federal Emergency Management Agency (F.E.M.A.)

Fire Chief Kenneth Cullins came forth and addressed Council concerning this work session item. He explained that this grant program helps communities meet industry minimum standards and attain 24-hour staffing to provide adequate protection from fire and fire-related hazards, and to fulfill traditional missions of fire departments. He generally indicated that staff would like to evaluate Council's interest in city staff potentially submitting a grant application on behalf of the Rockwall Fire Department, specifically for staffing. He explained that it is a 3-year grant program, and the grant would pay:

- Year 1 – 75% of the annual cost of a first-year firefighter
- Year 2 – 75% of the annual cost of a first-year firefighter
- Year 3 – 35% of the annual cost of a first-year firefighter
- Year 4 and beyond – City picks up 100% of the cost

Staff shared information on projected base salary and benefits package costs to fund 12 personnel (through taking advantage of grant funding). Chief Cullins explained that this proposal, if the grant funds were awarded, would bring minimum staffing to 12 (3 per each of the city's four fire stations). Following the discussion, Mayor Pro Tem Fowler pointed out that this topic appears later on this evening under "Action Items." No action was taken at this time.

At 5:11 p.m., Mayor Pro Tem Fowler read the below discussion items into the public record before recessing the meeting to go into Executive Session.

III. Executive Session.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects, projects, and/or incentives pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

IV. Adjourn Executive Session

Council adjourned from Executive Session at 5:35 p.m.

V. Reconvene Public Meeting (6:00 p.m.)

Mayor Pro Tem Fowler reconvened the public meeting at 6:00 p.m. (Mayor Pruitt and Councilmembers Macalik and Johannesen were absent). Mayor Pruitt joined the meeting at 6:16 p.m. (just prior to "Action Items"), as noted below.

VI. Take Any Action as a Result of Executive Session

Mayor Pro Tem Fowler indicated that no action was needed as a result of Executive Session.

VII. Invocation and Pledge of Allegiance – Councilmember Trowbridge

Councilmember Trowbridge delivered the invocation and led the Pledge of Allegiance.

VIII. (Blank / Omitted)

IX. Open Forum

Mayor Pro Tem Fowler explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed Open Forum.

X. Consent Agenda

1. Consider approval of the minutes from the February 4, 2019 regular city council meeting, and take any action necessary.
2. Z2018-058 - Consider request by Tim McCallum of He Wines She Dines, LLC on behalf of Buffalo Creek Business Park, LTD for the approval of an ordinance for a Specific Use Permit (SUP) for a Craft Winery and Commercial Amusement/Recreation (Outdoor) on a 7.2-acre tract of land identified as Tracts 20-01 & 20-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 203 County Line Road, and take any action necessary. (2nd Reading)
3. Consider authorizing City Manager to negotiate and execute a facility use agreement with Lake Pointe Sports and take any action necessary.
4. Consider adopting official logo for the "Free Live Music Capital of North Texas," and take any action necessary.
5. Consider authorizing the City Manager to execute a professional engineering services contract with Kimley-Horn and Associates, Inc. to perform the engineering design services and specifications for the W. Boydstun Avenue (Forest Trace to S. Goliad Street) and Forest Trace (S. Lakeshore Drive to W. Boydstun Avenue) Reconstruction Project in an amount not to exceed $532,000.00, to be paid for by 2018 Street Bond funds and water/wastewater funds, and take any action necessary.
6. Consider authorizing the City Manager to execute a professional engineering services contract with Burgess & Niple, Inc. to perform the engineering design and construction plans for the Squabble Creek Sanitary Sewer Interceptor Rehabilitation Phase 3 Project in an amount not to exceed $30,000.00 to be funded by water/wastewater funds, and take any action necessary.
7. Consider authorizing the City Manager to execute a professional engineering services contract with Freese & Nichols, Inc. to perform the engineering design services and specifications for the N. Alamo Road (Live Oak Street to Downtown Couplet) Reconstruction Project in an amount not to exceed $360,580.00, to be funded by the 2018 Street Bond funds and water/wastewater funds, and take any action necessary.
8. Consider a request by Matt Moore of ClayMoore Engineering, Inc. for the approval of an alternative tree mitigation plan in conjunction with an approved site plan for for a multi-tenant office/warehouse complex on a 7.52-acre portion of a larger 9.76-acre tract of land identified as Lot 18 and the south portion of Lot 19, Rainbow Acres Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 407 Ranch Trail, and take any action necessary.

Councilman Hohenshelt moved to approve the entire Consent Agenda (#s 1, 2, 3, 4, 5, 6, 7, and 8). Councilmember Daniels seconded the motion. The ordinance caption was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-10
SPECIFIC USE PERMIT NO. S-205

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A *CRAFT WINERY* AND *COMERCIAL AMUSEMENT/RECREATION (OUTDOOR)* ON A 7.2-ACRE TRACT OF LAND, ADDRESSED AS 203 COUNTY LINE ROAD AND BEING IDENTIFIED AS TRACTS 20-01 & 20-07 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL

COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 4 ayes with 3 absent (Macalik, Pruitt and Johannesen).

XI. APPOINTMENT ITEMS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the city's P&Z Commission, Johnny Lyons, came forth and briefed Council on recommendations of the Commission relative to the planning-related item on tonight's meeting agenda. No questions were asked, no discussion took place, and no action was taken as a result of Mr. Lyons' comments.

2. Appointment with Ralph Oltmann, President of Mclenco Construction Services, Inc. to hear request concerning temporary closure of Laguna Drive related to Hyatt Place construction, and take any action necessary.

Mr. Ralph Oltmann
1320 Buffalo Pass
Waco, TX 76712

Mr. Oltmann came forth and shared that he is seeking permission from the Council for a temporary road closure of Laguna Drive for some construction-related work that needs to be performed. Following Mr. Oltmann's brief comments, Councilmember Daniels made a motion to approve the request for the temporary road closure of Laguna Drive, as requested. Councilman Trowbridge seconded the motion, which passed by a vote of 4 ayes with 3 absences (Macalik, Pruitt and Johannesen).

XII. PUBLIC HEARING ITEMS

1. Z2019-001 - Hold a public hearing to discuss and consider approval of an ordinance for a text amendment to Article IV, Permissible Uses, and Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating standards for a Barn or Agricultural Accessory Building and to amend the land use conditions for the Guest Quarters/Secondary Living Unit land use, and take any action necessary (1st Reading).

Planning Director Ryan Miller provided brief background information pertaining to this agenda item, sharing that the City Council directed staff to create a land use for Barns or Agricultural Accessory Buildings. This came after receiving a request from Dewayne Cain to amend the code to allow an ~4,950 SF, metal barn that would contain a storage area for eight (8) vehicles and a guest quarters/secondary living facility (i.e. the facility includes all components of a residential living unit [e.g. kitchen, bathroom, etc.]) on a property zoned Agricultural (AG) District.

Mayor Pro Tem Fowler opened the public hearing and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Following brief discussion, Councilmember Daniels moved to approve Z2019-001. Mayor Pro Tem Fowler seconded the motion. The ordinance caption was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING ARTICLE IV, *PERMISSIBLE USES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 4 ayes with 3 absences (Macalik, Pruitt and Johannesen).

Mayor Pruitt arrived to the meeting at this time (6:16 p.m.)

XIII. ACTION ITEMS

1. Z2018-056 - Discuss and consider a request by Tom Jones on behalf of Shanon Thomas of Rockwall Friendship Baptist Church for the approval of an ordinance for a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard, and take any action necessary (2nd Reading).

Mayor Pro Tem Fowler moved to approve Z2018-056. Councilmember Trowbridge seconded the motion. The ordinance caption was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT ON A 6.03-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2-4 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DEPICTED IN *EXHIBIT 'A'* AND FURTHER DESCRIBED IN *EXHIBIT 'B'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 4 ayes, 1 nay (Hohenshelt) and 2 absences (Macalik and Johannesen).

2. A2018-005 - Discuss and consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of an ordinance for the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary (1st Reading).

Planning Director Ryan Miller provided background information pertaining to this agenda item. On February 19, 2019, the City Council will be considering the first reading of an annexation ordinance proposing the voluntary annexation of 69.679-acres of land located north and northeast of the intersection of FM-550 and SH-276 and located within the City's Extraterritorial Jurisdiction (ETJ). Suresh Shridharani on behalf of Harlan Properties, Inc. is requesting the annexation for the purpose of incorporating the property into the City of Rockwall to develop a residential subdivision. Staff should note, that since the property is not contiguous to the City's corporate limits, an additional 9.885-acres of SH-276 right-of-way will also need to be annexed along with the subject property. The City Council conducted the required hearings (first and second) on January 22 2019, and staff has followed the procedures for annexations as set forth in Chapter 43, Municipal Annexations, of the Texas Local Government Code (TLGC) with regard to notifying affected property owners and publishing notices in the newspaper and on the City's website.

Indication was given that the applicant has given preliminary indication that they would like to utilize this area for residential homes with septic tank service. Discussion ensued pertaining to one acre versus one-and-a-half acre residential lots. Mayor Pruitt pointed out that if this developer built this subdivision while "in the county," they would have to do so on 1.5 acre lots; however, if the city annexes this area, they have the ability to ask for approval of 1 acre lots (with septic) instead. This would, of course, be at the Council's discretion.

Councilmember Hohenshelt moved to approve A2018-005. Councilmember Trowbridge seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 79.564-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2 OF THE J. MERRIMAN SURVEY, ABSTRACT NO. 155, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 4 ayes, 1 against (Pruitt) and 2 absences (Macalik and Johannesen).

3. Discuss and consider authorizing staff to submit application to the "Staffing and Adequate Fire and Emergency Response" (S.A.F.E.R.) Grant Program on behalf of the Rockwall Fire Department, and take any action necessary.

Councilmember Daniels moved to authorize staff to move forward with submission of the grant application. Mayor Pro Tem Fowler seconded the motion, which passed unanimously of those present (Macalik and Johannesen absent).

XIV. Executive Session

The City of Rockwall City Council will Recess into Executive Session to discuss the following matters as authorized by Chapter 551 of the Texas Government Code:

1. Discussion regarding Economic Development prospects, projects, and/or incentives pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XV. Reconvene Public Meeting & Take Any Action as Result of Executive Session

Council did not reconvene in Executive Session following the close of the public meeting agenda.

XVI. Adjournment

Mayor Pro Tem Fowler adjourned the meeting at 6:30 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 4th DAY OF MARCH, 2019.

CITY OF ROCKWALL

ORDINANCE NO. 19-12

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING ARTICLE IV, *PERMISSIBLE USES* TO AMEND THE LAND USE STANDARDS FOR *GUEST QUARTERS/SECONDARY LIVING UNITS*, AND TO ADD A LAND USE FOR *BARNS OR AGRICULTURAL ACCESSORY BUILDINGS* ; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*]; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That Article IV, *Permissible Uses,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibit 'A'* of this ordinance.

SECTION 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars ($2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code [*Ordinance No. 04-38*], and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF MARCH, 2019.

Jim Pruitt, Mayor

CITY OF ROCKWALL

ORDINANCE NO. 19-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 79.564-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2 OF THE J. MERRIMAN SURVEY, ABSTRACT NO. 155, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on January 22 2019, at 6:00 p.m. and on January 22 2019, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas, with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories;

BEING, a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line north and northeast of the intersection of FM-550 and SH-276, depicted and described in *Exhibit 'A'* of this ordinance:

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on November 16, 2018 and posted on the City of Rockwall's website on January 4 2019 said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 76.564-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically depicted in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 79.564-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County, Texas and the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the *Public Hearings* referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF MARCH, 2019.

This description is intended to follow any adjacent recorded tract lines and existing City Limits or Road Right of Way lines.

END OF DESCRIPTION.

Exhibit 'A'
Legal Description/Location Map

SERVICE PLAN FOR ANNEXED AREA

Annexation Case No. A2018-005
City and County of Rockwall, Texas

Acreage Annexed: 79.564-acres

Survey Abstract and County: Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas

Date of Adoption of Annexation Ordinance: March 4, 2019

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

(A) Police Services

(1) Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.

(2) As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(B) Fire Services

(1) Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.

(2) As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

(C) Health and Code Compliance Services

(1) Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel. *Complaints of ordinance or regulation violations within this area will be responded and investigated by existing personnel beginning with the effective date of the annexation ordinance.*

(2) The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

(3) The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.

(4) All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.

(5) As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

(D) Planning and Zoning Services

(1) The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

(E) Recreation and Leisure Services

(1) Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.

(2) Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

(F) Solid Waste Collection

(1) Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

(G) Streets

(1) The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.

(2) As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.

(3) The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

(H) Water Services

(1) Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.

(2) Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.

(3) Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(4) Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

(I) Sanitary Sewer Services

(1) Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.

(2) Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.

(3) Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

(4) Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are

determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

(J) Public Utilities

(1) Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

(K) Miscellaneous

(1) General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

Cc: **Rick Crowley, City Manager**

Mary Smith, Assistant City Manager

FROM: **Kenneth Cullins, Fire Chief**

DATE: **February 22, 2019**

SUBJECT: **Update to Fire Department First Responder Organization (FRO) Agreement**

During a recent review of the Rockwall Fire Department FRO agreement with Rockwall County EMS the City Attorney made some edits to the language in the following sections of the agreement:

- Article 1, sections 18 and 19
- Article 2, sections 6, 7, and 8

The edits will not materially change the manner in which the FRO program operates.

For council's consideration is the authorization for City Manager Rick Crowley to sign the new agreement.

FIRST RESPONDER AGREEMENT FOR EMERGENCY MEDICAL SERVICE BETWEEN CITY OF ROCKWALL AND ROCKWALL COUNTY EMS

Whereas, the City of Rockwall Fire Department (First Responder) and Rockwall County EMS (Provider) are licensed by the Texas Department of State Health Services (TDSHS) as Emergency Medical Providers; and

Whereas, the City of Rockwall Fire Department is holding or seeking registration or re-registration by the Texas Department of State Health Services;

Rockwall County EMS, and the City of Rockwall Fire Department, a first responder organization agree to the following:

ARTICLE I
First Responder and Provider Responsibilities

1. First Responder personnel shall respond twenty-four hours per day, seven days a week for EMS assists.

2. The First Responder shall receive notification of calls via the Rockwall Police Department communications center.

3. First Responder personnel response codes policies shall be prescribed by the Rockwall Fire Department Standard Operating Guidelines.

4. The Provider will assist the First Responder in the development of written protocols and procedures.

5. First Responder patient care shall be done following the protocols and procedures approved by the Medical Director for the Provider.

6. The Provider will assist the First Responder in developing a Quality Assurance Program.

7. The Provider will provide the First Responder Quality Assurance Template.

8. A written report shall be given to responding EMS unit anytime RFD makes patient contact prior to EMS arrival. The written report shall contain at a minimum patient name, chief complaint, pre hospital care provided, dispatch and arrival time and FRO personnel providing care.

9. In the event EMS personnel are unable to obtain patient refusals due to multiple patient care, RFD may obtain refusal signature(s) using appropriate paperwork provided by the EMS Provider.

30

10. First Responders shall be responsible for maintaining written and verbal patient confidentiality.

11. The First Responder shall be held to the same standards of professional ethics, behavior, demeanor and patient care as the Provider.

12. Only the First Responder personnel currently certified, at minimum, at the EMT-Basic level by TDSHS or non-certified responders who have completed the EMS Provider's Medical Director's training curriculum will perform patient care.

13. When on the scene, all of the First Responder personnel will be identified by at least the following: Rockwall Fire Department, first initial and last name of the individual and the level of TDSHS certification.

14. The equipment and supplies will be listed and have written approval by the Medical Director for the Provider.

15. First Responder shall provide all equipment used in patient treatment. The Provider shall replace all supplies used by the First Responder in the course of treatment including oxygen. Equipment and supplies will be inventoried, recovered from the scene if possible or from EMS central office as soon as the run is over, stored and maintained in an appropriate manner. The First Responder will not carry or use ALS supplies.

16. First Responder personnel shall not practice beyond their individual training and shall not exceed the BLS level of patient care outlined in the protocols and procedures.

17. Provider personnel on scene will be in charge of patient care.

18. Anytime First Responder personnel are requested to accompany the Provider in transporting the patient to the hospital they will do so including driving Provider's ambulance in order to allow two paramedics to treat the patient. Upon Paramedic Supervisor request there will be a maximum of one responder per engine allowed to accompany EMS to the Hospital.

19. The Provider shall not be responsible for care rendered, accidents, injuries, exposures or any liability involving First Responder Personnel, equipment, or vehicles. The First Responder shall not be responsible for care rendered, accidents, injuries, exposures or any liability involving Provider Personnel, equipment or vehicles.

20. First Responder personnel are not only allowed, but also invited to attend the Provider monthly CE meetings. Provider will be responsible for all AED, CRP and Protocol training/testing.

21. FRO personnel have the authority to disregard the EMS Provider when the following scenarios are present:

    a. No sick/no injured
    b. Unable to Locate (UTL)

22. **Patient Information.** On the arrival of Providers' ambulance, patient care will be released from the First Responders to the Providers' personnel with the following information:

    a. Description of situation upon arrival;
    b. Patient condition, vital signs, known past and present medical history, medications and allergies;
    c. Care rendered and the patient's response to that care.

23. **Patient Care Forms.** The First Responders will ensure that Patient Care forms are available at every scene, and properly filled out for every patient, including "no transports". Requests for completed patient care forms must be made to the First Responders' Fire Chief and a copy of the completed patient care report form will be sent to the requesting Provider within ten (10) days of the request. The First Responders will maintain copies of all patient report forms.

24. First Responders have the authority to terminate Providers' responding ambulances, in the event of the following, once patient contact is initiated:

    a. Obvious death
    b. Patient refusal as determined by the Provider.

    If the First Responder terminated the Provider response, then the First Responder will responsible for full documentation of the incident.

ARTICLE II
Miscellaneous

I. **Provider Liability.** The Provider will not be liable for patient care rendered, training accidents, injuries, exposures or any liability involving First Responders' personnel, equipment, supplies or vehicles.

2. If any party of this Agreement is sued by a third party for any acts or omissions arising from the performance of this Agreement, the Parties may be a "Governmental Unit" as that term is defined in Section 101.001 (3) of the Texas Civil Practice Code. The Parties further understand and agree that such Parties are entitled to the rights, protections and limitations which Title 5 of the Texas Civil Practice and Remedies Code provides for Governmental Units, including the limitations offered under Chapter 10I of the Texas Civil Practice and Remedies Code.

3. Each party further agrees to defend, at its own expense, and on behalf of itself and the other party, any claim or litigation brought against it in connection with any such injury, death, or damage caused solely through the negligent or other wrongful conduct of either entity in carrying out this Agreement.

4. This Agreement will be interpreted according to the laws of the State of Texas. Venue of any court action brought directly or indirectly by reason of this Agreement shall be in Rockwall County, Texas.

5. This Agreement constitutes the final and entire agreement between the parties. It contains all of the terms and conditions agreed upon. No other agreements, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind the parties. This Agreement may be amended by the mutual written agreement of the Parties.

6. Neither this agreement nor any duties or obligations hereunder shall be assignable by any party without the prior written consent of all other party and any assignment without the written consent of a non-assigning party shall be null and void.

7. Term & Effective Date. This Agreement shall become effective on the last date of execution following the approval of this Agreement by the Parties and shall expire on the expiration date of the Provider contract with the Rockwall County Emergency Services Corporation.

8. Notwithstanding the term of the Agreement, either party shall have the right to terminate said agreement upon thirty days' (30) written notice to the other party.

This agreement was executed on the ___ day of_____2018.

E. Boydstun Avenue and
Throckmorton Street Reconstruction
City Contract No. CIP2015-007 & 2015-008

Change Order No. 4

Description and Reason for Change:

This change order is result of the following:

- Items 7, 30A, 42A, 49 and 52A: Additional driveway work, flexbase and drainage pipe and inlets at the east side of E. Boydstun Avenue to fix existing drainage issues.
- Item 44, 50A: Install new 5' curb inlet in fix ponding (bird bath) area at E. Boydstun Avenue/Clark Street Intersection.
- Item 61: Additional 12" Gate Valve added for isolation of water system.
- Item 125: Stairs needed for 501 and 505 E Boydstun Avenue.
- Item 126: Additional pedestrian railing quantity due to change in height requirements and finish type.
- Item 3, 17, 17A, 18, 18A, 20, 22 and 53: These Items quantities where reduce due to less being installed the called out in the contract.
- Items 21, 23, 24, 48, 55, 96, 114, 121, and 124: Additional Quantity was install/constructed due to the ordinal contract quantity being too low.
- Item 86: No smoke testing require for project. Item quantity set to zero.
- Item 30B: Variable Height curb added to back of sidewalk where grade drop of required it.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Mayor and Council Members

FROM: Hotel Occupancy Tax Sub-committee Members
Mary Smith, Assistant City Manager

DATE: March 1, 2019

SUBJECT: Terry Fisher American Legion Post 117 Application

The City received an application for hotel occupancy taxes for a WWII commeration to be held on May 18th during Founders Day activities. Last year the American Legion focused on WWI Armistice's Day and this year will focus on the 75th Anniversary of the D-Day invasion of France. The initial request was for $1,050 and the Post has since requested an additional $250 for "jumpers" from a WWII era plane. Their total request is for $1,300.

Prior to Council action on the above, the Hotel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 17,904**
Budgeted Revenues	**833,000**
Previously Allocated Funding	**(509,660)**
Projected Fund Balance	**$ 341,244**

Subcommittee members, Dana Macalik, Kevin Fowler, and Bennie Daniels can answer any questions the Council may have regarding their recommendation. Council is asked to consider approving the funding as recommended by the subcommittee.

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☐ **Advertising/Tourism** **Requested funding amount $**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☑ **Historical** **Requested funding amount $** 1050.00
Providing historical restoration, preservation, programs and + 250.
encouragement to visit preserved historic sites or museums located in the
City of Rockwall. # 1,300

2. Describe the program or event for the upcoming fiscal year (Oct. 1 2018 - Sept. 30, 2019) that you are requesting Hotel Tax funding. What is your event and why are you having it? 75th Anniversary of D-Day

3. How does the event/program meet the definition of the categories listed in Item No. 1 above (promotion of tourism and the hotel industry in the City of Rockwall)?
Historical re enactment + recognition

4. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
(Yes) Name location: Founders day, Harry Myers Park

5. Will your organization provide special event insurance coverage for the event/program if held on City property?
Yes Name of Insurance Company:

6. Provide 3 years attendance history for the above listed programs, activities, exhibits or event described in Item No. 2 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms

42

7. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C). National American Legion web site

8. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.
   a) Separate checking account without combining with any other revenues or maintained in any other bank account or
   b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

   Will the organization be able to segregate the accounting process in either a) or b) above? Yes

9. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number
Exhibit E	W-9 Form https://www.irs.gov/pub/irs-pdf/fw9.pdf?
Exhibit F	Form 1295 https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a/ result of this application will be used for the purpose set for herein and the program guidelines.

Subject: Request for support for Founders Day for Terry Fisher American Legion Post 117
Importance: High

Honorable City Officials

The Terry Fisher Post will present another ambitious exhibit during 2019 Founders Day. The Following segments will be part of our exhibit.

1. 100th Anniversary of The Terry Fisher Post which was founded in 1919.
2. 75th Anniversary of the D-Day Invasion in France
3. Obstacle Course for kids
4. Information about the American Legion which is also 100 years old in 2019

With the emphasis on Historical information and preservation of our past, the Post respectfully.requests the following financial support:c

1. Banner and posters	$250
2. Obstacle Course and Landing craft replica	$375
3. DDay museum support	$240
4. Prints of original members of the Post from 1919	$125
Total	$980

+60 filming cost

Respectfully

Mike Donegan

Form **W-9**
(Rev. December 2014)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give Form to the requester. Do not send to the IRS.

Print or type
See Specific Instructions on page 2.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Terry Fisher American Legion Post 117

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification; check only **one** of the following seven boxes:
☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate
☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=partnership) ▶
Note. For a single-member LLC that is disregarded, do not check LLC; check the appropriate box in the line above for the tax classification of the single-member owner.
☑ Other (see instructions) ▶ **501c(19)**

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
Exempt payee code (if any)
Exemption from FATCA reporting code (if any)
(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.)
P.O.Box 821

Requester's name and address (optional)

6 City, state, and ZIP code
Rockwall, TX 75032

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Social security number
			–			–				

or

Employer identification number
0	8	–	0	1	4	4	1	7	9

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

Sign Here Signature of U.S. person ▶ [signature] Date ▶ 5 April 2018

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at *www.irs.gov/fw9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, City Secretary / Assistant to the City Manager**

DATE: **March 1, 2019**

SUBJECT: **Cancelling May 4, 2019 General Election**

Included in the packet for Council's consideration is an ordinance cancelling the May 4, 2019 General Election. The Mayor (Pruitt) and City Council Members for Places 1 (Daniels), 3 (Fowler), and 5 (Macalik) did not draw any opponents by the February 15 filing deadline.

Term of office for the unopposed mayor and council members will commence on May 20, 2019 after the Oath of Office has been administered and executed.

Staff will be available to answer any questions the Council may have.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 19-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF MAYOR AND CITY COUNCILMEMBER PLACE 1, CITY COUNCILMEMBER PLACE 3, AND CITY COUNCILMEMBER PLACE 5, AS ELECTED; PROVIDING THAT THE MAY 4, 2019 GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas adopted Resolution No. 19-03 on February 4, 2019, ordering a general election to be held on May 4, 2019, for the purpose of electing a Mayor and three additional city officials - City Councilmember Place 1, City Councilmember Place 3, and City Councilmember Place 5; and

WHEREAS, pursuant to Sections 143.007 and 146.054, Texas Election Code, the deadline for filing applications for a place on the ballot and declaration of write-in candidacy for the City's general election have expired; and

WHEREAS, the City Secretary, in accordance with Section 2.052, Texas Election code, has certified in writing, attached hereto as Exhibit 'A', to the City Council that Jim Pruitt is unopposed for election to the office of Mayor; Bennie Daniels is unopposed for election to the office of Councilmember Place 1; Kevin Fowler is unopposed for election to the office of Councilmember Place 3, and Dana K. Macalik is unopposed for election to the office of Councilmember Place 5; and

WHEREAS, the City Council herby finds and determines that the candidates whose names were to appear on the ballot in said election are unopposed, that there are no declared write-in candidates, and that no propositions are to appear on the ballot for said election.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct;

Section 2. In accordance with Section 2.053(a), Texas Election Code, the following unopposed candidates are hereby declared duly elected to the respective offices for a term of two years and shall be issued a certificate of election following the date on which the general election for Councilmembers would have otherwise been held:

- Jim Pruitt - Mayor
- Bennie Daniels - Councilmember, Place 1
- Kevin Fowler - Councilmember, Place 3
- Dana K. Macalik - Councilmember, Place 5

Section 3. Pursuant to Section 2.053(b), Texas Election code, the general municipal election for Mayor and Councilmember Place 1, Councilmember Place 3, and Councilmember Place 5 called and ordered by Resolution No. 19-03, for May 4, 2019, shall not be held and is hereby cancelled.

Section 4. The City Secretary is hereby directed to cause a copy of this Ordinance to be posted on Election Day, same being May 4, 2019, at all posting places that would have been used in said election.

Section 5. Term of office for the unopposed Mayor and Councilmembers shall commence on May 20, 2019 after the Oath of Office has been administered and executed.

Section 6. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

Section 7. The Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

Section 8. Should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

Section 9. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

Section 10. This ordinance shall take effect immediately upon its second reading as required by the City Charter, Section 3.11.

PRESENTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 4th DAY OF MARCH, 2019.

Jim Pruitt, Mayor

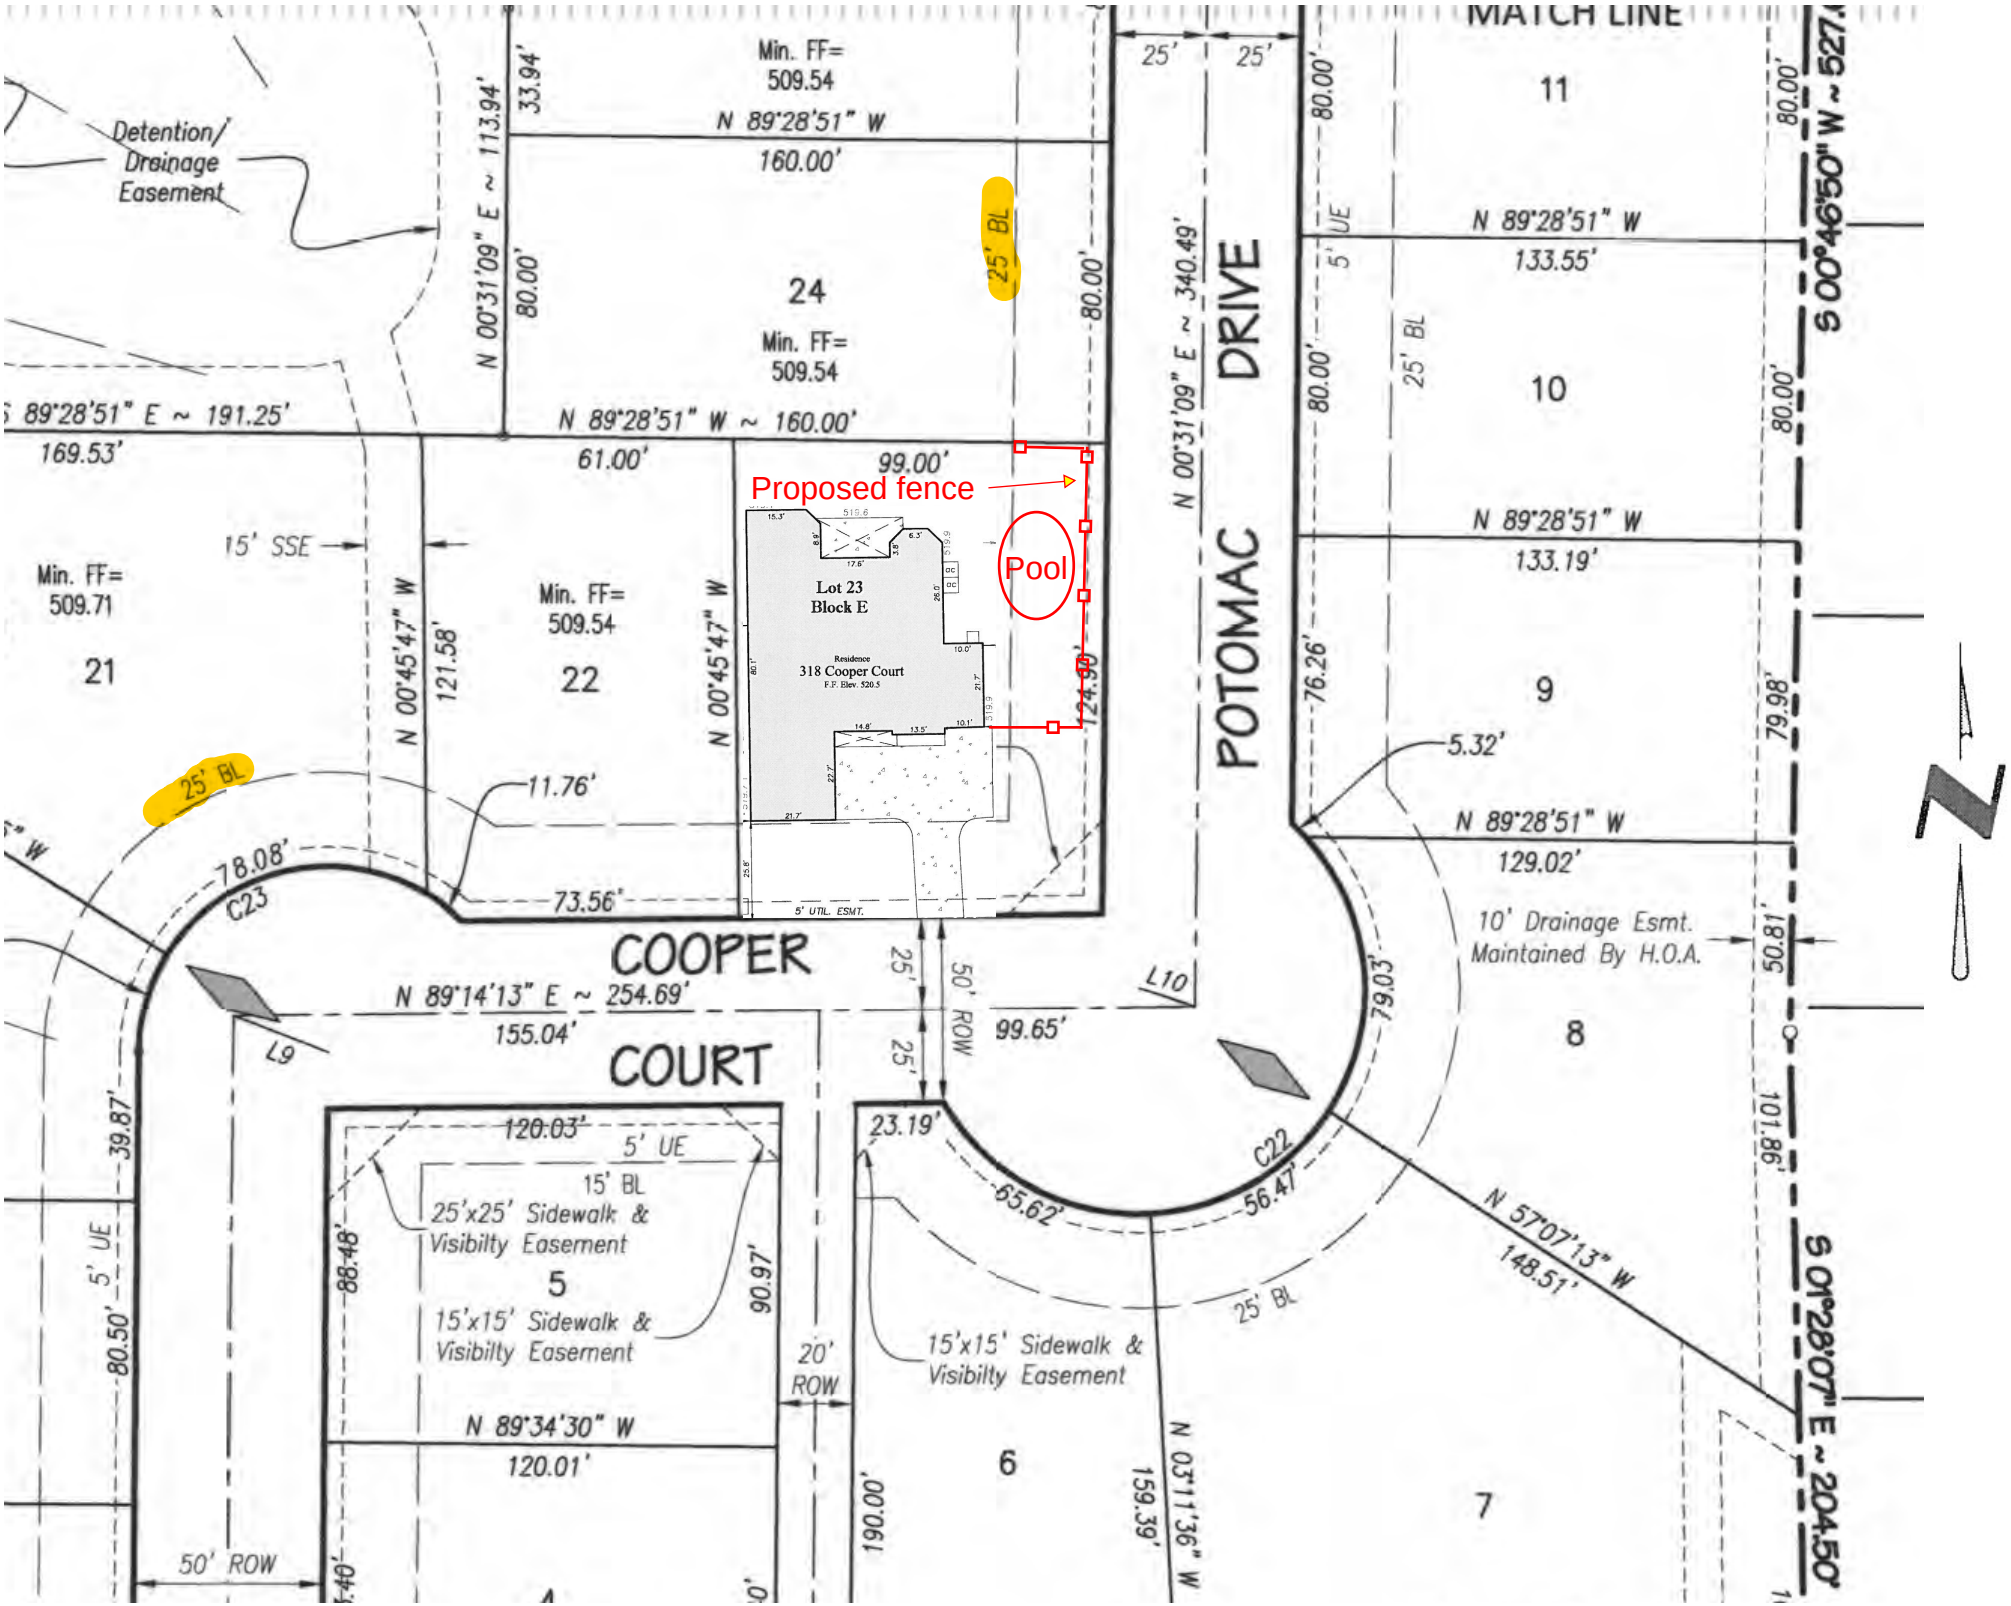
MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **March 4, 2019**



SUBJECT: **Special permit request for a front yard fence at 318 Cooper Court**

Phillip and Mary Weber have requested to appear before the Council to seek approval of a special permit for a front yard fence for their property located at 318 Cooper Court, within The Preserve Phase 1.

Mr. and Mrs. Weber would like to build a 48" wrought iron fence within the front yard of the property to provide the required pool barrier for a proposed pool.

The Weber's property has a double frontage, with a required 25' building line setback. Therefore, the proposed fence location is considered a front yard fence, necessitating City Council approval. The Weber's propose to build a swimming pool in the location depicted on the attached exhibit. Their rear yard is fairly shallow and a drainage swale crosses the rear yard taking drainage from the west to Potomac Drive. Therefore, a very limited area exists to construct a pool within their rear yard.

I am including a portion of the plat, showing the subject property and the proposed location for the pool and fence. In addition, I've provided pictures of the surrounding area for your review.

MINUTES

ROCKWALL CITY COUNCIL REGULAR MEETING

Monday, March 04, 2019 - 5:00 PM

City Hall Council Chambers - 385 S. Goliad St., Rockwall, TX 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 5:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Kevin Fowler and Council Members Patrick Trowbridge, Dana Macalik, and Trace Johannesen. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Joey Boyd and City Attorney Frank Garza. Councilmembers John Hohenshelt and Bennie Daniels were absent from the meeting. Mayor Pruitt read the discussion items listed below into the record before recessing the meeting to go into Executive Session at 5:00 p.m.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal advice concerning road construction facility agreement(s), pursuant to § Section 551.071 (Consultation with Attorney).
2. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to § Section 551.071 (Consultation with Attorney).
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

Council adjourned Executive Session at 5:34 p.m.

IV. RECONVENE PUBLIC MEETING 6:00 P.M.

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with five of the seven council members being present (Daniels and Hohenshelt were absent).

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MACALIK

Councilmember Macalik delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS

1. Shriners Hospitals for Children "Flip it Forward for Kids" Day

Mayor Pro Tem Fowler came forth and read and presented this proclamation to several Shriner's who were present to receive it. A fundraising event will be held on March 12 at the local I.H.O.P. restaurant, and everyone was encouraged to attend.

VIII. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed Open Forum.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the February 19, 2019 regular city council meeting, and take any action necessary.
2. **Z2019-001** - Consider approval of an **ordinance** for a text amendment to Article IV, Permissible Uses, and Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating standards for a Barn or Agricultural Accessory Building and to amend the land use conditions for the Guest Quarters/Secondary Living Unit land use, and take any action necessary **(2nd Reading)**.
3. **A2018-005** - Consider a request by Suresh Shridharani on behalf of the owner Harlan Properties Inc. for the approval of an **ordinance** for the annexation of a 79.564-acre tract of land identified as Tract 3 of the J. Merriman Survey, Abstract No. 155, Rockwall County, Texas, and take any action necessary **(2nd Reading)**.
4. Consider authorizing staff to execute an amended "First Responder Organization (FRO) Agreement" with Medic Rescue ("Rockwall County EMS") on behalf of the city and the Rockwall Fire Department, and take any action necessary.
5. Authorize the City Manager to execute the final Change Orders No. 4 for the additional contract amount of $103,142.34 with McMahon Contracting, L.P. for the E. Boydstun Avenue & Throckmorton Street Reconstruction Project and to be funded by Street Bond Fund and the Water / Sewer Fund, and take any action necessary.
6. Consider approval of a recommendation from the Hotel Occupancy Tax subcommittee for funding the Terry Fisher American Legion Post #117 commemoration of the 75th Anniversary of D-Day in the amount of $1,300, and take any action necessary.
7. Consider approval of an **ordinance** cancelling the May 4, 2019 General Election, and take any action necessary **(1st Reading).**

Mayor Pro Tem Fowler moved to approve the entire Consent Agenda (items # 1, 2, 3, 4, 5, 6, and 7). Councilman Johannesen seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 19-12

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING ARTICLE IV, *PERMISSIBLE USES* TO AMEND THE LAND USE STANDARDS FOR *GUEST QUARTERS/SECONDARY LIVING UNITS*, AND TO ADD A LAND USE FOR *BARNS OR AGRICULTURAL ACCESSORY BUILDINGS* ; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE;

PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 19-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF A 79.564-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2 OF THE J. MERRIMAN SURVEY, ABSTRACT NO. 155, ROCKWALL COUNTY, TEXAS, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 19-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF MAYOR AND CITY COUNCILMEMBER PLACE 1, CITY COUNCILMEMBER PLACE 3, AND CITY COUNCILMEMBER PLACE 5, AS ELECTED; PROVIDING THAT THE MAY 4, 2019 GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of those present (2 absent (Daniels and Hohenshelt)).

X. ACTION ITEMS

1. Discuss and consider a request from Phillip and Mary Weber for a special permit on a front yard fence to be located at 318 Cooper Court, and take any action necessary.

Building Official Jeffrey Widmer came forth and provided brief background information concerning this request for a front yard fence. Mr. Phillip Weber, 318 Cooper Court, (the applicant) then came forth and conveyed that he and his wife would like to construct this front yard fence for the purpose of enclosing a swimming pool they wish to build. Brief discussion took place pertaining to the proposed fence material, (which Mr. Weber indicated would be wrought iron) the drainage swale on the property, and feedback solicited and received from neighbors. Following brief discussion, Mayor Pruitt moved to approve the special permit as requested. Mayor Pro Tem Fowler seconded the motion, which passed by a vote of 5 ayes with 2 absences (Daniels and Hohenshelt).

XI. CITY MANAGER'S REPORT, DEPARTMENTAL REPORTS AND RELATED DISCUSSIONS PERTAINING TO CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

Building Inspections Monthly Report - January 2019
Fire Dept Monthly Report - January 2019
GIS Division Monthly Report - January 2019
Harbor PD Monthly Report - January 2019
Internal Operations Department Monthly Report - January 2019

Police Department Monthly Report - January 2019
Recreation Monthly Report - January 2019
Rockwall Animal Adoption Center Monthly Report - January 2019
STAR Transit Monthly Report - January 2019

2. City Manager's Report

City Manager Rick Crowley indicated that as of today, the NTMWD has begun its approximately 30 day maintenance program (not adding ammonia to the disinfection program, continuing to provide the same amount of chlorine). Any questions that the public may have may be addressed by the city manager, the assistant city managers, the supervisor over water operations, or the city engineer. Mayor Pruitt clarified that the same amount of chlorine will be present in the city's water system; however, the smell may be more noticeable to residents/water users over the course of the next thirty days or so. Mayor Pruitt briefly mentioned that the city council and staff recently attended "Rockwall County Days" in Austin to meet with our legislators, and it was a successful visit. He went on to point out that the City passed an order on tonight's Consent Agenda to cancel the May election since none of the incumbents drew any opponents. Also, the school district is able to cancel its election as well. So, those monies will be saved this year.

XII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal advice concerning road construction facility agreement(s), pursuant to § Section 551.071 (Consultation with Attorney).
2. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to § Section 551.071 (Consultation with Attorney).
3. Discussion regarding the appeal to the Public Utility Commission filed by the cities of Garland, Mesquite, Plano and Richardson against the North Texas Municipal Water District (NTMWD) regarding water rates pursuant to Section §551.071 (Consultation with Attorney)

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not reconvene in Executive Session following the close of the public meeting agenda.

XIV. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 6:17 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 18th DAY OF MARCH, 2019.

ATTEST: **Jim Pruitt, Mayor**

11

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 19-14

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF MAYOR AND CITY COUNCILMEMBER PLACE 1, CITY COUNCILMEMBER PLACE 3, AND CITY COUNCILMEMBER PLACE 5, AS ELECTED; PROVIDING THAT THE MAY 4, 2019 GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas adopted Resolution No. 19-03 on February 4, 2019, ordering a general election to be held on May 4, 2019, for the purpose of electing a Mayor and three additional city officials - City Councilmember Place 1, City Councilmember Place 3, and City Councilmember Place 5; and

WHEREAS, pursuant to Sections 143.007 and 146.054, Texas Election Code, the deadline for filing applications for a place on the ballot and declaration of write-in candidacy for the City's general election have expired; and

WHEREAS, the City Secretary, in accordance with Section 2.052, Texas Election code, has certified in writing, attached hereto as Exhibit 'A', to the City Council that Jim Pruitt is unopposed for election to the office of Mayor; Bennie Daniels is unopposed for election to the office of Councilmember Place 1; Kevin Fowler is unopposed for election to the office of Councilmember Place 3, and Dana K. Macalik is unopposed for election to the office of Councilmember Place 5; and

WHEREAS, the City Council herby finds and determines that the candidates whose names were to appear on the ballot in said election are unopposed, that there are no declared write-in candidates, and that no propositions are to appear on the ballot for said election.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct;

Section 2. In accordance with Section 2.053(a), Texas Election Code, the following unopposed candidates are hereby declared duly elected to the respective offices for a term of two years and shall be issued a certificate of election following the date on which the general election for Councilmembers would have otherwise been held:

- Jim Pruitt - Mayor
- Bennie Daniels - Councilmember, Place 1
- Kevin Fowler - Councilmember, Place 3
- Dana K. Macalik - Councilmember, Place 5

Section 3. Pursuant to Section 2.053(b), Texas Election code, the general municipal election for Mayor and Councilmember Place 1, Councilmember Place 3, and Councilmember Place 5 called and ordered by Resolution No. 19-03, for May 4, 2019, shall not be held and is hereby cancelled.

Section 4. The City Secretary is hereby directed to cause a copy of this Ordinance to be posted on Election Day, same being May 4, 2019, at all posting places that would have been used in said election.

Section 5. Term of office for the unopposed Mayor and Councilmembers shall commence on May 20, 2019 after the Oath of Office has been administered and executed.

Section 6. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

Section 7. The Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

Section 8. Should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

Section 9. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

Section 10. This ordinance shall take effect immediately upon its second reading as required by the City Charter, Section 3.11.

PRESENTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 18th DAY OF MARCH, 2019.

Jim Pruitt, Mayor

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Amy Williams, P.E., Director of Public Works/City Engineer**

DATE: **March 11, 2019**

SUBJECT: **SH 205 Speed Zone Study**

State Highway 205 (SH 205) from the downtown couplet north to the City's corporate boundaries is a two lane roadway maintained by the State of Texas through the Texas Department of Transportation (TxDOT). Staff requested TxDOT to perform a speed study along this roadway. Staff has received complaints from citizens regarding the speed of vehicles along SH 205. The current speed limit for SH 205 varies from 45 miles per hour (mph) north of the couplet to 55 miles per hour (mph) at the City's corporate limits.

Staff received a response letter from TxDOT dated February 4, 2019 with the attached speed zone study. The results of the speed study recommend reducing the speed limit along SH 205 from MP.575 (north of FM 552/Dalton Road) to MP.837 (the City's corporate limits) from 55 mph to 50 mph.

TxDOT requires an approved City Ordinance adopting the speed recommended by their study. Upon receiving the executed ordinance from the City, TxDOT will furnish and install the necessary speed limit signs at the appropriate locations along SH 205.

Staff requests City Council consider approving the attached ordinance which establishes the speed limit along SH 205 at 50 mph between MP .575 (north of FM 552/Dalton) and MP .837 (the City's corporate limits).

If you have any questions, please advise.

CITY OF ROCKWALL, TEXAS

ORDINANCE # 19-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF TRANSPORTATION CODE, SECTION 545.356 UPON STATE HIGHWAY 205 OR PARTS THEREOF, WITHIN THE CORPORATE LIMITS OF THE CITY OF ROCKWALL, TEXAS, AS SET FORTH IN THIS ORDINANCE; PROVIDING A PENALTY OF A FINE NOT TO EXCEED SUM OF $200.00 FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 545.356 of the Texas Transportation Code, provides that whenever the governing body of the City shall determine upon the basis of an engineering and traffic investigation that any prima facie speed therein set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City, taking into consideration that width and condition of the pavement and other circumstances such portion of said street or highway, as well as the traffic thereon, said governing body may determine and declare a reasonable and safe prima facie speed limit thereat or thereon by the passage of an ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. Upon the basis of an engineering and traffic investigation heretofore made as authorized by the provisions of Transportation Code, Section 545.356, the following prima facie speed limits hereafter indicated for vehicles are hereby determined and declared to be reasonable and safe; and such speed limits are hereby fixed at the rate of speed indicated for vehicles traveling upon the named streets and highways, or parts thereof, described as follows:

SECTION 2. That from and after the date of the passage of this speed zone ordinance, no motor vehicle shall be operated along and upon State Highway 205 within the corporate limits of the City of Rockwall in excess of speeds now set forth in Exhibit “A.”

SECTION 3. The Mayor of Rockwall is hereby authorized to cause to be erected, appropriated signs indicating such speed zones.

SECTION 4. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not to exceed Two Hundred Dollars ($200.00).

SECTION 5. That if any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and

applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 6. That this ordinance shall become effective immediately upon its passage and publication in accordance with the City Charter.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ON THIS THE 1ST DAY OF APRIL, 2019.

Jim Pruitt, Mayor

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **March 5, 2019**

SUBJECT: **Contract Mowing Agreement Extension**

Contract mowing service includes mowing of and debris removal from large tracks of land, right-of-ways, street medians**, two closed landfill locations and drainage easements**. The City receives competitive sealed bids for this service when applicable. The last sealed bid and contract was awarded to Grass Kisser Landscape Management by the City Council for an April 1, 2017 start date. This contract was renewed in 2018 with no amendments. The mowing contract amount is $80,437.

The contract terms allow for annual extension at the end of the initial contract period for up to three consecutive years should the scope of work, pricing and bid terms/conditions remain the same. The contractor has agreed to a contract extension with no amendments for 2019. Grass Kisser has performed satisfactorily and staff has determined that it would be in the best interest of the City to renew the current contract at 2017 unit prices.

Staff asks the City Council to consider this extension amount of $80,437. Funding for contract mowing service is approved in FY 2019 General Fund, Parks Department operating budget and the renewal contract is within budget.

25

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Andy Hesser, Parks and Recreation Director

DATE: March 11, 2019

SUBJECT: RESOLUTION FOR PARK GRANT FUNDING PROGRAM

The Texas Recreation and Parks Account is a fund administered by the Texas Parks and Wildlife Department (TPWD) to fund local park grants. The source of these funds is from a portion of state sales taxes collected from the sale of sporting goods within the state. These grant funds are used to assist local agencies with the cost of acquiring and/or the construction of local parks.

The Sporting Good Sales Tax (SGST) is also used to fund TPWD operations. In 2018 the SPST is estimated to be approximately $277 million. A summary of the proceeds is included in your packet.

Though the source of the funding for the program is determined by state law, the amount of the funding is subject to budgetary appropriation procedures. In past sessions as much as 96% of those mandated proceeds were cut from the Texas Parks and Wildlife Department Grants programs, thus severely impacting local communities' park development opportunities.

Therefore Texas Senate Bill 526 and companion Texas House Bill 1214 were filed in the 86th Legislature to permanently dedicate the sporting good sales tax proceeds by means of an amendment to the Texas Constitution. If approved by the Texas Legislature, it would then go to the Texas voters in November for consideration.

Since 2001, the City of Rockwall has received approximately $2,000,000 from the local grant program and over $600,000 from the Boating Access Grant program. Rockwall has greatly benefitted from these programs with significant funding for Myers Park Phases II and III, the SH66 Public Boat Ramp, Stone Creek and Breezy Hill parks and 2003 recipient for the Community Outdoor Outreach Program (COOP) grant to fund the outdoor recreation programs.

Park Board voted unanimously to recommend that City Council consider passing a resolution to support the constitutional and therefore permanent dedication of the SGST to fund TPWD operations and the Texas Local Grants Program. Contingent on approval, a copy of the resolutions will be forwarded to our local state representatives as well as state wide via the Texas Recreation and Parks Society Legislative Committee.

26

CITY OF ROCKWALL, TEXAS
RESOLUTION NO. 19-06

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, REQUESTING THE MEMBERS OF THE 86th LEGISLATIVE SESSION OF THE STATE OF TEXAS TO SUPPORT LEGISLATION THAT PROVIDES STEWARDSHIP, HEALTH AND WELL BEING, AND CONNECTIVITY FOR LOCAL AND STATE PARKS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Texas communities, counties, and the State provide stewardship by protecting and enhancing the investments in all parks and open spaces throughout this great state; and

WHEREAS, conservation of open spaces and making public lands accessible for public use is achieved through support of the state's sporting goods sales tax and the land and water conservation fund; and

WHEREAS, supporting water and natural resources through conservation ensures the public's right to access nature, the outdoors and recreational amenities; and

WHEREAS, physical activity and improving health and wellness is made possible through the utilization of parks and recreation amenities and services; and

WHEREAS, political subdivisions throughout the State of Texas depend on funding for services and programs to ensure access for all people to connect to nature and the outdoors; and

WHEREAS, Texas Parks & Wildlife local grants help create livable, safe, and responsible communities by supporting safe recreational amenities, pathways and trails; and

WHEREAS, the Parks and Recreation Industry supports and celebrates the positive economic impacts that are realized by connecting our communities to nature and the outdoors; and

WHEREAS, it is the desire of the Rockwall City Council that a copy of this resolution with appropriate names affixed be presented to the Governor of Texas and the leadership of the 86th Texas Legislature.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That members of the 86th Legislature of Texas are urged to seek support of legislation that provides stewardship, connectivity, health and well-being for local and state parks.

SECTION 2. That this resolution shall become effective immediately upon its passage, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ON THIS THE 18TH DAY OF MARCH, 2019.

ATTEST: **Jim Pruitt, Mayor**

Kristy Cole, City Secretary

LEGISLATIVE BUDGET BOARD

Sporting Goods Sales Tax

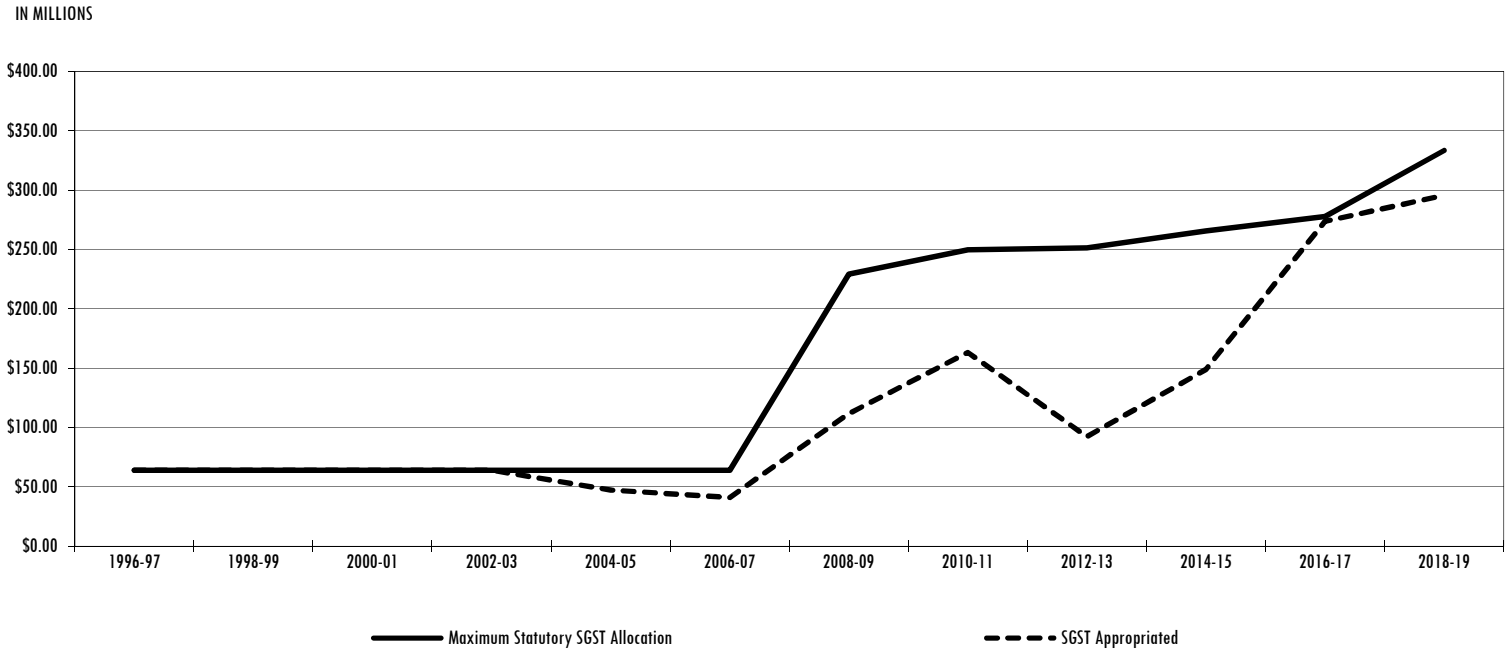
PRESENTED TO THE SENATE COMMITTEE ON FINANCE

LEGISLATIVE BUDGET BOARD STAFF **FEBRUARY 2018**

Statement of Interim Charge

Sporting Goods Sales Tax: Identify state and local park needs and determine whether the Sporting Goods Sales Tax is meeting those needs.

Methods of Financing Parks: Sporting Goods Sales Tax



Sporting Goods Sales Tax (SGST) is not a separate tax, but is the portion of state tax revenue estimated to be generated from the sale, storage, or use of sporting goods by the Comptroller of Public Accounts. SGST is revenue within the General Revenue Fund. Under current law, the Texas Parks and Wildlife Department (TPWD) is eligible to receive up to 94 percent of the total amount available and the Historical Commission is eligible to receive up to six percent.

In the TPWD budget, SGST may be transferred up to the maximum amount estimated in the Biennial Revenue Estimate between the four General Revenue-Dedicated accounts as determined by the Legislature during the appropriations process.

Account	Allowable Uses	2018-19 Allocations (Millions)*	Percentage of TPWD Allocation
State Parks Account No. 64	State Parks operations and support.	$188.1	67.7%
Texas Recreation and Parks Account No. 467	Grants to city or county with population under 500,000 for local parks or other recreation opportunities.	$20.6	7.4%
Large County and Municipality Recreation and Parks Account No. 5150	Grants to cities or counties with populations over 500,000 for local parks or other recreation opportunities.	$11.6	4.2%
Conservation and Capital Account No. 5004	Acquisition and development, maintenance, and operation of state parks.	$57.3	20.6%
TOTAL		$277.6	100.0%
*Note: 2018-19 allocations include estimated amounts for employee benefits and debt service			

SGST Appropriations Since the 1996-97 Biennium

The Eighty-fifth Legislature appropriated the 88.6 percent of SGST available in the 2018-19 biennium. In addition to amounts in TPWD and THC bill patterns ($223.2 million), SGST appropriations also include estimated amounts for debt service on bonds for state parks-related projects and for payroll benefits ($72.4 million).

General Revenue-Dedicated Accounts Receiving SGST Transfers

State Parks Account No. 64

Uses: The operation and maintenance of state parks, including facilities and services at parks, park employee salaries, capital improvements, and administration of the state park system. This account provides funding for state parks peace officers, which are distinct from game wardens.

Revenue Sources (Fiscal Year 2017 Amounts):

- SGST transfer, which is tracked as a separate item of appropriation (TPWD direct appropriation of $60.1 million excluding benefits and debt service);
- State park entrance fees and passes ($56.2 million);
- Grants, gifts, and donations ($1.2 million);
- Oil and gas royalties on state parks properties ($1.5 million);
- Federal Receipts ($1.9 million);
- Publication Sales ($1.0 million); and
- A transfer of up to 15 percent of boat registration and titling fees from the General Revenue-Dedicated Game, Fish, and Water Safety Account No. 9 ($2.9 million).

General Revenue-Dedicated Accounts

Conservation and Capital Account No. 5004

Uses: The Conservation and Capital Account No. 5004 (GR-D) can be used for the acquisition and development, maintenance, or operation of state parks, fisheries, and wildlife projects.

Revenue Source: The only active revenue source for the account in the 2018-19 biennium is SGST transfers, totaling $57.3 million.

Texas Recreation and Parks Account No. 467

Uses: To provide assistance grants and direct state matching grants to local governments with populations under 500,000 to acquire and develop parks, recreation opportunities, open spaces, or programs.

Revenue Source: The only active revenue source for the account in the 2018-19 biennium is SGST transfers, totaling $18.0 million ($20.6 million including benefits).

General Revenue-Dedicated Accounts

Large County and Municipality Recreation and Parks Account No. 5150

Uses: To provide assistance grants and direct state matching grants to local governments with populations of 500,000 or more to acquire and develop parks, recreation opportunities, open spaces, or programs.

Revenue Source: The only active revenue source for the account in the 2018-19 biennium is SGST transfers, totaling $9.7 million ($11.6 million including benefits).

Recent Significant Enacted Legislation

The Eighty-fourth Legislature, Regular Session, 2015, enacted two bills amending the allocation process of SGST revenue, increasing flexibility for the Legislature and making all SGST revenue available for appropriation to effectively meet identified priorities. The provisions of HB 158 and SB 1366 made the following changes:

- In addition to the allowable uses of the four receiving accounts, statute requires that transfers of SGST revenue be used to (1) acquire, operate, maintain, or make capital improvements to parks; (2) for grants to local units of government and other entities; and (3) for state contributions for employee benefits; and
- Granted the Legislature greater discretion over the distribution of SGST to the four TPWD accounts that receive SGST transfers by eliminating statutory maximum allocation percentages to each of the four General Revenue-Dedicated accounts.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **March 14, 2019**

SUBJECT: **Resolution Consenting to Forney Addition to Wastewater Interceptor**

The cities of Rockwall, Heath, and Forney share in the debt service and operations cost for a wastewater interceptor line which conveys wastewater from the cities to the NTMWD treatment plant in Mesquite. Each city's proportionate share is determined by their respective flow into the line.

A provision in the contract allows each city to add services outside their respective city limits to the interceptor line with the consent of the other partners. This has happened several times over the life of the agreement with Heath adding Travis Ranch and Forney adding their high school site as well as a portion of the Devonshire development to the line. Rockwall added Sonoma Verde in Mclendon Chisholm to the line and bills the cost back to Mclendon Chisholm.

Forney requested to add just over 114 acres of their ETJ which is served by a MUD back in November 2018 which Rockwall granted by resolution. Forney is now asking for an additional 487 acres of the Devonshire addition to be added. Rockwall has been asked to consider the request at the next Council meeting. All costs for this addition to the interceptor flows will be borne entirely by Forney in keeping with the agreement now in place and staff does not anticipate any issues related to this addition.

The resolution is included on the Council's consent agenda for consideration.

39

CITY OF ROCKWALL
RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AUTHORIZING AND CONSENTING TO THE CITY OF FORNEY, TEXAS PROVIDING SANITARY SEWER SERVICE TO 487 ADDITIONAL ACRES OF LAND THROUGH AN AMENDMENT TO THE CITY OF FORNEY WASTEWATER SERVICE CONTRACT WITH KAUFMAN COUNTY MUNICIPAL UTILITY DISTRICT NO. 3 AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the North Texas Municipal Water District (the "District"), the City of Rockwall, the City of Heath, and the City of Forney (collectively, the "Participants") originally entered into a "Buffalo Creek Interceptor System Contract," dated January 22, 2004 (the "Contract"); and

WHEREAS, the City of Forney currently desires the consent of the District and the Participants to provide service from the Interceptor System (as defined in the Contract) to an area outside the municipal limits of Forney; and

WHEREAS, the District and Participants have been requested to consent to the providing of sanitary sewer from the Interceptor System, through the City of Forney, to an area consisting of approximately 487 additional acres of land.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the City Council does authorize and consent to the City of Forney, Texas providing sanitary sewer service to an additional 487 acres of land through an amendment to the City of Forney Wastewater Service Contract with Kaufman County Municipal Utility District No. 3 as provided in the Second Amendment to Wastewater Service Contract between the City of Forney and the Kaufman County Municipal Utility District No. 3 effective March 5, 2019.

SECTION 2. That this Resolution shall take effect immediately from and upon its approval and it is so resolved.

PRESENTED AND PASSED by the City Council of the City of Rockwall, Texas, this the ____ day of _____, 2019.

CITY OF ROCKWALL, TEXAS

_____
Jim Pruitt, Mayor

ATTEST:

Kristy Cole, City Secretary

40

SECOND AMENDMENT TO WASTEWATER SERVICE CONTRACT

This Second Amendment to Wastewater Service Contract (the "Second Amendment") is executed by and between Kaufman County Municipal Utility District No. 3, a conservation and reclamation district created under the authority of Article XVI, Section 59 of the Texas Constitution by the Texas Commission on Environmental Quality ("KCMUD 3"), and the City of Forney, Texas ("Forney") (each a "Party" and, collectively, the "Parties"), to be effective the ___ day of _____, 2018 (the "Effective Date").

WHEREAS, Forney and Wynne/Jackson West Tract, L.P., a Texas limited partnership ("W/J"), entered into that certain Wastewater Service Contract dated March 1, 2005 (the "Original Contract"); and

WHEREAS, by Assumption of Contract dated June 30, 2006 (the "Assumption of Contract"), KCMUD 3 assumed and accepted all the rights, title, interest, obligations, liabilities, and responsibilities of W/J under the Original Contract; and

WHEREAS, Forney and KCMUD 3 entered into that certain First Amendment to Wastewater Service Contract dated October 16, 2007 (the "First Amendment"); and

WHEREAS, Forney has entered into the Buffalo Creek Interceptor System Contract with the City of Rockwall, the City of Heath and North Texas Municipal Water District, dated January 22, 2004 and a First Amendment to the Buffalo Creek Interceptor System Contract, dated October 28, 2004 (collectively, the "Interceptor Agreement"); and

WHEREAS, Section III.A. of the Original Contract states that the land being serviced pursuant to the Original Contract shall be only the Service Area, unless approved in writing by the parties to the Interceptor Agreement; and

WHEREAS, the Parties desire to amend the Original Contract to expand the Service Area, currently containing approximately 1,040 acres (as further described in Exhibit "A" of the Original Contract, as amended by the First Amendment), to include approximately 487 additional acres, as further set forth herein, and to obtain the approval of the City of Rockwall, City of Heath, and North Texas Municipal Water District of the expanded Service Area in accordance with Section III.A. of the Original Contract;

NOW THEREFORE, for and in consideration of the mutual obligations of the Parties set forth in the Original Contract, the First Amendment, and this Second Amendment, and for other good and valuable consideration the receipt and adequacy of which are acknowledged, the Parties hereto agree as follows:

1. Terms. Capitalized terms not defined herein have the meanings assigned in the Original Contract.

2. Expansion of Service Area. The Service Area is hereby expanded and shall include, in addition to the approximately 1,040 acres described in the Original Contract and First Amendment, the approximately 487 acres described in Exhibit "A" attached to this Second Amendment and incorporated herein for all purposes.

3. Increase in Capacity Requirements. The limitations regarding wastewater capacity shall be amended and increased as described in Exhibit "B" attached hereto and incorporated herein for all purposes.

4. Consent. By execution hereof, the City of Rockwall, City of Heath, and North Texas Municipal Water District hereby consent to the expansion of the Service Area to include the approximately 487 acres described in Exhibit "A."

5. Recitals. The "Recitals" set forth in this Second Amendment are true and correct and form the basis upon which the Parties have entered into this Second Amendment and are incorporated as part of this Second Amendment for all purposes.

6. Full Force and Effect. The Original Contract, as assumed by the Assumption of Contract and amended by the First Amendment and this Second Amendment, remains in full force and effect.

7. Representations and Warranties. Each Party to this Second Amendment represents and warrants that: (a) the execution of this Second Amendment has been approved and authorized by such Party in accordance with all applicable requirements; (b) this Second Amendment is binding upon and enforceable against such Party in accordance with the provisions hereof; (c) each Party has the authority to perform its duties and obligations under this Second Amendment; and (d) that the performance by each such Party of its duties and obligations under this Second Amendment will not violate any other agreement by which such Party is bound.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Andy Hesser, Parks and Recreation Director

DATE: March 11, 2019

SUBJECT: Mandatory park land dedication ordinance (est. of annual fees)

There are two major components of the City's Mandatory Park Land Dedication Ordinance. One is the cash in lieu of land fee. This fee is applied when the Park Board feels that it is in the best interest of the City to recommend accepting cash-in-lieu of land for neighborhood parkland. According to our Mandatory Parkland Dedication Ordinance, the Park Board shall annually make a recommendation to the City Council and Council will set the fee by resolution. The fee is based on the average cost of neighborhood park land across the entire City.

Bryan E. Humphries and Associates completed their appraisal in January of 2019 to determine the average cost per acre of land and provided a final report. To establish comparable parcels, the properties evaluated must have easy access to utilities, public street, not be within the 100 year flood plain and not possess any unusual topography rendering the land useless for organized recreational activities. According to Mr. Humphries' report, the average cost of one acre of neighborhood park land with the above restrictions within the City limits is **$55,000**. I have attached the appraisal study and letter completed by Mr. Humphries.

Each year the cost to develop an 11 acre neighborhood park should be considered and set by Council resolution as well. That cost is estimated to be $1,250,000. A residential developer's portion is 50% of that cost, which is $625,000. This amount is used to set the "per neighborhood park" cost for the calculation of neighborhood park development pro-rata equipment fees.

At the March meeting, Park Board voted unanimously to recommend that Council set the per acre price of park land by resolution in the amount of $55,000. Park Board also voted unanimously to recommend that the neighborhood park cost be set at $625,000. Staff will be available to answer any questions.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 19-04

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ADOPTING THE PER NEIGHBORHOOD PARK DEVELOPMENT COST TO BE USED IN CALCULATION OF A NEW DEVELOPMENT'S PRO RATA SHARE CONTRIBUTION FOR NEIGHBORHOOD PARK DEVELOPMENT EQUIPMENT FEES; PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Rockwall desires to provide a park system which includes adequately sized and appropriately equipped Neighborhood Parks, and

WHEREAS, the City of Rockwall has adopted a Park and Recreation Master Plan designed to facilitate development of its Park Systems; and

WHEREAS, in Chapter 38. "Subdivisions," Article II. "Parkland Dedication" of the Code of Ordinances, the City of Rockwall has adopted Mandatory Neighborhood Parkland Dedication regulations designed to facilitate participation by developers (on a pro-rata basis) in acquisition and development of neighborhood parks; and

WHEREAS, said ordinance provisions provide that the City Council shall annually adopt a resolution establishing the "per neighborhood park development cost" to be used in calculation of a new development's pro-rata share contribution for neighborhood park development equipment fees.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

SECTION 1. Based upon a recommendation of the City of Rockwall Parks and Recreation Board, **$625,000.00** per neighborhood park is hereby adopted as the "per neighborhood park" park development cost to be used in calculation of pro-rata neighborhood park development equipment fees;

SECTION 2. This resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 18th day of March, 2019.

Re: Average Price Per- Acre of Land in the City of Rockwall
City of Rockwall, Rockwall County, Texas

Mr. Andy Hesser,

We are pleased to transmit this gross market study/real property appraisal consulting report that was prepared for the purpose of valuing typical parkland in the City of Rockwall, This parkland is typically five acres and in the early stages of development. Please refer to identification of project on page 4 for further explanation of the project scope. This report is a gross market study (real property appraisal consulting report) and does not involve analysis of or the inspection of a physical subject property. The purpose of this gross market study is to derive an opinion of a fee simple market value of the average price per-acre of land in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). The effective date of this gross market study is January 1, 2019.

The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes. This consulting report is only intended to assist the City of Rockwall, in establishing a general value trend and current market value of the average price per- acre of land in the City of Rockwall.

CERTIFICATE

I certify that, to the best of my knowledge and belief,...

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, impartial, unbiased professional analyses, opinions, and conclusions.

As of the date of the appraisal only, I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved.

We have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My engagement in this assignment was not contingent upon developing or reporting predetermined results.

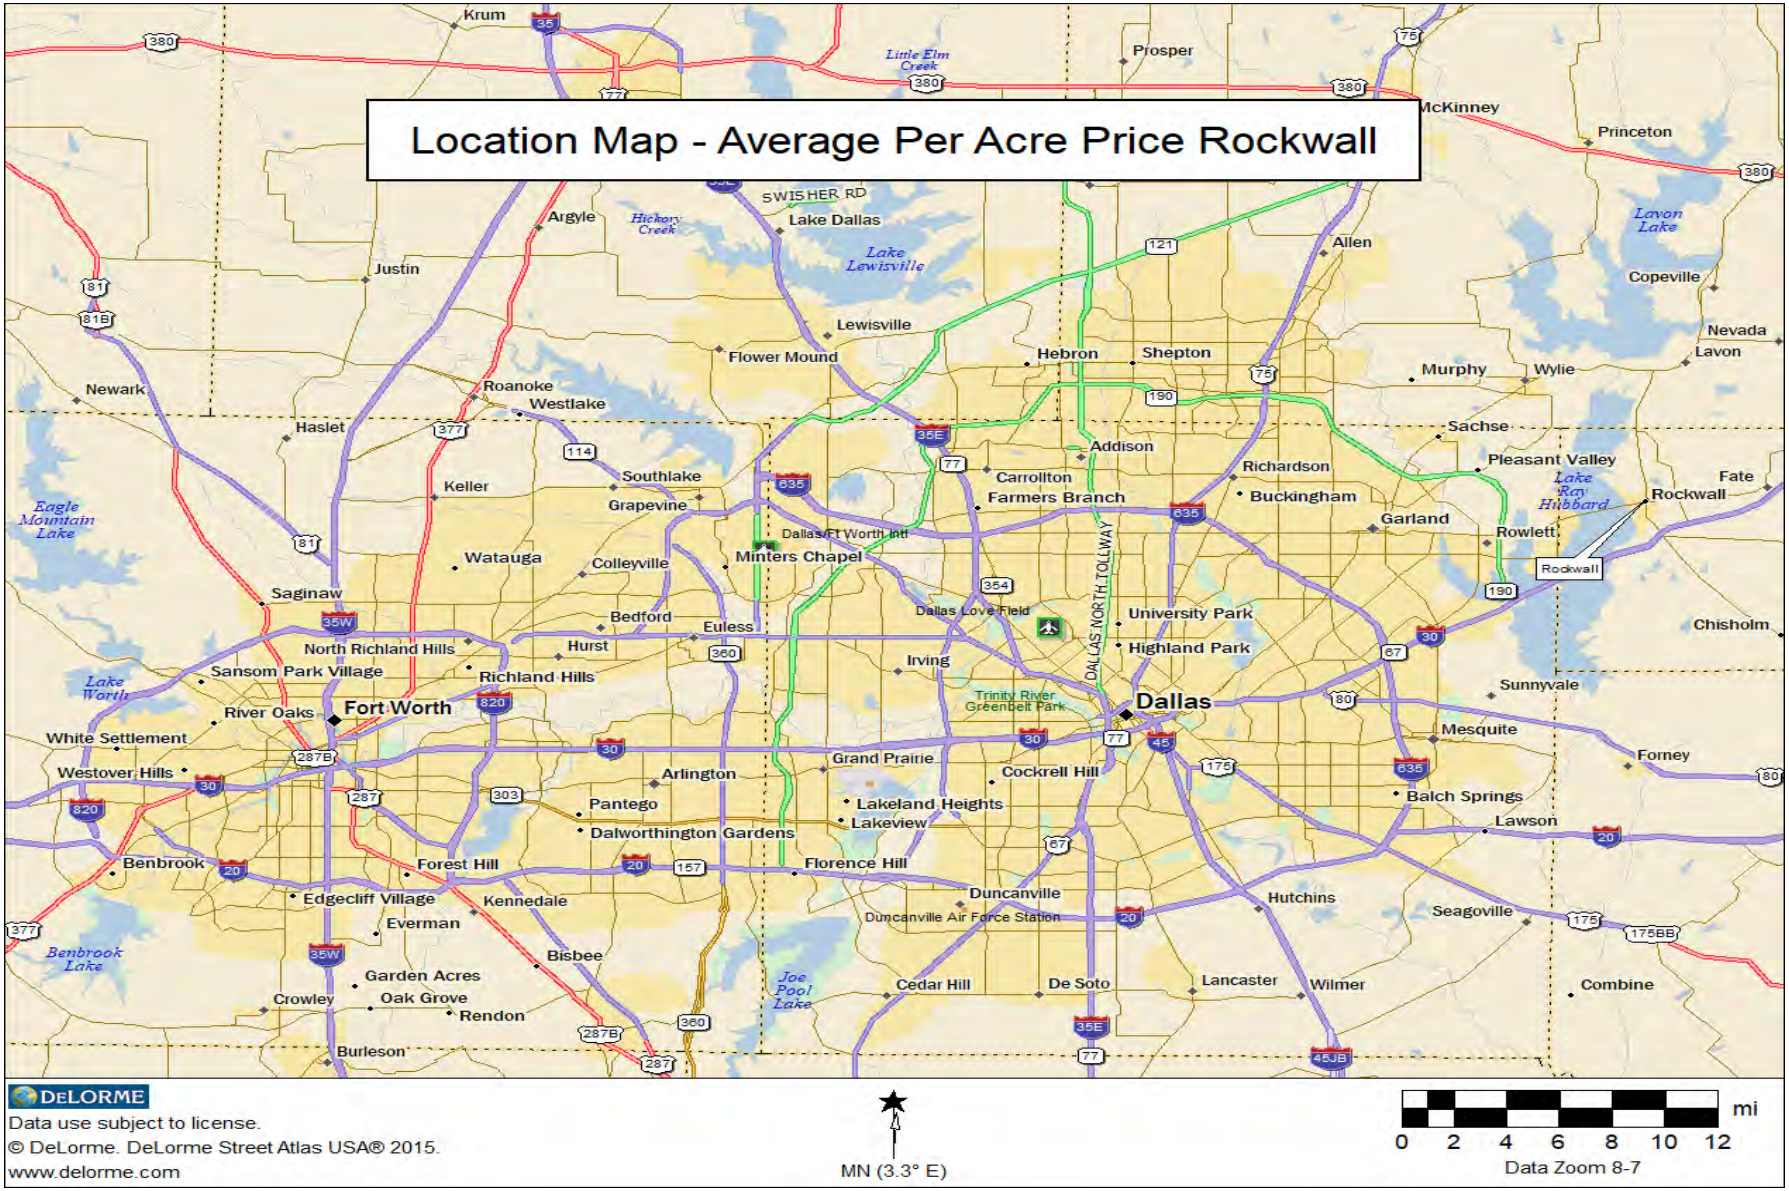
My compensation for completing this assignment is not contingent on the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

Bryan Humphries has made a personal inspection of the property that is the subject of this report.

No one provided significant real property appraisal assistance to the persons signing this certificate.

I have performed a previous appraisal (1/1/13, 1/1/14, 1/1/15, 1/1/16, 1/1/17 and 1/1/18) involving the subject property within the three years prior to this assignment.

The report analysis, opinions, and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Code of Professional Ethics and the Uniform Standards of Professional Appraisal Practice of the Appraisal Institute.



The use of this report is subject to the requirements of the Appraisal Institute relating to review by its duly authorized representatives.

As of the date of this Study, I have completed the requirements of the continuing education program of the Appraisal Institute.

Bryan Humphries, MAI, TX-1320676-G

GENERAL INFORMATION & SCOPE OF WORK

Identification of Subject and Project

The subject property is a typical, underdeveloped, Parcel in the City of Rockwall. The parcel represents the average in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). According to the ordinance, from time to time, developers must dedicate land to the City of Rockwall in order to meet the need for park land in the area. If the dedication is not feasible, the developers must then give the City cash in lieu of land that is reflective of typical residential land in Rockwall. The client has indicated that this average residential land is typically 5 acres and in the early stages of development.

Inspection Information, Effective Date and Date of Report

This analysis does not involve a physical subject property, only a hypothetical property, thus no inspection is required. The effective date of the assignment is January 1, 2019. The date of the report is the date of the signature on the first page of this report. Unless otherwise stated, all factors pertinent to a determination of value are considered as of this date.

Identification of the Client/Intended User

This real property appraisal consulting report is prepared for the City of Rockwall, Mr. Andy Hesser, 108 E. Washington, Rockwall, Texas 75087. Any other use or users are not intended or authorized.

Objective of the Assignment/Intended Use

This consulting assignment is only intended to assist the client in establishing an average price per-acre of land. The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes.

55

Appraisal Report Option

This is a real property appraisal consulting assignment that complies with the reporting requirements set forth under Standard 5 of the *Uniform Standards of professional Appraisal Practices (USPAP).* As such, it presents sufficient information to enable the client and other intended users, as identified, to understand it properly. The depth of discussion contained in this report is specific to the needs of the client and the intended users of this property appraisal consulting report.

Analysis Overview

As part of this consulting assignment, we have completed the following steps to gather, confirm, and analyze the data.

- Physically inspected the subject markets and the surrounding neighborhoods.
- Collected factual information about the surrounding market and confirmed that information with various sources.
- Collected market information needed to consider the three traditional approaches to value: Cost approach, sales comparison approach and income capitalization approach (if applicable).
- Prepared a real property appraisal consulting report setting forth the conclusion derived in this analysis as well as a summary of the information upon which the conclusions are based.

Extraordinary Assumptions

An extraordinary assumption is something that is assumed to be true, but it is not certain. If it turns out to be untrue, the value conclusion could be impacted. Extraordinary assumptions are those assumptions that are specific to the assignment, as opposed to general assumptions, which could be applicable to any assignment. In this assignment, we have assumed typical general assumptions and limiting conditions as cited above. In this particular assignment, the following extraordinary assumptions were made:

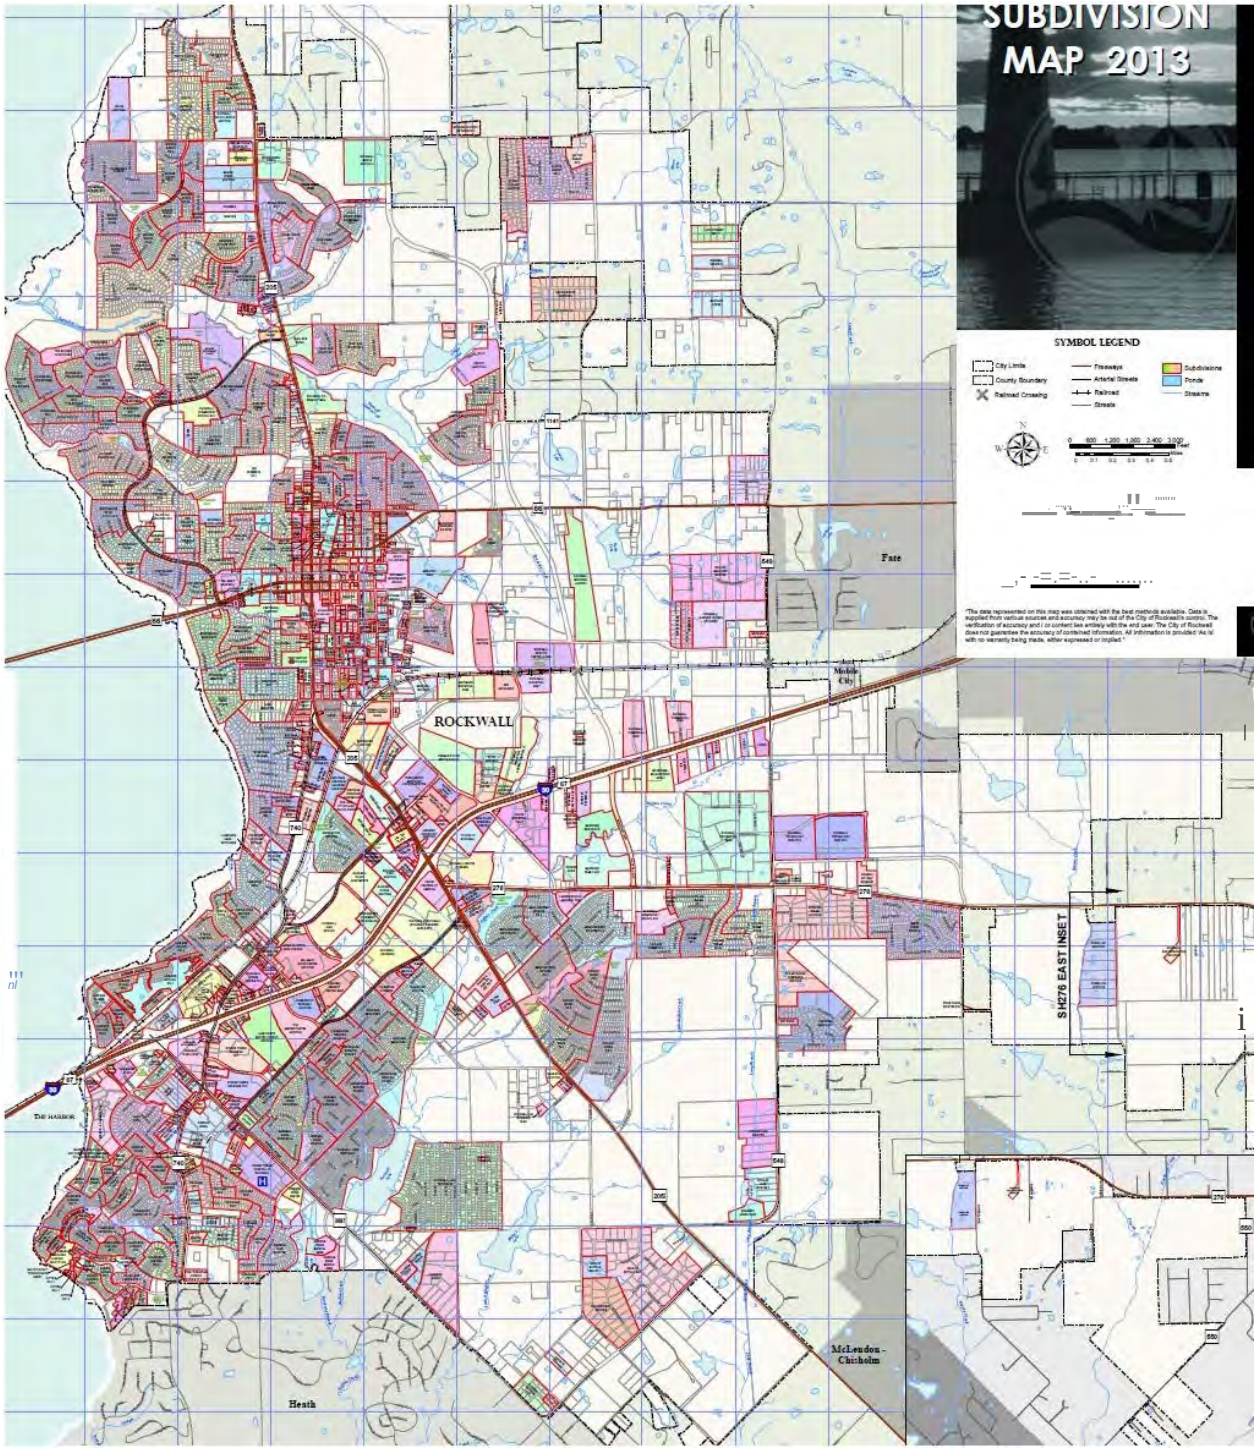
- Sales and listing data obtained from the Multiple Listing Service is deemed to be sufficiently reliable data to establish overall market trends and the current market value of an average, price per-acre of land. While some knowledgeable real estate brokers and salespeople have been contacted to obtain and confirm data, the reader should be aware that not all of the sales and listing data analyzed was independently confirmed.

56

- The client should not conclude that an appraisal has been prepared, and this consulting report should not be used for condemnation purposes. This gross market study (real property appraisal consulting report) is only intended to assist the City of Rockwall in establishing a general value trend and current market value of an average price per-acre in the City of Rockwall.

- The purpose of this consultation report is to establish the average price per acre of land in the City of Rockwall. As set forth in the City of Rockwall, Park Land Dedication Ordinance, Section 24-45(b). However, it is beyond the scope of this consultation report to estimate the actual costs of adjacent street and site utilities as stated in the ordinance (see addenda).

Jurisdictional Exceptions



The Jurisdictional Exception Rule provides for severability preserving the balance of the *Uniform Standards of Professional Appraisal Practice (USPAP).* If one or more parts of *USPAP* are "contrary to the law or public policy of any jurisdiction, only that part shall be void and of no force or effect in that jurisdiction." According to *USPAP*, "A law means a body of rules with binding legal force established by the controlling governmental authority." This includes federal and state constitutions, legislative and court made law, administrative rules, regulations and ordinances. In this assignment, there are no known conflicts of law or public policy that disregard the *USPAP*.

Hypothetical Conditions

A hypothetical condition is that which is contrary to what exists but is supposed for the purpose of analysis. In this particular assignment, the following hypothetical condition was made:

> For purposes of this analysis, the subject property is a hypothetical, undeveloped, parcel in the City of Rockwall.

Residential Market Analysis

Boundaries

The neighborhood boundaries are generally defined as follows:
City of Rockwall (Urban)
Outlying areas of the City of Rockwall (Suburban)

Development Activities and Trends

Residential development comprises approximately ±80% of the development in Rockwall. According to ESRI, the median 2018 home value within a 1-mile, 3-mile, and 5-mile radius of the Subject is $240,863, $244,411 and $242,909 respectively.

Recent single family building permit activity in Rockwall County summarized as follows:

Rockwall County Single Family Building Permits[1]				
Year	**Units**	**% Change**	**Average Value**	**% Change**
2000	955	-	$194,400	-
2001	1.267	32.7%	$171,000	-12%
2002	1,224	-3.4%	$171,000	0.0%

YTD Oct 18	1482		$307,250	

1 Data provided by Texas A&M Real Estate Center

As indicated by the preceding chart, new single family home activity peaked in 2005 at 1,756 permits. Building permit activity dropped significantly in 2006, 2007, and 2008, but slowed to 7.5% in 2009. New construction continued to decline in 2010, but appears to have bottomed in 2011 with 411 homes as 487 building permits were issued through September 2012. For 2012, 2013, 2014, 2015, 2016,2017 and 2018 permits have rebounded significantly, being up over ± 257% from 2011 levels.

59

Demographic Trends

Population growth in Rockwall County had been slow in relation to the Dallas-Fort Worth CMSA after Lake Ray Hubbard was impounded in the 1960's. That changed when IH-30 was upgraded and the bridge widened in the 1990s. While the entire county has benefited, most of the growth has taken place along or near IH-30, and from west to east. Access remains an important factor in Rockwall County's growth pattern.

Area	1980	1990	2000	2010	2010 to 2018 Compounded Annual %Change	Estimated 2018
City of Fate	NA	477	463	6,357	9.6%	13,240
City of Heath	1,459	2,108	4,149	6,921	2.11%	8,180
City of Rockwall	5,939	10,486	17,976	37,490	1.95%	43,750
City of Rowlett	7,522	23,260	44,503	56,199	.57%	58,830
City of Royse City	1,566	2,206	2,957	9,349	3.23%	12,060
Rockwall County	14,528	25,600	43,080	78,337	2.84%	97,990

Source: U.S. Bureau of the Census & State of Texas

The population in the City of Rockwall increased 1.95% compounded annually from 2010 to its 2018 level of 43,750. The Rockwall County grew 2.84% annually to 97,990 during the same period.

Demographics

The following chart summarizes demographic data in the Subject Neighborhood. The data was provided by ESRI, Inc., and is based on demographics in a 1,3, and 5-mile radius from the Subject Property.

60

2010-2018 Demographic Data (Source, ERSI, Inc.)

2018 Median Home Value	$240,863	$244,411	$242,909

The following data is compiled from the North Texas Real Estate Information Systems and analyzed by the Real Estate Center at Texas A&M University. According to the data as of December 2018 (includes residential, commercial and farm and ranch) the number of closed transactions year-to-date for lots and vacant land in the Rockwall market area has decreased 12% and the average price has increased 33%. The average sold to list price has remained at ±91% and the average days on market has increased 42%. Pending sales have decreased by 12% and months inventory has increased to 18.8 months. The decrease in pending sales is an indicator of possible decrease transaction levels in the coming months.

62

Conclusions

Rockwall has shown strong population growth over the past twenty years and employment trends are positive. The area is rapidly being developed with commercial and residential uses. In the future, Rockwall County is anticipated to be a strong growing area of the Metropolex. The neighborhood is considered to be in a growth life stage and the overall aspects are considered to be good.

63

DATA ANALYSIS

Description and Analysis of the Subject

For purposes of this analysis, the subject property is a typical, undeveloped, parcel in the City of Rockwall. According to the client, the City of Rockwall will be using the data to value parklands ranging in size from 1 to 10 acres. The client instructed the appraisers to base adjustments on a typical 5 acre residential parcel.

Description of the Data and Analysis

The purpose of this analysis is to determine the average value of a residential, undeveloped, parcel within the City of Rockwall. The parcel is assumed to have paved street access, utilities and to be in the early stages of development.

Sales and listing data was obtained from the NTREIS Multiple Listing Service. Our queried data included all residential land sales from one tenth of an acre to twenty acres in the City of Rockwall. Included within the data are land sales of parcels improved with typical subdivision infra-structure (i.e. paved streets, utilities, engineering, platting, etc.) and those that do not have these improvements. These sales have been adjusted to reflect their condition above and below the average undeveloped parcel. Within our analysis we have also considered historical land sale prices and trends as these are good indicators of current prices and prices going forward and provide a helpful frame of reference for the overall market. Other factors considered and adjusted for within the sales data include parcel size and location.

Our queries presented the following raw data. The data is not adjusted to reflect the average, undeveloped parcel. The raw average price per acre is heavily biased and influenced by sales of lake front lots.

	2011	2012	2013	2014	2015	2016	2017	2018
Total Sales	79	90	97	68	92	84	61	57
Sale to List Ratio	85%	88%	92%	92%	97%	93%	93%	92%

Data Analysis, continued

A trend analysis of the raw price per acre of lot sales listed in MLS from 2010 to 2018 suggests the price trend is to be to slightly increasing. The Trend Line graph is shown on page 15. However, little weight should be given in this data as it is heavily upward biased because of small lots located on or near the lake which sale at a premium price due to location and higher unit prices due to economies of scale. Likewise, at the other end of the spectrum, a few sales sold for $300,000+. Only lot sales stated by MLS to be in the City of Rockwall were considered. In an attempt to reduce the skewing for the 2010 thru 2018 time period, the data set is narrowed to sales greater than 1.00 acres and up to 20 acres with a price ± less than $100,000. The following chart reflects the trend of these sales. The data indicates that the lots sales from 2010 to 2018 had an increasing trend. From 2010, the typical price per acre was ± $20,000, the price per acre increase to ± $53,494 in 2018. The average per acre price was $31,393 for 2010 to 2018.
